

The Order 3251

Chapter: 3251

In their hearts, Qiandaokawa is an invincible swordsman!

Now he was killed by Chen Ping with a sword, and even his head was chopped off.

Looking at Qiandaoguan's body, those in the Watanabe family haven't reacted yet!

Everyone was stunned and couldn't believe what they were seeing!

"This...how is this possible?"

Kazuo Watanabe muttered.

No one answered him, because the people of the Watanabe family were all in a state of confusion at the moment!

It took a long time for the Watanabe family to truly react!

When they looked at Chen Ping, they were all filled with endless fear!

Chen Ping was so terrifying that they didn't even know how to describe it!

Many members of the Watanabe family looked at Fumigan Watanabe angrily, their eyes full of reproach!

If Watanabe Fumigan hadn't provoked Chen Ping, how could Chen Ping come to the island country and cause trouble for the Watanabe family?

But now no matter how much you blame, it's too late!

At this time, Watanabe Fumio looked at Qiandaoguan who was killed with a sword, and admired Chen Ping even more.

He kept kneeling at Chen Ping's feet, not daring to raise his head!

Chen Ping held the dragon-slaying sword and walked step by step towards those members of the Watanabe family!

Seeing Chen Ping walking over with murderous intent, the faces of everyone in the Watanabe family changed with fear!

"Watanabe Fumigan, it was you who brought disaster to our Watanabe family. You are the cause of all this, and you must be responsible."

"You should kneel down and apologize to Mr. Chen right now, and then use your life to atone..."

When Kazuo Watanabe saw this, he could only push Fumigan Watanabe out.

After all, Chen Ping's target of revenge is Watanabe Fumigan. As long as Watanabe Fumigan is dead, they may still have a way to survive!

"Yes, it's all your fault. You have to bear it yourself."

"Don't get us involved. Our Watanabe family doesn't have anyone like you."

With Kazuo Watanabe adding insult to injury, others also accused Fumigan Watanabe!

Chapter: 3252

This made Fumigan Watanabe look surprised!

“grandfather.....”

Watanabe Fumigan looked at Watanabe Kazuo!

“If you don’t die, do you still want us to be buried with you?”

“If you die, your family won’t have to worry.”

Kazuo Watanabe glared at Fumigan Watanabe!

Watanabe Fumigan had no choice but to take a step forward, and then knelt down in front of Chen Ping!

Chen Ping looked at Watanabe Fumigan coldly, without saying a word, he just kicked a samurai sword over!

Watanabe Fumigan looked at the katana in front of him, and he understood what Chen Ping meant!

Slowly picking up the katana, Watanabe Fumigan looked up at Chen Ping: “I can die, but I hope you can let other people go...”

But Chen Ping didn’t even look at Watanabe Fumigan and ignored him!

When Watanabe Fumigan saw this, he sighed helplessly, gently wiped the blood on his samurai sword, and suddenly stabbed himself in the abdomen with the sword!

But just when Watanabe Fumigan stabbed himself in the abdomen, a cold light flashed in his eyes, and then he flipped his wrist and the katana rotated!

He stabbed Chen Ping in front of him fiercely.

At this time, Chen Ping was very close to Watanabe Fumigan, and he was unprepared!

puff.....

This knife was directly stabbed fiercely by Watanabe Fumigan in Chen Ping's abdomen!

But just when Watanabe Fumigan was happy, he suddenly discovered that the katana seemed to be stuck after thrusting for a certain distance.

No matter how hard Watanabe Fumigan tries, he can't thrust in again!

Watanabe Fumigan was startled. He suddenly looked up and found Chen Ping looking at him with a sneer!

Immediately afterwards, Watanabe Fumigan felt a flash of white light in front of his eyes.

Watanabe Fumigan's head was cut off by Chen Ping's sword, and the samurai sword also fell from Watanabe Fumigan's hand!

Only then did the guys from the Watanabe family see clearly that the samurai sword had not penetrated Chen Ping's abdomen.

Not even a little wound was left!

Chapter: 3253

Chen Ping, who was promoted to Martial Saint, has a physical body that no one can break through.

Plop.....

At this moment, everyone in the Watanabe family knelt down, even the arrogant Kazuo Watanabe tremblingly knelt on the ground!

They were all begging Chen Ping for forgiveness, praying that Chen Ping could let them go!

Looking at the Watanabe family members who were kneeling together, there was no trace of pity in Chen Ping's eyes!

“Watanabe Fumio...”

Chen Ping shouted!

Watanabe Fumio slowly stood up and walked towards Chen Ping!

“You can handle matters concerning the Watanabe family by yourself...”

After saying that, Chen Ping put away the Dragon-Slaying Sword and took a few steps back!

When Fumio Watanabe saw this, he picked up a samurai sword from the ground and slowly walked towards the kneeling members of the Watanabe family!

Watanabe Fumio's eyes are full of complicated expressions!

“Wenxiong, what are you going to do? I am your grandfather...”

Kazuo Watanabe shouted to Fumio Watanabe with his body trembling.

Other members of the Watanabe family have also begun to play the emotional card with Fumio Watanabe, hoping that Fumio Watanabe can let them go!

Watanabe Fumio is holding a samurai sword, feeling very entangled and painful in his heart!

If Chen Ping killed these people, Watanabe Fumio would not be too impressed.

But if he was asked to do it himself, Watanabe Fumio would be very confused!

Watanabe Fumio slowly turned his head and looked at Chen Ping.

He hopes to get answers from Chen Ping.

At this time, whether Chen Ping asked him to take action or let him go, Watanabe Fumio would obey without hesitation!

But who knows that Chen Ping didn't give any instructions to Watanabe Fumio!

Instead, turn around and walk towards the way you came!

Chen Ping will not care whether Watanabe Fumio will take action!

Chapter: 3254

But if Watanabe Fumio was soft-hearted and let these people go, Chen Ping would kill him without hesitation.

Because Chen Ping once told Qiandaochuan that these people in the Watanabe family must die.

At this time, Chen Ping was just a test for Watanabe Fumio.

“ah.....”

Not long after Chen Ping turned around, screams came from behind him!

Watanabe Fumio's eyes were red, as if he was in madness, and he kept killing his own people!

Watanabe Fumio's villa!

Hu Mazi and Lao Fan are lying in a luxurious hot spring!

Next to Lao Fan was a fine liquor, while next to Hu Mazi were two young girls, gently massaging Hu Mazi!

"Old Fan, do you think Chen Ping can defeat that Qiandaochuan?"

Hu Mazi asked worriedly.

After all, Hu Mazi doesn't know much about these warriors from the island country, so I don't know if Chen Ping can beat them!

"Don't worry, if your guess is correct, with just one move, Qiandaochuan will be dead."

"I guess I'll be back soon..."

Lao Fan was drinking wine leisurely!

As soon as he finished speaking, Chen Ping came back with Fumio Watanabe!

"dad....."

Seeing that Fumio Watanabe was back, Yumiko hurried forward and asked, “Dad, how are you?”

“Those people were all killed by the master, including Qiandaokawa.”

Watanabe Fumio said excitedly.

“Master?” Yumiko was stunned.

“Yes, Mr. Chen will be the master of our Watanabe family from now on. We, the Watanabe family, must obey our master unconditionally.”

Watanabe Fumio said.

Yumiko looked at Chen Ping’s back in surprise, but Chen Ping didn’t say a word. Chen Ping didn’t have much interest in being the master of the Watanabe family!

Chapter: 3255

Maybe after this time, he will never come to the island country again!

Chen Ping walked to the backyard of the villa and saw Lao Fan taking a leisurely bath in the hot spring with Hu Mazi, and Hu Mazi was being served by two girls. He couldn’t help but smile!

Seeing this, Hu Mazi quickly got up and drove the two girls away.

“Chen Ping, how about it? Can you cross the Qiandao River?”

Hu Mazi asked.

“One move...” Chen Ping said calmly.

“Lao Hu, let me just say, it only takes one move to deal with Qiandaochuan.”

Lao Fan chuckled.

“Master Hu, get ready, we are going back.”

Chen Ping plans to return to China. Now that Watanabe Fumigan is dead, Su Yuqi is the one who wants to go back and find a way.

After all, rescuing Su Yuqi is the most important thing.

Moreover, during this trip to the island country, Chen Ping was promoted to Martial Saint, which made Chen Ping even more confident to rescue Su Yuqi.

“Go back? Leaving so soon?”

Hu Mazi was stunned.

“Yes!” Chen Ping nodded.

Although Hu Mazi was a little reluctant, there was nothing he could do.

But when Watanabe Fumio saw that Chen Ping wanted to return to China, he knelt down in front of Chen Ping with a bang.

“Please master, please help our Watanabe family get rid of the control of Chizuru Shrine.”

Watanabe Fumio knows that although everyone in the Watanabe family has been dealt with now, no one is threatening his position as the head of the family!

But will the shrine let him go?

After Chen Ping leaves, the shrine will definitely make trouble for him, and their family may die even worse by then.

Chen Pingping looked at Fumio Watanabe expressionlessly: "I can help you kill Qiandaokawa, which is a reward for your snow lotus. Now I have no obligation to help you destroy Qianzuru Shrine. I also There's no such time."

"Master, my Watanabe family is willing to follow the master forever and pay tribute to the master every year..."

Watanabe Fumio kept kowtowing to Chen Ping!

Chapter: 3256

"Chen Ping, I think you should stay. The resources in the Chizuru Shrine are much richer than those of these martial arts families, and each shrine will have their own gods!"

"The strength gathered in these gods should be what you want."

Lao Fan held the wine glass and persuaded Chen Ping.

Chen Ping glanced at Lao Fan, thought for a moment, and then nodded: "Okay..."

Seeing Chen Ping agree, Watanabe Fumio was full of excitement!

night.....

Chen Ping was lying on the bed, thinking about how to rescue Su Yuqi!

At this time, there was a sound of soft footsteps.

Chen Ping stood up suddenly, only to see the door of the room being pushed open, and Yumiko walked in naked!

Snow-white shoulders, slender thighs, and affectionate eyes!

Chen Ping was stunned, but saw Yumiko kneeling in front of him!

“Master, I will take care of you until you fall asleep tonight...”

Yumiko’s face turned red, she looked at Chen Ping with fiery eyes, and kept touching Chen Ping with her hands!

Moreover, Yumiko’s breathing was hot and rapid, as if she wanted to eat Chen Ping!

When Chen Ping saw this, he frowned slightly, and gently touched Yumiko’s eyebrows with his fingers, and a burst of spiritual power instantly entered Yumiko’s body!

Yumiko’s fiery eyes disappeared instantly, and then she became a little panicked and shy!

Chen Ping casually pulled the sheets and wrapped them directly around Yumiko’s body!

At this time, Yumiko looked at herself and shed two lines of tears!

“Go tell your father that since I agreed to stay, I will completely let the Watanabe family get rid of the shrine, so that he does not have to do this.

After saying that, Chen Ping slowly closed his eyes and started practicing!

The road to cultivation is extremely long, and Chen Ping knows that he cannot stop because there are many people and many things waiting for him...

Yumiko looked at Chen Ping's plain expression and felt a little distracted for a moment.

My heart is throbbing!

Originally, Watanabe Fumio asked Yumiko to accompany Chen Ping, but Yumiko was unwilling. However, for the sake of the family and her parents, Yumiko had to take some medicine by herself, and then she had the courage to come to Chen Ping's room!

Chapter: 3257

But she didn't expect that Chen Ping was so determined and didn't have any distracting thoughts about her!

Yumiko stood up slowly and looked at Chen Ping with her eyes. After ten minutes, Yumiko left!

Seeing Yumiko leave, Chen Ping opened his eyes and exhaled heavily!

Chen Ping is also a man. How could he not react to such a beauty in front of him?

But Chen Ping knew that he couldn't go beyond that step. Su Yuqi was still suffering now, and he would never do anything to regret Su Yuqi.

.....

The news that Watanabe Fumigan and Watanabe Kazuo were killed quickly spread throughout the island country!

Moreover, the Chishima River next to Kazuo Watanabe also had his head chopped off!

All of a sudden, various speculations followed one after another!

Since there were no survivors, everyone could only guess who did it.

Many people speculated that Fumio Watanabe did it, but with Fumio Watanabe's strength, it was impossible to kill Kazuo Watanabe who was protected by Chishima River.

Some people say that he is a master from Daxia who has hatred towards the Watanabe family, so he takes action against the Watanabe family!

But why does Watanabe Fumio, the head of the Watanabe family, have nothing wrong with him?

This doesn't make sense either...

In addition, Fumio Watanabe deliberately caused public opinion, so who killed Kazuo Watanabe and Chishimagawa became a mystery for a while!

But at this time, one person felt the smell of danger!

This person was Kazuo Kawaguchi. Although Kazuo Kawaguchi did not witness it with his own eyes, Chen Ping killed Chishima River and those in the Watanabe family.

But he could conclude that these people were killed by Chen Ping, because there would never be a second person to do this!

As for why Watanabe Fumio was fine, the only explanation is that Watanabe Fumio colluded with Chen Ping!

In this way, Chen Ping can take revenge, and Watanabe Fumio can eradicate his dissidents and continue to be the head of the Watanabe family.

There are benefits to both people, so it's normal for them to collude!

"Come here, prepare a car..."

Thinking of this, Kazuo Kawaguchi shouted hurriedly.

At this time, inside Chizuru Shrine, four people wearing traditional costumes of the island country were sitting opposite each other!

Chapter: 3258

Among them was an old man who kept his eyes slightly closed and did not speak.

Among the four people, there was a woman with a beautiful face, but there was a bit of coldness in her eyes!

Sitting at the top was a middle-aged man, Koichi Ono, the president of Chizuru Shrine.

"The Watanabe family suffered such a change, and they don't even know who did it. How does this bring shame to our Chizuru Shrine?"

Ono Hongyi looked angry and said with cold eyes.

"I have seen Qiandaoguan's wounds. He was killed with a sword and his head was chopped off."

"There are only a handful of people in the entire island country who can kill the Thousand Island River with one sword, so I think it's likely that they are masters from other countries."

Beside Ono Hongichi, a man holding a katana in both hands said.

This man exuded a strong aura, and his eyes were as terrifying as the abyss!

This person is Tanaka Maki, who is more famous than Chishima River.

In terms of swordsmanship, Tanaka Maki can definitely be ranked among the top three in the entire island country, and his strength is even higher than that of the Chishima River!

Even if compared with Ono Hiroshi, Tanaka Maki is not inferior!

“Mieko, what do you think of this?”

Ono Hiroshi looked at the only woman among them and asked.

Mieko stood up slowly, her hot body in full view.

I saw Mieko slowly walking towards the door, and her whole person became lighter and lighter, and finally disappeared into the room!

It's just that everyone else was not surprised and didn't show the slightest surprise!

Soon, Mieko's figure appeared, but now there was an extra person in her hands!

This man was once a guard of the Watanabe Fumigan family, and he was also a member of the Watanabe family!

After seeing Ono Hongichi, the man fell to his knees!

“Tell the president what you know...”

Mieko spoke slowly.

“Yes Yes Yes.....”

The man didn't dare to be negligent at all, and hurriedly told what he saw that day exactly as it was!

Chapter: 3259

But what he saw was that Fumio Watanabe led Chen Ping to Fumigan Watanabe's house and hunted down Fumigan Watanabe and his son.

As for whether Watanabe Kazuo and Chishimagawa were killed by Watanabe Fumio, he didn't know!

After listening, Ono Hiroshi frowned slightly: “Brothers Fumio Watanabe and Fumigan Watanabe, in order to compete for the position of the head of the family, it is nothing to kill each other. After all, this is a society of the jungle.”

“This doesn't explain who killed Qiandaochuan, right?”

Mieko nodded: “The president is right. This does not prove that Kazuo Watanabe and Chishimagawa will be killed by them. However, I believe that the president will be interested in the young man Fumio Watanabe brought with him. ”

After saying that, Miezi took out a photo and put it on the table, and the person in the photo was Chen Ping!

“Who is this person?” Ono Hongyi frowned slightly!

“You look so young, I seem to have seen it somewhere...”

Tanaka Maki looked at the photos carefully and fell into deep thought!

“President, Mr. Tanaka, this man's name is Chen Ping, he is a new master in Daxia, and it was this man who killed Watanabe Fumigan's son Watanabe Ichiro, so the Watanabe family has a deep connection with Chen Ping. hatred.”

“And the person Fumio Watanabe brought this time was Chen Ping. I heard that in order to assassinate Chen Ping this time, Fumigan Watanabe found Kazuo Kawaguchi and took people to Daxia, and also followed Daxia officials. Conflict, and it is precisely because of this that Chen Ping came to the island country.”

Mieko explained.

“Kawaguchi Kazuo?” Ono Hiroichi was slightly startled, and then said: “Go and bring Kawaguchi Kazuo immediately. I want to personally ask what’s going on!”

But just as Ono Hongichi finished speaking, a subordinate came to report!

“President, Kazuo Kawaguchi is here to visit and is waiting outside...”

The subordinate said.

This simply means Cao Cao, Cao Cao is here!

“Let him come in quickly...”

Ono Hongichi said.

Soon, Kawaguchi Kazuo walked into the shrine, not daring to raise his head at all, and knelt down directly in front of Ono Koichi!

“Meet the president...”

Although Kazuo Kawaguchi is not weak in strength, he has also served as a special envoy to the island country.

But facing the people at the shrine, he could only bow his head. After all, in the island country, the status of the shrine is the highest.

“Kawaguchi Kazuo, what brings you to the shrine?”

Chapter: 3260

Ono Hongichi asked.

“President, I know who killed Kazuo Watanabe and Chishimagawa.”

Kazuo Kawaguchi said.

“Who is it?” Ono Hongyi stood up excitedly.

“It should be Fumio Watanabe and Chen Ping.” Kazuo Kawaguchi replied.

“Is this the person?” Onohiro handed the photo to Kawaguchi Kazuo.

Kazuo Kawaguchi took one look and said, “Yes, that’s him. This person is Chen Ping.”

“This guy is so young and can actually kill Qiandaochuan. What kind of strength does he have?”

Tanaka Maki frowned.

“Returning to Mr. Tanaka, I don’t know the specific strength of this person, but I, the peak strength of the Great Wuhou, was defeated by him.”

Kazuo Kawaguchi told several people about his experiences in Daxia.

“Please President, please save me...”

The reason why Kawaguchi Kazuo told everything was to get the protection of the shrine!

As for the poison Chen Ping gave him, as long as the gods of the shrine can come forward, it will be lifted in minutes!

“Hmph, a Daxia man dares to bully me like this.”

Ono Koichi’s body exudes an aura as majestic as the ocean.

Then a white light shot out instantly. The white light hit Kazuo Kawaguchi and spread instantly!

“You were not poisoned. It was probably Chen Ping who lied to you.”

Ono Hong opened his mouth and said.

“Mr. President, I...”

Kazuo Kawaguchi didn’t believe it, but when he was about to speak, Mieko stared back.

“Are you questioning the president’s words?” Mieko said coldly.

“Don’t dare, don’t dare...”

Kazuo Kawaguchi shook his head quickly, and then slowly exited the shrine!
