

The Order 3101

Chapter: 3101

“She didn’t lie to you. She did put that San Gong water in our tea. It’s just that I am immune to all poisons, so that San Gong water has no effect on me.”

Chen Ping smiled coldly.

Zhou Jie looked at Chen Ping, and then lowered her head in shame. She finally put Sanggong water in Chen Ping and his tea, which made Zhou Jie feel ashamed to see Chen Ping!

“I didn’t expect you to have such a physique.”

Song Qingping had a gloomy face. Now that he had made it clear, Song Qingping knew that he couldn’t pretend anymore!

“There are still many things you don’t know...”

As he spoke, waves of terrifying aura began to erupt from Chen Ping’s body!

When Song Qingping saw this, he couldn’t help but snorted coldly: “Chen Ping, with your current ability, you are no match for me at all.”

“And don’t forget that this is the Demon Spirit Sect and my territory, so you’d better not interfere in our Demon Spirit Sect’s affairs.”

“I can let you go now. Whether you go to save your girlfriend or go to Penglai Island, I can continue to help you.”

“But if you insist on meddling in our Demon Spirit Sect’s affairs, then don’t blame me for being rude.”

Song Qingping faced Chen Ping and did not panic.

“I’m not your opponent? Are you narcissistic?”

Chen Ping smiled coldly.

“Narcissistic?” Song Qingping snorted coldly, and then the terrifying aura on his body erupted, instantly suppressing Chen Ping’s aura: “Now, do you still think I am narcissistic? Can I become the deputy sect leader? , it relies not only on means, but also on future strength.”

“The peak of Dawuhou?”

Chen Ping frowned slightly. He didn’t expect that Song Qingping would be so strong, that he was at the peak of Dawuhou.

Everyone else looked at Song Qingping in shock, even Deacon Nalu was full of surprise!

Obviously, he has been deceived by Song Qingping for so many years, and no one knows his true strength!

“What? Are you afraid? If you are, just leave obediently. I won’t embarrass you, and I won’t force you to stay with the blood demon’s body.”

Song Qingping looked at Chen Ping with contempt on his face and said calmly!

Chen Ping frowned slightly. Song Qingping was talking about cooperation with him in order to get the blood demon’s body!

But at this time, Song Qingping no longer wanted the blood demon body, which surprised Chen Ping!

But no matter what, it’s hard for Chen Ping to leave!

Chapter: 3102

“You are so crazy. Don’t you know that the seven great Martial Lords of the Martial Arts Alliance and even the Martial Saint Weapon were all killed by me?”

“You, a mere peak Dawuhou, dare to be so arrogant.”

“You should know Ning Zhi who suddenly appeared. Even when he saw me, he had no choice but to run for his life.”

Chen Ping sneered.

“Don’t compare that idiot to me. If he doesn’t have the soul of the Demon Lord in his body, who is he?”

“I want everyone to know that even without the blessing of the soul, I can still break through the Great Wuhou and reach the level of the Martial Saint.”

Song Qingping’s face was full of disdain, and he didn’t even take Ning Zhi seriously!

The reason why he respects Ning Zhi so much is because of the demon soul in Ning Zhi’s body!

“If God wants him to perish, he will definitely go crazy. I think your death day has come...”

As he said that, Chen Ping’s cold eyes exuded waves of chill!

“Don’t destroy my main hall, I’ll wait for you outside...”

After saying that, Song Qingping put his hands behind his back and walked out slowly, followed closely by his close followers!

“Damn, this guy is too cool, I’m here to meet him.”

Seeing Song Qingping’s tugging look, Jiang Wei couldn’t bear it anymore.

“Brother Jiang, don’t be angry, I’ll do it.”

Chen Ping smiled lightly!

At this time, Chen Ping had the Dragon-Slaying Sword in hand, and he was not afraid at all even when facing the peak of Da Wuhou.

Everyone walked out of the hall. When Hu Mazi walked out of the hall, he couldn’t help but glance at Zhou Jie!

He wanted to step forward and comfort Zhou Jie, but he didn’t know how to comfort her!

Arriving at the courtyard of the Demon Spirit Sect, Chen Ping stood opposite Song Qingping!

Song Qingping slowly raised his hand, and a powerful aura suddenly burst out!

boom!

With him as the center, huge forces rushed towards Chen Ping like a tsunami!

The strong wind swept across, and the entire secret realm was trembling!

Chapter: 3103

The bricks on the ground were falling apart and the house was shaking, as if the secret realm was about to collapse!

Feeling this terrifying power, everyone hid far away and watched quietly!

“Da Wuhou is at his peak, he is really powerful...”

Chen Ping felt the explosive pressure all around and couldn't help but frown slightly!

“Haha, Chen Ping, if you just think that I am the peak power of Da Wuhou, then you are totally wrong.”

“This is a secret realm with laws, and I am the one who creates the laws.”

Song Qingping said, invisible forces came from the chaotic space from all directions, like mountains, constantly pressing towards Chen Ping!

The floor tiles under Chen Ping's feet collapsed, and the bones on his body also made a rattling sound!

At this time, Chen Ping finally understood that in this secret realm, Song Qingping was like one of those formation masters. After setting up the formation, the strength of the person inside would be greatly increased, and he could adjust it at any time.

Although this secret realm was not created by Song Qingping, Song Qingping has lived in this secret realm for many years and must understand its laws!

Chen Ping's expression slowly began to change, and his body began to tremble slightly.

If he just resisted Song Qingping's power, Chen Ping would be very confident, but Song Qingping actually had the power of law in the secret realm, which Chen Ping couldn't bear.

But soon, Chen Ping felt that this power was very familiar!

When Chen Ping traveled through the chaotic space, he also had to grit his teeth and carry this power!

This is the power of the law. The bigger the secret realm is, the stronger the power of the law will be!

Looking at Chen Ping's slightly trembling body, Song Qingping couldn't help but sneer: "The outside world really overestimates your strength. I don't know why some people like your body."

"Chen Ping, I said, I won't kill you. Don't interfere in our Demon Spirit Sect's affairs, otherwise I will tear you to pieces with a wave of my hand."

Song Qingping still wants to reconcile with Chen Ping, just stop the conflict!

Chen Ping's physical body was of great interest to the powerful, and Song Qingping had no way to attack him. Even if they were to fight, he would still be timid.

For fear of getting into Chen Ping's body, Song Qingping didn't want to fight with Chen Ping!

As long as Chen Ping leaves, whether he is saving his girlfriend or going to Penglai Island, there will be traps waiting for him, so Song Qingping is not in a hurry to deal with Chen Ping!

"Hmph, I can bear the power of a mere law."

After Chen Ping finished speaking, he suddenly shouted, and the Dragon-Slaying Sword instantly appeared in his hand!

The Dragon-Slaying Sword was slashed out, causing a strange phenomenon in the world, and the extremely ferocious sword energy went straight towards Song Qingping.

Chapter: 3104

Seeing this, Song Qingping quickly turned sideways to avoid Chen Ping's sharp sword energy.

"You actually still have the ability to fight back?"

Song Qingping looked at Chen Ping in surprise.

But at this moment, a painful wailing sounded from behind Song Qingping!

When Song Qingping turned around to look, he found that several of his cronies had already been injured by the sword energy. The most serious one had been cut off by Chen Ping's sharp sword energy!

Several close followers looked at Song Qingping in pain. They chose to betray the Demon Spirit Sect and follow Song Qingping, but they didn't want to end up like this!

Song Qingping himself didn't expect that Chen Ping's sword just now would actually hurt the henchmen behind him!

If he knew this, he wouldn't have been able to dodge just now and stopped the sword energy.

But it's too late now. Several of the cronies he carefully cultivated are about to die tragically under Chen Ping's sword!

You must know that these cronies will be Song Qingping's pawns in controlling the Demon Spirit Sect. Now Song Qingping is in charge of the Demon Spirit Sect alone. He doesn't know how many people are truly obeying!

Song Qingping slowly turned his head and looked at Chen Ping with cold eyes!

Chen Ping smiled faintly, and golden light emitted from his body, lighting up the entire Demon Spirit Sect!

Although the power of law is powerful, it is a pity that the secret realm of Demon Spirit Sect is too small, so even if Song Qingping mobilizes the power of law, Chen Ping can still resist it with his strong body.

You must know that when Chen Ping walked into the chaotic space, the power in the turbulence was carried down by Chen Ping!

“Don’t look at me like this, you will be like them soon.”

Chen Ping said calmly.

“Chen Ping, I really underestimated you. I didn’t expect you to be able to resist the power of this law.”

“It seems that I am going to get serious with you today.”

Song Qingping’s face was ferocious, and his eyes exuded cold murderous intent!

This guy has murderous intentions towards Chen Ping!

Because he felt a threat from Chen Ping, the threat of death!

“Are you just joking just now?” Chen Ping raised the corner of his mouth: “Sorry, I was just warming up, but your lackeys really didn’t live up to the expectations.”

“you.....”

Song Qingping was almost angered to death. You must know that these cronies of his are all high-level officials of the Demon Spirit Sect, but they are all powerful as the Great Wuhou.

Chapter: 3105

They were injured by Chen Ping’s sword because they never expected that Chen Ping’s sword energy would suddenly go towards them!

After all, Chen Ping was suppressed by the power of law. Who would have thought that he would still be able to fight back?

And that sword was aimed at Song Qingping. Who would have thought that Song Qingping would dodge?

Such coincidences caused several of Song Qingping's cronies to be directly injured by Chen Ping's sword energy!

"Chen Ping, in this secret realm, with the blessing of the power of the law, I am the master here, and I will let you know the price of arrogance."

After Song Qingping finished speaking, his body disappeared in a flash, his speed was extremely fast!

Chen Ping frowned, because at this moment, even his eyes could not accurately capture Song Qingping's figure!

Song Qingping's speed was so fast that Chen Ping's eyes and brain couldn't keep up!

When Chen Ping saw this, he could only close his eyes, and his consciousness instantly emitted. Since he couldn't see it, he could only rely on his consciousness to capture Song Qingping's figure!

Soon, Chen Ping found that Song Qingping was next to him, and then punched Song Qingping!

The golden fist radiated light, and the entire void trembled under this punch!

Unfortunately, the punch was too slow, and the fist directly rubbed across Song Qingping's body. Song Qingping twisted his body and hit Chen Ping hard on the left waist.

Bang!

Chen Ping was hit by a punch and his body couldn't help but take a few steps back!

Song Qingping stood still and looked at Chen Ping with a sneer!

“Mr. Chen.....”

“Chen Ping...”

Jiang Wei and Hu Mazi saw this and hurriedly stepped forward to surround Chen Ping!

Chen Ping waved his hand to indicate that he was fine!

“Mr. Chen, or else I’ll use the Immortal Binding Rope to trap this kid!”

Jiang Wei said to Chen Ping.

“No, I want to have a good fight with him.”

Chen Ping rejected Jiang Wei’s proposal, put away the Dragon-Slaying Sword, and the aura in his body began to surge!

“Hmph, Chen Ping, you are too crazy...”

Chapter: 3106

Seeing that Chen Ping didn’t even use weapons, Song Qingping felt humiliated and suddenly kicked him!

This kick was so fast that it turned into countless afterimages in an instant!

The sound of piercing the sky roared, as if there were countless feet attacking Chen Ping!

“Holy Light Fist...”

Chen Ping roared, and suddenly punched forward with his huge fist!

This punch seemed slow, but it was also extremely fast. Countless fist shadows appeared, emitting golden light that filled the sky!

Bang bang bang.....

It seemed that both of them only made one move, but there were continuous explosions and the surrounding void trembled!

The entire Demon Spirit Sect compound began to roar violently, causing Hu Mazi and the others to retreat in a hurry!

Chen Ping used the Indestructible Golden Body, and then resisted the heavy pressure and followed Song Qingping to fight!

And Song Qingping kept attacking!

In the blink of an eye, the two of them were shaking together!

No one can clearly see the figures of the two people, and no one knows how many tricks they have passed!

Song Qingping relied on the power of the law and his peak Dawuhou strength to continuously launch attacks!

And Chen Ping, relying on his indestructible golden body and strong physical body, was not afraid at all!

For a while, the two people were fighting and it was hard to tell the winner!

Chen Ping became more and more brave, while Song Qingping became more and more frightened. This was still in the secret realm, and Song Qingping had mastered the power of the law!

If this was not in the secret realm, but in the secular world, Song Qingping would probably have been defeated by now!

Bang bang.....

After two dull sounds, Chen Ping followed Song Qingping and left!

Both of them looked a little ugly and their breathing became rapid!

“It’s so fucking enjoyable...”

Chen Ping wiped the sweat from his forehead!

He found that fighting with Song Qingping was more enjoyable than fighting with Ning Zhi. Ning Zhi was not strong on his own and only relied on the soul in his body!

Chapter: 3107

But Song Qingping’s strength is very solid. It can be seen that although this guy looks gentle and frail, he will definitely lose his life when he practices.

Seeing Chen Ping shouting happily, Song Qingping’s face turned uglier than eating shit!

You must know that he is now at the peak of Da Wuhou’s strength, and he also uses the power of the laws of the secret realm!

As for Chen Ping, he is only a mid-level powerful Wuhou at best, but he can even compete with him!

This made Song Qingping very embarrassed, and the people from the Demon Spirit Sect around him also looked at Song Qingping with a somewhat strange look!

Song Qingping knew that today he had to defeat Chen Ping no matter what, otherwise he would not be able to control the Demon Spirit Sect at all.

“As expected of the true form of a golden dragon, your body is so powerful. But even if you are a real dragon, I will peel off your dragon skin and beat your dragon tendons...”

After saying that, a green light began to flash on Song Qingping’s head!

Seeing this scene, Chen Ping was a little stupid, and even the other people looked at Song Qingping in confusion!

“Damn it, what does this kid mean? Is he cuckolding himself?”

Hu Mazi couldn’t help shouting, but when he saw Zhou Jie at the door of the hall, he shut his mouth instantly!

After all, Song Qingping was following Zhou Jie, and Chen Ping had already told him that the two of them had slept together!

If Song Qingping is wearing a cuckold now, that means Zhou Jie put it on him!

When the others heard Hu Mazi’s words, they all covered their mouths and laughed!

Even Deacon Lu, who had always looked nervous, burst out laughing at this moment!

“Are you trying to show how different you are? Just by holding a cuckold on your head, you are awesome?”

Chen Ping said to Song Qingping with a sneer on his face.

At this time, Song Qingping's face was deformed with anger, and he gritted his teeth and said: "You guys laugh, I will let you know how powerful my Ling Mu Jue is..."

After saying that, green buds began to grow on Song Qingping's head, and then vines appeared one after another, wrapping around Song Qingping's entire body.

At this time, Song Qingping seemed to be wearing a piece of vine armor, and his hands turned into vines, attacking Chen Ping instantly!

Seeing Song Qingping transform into a human and a ghost, Chen Ping's eyes showed a bit of surprise!

He didn't know whether Song Qingping was a human or a tree demon.

But when Chen Ping was stunned, two vines had already arrived in front of Chen Ping, instantly entangled Chen Ping, and directly lifted Chen Ping high!

Chen Ping struggled hard, but the vines became tighter and tighter, seeming to strangle Chen Ping to death!

Chapter: 3108

"Hahaha, Chen Ping, don't think that I am that easy to bully."

When Song Qingping saw Chen Ping being controlled, he burst into laughter!

"Are you a human or a demon?"

Chen Ping was very puzzled as to what kind of magic skills Song Qingping had practiced to become like this!

“Hmph, I am a human and a demon. Are you afraid?”

Song Qingping snorted coldly.

At this time, Song Qingping became extremely ugly, and his graceful appearance at the beginning was no longer the same!

Zhou Jie at the door of the main hall saw Song Qingping in this state. Thinking of the days when they had sex together, she couldn't help but start to feel sick!

She had never thought that the person she had always admired and liked would turn out to be neither a human nor a ghost!

“Are you afraid? I, Chen Ping, have never known what fear is. Even if you are really a demon, then I am the one who kills demons.”

After saying that, a golden light suddenly flashed, and the Dragon-Slaying Sword suddenly appeared in mid-air, and then slashed down with one sword!

The sharp sword energy instantly slashed towards the vines binding Chen Ping!

brush!

The vines were cut off instantly, and Chen Ping fell directly to the ground!

Then he stretched out his hand, took the Dragon Slaying Sword in his hand, and looked at Song Qingping coldly!

Song Qingping looked at the Dragon-Slaying Sword in Chen Ping's hand. The cut vines were growing at a speed visible to the naked eye!

Song Qingping suddenly shouted and stepped onto the ground suddenly, and then cracks began to appear on the ground!

Countless vines emerged from the ground and instantly surrounded Chen Ping.

And every vine burst out with huge power, whipping towards Chen Ping's body!

The sound of breaking through the air suddenly sounded, roaring towards Chen Ping!

The power exerted by each vine is enough to break a person's waist!

"Nine Shadows Divine Sword..."

When Chen Ping saw this, he swung the dragon-slaying sword in his hand instantly!

Immediately afterwards, Chen Ping was seen like a clone. Six identical Chen Pings appeared in an instant, and each of them held a dragon-slaying sword in their hands!

Chapter: 3109

Six Chen Ping swung their swords with all their strength at the same time!

Brilliant sword energy rose from the sky and covered the earth, and countless sword lights slashed at those vines!

The sword light interacted with the vine and instantly cut off the vine with an explosion!

Song Qingping looked at the six Chen Pings who suddenly appeared, and was stunned for a moment!

He didn't expect Chen Ping's methods to be so powerful!

At first he thought they were clones, but every sword ray carried substantial power. Only then did he realize that these six identical Chen Pings were all capable of causing substantial damage!

After a round of sword light, the ground was full of cut vines, and Chen Ping's face was a little ugly at the moment, his breath was heavy, and there was sweat on his forehead!

He had just used the Nine Shadows Divine Sword to transform into five figures, which consumed a lot of Chen Ping's physical strength!

After all, the sword light emitted by the five figures was also the strength obtained from Chen Ping's body!

If it was just a phantom, how could it have attack power?

Song Qingping looked at Chen Ping in surprise. He had just used the most powerful move, but he didn't expect to kill Chen Ping, and he couldn't even control Chen Ping!

But looking at Chen Ping's panting look, Song Qingping seemed to understand something, and then smiled slightly!

"Chen Ping, no matter what moves you use, it will consume a lot of spiritual energy, and I can use the power of the law. This time, you will die!"

Song Qingping knew that Chen Ping was at the end of his tether!

I saw that Song Qingping's body was like a big tree taking root, with vines going deep into the ground, and the aura in his body began to surge!

Several vines began to twist and then became entangled together. The vines kept waving in the air, getting faster and faster!

For a moment, a tornado appeared in the entire void under this rapid swing!

The tornado was carrying endless power, constantly accelerating and spinning, and then headed towards Chen Ping!

As long as Chen Ping is involved, even if his body is strong, he will be minced directly!

Chen Ping stared closely at the huge tornado in front of him. The huge suction force sucked in everything around him and then tore it into pieces!

Hu Mazi and the others were all frightened and retreated into the distance!

But just when Hu Mazi was about to leave, he suddenly discovered that Zhou Jie at the door was slowly being sucked in by the tornado due to lack of physical strength!

Hu Mazi was startled and jumped up. Regardless of his own safety, he stepped forward and picked up Zhou Jie, desperately trying to escape from the suction of the tornado!

The strong wind was howling, and every step Hu Mazi took was very difficult, but he gritted his teeth and hugged Zhou Jie without letting go!

Chapter: 3110

Zhou Jie was in Hu Mazi's arms, quietly looking at the old and ugly man in front of her!

But at this moment, Zhou Jie found that Hu Mazi had changed, became more handsome, and became much stronger!

In fact, this is the status of Hu Mazi in Zhou Jie's heart, which is changing!

At this time, Chen Ping looked at the huge tornado in front of him, and the terrifying aura also made him feel danger!

Chen Ping held the Dragon-Slaying Sword in both hands, and the power of the divine dragon entered the Dragon-Slaying Sword!

The dragon-slaying sword began to buzz.

Chen Ping shouted loudly, the sword light on the Dragon-Slaying Sword surged, and a golden aura surged out from the Dragon-Slaying Sword!

Soon the breath turned into a giant sword dozens of meters long, hanging in the air like a barrier, blocking Chen Ping's figure!

The golden light flashed, and the entire night turned into day!

“cut.....”

Chen Ping waved with all his strength!

The extremely huge sword light instantly slashed towards the crazy tornado!

For a moment, the two breaths collided and made a huge explosion!

The tornado was desperately approaching Chen Ping, and the huge sword light was struggling to block it!

The terrifying aura began to expand, and the entire secret realm began to twist!

“Stop, stop, if this continues, the secret realm will collapse...”

When Deacon Lu saw this, he hurriedly yelled!

You must know that this secret realm was also created using a magic circle, and it is not indestructible. If such a huge force collides, the secret realm may collapse!

Hearing Deacon Lu's roar, Song Qingping frowned and became distracted for a moment!

Because he can't let the secret realm collapse, then the Demon Spirit Sect he worked so hard for will be useless!

But Chen Ping didn't care. The collapse of the secret realm had no impact on Chen Ping!

It's just that people like the Demon Spirit Sect can only live in the secular world from now on, and their lives are not in danger!

As Song Qingping was distracted, Chen Ping's eyes flashed coldly, knowing that the opportunity had come!

Chen Ping actually raised the Dragon-Slaying Sword in his hand and threw it away!
