

The Order 3261

Chapter: 3261

“Mieko, since this Watanabe Fumio is cheating, you should take over the Watanabe family.”

“As for Chen Ping, let Tanaka-kun deal with it.”

“I don’t want to disturb the gods with this little thing.”

Ono Hongichi said.

“yes.....”

Mieko and Tanaka Maki stood up at the same time and bowed in response!

After Mieko and Tanaka Maki left, the old man who had never spoken slowly stood up, and then suddenly opened his mouth!

A black mist rushed out of the mouth quickly, and then rushed into the statue of the god behind the shrine!

As soon as Ono Hong saw this, he hurriedly stepped forward to support the old man’s body and placed it in a dark pavilion!

Just after Chizuru Shrine discussed a plan to deal with Watanabe Fumio and Chen Ping, they immediately started taking action!

But Chen Ping and the others had no idea that the lives of several people in the Watanabe family’s villa were so uncomfortable!

Chen Ping is waiting because the island country's shrine holds a priest event every year.

And Chen Ping planned to destroy the Qianhe Shrine in this priestly event.

Chen Ping's daily life is taken care of by Meiko.

On this day, Chen Ping was basking in the sun. Yumiko brought a glass of juice, squatted next to Chen Ping, and put the straw into Chen Ping's mouth!

"Master, please drink juice..."

Yumiko said with a sweet voice.

"Yumiko, don't call me master every day, just call me by my name."

Chen Ping had some disagreements with the word master...

"Master, you are the master of our Watanabe family. I cannot call you by your name. Our island nation only allows one master, and once recognized, he will follow him for life."

Yumiko said softly.

When Chen Ping heard this, he didn't care anymore. Just call him whatever you like!

But just when Chen Ping was about to open his mouth to drink the juice, he suddenly frowned and looked at the wall of the villa with cold eyes.

"Master, what's wrong?"

Chapter: 3262

Seeing the change in Chen Ping's expression, Yumiko asked quickly.

"A guest is coming..."

Chen Ping smiled coldly.

"Guest?" Yumiko looked at the door suspiciously, and then followed Chen Ping's gaze, but saw nothing.

"Master, is there no one there?"

Yumiko asked confused.

"It'll be there soon!"

As Chen Ping spoke, he suddenly stretched out his hand to grab, and an invisible force burst out instantly, grabbing towards the wall with a bang.

On the originally empty wall, a black shadow suddenly flashed past, jumped off the wall, and quickly retreated!

"Someone broke in..."

When Yumiko saw this, she yelled!

Seeing this, those members of the Watanabe family chased out one after another. Watanabe Fumio also ran out, frowning, and chased straight out!

Not long after chasing him out, he heard the sound of a fight, and then he saw a man in tights being escorted back by Fumio Watanabe!

I saw that this man was caught, but he still looked calm and didn't seem to be afraid at all!

“Who are you? Why did you break into my Watanabe house secretly?”

Watanabe Fumio asked the man.

The man glanced at Fumio Watanabe coldly, but did not speak. Instead, he turned his head slightly, revealing a tattoo on his neck!

The tattoo is in the shape of a scorpion. The tail of the scorpion is very long, as if it has penetrated deeply into the skin!

Seeing this tattoo, Watanabe Fumio's expression suddenly changed.

“Scorpion? Are you Mieko's subordinates?”

Watanabe Fumio asked in surprise.

The man sneered: “Since you know, why don't you let me go quickly? Otherwise, our Lady Mieko won't let you go.”

The man's arrogant demeanor made Chen Ping feel very unhappy!

“Watanabe Fumio, who is this Mieko?”

Chapter: 3263

Chen Ping asked.

“Master, Mieko is the head of an intelligence department under Chizuru Shrine. She specializes in collecting intelligence for the shrine and monitoring some families under the shrine.”

“There are some high-level ninjas in this department. Because Mieko is beautiful but ruthless, and each of her ninjas has a scorpion tattoo, many people call her a femme fatale.”

Watanabe Fumio followed Chen Ping in explaining in detail!

“It seems that the shrine has already suspected you...”

Chen Ping smiled slightly.

“Probably!” Fumio Watanabe nodded!

“Watanabe Fumio, you’d better let me go. Our Lady Mieko is right behind and will be here soon.”

The man still didn’t feel that he was in danger, and he was still threatening Watanabe Fumio!

“Aren’t you afraid of death?”

Chen Ping asked curiously when he saw that this man was caught and still so arrogant.

“Huh, no one of us is afraid of death if we endure it.”

The man snorted coldly, his eyes very cold and disdainful!

“Very good, I like people who are not afraid of death the most...”

Chen Ping said, with a slight wave, a force instantly enveloped the man!

The man only felt his body tighten, and then it became difficult to breathe, and his face turned red!

“Master Hu, I leave this guy to you, but don’t let him die easily, because he is not afraid of death...”

Chen Ping drank lightly.

Hu Mazi jumped out of the villa, stretched out and said, “You guy, you come to me for such a trivial matter...”

After saying that, Hu Mazi took out a talisman, chanted a few simple spells, and threw the talisman directly on the man!

Soon, dense ants and bugs began to crawl out from all directions, and they actually surrounded the man.

Then the man’s screams spread throughout the villa!

Just by listening to the screams, you can feel the pain of the man at this time!

The expressions of Yumiko and Fumio Watanabe both changed, and their hearts trembled.

Chapter: 3264

Looking at Chen Ping’s plain expression, it seemed as if the screaming man next to him had nothing to do with him!

“Watanabe Fumio, you are so brave. You know you are mine and you dare to take action...”

At this time, a shout sounded!

Watanabe Fumio’s heart trembled because he heard Mieko’s voice!

But at this time, he couldn't see where Mieko was at all, he could only hear her voice but not her person.

And the guards at the Watanabe house began to suddenly fall to the ground and die inexplicably, and there were long wounds on their necks!

This time, Fumio Watanabe became very panicked!

Because he heard the sound, Mieko was very close to him, but he couldn't see Mieko at all!

Coupled with the fact that his men kept falling to the ground and died inexplicably, Watanabe Fumio's face became very ugly!

"Huh, what a pretentious person..."

Chen Ping snorted coldly and waved his hand!

Snapped.....

There was a crisp sound, not far in front of Watanabe Fumio, Mieko's figure instantly appeared, covering her red and swollen face with one hand, looking at Chen Ping angrily!

"You are that Chen Ping. Sure enough, you are capable of killing Qiandaochuan with one sword..."

Mieko's eyes narrowed slightly and she said with murderous intent.

"Not only can I kill Qiandaochuan with one sword, I can also kill you with one sword..."

Chen Ping stood up slowly.

Chen Ping, who was promoted to Martial Saint, is full of incomparable confidence at this moment!

Mieko felt the killing intent in Chen Ping and involuntarily took two steps back!

Chen Ping's body shook slightly, and a majestic aura instantly enveloped the entire villa area!

Soon, one of the ninjas was forced to reveal his figure, and under the pressure of Chen Ping's aura, these ninjas knelt on one knee one by one, their faces becoming very ugly!

Seeing this scene, Mieko's expression became a little panicked, with a hint of fear in her eyes!

The strength Chen Ping showed at this moment has exceeded her imagination!

"Hmph, a mere sick man from East Asia from Great Xia dares to run wild in our island country..."

Chapter: 3265

Along with a cold snort, an equally huge aura instantly collided with Chen Ping's aura!

At this moment, Mieko and her men felt relieved and all stood up!

I saw a middle-aged man wearing a samurai uniform, holding a samurai sword in his hands, slowly walking into the courtyard of the villa!

"Tanaka Maki?"

Seeing the person coming, Watanabe Fumio's pupils suddenly shrank, and the expression on his face became very unnatural!

Yumiko leaned next to Chen Ping and said: "Master, this person's name is Tanaka Maki. He is one of the top three kendo masters in the island country. He is much more powerful than the Chishima River..."

Although Yumiko is only a student, she knows Tanaka Maki very well, which shows how well-known Tanaka Maki is in the island country.

Tanaka Maki walked towards Chen Ping expressionlessly and stopped only a few meters away from Chen Ping!

He looked Chen Ping up and down and said, "Are you the one who killed Qiandaochuan?"

"Yes!" Chen Ping nodded lightly!

It seems that killing Qiandaochuan is too common for Chen Ping!

"Since you can seal the Thousand Island River with one sword, it proves that your swordsmanship is good. Show your weapon."

Tanaka Maki slowly drew out his katana!

But Chen Ping shook his head: "No, my swordsmanship is not good. I can only say that Qiandaochuan's swordsmanship is terrible."

"Such a poor swordsman can still be called a master in your island country..."

"It seems that the swordsmanship of your island country is nothing more than this."

"snort....."

Chen Ping's last sneer was full of disdain and ridicule!

This moment made Tanaka Maki's plain face look angry!

“Draw out your sword.” Tanaka Maki’s eyes narrowed, and the murderous aura on his body rose instantly.

“To deal with you, I don’t have to draw my sword, because once I draw my sword, you will never have a chance again.”

Chen Ping said calmly.

“Arrogant...”

Tanaka Maki shouted angrily: “I will never attack an unarmed person. Use your sword. Today I will let you taste the real swordsmanship of our island country...”

Chapter: 3266

Seeing Tanaka Maki like that, Chen Ping turned to look at Hu Mazi: “Master Hu, I’ll leave that little bitch to you...”

Ma Zi glanced at Mieko, smiled and said, “Don’t worry, I will take good care of her.”

Mieko felt the squinting look in Mako’s eyes, and her face turned red with anger!

Chen Ping walked to the willow tree aside and broke off a willow branch from the tree.

“Now that I have a weapon, you can attack me!”

Chen Ping said to Tanaka Maki.

“Forehead.....”

Tanaka Maki was instantly confused by Chen Ping's move.

"Boy, do you want to fight me with a willow branch?"

Tanaka Maki shouted angrily!

He felt that Chen Ping was deliberately disgusting and mocking him!

"One willow branch is enough. I didn't even want to use any willow branches."

Chen Ping took the willow branch and stepped out, and the aura on his body exploded instantly.

The power of the divine dragon was injected into the willow branch. An ordinary willow branch instantly emitted a faint light. The originally soft willow branch also became extremely hard at this moment!

Tanaka Maki was completely angered. You must know that in the island country, he is admired by thousands of people, and now he is being played by a young boy named Chen Ping!

The katana in Tanaka Maki's hand began to buzz and tremble slightly!

The katana exudes a bloodthirsty aura. It is obvious that countless souls have died under this katana!

"Buzz..."

Tanaka Maki moved, the katana in his hand buzzed, and then he swung it hard!

A terrifying blade came towards Chen Ping in an instant, and black holes appeared in the entire void under this blade!

With one knife, the void was shattered and the black hole emerged. One can imagine the power of this!

Chen Ping, on the other hand, calmly greeted him with the willow branch in his hand!

The willow branch and the samurai sword collided hard!

clang.....

Chapter: 3267

There was a crisp sound, and the collision between the willow branch and the samurai sword actually made a sound like metal collision!

boom.....

Then there was an explosion, and the scattered aftermath instantly blew away the people around him. Even the villa not far away was blown into a mess.

Chen Ping took two steps back, and the willow branch in his hand also became two pieces!

Looking at Tanaka Maki again, he just took a step back and held the katana firmly in one hand. There was nothing strange!

From this point of view, Tanaka Maki is slightly better in this attack!

But at this time, Tanaka Maki didn't think so. He saw that the katana in his hand had a chip on the blade, which was just broken by a willow branch.

Tanaka Maki's wrist began to feel numb, and the hand holding the katana kept shaking!

Tanaka Maki did not get any benefit from this blow. Chen Ping just used a willow branch to make his katana pop out of the gap and make his arm numb!

Only Tanaka Maki himself can understand this terrifying strength and feeling!

If Chen Ping had used a real sword instead of a willow branch, the result of the sword strike might have been very different.

Mieko on the side saw that Tanaka Maki had the upper hand, and knew that she could not hesitate, so she waved her hand and rushed towards Watanabe Fumio with her men!

Mieko's mission is to capture Fumio Watanabe or kill him, and she will temporarily control the Watanabe family!

Watanabe Fumio is not afraid at all. With Ma Zi and Lao Fan here, there is nothing Mieko can do to him!

Mieko rushed towards Watanabe Kazuo with her ninjas.

Just after taking two steps, his figure became lighter and lighter, and finally disappeared!

These people used ninjutsu, which made Fumio Watanabe frown!

"Hmph, you dare to use this trick!"

Hu Mazi snorted coldly, then took out several talismans and sprayed a mouthful of blood on the talismans!

"break....."

Hu Mazi threw the charm in his hand into the air, and the sky above the entire villa suddenly turned red!

Shrouded in red, Mieko and the ninjas who had disappeared were instantly exposed!

“kill.....”

Watanabe Fumio shouted, and the guards of the Watanabe family rushed over one after another!

Chapter: 3268

For a time, the entire villa compound was filled with loud killing sounds, and there were fighting everywhere!

And only Chen Ping followed the area where Tanaka Maki was standing, and no one came close!

Chen Ping threw away only half of the willow branch left in his hand, and said coldly to Tanaka Maki: “Take action, you have one more chance...”

This time, Tanaka Maki did not hesitate, nor did he ask Chen Ping to take out his weapon!

Because he knows that if Chen Ping really shows his weapon, he may not be Chen Ping’s opponent!

“go to hell.....”

Tanaka Maki shouted loudly, and the light on the samurai sword shot up!

Then the blade, like wind and lightning, slashed towards Chen Ping in an instant!

Tanaka Maki didn’t believe that Chen Ping had no weapons and could still block his sword with just his flesh and blood!

Seeing this, Yumiko couldn’t help but exclaimed: “Master, be careful...”

Chen Ping looked calm, and bursts of red light began to flash in his right hand!

Just when Tanaka Maki's katana reached Chen Ping, Chen Ping suddenly grabbed it!

Chen Ping's right hand directly grabbed Tanaka Maki's katana. Do you want to know how powerful this sword is?

Even a small mountain can be split open by this Tanaka Maki!

But at this time, Tanaka Maki's katana was caught by Chen Ping!

However, Chen Ping's hand was not injured at all. This made Tanaka Maki dumbfounded and looked at Chen Ping in disbelief!

Tanaka Maki wanted to pull out the katana, but no matter how hard he tried, he found that the katana wouldn't move at all!

At this moment, Tanaka Maki's eyes showed panic.

"I said, this is your last chance..."

After Chen Ping finished speaking, he heard the katana in Tanaka Maki's hand click!

The katana broke instantly in Chen Ping's hand!

Chen Ping took the half of the samurai sword and swung it forward...

The frightened Tanaka Maki only felt a cold flash in front of his eyes, and then felt a coldness on his neck!

Tanaka Maki touched his neck with his hand in horror!

Chapter: 3269

A steady stream of blood spurted out. Tanaka Maki could only throw away his katana and clutch his neck with both hands, hoping that the blood loss would slow down!

Tanaka Maki looked ferocious and frightened, and looked at Chen Ping in disbelief!

He tried hard to open his mouth to say something, but no words came out.

In the end, Tanaka Maki's eyes became more and more distracted, and his body fell heavily!

Seeing the scene in front of her, Yumiko was so shocked that she couldn't even utter a word!

Tanaka Maki represents an invincible existence in their hearts!

When they were very young, Tanaka Maki was a rare master in the island country. Yumiko once admired Tanaka Maki and hoped to become a kendo master like him!

But what about now?

The person she had admired since childhood was killed like an ant in front of Chen Ping.

And it was so easy to kill!

The awe of Chen Ping in Yumiko's eyes became even stronger. She couldn't help but kneel down in front of Chen Ping and shouted loudly, "Master!"

Mieko, who was fighting with Mako at the moment, suddenly panicked when she saw Tanaka Maki lying on the ground!

You must know that Tanaka Maki's strength is far superior to hers, but he was also killed by Chen Ping!

Will she have a good ending?

But just when Miezi was distracted, Mazi slapped her chest with a palm, and she flew backwards!

"Damn, it's pretty soft..."

Hu Mazi was slightly startled!

After Mieko was hit with a palm, her body began to become transparent in mid-air, and then she disappeared from Ma Zi's sight!

Hu Mazi was reminiscing about the slap she just received when she suddenly discovered that Mieko was missing. She immediately panicked and hurriedly threw out a few spells, hoping to make Mieko appear!

Unfortunately, several spells did not work, and Mieko seemed to disappear into another dimension out of thin air!

"Now that I'm here, I can't leave."

Chen Ping snorted coldly, then grabbed him from afar!

An invisible force was suddenly released, and then a huge palm appeared in mid-air, which could almost cover the entire villa!

Mieko's figure instantly appeared under this palm, and she kept retreating!

Chapter: 3270

It's a pity that Chen Ping's power is too strong. With such a gentle grasp of the void, Mieko can't resist it at all!

A huge suction force instantly made Mieko move towards Chen Ping, and finally fell directly into Chen Ping's hands!

Mieko's neck was stuck tightly by Chen Ping, and her face was full of ferocity!

"Spare your life...spare your life..."

Mieko began to beg for mercy in pain!

"Didn't I say that all of you ninjas would rather die than surrender? Why are you begging for mercy?"

Chen Ping was a little surprised.

Even the ninja man at the beginning looked like he would rather die than surrender. Now Mieko, who is in charge, started to beg for mercy.

"Spare your life, spare your life..."

Mieko continued to beg for mercy.

Seeing that Chen Ping had killed Tanaka Maki, Mieko knew that there was no way she could escape Chen Ping's hands, so she had no choice but to beg for mercy!

However, Chen Ping had no intention of letting Mieko go. Chen Ping would never be soft on his enemies!

Mieko also saw the murderous intent in Chen Ping's eyes, and it was impossible to let her go, so she could only focus on Hu Mazi!

Mieko's eyes were pitiful at the moment, and she kept hinting at something with her eyes to Ma Zi!

And Ma Zi couldn't help but licked her lips when she saw Mieko like that.

Upon seeing this, Chen Ping let go of Na Mihuko, and then said to Hu Mazi: "Master Hu, I will leave this woman to your disposal..."

After Mieko was released, she breathed hard and quickly crawled in front of Mazi!

"Spare your life, spare your life..."

Mieko hugged Ma Zi's thigh and kept rubbing Ma Zi!

"Get up, get up quickly..."

Seeing this, Mazi quickly helped Mieko up!

At this moment, Mieko's eyes were full of eyes and she was full of charm!

Now Mieko finally breathed a sigh of relief, because she could see that Ma Zi was reluctant to kill her.

"Master, as long as you spare my life, I am willing to do anything for you, and I will serve you well."
