

## **The Order 3241**

Chapter: 3241

“Mr. Chen, you...you turned out to be a god. It was me who was ignorant and neglected Mr. Chen.”

Watanabe Fumio hurriedly stepped forward to apologize!

If you knew that Chen Ping was a god, you would have to enshrine Chen Ping.

“God?” Chen Ping was stunned, not understanding what Fumio Watanabe said!

Seeing this, Hu Mazi hurriedly explained to Chen Ping. Only then did Chen Ping realize that it was Lao Fan who was responsible!

You must know that the people of the island country believe in gods very much.

“Master Watanabe, you can take me to Fumigan Watanabe now.”

Chen Ping had just been promoted, so he couldn't wait to find someone to really use it.

“Okay!” Watanabe Fumio nodded repeatedly...

.....

Watanabe Bungan Villa!

It's not far from Watanabe Fumio's villa, only a few miles away.

At this time, Watanabe Fumigan and his son Watanabe Taro were looking in the direction of Watanabe Fumio's villa.

"Father, what happened when we just arrived? Is it going to rain heavily?"

Taro Watanabe asked very puzzledly.

Watanabe Fumigan also frowned slightly, with a puzzled look on his face: "It shouldn't be, and I haven't heard that there will be a heavy rain. How could the weather suddenly change?"

"Don't worry about it. Get ready quickly and go to your great-grandfather's place. The election is coming soon. This time I must take the position of the head of the family."

Watanabe Fumigan walked back to the room.

But not long after Watanabe Fumigan returned to the room, Watanabe Fumio came with Chen Ping!

Looking at the door in front of him, Chen Ping kicked it over, and the pure copper door was instantly smashed into pieces!

Hearing the noise, the guards of Watanabe Fumiganshi's house rushed out with samurai swords, and dozens of people directly surrounded Chen Ping!

Watanabe Fumigan also walked out of the room angrily!

When he saw that it was Fumio Watanabe who was leading a young man, he couldn't help but frown!

"Brother, what do you mean? Are you bringing someone to break down my door?"

Chapter: 3242

Watanabe Fumigan asked Watanabe Fumio.

“I’m not here to break down your door, I’m here to find you. Haven’t you always wanted to avenge your son? Your enemy is right in front of you.”

Watanabe Fumio pointed at Chen Ping and said.

Watanabe Fumigan was stunned for a moment, then looked at Chen Ping, frowned and said, “Is he Chen Ping?”

Chen Ping nodded: “Yes, I am Chen Ping, and I was the one who killed Ichiro Watanabe.”

“Impossible, then Chen Ping was killed by Kazuo Kawaguchi a long time ago, how could you still be alive?”

Watanabe Fumigan didn’t believe it at all!

Chen Ping smiled lightly: “If you don’t believe it, you can call Kazuo Kawaguchi and ask. Will it be clear soon?”

“Kawaguchi Kazuo is like that. Is he worthy of killing me?”

Chen Ping’s words made Watanabe Fumigan’s face look a little ugly, and then he winked at Taro Watanabe, intending to ask Taro Watanabe to call Kazuo Kawaguchi to confirm!

However, Taro Watanabe called for a long time, but Kazuo Kawaguchi did not answer. At this time, Fumigan Watanabe narrowed his eyes slightly and began to believe it.

“Brother, as the head of the Watanabe family, why do you collude with your enemies? Don’t you know that he is the murderer of Ichiro?”

Watanabe Fumigan asked Watanabe Fumio.

But who would have thought that Fumio Watanabe smiled coldly: “Fumian, you don’t have to say anything. In order to compete with me for the head of the family, what can’t you do? Now the brotherhood between you and me is broken!”

“You colluded with that old man Kazuo Watanabe and deliberately wanted to send Yumiko to the shrine. I will never agree to it.”

When Watanabe Fumigan heard this, he couldn’t help but sneered: “Watanabe Fumio, do you think you can resist grandpa’s orders by colluding with this Chen Ping? What you did today saved me a lot of trouble...”

“Go ahead and kill this kid...”

Watanabe Fumigan waved his hand, and dozens of guards immediately rushed toward Chen Ping.

“Stop, I am still the head of the Watanabe family, all of you, please step aside...”

Watanabe Fumio’s words frightened all the guards to stop!

After all, they are all servants of the Watanabe family, and they dare not disobey the master of the family.

“Do it, I’ll let you do it...”

Watanabe Fumigan roared angrily, but those people did not dare to move at all!

You must know that the hierarchy of the island country is very strict. Now Fumio Watanabe is still the head of the Watanabe family, and they have to listen to the head of the family!

Chapter: 3243

When Watanabe Fumigan saw this, he got angry and cursed, but there was nothing he could do!

“Watanabe Fumigan, you are dead today...”

Chen Ping looked at him coldly and walked slowly towards Watanabe Fumigan!

Upon seeing this, Watanabe Fumigan pulled Watanabe Taro and kept retreating, until he retreated into the room!

Bang.....

Suddenly, there was a loud noise in front of Chen Ping, followed by a puff of white smoke!

Chen Ping waved his hand and the white smoke dissipated, but Fumigan Watanabe and Taro Watanabe were nowhere to be seen!

“It’s broken. He escaped through a secret passage in his villa...”

When Fumio Watanabe saw this, he couldn’t help but frown!

“Don’t worry, they can’t escape...”

Chen Ping closed his eyes slightly, and his consciousness instantly enveloped several kilometers in radius!

Soon the whereabouts of Watanabe Fumigan and Watanabe Taro were captured by Chen Ping.

“Walk.....”

Chen Ping said something, and his figure disappeared in an instant!

When Fumio Watanabe saw this, he hurriedly chased after him!

Following Watanabe Fumigan's aura, Chen Ping chased towards the foot of Mount Fuji!

.....

Kazuo Watanabe's cabin at the foot of Mount Fuji!

At this time, a large number of warriors gathered outside the hut!

Kazuo Watanabe was in the hut, having a meeting with many members of the Watanabe family!

"Fumio has been silent for the past few days. I don't think he will send his daughter to the shrine."

An elder from the side clan said.

"Yes, I also heard that Fumio Watanabe has been secretly contacting Daxia. It seems that he wants to get help from Daxia and his family has moved to Daxia."

"I also heard that Fumio Watanabe found the killer Mr. Fan and wanted to spend tens of billions of dollars to kill him!"

Chapter: 3244

Some of the subordinates began to speak cautiously. Watanabe Kazuo didn't say a word, but his wrinkled face was already filled with anger!

"Huh, I really thought that since I was old, he wouldn't have to listen to me if I didn't ask about family affairs."

Kazuo Watanabe snorted!

At this moment, the door was suddenly knocked open, and Watanabe Fumigan and Watanabe Taro rushed in in a panic.

Seeing that it was Watanabe Fumigan who was still so panicked, Watanabe Kazuo frowned and said: "You bastard, big or small, can you break into this place casually?"

"Grandpa, save me, grandpa, save me. Big brother came here with Chen Ping. He wanted to kill me. He also said that he would kill grandpa too."

Watanabe Fumigan shouted to Watanabe Kazuo!

"What?" Watanabe Kazuo stood up suddenly!

Others also exclaimed in shock. Unexpectedly, Watanabe Fumio would openly hunt down his own brother!

"Then who is Chen Ping?"

At this time, someone asked Watanabe Fumigan.

"That's the guy who killed my son Ichiro Watanabe. I heard he was very powerful."

Watanabe Fumigan explained.

"A native of Daxia? It seems that Watanabe Fumio is really determined to follow Daxia..."

Hearing this, Watanabe Kazuo became even more angry!

Qiandaochuan, who had been closing his eyes slightly, slowly opened his eyes: “No matter who dares to come here to cause trouble, they will die...”

Qiandaoguan held a katana in his hand, stood up slowly, and looked out the window with sharp eyes!

“With Master Chishimagawa here, does Watanabe Fumio really have the guts to chase him here?”

A senior executive said.

“Come on, come with me and see. I want to kill this traitor.”

Kazuo Watanabe said slowly.

Upon seeing this, Watanabe Fumigan and Watanabe Taro hurried forward and helped Watanabe Kazuo towards the outside!

At this time, Chen Ping and Watanabe Fumio were chasing closely!

But when Fumio Watanabe saw the direction of the pursuit, there was a bit of panic in his eyes!

Chapter: 3245

“Mr. Chen, should we...should we wait for Mr. Fan? The ancestral house of our Watanabe family is in front of us. It is where Kazuo Watanabe lives. The Qiandao River must be there. I’m afraid...”

Watanabe Fumio was afraid that Chen Ping himself would not be able to deal with Qiandaokawa!

Although Chen Ping was struck by thunder today, Fumio Watanabe was still a little worried without really seeing Chen Ping’s strength!

After all, if this fails, no one in their family will survive!

“If you are afraid, you can go back. When I kill them all, I will notify you...”

Chen Ping kept walking, still heading towards the foot of Mount Fuji!

When Fumio Watanabe saw this, he could only bite the bullet and follow him!

Soon, Chen Ping arrived in front of the wooden house at the foot of Mount Fuji. Looking at the hundreds of samurai in front of the wooden house, as well as Kazuo Watanabe and others, Chen Ping stopped!

Kazuo Watanabe looked at Fumio Watanabe and Chen Ping coldly, and shouted angrily: “Fumio Watanabe, you, the scum of the Watanabe family, actually colluded with Daxia people to kill your own brother, you deserve to die...”

Although Kazuo Watanabe is young, his voice is as loud as a bell.

Watanabe Fumio didn't dare to speak, and he didn't know how to refute. If they hadn't forced him to send his daughter to the shrine, Watanabe Fumio wouldn't be where he is now!

As Kazuo Watanabe shouted angrily, hundreds of samurai surrounded Chen Ping and Fumio Watanabe.

Although these people are also members of the Watanabe family, they are just not listening to Watanabe Fumio. These people are samurai from side families and will not listen to Watanabe Fumio at all.

“Watanabe Fumio, you are a shame to our Watanabe family. If I don't kill you today, I will be sorry to all the ancestors of my Watanabe family...”

“Watanabe Fumio, you are a beast, worse than a pig or a dog...”

.....

Some members of the Watanabe family yelled at Fumio Watanabe, and Fumigan Watanabe couldn't be happier when he saw this situation.

“Stop talking nonsense to him, kill them...”

Kazuo Watanabe said coldly.

As soon as the words fell, hundreds of warriors rushed towards Chen Ping and Fumio Watanabe!

Watanabe Fumio's face suddenly turned pale, and he exerted the energy in his body to the extreme!

Chen Ping, on the other hand, faced hundreds of warriors with eyes full of indifference and disdain!

Even when he was not promoted to Martial Saint, he was not afraid of these warriors!

What's more, Chen Ping has now been promoted to Martial Saint!

Chapter: 3246

“Hmph, a bunch of ants...”

Chen Ping snorted coldly, used his hand as a knife, and swung it lightly!

A bright ray of light shot out from the hand in an instant. Driven by the huge spiritual power, the light began to skyrocket, suddenly becoming several feet long, and then slashed down in the air!

The light instantly drew a blade more than ten meters long in the void!

The blade was so sharp that it instantly cut off dozens of warriors rushing in front!

“ah.....”

There was a mass of screams!

The smell of blood mixed with all kinds of unpleasant smells makes people sick!

But instead of being cut off by Lazy Yao, the warrior who rushed behind failed to stop himself in time and kept tripping over the corpses in front of him!

For a time, many warriors were covered in blood and internal organs!

This terrifying scene made all the warriors seem to have suffered a heavy blow, and they were all frightened!

At this moment, even Kazuo Watanabe and the associates of the Watanabe family were stunned, with expressions of disbelief on their faces!

Especially Fumio Watanabe, who was next to Chen Ping, opened his mouth wide and stared at Chen Ping blankly.

“Using Qi as a sword seems to be a bit pointless. It’s not as powerful as the Dragon-Slaying Sword...”

As he spoke, the Dragon-Slaying Sword suddenly appeared in Chen Ping’s right hand!

The dragon-slaying sword emitted bursts of green light, and the terrifying pressure instantly pushed the panicked warriors to the ground one after another. Some warriors knelt down on one knee, not wanting to fall on the ground full of blood and internal organs!

Chen Ping held the dragon-slaying sword and swung forward suddenly. The green sword light instantly brought up afterimages in the air. The whole void seemed to be cut off. Air explosions continued to sound, and the remaining dozens of warriors, They all died under this sword!

Two moves, just two moves!

Hundreds of warriors were lying in a pool of blood at this moment, not breathing!

You must know that these warriors are not ordinary people, they are all elites of the Watanabe family, but in front of Chen Ping, they were killed like melons and vegetables.

Hundreds of people just disappeared, and the smell of blood in the air stimulated everyone's brain!

Kazuo Watanabe's old body was trembling constantly, and he had long lost his composure!

And Watanabe Fumigishi and his son were so scared that they almost peed their pants!

Qiandaochuan's pupils shrank, and he looked at Chen Ping as if facing a formidable enemy, with one hand tightly holding his worn-out samurai sword.

Chapter: 3247

"Chen...Mr. Chen...no...Master, please kill the people here to save my life and my little girl's life..."

Watanabe Fumio knelt down at Chen Ping's feet, with a look of respect and admiration on his face, and knocked his head tightly to the ground.

At this moment, in Watanabe Fumio's heart, Chen Ping is already a real god and their master!

Seeing what Fumio Watanabe did, Kazuo Watanabe and other people from his side were all furious.

"Qiandao, kill this kid, and chop that traitor Fumio Watanabe into pieces with a thousand swords..."

Kazuo Watanabe said with red eyes.

After hearing this, Qiandaochuan slowly pulled out the simple samurai sword in his hand and threw away the scabbard in his hand. Qiandaochuan held the sword in both hands with a solemn face!

Seeing Chen Ping kill hundreds of warriors with his own eyes, Qiandaochuan did not dare to be careless in the slightest!

Although the katana of Qiandaoguan River is simple and old, the moment the blade comes out of the body, there are still waves of chills!

There is an inseparable reason why Chishimagawa can rise to the rank of swordsman master and follow him with this katana!

This samurai sword cuts iron like clay and is extremely sharp!

brush.....

Qiandaoguan gently waved his katana in the air, and instantly a white sword was slashed out. The sword's light was like a rainbow shining through the sun. A huge boulder at the foot of the mountain not far away was instantly shattered in the sword's light. !

Others were chilled by the cold sword light...

Feeling the aura of the katana in Chishimagawa's hand, those in the Watanabe family felt a little more at ease, especially Kazuo Watanabe.

"Watanabe Fumio, you, a traitor to the Watanabe family, actually colluded with Daxia people to attack your own relatives."

"Today is the day you die, including your family and your daughter..."

Kazuo Watanabe looked at Fumio Watanabe with vicious eyes.

When Fumio Watanabe saw Kazuo Watanabe mentioning his family, the corners of his eyes began to twitch.

“Please master, please kill everyone...”

Watanabe Fumio knelt in front of Chen Ping and begged.

“good.....”

Chen Ping looked down at Fumio Watanabe and said a word of good!

As soon as the word “good” came out of his mouth, Chen Ping’s dragon-slaying sword instantly burst out with sword energy. The sword energy moved horizontally and headed towards Watanabe Kazuo and others!

Chapter: 3248

Seeing this scene, Watanabe Kazuo and others turned pale with fright, and kept hiding behind Qiandaoguan!

Qiandaoguan frowned and swung the katana in his hand vigorously!

A silver blade exploded instantly and collided directly with Chen Ping’s sword light!

boom.....

With a loud noise, the sword light was directly chopped into pieces, and the burst of energy began to shoot out in all directions. The warriors who were already dead were now injured by the burst of energy, and their bodies were smashed into pieces. .

The scene became more cruel and bloody!

But when Kazuo Watanabe and others saw this, they all became happy.

Qiandaochuan easily blocked Chen Ping's blow, which made them instantly confident.

They even began to consider how to torture Chen Ping and follow Fumio Watanabe.

However, none of these people noticed that Qiandaoguan's hands holding the katana tightly were trembling slightly at the moment!

Qiandaoguan's face was very solemn. His sword was not as simple as Watanabe Kazuo and the others saw.

Thought Qiandaochuan tried his best from the beginning, because facing Chen Ping, he did not dare to be careless in the slightest!

"You protect the old man and leave first..."

Just when Watanabe Kazuo and the others were full of confidence and very happy, Chishimagawa spoke!

Qiandaochuan's words instantly stunned everyone.

"Master Qiandao, why do we take grandpa away first? Can't you beat that Chen Ping?"

"Yes, as soon as Master Qiandao takes action, Chen Ping will be killed. We will watch them die tragically with our own eyes."

"Then Chen Ping killed so many of us, we must not let him go."

These people from the Watanabe family were shouting!

It seemed that they didn't want to leave at all, but wanted to watch how Chen Ping and Watanabe Fumio died.

Seeing the idiots of the Watanabe family, Qiandaochuan began to plan how to escape. If he lost to Chen Ping, he would escape by himself and no longer care about these idiots of the Watanabe family.

"Master Qiandao, I believe in you, so I can't go anywhere. This is my place..."

After Kazuo Watanabe finished speaking, someone actually brought a chair and sat down on it!

Seeing this, Qiandaochuan could only be speechless for a while...

Chapter: 3249

As the saying goes, these are the people who are ignorant and fearless.

At this time, Chen Ping, after following Qiandaochuan's moves, instantly understood the strength of Qiandaochuan!

If he had encountered the Thousand Island River two days ago, Chen Ping would not have much confidence!

But at this time, Chen Ping had already entered the realm of martial saint. If he wanted to deal with Qiandaochuan, he just had to catch it easily!

"With your strength, you must be a well-known figure in Daxia. I hope you can return to your lost ways and not interfere in the affairs of the Watanabe family."

"If you have any misunderstandings with the Watanabe family, I am willing to apologize on behalf of the Watanabe family."

Qiandaochuan lowered his posture and spoke to Chen Ping.

“Master Qiandao, what do you mean? As an island citizen, how can you apologize like a Daxia person?”

“They are not worthy at all, they are just a bunch of sick men...”

When Kazuo Watanabe saw that Qiandaochuan was so polite to Chen Ping, he suddenly said angrily.

Kazuo Watanabe dislikes Daxia people the most and is very stubborn.

Qiandaochuan glanced at Kazuo Watanabe and wanted to say something, but he didn't say it.

But after Chen Ping heard Kazuo Watanabe's words, a terrifying murderous intention instantly burst out from his body!

“If you can block one of my moves, I can spare your life.”

“And these people must die...”

Chen Ping's cold eyes swept across those members of the Watanabe family. These people had been sentenced to death by Chen Ping!

“good!”

Qiandaochuan nodded.

As long as he blocks one move, Qiandaochuan will leave without hesitation.

Seeing Chishimagawa agreeing, Watanabe Kazuo and those in the Watanabe family were all stunned.

Before they could react, Chen Ping raised the Dragon-Slaying Sword high, and the Dragon-Slaying Sword was faintly glowing with cyan light!

“cut.....”

The sword energy roared, and a golden dragon rose into the sky, letting out dragon roars one after another, and the terrifying aura headed towards the Qiandao River!

“broken.....”

Chapter: 3250

Qiandaochuan's face changed wildly when he saw this. He didn't expect that Chen Ping's seemingly ordinary sword actually contained such huge energy, especially the golden dragon transformed by the sword energy, which seemed to swallow everything!

When Kazuo Watanabe and the others saw the roaring golden dragon, they were all frightened!

They had never thought that an ordinary sword swing could have such miraculous means!

Is that human being?

It's almost like a god.

Chishimagawa held a katana in his hand. He didn't care about the people of the Watanabe family at all. His body suddenly sank. The katana in his hand radiated light, and then he raised it above his head and slashed down with a sudden blow.

The bright blade shot out in an instant, like a bolt of lightning striking in the air, and struck the golden dragon in an instant!

This sword brought together all the strength of Qiandaochuan, and he did not dare to slack off at all!

“Rumble...”

The sword energy and the blade collided again!

But this time, Chen Ping didn't swing it casually, but added the power of the dragon to the sword of Dragon Slaying Sword!

Along with a burst of explosions, the scattered energy once again made the scene extremely bloody!

Chen Ping was holding the dragon-slaying sword and stood motionless, and the Qiandaochuan River was also motionless!

Chishimagawa's hand is still holding the katana tightly!

“Master Qiandao, Master Qiandao...”

Watanabe Fumigan gently called Chidashima River twice, but unfortunately Chidashima River seemed not to hear it and stood motionless!

When Watanabe Fumigan stood in front of the Chishima River and wanted to check it out, he found that Chishima River's eyes were wide open and his eyeballs were not moving.

Looking down, I saw a thin red line on the neck of the Qiandao River, which was beginning to expand!

“ah.....”

Watanabe Fumigan screamed in fright!

It was Watanabe Fumigan's scream that instantly caused a wave of fluctuations in the space!

But Chishimagawa's head suddenly fell from his body and rolled down in front of Kazuo Watanabe!

It wasn't until this moment that Qiandaochuan's body went straight down!

Watanabe Kazuo looked at the head of Qiandaogawa at his feet and was completely stunned!
