

## **The Order 3151**

Chapter: 3151

Chen Ping just smiled lightly and ignored him!

This made Zhu Hao even more angry!

When everyone saw that Chen Ping was trying to break the formation alone, they couldn't help but sneered. You must know that Hong Qianjiu, the others, and the martial arts weapon couldn't break it.

How could Chen Ping break the formation by himself? Even if he knew where the formation's eye was, such a powerful formation could not be broken by one person.

"Mr. Chen, you..."

Jiang Wei whispered to Chen Ping, after all, those who tried to break the formation just now were killed by the backlash.

And the old man just now, with the strength of Da Wuhou in the later stage, was also seriously injured!

Hu Mazi, Long Xingxu and Ge Fuhai also stepped forward to stop Chen Ping. After all, so many people couldn't break it together, and Chen Ping himself was afraid of being in danger.

Ge Jiayi and Ge Yuhan also walked to Chen Ping.

At this time, Ge Yuhan's face was solemn and he said quietly: "Mr. Chen, this formation is not an ordinary formation. If I read correctly, this should be the evil blood formation of the demon clan. Only the great demons can use this formation." Only those at the top level can use it, I don't know why it appears here."

Ge Yuhan's body is now a palace maid from Guanghan Palace who has lived for thousands of years. She knows things that Chen Ping and the others have never heard of.

“I’ve heard of this formation, and I seem to have some impressions of it, but how come the demon formation appears here? Could it be that the blood demon set it up before he died?”

Hu Mazi also spoke.

Chen Ping was also a little surprised. If this relic was an introduction to the revival of spiritual energy, how could the demon formation appear?

It’s impossible for someone from the demon tribe to leave this relic and trigger the revival of spiritual energy.

“Could it really be that the Blood Demon set it up temporarily?”

Chen Ping couldn’t figure it out, but the Blood Demon did pass away on Penglai Island, and it was probably the Blood Demon who turned his body into a sculpture.

But no matter who set it up, Chen Ping would definitely break the formation now and go in to see what happened.

“Don’t worry, this formation looks powerful, but the opening of the formation is already vulnerable.”

Chen Ping gave everyone a calming look, and then slowly walked to the formation.

“Sword comes...”

Chen Ping waved his right hand, and the Dragon-Slaying Sword suddenly appeared in his hand. As soon as the Dragon-Slaying Sword appeared, it was surrounded by green sword energy, and the sword body glowed coquettishly.

The moment the Dragon-Slaying Sword appeared, everyone felt a huge force spreading around!

The dragon-slaying sword in Chen Ping's hand suddenly attracted everyone's attention.

Chapter: 3152

"Spirit Sword....."

Lu Chang in the corner, his eyes gleamed after seeing the Dragon-Slaying Sword in Chen Ping's hand!

"This guy must be from a certain secret realm family, otherwise how could he have such a high-grade spiritual sword in his hand!"

Lu Chang looked at the spiritual sword in Chen Ping's hand, his eyes full of greed!

Chen Ping ignored everyone's greedy gazes and held the Dragon-Slaying Sword. A trace of dragon power was injected into the sword, and soon the Dragon-Slaying Sword buzzed like a dragon's roar.

A burst of green sword energy instantly shot straight into the sky from the Dragon-Slaying Sword, and the sharp and sharp sword energy began to flash continuously!

"break....."

Chen Ping roared and swung the dragon-slaying sword in his hand, instantly slashing at the formation!

boom.....

This sword directly shook the entire Penglai Island. Everyone felt like an earthquake, shaking their bodies continuously!

And the formation also emitted a burst of bright light, and then like an eggshell, it shattered into pieces and disappeared!

The formation was broken!

Hong Qianjiu and the others had joined forces and were blessed with martial arts weapons, but they couldn't break it, but they were broken by Chen Ping's sword!

Everyone looked at Chen Ping in shock, with disbelief in their eyes!

Especially Hong Qianjiu and the others, the expressions on their faces are very complicated!

What was even more complicated was Ning Zhi, who was hiding in the corner. Seeing Chen Ping break the formation with one sword, Ning Zhi felt very uncomfortable in his heart!

He was even more determined at this time and must trap Chen Ping inside. If he allowed Chen Ping to continue like this, he would never be able to avenge his father's murder.

After a brief period of astonishment, many people began to react and desperately wanted to rush towards the ruins!

After all, whoever enters the ruins first will take the initiative!

But just as these people were rushing towards the ruins, Hong Qianjiu suddenly slashed out with his sword, and the terrifying sword energy instantly cut off the several people in front of him!

"Whoever dares to rush in will die..."

Hong Qianjiu shouted angrily!

Afterwards, the people on Hong Qianjiu's side guarded the entrance to the ruins, preventing anyone from entering. It seemed that they wanted to take it all to themselves!

Now Hong Qianjiu and the others have many allies, so they dare to be so domineering!

Chapter: 3153

But when other members of the sect family saw this, they started yelling and cursing!

“Let’s step back...”

Upon seeing this, Chen Ping knew that the two sides were about to fight, so he called Jiang Wei and Ge Fuhai and led his men back!

Just when Chen Ping and the others retreated, the battle began.

No one was willing to give up, so some people started to rush forward, but Hong Qianjiu and his people started to block it!

The flash of swords and the shadow of swords, the wailing continues...

It’s just that Hong Qianjiu made plans from the beginning and united many families in advance, so at this time, they completely occupied the top!

In just ten minutes, the scene was already littered with corpses and rivers of blood. It can be described as horrific!

Chen Ping looked at everything in front of him, with no expression on his face!

But at this time, he was even more determined to prevent the spiritual energy from reviving!

In this situation, many families have already started fighting. If the spiritual energy is really revived, the families in the secret realm will return to the secular world.

Then the whole world will be like this!

Soon, the fighting stopped. Hong Qianjiu and the others were still guarding the entrance, but the other families did not break through. At this time, they could not do anything except look at Hong Qianjiu and the others angrily!

After all, the other side had the advantage. In just ten minutes, they had already suffered heavy losses, so these families did not dare to rush!

At this time, a middle-aged man stood up with an injury on his arm, which was obviously injured during the battle.

The middleman walked up to Hong Qianjiu, cupped his hands and said: "Master Hong, you and I are both martial arts families. We have no grievances. We are just our own masters, and we all have our own masters behind us. I hope you don't Get things done."

"We can agree that you enter the ruins first, but you can't block the entrance arbitrarily and prevent us from entering, right?"

"If we keep fighting, even if you can win, it will be a miserable victory. How many of you will be left in the end?"

"Don't forget that there are still people sitting on the mountain watching the fight between tigers. When the time comes, you don't want to monopolize the ruins."

Since he couldn't beat him, the other party tried to reason with Hong Qianjiu.

Hong Qianjiu glanced at Chen Ping. At this time, only Jiang Wei, Ge Fuhai, and Long Xingxu led by Chen Ping did not take action!

Although there are a lot of people, the people brought by Ge Fuhai and the people brought by Long Xingxu are generally relatively low in strength. Only the people brought by Jiang Wei include quite a few Dawuhou!

In this way, although Chen Ping's side had a lot of people, they were not very strong, so Hong Qianjiu dared to do this.

How could he not understand the principle of sitting on a mountain and watching a tiger fight? How could he let Chen Ping compete with a snipe and a clam to make a profit!

Chapter: 3154

Hong Qianjiu himself also kept a backup plan. The Eighteen Arhats he brought did not take action, just to guard against Chen Ping.

“Stop fucking talking nonsense. If you don't want to die, get out of here. If you dare to take advantage of this ruin, then go ahead...”

Zhu Hao stepped forward and cursed at the middle-aged man!

Although the middle-aged man was angry, he didn't dare to say anything. After all, their strength was really weak. In addition, each family had their own small ideas, and no one used their full strength, so it was impossible for Hong Qianjiu and the others to do so. opponent!

Seeing that no one dared to speak, Hong Qianjiu smiled with satisfaction and glanced at Chen Ping provocatively.

Chen Ping had just broken the formation. Hong Qianjiu promised Chen Ping to enter with him, but Chen Ping refused!

Now he is going to make Chen Ping regret it and block Chen Ping out!

“Mr. Chen, what should we do?”

Jiang Wei asked anxiously.

Now that Hong Qianjiu is blocking the entrance, even they can't enter!

“wait.....”

Chen Ping said one word calmly!

Then he turned his attention to Ning Zhi and the others not far away. Although Ning Zhi and the others had already taken off their black robes and mingled with the crowd, they were still discovered by Chen Ping.

Including Nalu Chang, Chen Ping also saw him standing in the corner, seemingly trying to avoid the crowd!

Now these people are considered to be the strongest people Chen Ping has seen. Since they are still waiting quietly behind without making the slightest move, Chen Ping also chooses to wait!

He wanted to see who could lose his temper first!

“Senior, what should we do? If Hong Qianjiu blocks the entrance and prevents others from entering, then our plan to catch them all will come to nothing.”

Ning Zhi asked the demon envoy.

“Bring people in, and you must not let one family dominate, otherwise the plan will not be implemented.”

The soul in Ning Zhi said.

What they want is that each major family has its own ideas, and then they fight and fight each other, and finally they kill each other, and in the end they wipe out all the remaining people!

In this way, Penglai Island belongs to their Demon Heart Sect!

But now Hong Qianjiu is the only one in the family. When the time comes to unite more families, it will be very difficult to deal with it!

After hearing this, Ning Zhi walked forward with four men in black gold robes!

Chapter: 3155

In order to prevent anyone from recognizing him, Ning Zhi covered his face with a black scarf. He couldn't let others know that they were members of the Kyoto Martial Arts Alliance!

At this time, Hong Qianjiu saw that everyone was being honest, so he waved his hand and prepared to lead people into the ruins!

“Wait a moment.....”

Ning Zhi stepped forward and called out to Hong Qianjiu!

Seeing this, Hong Qianjiu got past him and looked at Ning Zhi: “Who are you? What's the matter?”

“It doesn't matter who I am, what I want is that you monopolize this ruins and not let us in. I don't accept it...”

Ning Zhi said.

Hong Qianjiu frowned slightly: “You don't accept it? Didn't you see the battle just now? If you don't accept it, do you know what will happen to you?”

“I know, but I still don't accept it.”

Ning Zhi said provocatively: “This ruins does not belong to your family. Why can you enter but we can't?”

“Why? Based on strength...”

Hong Qianjiu narrowed his eyes, and suddenly a cold force burst out from his body, and he punched Ning Zhi!

But Ning Zhi didn't fight back or move!

Just after Hong Qianjiu arrived in front of Ning Zhi, a man in black gold robe behind Ning Zhi suddenly took action!

He kicked Hong Qianjiu, but Hong Qianjiu didn't even react and was kicked away!

Rumble.....

Hong Qianjiu's body hit the mountain heavily, sending rocks flying everywhere!

A mouthful of blood spurted out, and Hong Qianjiu felt like his internal organs were about to be broken!

“Martial...Martial Saint...”

Hong Qianjiu looked at the man in black gold robe who had just taken action in shock, and his face became very ugly!

He didn't expect that a Martial Saint would be present here, and it looked like the Martial Saint was a servant!

You know, a martial saint in a family is like God. How can he be a current person?

Not to mention the Martial Saint, if a family has a Martial Saint, they can go sideways!

Hong Qianjiu couldn't figure it out. Is there still a family of a current Martial Saint in the secular world?

Chapter: 3156

When the others saw the black gold robe they had just taken action, they all had serious expressions on their faces. Originally, everyone had about the same strength, but the sudden appearance of a Martial Saint clearly broke this balance!

At this time, Hong Qianjiu looked at Ning Zhi slowly, and then looked at the four black gold robes behind Ning Zhi. Because the other party's aura was all hidden, he was not sure now whether the four people behind Ning Zhi were. Not all are martial saints!

If they were all Martial Saints, then they would have accepted their fate. With four Martial Saints, what business would they have?

"Who are you?"

Hong Qianjiu frowned, looked at Ning Zhi and asked.

"I've already said it, I just think what you are doing is unfair. Why are you the only one who can enter the ruins? This ruins does not belong to your family. If you want to enter, we will all go in."

"Do you think what I said is right?"

Ning Zhi turned his head and looked at the other families and asked.

"Yes, why should you keep it to yourself?"

"We have to go in together, otherwise no one will go in."

"If it pisses me off, I'll blow myself up and blow up the hill so no one can play with it."

Everyone echoed Ning Zhi. They were angry at first, but Hong Qianjiu was too powerful, so they could only swallow their anger!

Now someone has come forward, and these people have quickly joined Ning Zhi's camp!

Hong Qianjiu's face became very ugly as he listened to everyone's discussion, and he looked at Ning Zhi with anger in his eyes!

If it hadn't been for him, they would have entered the ruins by now, and maybe they could have obtained all the treasures inside!

"Don't think that you can ignore us because of the support of the Martial Saint. With so many of us joining forces, even if there is a Martial Saint behind you, what will happen?"

Hong Qianjiu gritted his teeth and said.

He didn't believe that the four people behind Ning Zhi would all be martial saints. Such martial saints would be too worthless!

How did Hong Qianjiu know that in the secret realm, martial saints were indeed worthless, but people in the secret realm would not easily come to the secular world, so they mistakenly thought that there were only a few martial saints, and they were all invincible existences!

"If you are not convinced, I can give you a chance to join forces, but if you lose, everyone must enter the ruins."

Ning Zhi said to Hong Qianjiu.

Ning Zhi's request confused Hong Qianjiu. He didn't understand why Ning Zhi always asked to let everyone enter the ruins?

This is obviously against common sense!

But at this time, it was not something Hong Qianjiu could consider in detail.

Chapter: 3157

“Okay, I promise you, I don’t believe that the five of you can carry so many of us to attack.”

Hong Qianjiu gritted his teeth and the long sword in his hand began to buzz!

“It’s not five people, it’s four...”

After saying that, Ning Zhi stepped back, and four men in black gold robes stood in front of Hong Qianjiu!

Hong Qianjiu looked at the many families in alliance with him with a cold face and said: “Whether we can occupy this ruins depends on this attack. I hope everyone will try their best.”

After saying that, Hong Qianjiu led everyone to attack directly towards the four black gold robes!

More than a dozen weapons, with endless energy, directly enveloped the four black gold robes.

When these energies were combined, they were so powerful that they hit four black-gold robes like a meteorite from outside the sky!

And the faces of the four black gold robes were full of disdain. Facing the joint attack of more than a dozen people, the four black gold robes had calm expressions on their faces. When the four people raised their hands, four extremely domineering auras spread in all directions. !

Hong Qianjiu and the others didn’t even have time to get close to the four black gold robes, and the aura was instantly knocked away!

More than a dozen people were knocked away without even touching the corners of their clothes. You must know that these people are all powerful in the later stage of the Great Wuhou, and some of them even have martial arts weapons in their hands!

But even so, they are still vulnerable. It seems that all four black gold robes have the strength of martial saints, there is no doubt about it!

Hong Qianjiu and others who fell on the ground looked at the four black gold robes in front of them in horror.

The strength of the four Martial Saints is no longer something they can handle!

When people from other families saw this scene, they all stood on Ning Zhi's side and started to fight unconsciously.

But they didn't know at all that Ning Zhi took action not to fight against their injustice or to help them, but to take their lives!

"Can we all go in now?"

Ning Zhi looked at Hong Qianjiu and asked with a sneer.

Hong Qianjiu didn't speak, just lowered his head. Facing the absolute strength, he could only lower his head!

"Okay, everyone can enter in an orderly manner..."

When Ning Zhi saw this, he shouted directly!

When everyone heard this, they all swarmed into the ruins. They fought for each other, and there was even a stampede!

Looking at the scene in front of him, Ning Zhi's lips curved into a smile.

"These people are not from ordinary martial arts families, they are demon cultivators..."

Chapter: 3158

Zhou Jie looked at the four black gold robes and said with a very ugly expression.

Although the four black gold robes all changed their clothes, Zhou Jie felt it when they took action just now!

After all, the Demon Spirit Sect and the Demon Heart Sect belong to the same lineage, and Zhou Jie can feel the breath of the four black gold robes!

Seeing Zhou Jie say this, Hu Mazi and Ge Fuhai were all surprised!

Chen Ping said calmly: "I know that they are the black gold robes of the Kyoto Martial Arts Alliance, and the person covered in black gold is Ning Zhi."

"People from the Martial Arts Alliance?"

Hu Mazi and Ge Fuhai were all shocked!

They did not expect that people from the Martial Arts Alliance would come, and four martial saints would also come.

"Why do people from the Martial Arts Alliance help people from these aristocratic families? Don't they want to monopolize the ruins and occupy Penglai Island?"

Hu Mazi looked surprised. He couldn't understand why Ning Zhi did this!

Chen Ping frowned slightly. He couldn't figure out what kind of medicine Ning Zhi Gourd sold.

"We all need to be careful. It seems that the sudden appearance of the ruins this time is more like a conspiracy."

Chen Ping reminded everyone!

At this time, Lu Chang's expression was very solemn, and the appearance of the demon cultivator exceeded his expectations.

"Sir, what should we do? Are you still going in?"

One of his subordinates asked Lu Chang.

"Go in, since you are here, go in and take a look, but don't expose your strength easily, just watch from behind."

After Lu Chang finished speaking, he led the people towards the ruins!

When Lu Chang passed by Chen Ping, he couldn't help but look at Chen Ping, and Chen Ping also looked at Lu Chang. The two looked at each other, but they quickly looked away.

After everyone went in, Chen Ping led others to follow him. Nearly a thousand people entered the ruins, but the ruins did not seem crowded at all. This shows how large the ruins are!

Except for a shrine-like thing built of stone in the middle, there was nothing in the empty ruins!

Faced with this situation, everyone was confused!

How is this possible that the ruins protected by such a powerful formation are actually empty?

Many people didn't believe it and were banging on the stone wall everywhere, but there was no mechanism at all. Some people kept looking around on the altar and found just some stones!

Chapter: 3159

"Brother Ninth, what's going on?"

Zhu Hao asked Hong Qianjiu.

They had spent so much effort and killed so many people, but when they entered the ruins, it was actually empty.

Hong Qianjiu frowned at this time and couldn't understand it at all.

"Let people search carefully. I don't believe this place is empty. There must be some mechanism."

Hong Qianjiu said.

Soon, Zhu Hao led people to search bit by bit.

On the other side, Chen Ping looked at the empty ruins with a very solemn expression. He always felt that something was wrong!

Why should such an empty ruins be protected with such a powerful formation?

And Ning Zhi, why does he let everyone enter this ruins?

Suddenly, Chen Ping's eyes suddenly lit up and he hurriedly said: "Retreat, get out quickly, let's get out of here quickly."

“Mr. Chen, what’s wrong?”

Jiang Wei asked puzzledly.

Chen Ping did not explain, but Hu Mazi also looked surprised at this time: “It’s broken, someone has set up a thunder formation here. This is a trap, hurry up.”

But just when Chen Ping and the others were about to turn around and leave from the corridor, a terrifying strong wind suddenly struck, causing Chen Ping and the others to retreat hurriedly!

“Hahaha, Chen Ping, don’t think about coming out.”

Ning Zhi stood in the corridor and laughed, and then he saw that the corridor was blocked by a huge stone!

This sudden movement instantly attracted everyone’s attention. Seeing that the corridor was blocked by huge rocks, many people began to panic!

“What’s going on? What’s going on?”

“Why is the entrance blocked? Who did it?”

“How are we going to get out? We won’t be buried here, right?”

Many people were shouting in a panic!

At this time, lightning-like currents began to appear in the sky above the entire ruins, and blue light continued to emerge!

Seeing this strange phenomenon, many people looked up to see it!

Chapter: 3160

“Could this be a sign of spiritual energy recovery?”

Someone suddenly shouted, thinking that this vision was about the revival of spiritual energy!

But Chen Ping knew in his heart that this was the thunder array set up by Ning Zhi and others, and they probably wanted to kill everyone here!

boom.....

Suddenly, a bolt of lightning struck down and instantly hit the ground, shattering it into pieces!

When everyone saw this scene, they were all shocked. Looking at the dense blue light in the air, they were all frightened!

If they were all chopped down, would they still be alive?

Rumble.....

Immediately afterwards, several more thunder struck down, and several people were unable to dodge and were killed by force.

Everyone was terrified and rushed toward the entrance, but the entrance was blocked by huge rocks and they couldn't get out at all!

Someone smacked the boulder in panic, intending to smash the boulder into pieces and then escape from here!

You must know that a lot of this is the strength of Da Wuhou. It should be very easy to smash a huge boulder.

But unexpectedly, when the man slapped it out with his palm, the boulder did not move at all!

At this time, the thunder above the head crashed down again, killing many people in an instant!

This time, everyone was even more panicked. The boulder couldn't be opened. Then they would die here sooner or later!

“Brother Ninth, what should we do?”

Zhu Hao asked with a panicked expression.

“How the hell do I know...”

At this time, Hong Qianjiu also panicked and was trapped here. It was obvious that someone had done this on purpose.

“I'll try.....”

I saw Qiao Zhiyong, who had never spoken before, walking up to the boulder!

Then Qiao Zhiyong exuded the aura of the peak Dawuhou, which shocked Hong Qianjiu and Zhu Hao!

None of them expected that Qiao Zhiyong was actually at the peak of Da Wuhou's strength. It seemed that he had been hiding his strength all along!

Qiao Zhiyong's fierce and domineering aura instantly struck the boulder with a palm strike!
