

The Order 3201

Chapter: 3201

The flashes of swords and sword shadows struck directly on Chen Ping's body, causing streaks of fire to appear!

This is the rhythm that will cut Chen Ping into pieces!

Dang Dang Dang.....

Chen Ping did not dodge and let the blade strike him again and again!

The indestructible golden body began to crumble, and pieces of scales fell off and disappeared!

In the end, Chen Ping relied on his strong body to resist Kawaguchi Kazuo's attack!

"break....."

Chen Ping suddenly roared and a bright golden light erupted from his body!

The bright golden light instantly illuminated the surrounding area!

Boom boom boom.....

Blade after blade was still swung from Kawaguchi Kazuo's katana, hitting Chen Ping continuously!

Chen Ping was holding on to Kazuo Kawaguchi's Hundred Man Kill, but at this moment the ground under his feet could not bear it and began to collapse, with cracks appearing one after another!

boom.....

Chen Ping's body suddenly erupted with a golden ball of light, and the scattered golden light instantly defeated Kawaguchi Kazuo's blade!

The place under Chen Ping's feet instantly collapsed several meters deep!

Kazuo Kawaguchi felt a terrifying force coming and hurriedly stepped back!

Seeing the smoke and dust in front of him, Kazuo Kawaguchi raised the corners of his mouth slightly!

"You are so arrogant. You actually dare to bear my attack of hundreds of people without any resistance. You have to pay the price for arrogance..."

Kazuo Kawaguchi slowly walked towards the collapse!

When the smoke and dust dissipated, Kazuo Kawaguchi discovered that there was still Chen Ping's shadow in the deep pit!

"Where are the people?"

Kazuo Kawaguchi frowned.

"Are you looking for me?"

At this moment, Chen Ping's voice actually emanated from mid-air!

Chapter: 3202

Kawaguchi Kazuo hurriedly looked up and saw that Chen Ping's clothes had been shattered, but his body was intact!

The whole body is exuding golden light, like a god!

“How...how could this be possible?”

Kazuo Kawaguchi couldn't believe his eyes!

“Nothing is impossible. You are just an ant in front of me. Do you really think you can kill me?”

Chen Ping sneered.

“Chen Ping, you are too arrogant. I don't believe I can't kill you...”

Kazuo Kawaguchi was furious and raised the katana in his hand, and streams of energy were being input into the katana!

The katana began to buzz, and terrifying power emanated from the blade!

“Go to hell...”

Kazuo Kawaguchi roared angrily, and the katana in his hand instantly burst out with a dazzling light!

This light is comparable to the sun and the moon, and it contains terrifying power!

boom!

Kazuo Kawaguchi slashed with his sword, and the light reached several feet and struck towards Chen Ping!

In front of this light that was several feet long, Chen Ping in mid-air seemed much smaller.

But Chen Ping refused to dodge and was still suspended in mid-air!

In the blink of an eye, that terrifying light arrived in front of Chen Ping, and Chen Ping actually opened his arms, as if to welcome the terrifying light!

The light struck Chen Ping, and as the golden light on Chen Ping collided and intertwined, streaks of fire fell from the mid-air!

Looking from a distance, it looks like a big firework is going off in mid-air!

As the firelight continued to fall, the several-foot-long ray of light wielded by Kazuo Kawaguchi became shorter and shorter!

In the end, he disappeared, but Chen Ping was hanging in the air intact!

Kazuo Kawaguchi's sword was forcibly consumed by Chen Ping's powerful body!

“this.....”

Kazuo Kawaguchi swallowed and couldn't believe what he was seeing!

Chapter: 3203

He is the pinnacle of the Great Martial Lord, and he will soon be able to break through to the strength of the Martial Saint!

But in front of Chen Ping, he was so unbearable!

He couldn't imagine that at such a young age, Chen Ping's strength had reached the level of a martial saint?

"Is this all your strength?"

Chen Ping looked down at Kazuo Kawaguchi and said coldly: "If this is all your strength, then I should send you back to your hometown!"

"ah....."

Kazuo Kawaguchi seemed to be going crazy, constantly waving rays of light at Chen Ping, and the katana in his hand buzzed one after another!

Dang Dang Dang.....

However, Kawaguchi Kazuo's attack was completely unable to break through Chen Ping's body and was directly blocked, causing no harm to Chen Ping at all!

Soon, Kazuo Kawaguchi was exhausted, his forehead was covered with sweat, and he was panting!

"With this little ability, you still dare to come and kill me..."

After Chen Ping finished speaking, his figure floated down from mid-air!

When Kazuo Kawaguchi saw Chen Ping coming towards him, he covered his katana with both hands, his eyes filled with coldness, and he gritted his teeth!

boom.....

Chen Ping punched down from top to bottom, his huge fist carrying extremely strong wind!

Seeing this, Kawaguchi Kazuo hurriedly waved his samurai sword to stop him!

But just when the katana in his hand touched Chen Ping's fist, it broke into two pieces in an instant!

Kazuo Kawaguchi looked at the katana with only the hilt left in his hand, and his expression was extremely ugly!

"How dare you destroy my katana, which is a royal thing..."

Kazuo Kawaguchi roared!

"Hmph, what kind of bullshit is this? It's a royal thing. Is it as powerful as my sword?"

As soon as Chen Ping stretched out his hand, the Dragon-Slaying Sword appeared in Chen Ping's hand!

The sword exuded a faint gray light, and it kept making bursts of dragon roars!

As soon as the Dragon-Slaying Sword appeared, Kazuo Kawaguchi felt tremendous pressure, and his body unconsciously took two steps back!

Chapter: 3204

Not to mention the pressure Chen Ping put on Kawaguchi Kazuo, the Dragon-Slaying Sword alone made him start to feel scared!

If Chen Ping had taken out the Dragon-Slaying Sword from the beginning, Kazuo Kawaguchi probably wouldn't have done it, he would have turned around and run away.

He didn't expect that in a short period of time, Chen Ping's strength would increase, and even the weapons in his hands would greatly increase in strength!

Panic flashed in Kazuo Kawaguchi's eyes, and he said to Chen Ping: "Chen Ping, in fact, I was forced to kill you by the Watanabe family. If I didn't do this, the Watanabe family would never let me go. "

Kawaguchi Kazuo is seeking sympathy, he is afraid that Chen Ping will kill him!

"Are you afraid?" Chen Ping raised the corner of his mouth: "Don't you islanders hate failure the most? As long as you fail, you will disembowel yourself..."

"No, no, not every island country person is like that. I hope you can let me go. This way, you can be guaranteed your safety."

"If you kill me, the Watanabe family will continue to send people, and you will never have peace in your life."

"Think about it and let me go. I will not return to the island country, but I will send a message to the Watanabe family. I am hunting you!"

"As long as I'm alive, they won't send anyone else."

Kazuo Kawaguchi analyzed Chen Ping, he just wanted to survive!

"If I kill you, the Watanabe family won't be able to send anyone here..."

Chen Ping said slowly.

"Why?"

Kazuo Kawaguchi was stunned!

“Because if I kill you, I will destroy the Watanabe family so that they will never have the chance to send people to kill me...”

Chen Ping had long thought that after killing Kazuo Kawaguchi, he would go to the island country and completely eradicate the Watanabe family!

He couldn't leave such a hidden danger, let alone let his brothers from the law enforcement team die in vain for him...

“Chen Ping, do you dare to go to the island country and destroy the Watanabe family? Do you know how powerful the Watanabe family is?”

“And even if you go to the island country, can you find the Watanabe family? Can you enter the Watanabe family?”

“If you plan to force your way in, I believe you will not be able to leave the island country.”

“Even if you have the strength of a martial saint, it is impossible to destroy the Watanabe family and escape intact!”

Kazuo Kawaguchi thought Chen Ping was crazy for having such an idea!

Chen Ping frowned slightly. In fact, he also knew that what Kawaguchi Kazuo said was true.

Chapter: 3205

When he went to the island country, Chen Ping was unfamiliar with the place. How could he find the Watanabe family? Even if he found it, how could he get close to the Watanabe family?

Even if the Watanabe family is destroyed, how can they escape intact?

These are all questions.

Seeing Chen Ping frowning slightly, Kawaguchi Kazuo quickly continued: "Chen Ping, as long as you don't kill me, I can help you and I am willing to take you to the island country. In fact, I have long disliked the domineering Watanabe family."

"Now even the imperial power has a hard time controlling the Watanabe family, they are too swollen!"

Kawaguchi Kazuo was trying his best to persuade Chen Ping to let him go, which shows how much Kawaguchi Kazuo fears death!

Chen Ping looked at Kazuo Kawaguchi's nervous look, casually took out a pill from his pocket and handed it over!

"This is a heart-wrenching pill. As long as you take it, I won't kill you, but you have to listen to me, because I am the only one who has the antidote for this!"

"Otherwise, you will die in excruciating pain."

Chen Ping said slowly, and then observed the change in Kazuo Kawaguchi's expression!

Kazuo Kawaguchi took the pill without hesitation and swallowed it directly!

Now, as long as he can survive, that's fine.

Seeing Kazuo Kawaguchi swallowing the pill, Chen Ping smiled lightly: "Okay, you can go, but remember, you must take the antidote within three days."

"I will go to the island country within these three days. I believe you will be able to find me then."

"Okay, okay, okay..."

Kazuo Kawaguchi nodded repeatedly, then turned around and ran away.

Chen Ping returned to Longmen and felt a turbulent aura in his body. The battle with Kazuo Kawaguchi just now made Chen Ping feel like he was about to break through!

Although a ten-thousand-year-old Polygonum multiflorum plant only promoted Chen Ping to the eighth rank of Great Wuhou, it was only one step away from the ninth rank of Great Wuhou!

Having just fought with Kazuo Kawaguchi, Chen Ping could really feel a throbbing in his body!

“Brother Chen Ping, have you found the murderer?”

Long Xingxu asked when he saw Chen Ping coming back.

Chen Ping nodded: “Notify me and lift the restrictions. I have already driven away the people. They are island country wanderers!”

“Also, take out some of the herbs stored in Longmen. I want to refine some elixirs...”

After hearing this, Long Xingxu nodded and quickly went to make arrangements!

Chapter: 3206

Chen Ping then notified Xu Changsheng and asked him to bring more herbs when he came to Kyoto to treat Xing Jun!

Chen Ping wants to use these herbs to make a spirit-gathering elixir to see if he can break through to the ninth rank of Great Wuhou!

If he can break through, then he will have more confidence when he goes to the island country!

After the explanation, Chen Ping walked out of the room and slowly looked in the direction of the Martial Arts Alliance. At this time, the Martial Arts Alliance had already become an office space in Longmen!

“Yu Qi, where are you?”

Chen Ping sighed. Although he knew that Su Yuqi was locked up in a secret realm, where could he find the secret realm?

Chen Ping is going to the island country to deal with the affairs of the Watanabe family, so the search for the secret place can only be done by Hu Mazi and Zhou Jie!

Even if Chen Ping is here, he can't help much in finding the secret realm of Demon Heart Sect. Zhou Jie still needs to take action!

So Chen Ping walked towards the two people's room. He planned to tell them about his trip to the island country!

But just as he walked to the door of the room, he heard Zhou Jie's screams. Chen Ping's face turned red and he could only wait outside for the two of them to finish!

Chen Ping smoked a cigarette and waited for half an hour. Then there was no movement in the room, and then the voice of the squid sounded: “Chen Ping, come in...”

Chen Ping opened the door and walked in. Zhou Jie's face was red and she quickly poured Chen Ping a cup of tea!

“Chen Ping, you don't sleep at night, and you run away to listen to me. You have so many women, can you just choose any one to sleep with you...”

Hu Mazi said to Chen Ping with a playful expression.

“You know I'm out there, and I've been doing it for so long. I have something to ask you for!”

“I’m going to the island country in the next two days to deal with some personal matters, so it’s up to you and Miss Zhou to find the secret realm of the Demonic Heart Sect.”

Chen Ping said seriously.

“Going to an island country? What are you going to do in an island country? Make a small movie?”

Hu Mazi joked.

“I’m not kidding you, I’m really going to the island country!”

Then Chen Ping told Hu Mazi what happened to the law enforcement team and Kazuo Kawaguchi today!

When Hu Mazi heard this, he immediately put away the smile on his face and gritted his teeth and said: “Damn, these island country wanderers are endless, but it is too dangerous for you to go to the island country by yourself, and the Watanabe family is not like you It’s so unbearable as you imagine, you can’t possibly destroy their whole family by yourself!”

“I’ll go with you. I have friends in the island country who can help me when I get there.”

“No, you have to follow Miss Zhou to find the secret realm of the Demon Heart Sect. I hope I can find the secret realm when I come back.” Chen Ping shook his head!

Chapter: 3207

“I’m afraid you won’t be able to come back, so I’d better go with you. Zhou Jie can find the secret realm by herself. The entrance to the secret realm must be near the Martial Arts Alliance, so it shouldn’t be difficult to find...”

Hu Mazi was worried about Chen Ping’s safety and insisted on following Chen Ping!

“Mr. Chen, let Master Hu go with you. You are alone and unfamiliar with the place. There are indeed too many dangers.”

“I can look for the secret realm myself. As long as the entrance to the secret realm is nearby, I can feel it.”

Zhou Jie said to Chen Ping!

When Chen Ping saw Zhou Jie said this, he could only nod his head: “Okay, we’ll set off in two days!”

Because it was too late, Chen Ping didn’t bother too much, got up and left, but as soon as Chen Ping walked out of Hu Mazi’s room, he heard Zhou Jie’s cry again!

Chen Ping smiled lightly, this Hu Mazi was not very strong, but his skills in bed were really unmatched...

The next day, Chen Ping piled together the herbs sent by Longmen and Xu Changsheng!

Although this large amount of medicinal herbs is a large amount of cultivation resources for others!

But for Chen Ping, he didn’t know if this bunch of herbs could push him to the ninth rank of Great Wuhou.

Chen Ping took out the Shennong Cauldron!

“rise.....”

Chen Ping made a casual move, and golden flames appeared in his palms. Then the flames seemed to be attracted and instantly reached the Shennong Cauldron!

And those piles of spiritual grass flew into the Shennong Cauldron one after another!

Crackling!

There was a sound in the Shennong Cauldron, and the herbs were instantly swallowed up by the spiritual fire, then turned into medicinal juice, and then turned into pills and solidified!

Soon, a pile of medicinal herbs turned into a dozen sparkling spirit-gathering pills!

Chen Ping looked at the Spirit Gathering Pill and began to swallow it without hesitation!

The effect of the Spirit Gathering Pill is very powerful. Coupled with the refining of the Shennong Cauldron, I thought it would be much stronger than directly absorbing the medicinal herbs!

Chen Ping swallowed them one by one, the spiritual power in his body boiled and surged, and even his skin radiated a bright light!

Chen Ping could feel that he was getting closer to the ninth-grade Great Wuhou!

Two days later, waves of terrifying aura came from Chen Ping's room!

Although every time Chen Ping advances to a small realm, the resources he needs are several times, even dozens of times, that of others!

Chapter: 3208

But at the same time, the strength and shock brought by Chen Ping's promotion to a small realm are also huge!

Although Chen Ping had only been promoted to the ninth rank of Great Wuhou at this time, the aura he exuded was much greater than before!

"Brother Chen Ping has made another breakthrough..."

Long Xingxu felt the terrifying aura coming from Chen Ping's room, his eyes full of envy!

Chen Ping slowly stretched out his palm, and a faint light emitted from the palm. As Chen Ping's strength increased, Chen Ping's physical body became more powerful!

When he walked out of the room, Hu Mazi was already waiting for him!

"Chen Ping, have you been promoted again?"

Hu Mazi asked with joy on his face.

"It's just a small level improvement!"

Chen Ping said slowly!

"You guy, if you improve to a small realm, you will make more noise than if someone else improves to a big realm!"

Hu Mazi smiled, and then continued: "Aren't you going to say goodbye to your little lovers?"

"No need, it will save them the worry..."

Chen Ping shook his head.

"I have made a promise. If your little lover knows that you left without saying goodbye, if he wants to make trouble with you, don't say that I didn't remind you?"

Hu Mazi gave a slightly meaningful smile!

Looking at Hu Mazi's expression, Chen Ping knew that Gu Ling'er and the others must know that they were going to the island country.

Before Chen Ping could say anything, Gu Ling'er and the others had already arrived.

“Chen Ping, you went to the island country and didn't tell us?”

“If Sister Zhou Jie hadn't told us, would we still have been kept in the dark by you?”

“What do you think we are? You want to tell us nothing?”

A group of women surrounded Chen Ping and began to verbally and physically attack him!

This made Chen Ping a little at a loss and didn't know how to explain it!

“Sisters, okay, Chen Ping is also thinking about us and is afraid that we will worry.”

Chapter: 3209

“Let's not cause trouble for him. I hope he will be safe after arriving in the island country!”

Ji Ruxue opened her mouth. As the oldest eldest sister, Ji Ruxue opened her mouth and a group of women also shut up!

After saying goodbye to a group of women, Chen Ping and Hu Mazi left Longmen and embarked on a trip to the island country...

Kyoto, international airport!

Chen Ping and Hu Mazi wore casual clothes, walked through the crowd, and started to board the plane!

Because it was not the peak tourist season, there were not many people. Chen Ping and Hu Mazi took the first class flight!

If he wasn't afraid of being too high-profile, Chen Ping would have no problem flying on a private jet!

Not long after Chen Ping and Hu Mazi sat down, a girl in fashionable clothes, sunglasses, shawl hair, and very hot clothes came over.

Wearing tight jeans underneath, the girl looks like a big sister at first glance, attracting many people's attention.

The girl took off her sunglasses and sat directly next to Chen Ping.

At this time, the mobile phone in the girl's bag rang. The girl picked up the phone impatiently and then connected!

The girl's mouth was filled with the island's language. Fortunately, Chen Ping understood the island's language and knew what the girl was saying!

The girl must have been urged by her family, so she acted impatient!

"I'm already on the plane. The plane will take off soon. Stop talking on the phone and turn off the phone..."

After saying that, the girl turned her phone directly into airplane mode!

Soon, the plane took off. Chen Ping closed his eyes to rest, while Hu Mazi fell asleep without even looking at the girl beside him. It seemed that after having Zhou Jie, Hu Mazi didn't like to look at anything else. Girl.

"Hello....."

Just when Chen Ping closed his eyes to rest, the voice of the girl sitting next to him suddenly came!

Chen Ping opened his eyes and looked at the girl in confusion!

“Excuse me, can you open it for me?”

The girl was holding a bottle of chewing gum in her hand, and she probably couldn't open the lid!

Chen Ping smiled slightly, but the chewing gum opened the lid and then gave it back to the girl!

The girl thanked her repeatedly, then took out a piece of chewing gum and handed it to Chen Ping: “I'll give you one...”

Chen Ping didn't refuse and just threw it into his mouth!

Chapter: 3210

Seeing Chen Ping chewing gum and intending to continue to close his eyes to rest, the girl's eyes towards Chen Ping obviously changed a lot!

She started to become a little curious about Chen Ping!

Normally, many men would take the initiative to strike up a conversation with her, but now she took the initiative to strike up a conversation with Chen Ping. It seemed that Chen Ping didn't like chatting with her yet!

This aroused the desire in the girl's heart...

“Hello, my name is Yumiko. I am from the island country and have been studying here. Where are you from?”

Yumiko asked Chen Ping with a smile.

“My name is Chen Ping, and I’m from here...” Chen Ping replied calmly.

“Are you going to travel to an island country? Now seems not to be a good time to travel...”

Yumiko leaned her body towards Chen Ping and asked softly.

“I went to do something, not travel...”

Chen Ping shook his head and then closed his eyes!

Seeing this, Yumiko couldn’t talk to Chen Ping anymore, so she could only sit there boredly!

After flying for several hours, the plane landed in Xijing, an island country. Chen Ping got up and followed Hu Mazi off the plane!

And Yumiko followed Chen Ping and the others closely!

“Chen Ping, do you have a friend to pick you up? If not, I can ask my driver to take you back...”

Yumiko said to Chen Ping.

“We have someone to pick up, thank you...”

Chen Ping smiled lightly.

After walking out of the airport, several luxury cars were neatly lined up outside the airport. It seemed that there was someone important on this flight.

When Chen Ping and the others came out with Yumiko, a dozen bodyguards in suits and sunglasses immediately surrounded them!

Chen Ping frowned, and the breath in his body began to surge!

He thought that his itinerary was exposed. The Watanabe family knew that he had come to the island country, so they sent people to intercept and kill him!

But these dozen bodyguards didn't look at Chen Ping at all. Instead, they surrounded Yumiko and protected Yumiko as she walked out!

Only then did Chen Ping know that these people were here to pick up Yumiko, but looking at the posture, Yumiko's family must be very powerful!
