

The Order 3231

Chapter: 3231

Watanabe Fumio wants to fight not to send his daughter to the shrine!

But Watanabe Kazuo didn't listen at all, and directly waved his hand and said: "That's it, you all should stand down..."

Everyone stood up and left, and Watanabe Fumio had no choice but to leave!

As soon as he went out, Fumio Watanabe saw Fumigan Watanabe looking at him with a mocking sneer on his face!

"My good brother, I advised you not to send Yumiko to Daxia at first, but you didn't listen. Now it's okay. Yumiko has been sent to the shrine, and you may never see her again in this life."

"My poor niece, she is still so young, so beautiful, playful and tender..."

Watanabe Fumigan had a smile on his face.

Watanabe Fumio glared at Watanabe Fumigan fiercely, and finally could only leave angrily!

He didn't dare to openly attack Watanabe Fumigan, after all, he was still the head of the family, and he was Watanabe Fumigan's brother!

Watanabe Fumio returned home angrily. Seeing this, Tanimoto Kahui hurriedly stepped forward to help Watanabe Fumio change his clothes, and then asked: "Fumio, what made you so angry?"

When Watanabe Fumio told Tanimoto Kahui what happened today, Tanimoto Kahui was stunned in place!

After a while, Tanimoto Kahui said emotionally: “No...impossible, I will never send my daughter to the shrine. If you dare to send your daughter to the shrine, I will die for you...”

When Fumio Watanabe saw this, he quickly hugged his wife distressedly: “I don’t want to either, but is there anything I can do...”

Watanabe Fumio is not willing to give up, but this is Watanabe Kazuo’s order, not to mention it may be an order from the shrine. What ability does Watanabe Fumio have to disobey?

“We can go, the further away the better, you don’t want to be the head of the family anymore...”

Kahui Tanimoto said.

“Go? Where to go? Even if they escape to the ends of the earth, they will find him.”

Watanabe Fumio shook his head!

“I don’t care, I don’t care, I will never let you send your daughter to the shrine anyway...”

Tanimoto Kahui yelled as if he was crazy!

Watanabe Fumio looked helpless, but fortunately there was no set time, so they could delay it and think of a solution!

.....

Three days have passed...

Chen Ping and Hu Mazi drank with Lao Fan every day. They drank to sleep and drank when they woke up!

Chapter: 3232

“Chen Ping, it’s been three days, and you don’t dare to use any of your hard-to-get tactics. And Fumio Watanabe didn’t come to see you either.”

Hu Mazi said listlessly.

Although he drinks and sleeps every day, the environment here is too bad, and more importantly, there are no women at all. If Zhou Jie had followed, Hu Mazi might not be so anxious!

Chen Ping also frowned slightly: “Logically speaking, that shouldn’t be the case. I saved his daughter, why should he thank me in person?”

Chen Ping also felt strange why Fumio Watanabe didn’t come to see him. Since the last time he sent someone to follow and investigate him, there has been no news about the Watanabe family!

I didn’t see Fumio Watanabe sending anyone, which made Chen Ping a little unsure!

“What are you two nagging about? Come over and drink...”

Lao Fan greeted Chen Ping and Hu Mazi!

But neither of them moved this time.

Seeing this, Lao Fan walked over with a wine bottle and said: “Don’t worry, they are already here. They will arrive within ten minutes...”

After Lao Fan finished speaking, he started drinking alone. Chen Ping and Hu Mazi were both a little surprised, wondering if Lao Fan was drunk.

Soon, a few minutes later, outside Lao Fan's shabby house, Watanabe Fumio came carrying gifts and Yumiko!

"Watanabe Fumio, take your daughter to meet Mr. Fan..."

Watanabe Fumio shouted outside very politely!

"come in....."

Lao Fan closed his eyes slightly and said calmly.

At this time, both Chen Ping and Hu Mazi were a little confused. They didn't understand how this old fan knew that Fumio Watanabe would come?

Watanabe Fumio took Yumiko into the shabby house, then took out a bottle of wine and placed it in front of Lao Fan.

"Master Fan, this is for you..."

Watanabe Fumio said very politely.

But Old Fan didn't even look at it, and slowly said: "No reward for no merit, if you ask me to kill someone, just put the money into my account..."

Watanabe Fumio suddenly looked embarrassed. How could he have tens of billions of dollars to find Lao Fan to kill him?

"Chen Ping, thank you so much for the past two days. If it weren't for you, I would have been arrested..."

Yumiko stepped forward and said to Chen Ping happily.

Chapter: 3233

“It’s just a little effort.” Chen Ping smiled lightly!

“Mr. Chen, thank you for saving my little girl. I was a little busy the past two days, so I am thanking you now.”

Watanabe Fumio stepped forward and followed Chen Ping very politely.

“I told you, it’s just a matter of effort.”

Chen Pingping faced Fumio Watanabe with a calm look on his face!

This made Fumio Watanabe a little confused. If Chen Ping was here for revenge, why could he act so calmly when he saw him? There was no trace of concealment in his eyes!

“Are you tired? You have something to talk about.”

“Watanabe Fumio, I don’t believe you found this place just to thank Chen Ping...”

Lao Fan asked impatiently.

At this time, Watanabe Fumio was asked and he didn’t know what to say.

After hesitating for a moment, Watanabe Fumio said: “Mr. Chen, I know your purpose of coming to the island country this time, but there is one thing I hope to explain to you clearly. The people who have been chasing you, although we are crossing It belongs to the Bian family, but it was all caused by my brother Watanabe Fumigan.”

“I didn’t know about this at all, including this time I took action against Daxia officials. I was always kept in the dark. After I learned about this, I immediately sent someone to apologize and explain the situation. !”

“I have no intention of going against Daxia officials, nor do I want to go against Mr. Chen. I hope Mr. Chen can understand...”

Watanabe Fumio looked sincere, he was very afraid that Chen Ping would not believe him!

But just after Watanabe Fumio finished speaking, Chen Ping smiled lightly and said: “Master Watanabe, I already understand what you said. As the saying goes, every injustice has its owner, and every debt has its owner. I will not count this matter against you.” head. ”

“Mr. Chen actually already knows?” Watanabe Fumio couldn’t help but be stunned. He didn’t understand how Chen Ping knew. After all, only Watanabe’s top brass knew these things.

“Then Kazuo Kawaguchi has told me that since I can let him come back from Daxia alive, there must be a reason.”

Chen Ping said calmly.

When Fumio Watanabe heard this, he breathed a heavy sigh of relief. Since Chen Ping already knew it, he didn’t have to worry anymore.

“And I also know that the general election of the Watanabe family is coming soon. You two brothers are competing for the position of the head of the family. If I kill Watanabe Fumigan now, will you be the biggest beneficiary?”

Since Watanabe Fumio chose to tell the truth, Chen Ping didn’t intend to hide it. He wanted to see if he could get some resources from the Watanabe family!

After all, Watanabe Fumio now also wants to let Watanabe Fumigan die. The two people have the same goal.

But who knows, after hearing this, Watanabe Fumio lamented: “Actually, the position of the head of the family is no longer important to me. I just hope that my daughter can live happily...”

Watanabe Fumio told the story about Yumiko being sent to the shrine, and Yumiko was stunned as she listened!

Chapter: 3234

“Master Watanabe, do you want me to take Yumiko away?”

Chen Ping asked puzzledly.

Watanabe Fumio nodded: “Yes, because only in this way can Yumiko live a stable life. I know Mr. Chen’s influence in Daxia. As for killing Watanabe Fumigan, I will help Mr. Chen complete it.”

“Then if you, the head of the Watanabe family, can’t do it, your life will be threatened, right? After all, who of you dares to disobey the shrine’s order?”

Chen Ping asked.

“For Yumiko, this is the only way. As long as Yumiko can live happily.”

Watanabe Fumio’s eyes are full of determination and love, the kind of love of a father who would sacrifice everything for his children!

He made this decision after discussing it with his wife Tanimoto Kahui, because only in this way could Yumiko escape!

“No... no...” Yumiko cried bitterly and threw herself at Watanabe Fumio: “Dad, I won’t leave, I won’t go anywhere, I want to be with you...”

“Yumiko, listen to me. You don’t know what you will suffer if you are sent to the shrine. You are still young now. You will understand in the future. If you follow Mr. Chen, I believe that Mr. Chen will protect you... ..”

After saying that, Fumio Watanabe looked at Chen Ping and said: "Of course I won't let Mr. Chen's help go in vain. Our Watanabe family will donate a number of resources to the shrine. I plan to give all of these to Mr. Chen as a reward..."

This time, Chen Ping was a little confused. He originally came to destroy the Watanabe family, but now he has become like this.

Do we really want to go back with Yumiko and a batch of resources?

You can't explain why you suddenly brought back a beauty from an island country?

But just when Chen Ping was at a loss and didn't know how to answer Fumio Watanabe, Lao Fan on the side spoke: "Old Watanabe, don't show off your father-daughter relationship here and play the emotional card. Tell me about your other methods..."

After hearing what Lao Fan said, Watanabe Fumio's face instantly turned red with embarrassment.

"Master Fan, I do have another way..."

Watanabe Fumio could only smile awkwardly.

"The head of the Watanabe family said he would come and take a look..."

Chen Ping asked.

"That is, I hope Mr. Chen will take action and kill Watanabe Fumio and also Watanabe Kazuo. As long as these people are dead, the entire Watanabe family will be under my control."

"Of course Mr. Chen's remuneration will definitely be very generous."

Watanabe Fumio said.

“But in this case, you still have to obey the shrine’s orders.”

Chapter: 3235

“Yumiko was sent away just like that.”

Chen Ping asked puzzledly.

Watanabe Fumio shook his head: “When the Watanabe family is under my control, the shrine will not be able to give up the entire Watanabe family for my daughter.”

“And sending my daughter to the shrine was probably Watanabe Kazuo’s own idea. As long as he dies, no one will pursue this matter.”

Upon hearing this, Chen Ping continued to ask: “You can do it yourself. After all, you are still the head of the Watanabe family. Why do you still pay me to do it?”

“Because he doesn’t have that strength. The samurai Chishimagawa next to Kazuo Watanabe, even if Fumio Watanabe brings all the masters, he may not be his opponent.”

Watanabe Fumio didn’t say anything, but Lao Fan on the side opened his mouth to explain.

“Master Fan is right. Qiandaochuan is a famous kendo master. No one knows his true strength, so...”

Watanabe Fumio smiled awkwardly!

“Then you are sure that I can beat the Qiandao River?” Chen Ping asked doubtfully.

After all, Watanabe Fumio doesn’t know his own strength, so how can he guarantee that he can defeat the Chishima River?

If he fails, won't he also suffer?

Watanabe Fumio did not speak, but looked at Lao Fan aside.

The meaning is very obvious. If Chen Ping is not his opponent, then let Lao Fan take action. After all, Lao Fan and Chen Ping are friends!

And Chen Ping also instantly understood what Watanabe Fumio meant. He wanted to use himself to invite Lao Fan to take action!

"Ten billion U.S. dollars, whoever you want me to kill, I will kill..."

Lao Fan saw Watanabe Fumio looking at him and said slowly.

Watanabe Fumio looked embarrassed: "Master Fan, I really can't afford tens of billions of dollars, but I will try my best to give everything I can. You and Mr. Chen are friends, I hope..."

"Stop it, friends are friends and business is business. They can't be confused. If you can't bring it up, then let's not talk about it."

Lao Fan showed no respect at all, which made Fumio Watanabe very embarrassed!

But after Lao Fan finished speaking, he continued: "If you have no money, there is another way..."

"What can I do?" Watanabe Fumio asked happily.

Because in his opinion, the only master he could find was Lao Fan who could follow the Chishima River to fight, so Fumio Watanabe must invite Lao Fan if he has a way!

“I heard that you have a ten-thousand-year-old Fuji snowdrop in your hand. If you hand over this thing, I might consider it!”

Chapter: 3236

Lao Fan said calmly.

This sentence made Fumio Watanabe instantly stunned on the spot!

Because no one knew about his possession of the Ten Thousand Years Snow Lotus, not even the upper echelons of the Watanabe family or even the shrine.

Otherwise, this snow lotus would have been required to be handed over to the shrine.

But how did Lao Fan know about such a confidential matter?

Watanabe Fumio was very puzzled, but since Lao Fan said it, he must know for sure!

“Master Fan, actually... Actually, the snow lotus has dried up long ago. It is just a specimen and has no value anymore.”

Fumio Watanabe explained.

“I don’t care if it’s valuable or not, I just ask you if you are willing to take it out?”

Lao Fan asked, staring at Fumio Watanabe.

“This...” Watanabe Fumio hesitated, then looked at Yumiko, and finally gritted his teeth and said: “Okay, I am willing to take it out, as long as Mr. Fan can kill the Chishima River.”

“Hahaha, don’t worry, Qiandaochuan is dead...”

When Lao Fan heard this, he burst into laughter!

Chen Ping and the others followed Fumio Watanabe to the Watanabe family's villa. You must know that this is where the head of the Watanabe family lives, and it is the core location!

But now Chen Ping is here. If Watanabe Fumigan finds out, he will probably be angry to death!

“Watanabe Fumio, show us everything you promised. We have to see your sincerity. If you are sincere, let alone Watanabe Kazuo, even if you destroy the Chizuru Shrine, it is not impossible. of..... ”

Old Fan said matter-of-factly.

When Watanabe Fumio heard this, he nodded repeatedly, ordered people to bring a lot of resources, and he went to the bedroom. After a while, he came out with a transparent glass box!

Inside the glass box, there was indeed a snow lotus, but the snow lotus had dried up and no aura could be felt at all!

Lao Fan took the snow lotus, his eyes widened, and he smiled lightly and said: “This is a good thing...”

Lao Fan carefully put away the snow lotus, and then said to Fumio Watanabe: “Okay, arrange a place for us, and you don't have to worry about the Watanabe family.”

Seeing this, Watanabe Fumio nodded quickly and offered the largest villa for Lao Fan and Chen Ping to live in!

“Old Fan, this snow lotus is like this, what do you want with it?”

Hu Mazi asked Lao Fan very puzzledly.

Chapter: 3237

“What do you know? I have a way to bring this snowdrop back to life.”

As Lao Fan spoke, he gently opened the glass box, then took out a bottle of wine from his waist and poured it in directly!

Hu Mazi and Chen Ping all looked confused. Wouldn't this old fan come to the bar with the Wannian Snow Lotus?

But soon, a magical scene happened. As the snowdrops were soaked in wine, the snowdrops began to slowly come to life, and their color slowly became brighter!

Immediately afterwards, a large amount of spiritual energy began to spread in the room, and a gentle breath made people feel relaxed and happy!

Seeing this, Hu Mazi and Chen Ping were filled with envy. If they could refine these thousand-year-old snow lotus flowers into elixirs, they would be able to increase their strength to a very high level.

If it were Chen Ping, he would probably be able to break through to the Martial Saint, but this snow lotus belongs to Lao Fan, so they can't snatch it away!

"Old Fan, now that you have taken someone else's things, are you sure you can kill Qiandaochuan?"

Hu Mazi asked Lao Fan.

Lao Fan shook his head: "I'm not sure..."

Hu Mazi was stunned: "You are not sure, so how dare you brag and destroy all the shrines? Are you bragging too much?"

"I'm not bragging, I'm not sure, but someone is sure!"

Lao Fan said.

“who?”

Lao Fan pointed at Chen Ping: “He, he can definitely defeat the Qiandao River, and with his strength, even if he destroys the shrine, it shouldn’t be a problem.”

“Me?” Chen Ping was stunned: “I am not as strong as Da Wuhou now, and I am not as powerful as you said.”

“Soon you will reach the level of Martial Saint.”

As Lao Fan said, he threw the Ten Thousand Years Snow Lotus directly to Chen Ping: “I’ll give you this and add other resources. I think you will be able to break through. When you break through to the Martial Saint, what about the Watanabe family?” , Qianzuru Shrine is just a floating cloud in your eyes.”

“Give me?”

Chen Ping’s eyes widened in disbelief. He didn’t expect that Lao Fan would give him such an expensive thing.

“You pay for my drink, and I give you this, so it’s even.”

“Besides, this thing is useless in my hand...”

Lao Fan smiled lightly.

Chen Ping didn’t understand what Lao Fan meant, but he saw Lao Fan suddenly taking action against Chen Ping, and Chen Ping hurriedly took action too!

Chapter: 3238

When the two people touched their palms, Chen Ping’s eyes showed surprise!

Because he discovered that there was a forbidden power in Lao Fan's body, which seemed to be controlling his strength!

Moreover, Lao Fan's strength is not as high as he imagined. He is currently only a sixth-grade Dawuhou at most.

How could this kind of strength scare so many people?

Seeing Chen Ping like that, Lao Fan smiled slightly and said: "Back then, I killed all the killers in Xijing, which caused a sensation. However, it also attracted a master from the island country to come forward and directly abolished my cultivation level, leaving only that of Da Wuhou. Realm, and also has the power of taboo."

"No matter how I practice, I can't increase my cultivation level at all. So I can only increase the assassination reward to tens of billions of dollars, just to prevent people from looking for me."

"With my current strength, it is no longer possible for me to assassinate people. I have been relying on my previous fame for these years."

"The reason why I agreed to Watanabe Fumio is because I know that you are quite capable, and Watanabe Fumio's Ten Thousand Years Snow Lotus can also be of great help to you."

Lao Fan's words made Chen Ping feel sad. It turned out that it was because of him that Lao Fan deceived Fumio Watanabe from the beginning.

"Mr. Fan, don't worry, I will find a way to break the taboo power in your body."

Chen Ping said firmly.

But Lao Fan waved his hand: "No, I'm fine just like this. I've long since stopped pursuing strength. It's more comfortable to drink and have fun."

Hu Mazi looked at Lao Fan. He didn't expect that his old friend would have such an experience!

Chen Ping made the elixir from the thousand-year-old snow lotus and some resources, and then swallowed it in one gulp!

A stream of strong spiritual energy is constantly circulating!

A week later, large dark clouds suddenly appeared over Watanabe Fumio's villa, covering the entire sky.

This sudden vision caused many people to stop and watch, and Fumio Watanabe even raised his head with a solemn look on his face!

Suddenly a vision comes from the sky, which may be detrimental to their family!

Only Hu Mazi and Lao Fan had excited faces!

"I really didn't expect that this kid Chen Ping would break through so quickly..."

Lao Fan said slowly.

"Golden Dragon True Body, this kind of bloodline is no joke. Let's stay away, lest we get hit by thunder and belch in an instant."

Hu Mazi said and hurriedly left the villa!

Lao Fan was also behind Hu Mazi, hiding from a distance!

Chapter: 3239

Rumble.....

The billowing black clouds are getting lower and lower, and accompanied by the rumbling thunder, it seems to cover the entire Watanabe Fumio family villa.

“Dad, what on earth is going on? I’m afraid...”

Yumiko looked at the scene in front of her in shock and couldn’t help but hide behind Fumio Watanabe!

Kahui Tanimoto also looked pale, clutching the corner of Fumio Watanabe’s clothes tightly!

At this moment, Watanabe Fumio himself looked shocked, but because his wife and daughter were there, he could only try to stay calm!

Click!

Suddenly, a bolt of lightning flashed across instantly and hit the villa where Chen Ping was!

Rumble.....

Under this flash of lightning, the villa collapsed instantly!

“ah.....”

Yumiko was so frightened that she screamed and kept retreating!

Watanabe Fumio also hurriedly pulled his wife back. Looking at the originally intact villa, which was now in ruins, Watanabe Fumio felt a little uncomfortable in his heart!

At this time, Watanabe Fumio saw Lao Fan and Hu Mazi running over, and quickly asked: “Master Fan, what happened? How could this happen?”

“Watanabe Fumio, your family will be lucky in the future, and the gods will come...”

Lao Fan said with a hint of fun.

“A god from heaven?”

Watanabe Fumio was stunned for a moment, but soon a surprise flashed across his face!

Click.....

Another bolt of lightning came down instantly, hitting the place just now!

At the moment when the lightning struck, Chen Ping’s body was emitting a faint golden light and slowly rose up!

Lightning struck Chen Ping’s body. Chen Ping’s body seemed to have received an electric shock, and bursts of burning smell came out!

“this.....”

Watanabe Fumio couldn’t help but widen his eyes when he saw this scene.

Chapter: 3240

“Chen Ping...”

Yumiko shouted involuntarily!

But Chen Ping didn’t seem to hear it, his eyes were closed tightly, his body was emitting golden light, and he was floating in the air motionless!

Click...

Rumble.....

The sky thunder continued to bombard Chen Ping's body!

Lao Fan looked at Chen Ping in mid-air and couldn't help but sigh: "I have never seen anyone who has just been promoted to the out-of-body realm make such a movement and suffer such a thunder disaster..."

Hu Mazi couldn't help but marvel: "This time Chen Ping is promoted, I am afraid that no one in the entire secular world will be his opponent anymore."

Watanabe Fumio was also confused when he listened to the conversation between the two people!

Because he doesn't understand what the out-of-body realm is at all, let alone the secular world. In their eyes, there is only the martial arts world, and they don't know that there are immortal cultivators and the existence of secret realms in this world!

Rumble.....

The thunder continued to fall. Yumiko watched nervously, with sweat on her forehead and clenched fists. She must be worried about Chen Ping!

When the ninth thunder struck down, the black clouds in the sky began to drift away.

The bright sunshine returned to the earth, and Chen Ping's body was slowly landing!

"This...could this Chen Ping be the god that Master Fan mentioned?"

Watanabe Fumio looked up at Chen Ping, his face full of disbelief!

“Yes, go and greet your gods...”

Lao Fan nodded!

Watanabe Fumio quickly took his wife and daughter and headed towards Chen Ping!

Hu Mazi followed Lao Fan and walked over!

“Chen Ping, you...you made a breakthrough?”

Hu Mazi asked happily.

Chen Ping nodded, feeling the aura of qualitative change in his body. Chen Ping did not expect that an improvement in a major realm would improve his strength so much!

At this moment, Chen Ping’s body is like jade, emitting a faint cyan light. Even without activating the indestructible golden body, Chen Ping’s current physical body can still resist the attack of the Martial Saint!
