

The Order 321

Chapter: 321

Taoist Master Buxu asked angrily.

“Uncle Buxu, I’m here to treat my little junior sister. How can you say this to me? I heard that my little junior sister is suffering from the extreme cold. I couldn’t bear it, so I came here specially.”

Liao Fei was not angry, but said with a playful smile!

“Xiao Ru doesn’t need your treatment, get out of here right now, go back and tell your master, I will clean up the house sooner or later!”

At this time, Taoist Wuwei stepped forward and shouted viciously at Liao Fei.

“So Uncle Wuwei is here too? Let me guess what Uncle Wu is here for!” Liao Fei was not angry, but with a sneer on his face: “I guess you must be here to treat the little junior sister. , I heard that you got a piece of Yu Ruyi caused by warm jade, you must have used it to treat the little junior sister’s illness, but let me tell you, the little junior sister is a body of ice crystal, your crappy thing is useless at all, maybe It will also break!”

As soon as Liao Fei’s words came to light, Taoist Master Buxu and Taoist Wuwei were both stunned. Their eyes were full of disbelief. They couldn’t imagine how Liao Fei knew this?

“What nonsense are you talking about? What ice crystal body? It’s just nonsense. Now get out of here!”

The fly whisk in Taoist Wuwei’s hand instantly swung towards Liao Fei!

Just now Chen Ping said something about the body of ice crystals, and now Liao Fei also said something about the body of ice crystals. If this is true, where will Taoist Wuwei put his face, so he wants to drive Liao Fei away!

Liao Fei sneered and grabbed Taoist Wuwei’s fly whisk: “Uncle Wuwei, I’m old now. Don’t hit anyone who kills you. Be careful to get up to your waist. In that case, won’t my pretty little master wife suffer!”

“Beast, I’ll kill you!”

Taoist Wuwei was furious. After throwing away the whisk, he kicked Liao Fei!

Taoist Wuwei did marry a wife who was much younger than him, and she was also very beautiful. Now, as a junior, Liao Fei actually spoke rudely. How could Taoist Wuwei tolerate it!

Facing Taoist Wuwei's attack, Liao Fei smiled coldly and followed up with a kick.

Bang.....

Taoist Wuwei was kicked out and hit the ground heavily!

"Senior brother....."

Taoist Master Buxu looked panicked and hurriedly ran over to help Taoist Wuwei up.

Taoist Wuwei's eyes were full of horror. He didn't expect that Liao Fei's strength would become so powerful after not seeing each other for just two years!

Chen Ping looked at Liao Fei and his eyes narrowed slightly. He just felt the fluctuation of the spiritual energy at the moment Liao Fei made his move!

"Isn't this guy also a cultivator?"

Chen Ping was full of doubts, because in his knowledge, except for Lao Longtou, he had never met anyone who could control spiritual energy. Those who could control spiritual energy were all immortal cultivators!

"Uncle Wuwei, you are already old. As the saying goes, the waves behind the Yangtze River push the waves ahead. You should just accept your fate. I am only here to help little junior sister treat her illness. Why do you bother to force me?"

Chapter: 322

Liao Fei said lightly.

“Liao Fei, you...how did your strength suddenly increase so much?”

Taoist Wuwei was very surprised. What chance did Liao Fei have to increase his strength so quickly?

“Hahaha, this is my secret, I can’t tell you, but my master has now worshiped in Xioming Temple, and I will be the next master of Xioming Temple!”

Liao Fei laughed, his face full of pride!

“Beasts!” Taoist Wuwei’s face was full of anger: “It’s okay for you to betray the master, but you still worship under the demon sect. It’s simply a shame. I must clean up the sect today!”

As Taoist Wuwei said, he was about to attack Liao Fei again!

“Senior brother!” Taoist Master Buxu stopped him. It was obvious that if the fight continued, they would not be Liao Fei’s opponents!

“You can’t beat me if you do it, so why bother asking for humiliation? I said I would treat my little junior sister, why don’t you believe me?”

Liao Fei’s face looked a little impatient.

“Liao Fei, I don’t believe you are just treating Xiaoru, please tell me your conditions?”

Taoist priest Buxu asked.

“Uncle Buxu, I have been with Xiaoru since childhood. Now I just want to cure Xiaoru and let her marry me. Isn’t this too much?”

Liao Fei smiled slightly and glanced at Xiaoru on the bed with burning eyes!

“Dream, my daughter will never marry you even if she never gets married, so stop dreaming!”

Taoist Master Buxu gritted his teeth and said.

“Uncle Buxu, if I don’t save Xiaoru, Xiaoru will not survive for three days. Do you want to watch your daughter die?”

Liao Fei was not angry and said with confidence.

“Mr. Chen has also seen that Xiaoru has a body of ice crystal. Do you think you are the only one who knows it? As the saying goes, there is heaven and there are people outside the world. Don’t think too highly of yourself!”

After Taoist Master Buxu finished speaking, he looked at Chen Ping and said respectfully: “Mr. Chen, you said you can cure my little girl’s illness, so why bother? Let’s go out now!”

Taoist Master Buxu was still suspicious of Chen Ping just now, but after Liao Fei came, he said the same thing as Chen Ping, so he trusted Chen Ping a little more.

He would rather trust Chen Ping than Liao Fei. A traitor has no credibility!

Liao Fei looked at Chen Ping and frowned.

He never imagined that there were still people in this world who knew about the ice crystal body?

Chapter: 323

You must know that what he said was not known by himself, but by his ancestor, the former master of Xioming Temple, Taoist Miejie. Liao Fei’s master left Leiming Temple and became a disciple of Taoist Miejie again.

This exterminator Taoist is very powerful and holds a seven-star mourning sword. No one dares to provoke him. Otherwise, if Liao Fei had forced his way into Thunder Temple, how could Taoist Master Fuxu have just spared him!

“Not only can I cure illnesses, but I can also give your daughter a great opportunity. You can go out for now!”

Chen Ping nodded slightly and said!

“Liao Fei, did you see that Mr. Chen can still treat Xiaoru’s illness? You’d better give up and leave quickly, otherwise don’t blame me for being rude!”

Taoist Master Buxu said to Liao Fei.

“Nonsense!” Liao Fei’s expression changed: “This ice crystal body absorbs so much cold energy that even Wuwei Taoist Yu Ruyi can’t do anything about it. What can this kid do?”

Liao Fei became anxious and stopped pretending. He directly called Taoist Wuwei “Lao Dao”. This made Taoist Wuwei very angry. Unfortunately, he was not Liao Fei’s opponent, so he could only endure it for the time being!

“If I can’t do anything, what can you do?”

Chen Ping asked Liao Fei.

“Of course I can. I have the seven-star disk that my master gave me in my hand. Not to mention the small cold air, this thing can also absorb all the light of the sun and the moon!”

Liao Fei said, and took out something similar to a compass, but it was only the size of a palm. There was a seven-star shape on it, and there was nothing special about it in other places!

But when Liao Fei took out the seven-star disk, Chen Ping’s eyes suddenly lit up, like an old pervert seeing a beautiful girl!

At this time, a large amount of spiritual energy was emerging faintly in the seven-star disk. The fluctuations of spiritual energy that Chen Ping felt just now were not from Liao Fei’s body, but from the seven-star disk.

This is a treasure, a treasure that I must get...

Chen Ping has secretly made up his mind to get this seven-star disk. At worst, he will kill Liao Fei!

“Hmph, it’s just a broken compass. My Yu Ruyi is not good enough. With what you have in your hand, how can you possibly absorb the cold air from Xiaoru’s body?”

Taoist Wuwei snorted coldly.

In his opinion, this is just an ordinary compass, but it's just a little smaller!

"Ignorance, thanks to your age, if I don't let you see it, you don't know how powerful the seven-star chart is!"

Liao Fei said, suddenly shining the seven-star disk towards Xiaoru!

The seven-star disk instantly emitted a dazzling light, and then the cold air from Xiaoru's body quickly drained from Xiaoru's body, and was all sucked into the seven-star disk!

Xiaoru, who was originally pale and with frosty hair, now turned rosy and slowly opened her eyes!

"Xiao Ru!"

Chapter: 324

When Taoist Master Buxu saw that his daughter was awake, he rushed over excitedly.

"dad....."

Xiaoru glanced at the room with confused eyes. Seeing many people around her, she seemed a little timid!

"Xiaoru, you really scared dad to death. Do you know that you were in a coma for several days?"

Elder Buxudao burst into tears!

It is said that cultivating immortals and entering Taoism can cut off the seven emotions and six desires, but how many people can do it?

"Uncle Buxu, do you believe me now?" Liao Fei sneered: "But let me tell you, I only temporarily woke up Xiaoru. If I don't treat her, Xiaoru will still become the same as before."

“Let me tell you, I am the only one in this world who can cure Xiaoru’s ice crystal body. Everyone else is a liar. If Master Fuxu understands this, then get rid of these liars!”

“Who do you think is a liar? I think you are just like a liar. You are holding something like a broken bronze mirror. You are so awesome. If you have the ability, throw that thing away. How about a competition?”

Su Yuqi had long disliked Liao Fei, so she stood up and said with a fierce expression.

Liao Fei looked at Su Yuqi who stood up, his eyes flashed, he was not angry, but looked at Su Yuqi with a leering look: “Others can go away, but this lady can stay. Such a fierce temper is really disappointing. People like it!”

“Bah, rubbish!”

Su Yuqi took a deep breath!

Liao Fei was stunned, wiped the saliva on his face, and immediately became angry: “Little girl, believe it or not, I will accept you now?”

Seeing Liao Fei’s anger, Su Yuqi couldn’t help but take a step back, while Chen Ping stood in front of Su Yuqi with a vigorous step.

“Isn’t it just relying on a seven-star disk? If there is no seven-star disk, what’s the difference if you follow the trash?”

Chen Ping looked at Liao Fei with disdain and sneered: “This seven-star disk is a treasure, but it is wasted on people like you. If you use the seven-star disk to practice, you will get twice the result with half the effort. It’s a pity that a waste like you can’t use it!”

Liao Fei was stunned, and suddenly his whole body was filled with anger, because Chen Ping was right, he was able to defeat Taoist Wuwei and cure Xiaoru all because of this seven-star disk. Without the seven-star disk, he was nothing!

“Boy, you are jealous. You are jealous that I have a treasure like the Seven Star Pan. If you have the ability, take out the treasure. Without the treasure, how can you absorb the cold energy from Xiaoru?”

Liao Fei said with a provocative face.

“I myself am the greatest treasure, why do I need to use other things? Only trash would use so-called treasures!”

Chen Ping smiled coldly.

Liao Fei’s face became more and more gloomy, and Taoist Wuwei’s face didn’t look good at this time. Chen Ping’s words just now were equivalent to scolding him together. After all, he had just used Yu Ruyi to treat Xiaoru’s illness.

“Do you mean to suck the cold air from Xiaoru’s body directly into your own body?”

Chapter: 325

Liao Fei asked.

“Not bad!” Chen Ping nodded lightly.

“Hahaha, it’s a joke. Xiaoru has a body of ice crystals, so she can withstand the cold air for many years. If you are an ordinary person, you can’t survive a day. You dare to say that you use your body to absorb the cold air. If you really have that ability, I’ll let you do whatever you want!”

“But if you can’t absorb the cold air with your body, then don’t worry about my rudeness. Kneel down and kowtow to me to apologize. The little girl behind you will also have fun with me!”

Liao Fei’s eyes were full of evil looks, which made Su Yuqi’s body covered with goosebumps!

“Are you looking for death?” Chen Ping’s eyes narrowed, and murderous intent instantly burst out from his body!

Although he and Su Yuqi did not have an established relationship, they knew what each other was thinking.

Chen Ping already regarded Su Yuqi as his girlfriend, how could he watch his girlfriend being bullied by others!

“What? You don’t dare?”

Liao Fei looked at Chen Ping with contempt and smiled coldly!

“What am I afraid of? Today I will let you see what magic is!”

Chen Ping said, and suddenly slapped Xiaoru’s forehead with one hand on the bed!

Xiaoru was startled and hurriedly backed away, hiding behind Taoist Master Buxu in fear.

“Mr. Chen, there are so many people here, and you want to strip my daughter in public, this...”

Taoist Master Buxu was a little reluctant to give up!

If she takes off her clothes, her daughter’s innocence will be at risk!

“Master Buxu misunderstood, I only absorb the cold air from your body, so there is no need to take off your clothes!”

Just now, Chen Ping needed to take off his clothes for treatment in order to modify Xiaoru’s ice crystal quality so that she would not suffer from the cold!

If you only need to absorb the cold air, you don’t need to take off your clothes!

When Taoist Master Buxu heard this, he felt relieved. He supported his daughter and said, “Xiaoru, this Mr. Chen is here to treat your illness. Don’t be afraid!”

After being persuaded by Taoist Master Buxu, Xiaoru stabilized her mind and sat quietly on the bed!

Chen Ping gently placed his palm on Xiaoru’s forehead, and instantly a stream of cold air was sucked directly into Chen Ping’s body!

Although Liao Fei had just used the seven-star disk to absorb most of the cold air from Xiaoru's body, not all of it was absorbed. There was still a part left in Xiaoru's body, and the cold air was everywhere in the Thunder Temple. Qi, so Xiaoru's body will absorb the cold and cold Qi around it.

Chen Ping's palm slowly turned white, and then his entire arm seemed to be covered with a thick layer of frost!

Chapter: 326

Chen Ping closed his eyes slightly, and activated the Heart Condensation Technique to the maximum, constantly refining the cold and cold air. However, because the cold and cold air was too heavy, Chen Ping was only at the fifth level of Qi training, so even if he could The Ningxin Jue has the greatest circulation, but it still can't completely refine this cold air!

Soon, Chen Ping's entire arm was covered with a thick layer of frost, and it continued to spread to other parts of his body.

After seeing this scene, Liao Fei couldn't help but sneer!

"Mr. Chen....."

Seeing Chen Ping's behavior, Taoist Master Buxu couldn't help shouting!

Chen Ping acted as if he hadn't heard anything and was still absorbing the cold air from Xiaoru.

Then Chen Ping's hair turned white and his face became frosty. In the end, his whole body was almost covered with ice and snow, like a snowman!

"Hahaha, I've already said it, this cold air is not something ordinary people can bear, and it turned into a pile of ice lumps now!"

Liao Fei looked at Chen Ping like that and laughed proudly!

"Mr. Chen....."

"Chen Ping..."

Gu Wentian, the others, and Su Yuqi all exclaimed!

Especially Su Yuqi, she rushed towards Chen Ping. She wanted to use her body heat to melt the ice and snow for Chen Ping!

“Yu Qi, you can’t...”

Su Wenzong had quick eyesight and quick hands, and grabbed Su Yuqi to prevent her from rushing over!

Even Chen Ping couldn’t stand this cold and gloomy atmosphere. Didn’t Su Yuqi just die in the past?

“Chen Ping...”

Su Yuqi shouted, her eyes instantly moistened!

Although she and Chen Ping have not known each other for a long time, and they can’t express any feelings for each other, they can feel each other in their hearts, and the feeling is indescribable!

Su Yuqi felt the most comfortable when she was with Chen Ping. She couldn’t tell what this feeling was!

Now seeing Chen Ping frozen, Su Yuqi instinctively wanted to save him, without even thinking about her own safety!

“Hahaha... Little beauty, don’t be sad. There are so many men. Why hang yourself on one? Look at me. I’m a hundred times better than this guy named Chen Ping. Just make me happy.” Yes, I will guarantee your prosperity for the rest of your life!”

Liao Fei’s eyes swept around Su Yuqi’s body without concealment!

“you wanna die!”

Chapter: 327

When Lin Tianhu saw Chen Ping in this state, he was also furious and slapped Liao Fei with his palm!

At this time, he didn't care whether he was Liao Fei's opponent or not!

"Impatient!"

Liao Fei snorted coldly and kicked out Lin Tianhu directly out of the room!

Gu Wentian, Su Wenzong and others glared at Liao Fei, but no one dared to take action!

"Hahaha...haha..."

Liao Fei laughed arrogantly, no one here is his opponent, he is the supreme, he is invincible!

"Uncle Buxu, now the cold and cold air in Xiaoru's body has been sucked away by this kid. However, Xiaoru's physique remains unchanged. It won't take long before the cold and cold air will gather in her body again. Now the only one who can cure her is me, I am a pure yang body, as long as Xiaoru marries me and our yin and yang are harmonious, Xiaoru will be fine!"

Liao Fei looked at Taoist Master Buxu and said.

"Don't even think about it..."

Taoist Master Buxu glared at Liao Fei fiercely. This shameless guy had just teased Su Yuqi, and now he kept asking Xiaoru to marry him. It was so shameless. Taoist Master Buxu would rather his daughter die than it cannot be destroyed in the hands of such people!

"If you don't agree, then don't blame me for being unreasonable!"

After Liao Fei finished speaking, he grabbed Xiaoru!

"ah....."

Xiaoru was so frightened that she screamed!

Taoist Master Buxu's face was full of anger, and he took action to meet Liao Fei.

Bang.....

How could Taoist Master Buxu be Liao Fei's opponent? He was slapped so hard that his mouth bled and he was seriously injured!

"Junior brother!" Taoist Wuwei exclaimed and swung the whisk in his hand towards Liao Fei!

Seeing this, Taoist Master Buxu endured the severe pain and took action together, attacking Liao Fei!

Two against one, but Liao Fei was not afraid at all, with a bit of a sneer on his face!

"Xiao Ru, run!"

Taoist Master Buxu shouted to Xiaoru that he would use his own life to hold Liao Fei back and let his daughter escape!

"dad....."

Chapter: 328

Xiaoru looked at the seriously injured Taoist Master Buxu, and tears burst into her eyes!

"Eldest niece, run quickly!"

Gu Wentian stepped forward, grabbed Xiaoru and ran away. It wasn't that Gu Wentian was afraid of death, but at this time, for an ordinary person like him who had no skills, staying behind would just end in vain!

Su Wenzong also pulled Su Yuqi: "Yuqi, let's leave quickly!"

“No, I want to take Chen Ping with me!”

Su Yuqi yelled, she didn't want to escape alone!

Bang bang.....

With two loud noises, Taoist Wuwei and Taoist Buxu were both knocked out by Liao Fei, while Liao Fei directly blocked the door of the room and looked at several people with a sneer on his face: “Don't even think about running away today. If you want to survive, then think about how to serve me comfortably!”

Seeing the sneer on Liao Fei's face, Gu Wentian and Su Wenzong backed away!

At this moment, no one noticed that Chen Ping, who had turned into an ice man, started to have small cracks in the thick ice layer on his body, and then the cracks became bigger and bigger!

Click... click...

The sound of cracking became louder and louder, and everyone's eyes were drawn to it!

“Dad, look, it's open, the ice is open...”

Seeing that the thick ice layer on Chen Ping's body had cracked, Su Yuqi shouted excitedly.

When Liao Fei saw this, he frowned and his expression became serious!

Crash la la la la la la la la la la la la.

Soon, the ice on Chen Ping's body completely shattered and scattered all over the ground, while Chen Ping's body was completely exposed!

“call.....”

Suddenly, Chen Ping opened his eyes, and a mouthful of white mist popped out!

Refining the cold energy made Chen Ping's strength improve by leaps and bounds. He had just stepped into the fifth level of Qi training, but he immediately improved another level. Now Chen Ping's strength has reached the sixth level of Qi training.

If we were to practice in Panlong Mountain with that little bit of spiritual energy, if we wanted to reach the sixth level of Qi training, we would have to wait until the Year of the Monkey and the Moon of the Horse!

"Chen Ping, you're not dead, you're not dead..."

Su Yuqi rushed over excitedly and hugged Chen Ping tightly!

At this time, she no longer cared about the eyes of others, she just hugged Chen Ping tightly and never let go!

Chapter: 329

Chen Ping's body still had a hint of chill, but even so, Su Yuqi didn't let go!

"Let go. If you don't let go, I will really be strangled to death by you!"

Chen Ping coughed twice and said!

When Su Yuqi heard this, she was so frightened that she quickly let go of her hand. However, seeing that Chen Ping was fine and looking at her with a wicked smile, Su Yuqi rolled her eyes at him and then kicked him hard!

Everyone was excited when they saw that Chen Ping was not dead, so Liao Fei couldn't act randomly!

"Boy, who are you? You can absorb the cold energy and not die?"

Liao Fei asked with a puzzled look.

"I am your uncle!" Chen Ping's face became angry. Just now, Liao Fei took advantage of him to refine the cold energy, attacked Lin Tianhu, and also made rude remarks to Su Yuqi. Chen Ping heard it all, but he couldn't move!

“Are you looking for death?” Liao Fei was scolded, and his face suddenly became very ugly!

“Now give me the seven-star disk, maybe I can make your death a little easier!”

Chen Ping waved to Liao Fei. He was too lazy to follow such a person. Ink mark 1

“So you want my seven-star chart?”

Liao Fei’s expression changed, and he became gloomy and terrifying. He clutched the seven-star disk tightly with one hand, and it seemed that he would not give it to Chen Ping at all!

“I gave you a chance, but you didn’t take advantage of it!”

Chen Ping looked at Liao Fei indifferently, his eyes full of murderous intent!

“Boy, even if you absorb the cold energy and survive, you will still be no match for my seven-star disk. Stop talking nonsense here and accept the move...”

Liao Fei’s body erupted with strong murderous intent. He did not dare to underestimate Chen Ping too much!

People who can absorb the cold energy without dying must be different from ordinary people!

“Mr. Chen, thank you for your life-saving kindness to my little girl. I can’t repay you for it. Today I can only repay you with death. I’ll hold him back and you guys run away...”

Taoist Master Buxu was already seriously injured, but at this moment he stood up again, planning to stop Liao Fei with all his strength and let Chen Ping lead his people to escape!

Chen Ping stretched out his hand to stop Taoist Master Buxu, and said with a faint smile: “To deal with a waste who can only rely on treasures, there is no need to risk your life!”

After Chen Ping finished speaking, he gave a disdainful thumbs up to Liao Fei!

“Boy, I’ll kill you...”

Liao Fei was furious, and the murderous intent in his body became more and more intense. At the same time, the seven-star disk in his hand was also faintly emitting a misty light!

Chapter: 330

Seeing that the seven-star disc in Liao Fei’s hand frequently showed strange phenomena, both Taoist Master Buxu and Gu Wentian were shocked!

Chen Ping, on the other hand, smiled disdainfully, found a chair and sat down directly!

“Besides using your treasure, do you have any other abilities?”

Chen Ping asked with an indifferent expression.

“Boy, you don’t have to provoke me. I won’t be fooled by you. Aren’t you able to survive the cold air that enters your body? Then I’ll let you absorb a little more of the cold air. I’ll see if your body can resist. Until when!”

After Liao Fei finished speaking, he pushed the seven-star disk forward, and waves of cold air rushed out from the seven-star disk!

The temperature in the room instantly dropped to freezing point. Everyone was holding their shoulders and shivering from the cold!

But Chen Ping was sitting on the chair, not moving at all and not feeling cold!

The cold air enveloped Chen Ping and entered his body from his seven orifices. Slowly, frost began to appear on Chen Ping’s hair again!

“Hahaha, this time I’m going to freeze you and then smash you to pieces. Let’s see how you survive!”

Seeing Chen Ping's hair starting to get frosty again, Liao Fei laughed proudly.

However, the frost on Chen Ping's head quickly disappeared visibly to the naked eye. No matter how the cold air entered Chen Ping's body, it could not cause any changes in Chen Ping's body!

"How can it be?"

Liao Fei was shocked and hurriedly released all the cold air from the seven-star disk!

All this cold and cold energy was absorbed by Xiao Ru, and now it was released, surrounding Chen Ping!

With a faint smile on Chen Ping's face, he activated the Heart Condensation Technique to the maximum, refining the cold air that entered his body!

Now that Chen Ping has reached the sixth level of Qi training, his refining speed is obviously much faster!

Until the cold air of the entire seven-star disk disappeared, Chen Ping was no longer frozen. On the contrary, his strength increased a lot.

"This seven-star chart is indeed a good thing. I must get it today!"

Looking at the seven-star disk in Liao Fei's hand, Chen Ping showed his greedy eyes without hesitation!

With the Seven Star Tray, Chen Ping's practice will be more effective with half the effort!

A flash of panic flashed across Liao Fei's face. With so much coldness, Chen Ping was fine with nothing at all?

Could it be that this guy also has a rare treasure?

Liao Fei suspected that Chen Ping also had treasures on his body, otherwise no one would have dared to absorb so much cold energy based on his own ability, not even his master, Taoist Mijie!
