

The Order 311

Chapter: 311

When they arrived at Su's house, Chen Ping saw Gu Wentian and asked hurriedly: "Gu, is Taoist Master Buxu back?"

Gu Wentian nodded: "Yes, Taoist Master Buxu is back!"

"Then please Gu Gu, please take me there quickly!" Chen Ping was impatient!

"Mr. Chen, Taoist Master Buxu is back, but..."

Gu Wentian looked troubled!

"Old, just say what you want. If you want money, I can chip in!"

Chen Ping said.

"Ancient, how much does it cost? Just ask. The magic pen and cinnabar are for my aunt to treat her eyes. You must use the magic pen and cinnabar!"

Su Yuqi said at this time!

She knew what Chen Ping was doing with these two things. When Chen Ping gave her the medicine list, it was also on it. Su Yuqi did look for it carefully, and even offered a large reward. However, this kind of thing is rare and hard to come by!

Gu Wentian shook his head: "Mr. Chen, Miss Su, Taoist Master Buxu is not asking for money. For people like them who have entered Taoism, money is just an external possession. However, Taoist Master Buxu has a daughter who is seriously ill now." , and all the famous doctors couldn't find a cure, so he hoped to use the magic pen and cinnabar to ask Mr. Chen to help her daughter cure her disease!"

When Chen Ping heard this, he immediately understood that Gu Wentian and Taoist Buxu must have told him about his excellent medical skills, so Taoist Buxu proposed this condition. However, as long as it was not for organ failure and the dying old man, Chen Ping would not There is a cure!

“Gu Gu, what’s wrong with Taoist Master Buxu’s daughter?”

Chen Ping asked.

“I don’t know very well, but I heard from Taoist Master Buxu that her daughter has been cold and sick since she was a child. Her body is like falling into an ice cave. She sleeps with many quilts every day, but it doesn’t help. It has been many years and I have seen a lot. No place is in use, this time I went far away to seek medical treatment, but came back in vain!”

“Taoist Master Buxu also posted signs in Taoist temples to seek medical treatment for his daughter, and he was also willing to give alms. He wanted to accumulate merit for himself and help his daughter get better, but after so many years, it seems to have no effect!”

Gu Wentian explained.

“It feels like your body fell into an ice cave?”

Chen Ping raised the corner of his mouth slightly, understanding something at all, and said to Gu Wentian: “Gu Wentian, please take us there. I can treat the illness of Taoist Master Fuxu’s daughter!”

Chen Ping didn’t want to wait. He wanted to get the magic pen and cinnabar as soon as possible so that he could cure his mother’s eyes!

“Okay, let’s leave now!”

Gu Wentian nodded.

The two cars set off from the Regal Hotel and headed straight for Thunder View!

Leiming Temple is located on Leiming Mountain. Leiming Mountain is the largest mountain in Jiangbei. It is high and densely forested and very steep. However, it is said that immortals have appeared in Leiming Mountain and have rescued many people who were lost on the mountain. Therefore, people raised funds to build the Leiming Temple in Leiming Mountain. A thunder temple was built on the mountain!

Chapter: 312

There is only a winding mountain road up to Leiming Temple, which is not very easy to walk. However, because Leiming Temple is relatively famous, a large number of tourists come to pray every day!

“Mr. Chen, we can only walk up!”

Arriving at the foot of Thunder Mountain, Gu Wentian said.

“Let’s go!” Chen Ping nodded!

In fact, Chen Ping has known about this Thunder Temple for a long time, but he has never been there once!

Tang Long was watching the car below, while Chen Ping, Gu Wentian, Lin Tianhu, Su Wenzong and his daughter climbed up towards Thunder Mountain!

With Chen Ping here, Gu Wentian’s safety is naturally not a problem, so Tang Long doesn’t need personal protection!

Su Yuqi looked at the green trees and the mountain road, and she was so excited that she kept running and stopping, and occasionally shouted a few times!

“Yu Qi, if you keep going like this, you won’t be able to reach the top of the mountain, and you’ll probably fall down from exhaustion!”

Su Wenzong warned Su Yuqi.

Climbing a mountain is exciting and not tiring at first, but later on you will not be able to climb anymore, so you need to conserve your energy from the beginning!

“I’m fine!” Su Yuqi didn’t listen at all, and Su Wenzong had no choice!

It was afternoon now. Logically speaking, there would be more tourists going down the mountain than going up the mountain. However, as Chen Ping and the others walked along, they saw many tourists hurriedly heading up the mountain.

“Let’s go faster. Today I heard that Lei Mingguan invited Taoist Wuwei, Taoist Master Fuxu’s senior brother. He is the reincarnation of an immortal and has very powerful skills. We have to hurry up and let Taoist Wuwei draw a lot for us!”

“I heard that Taoist Wuwei also came here last year, and only ten people were chosen to draw lots for divination, and it was particularly effective. There was a couple who had been married for more than ten years and had no children. After being seen by Taoist Wuwei, they gave birth to a baby the next year. Fat boy!”

“What’s this? I heard that there was a man who had been paralyzed his whole life and was favored by Taoist Wuwei. We caught up with him today, so we have to go faster!”

“I heard that Taoist Wuwei came here this time to treat Taoist Master Buxu’s daughter, and he also brought a treasure with him!”

The tourists on the mountain road were talking a lot, and the speed of climbing was also a little faster.

Listening to the discussions of the tourists, Chen Ping finally understood why these people were all rushing to the top of the mountain in the afternoon!

“Mr. Chen, Taoist Wuwei is the senior brother of Taoist Buxu. He used to be the master of Thunder Temple. Later, after he passed it on to Taoist Buxu, Taoist Wuwei went to travel. He came back once last year and took action for Buxu. The Taoist Priest’s daughter was cured, but it had no effect, and then he left, and he came back this time, probably also for the Taoist Priest’s daughter!”

Gu Wentian followed Chen Ping and explained!

“Ah, what should we do? Then let’s leave quickly. We can’t let Taoist Wuwei cure the disease first. In that case, we won’t be able to get the magic pen and cinnabar!”

When Su Yuqi heard this, she quickly urged!

When everyone heard it, they felt that it made sense, so they quickened their pace!

Chapter: 313

Only Chen Ping still had a calm face and said with a slight smile: "Don't worry, it's something that Taoist Wuwei can't cure!"

"How do you know he can't be cured?"

Su Yuqi looked at Chen Ping strangely and asked.

"I said he can't be cured, so he definitely can't be cured. Just wait and see!"

Chen Ping smiled and did not follow Su Yuqi's explanation!

After the group reached the mountainside, Su Yuqi's pace obviously slowed down, and she was sweating profusely and panting!

"No, I need to take a rest. I really can't walk anymore!"

Su Yuqi sat on the big stone nearby.

"What did I say to you in the beginning? You just didn't listen. Are you being honest now?"

Su Wenzong scolded Su Yuqi!

But no matter what Su Wenzong said, Su Yuqi just couldn't walk!

"Gu Gu, you go ahead. I'll accompany Yu Qi from behind. We'll catch up in a while!"

Seeing that Su Yuqi really couldn't walk anymore, Chen Ping couldn't leave everyone waiting for her, so he said to Gu Wentian.

"Okay, I'll go up and prepare it in advance. Follow Taoist Master Buxu and say something!"

Gu Wentian nodded.

Su Wenzong glanced at Su Yuqi, smiled slightly, and then said to Chen Ping: "Mr. Chen, I will leave Yuqi to you."

After saying that, several people continued to climb up, and Chen Ping sat next to Su Yuqi!

"I can't walk anymore, how about you carry me on your back?"

Su Yuqi blinked her eyes and smiled.

"If I don't carry it, you still have the strength!"

Chen Ping shook his head.

"No more, I really don't have the strength anymore!" Su Yuqi actually started acting coquettishly along with Chen Ping.

When Chen Ping saw Su Yuqi like that, his heart was throbbing. He had to say that Su Yuqi was so beautiful!

Although he can be a bit hot-tempered sometimes, he is still very kind.

Chapter: 314

Chen Ping grabbed Su Yuqi's hand, and Su Yuqi shrank in fear, but Chen Ping held on tightly and Su Yuqi couldn't break free!

Su Yuqi's face turned red and she bit her lips tightly, not daring to look at Chen Ping!

Chen Ping grabbed Su Yuqi's hand, and waves of warmth flowed directly into Su Yuqi's body along Chen Ping's hand!

"What...what do you want to do? There are too many people here!"

Su Yuqi lowered her head, and her voice was like a mosquito. You couldn't hear it unless you listened carefully!

“What did you say?” Chen Ping asked.

“I said not to be here, there are too many people, let’s go to the woods!”

Su Yuqi’s head lowered and her voice became softer.

“What are you doing in the woods?” Chen Ping let go of Su Yuqi: “Let’s go quickly, I won’t be able to catch up in a while!”

Su Yuqi was stunned, looked up at Chen Ping, and found that Chen Ping was looking at him with a smirk on his face.

“I beat you to death.....”

Su Yuqi glared and chased after Chen Ping!

After running for two steps, Su Yuqi suddenly found that her body didn’t seem so tired anymore and her legs didn’t hurt anymore, just like the moment when she climbed a mountain!

“What are you doing standing still? Hurry up and leave!”

Chen Ping saw Su Yuqi was stunned, so he shouted.

“profound.”

Su Yuqi chased Chen Ping!

Soon, the two of them caught up with Gu Wentian and the others. Seeing Chen Ping and Su Yuqi catch up so quickly, they were a little surprised.

“Yu Qi, aren’t you too tired to walk?”

When Su Wenzong saw Su Yuqi's state, she didn't look very tired.

"I don't know what's going on. Anyway, I feel less tired now and feel very relaxed."

Su Yuqi also said with confusion.

As soon as Su Yuqi finished speaking, everyone turned their attention to Chen Ping. They could guess that it must be Chen Ping.

"Let's go quickly, it will get dark soon."

Chapter: 315

After Chen Ping finished speaking, he quickened his pace!

About an hour later, several people finally reached the top of the mountain. At this time, the top of the mountain was full of people. Because there were so many people, the Taoist temple had been closed and everyone was waiting outside the Taoist temple!

Chen Ping and the others worked hard to squeeze to the front, while two Taoist boys guarded the entrance of the Taoist temple to prevent anyone from entering!

"Stop crowding, the Taoist temple is not allowed to enter today!"

A Taoist boy stopped Chen Ping and the others and said.

"This little master, I am your friend, Taoist Master Fuxu. Please report, Hongcheng Gu Wentian is here!"

Gu Wentian followed the little Taoist boy and said with a smile on his face.

"Our master has said that no one can come in. Our master is treating the little junior sister, so we can't disturb him!"

The little Taoist boy waved his hands, looking arrogant!

Gu Wentian didn't seem to be angry either. He took out some money from his pocket and secretly stuffed it into the little Taoist boy's hand: "Little master, I also brought someone here to treat your little junior sister. Your master knows it. You just need to report it." Just make a sound!"

The little Taoist boy looked at the money in his hand, and a smile instantly appeared on his face. He put the money into his pocket and said, "It turns out he is a friend of the master. Please wait here for a moment. I will report it right away!"

The little Taoist boy ran into the Taoist temple, and Gu Wentian smiled helplessly. There is a saying that the king of hell is easy to mess with, and the kid is difficult to deal with. This is what it is like now.

"In such a Taoist temple, even if you practice for a hundred years, you won't be able to cultivate the merits to cure his daughter's illness!"

Chen Ping smiled coldly!

Several people had helpless expressions on their faces. They had no choice. Today's society is like this. It has become very utilitarian. Whether it is a Taoist temple or a temple, which one is not for making money? It is not so much a Taoist temple as a tourist attraction.

Soon, the little Taoist boy ran out and said respectfully to Gu Wentian: "Sir, our master lets you in!"

Gu Wentian nodded and led Chen Ping and the others into the Taoist temple!

The Taoist temple is filled with smoke and the smell of many incense sticks. These incense sticks are bought by tourists and then lit and inserted to pray for blessings and wealth.

"It's ancient, I missed you from afar, please forgive me!"

As soon as I walked into the Taoist temple, I was greeted by an old Taoist wearing Taoist robes and a beard. This man was Taoist Master Fulu!

“Master Buxu, you’re so polite!” Gu Gu bowed his hand, then pointed at Chen Ping and said, “This is Mr. Chen, the one who needs the magic pen and cinnabar. I brought it here specially to show my daughter!”

Taoist Master Buxu glanced at Chen Ping, his brows obviously furrowed slightly, but he soon relaxed and smiled slightly: “No rush, no rush, let’s have a cup of tea in the room first, my senior brother is watching over my little girl inside!”

Taoist Master Buxu invited Gu Wentian and the others into the Taoist temple, but as soon as they reached the door of the main hall, Chen Ping felt a wave of cold air approaching!

In this hot weather, this cold air actually made Chen Ping shiver!

Chapter: 316

“Mr. Chen, what’s wrong?”

Gu Wentian saw something wrong with Chen Ping’s expression, so he asked aloud.

“Oh, it’s okay!” Chen Ping smiled slightly and shook his head!

Taoist Master Buxu looked at Chen Ping and smiled disdainfully: “Did you feel that it suddenly became cooler when you entered the main hall? This is because there is an ancient well behind our Taoist temple. The water from the well is biting all year round. We draw the water out of the well. Surrounded by the Taoist temple, the whole Taoist temple becomes cool and pleasant!”

Chen Ping just smiled silently and didn’t say anything!

Everyone followed Taoist Master Buxu through the hall and arrived at a small courtyard at the back. After opening one of the rooms, Chen Ping suddenly felt the cold air, which was much stronger than the cold air just now!

But looking at Gu Wentian and the others, they didn’t seem to notice anything strange!

In the room at this time, a girl with delicate features was lying on the bed, wrapped in a thick cup, her face was a little pale, as white as if the weather was cold and there was a layer of frost on her face!

In front of the girl's bed, an old Taoist holding a jade ruyi in his hand would tap the jade ruyi on the girl's forehead from time to time, and then mutter something!

"This is my senior brother, Taoist Wuwei. He said that my daughter has yin and cold entering her body, and she needs to expel the yin and cold from her body. Last year, she tried once, but failed. This year, my senior brother found a pair of warm jade. The jade Ruyi can just absorb the cold air from my daughter!"

Taoist priest Buxu explained in a low voice.

The so-called warm jade refers to jade that has been burned in extreme heat or the fire of the earth's core. This kind of warm jade remains warm all year round. Even if you put the stone in the refrigerator, after taking it out, within half an hour, this warm jade will become warm again. It can restore the original temperature, which is quite magical!

This kind of stone is extremely rare, and it can be made into a jade ruyi with warm jade. This shows that this stone is not small, which is quite rare!

After hearing what Taoist Master Buxu said, Gu Wentian and others looked at Taoist Wuwei curiously, while Taoist Wuwei had a cold face and disdain in his eyes, without even looking at Gu Wentian and the others.

With the jade Ruyi in Taoist Wuwei's hand, every time he tapped the girl's forehead, he could see a trace of cold air being absorbed by the jade Ruyi.

After clicking for more than a dozen times, Taoist Wuwei stopped and put Yu Ruyi aside!

"Senior brother, are you almost healed?"

Taoist Master Buxu asked Taoist Wuwei expectantly.

Taoist Wuwei shook his head: "It's not that easy. The cold air in Xiaoru's body has been there for a long time, and there is still a lot of it, so you have to take your time. Now Yu Ruyi has lost her temperature and needs to rest for a while!"

"Oh!" Taoist Master Buxu nodded, and then asked: "How long will it take to absorb all the cold air from Xiaoru's body?"

Taoist Wuwei frowned slightly and said thoughtfully, "It can take as little as three days, or as long as half a month!"

Upon hearing this, Taoist priest Buxu stopped talking, with a bit of worry on his face.

"Not to mention half a month, if I absorb the cold air at this rate, I won't be able to absorb it all in a lifetime. Besides, this young lady won't live for more than three days!"

Chen Ping said slowly.

Chapter: 317

As soon as Chen Ping finished speaking, Taoist Wuwei frowned and looked at Chen Ping coldly: "Junior brother, where did this ignorant kid come from and talk nonsense again?"

"Senior brother, this is someone who was invited by the ancients to treat my little girl's illness. You also know that our Taoist temple often takes incense money from the ancients!"

Taoist Master Buxu hurriedly explained.

"Hmph, you are still young, are you questioning me? Tell them to get out!"

Taoist Wuwei was very angry at Chen Ping's doubts!

"This..." Taoist Master Buxu suddenly looked embarrassed!

After all, Chen Ping was found by Gu Wentian, and he had a close friendship with Gu Wentian. It would be inappropriate to drive him away!

"What? Do you really believe that this guy with no hair on his head can cure your daughter? If that's the case, then I'll leave!"

Taoist Wuwei picked up Jade Ruyi and was about to leave!

“Senior brother, don’t be angry!” Taoist Master Buxu stopped Taoist Wuwei, and then looked at Gu Wentian with an embarrassed face: “Gu, you’d better take your people out for the time being. I don’t want anyone to disturb me while I’m treating my brother!”

Gu Wentian also looked at Chen Ping with some embarrassment. He trusted Chen Ping, but looking at it like this, Taoist Master Buxu didn’t trust him!

“Taoist Master, your daughter has a body of ice crystal. This system likes the cold air. If it is used, it will definitely strengthen her body and even keep her youthful forever. However, no one taught her the refining technique, so that the Taoist temple The cold and cold energy inside her body accumulated more and more, turning her into what she is now.”

“Although the jade Ruyi is a treasure and can absorb the cold air, but this strength is probably far behind the speed at which your daughter can absorb the cold air. Coupled with the ancient well in the Taoist temple, the cold air is extremely strong. It’s heavy, so your daughter won’t last three days.”

Chen Ping followed Taoist Master Buxu and explained.

If it weren’t for the magic pen and cinnabar, Chen Ping wouldn’t explain this to him!

Taoist priest Buxu felt a little stupid when he heard it. Although he didn’t understand, Chen Ping’s words made some sense!

“That’s nonsense. Why don’t you talk about immortality with a body of ice crystals? You can stay young forever? That’s nonsense. I have been practicing Taoism for decades and have never heard of an ice crystal body!”

Taoist Wuwei looked at Chen Ping with disdain and said coldly.

“You don’t know, that’s because you are ignorant. Although your jade Ruyi is a treasure, if you dare to use it, this Jade Ruyi will definitely break into pieces!”

Chen Pingping said expressionlessly.

Although this jade Ruyi is made of warm jade and can absorb the cold and cold air, the cold and cold air on Taoist Master Fuxu's daughter is extraordinary. It can even make Chen Ping feel the cold air. This shows the power of this cold air. big!

A jade Ruyi made of warm jade cannot withstand such cold air at all, so it will definitely break!

"Nonsense. Even in an extremely cold place, this jade Ruyi can still be as warm as ever. How could it possibly break? Stop talking nonsense and get out of here. You are not welcome in our Thunder Temple!"

Taoist Wuwei's face was full of anger. Chen Ping dared to call him ignorant. Taoist Wuwei was going to be so angry. Who knows who was so disrespectful when he saw him?

Chapter: 318

"Hmph, if you didn't come here for the magic pen and cinnabar, even if you kowtow and beg me, I might not take action!"

Chen Ping snorted coldly.

"Arrogant kid, look for a beating..."

Taoist Wuwei was furious, and with a wave of the dust fly in his hand, a strong gust of wind came and went straight to Chen Ping!

"Senior brother, don't..."

Daoist Master Buxu was shocked and hurriedly stopped him.

But none of Gu Wentian and the others expected that Taoist Wuwei would take action at his word, and stood aside in a daze!

"Bold..."

Lin Tianhu on the side rushed out with a vigorous stride, ready to attack Taoist Wuwei!

Chen Ping is the master of the Tianlong Palace. As a subordinate, how could Lin Tianhu watch others attack Chen Ping casually.

Chen Ping grabbed Lin Tianhu: "You are no match for him!"

This Wuwei Taoist's fly whisk was whipped with strong winds. Chen Ping knew that Lin Tianhu was no match for this experienced Taoist.

"Brother, don't be angry yet. There are many people outside waiting to see you. If you hit someone and word spread, wouldn't your reputation be completely ruined?"

Taoist Master Buxu grabbed the fly whisk and persuaded Taoist Wuwei!

After hearing what Master Buxu said, Taoist Wuwei took back his fly whisk and snorted coldly: "Drive them away quickly, so they don't bother me!"

"Gu Gu, you'd better go out. Regarding the magic pen and cinnabar, I will send someone to take care of my daughter after she has been diagnosed!"

Taoist Master Buxu said to Gu Wentian with some embarrassment.

Gu Wentian looked at Chen Ping and asked, "Mr. Chen, how about we leave?"

Since Taoist Master Buxu agreed to give the spirit pen and cinnabar, there is no point in them staying!

Chen Ping shook his head: "Now that I'm here, I can't watch a living life disappear in front of me!"

Chen Ping plans to save the life of Taoist Master Buxu's daughter!

This can be regarded as the blessing of Taoist Master Buxu. After all, Taoist Master Buxu can give away spiritual pens and cinnabar, which proves that this person is not bad!

“Boy, you’re not done yet, are you?”

Taoist Wuwei frowned and looked at Chen Ping fiercely!

Chapter: 319

Taoist Master Buxu’s face was full of embarrassment at this time, and he didn’t know what to do!

“Don’t rely on your old age to show off. You will know if what I say is true or false once you try it!”

Chen Ping smiled coldly.

“How to try?” Taoist Master Wuwei was stunned!

“You only need to use your Jade Ruyi to absorb the cold air a few times. If it breaks, it proves that I am right. If it doesn’t break, I will get out of here right away!”

Chen Ping pointed at the jade and said.

“Okay, I will definitely convince you!”

Taoist Wuwei said, picked up Jade Ruyi, muttered something in his mouth, and gently touched Taoist Master Buxu’s daughter’s forehead!

Every time you touch it, you can see the cold air being sucked into Yu Ruyi!

Taoist Wuwei’s eyes flashed with disdain and contempt, and he looked at Chen Ping coldly: “Boy, should you get out of here now? My Yu Ruyi is fine at all!”

As Taoist Wuwei was talking, when Yu Ruyi touched Taoist Master Buxu’s daughter’s forehead again, there was a sudden crisp sound, as if something broke!

At this moment, everyone’s eyes widened and they held their breath!

Taoist Wuwei's heart trembled, and he hurriedly took the jade Ruyi and looked at it carefully. Sure enough, there was a slight crack on Yu Ruyi's body, which made Taoist Wuwei very distressed!

"My Yu Ruyi..."

Taoist Wuwei gently stroked Yu Ruyi like a child, but as soon as he touched it, Yu Ruyi broke into several petals and fell to the ground with a crash.

"It's broken, it's really broken..."

Su Yuqi grabbed Chen Ping's arm and jumped up excitedly!

Yu Ruyi was shattered, proving that what Chen Ping said was right, and it was a hard slap in the face of Taoist Wuwei.

Taoist Wuwei glared at Su Yuqi fiercely. His beloved treasure was broken and he was sad. Su Yuqi actually shouted happily. How could Taoist Wuwei not be angry!

Seeing the look in Taoist Wuwei's eyes, Su Yuqi closed her mouth, but she still couldn't hide the excitement on her face!

"You should believe it now, right? Your Yu Ruyi can't withstand this cold air. If it weren't for Taoist Master Buxu's daughter having a body of ice crystal, she wouldn't be alive now."

Chen Ping said calmly.

Taoist Wuwei was a little unconvinced, but he didn't know how to refute it. He could only snort coldly: "This is what you kid guessed. I want to see what you can use to cure this cold air!"

"I can suck out the cold air from Taoist Master Fuxu's daughter without using anything, and I can also let her use the cold air for her own use."

Chapter: 320

Chen Ping said calmly.

“Well, come here, I will watch you how to suck out the cold air!”

Taoist Wuwei stepped away and said with an unconvinced expression.

“You can’t see me when I’m treating a disease, because I have to undress and undress her, and it’s inconvenient for you here!”

As soon as Chen Ping finished speaking, Taoist Wuwei immediately jumped up like a rat whose tail was stepped on: “Well, you bold thief, it turns out you came to take advantage of my niece. You are not here to treat illnesses. You don’t know how men and women can accept each other.” No kiss? My niece is only eighteen years old, and you want to undress her!”

Taoist Wuwei roared angrily, and Taoist Buxu also frowned. His daughter was not married yet. If she took off her clothes and was seen by a man, her reputation would be too bad if word spread. Moreover, she was alone and alone. Taoist Master Xu couldn’t tell what Chen Ping would do!

Gu Wentian and Su Wenzong also looked at Chen Ping strangely, wondering why they had to take off their clothes when treating patients!

Su Yuqi glared at Chen Ping and said, “Chen Ping, do you think that this girl is young and want to take advantage of her?”

Chen Ping looked at everyone helplessly and found that everyone was looking at him strangely. He could only explain: “I didn’t say that I had to take off my clothes, but my coat must be taken off. Even if I take off my coat, these men are still in the house.” It’s not appropriate here, but if you’re afraid that I’ll mess around, you can stay and watch me!”

Hearing what Chen Ping said, Taoist Master Fuxu felt a lot more relieved. He didn’t take off all his clothes, and there was someone accompanying him, so Chen Ping must not be messing around.

“Brother, let’s go out and wait for a while, and we’ll check the situation later!”

Taoist Master Buxu said to Taoist Wuwei.

“Humph, if he can’t be cured, I will never spare him today!”

Taoist Wuwei snorted coldly, flicked the duster, and was ready to go out!

But at this moment, a Taoist boy hurried in!

“Master, it’s bad, someone is trying to break in, and we can’t stop him!”

The Taoist boy was sweating coldly, and there were clear slap marks on his face. He must have been beaten just now.

“Who is so bold!”

When Taoist Master Buxu heard this, he was immediately furious and rushed out!

But as soon as he ran out, he was welcomed back by a young man. The young man was wearing a long gown with a gossip pattern on his chest. His long hair was tied up, and he looked like a Taoist!

Behind the young man, there followed two Taoist boys. These two Taoist boys were much miserable than the Taoist boy who reported the news. Their noses were bruised and their faces were swollen, and their eyes could not be opened. However, each of them lowered their heads, looking angry and afraid to speak. Look!

“Uncle Buxu, when I entered Thunder Temple, these junior fellow apprentices stopped me. What does this mean?”

The young man looked at Taoist Master Buxu with a playful expression and asked.

“Liao Fei, I am not your senior uncle. Your master betrayed my sect and is no longer my senior brother. I am not your senior uncle either. Don’t get close to me. You come to my Taoist temple and beat up my Taoist boy. What do you want to do? ?”
