

## **The Order 3271**

Chapter: 3271

Mieko pretended to be weak and leaned on Hamako!

Hu Mazi looked like he was enjoying it, which made Fumio Watanabe and Lao Fan on the side look a little speechless!

Lao Fan opened his mouth to remind Hu Mazi, but was stopped by Chen Ping!

Chen Ping wanted to see what Hu Mazi would do with Mieko!

Mieko leaned on Hamako, with a smile on her lips. She finally didn't have to die now.

"Would you really do anything for me?"

Ma Zi spoke to Mieko.

"Of course, I promise, as long as the master asks, you can do whatever you want me to do now..."

Mieko looked at Hamako lovingly, raised her hands and promised with one hand.

Mieko can tell that Ma Zi is a very lustful person!

When two people were fighting, Hu Mazi's eyes were not honest!

Moreover, Hu Mazi seemed to have hit her on the chest with that slap just now!

That's why Mieko looked at Ma Zi asking for help, but now seeing Ma Zi's lustful expression, Mieko felt that she had made the right bet!

"Very good, I like this kind of obedient woman the most..."

Mazi smiled and gently stroked Mieko's face, and Mieko acted shyly, like an untouched girl!

Mieko's look made Yumiko on the side almost vomit.

In the entire island country, no one knows who Mieko is. She is a beautiful woman and a snake, but now she pretends to be an innocent girl.

"Since you are so obedient, how about I want you to die now?"

Mazi looked at Mieko and said playfully.

Mieko was stunned for a moment, with panic in her eyes, but before she could react!

I saw Hu Mazi's hand that was originally stroking her face suddenly slapped hard on the top of her head!

puff.....

With this palm strike, Mieko's head instantly exploded like a watermelon, and a cloud of blood mist sprayed in the air!

This sudden scene made everyone stunned!

Chapter: 3272

"A stinky woman wants to seduce me, and she really treats me like a rag collector. Do I have such no taste?"

Ma Zi wiped his hands and spat hard on Mieko's body!

Yumiko's heart trembled. She really couldn't understand the personalities of Chen Ping and Hu Mazi, the two people who came on the plane with her!

Such a casual and indifferent killing, and a cruel method, completely inconsistent with the image of the two people!

"Watanabe Fumio, priest of Chizuru Shrine, when will it be held?"

Chen Ping asked.

"Return to the master, it will be held tomorrow."

Watanabe Fumio said quickly.

"Well, I will go to the shrine tomorrow to meet the gods of your island country..."

Chen Ping smiled lightly!

"The master is the real god, and the others are just false gods..."

Watanabe Fumio hurriedly praised Chen Ping!

.....

Inside Chizuru Shrine!

Ono Hiroshi was sitting in the room, but at this time, it was busy outside the shrine!

The tall altar has been built, and many stands have not yet been arranged. Tomorrow is the day of their Chizuru Shrine sacrificial ceremony!

Every shrine in the island country attaches great importance to the day of its priest ceremony!

You must know that the development of a shrine depends on believers, and the sacrificial ceremony is the time to showcase the shrine. If it is held well, it can recruit many more believers!

The number of believers also represents the influence of the shrine in the island country!

“Hmph, tomorrow is the day of the sacrificial ceremony. Why is there no news at all about Tanaka Maki and Mieko?”

Ono Hongyi frowned slightly!

“Regardless of whether there is news about the two of them, there must be no mistakes in tomorrow’s sacrificial ceremony...”

At this time, an old man walked out from behind Koichi Ono. He was the man who had been sitting with Koichi Ono and Maki Tanaka a few days ago!

“God, I will definitely make this sacrificial ceremony a success.”

Chapter: 3273

When Ono Hong saw this, he quickly knelt down.

Except for Ono Hongichi, no one knew that this old man was the incarnation of God!

“Well, when I regain my divine power, I will help you break through.”

The old man said calmly.

“Thank you God...”

Ono Hongyi was kneeling on the ground, not daring to raise his head!

He didn't stand up until he felt the god leaving, his forehead already covered with cold sweat!

Ono Hongichi prayed that tomorrow's sacrificial ceremony could be completed successfully.

the next day!

Chen Ping and others went to Chizuru Shrine!

Chizuru Shrine is located on the top of Mount Fuji, where it is cold and foggy all year round!

But even so, today, the day of the sacrificial ceremony, cannot stop many believers from going to the shrine!

I saw many believers walking towards the top of the mountain step by step!

However, there is a very strange phenomenon, that is, many believers will have a young girl with them!

And every girl is dressed up and dressed up very beautifully.

Even the clothes are the traditional women's clothing of the island country!

This made Chen Ping and Hu Mazi feel very strange!

“Watanabe Fumio, why do these people bring so many girls with them when they go to worship?”

Chen Ping asked puzzledly.

“Master, because every year at the priest ceremony, the gods may choose a girl. As long as the gods like her, the girl’s family will prosper.”

“So many people will bring the most beautiful young girls from their families and dress up grandly on this day.”

Fumio Watanabe explained.

“Damn, what kind of god is this? Isn’t he also an old pervert...”

When Hu Mazi heard this, he immediately cursed!

Chapter: 3274

However, although Hu Mazi scolded him, he could not hide the envy in his eyes. This kind of feeling was like choosing a concubine. Hu Mazi had never experienced it before!

“Where do those chosen girls end up?”

Chen Ping asked.

Watanabe Fumio shook his head: “I don’t know, no one knows the whereabouts of the selected girl, but the family has become prosperous, so no one asks about the girl’s whereabouts.”

After hearing this, Chen Ping couldn't help but smile coldly: "This god from Qianhe Shrine is quite interesting..."

Soon, Chen Ping and the others came to the shrine and saw a very majestic building standing on the top of the mountain!

You must know that it is very difficult to build such a huge building on the top of this mountain.

This shows that the strength of this Chizuru Shrine is not weak!

At this time, thousands of people have gathered at the summit square, and these are all believers of Qianzuru Shrine!

In front of an altar set up, Ono Hongichi was wearing a samurai uniform, sitting quietly on a chair, looking at the thousands of believers in front of him, his face full of joy!

When the time was up, Ono Hongichi gave an impassioned speech, which made all the believers excited!

Just when everyone was getting excited, Ono Hiroichi began to slowly push out a sculpture!

However, the sculpture was covered with black cloth, so it was impossible to see what was inside!

"The great gods protect us, and we must dedicate everything we have to repay our gods..."

As Ono Hongichi said, he actually cut his finger!

I saw that the blood flowing out of my fingers did not drip to the ground, but slowly floated towards the air!

Seeing this, thousands of believers all cut their fingers, some bit them directly, and all the blood that flowed out slowly floated into the air!

“Chen Ping, what the hell is going on?”

Hu Mazi was a little confused when he saw this scene!

When it comes to magic, Hu Mazi knows a lot, but he has never seen anything like this!

Chen Ping also frowned slightly and did not speak, but watched quietly!

I saw the blood gathering together in the air.

As the black cloth on the sculpture slowly opened, a sculpture wearing armor and holding a samurai sword was revealed.

The blood condensed in mid-air slowly fell on the sculpture. The bright red blood was absorbed by the sculpture in an instant!

Chapter: 3275

Moreover, the two eyes of the sculpture suddenly flashed with red light!

When Ono Hong saw this, he hurriedly knelt down on the ground!

The other believers also knelt down and worshiped, shouting: “God of War, God of War...”

At this time, Chen Ping and others seemed a little embarrassed, because all the believers knelt down and worshiped.

Only Chen Ping and the others were standing, looking very awkward!

Ono Hiroshi looked up, and when he saw Fumio Watanabe, his expression changed instantly!

Because he ordered Mieko to deal with Fumio Watanabe, but he didn't expect Fumio Watanabe to show up at the priest's ceremony?

Although Ono Hongichi discovered Chen Ping and the others, he didn't say anything because this was a sacrificial ceremony and it needed to be held steadily!

If Ono Hiroichi questioned Watanabe Fumio or made a fuss at this time, it would be a serious sin.

"What the hell kind of god is this?"

When Hu Mazi saw this sculpture, he couldn't help but curse!

This foul language made many believers look up and look over!

Watanabe Fumio hurriedly explained: "Master Hu, this was once a sculpture of the warrior god Toyotomi Hideyoshi hundreds of years ago. He is the only god enshrined in this Chizuru Shrine!"

"Damn, a thing that's hundreds of years old is worthy of being called a god?"

Hu Mazi snorted disdainfully!

Although Hu Mazi's voice is not loud, it can be heard clearly by everyone!

At this moment, everyone looked at Hu Mazi with angry eyes!

Ono Hongichi also had his eyes slightly focused, with a strong murderous intent in his eyes!

This is obviously causing trouble during their sacrificial ceremony!

But Hu Mazi didn't care, they came here to cause trouble.

Watanabe Fumio smiled awkwardly: "Master Hu, compared with the thousands of years of civilization in Daxia, these few hundred years are really nothing..."

At this moment, many believers have murderous expressions on their faces. If Hu Mazi dares to say one more word, they will take action without hesitation!

Even Ono Hongichi couldn't control it, his body was trembling slightly and he kept suppressing it!

Because today was too important to their Chizuru Shrine, he had no choice!

Chapter: 3276

"Invite some of them in..."

Just when Ono Hong was shaking with anger, an old voice came into his ears!

Upon seeing this, Ono Hiro could only stand up, then looked at Fumio Watanabe coldly and said: "Fumio Watanabe, you guys come in with me..."

Watanabe Fumio looked at Chen Ping beside him, and saw Chen Ping nodded. They walked towards the shrine this time!

And the sacrificial ceremony was also suspended!

Thousands of believers looked at Chen Ping and the others walking into the shrine, with envy in their eyes!

You must know that these believers are not qualified to enter the shrine at all.

Some believers who have been believers for more than ten years have never stepped foot into a shrine!

As soon as he stepped into the shrine, Ono Koichi could no longer hold back his anger. He turned to look at Watanabe Fumio and said: "Watanabe Fumio, damn you, you dare to bring people to openly provoke the shrine, and you are doing so during the sacrificial ceremony. one day!"

Ono Koichi's anger instantly enveloped Fumio Watanabe!

Watanabe Fumio's expression changed. You must know that it was very difficult for Watanabe Fumio to see Ono Hiroichi in the past.

Now being scolded by Ono Koichi like this, Watanabe Fumio is really scared!

"I'm here to meet your gods. If you need anything, you can come to me..."

Chen Ping's aura also exploded instantly, directly suppressing Ono Hongichi's aura!

"You?" Ono Hiroshi looked at Chen Ping and suddenly thought: "Are you Chen Ping, the guy who killed Qiandaochuan?"

"Yes, but now you can add one more person. I also killed Tanaka Maki."

Chen Ping smiled lightly.

"What? Tanaka-kun was killed by you?"

"Impossible, absolutely impossible..."

Ono Hongichi simply didn't believe that Chen Ping could kill Tanaka Maki.

“What’s impossible? Tanaka Maki and Mieko are both dead. Didn’t you think about what happened if you couldn’t see them?”

Chen Ping asked with a sneer on his face.

This sentence instantly made Ono Hiroshi’s eyes widen with anger and murderous intent!

“Bring them in...”

Chapter: 3277

An old voice sounded, and the murderous intention on Ono Hongyi disappeared instantly!

He could only give Chen Ping a fierce look and lead them further towards the depths of the shrine!

Soon, several people came to a shrine. The shrine was full of majesty, but under the majesty, there was a faint chill!

Ono Hong took Chen Ping and the others into the shrine!

The shrine is very large, with floors paved with precious jade stones, as well as many incense burners and pictures.

In the middle position, a withered old man was kneeling in front of a divine table!

Seeing the old man, Ono Hongyi knelt down devoutly and pressed his forehead tightly to the ground!

“sit down.....”

The old man spoke slowly, and his voice seemed to come from the distant horizon!

Chen Ping walked forward and casually sat down opposite the old man!

However, Watanabe Fumio and the others did not dare to do it.

Because although this old man was thin, he still carried a kind of majesty. Under this majesty, Watanabe Fumio and the others became nervous unconsciously!

Even Hu Mazi, who looked disdainful just now, became serious when he saw the old man!

“It’s been the first time in a hundred years that I’ve seen people from Daxia here...”

“Let me introduce myself. I am Toyotomi Hideyoshi. I believe you have all heard of my name.”

The old man looked at Chen Ping, with a look that could see through the world!

Under the old man’s gaze, Watanabe Fumio and Ma Zi did not dare to look directly at them, because they felt that the old man’s gaze seemed to be able to see through what they were thinking.

Chen Ping didn’t care at all, and looked at Toyotomi Hideyoshi with a playful look on his face: “You are just a ray of soul, so stop using your name to scare people. Now your strength is probably only one-tenth of what it is without the real body.” ?”

“And the reason why you can’t see Daxia people is because you have no way to get out of this shrine. As long as you leave here, your soul will disappear immediately...”

“How dare you curse the gods like this...”

Ono Hiroichi angrily yelled at Chen Ping!

“God?” Chen Ping smiled coldly and looked at the old man: “It’s just a corpse resurrected, why do you need to be so lofty?”

“Hahaha, it doesn’t matter whether the corpse is revived or the soul lives forever.”

“The important thing is that your golden dragon body actually came to me. I can only say that this is God’s will. My piety over the years has moved God...”

Chapter: 3278

Instead of being angry, Toyotomi Hideyoshi burst into laughter!

Hearing Toyotomi Hideyoshi’s words, Hu Mazi’s face instantly became very ugly. It seems that this old guy knows the physical constitution of Chen Ping’s golden dragon true body, and he has an attempt on Chen Ping’s physical body!

After all, if Chen Ping’s physique can be used to seize the body, it will be a huge opportunity for these guys who are possessed by the soul and reborn!

However, Chen Ping was not surprised. On the contrary, he acted very calmly!

“Do you like my body?”

Chen Ping asked calmly.

“Of course, before I see you, I don’t know how long it will take for me to see the light of day again.”

“But now God has provided that I can see you, so the time has come for me to see the light of day again.”

Toyotomi Hideyoshi said with excitement.

Seeing Toyotomi Hideyoshi’s excited look, Chen Ping looked playful: “Are you so sure that you can get my body?”

“Hmph, even if I am just a ray of soul now, in this shrine, I am also the master and a god. You can’t escape from my grasp.”

“If you obediently hand over your body, I can make your soul immortal and find you a new body.”

“These friends of yours can leave safely...”

Toyotomi Hideyoshi snorted coldly.

“What if I don’t hand it over?” Chen Ping asked.

“Don’t hand over?” Toyotomi Hideyoshi’s eyes suddenly burst out with a black light: “If you don’t hand over, then I will beat you to death and you will never be able to be reborn again.”

“And friends like you will also become sacrifices on my altar. I want to worship the gods for sending me such a body.”

The atmosphere in the entire temple changed suddenly, and the door that was originally open was now tightly closed!

Hu Mazi and the others all became nervous and prepared to take action!

“Master Hu, please relax. It’s just a ray of remnant soul. I’m afraid of a bird. After a while, I will absorb his strength and smash his shrine.”

“It’s so shameless to act like a god and call yourself a god...”

“If the gods in the island country’s shrine are all this kind of thing, I don’t mind absorbing all their strength, sitting in their position, and enjoying the feeling of being admired by thousands of people.”

Chen Ping said calmly.

Claiming to have stepped into the Martial Sainthood, Chen Ping's mood has become more and more stable. The improvement in strength has brought about incomparable self-confidence!

Chapter: 3279

"Arrogant person, you are looking for death..."

When Ono Hiro saw that Chen Ping was belittling the shrine and their gods, how could he bear it!

But just when Ono Hongyi opened his mouth, Chen Ping waved his hand without even looking at him!

A huge aura went straight to Ono Hongichi!

Ono Hiro looked shocked. He had no time to dodge and was directly knocked away by this powerful aura!

His body hit a stone pillar hard, and a mouthful of blood spurted out!

With a casual wave of Chen Ping's hand, Ono Hong was seriously injured!

When Fumio Watanabe saw this scene, his Adam's apple kept rolling. Now he regarded Chen Ping as his master even more, and he would follow him forever!

"You are just a dog, do you have the right to interrupt when we are talking?"

Chen Ping glanced at Ono Hiroichi with a stern look, then showed a faint smile and said to Toyotomi Hideyoshi: "Your dog is barking, do you mind if I help you clean it up?"

"Little Daxia, you are too crazy..."

Toyotomi Hideyoshi was furious, the anger in his body kept rising, the cold light in his eyes flashed, and the clothes on his body also moved automatically without wind.

I saw Toyotomi Hideyoshi's momentum rising, and the entire shrine was instantly shrouded in black mist, making it impossible to see even his fingers!

Sharp sounds of ghosts crying and wolf howling sounded, so Yumiko was so frightened that she hid tightly behind Fumio Watanabe!

Seeing this, Hu Mazi took out some talismans, bit off his fingers and drew several patterns on them!

Then a piece of paper was posted on everyone's body.

Soon, in their ears, the sounds of ghosts crying and wolves howling disappeared, and even the black mist was invisible!

But in the eyes of others, these still exist, and there is a trace of strange power in the black mist!

"Hundreds of years ago, no one in your country dared to speak to me like this. You, a young boy, dare to be so presumptuous!"

"Then let me peel off your soul and make you completely extinct and unable to be reborn forever..."

Saying that, Toyotomi Hideyoshi slowly reached out and grabbed Chen Ping!

Buzz.....

I saw the space within the temple trembling, and a huge palm moved towards Chen Ping!

The strange power contained in the palm instantly penetrated Chen Ping's body, and the soul in Chen Ping's body was forcefully captured!

Chapter: 3280

At this moment, Chen Ping's soul was floating in the air, but Chen Ping's body was still sitting motionless!

When Fumio Watanabe and Yumiko saw this scene, their eyes widened in fear!

They didn't expect that Chen Ping was so powerful that his soul would be taken away in an instant!

If this soul escapes from the body, I am afraid that the whole person will not survive!

However, Hu Mazi was not worried. Seeing the worried looks of the father and daughter, he advised, "Don't worry, Chen Ping will be fine."

Chen Ping has now reached the out-of-body realm. Even if Toyotomi Hideyoshi does not capture Chen Ping's soul, Chen Ping himself can still leave his body.

Toyotomi Hideyoshi couldn't help laughing when he saw that he easily captured Chen Ping's soul.

"Hahaha, you are so arrogant. I thought you were so awesome, but I didn't expect that the soul was so fragile and I caught him so easily!"

Toyotomi Hideyoshi looked at Chen Ping's body with excitement on his face!

"Have you laughed enough?"

At this time, Chen Ping suddenly spoke slowly, and then a bright green light appeared on his palm.

Now Chen Ping's soul cannot use the Dragon-Slaying Sword, but there is still a small method of condensing Qi into a sword!

I saw the bright green light turning into a long knife, and the light instantly illuminated the entire temple.

Then Chen Ping waved lightly, and the sword flashed out, slashing towards the huge palm in an instant!

puff.....

After a muffled sound, the huge palm was cut off instantly, and Chen Ping's soul lost control and returned to his body instantly!

"this....."

Toyotomi Hideyoshi stood up suddenly and took a few steps back!

He did not expect that Chen Ping's soul after leaving the body would still have fighting power and could condense his energy into a sword. This was simply incredible.

You must know that when the soul leaves the body, its strength will drop a lot, and some even have no combat effectiveness at all.

Only after possessing someone can you regain some of your strength!

But Chen Ping can condense Qi into a sword just by relying on his soul, and it's so powerful!

If Toyotomi Hideyoshi himself left his body, he doesn't even know if he would be able to reach the level of Chen Ping!

"It seems that I underestimated you. I didn't expect that your soul is so powerful and actually has the strength of your body."
