

The Order 3161

Chapter: 3161

boom.....

A palm hit the huge stone seal, and instantly the entire ruins was filled with dust. Unfortunately, the huge stone still did not move at all!

“this.....”

Qiao Zhiyong was stunned for a moment, looking at the huge boulder in front of him with astonishment on his face!

But under Qiao Zhiyong's palm, a light suddenly appeared on the boulder, and then a pattern of unicorns and strange beasts appeared on the boulder, as if they were carved on it.

Qiao Zhiyong looked at the Qilin beast, frowning slightly, and the anger in his body rose. As a peak Dawuhou, he couldn't even break a stone!

Boom boom boom.....

Suddenly, he swung his palms a few more times, and there was a burst of flying sand and rocks, but the boulder still didn't move, not even a trace!

Qiao Zhiyong was breathing heavily, with cold sweat dripping from his forehead!

“Qiao Zhiyong, what's wrong with you? Are you hiding your strength? Do you want to do something behind our back?”

Zhu Hao yelled angrily at Qiao Zhiyong, apparently wanting to take action.

After all, several people are in alliance. Qiao Zhiyong hides his strength and obviously has his own little plan!

Hong Qianjiu stopped Zhu Hao and scolded: "What time is it now? There is still internal strife. Let's work together to break the boulder."

Although Hong Qianjiu was also very dissatisfied with Qiao Zhiyong at this time, he could not protect himself now. The top priority was to break the boulder into pieces!

Just when Hong Qianjiu contacted everyone and wanted to work together to break the boulder, Chen Ping spoke.

"Don't waste your efforts. Even if you work together, you can't break this boulder."

Chen Ping said slowly.

Hong Qianjiu and the others all looked at Chen Ping, then frowned and said, "Chen Ping, what do you mean? Could it be that you can break through this boulder?"

"This boulder is imprisoned by the formation. If the formation cannot be broken, the boulder will not move."

Chen Ping said.

"You're talking nonsense. If there was a formation on this boulder, how could I not feel it just now? I didn't feel the existence of the formation in the few palms just now."

Qiao Zhiyong retorted loudly. He had just hit several palms, but he didn't feel the existence of the formation.

"I think this guy is just talking nonsense. We don't need to pay attention to him. If we work together, we can definitely break this stone."

Zhu Hao glanced at Chen Ping disdainfully. He didn't believe what Chen Ping said either.

Chapter: 3162

Hong Qianjiu nodded and had no choice but to give it a try, so the three of them, plus those from the sect family, palmed the boulder in front of them.

Da Wuhou's auras crisscrossed each other and soon intertwined together, hitting the boulder fiercely.

There was a deafening sound, and the whole earth was shaking. Coupled with the continuous bombardment of thunder from the sky, the entire ruins simply became a purgatory on earth!

But even so, the boulder remained motionless, which surprised everyone!

Even though so many people joined forces, they couldn't shake the boulder. They had to focus on Chen Ping again.

"You don't have to waste your efforts, just wait for death to come..."

Ning Zhi's voice came from outside!

Hong Qianjiu almost lost his temper when he heard Ning Zhi's voice. People from other aristocratic families also cursed Ning Zhi. Now people finally know why Ning Zhi is so kind and wants everyone to enter the ruins. , this is simply a trap!

Hong Qianjiu looked at Chen Ping and asked solemnly: "Chen Ping, you said that the boulder was imprisoned by the formation, can you open it?"

"Of course you can." Chen Ping said with a faint smile.

"Since you can, then open it quickly..."

Hong Qianjiu said anxiously.

At this time, everyone else looked at Chen Ping expectantly. As long as they opened the boulder, they could escape from here!

“Look carefully...”

I saw Chen Ping walking up to the boulder, with golden light shining on his palms, just like the sun in the dark night!

Everyone watched in shock, wanting to see how Chen Ping broke the formation and opened the boulder!

I saw Chen Ping slapping the Qilin beast on the head.

Chen Ping didn't just clap one hand, but clap three times in succession!

But after three palms, the boulder remained motionless. This moment made many people give up!

“It's over, it seems we are really going to die here.”

“What kind of pretense is this Chen Ping? I really think he can open the boulder.”

Everyone was very dissatisfied with Chen Ping, but Chen Ping himself was not affected at all.

After clapping three times, Chen Ping bit off his middle finger, and then lightly applied it on the Qilin Beast's eyes.

Just after Chen Ping's blood dripped into the eyes of the Qilin beast, a white light suddenly flashed, and the Qilin beast on the boulder seemed to be alive, its eyes constantly looking around.

Chapter: 3163

With a roar, the unicorn beast jumped directly from the boulder!

When everyone saw this, they were so frightened that they backed away. They had never seen such a strange beast before, and it was still alive!

However, the Qilin beast did not attack anyone. After turning around in a circle, its body flashed with white light and disappeared.

At this time, the unicorn beast carved on the boulder disappeared!

At this time, everyone looked at Chen Ping in shock. They had never seen such a situation before!

You must know that Qilin is a mythical beast. It lives so big. Who has seen a mythical beast before?

But this mythical beast has actually arrived, does it mean that the spiritual energy will be revived soon?

"Mr. Chen... Mr. Chen, where did that Qilin... where did that Qilin go?"

Jiang Wei asked Chen Ping in shock.

He really wanted to see the unicorn. It would be better if he could sit for a while!

Chen Ping smiled and was about to explain, but Hu Mazi spoke.

"That's not a unicorn, it's just an illusion. This stone was cast into a unicorn-pressing stone formation, so no one could destroy this boulder just now!"

“Not to mention boulders, even a needle, as long as this formation is used, no one can pick it up. This is just a very ordinary formation to imprison objects. It’s just that some people have high vision and short knowledge. It’s just that You can’t tell!”

Hu Mazi’s words were obviously meant for Hong Qianjiu and the others.

Although Hong Qianjiu was very angry, he couldn’t get angry because of what Hu Mazi said. He really couldn’t see any formation!

However, at this time, the rolling thunder was still pounding down, and many people had already died, so no one was thinking about this. Seeing that the formation had been broken, Hong Qianjiu shattered the boulder with one palm!

The entrance opened, and everyone rushed out!

Everyone tried their best to run away, for fear that if they were slower, they would be hit by lightning that day!

But just when Hong Qianjiu led the people to run out, just as he reached the door, several strong winds suddenly hit him. Fortunately, Hong Qianjiu dodged quickly, but the people behind him were in misery. One of them was hit directly, and there was no sound for an instant!

Hong Qianjiu looked outside in horror and found that Ning Zhi was blocking the exit with four men in black gold robes. Anyone among them who dared to go out would be massacred!

Four Martial Saints were guarding an exit, so even a fly wouldn’t be able to fly out!

Hong Qianjiu didn’t dare to walk out and pushed his body back desperately!

But the people behind were anxious and rushed out as hard as they could!

For a moment, the people in front were squeezed out one after another!

Chapter: 3164

As soon as they came out, they were killed by several men in black gold robes. In the end, no one dared to move, and those who were still in the ruins hall had to avoid the bombardment of thunder!

“Hahaha, just give up. Since you have gone in, there is no way you can come out alive.”

Ning Zhi was laughing crazily outside!

Many people yelled at Ning Zhi, but he didn't care!

“Brother Chen Ping, what should we do? We can't get out either. Ning Zhi is guarding the entrance of the cave with four men in black gold robes.”

Long Xingxu asked Chen Ping.

Chen Ping frowned and looked at the empty ruins. He couldn't think of a way for the moment!

Now Ning Zhi is waiting outside with four men in black gold robes, waiting for work. Even if Chen Ping forces a charge, he won't be able to get out at all. You must know that those are the strength of four martial saints.

Hong Qianjiu and the others also retreated. The entire corridor was filled with corpses. These corpses alone blocked the corridor!

“ah.....”

People kept getting hit by lightning and screaming!

“Chen Ping, don't you know the formation? Can you break this thunder formation? Otherwise, people will continue to die.”

Hong Qianjiu found Chen Ping and said.

“Who do you think you are? If you want Brother Chen Ping to break the formation, I’ll break it for you. Aren’t you all awesome? Go on your own!”

Long Xingxu angrily yelled at Hong Qianjiu!

The two sides are not in the same camp at all, so Hong Qianjiu still has the nerve to come over and ask Chen Ping to take action.

Hong Qianjiu was so angry that he could only turn pale with anger, but he did not dare to speak out!

He finally figured out that they were trapped here, and the only one who could get out now was Chen Ping.

Because only Chen Ping knows the formation, as long as he finds the eye of the formation, the thunder formation will be broken!

“Mr. Chen, please save us...”

“Yes, save us...”

At this time, someone ran over and knelt in front of Chen Ping!

No one wants to die, and no one is willing to die, but looking at the constantly flashing blue light and the thunder that strikes down at any time, the shadow of death lingers in everyone’s heart!

Soon, people continued to kneel in front of Chen Ping. Even the families who had formed an alliance with Hong Qianjiu, no longer caring whether they formed an alliance or not, knelt down one after another!

Chapter: 3165

There are four martial saints guarding the outside, and the thunder array inside is constantly bombarding them. If no one can save them, then they will all die here!

Chen Ping looked at the people kneeling down, frowned slightly, and quickly set his sights on Zhu Hao!

When Zhu Hao saw Chen Ping looking at him, he trembled slightly and hurriedly lowered his head, not even daring to look at Chen Ping!

“Let him kneel down and beg me, and I will find a way to help you break the thunder array...”

Chen Ping pointed at Zhu Hao and said!

Everyone looked at Zhu Hao. Now Zhu Hao became the focus of everyone!

“Chen Ping, you want me to kneel down for you. Even if I die, I won’t kneel down...”

Zhu Hao gritted his teeth and roared!

As the eldest son of the Zhu family, how could he kneel down to others? Moreover, he had a grudge against Chen Ping, so it was even more impossible for him to kneel down to Chen Ping!

“Zhu Hao, just kneel down. Do you want to watch us die?”

“That’s it, just kneel down. You are not very capable, but you have a bad temper. If you hadn’t provoked Mr. Chen repeatedly, maybe he would have saved us.”

“Kneel down, kneel down quickly...”

Everyone talked about Zhu Hao and asked Zhu Hao to kneel down!

Not to mention how ugly Zhu Hao's face looked at this time, he was trembling all over: "Shut the hell up, I won't kneel down until I die..."

Zhu Hao is determined not to be expensive anymore, even if he follows everyone as his enemy!

"Kneel down for him..."

At this time, Hong Qianjiu on the side slowly said!

Zhu Hao was stunned and said with a very ugly face: "Brother Ninth, you..."

"I asked you to kneel down for him, can't you hear me?"

Hong Qianjiu's face turned cold, and murderous intent rose in his body.

As the saying goes, one thing will bring another down. Zhu Hao, who was originally determined not to kneel down, saw Hong Qianjiu getting angry, and finally slowly bent his legs and knelt down in front of Chen Ping!

"Chen Ping, now that Zhu Hao is kneeling down for you, can you break this thunder array?"

Hong Qianjiu asked Chen Ping.

"No problem, you all stay away from that altar..."

Chapter: 3166

Chen Ping said calmly.

When Chen Ping said this, everyone rushed to the edge to see how Chen Ping broke through the thunder formation!

“Master Hu, please help me!”

Chen Ping said to Hu Mazi.

“Chen Ping, how do you want to break the formation? This Heavenly Thunder Formation is not an ordinary magic formation, and it is not that easy to break.”

Hu Mazi reminded Chen Ping.

“I know, I have no intention of breaking the thunder formation at all.”

Chen Ping smiled lightly!

“You don’t plan to break the formation?” Hu Mazi was surprised: “You don’t plan to break the formation, and you still promised those people what to do. Doesn’t this mean that all of them are aimed at you?”

If these people all united to deal with Chen Ping himself, I’m afraid Chen Ping would also have a hard time dealing with it!

“I don’t plan to break the formation, but we can find a way to lead the thunder to a place. In this way, as long as we don’t go to that place, no one will be hit by the thunder again!”

Chen Ping explained.

Upon hearing this, Hu Mazi understood instantly, nodded and said: “This is a good idea, but where do you plan to lead that day’s thunder?”

“Have you seen the altar? Let’s lead the thunder there. After all, it is the highest place in the entire ruins.”

Chen Ping pointed at the altar and said.

“Okay, then how do you plan to seduce him?”

Hu Mazi asked.

“Just follow me...”

Chen Ping took Hu Mazi to the altar!

I saw Chen Ping standing in the middle of the altar, and then said to Hu Mazi: “Master Hu, with me as Mou Jie, you can use the spell to attract the thunder...”

“Chen Ping, are you crazy? Are you planning to bombard yourself with thunder?”

Hu Mazi said with a surprised look.

“Without a medium, there is no way to lead the thunder to one place. When the thunder gathers here and bombards me, I will look for an opportunity to leave, and the thunder will continue to bombard me in one place that day!”

“I have already seen it. Although the thunder of this thunder formation is powerful, it is still far from the thunder tribulation when I broke through. It will not hurt me at all.”

Chapter: 3167

Chen Ping said confidently.

“Chen Ping, please think about it, this is no joke.”

Hu Mazi reminded again.

“Don’t worry, just start taking action...”

After Chen Ping finished speaking, he took out the dragon-slaying sword and raised it high above his head, so as to attract the thunder from the sky.

Seeing this, Hu Mazi could only take out a few talismans, muttered something in his mouth, and suddenly threw the talismans into the air!

Several talismans began to rotate in the air, and the flashing blue lightning around them began to converge towards Chen Ping’s head as if they were attracted by something!

Everyone looked at the scene in front of them in surprise, and their mouths opened wide!

“Then what is Chen Ping going to do? Does he have to withstand the thunder bombardment that day?”

“Is Chen Ping crazy?”

“That’s awesome, we actually have a Talisman Master here.”

Everyone was talking about it, but Hong Qianjiu looked at Chen Ping solemnly?

“Master, this guy wants to cause thunder to strike. Is he crazy?”

A follower beside Lu Chang asked in a low voice.

Lu Chang narrowed his eyes slightly and said slowly: "I don't think he is crazy. This guy's body is very strong. I guess he is confident to withstand the thunder bombardment that day!"

Lu Chang has been hiding his strength and standing in the crowd. He doesn't want to expose himself until the last moment!

"Dad, Chen Ping is crazy. What is he going to do? Isn't he looking for death?"

When Ge Jiayi saw that Chen Ping was actually trying to trigger thunder to bombard her, she immediately disagreed and wanted to rush up and pull Chen Ping down!

She couldn't let anything happen to Chen Ping. If Chen Ping had an accident, she wouldn't know how to survive!

"Don't move. Mr. Chen must have his own plan, and nothing will happen."

Ge Fuhai stepped forward and grabbed Ge Jiayi and said.

"Jiayi, don't worry, Mr. Chen will be fine."

Jiang Wei also had full confidence in Chen Ping at this time!

Rumble.....

Chapter: 3168

At this time, Tianlei had been led to the top of Chen Ping's head, and countless blue lightnings were seen constantly shuttled!

Click.....

Suddenly, a thunderbolt struck down from the sky, and Chen Ping's body began to glow with blue light, and his whole body was struck directly!

Chen Ping gritted his teeth and endured the power of thunder that day.

After a thunderbolt, Chen Ping didn't move at all, still holding the Dragon-Slaying Sword in his hand!

Seeing this scene, many people were shocked. You must know that the power of this thunder is extremely terrifying. Many people were hit, and they were seriously injured even if they didn't die!

But Chen Ping was hit unexpectedly and nothing happened. His body was too strong!

Rumble.....

After only a few short seconds, another thunder struck down!

This time, the power of the thunder was greater and stronger. Chen Ping felt that his internal organs were tumbling!

"Chen Ping, it's almost time, get out of the way..."

Hu Mazi shouted at Chen Ping!

Chen Ping has withstood the thunder twice. If he stays here any longer, he will really get hurt!

You must know that the power of thunder becomes stronger every time.

However, Chen Ping did not move. He planned to find an opportunity to leave after enduring the power of the thunder.

boom.....

The third thunder struck down!

This time the power of the thunder was stronger than the previous two combined. Chen Ping felt his legs bend and he almost couldn't stand!

But just when Chen Ping felt a little unbearable, he suddenly felt a strange aura emanating from the altar at his feet!

This kind of breath is very strange. It follows Chen Ping's feet and slowly enters Chen Ping's body, making Chen Ping feel relaxed instantly!

Chen Ping was shocked and looked down at the altar at his feet. It was just a pile of broken stones, and there was no magic circle on the stones.

But where did that breath come from?

Just when Chen Ping looked confused and couldn't figure it out, Hu Mazi suddenly jumped up and pushed Chen Ping off the altar!

Just as Hu Mazi pushed Chen Ping off the altar, a bolt of thunder struck down again, but this time it hit directly on the altar, sending rocks flying everywhere!

Chapter: 3169

"Chen Ping, you are stupid, why are you not moving? If you are hit again by this time, you will definitely be injured."

Hu Mazi scolded Chen Ping!

Upon seeing this, Ge Jiayi hurried over, hugged Chen Ping tightly, and said with worry on her face: "Chen Ping, are you okay? Are you okay?"

At this time, Chen Ping was still thinking about the origin of that breath just now. He remained motionless, not even blinking!

Seeing this, Ge Jiayi quickly asked Hu Mazi: "Master Hu, what happened to Chen Ping? Could he have been stunned by the thunder?"

Hu Mazi waved his hand in front of Chen Ping, but Chen Ping was still stunned!

"I...I don't know if I was really fooled."

Seeing Chen Ping like this, Hu Mazi lost his mind for a moment!

Ge Jiayi hugged Chen Ping and cried.

At this time, Hong Qianjiu and the others also gathered around. Zhu Hao opened his head and there was still blue thunder and lightning flashing. He shouted angrily: "Chen Ping, you liar, you still made me kneel down, this thunder formation You haven't broken it yet?"

Chen Ping seemed not to have heard Zhu Hao's cry, while Hu Mazi glared at Zhu Hao and said: "Shut your damn mouth, now Lei was led to a place by Chen Ping that day, There won't be thunder bombardment anywhere else!"

"He risked his life to distract the thunder, why the hell are you shouting?"

Hu Mazi's scolding made Zhu Hao speechless!

Everyone indeed saw that the thunder only continued to bombard the altar that day, while other places became safe!

"There is no threat from the thunder formation, but how do we get out of here?"

Seeing that there was no threat from the thunder array, Hong Qianjiu began to think about how to leave again!

Ning Zhi and four martial saints were guarding outside, and there was no way they could rush out no matter what.

“I know, I know...”

Suddenly, Chen Ping murmured to himself: “There must be secrets under the altar, there must be...”

With that said, Chen Ping rushed towards the altar...

But just when Chen Ping rushed to the altar, there was a sudden loud noise and a thunder struck down!

A huge force instantly lifted Chen Ping away.

This thunder seemed to be more powerful than before, and many people around him couldn't bear the scattered force and retreated one after another!

When Chen Ping stopped, he was surprised to find that the altar in front of him began to collapse bit by bit!

Chapter: 3170

The stone cracked, revealing a completely black, miniature version of the altar!

Everyone looked at it in surprise, no one could tell what kind of material this altar was made of!

Buzz.....

Suddenly, the altar started to make a buzzing sound!

Everyone felt dizzy and quickly blocked their ears!

And amid this sound, the thunder array collapsed and disappeared in an instant!

After the sound, a ray of light shot out from the altar, and the light penetrated the entire hill in an instant!

Ning Zhi and others who were guarding outside suddenly saw a beam of light shooting out into the sky from the ruins!

In mid-air, the light suddenly spread, and then the entire Penglai Island was shrouded in light!

“How is this going?”

Ning Zhi looked surprised!

“Is there really a treasure in this ruins?”

A man in black gold robe said.

Just as he was talking, as the light enveloped the entire Penglai Island, it was like fog in the sky, and the vast fog also began to envelope Penglai Island!

“Revival of spiritual energy, these are spiritual energy...”

The demon in Ning Zhi’s body instantly felt a large amount of spiritual energy spreading around him!

“This is spiritual energy recovery. There must be treasures we don’t know about in the ruins. Rush in...”

The devil roared.

Ning Zhi also felt the changes around him, took four black gold robes with him, and rushed directly into the ruins!

At the same time, Chen Ping and the others in the ruins also felt the sudden changes in their surroundings!

“Sir, the spiritual energy has revived. The spiritual energy has revived. It seems that the altar is the key to activating the spiritual energy recovery.”

A servant next to Lu Chang said with excitement on his face.

“If this thing is obtained by our Lu family, wouldn’t we be able to create a place for spiritual energy recovery?”

Another servant also said excitedly!
