

The Order 3211

Chapter: 3211

“I didn’t expect this little girl to have such an awesome background. Look at this battle, she’s so awesome...”

Ma Zi looked at the motorcade that came to pick up Yumiko and couldn’t help but sigh.

But just when Yumiko was about to get in the car, she suddenly stopped, turned to look at Chen Ping, and shook the phone in her hand at Chen Ping!

Soon, a bodyguard ran to Chen Ping and handed Chen Ping a note with Yumiko’s phone number on it!

The motorcade left. At this time, someone approached Chen Ping and said with an envious look on his face: “Young man, you are so lucky. I didn’t expect that the eldest lady of the Watanabe family would take the initiative to leave you her phone number.”

When Chen Ping heard this, he was stunned: “What? The eldest lady of the Watanabe family?”

“Yes, this is Miss Yumiko Watanabe, don’t you recognize her?”

The man looked at Chen Ping in surprise.

“Oh, we know each other, we just met...”

Chen Ping could only smile awkwardly and then walked away!

However, Chen Ping, who walked away, still couldn’t calm down for a long time. He never expected that Yumiko would be the eldest lady of the Watanabe family!

That being said, Yumiko's full name should be Yumiko Watanabe.

"Young man, seize the opportunity and you will never have to worry about anything in your life."

After the man finished speaking, he turned around and left!

Hu Mazi looked at Chen Ping blankly, and suddenly laughed: "The world is such a big place, it's really a coincidence that you guys sat with the eldest lady of the Watanabe family on the plane."

"If she knew you were going to destroy the Watanabe family, would she take the initiative to talk to you?"

Chen Ping didn't expect that things would be such a coincidence, so he could only smile helplessly!

Chen Ping followed Hu Mazi and waited at the airport exit for a while. Chen Ping was waiting for Kazuo Kawaguchi!

But it had been more than ten minutes and no one had come. Hu Mazi couldn't help but said: "Chen Ping, then Kazuo Kawaguchi didn't betray you, right? You should kill him on the spot..."

Seeing that no one came to pick him up, Hu Mazi muttered, with an angry look on his face!

"Probably not. If he betrayed me, there would be a lot of people here by now."

Chen Ping looked around and then said.

"Then we'll wait for five minutes. If no one picks up, I'll call my friend and ask him to pick us up!"

Hu Mazi looked at the time and said!

Chapter: 3212

As soon as Hu Mazi finished speaking, a young man looked around and hurriedly walked to Chen Ping!

“Is it Mr. Chen?”

asked the young man.

Chen Ping nodded: “Yes!”

“Come with me, Mr. Kawaguchi asked me to pick you up...”

After the young man finished speaking, he turned around and left.

Chen Ping followed Hu Mazi closely!

Soon, the young man took Chen Ping and Hu Mazi to a commercial vehicle, and then the car started to drive away quickly!

After more than an hour, the commercial vehicle finally stopped in front of a villa!

The young man opened the car door and invited Chen Ping and Hu Mazi in!

At this time, Kazuo Kawaguchi slowly appeared, then waved his hand, and screened away everyone around him!

“Mr. Chen, in the past few days, I have had poor blood flow and a splitting headache. I have followed your instructions. Can you give me the antidote?”

Kazuo Kawaguchi asked Chen Ping.

Chen Ping took out a pill from his arms and threw it to Kawaguchi Kazuo!

Kazuo Kawaguchi swallowed it without hesitation!

After swallowing the antidote, Kazuo Kawaguchi's look and spirit instantly improved a lot!

"Kawaguchi Kazuo, this antidote is only a temporary antidote. It can only help you suppress the toxin temporarily."

"If you want to be completely healed, you have to wait until I wipe out the Watanabe family."

Chen Ping explained to Kazuo Kawaguchi.

Kawaguchi Kazuo was stunned. He was originally excited, but now he suddenly became cold!

However, Kawaguchi Kazuo's expression changed only for a moment, and then he smiled helplessly!

"Mr. Chen, if you need me to help you, just say whatever you want, but I also hope you will keep your promise and give me the antidote in the end."

Kazuo Kawaguchi said.

"Of course, as long as you obey me, the antidote will be given to you."

Chapter: 3213

"Now please introduce me to the Watanabe family. I met someone named Yumiko Watanabe today. She should be the eldest lady of the Watanabe family, right?"

Chen Ping asked.

“Have you met Yumiko?” Kawaguchi Kazuo was slightly startled, and then began to talk about the history of the Watanabe family.

The Watanabe family is a relatively large family in the island country, especially in Xijing. It almost controls the entire Xijing. Even the official government has to give the Watanabe family some face!

Otherwise, Kazuo Kawaguchi can serve as a special envoy, but he will also be at the mercy of the Watanabe family!

The Watanabe family has lush branches and many children, but the direct leader who now controls the entire Watanabe family is called Watanabe Fumio. This Watanabe Fumio is also the father of Yumiko Watanabe!

And the Ichiro Watanabe whom Chen Ping killed was the son of Fumigan Watanabe. Fumigan Watanabe had three sons, and Ichiro Watanabe was just one of them!

Watanabe Fumio and Watanabe Fumigan are brothers, but they also had a lot of conflicts when they competed for control of the Watanabe family!

Now it is almost time to change the power and re-elect the person in charge of the Watanabe family, so the seemingly peaceful Watanabe family is already experiencing an undercurrent!

In addition, Fumio Watanabe only has a daughter, Yumiko Watanabe, so it is unknown whether Fumio Watanabe can control the Watanabe family this time!

After hearing this, Chen Ping was also surprised. He didn't expect that this huge family was also fighting openly and secretly, and was not monolithic!

“Then the one who ordered you to kill me was Watanabe Fumigan?”

Chen Ping asked.

Kazuo Kawaguchi nodded: "Yes, Watanabe Fumio's daughter is studying in Daxia. It is impossible for him to order to follow the Daxia officials to turn against each other. That would endanger his daughter's safety!"

"This time Yumiko Watanabe suddenly returned home urgently. It should be that Fumio Watanabe knew about the trouble we caused in Daxia, and was afraid that Daxia officials would be unfavorable to his daughter, so he recalled her."

Kawaguchi Kazuo's explanation also reminded Chen Ping of the impatient phone call Yumiko received when he got on the plane!

He should be urging her to return to the island country as soon as possible.

Now it seems that the Watanabe family is also full of factions. In this way, Chen Ping does not have to destroy the entire Watanabe family. As long as Watanabe Fumigan's lineage is eliminated, no one will cause trouble for Chen Ping!

Maybe he can take advantage of the conflict between Watanabe Fumio and Watanabe Fumigan to provoke a fight between the two, so that Chen Ping has a greater chance of killing Watanabe Fumigan!

Thinking of this, Chen Ping decided to find a way to contact Yumiko Watanabe first, and test Fumio Watanabe's tone by the way!

"Kawaguchi Kazuo, you'd better keep my coming to the island country a secret. If I need your help, I will naturally come to you."

"Remember, don't think about any tricks. Even in an island country, on your territory, if I want to kill you, it will be easy..."

Chen Ping threatened Kawaguchi Kazuo.

"No, absolutely not..."

Chapter: 3214

Kazuo Kawaguchi shook his head quickly. This time he felt the aura on Chen Ping's body was much stronger than a few days ago!

This made Kazuo Kawaguchi want to play tricks, but he didn't dare anymore!

In his opinion, Chen Ping's strength is a bit too abnormal. Nothing is impossible for Chen Ping.

Chen Ping left Kazuo Kawaguchi's home with Ma Zi, and was taken by Ma Zi to meet his long-time friend.

At the same time, in one of the most luxurious villas on the outskirts of Xijing, this is the home of Fumio Watanabe!

"Dad, you said I was studying hard, why did you call me back?"

Watanabe Yumiko asked Watanabe Fumio very dissatisfied.

"Don't go to school in Daxia during this period. Also, don't run around. Stay at home. Let's talk about it after this period of time..."

Watanabe Fumio said solemnly.

"Why? You don't let me go to school or go out. Do you want to suffocate me to death? I want to go out to play..."

Watanabe Yumiko shouted rebelliously!

"Yumiko, your father is also doing it for your own good. How can you talk to him like this?"

At this time, Yumiko Watanabe's mother, Kaki Tanimoto, came out and scolded Yumiko!

Although Kahui Tanimoto is over fifty years old, she still looks very young. She and Yumiko Watanabe look like sisters!

Moreover, she and Fumio Watanabe were in a free relationship. After getting married and giving birth to Yumiko, Kahui Tanimoto fell ill and lost her fertility!

Although the family and Kaki Tanimoto have been persuading Fumio Watanabe to find a wife and leave him a boy who can carry on the family line and inherit the family throne, Fumio Watanabe refused!

Among a large family like the island country, a man as infatuated as Fumio Watanabe is simply rare!

“For my own good? For my own good, just lock me up at home?”

“I don’t want to deal with you anymore!”

After Yumiko finished speaking, she turned around and ran out.

Looking at his daughter’s back, Fumio Watanabe couldn’t help but sigh!

Seeing her husband like this, Tanimoto Kahui gently stepped forward to comfort him: “Fumio, my daughter will understand you sooner or later, but how will you deal with it in Daxia? Then Fumigan Watanabe went behind your back and caused such a big thing. , and also killed many officials.”

“If we don’t handle it well this time, I’m afraid it will be a big disaster for our Watanabe family.”

Watanabe Fumio frowned slightly: “I have sent a special envoy to Daxia to explain the situation. Watanabe Fumio has been competing with me for the position of the head of the family. He will not let go of this opportunity in this election.”

Chapter: 3215

“I’m mainly afraid that he will attack our daughter. He knows that what I care about most is you and my daughter. If he threatens me with you and my daughter, I will have no choice but to step aside for him!”

“So you and your daughter should be careful these days. Stay at home and don’t go anywhere. No matter how brave Watanabe Fumigan is, he won’t dare to break into the house.”

“It’s just that this will be painful for you and your daughter...”

Watanabe Fumio caressed Tanimoto Kahui’s hair tenderly and lovingly!

“As long as I’m with you, I’m willing to suffer no matter how hard it is...” Kahui Tanimoto leaned into Fumio Watanabe’s chest!

At this time, Yumiko Watanabe had already run out of the house. Now that she is back, she plans to go find friends to play. She can’t stay at home anyway!

“Miss, please go back...”

Although the two servants did not dare to stop Yumiko, they followed her and kept persuading Yumiko!

“Are you two looking for death? I’m just going out to play for a while, and you guys just follow me around. Are you annoyed?”

Yumiko yelled at the two servants!

“Miss, the head of the family has told you that you are not allowed to go out, otherwise the two of us will not be able to communicate with each other!”

The two servants looked bitter!

“Why, you listen to my father but not me? He dares to kill you, and so do I...”

Yumiko said, raising her palms!

But the two servants remained motionless and had no intention of leaving!

When Yumiko saw this, she didn't dare to take action. She just wanted to scare the two servants!

Seeing that the two servants were not moving, Yumiko could only snort and continue walking forward, while the two servants followed behind!

But just after Yumiko took two steps, she suddenly stopped and her expression suddenly changed!

Before she could react, seven or eight men in black rushed out from both sides of the road, with their faces covered and holding samurai swords, rushing directly towards Yumiko!

When the two servants behind Yumiko saw this, they immediately drew their swords and rushed forward!

“Miss, run away...”

One of the servants shouted!

Yumiko was a little surprised. You must know that in the island country, their Watanabe family is also one of the best, and no one dares to mess with their Watanabe family in Xijing!

But today, someone actually attacked her, the eldest lady of the Watanabe family, in broad daylight. This is simply unbelievable!

Chapter: 3216

But Yumiko couldn't think about it at all. Her two men were quickly hacked to death with random knives!

Yumiko could only turn around quickly and run away quickly!

At this moment, Yumiko's mind is completely blank!

Several men in black were chasing after her, seemingly determined to catch Yumiko!

After running a certain distance, Yumiko's body suddenly bumped into someone, almost knocking Yumiko to the ground!

Yumiko looked up and found that the person she bumped into turned out to be Chen Ping!

"It's you?"

Chen Ping and Yumiko were surprised at the same time!

None of them expected that they would bump into each other here not long after leaving the airport!

But before the two of them could speak, the men in black behind them had already caught up!

Seeing someone chasing Yumiko, Chen Ping and Ma Zi were both stunned. Just now, Kazuo Kawaguchi said that the Watanabe family is the largest family in Xijing and almost controls the entire Xijing. How come there are still people who dare to chase the Watanabe family in broad daylight? Where is the eldest lady?

When several men in black saw this, they immediately shouted at Chen Ping and Hu Mazi: "If you don't want to die, get out of here..."

But Yumiko grabbed Chen Ping's arm tightly, her eyes full of expectation and said: "Help me, help me..."

Seeing Yumiko like that, Chen Ping smiled lightly: "Heroes save beauties, I'm very happy..."

When several men in black saw this, they immediately became furious!

“Boy, if you want a hero to save the beauty, I’ll kill you too...”

After saying that, several men in black rushed up with samurai swords!

But just as he took a step forward, Chen Ping waved his hand, and several breaths shot out, and those men in black instantly stood motionless as if they had been cast on a body-fixing technique!

After a while, a large amount of blood began to flow out of the chests of several men in black, and then they fell to the ground with a thud!

Yumiko was shocked when she saw this scene.

Although she knew how to perform kung fu, looking at Chen Ping like this, she looked like a god!

Seeing Chen Ping like that, Hu Mazi secretly smiled at the side. He wanted to use his mobile phone to take a picture of Chen Ping’s pretense at this moment, and then send it to those girls to see what would happen to Chen Ping!

Chen Ping felt Hu Mazi’s smile and glanced at Hu Mazi secretly!

“Chen Ping, you are so powerful. You saved my life. My father will definitely repay you well. Otherwise, why don’t you come home with me?”

Chapter: 3217

Yumiko asked Chen Ping with a bit of admiration in her eyes.

“No need, I still have my own things to do...”

Chen Ping shook his head!

At this moment, a burst of chaotic footsteps came, and there were many people!

After Chen Ping and Hu Mazi looked at each other, they left in a hurry. Yumiko looked at Chen Ping's back with a different kind of emotion in her eyes!

"Yumiko, Yumiko....."

Watanabe Fumio shouted and ran towards Yumiko!

And behind Fumio Watanabe, there were dozens of samurai!

"dad....."

After Yumiko saw Watanabe Fumio, she rushed over, feeling scared. If she hadn't met Chen Ping, she didn't know what it would be like now.

Watanabe Fumio was relieved when he saw that his daughter was okay, but looking at the corpses not far away, Watanabe Fumio's face became very ugly!

"Yumiko, what happened? Did you kill those people?"

asked Fumio Watanabe.

Yumiko shook her head: "No..."

Later, Yumiko told Watanabe Fumio what happened. Watanabe Fumio was so angry that he could not stop being angry, with murderous intent bursting out of his eyes!

“Yumiko, you said that your friends in Daxia saved you and killed these people, but what about them?”

asked Fumio Watanabe.

“Let’s go. When you come, they’ll leave.”

Yumiko said.

Watanabe Fumio didn’t ask any more questions, but said to his men: “Take all the bodies back and find out their identities for me...”

Soon, the body was carried away, and Yumiko was protected and returned home!

Chen Ping and Hu Mazi were hiding not far away, watching everything in front of them!

“Chen Ping, you still call me a big pervert. I think you are not much different from me. You can’t control yourself when you see an island girl, right?”

Hu Mazi looked at Chen Ping with a playful expression and said.

Chapter: 3218

“Where are you thinking? I approached Yumiko Watanabe in order to break into the Watanabe family and disintegrate them from within.”

Chen Ping explained.

“Then why didn’t you agree to go home with that little girl just now? Why did you run away?”

Hu Mazi asked with confusion.

“This is called playing hard to get. If we agree so proactively, Fumio Watanabe will definitely be wary of us.”

“Let’s just wait slowly. I believe Watanabe Fumio will definitely find a way to contact us.”

Chen Ping smiled lightly, as if he was confident!

.....

Watanabe Fumio’s villa!

Looking at the corpses in front of him, Watanabe Fumio’s expression was very ugly!

“How’s it going? Have you found out your identity?”

Watanabe Fumio asked the servant.

“Master, these people have no identities, so it’s impossible to find out...”

The servant shook his head!

“The only one who dares to attack my daughter in Xijing is that guy Watanabe Fumigan. He is already going crazy for the sake of being the head of the family!”

Watanabe Fumio knew very well in his heart that no one except Watanabe Fumigan would dare to do anything to his daughter!

“Master, these people all suffered serious chest injuries and died at the same time. The person who took action must be very powerful.”

The servant analyzed it!

“Well, I heard what Yumiko said. Her Daxia friend just waved his hand, and these killers were all dead. From this point of view, this person is definitely a powerful Wuhou, or even higher!”

“Go and secretly investigate Yumiko’s friend and find out who he is!”

Watanabe Fumio ordered.

The servant nodded, then turned and left!

Just as the servants left, they heard a burst of yelling and cursing from outside, followed by rapid footsteps!

“Damn it, who is going to attack my eldest niece? Those who dare to touch our Watanabe family in Xijing are simply seeking death!”

Chapter: 3219

“If I were to find out, I would have to skin him...”

A middle-aged man wearing samurai uniform and wearing wooden clogs came in cursing!

This person is Fumio Watanabe’s younger brother Fumigan Watanabe!

At this time, there was a young man following behind Watanabe Fumigan. He looked polite, but his eyes always had a bit of coldness!

This young man is Watanabe Taro, the eldest son of Watanabe Fumigan.

Seeing Fumigan Watanabe coming and pretending to be pretentious, Fumio Watanabe felt sick in his heart!

“Brother, have you caught the murderer who killed Yumiko?”

As soon as Watanabe Fumigan entered the door, he asked Watanabe Fumio.

“What’s lying on the ground is...”

Watanabe Fumio pointed to several corpses lying on the ground!

Watanabe Fumigan glanced at the corpses on the ground and was obviously stunned. It was obvious that he didn’t know that these people were dead!

Watanabe Fumio carefully observed the changes in his brother’s expression, his face was a bit cold!

“Brother, have the identities of these people been found out? Who is so bold and dares to attack Yumiko?”

Watanabe Fumigan asked pretending to be very angry.

“The identities of these people have been erased and cannot be found out, but no matter who is behind this, I will definitely find him out.”

Watanabe Fumio said in a cold voice.

Watanabe Fumigan’s eyes evaded, and he nodded quickly and said: “Yes, we must find out. Since Yumiko is fine, then I can rest assured and won’t disturb my brother...”

After Watanabe Fumigan finished speaking, he took his son and left.

As soon as he walked out of Fumio Watanabe's house, Fumigan Watanabe yelled at his son Taro Watanabe: "You bastard, what on earth did you do? Who are you looking for? You are just a bunch of trash."

Taro Watanabe could only lower his head after being scolded. He couldn't understand why he sent so many people but failed to catch Yumiko in the end. Instead, he was killed!

He is still very clear about Yumiko's strength, and there is no way she can do this!

"Dad, maybe there are experts protecting Yumiko, otherwise it wouldn't be like this."

Taro Watanabe explained.

"What do you mean, Watanabe Fumio is already wary and has sent experts to Yumiko?"

Chapter: 3220

Watanabe Fumigan's eyes narrowed slightly.

"Yes, I must have noticed something, so we have to speed up the pace..."

Taro Watanabe nodded.

Watanabe Fumigan thought for a moment, and then said: "Go and find Kazuo Kawaguchi. I want to discuss this matter with him."

Taro Watanabe then left to invite Kazuo Kawaguchi, and Fumigan Watanabe turned to look at Fumio Watanabe's villa with sharp eyes: "Just wait, sooner or later I will live here..."

.....

Xijing, a slightly old tavern!

Chen Ping followed Hu Mazi and sat at a table. In front of them, there was an old man sitting, looking drunk, holding a wine bottle in his hand and pouring wine into his mouth!

Chen Ping looked at the old man and said helplessly: "Master Hu, is this your old friend?"

Hu Mazi nodded: "Yes, that's him!"

"He is like this, drunk as hell and addicted to alcohol. You tell me that he is very powerful, even more powerful than you?"

"You two, one is a lustful person and the other is a drunkard, you two are really good friends!"

Chen Ping smiled bitterly!

Hu Mazi also looked embarrassed. He stepped forward and took the wine bottle from the old man and said, "Old Fan, you have been in the island country for so many years. Have you always been drinking like this?"

Lao Fan raised his eyelids and smiled slightly: "Life is short, why not drink and have fun?"

After saying that, I saw Old Fan sucking lightly, and the wine in the flask that was originally in Hu Mazi's hand was sucked directly into Old Fan's mouth!

Seeing this scene, Chen Ping realized that Hu Mazi was indeed not lying. This old Fan was very powerful!

Because in that scene just now, Chen Ping didn't feel the slightest fluctuation of spiritual energy in Lao Fan's body, not the slightest breath!

But the wine in the jug could escape by itself and be sucked into Old Fan's mouth!

After finishing the bottle of wine, Lao Fan wiped his mouth with satisfaction and said to Hu Mazi: "Lao Hu, forget the money for the drink..."

When Hu Mazi heard this, he puffed his beard and stared in anger: "I came all the way to the island country to find you, and you didn't even entertain me, but you actually asked me to pay you for the drink..."

"I'll do it..." Chen Ping stood up and was about to check out!

When Lao Fan saw it, he immediately smiled: "Thank you so much. Since you are here, I will bring you an extra bottle of wine..."

With that said, Lao Fan asked the waiter to bring another bottle of wine. Chen Ping just smiled lightly and settled the bill!
