

The Order 3191

Chapter: 3191

Lu Chang nodded. He was not surprised at all that Chen Ping knew about the secret realm, because the people who came here were all spokespersons of the major secret realm families!

“If I have the chance, I will definitely go to your secret realm...”

After saying that, Chen Ping turned around and left without saying anything!

Zixiao Mansion is located in the secret realm of Thunder Gate. If Chen Ping wants to rescue his mother, he must find a way to go there!

But now his top priority is to find the secret realm where Su Yuqi is imprisoned!

Fortunately, Zhou Jie is following him. It is up to Zhou Jie to find the secret realm of Demon Heart Sect and open the secret realm!

After all, the Demon Spirit Sect and the Demon Heart Sect are of the same origin, even the methods for opening secret realms are the same.

After leaving Penglai Island, Chen Ping and the others headed straight for Kyoto!

After being away for such a long time, Chen Ping knew that the women at home would have long missed him!

.....

Kyoto, the secret realm of the Demon Heart Sect!

Da Neng looked at the demon envoy who had already turned into a puddle of mud, and his expression was very ugly!

Ning Zhi and four others in black gold robes were kneeling on the ground. Feeling the majesty of the power, no one dared to raise their head!

“You said it was the Blood Demon who resurrected and beat him like this?”

Da Neng asked coldly.

“It’s not a fight, it’s just a glance...”

Ning Zhi answered truthfully.

It was true that the Blood Demon just glared at the Demon Envoy, and he became like this!

Da Neng is not talking, but you can hear his heavy breathing, which is obviously a bit nervous!

After just one look, his demon envoy became like this!

Needless to say, that terrifying strength.

Even if he came forward in person, he probably wouldn’t be able to withstand a slap from the other party!

“Why does the blood demon want to help that guy Chen Ping...”

Almighty can’t understand what the Blood Demon is thinking.

Chapter: 3192

“Mighty, the blood demon said that we are not worthy of being demons, and also destroyed the souls of four black gold robes...”

Ning Zhi said quickly.

“What?” Da Neng was stunned for a moment, then waved his hand gently, and a breath enveloped the four black gold robes!

“It’s gone indeed!”

Da Neng frowned, feeling a crisis for the first time!

If a big demon like the Blood Demon wants to help Chen Ping, then they don’t have to think about touching Chen Ping!

Suddenly, the powerful man waved his hands, and five souls appeared instantly, and then the five souls possessed Ning Zhi and the others!

“I have summoned five more souls for you. Don’t worry about Chen Ping for now. You can practice more with your respective souls, and let the magic envoy take good care of his injuries...”

Da Neng said coldly.

“As ordered...” Ning Zhi and others nodded!

“By the way, how is the girl?”

Almighty asked.

“Then Su Yuqi is imprisoned in a dungeon in a secret realm. It’s very safe.”

Ning Zhi replied.

“Okay, please step back...”

Da Neng waved his hand.

After Ning Zhi and the others left, Da Neng’s body slowly disappeared!

Kyoto, Gurrengu Shrine.

Ji Ruxue, Gu Linger, Wu Meier, Xiaolan...

When all the girls knew that Chen Ping was going back to Kyoto, they were all waiting happily at the entrance of Honglian Palace!

Because they knew that when Chen Ping came back, he would definitely come to the Red Lotus Palace to see them!

Ever since Chen Ping found a place for Ji Ruxue around Kyoto and moved the Red Lotus Palace here, girls like Gu Ling’er have been living in the Red Lotus Palace!

After all, the Red Lotus Palace is full of girls, so it is more convenient to live there, and you can chat every day.

While many girls were waiting, Chen Ping and the others got off the plane. As soon as they walked out of the airport, Chen Ping was stopped by two uniformed law enforcement members!

Chapter: 3193

“Mr. Chen, Mr. Shi wants to see you, please come with us!”

The two team members said politely to Chen Ping.

Chen Ping frowned slightly. He had just come back and wanted to meet Gu Ling'er and the others, but now Mr. Shi sent someone to stop him directly at the airport!

But since it was Mr. Shi who was looking for him, Chen Ping had no choice but to let Hu Mazi and the others go back first!

Chen Ping followed the two team members to the car, and then asked a little strangely: "Where is Captain Xing?"

Because usually, if Mr. Shi wants to see Chen Ping, Xing Jun will do it in person.

But this time only two team members were sent, which made Chen Ping a little strange!

Chen Ping's words made the two team members look sad, but no one said anything!

But looking at the faces of the two team members, Chen Ping had a bad feeling in his heart!

After the car arrived at the Dharma Protector Pavilion, Chen Ping got out of the car and saw Zhao Wuji, the master of the Dharma Protector Pavilion, waiting at the door!

Seeing Chen Ping arrive, he quickly went to greet him and said, "Mr. Chen..."

"Pavilion Master Zhao, did something happen to Captain Xing?"

Chen Ping asked Zhao Wuji.

Zhao Wuji looked around, then nodded: “Mr. Shi is also angry about this matter. Captain Xing was maimed, and his life or death is still uncertain...”

When Chen Ping heard this, he frowned instantly: “Who did it?”

Chen Ping couldn't understand that there were still people who dared to attack the law enforcement team. You must know that the law enforcement team was personally led by Mr. Shi. Who dared to provoke Mr. Shi?

“You'd better let Mr. Shi talk to you, he's waiting for you inside!”

Zhao Wuji brought Chen Ping to the room and then left!

There are some things that he, the master of the Dharma Protector Pavilion, cannot know.

Chen Ping walked into the room and saw Mr. Shi smoking, with a very ugly face!

“sit down.....”

Mr. Shi said calmly when he saw Chen Ping arriving.

Chen Ping sat respectfully in front of Mr. Shi. Chen Ping himself didn't know what was going on. He always felt nervous in front of Mr. Shi.

“Mr. Shi, Captain Xing...”

Chapter: 3194

Chen Ping didn't know how to ask.

“He can't die...” Mr. Shi took a long puff of cigarette, and then stepped on the cigarette butt under his feet: “Do you know how Captain Xing was injured?”

Chen Ping shook his head.

“He was injured by Kazuo Kawaguchi. In order to take revenge, the Watanabe family has now openly started to fight against us.”

Mr. Shi said!

When Chen Ping heard this, his face instantly flashed with immense anger!

The Watanabe family never gave up the pursuit of him, but Mr. Shi stopped him. Therefore, if the Watanabe family wanted to assassinate Chen Ping, they couldn't even cross the border!

But this time, Kazuo Kawaguchi dared to injure Xing Jun, which proved that he was already in trouble!

No longer secretly, but blatantly coming to hunt Chen Ping!

“These guys are so damned...”

Chen Ping gritted his teeth, the anger in his body was burning, and his breath kept rising!

Mr. Shi felt Chen Ping's aura and said slightly surprised: “Is he the eighth-grade Great Wuhou?”

Chen Ping nodded, and then told Mr. Shi about getting the ten thousand-year-old Polygonum multiflorum in Nanhu!

After hearing this, Mr. Shi couldn't help but sigh: “A thousand-year-old Polygonum multiflorum plant has allowed you to be promoted to the eighth rank of Great Wuhou. I really don't know how you will practice in the future. I am afraid that even if all the resources are given to you, it will be difficult to break through.” Martial Saint!”

“It seems you should go to the secret realm for a walk, so that you can improve your strength.”

Chen Ping was slightly startled: “Mr. Shi also knows about the secret realm?”

Seeing Chen Ping’s expression, Mr. Shi suddenly smiled: “I know much more than what you see...”

“Does Mr. Shi know where the secret places around Kyoto are?”

Chen Ping asked hurriedly, because Su Yuqi was locked up in the secret realm, so Chen Ping wanted to find the secret realm of the Demon Heart Sect and rescue Su Yuqi!

“There are so many secret places, there are hundreds of them around Kyoto alone. How can I possibly know where they are all?”

Mr. Shi replied.

When Chen Ping heard this, he was very surprised when he arrived: “Mr. Shi, aren’t there eight major secret realms and some small secret realms? Are there so many secret realms around Kyoto alone?”

Chen Ping never dared to think about how so many secret realms could suddenly appear!

“What you know is that there are still people living in some relatively large secret realms. Some secret realms are already ownerless secret realms. The people in the secret realms have died, and they have become ownerless secret realms!”

Chapter: 3195

“However, although people have died, the resources in the secret realms still exist, so many unowned secret realms have become a place of contention for some big families, but these secret realms are difficult to find.”

Mr. Shi explained.

“The secret realm without an owner? Doesn’t it belong to whoever discovered it?”

Chen Ping asked with fiery eyes.

If this is the case, then Chen Ping can find a secret realm without an owner. He can move the Dragon Gate and even the Red Lotus Palace into it, and there will be his own world there!

And Chen Ping has become the real master of this world!

It’s just that Chen Ping was enjoying the good times, but Mr. Shi poured cold water on him!

“Theoretically, whoever finds it belongs to whom, but it is very difficult to find the unowned secret realm. After all, no one has been in or out for many years, and there is no trace at all. As far as I know, the chance of finding the unowned secret realm is only one in a thousand!”

“And even if you discover the unowned secret realm and become the master of the secret realm, can you keep the secret realm? If other big families find out, they will drive you away.”

“When you don’t have the ability, even if I give you a secret realm, you can’t keep it!”

Mr. Shi said.

After hearing this, Chen Ping fell into deep thought. No wonder the Demon Spirit Sect rarely lets people enter and leave the sect’s secret realm. They only send people out of the secret realm if they have no choice!

This is to protect yourself and prevent others from discovering the entrance and exit of the secret realm.

If the families of the Eight Great Secret Realms knew where the Demon Spirit Sect’s secret realm was, they would probably come to their doorsteps!

The secret realm is the territory, and among those aristocratic sects, who doesn't want more territory!

However, Chen Ping's desire for the secret realm at this time is already extremely strong. If he is in the secret realm, Chen Ping can practice normally!

And there is no need to worry about the danger to those around you. After all, in the secret realm, there are almost no threats from the secular world!

At this time, Chen Ping still didn't know that with a map of the Nine Thousand Miles of Mountains and Rivers, he could travel around the eight secret realms at will, and he could even find some unowned secret realm!

"Mr. Shi, let's talk about the secret realm later. This time Captain Xing was injured by those guys from the island country. What are you going to do?"

Chen Ping asked.

"What else can we do? Of course, kill..."

"I just let Kazuo Kawaguchi run away, but he will definitely come to you, so I remind you to be careful, and this kid is already at the peak of the strength of the Great Martial Lord, and will soon break through to the Martial Saint."

Mr. Shi warned Chen Ping.

Chen Ping nodded: "Okay, I will pay attention. In addition, I will inform Elder Xu of the Medicine God Valley to come and treat Captain Xing personally so that Captain Xing will not lose his strength and become disabled."

Chapter: 3196

"Okay, this is also the second thing I want to say when I come to you. You should do it right away!"

Mr. Shi waved his hand and said!

Chen Ping stood up and walked out of the Dharma Protector Pavilion, and then notified Xu Changsheng to bring the best elixirs from Medicine God Valley to the Dharma Protector Pavilion to treat Xing Jun.

When Chen Ping returned to Honglian Palace, he found that no one was waiting at the door to greet him!

Walking into the Red Lotus Palace, Chen Ping always felt that the atmosphere was strange. The disciples of the Red Lotus Palace looked at Chen Ping and secretly smiled!

“Xiao Min, where are your sisters and the others?”

Chen Ping asked after seeing Xiao Min!

“I don’t know. My sisters said they were going to pick you up at the airport, didn’t you see?”

Xiao Min said.

“Go pick me up? Didn’t you see?”

After Chen Ping finished speaking, he turned around and left. He wanted to see what was going on!

But as soon as Chen Ping turned around, he found that the door of Honglian Palace had been closed.

Immediately after Gu Ling’er, Ji Ruxue and other girls rushed out!

“We have been waiting for you for a long time, what did you do?”

A group of girls surrounded Chen Ping, questioning him loudly!

This made Chen Ping confused. They all said that it would be cool to be a ghost under the peony flowers.

But facing these beautiful beauties, Chen Ping just wanted to escape quickly!

After finally explaining clearly, these girls let him go!

Just as Chen Ping was fooling around with Gu Ling'er and the others, on the outskirts of Kyoto, a middle-aged man wearing gray cloth and a hat was hurriedly heading towards Kyoto!

This man was dirty, and many people hid far away when they saw him. It looked like he was fleeing from somewhere!

Although the man's clothes were dirty, there was an embarrassing cold light in the man's eyes!

This person is the one who escaped? Kazuo Kawaguchi!

After Chen Ping destroyed the island country's secret stronghold in Daxia, Kazuo Kawaguchi was severely criticized when he returned to China!

And let him take the Watanabe family back to Daxia to kill Chen Ping completely!

Chapter: 3197

But as soon as they arrived at the border, they were intercepted by Xing Jun's men!

In the past, when they saw this, they would run away and look for another opportunity. After all, they didn't want to start a conflict with the officials!

But who knew that a member of the Watanabe family followed the law enforcement team and even killed a law enforcement team member!

At this time, a war broke out. Because the law enforcement team was weak, they were all killed, and Xing Jun was also seriously injured!

Mr. Shi was furious and ordered these people to be eliminated!

In the end, all the members of the Watanabe family brought by Kazuo Kawaguchi died, and only Kazuo Kawaguchi escaped from death!

But he didn't dare to return to the country. He had to kill Chen Ping now so that he would not be punished when he returned!

"Chen Ping, it's you who put me in this situation. I'm going to cut you into pieces..."

Looking at Kyoto in front of him, Kazuo Kawaguchi's eyes were full of anger!

As night falls, Kyoto's nightlife begins, with neon lights flashing all around, and many people wearing gorgeous clothes walking on the spacious streets!

Not far from Longmen, Kazuo Kawaguchi was sitting in a corner wearing tattered clothes, his eyes fixed on the door of Longmen!

Soon, a member of Longmen came out and then walked into an alley!

Seeing this, Kazuo Kawaguchi followed him like a ghost!

Then there was a scream in the alley, and Kazuo Kawaguchi came out, frowning slightly and said: "Then Chen Ping is not in Longmen?"

Kazuo Kawaguchi still didn't know that Chen Ping was in Honglian Palace and didn't come back at night!

Now Chen Ping is surrounded by a group of girls, his face is covered with notes, and a group of them are playing cards!

“Chen Ping, don’t be so shameless and take your cards back quickly...”

Xiaolan shouted at Chen Ping!

The other girls also talked about Chen Ping. Anyway, one person said it, and a group of people helped to besiege him.

Chen Ping himself is weak!

At this moment, Chen Ping’s cell phone rang. It was Long Xingxu calling.

As soon as the call was connected, Long Xingxu’s anxious voice came: “Brother Chen Ping, something happened. One of our Longmen members was killed...”

“What?” Chen Ping stood up immediately!

A group of girls saw that Chen Ping’s expression was wrong, and no one dared to speak.

Chapter: 3198

“Brother Chen Ping, one of our members went out and was found killed in an alley. The murderer has not been caught yet!”

Long Xingxu said it again!

Chen Ping’s face became extremely ugly, and his brows furrowed tightly!

“wait for me.....”

Chen Ping threw away the cards in his hand and rushed out of the room!

None of the girls dared to speak out!

Because they can really feel the murderous intention in Chen Ping!

“Sister Ruxue, do we want to go take a look?”

Gu Linger asked Ji Ruxue.

Among them, Ji Ruxue is the biggest, so they all listen to Ji Ruxue.

“No, let’s not cause trouble for Chen Ping.”

Ji Ruxue knew that if they went, they would only cause trouble for Chen Ping!

Chen Ping rushed to Longmen without stopping. When he entered the room, he saw the body of the killed member of Longmen placed in the room!

Chen Ping knelt down and carefully inspected the member’s wounds, his expression serious!

“Brother Chen Ping, do you know who did it?”

Long Xingxu also couldn’t figure out who would attack Longmen!

You must know that Longmen is already the largest sect in Kyoto, even occupying the Kyoto Martial Arts Alliance!

Coupled with Chen Ping's popularity, who would dare to go against Chen Ping?

But at this time, Chen Ping already had a target in mind, and it must be Kazuo Kawaguchi's hand!

But in order not to cause unnecessary panic, Chen Ping did not say anything, but said to Long Xingxu: "Notify me, everyone in Longmen is not allowed to go out alone at night..."

"Got it!" Long Xingxu nodded!

After giving the order, Chen Ping walked out of the dragon gate and wandered aimlessly on the street, wondering if he could meet Kazuo Kawaguchi!

Chen Ping released his aura without any scruples, just to let Kazuo Kawaguchi feel it.

But after a full hour, Kazuo Kawaguchi was not found at all. Chen Ping felt that Kazuo Kawaguchi should not dare to stay in the city for a long time. After all, this is Kyoto, and Kazuo Kawaguchi is still being hunted!

Chapter: 3199

In this case, Chen Ping walked towards the suburbs, and the aura on his body spread for miles!

Soon, Chen Ping felt a powerful aura approaching. This aura belonged to Kazuo Kawaguchi. When he saw that Kazuo Kawaguchi did not hide his aura, he also wanted to tell Chen Ping that he was here!

When Chen Ping saw this, he stopped moving and quietly waited for Kazuo Kawaguchi!

Soon, Kazuo Kawaguchi arrived in front of Chen Ping and saw that Chen Ping was waiting for him quietly. Kazuo Kawaguchi smiled coldly and said, "Chen Ping, are you waiting for me on purpose?"

Chen Ping looked at Kazuo Kawaguchi who was like a beggar and nodded: "I'm waiting to kill you..."

“Kill me?” Kazuo Kawaguchi laughed: “You got away with it last time, but you are not so lucky this time. Do you still want to kill me?”

“Did you bring help? If you were on your own, how dare you face me so easily.”

Kazuo Kawaguchi looked around. He wanted to see if Chen Ping had brought help!

“Don’t look at it, it’s just me. I can’t help you if I kill you...”

Chen Ping said calmly.

“Are you too arrogant?”

Kazuo Kawaguchi’s aura began to surge slowly, and the aura of the peak Dawuhou instantly enveloped Chen Ping’s entire body!

“We’d better go farther away, so as not to affect other people...”

They had just left the city, and Chen Ping was afraid that the battle between them would affect ordinary people.

“Hmph, my mission is to kill you, I don’t care about the rest...”

After saying that, Kazuo Kawaguchi stepped forward and then punched Chen Ping!

Kazuo Kawaguchi was ruthless and did not hesitate.

Chen Ping felt a strong gust of wind coming, and suddenly his body flashed with golden light. His indestructible golden body instantly activated and covered his whole body!

clang!

With a crisp sound, Kawaguchi Kazuo punched Chen Ping hard, but it made a deafening crisp sound, but Chen Ping's body was not injured at all!

The use of Ten Thousand Years of Polygonum multiflorum and the power of laws in the Demon Spirit Sect have made Chen Ping's body stronger!

"Do you islanders like sneak attacks? Are you afraid that you won't be able to defeat me?"

Chen Ping turned to look at Kazuo Kawaguchi and asked with contempt in his eyes.

Seeing this scene, Kazuo Kawaguchi's face became extremely ugly, with a bit of disbelief in his eyes!

Chapter: 3200

But just when Chen Ping was about to move forward, Kawaguchi Kazuo pulled out the katana in his hand, and then swung the sword down. The light of the sword contained powerful power and shot towards Chen Ping!

Chen Ping turned around, faced the sharp knife, and calmly waved his fist!

This punch may seem ordinary, but it contains the power to create the world!

boom.....

There was a huge sound, and the entire ground was shaken with smoke and dust!

The ground was shaking, like an earthquake, and people for several kilometers around ran out of the room!

This is why Chen Ping wants to avoid this place!

There are too many residents here, which can be very influential at night.

Kawaguchi Kazuo's ray of light was instantly shattered by Chen Ping's mediocre punch, and the terrifying blade disappeared!

Kazuo Kawaguchi was surprised, but when he saw Chen Ping, his face was calm, as if he already knew the result!

"Chen Ping, your strength has actually increased in such a short period of time..."

Kazuo Kawaguchi said with a cold face.

"If you want to kill me, then use all your strength!"

Chen Ping looked at Kazuo Kuschiguchi calmly and said.

Kazuo Kawaguchi looked at Chen Ping and frowned tightly. Chen Ping's strength seemed to be beyond his prediction.

"Chen Ping, don't be too happy too soon..."

After saying that, Kazuo Kawaguchi's body suddenly exploded!

The katana in his hand shone even brighter, seeming to be brewing terrifying power!

Swish, brush, brush...

The katana made a sound of scraping in the air.

“One hundred people killed...”

Kawaguchi Kazuo roared, and the katana in his hand burst out with bursts of urging light!

In an instant, countless swords and swords shot towards Chen Ping!

These sword lights and shadows contained powerful power, the entire space began to distort, and the sound of breaking through the air was endless!
