

## The Order 331

Chapter: 331

“Boy, don’t you also rely on treasures? Otherwise, how could you resist so much cold energy?”

Liao Fei’s eyes narrowed slightly and he stared at Chen Pingdao.

He wanted to find the treasure from Chen Ping’s body, but after looking at it for a long time, he didn’t know where Chen Ping’s treasure was hidden!

Hearing what Liao Fei said, Chen Ping smiled coldly: “I said, I am a treasure myself. If you have any skills, continue to use them!”

“Boy, don’t think that you are invincible because you are immune to cold poison. I’m going to let you know how powerful I am today!”

As Liao Fei said that, he directly moved the seven stars on the seven-star disk and moved the position of the seven stars a little!

After just moving the position of the Seven Stars a little, Liao Fei’s forehead was covered in sweat, as if he was about to collapse.

There were bursts of sharp whistling sounds, and soon clouds of black mist flew out from the seven-star disc, rolling towards Chen Ping like thunderclouds.

Looking at the scene in front of them, Su Wenzong and Su Yuqi were frightened, but Gu Wentian and Lin Tianhu were better off. After all, they had seen the resentful dragon on the dragon chair in Gu Wentian’s courtyard. It was also a scene like this, but even though They had met before, and the faces of the two people became ugly at this time!

“Yinhun, this is a ghost, Mr. Chen, be careful!”

Taoist Master Buxu roared, immediately pinched his fingers and muttered something!

Taoist Wuwei immediately put a hand on Taoist Master Buxu's shoulder. Now that Taoist Master Buxu was seriously injured, he was not strong enough to drive away these evil spirits, so he wanted to help Taoist Master Buxu.

But no matter how much Taoist Master Buxu recited the exorcism spell, those ghosts seemed not to be afraid at all!

Soon, clouds of black mist filled the entire room, and there were sounds of crying, screaming, and roaring everywhere. It sounded very scary!

At this time, the black mist condensed quickly and condensed into monsters with teeth and claws, rushing towards Chen Ping.

"You little ghost, how can you hurt me..."

Chen Ping raised the corner of his mouth slightly, and a contemptuous smile appeared.

Now that he has reached the sixth level of Qi training and is a veritable immortal cultivator, how can he be afraid of the little ghost?

Chen Ping flicked his finger, and several golden lights flashed, all hitting the black mist, causing the black mist to dissipate instantly.

When Liao Fei saw this, he suddenly bit his middle finger, and a drop of blood fell into the seven-star disk. Instantly, the seven-star disk began to churn, and the black mist that kept emerging began to have a faint blood-red color.

"It seems like you don't even know what the light of fireflies is, but you dare to compete with the bright moon without showing me anything!"

Facing the reddish black mist, Chen Ping suddenly stretched out his palms.

In his palms, a golden light slowly appeared.

Then the light became brighter and brighter, until finally it seemed like a dazzling sun.

Chapter: 332

“The great righteousness of the law, the art of heaven’s expansion, the light of slaying evil!”

“Collect it from me!”

With an angry shout, the ball of light instantly released endless pressure, like a brilliant sun, with golden light shining directly on the black fog.

Like a mouse meeting a cat, like white snow meeting the sun, under the light, the black mist was instantly swallowed up, and then all was sucked into Chen Ping’s body. You must know that these are all helpful to Chen Ping’s cultivation. The Ningxin Jue can swallow everything and refine everything. This is the awesomeness of the Ningxin Jue!

The light disappeared and everything returned to calm.

The room fell into deathly silence, and everyone stared at Chen Ping!

Especially Taoist Wuwei, his face was flushed with embarrassment. Remembering his disdain for Chen Ping at the beginning, he felt his face burning and extremely embarrassed!

Liao Fei held the seven-star disk and looked at Chen Ping with wide eyes: “This... what kind of magic is this? Could it be that it’s an immortal magic?”

A biting chill instantly ran through Liao Fei’s body, causing him to tremble all over.

At this time, Liao Fei’s face no longer looked arrogant and domineering at the beginning, only fear remained.

I’m afraid even his ancestor couldn’t perform such magic!

The hair on Liao Fei’s body stood on end, and there was only one thought in his mind, and that was to escape...

Escape as far as you can!

But when Liao Fei's thoughts came together, Chen Ping sneered and said, "You want to escape, right? But you don't have a chance to escape. Give me the seven-star disk, and I can make your death easier!"

Liao Fei's eyes kept moving around, as if he was thinking of some countermeasures, and he looked at the seven-star disk in his hand from time to time. He was struggling in his heart and making a decision!

"You only have ten seconds to think about it!"

"ten!"

"Nine!"

"eight!"

"....."

Looking at Chen Ping counting with an indifferent expression, Liao Fei's forehead was covered with cold sweat!

He couldn't beat him, but he was a little reluctant to hand over the seven-star disk, and Chen Ping would not let him go if he handed over the seven-star disk, he just wanted him to die more happily.

Liao Fei doesn't want to die yet. He finally got this skill. He hasn't pretended enough yet!

"one!"

Chapter: 333

Chen Ping spat out each word calmly!

"The seven-star chart is for you..."

Liao Fei didn't dare to hesitate anymore and threw the seven-star disk towards Chen Ping!

Chen Ping jumped up and directly caught the seven-star disk!

Liao Fei took advantage of Chen Ping to jump up, turned around and ran towards the door at extremely fast speed!

“Mr. Chen, Liao Fei ran away...”

Seeing Liao Fei running away, Taoist Master Buxu hurriedly shouted!

“run?”

Chen Ping raised the corner of his mouth and rushed out like a loaded cannonball!

In just a few seconds, Chen Ping came back from outside, and in his hands, he was holding the escaped Liao Fei!

At this time, the arrogant Liao Fei was like a dead dog, being grabbed by Chen Ping’s neck and brought back!

Seeing Chen Ping catch Liao Fei so easily, everyone was shocked!

Snap.....

Chen Ping threw Liao Fei to the ground and looked at him with indifferent eyes. The aura of contempt for everything on his body made everyone in the room feel like they wanted to kneel down and worship!

Liao Fei gasped for breath and looked at Chen Ping with pleading eyes: “Master... have mercy on me, Master. I have given you the seven-star disk. I hope Master will spare my life!”

“Spare you?” Chen Ping sneered and pulled Su Yuqi, who was still in shock: “When you teased my wife just now, did you ever think about such an outcome? Dragons have reverse scales, and you will die if you touch them. My wife is my reverse scale, so you must die today!”

Su Yuqi looked at Chen Ping, one hand was held by Chen Ping, and the other hand was covering her red lips. Her chest was rising and falling, and she was so excited!

Although she had never promised to marry Chen Ping and was not Chen Ping's wife at all now, when Chen Ping said those words just now, Su Yuqi became uneasy. At this moment, Chen Ping, in Su Yuqi's eyes, that tall and handsome Prince Charming!

If Chen Ping proposed to her at this time, she would agree without hesitation!

"No... I can't die, you can't kill me, my master is a Taoist exterminator, if you kill me, he will avenge me!"

Liao Fei's face was full of panic, his body was wet, and he actually peed in fear!

"I'll just wait!"

Chen Ping smiled indifferently, and then stepped down!

puff.....

Chapter: 334

Liao Fei's head exploded like a ripe watermelon!

"ah....."

Su Yuqi was startled and jumped directly into Chen Ping's arms!

Looking at the scene in front of him, Su Wenzong had mixed feelings in his heart, while Lin Tianhu and Gu Wentian on the side were thinking about the envious looks that Su Wenzong cast!

In terms of status, Su Wenzong is still behind Gu Wentian and Lin Tianhu. Even though he is the richest man in Hongcheng, in this era when everyone is martial, the status of a purely business family is not very high!

Only if there are warriors or ancient warriors in the family can the status of the family be improved.

Now that Su Wenzong suddenly has a son-in-law like Chen Ping, it goes without saying that the status of their Su family goes without saying. Even Gu Wentian and Lin Tianhu will have to be polite when meeting Su Wenzong in the future!

“Mr. Su, congratulations!”

Gu Wentian followed Su Wenzong in a low voice and congratulated him!

Su Wenzong smiled modestly: “The ancients said it was too early, but now the young people can’t say for sure.”

“Since Mr. Su knows that it’s uncertain, why not make a match as soon as possible to avoid long nights and dreams!”

Gu Wentian smiled at Su Wenzong, and Su Wenzong immediately understood what Gu Wentian meant!

Taoist Master Buxu asked someone to clean the room. Only after it was cleaned, Su Yuqi left Chen Ping’s arms!

“You...did you do it on purpose, to take advantage of me on purpose?”

Su Yuqi asked Chen Ping.

“Who took advantage of you? It was obviously you who got into my arms yourself.”

Chen Ping said with a confused look.

“That’s not what I’m talking about. What I’m talking about is, who told you to say that I am your wife just now? Aren’t you taking advantage of me?”

Su Yuqi pretended to be angry.

“Oh, I thought you were willing to be my wife, but it turned out to be wishful thinking on my part. I won’t say anything about it from now on!”

Chen Ping said calmly. After saying that, Chen Ping turned around and walked outside the house. The moment he turned around, Chen Ping raised the corners of his mouth and smiled secretly!

Su Yuqi was stunned and a little stupid. She was joking with Chen Ping just now. Why didn't Chen Ping see it?

Su Wenzong was also a little stupid at this time. He stepped forward and pinched Su Yuqi: "What are you talking about? If it weren't for Chen Ping, we would all be dead. You see Chen Ping is sad, why don't you go and persuade him quickly?" Advise! "

Su Yuqi was a little embarrassed, but she finally gritted her teeth and ran out!

Chapter: 335

"Gu Gu, Mr. Chen wants the magic pen and cinnabar. I'll go get them now!"

After Taoist Master Buxu finished speaking, he turned around and walked to the side room. He quickly brought the spiritual pen and cinnabar and handed them to Gu Wentian!

"Old, please ask me, although the cold air of my little girl has been completely absorbed, the ice crystal body that Mr. Chen said will automatically absorb the cold air. It won't take long, little girl. Aren't we going to suffer from the cold again?"

Taoist Master Buxu said to Gu Wentian with a pleading face.

"Okay, I'll go ask Mr. Chen right now!"

Gu Wentian took the spiritual pen and cinnabar, nodded and said.

But just when Gu Wentian was about to go out to ask Chen Ping, Su Yuqi's roar suddenly came from outside: "Damn it, Chen Ping, if you dare to lie to me, I will beat you to death..."

I saw Chen Ping running into the room with a smile on his face, Su Yuqi chasing after him, but was stopped by Su Wenzong!

"Where is this? Stop fooling around!"

Su Wenzhong lectured Su Yuqi, and then looked at Gu Wentian, Taoist Master Buxu and others with an embarrassed look on his face and smiled!

Several people also smiled, with envy in their eyes!

“Mr. Chen, although the cold energy of Taoist Master Fuxu’s daughter has been absorbed quickly, you also said that she has a body of ice crystal and can continuously absorb the cold energy. I’m afraid it won’t be used. How long will it take before her body will be invaded by the cold air again, so...”

Before Gu Wentian could finish speaking to Chen Ping, Chen Ping interrupted him with a wave of his hand.

“Taoist Master Buxu, your daughter will be fine for the time being. His ice crystal body is a physique that is rare to see in a hundred years. With my current strength, I can help her completely get rid of the cold air, but I hope even more She can take up the path of cultivation, so when my strength improves, I will naturally modify her physique. For now, it will not have any impact on your daughter, and I will come over regularly to help your daughter absorb the cold energy from her body!”

Chen Ping said to Taoist Master Buxu.

Chen Ping’s current strength can help Taoist Master Fuxu’s daughter get rid of the cold aura, and can also make her look beautiful forever, but in that case, the physique of this ice crystal body cannot be cultivated, and it will be wasted!

So Chen Ping plans to wait until his strength improves to help Taoist Master Fuxu’s daughter embark on the path of cultivation. However, Chen Ping also has a little selfishness of his own, that is, this cold air is of great help to Chen Ping’s cultivation, and he can just do it. By absorbing the cold energy from Taoist Master Fuxu’s daughter, he can help him practice and improve his strength!

“Thank you Mr. Chen, thank you Mr. Chen...”

As Taoist Master Buxu said, he actually wanted to kneel down to Chen Ping!

Chen Ping held up his hands: “Master Buxu, you don’t have to be so polite. I am also here for the magic pen and cinnabar, so we are just exchanging!”

“Mr. Chen’s kindness in saving my little girl’s life can’t be compared to that of a magic pen or cinnabar. If Mr. Chen can be of use to me in the future, it will be my duty as a poor man!”

Taoist Master Buxu said respectfully.

“Mr. Chen, I was careless just now and offended Mr. Chen. I hope Mr. Chen will forgive me!”

At this time, Taoist Wuwei came over and apologized to Chen Ping with an embarrassed look on his face!

Chapter: 336

The strength shown by Chen Ping had long since made him admire him!

“The two Taoists are very polite. Since the matter has been resolved, I won’t bother you!”

Chen Ping had the magic pen and cinnabar, and he couldn’t wait to go back and help his mother cure her eyes!

When we came down from Thunder Mountain, it was already dark, but Tang Long was still guarding at the foot of the mountain!

Su Yuqi volunteered to drive Chen Ping back to Panlong Bay, while Gu Wentian and the others could only squeeze into one car!

“You are a girl and you don’t go home late at night. Why do you have to send me home?”

Chen Ping was sitting in the passenger seat and asked Su Yuqi.

“I am your wife, if I don’t give it to you, who will give it to you?”

Without others around, Su Yuqi no longer has any scruples!

“Uh...” Chen Ping was at a loss for words. After a moment of pause, he said: “We are not engaged or married, so why did you become my wife? What’s more, I don’t have the money to marry you now!”

“You don’t have money, but I do. I will just support you from now on. Anyway, I recognize you!”

Su Yuqi looked at Chen Ping, raised her eyebrows slightly, and said with a bit of provocation.

Looking at Su Yuqi’s appearance, Chen Ping laughed. Chen Ping had already been tempted by Su Yuqi.

Regardless of appearance, figure, life experience, including personality, he is the kind that Chen Ping likes!

But now Chen Ping has not yet decided to follow Su Yuqi together. Ever since he embarked on the journey of cultivating immortals, Chen Ping’s state of mind has changed. Perhaps as his strength increases, Chen Ping’s age can be extended indefinitely, and as for Su Yuqi, She is just an ordinary girl!

Chen Ping plans to wait until July 15th to go to the Unnamed Island to see if there are any big opportunities. Maybe he can also lead Su Yuqi into the path of cultivating immortals.

“What? I am the eldest lady of the Su family, and I am rushing to marry you. Are you not happy with it?”

Seeing that Chen Ping stopped talking, Su Yuqi said a little unhappy.

“No!” Chen Ping shook his head: “I am a poor boy. It is a blessing to be able to marry a wife like you. But I am a man. How can I let you support me? I have to fight on my own. In the future Let you become someone the world admires!”

Hearing what Chen Ping said, Su Yuqi’s heart warmed up and she laughed happily: “I didn’t expect you to know how to sweet talk, but you don’t have to fight. I will directly ask my dad to attribute the entire Su family’s industry to your name. Just do it, anyway, now my company has been given to you, and you have become the chairman, and I don’t care about other companies, anyway, he is my daughter!”

“Uh...” Chen Ping was speechless. What’s the difference in raising him?

“Okay, let me tell you something serious. How are the medicinal materials I asked you to prepare? It’s been many days.”

Chen Ping knew that he could no longer entangle Su Yuqi with the matter of marriage. Maybe this girl would drag him to apply for a certificate tomorrow!

“It should be almost done. I’ll hurry up tomorrow and then leave it to you!”

Chapter: 337

Because all Chen Ping needs are some precious medicinal materials, it will take some time. During this time, Su Yuqi did not look for Chen Ping, but went around looking for medicinal materials!

Just as Su Yuqi was speaking, a strong wind suddenly swept across, and then the moon was covered by black clouds!

It’s about to rain heavily!

Click...

Rumble.....

After a flash of lightning, there was a huge thunder explosion!

“ah.....”

Su Yuqi screamed, her hands shook, and the car rushed directly into the ditch on the side!

Chen Ping had quick eyes and quick hands and grabbed the steering wheel, while Su Yuqi threw herself into Chen Ping’s arms!

“I’m afraid, I’m afraid of thunder.....”

Su Yuqi’s body was trembling slightly!

Chen Ping didn’t expect that Su Yuqi, as an adult, would be afraid of thunder. He couldn’t help but smile and said, “If you want to hug me, you can tell me directly. Why make such a crude excuse?”

“Bah, who wants to hug you!”

Su Yuqi straightened up, glared at Chen Ping fiercely, turned on her seat belt and said, “You drive, I won’t!”

Chen Ping had no choice but to drive by himself. It was already pouring with rain!

When Chen Ping returned to Panlong Bay and was about to reach the top of the mountain, he found a woman holding an umbrella on the road, seemingly waiting for someone!

Chen Ping drove the car closer and opened the window, only to realize that it was Geng Shanshan!

Although Geng Shanshan was holding an umbrella at this time, her whole body was soaked. When she saw that Chen Ping was back, she immediately pounced on him!

“Chen Ping, you are finally back. I have been waiting for you for a long time!”

Geng Shanshan grabbed the car window: “I was wrong, I know I was wrong, it was Xiao Lei who forced me. If I don’t marry him, he will find someone to kill my uncle and aunt. I really have no choice!”

“And it was Xiao Lei who instigated me to treat you like that. I regret it, I was wrong...”

“I have always had you in my heart and I have always liked you. Have you forgotten that when we were in college, we looked at lotus flowers and stars together?”

“At that time, you held my hand and said that you would take good care of me in this life and that we would never be separated for the rest of our lives. Have you forgotten?”

Geng Shanshan looked at Chen Ping pitifully. It was hard to tell whether it was rain or tears on her face!

Chapter: 338

Seeing Geng Shanshan like that, Chen Ping felt sick. He had no feelings for Geng Shanshan, not even hatred. This kind of person was not worthy of any emotion, not even hatred!

To Chen Ping, Geng Shanshan is like an ant. Who would have deep hatred for an ant?

“Are you done? I’m going home now!”

Chen Ping looked at Geng Shanshan coldly and said.

“No, I haven’t finished speaking!” Geng Shanshan shook her head vigorously: “Chen Ping, please forgive me, I was really forced, and I had no choice!”

“Whether you were forced to do so or not has nothing to do with me!”

Chen Ping started to roll up the car window!

But Geng Shanshan held on to the car window and refused to let go!

At this moment, Su Yuqi, who was sitting in the passenger seat, became angry. Regardless of the pouring rain outside, she opened the door and walked out!

“Do you want to be shameless? Let me go quickly. If you dare to pester my husband, believe it or not, I will find someone to break your legs?” Su Yuqi yelled at Geng Shanshan, and then looked at Geng Shanshan with contempt: “Do you think you are What is it? Compared with me, how are you better than me? Are you richer than me? Are you more powerful than me? Or are you prettier than me? ”

“Nothing is as good as me. Why should Chen Ping forgive you and choose you? A good horse never turns back. Since you don’t know how to cherish him, it’s too late to beg him now. Get out!”

Su Yuqi kicked Geng Shanshan hard and knocked Geng Shanshan down!

Geng Shanshan looked at Su Yuqi angrily, but she did not dare to say a word and had no shame to say it!

Su Yuqi was right, she couldn’t compare to her in any way, why should Chen Ping choose her?

Seeing that Geng Shanshan was being honest, Su Yuqi returned to the passenger seat and slammed the door:  
“Drive!”

Chen Ping looked at Su Yuqi, a smile appeared on his lips, and he stepped on the accelerator and rushed out!

“Chen Ping...”

Geng Shanshan roared, but Chen Ping ignored her at all!

Geng Shanshan always thought that Chen Ping was being protected by Su Yuqi. If Su Yuqi abandoned him, Chen Ping would have nothing to be afraid of. But she didn't expect that she would become a clown. Whether it was Gu Wentian or Lin Tianhu, the Su family was not capable of that. The reason for the move is all because of Chen Ping!

Geng Shanshan really couldn't understand how Chen Ping had changed to make these big shots respectful...

“Why are you laughing? Do you think I'm particularly fierce?”

Geng Shanshan glared at Chen Ping and asked.

Chen Ping shook his head hastily: “Not fierce, I like this kind of character!”

“Really?” Su Yuqi smiled: “She seduced my husband in front of me and didn't find anyone to break his legs. She is lucky!”

Chapter: 339

Soon, the car stopped steadily in front of the villa. Chen Ping got out of the car and said to Su Yuqi: “You can go back!”

“Where am I going? I'm soaked all over. If I go back like this, I'll catch a cold!”

Su Yuqi said and also got out of the car!

“What do you mean? You don't want to live here, do you?”

Chen Ping asked with a surprised look on his face.

“What’s wrong? What’s wrong with me living here? There are so many rooms here, why can’t I live here? You don’t want me to share a room with you, do you? Stop wishing!”

After Su Yuqi finished speaking, she walked straight into the villa!

Chen Ping looked at Su Yuqi’s back with helplessness on his face, but he was already excited inside!

Although he has become an immortal cultivator and his character has changed a lot, Chen Ping is still a man!

He is a normal man, so he also thinks about things that men think about!

“Chen Ping, it’s so late and it’s raining heavily. Where did you go?”

Hearing the sound of the door opening, Tang Hongying came over with a worried voice!

“Auntie, I’m sorry, we went hiking and came back too late!”

Hearing Tang Hongying’s voice, Su Yuqi hurriedly explained.

“Oh, it turns out to be Yu Qi. It’s okay. Come and sit down quickly. It’s raining so hard outside, are you all wet?”

When Tang Hongying heard Su Yuqi’s voice, her face was immediately filled with smiles.

He walked up to touch Su Yuqi and found that Su Yuqi was all wet. She was a little worried and said: “Look, she is really wet. Auntie doesn’t have many clothes, and you can’t change into them. What should you do?”

“Auntie, don’t worry, there is a room upstairs with my clothes, I can just change into them!”

Su Yuqi smiled lightly.

“Oh, look at my memory, I even forgot. This is your house to begin with, so of course it will have your clothes, so hurry up and put them on, don’t catch a cold!”

Tang Hongying urged Su Yuqi to change clothes, and then Tang Hongying called Chen Ping and said: “Chen Ping, you have to treat Yuqi well. She is a rich lady. We misunderstood her so much, but she was not angry, and she didn’t dislike her. You are poor, but you don’t mind that I am blind. You must be sure that I treat you so sincerely!”

“Mom, don’t talk about this now. I’ll cure your eyes first. Your eyes were blinded by crying the day after tomorrow. They can be easily cured!”

With the magic pen and cinnabar, Chen Ping could easily cure his mother’s eyes!

Tomorrow, when Su Yuqi prepares all the medicine and refines some elixirs, her mother’s eyes will be completely healed!

Chapter: 340

“Stop making trouble, mom can’t see well!”

Tang Hongying didn’t believe Chen Ping could cure her eyes at all: “It’s been several years, and I’m used to it!”

“Mom, sit down and don’t move. You’ll see things soon!”

Chen Ping helped Tang Hongying sit down, and then took out the magic pen and cinnabar!

Although Tang Hongying’s eyes were open at this time, they were dull and there were almost no black eyes visible in them!

Chen Ping took the magic pen, took a slight breath, and lightly dipped it on the cinnabar!

When the tip of the pen touched the cinnabar, a faint fragrance wafted out, and the cinnabar disappeared and penetrated directly into the magic pen!

“It smells so good. Chen Ping, what did you get above?”

Tang Hongying can no longer see, so her nose and ears are particularly sensitive!

“Mom, this is the elixir I asked you for on the mountain. It can cure your eyes. I’ve been told that it will definitely cure your eyes!”

Chen Ping did not tell the truth to Tang Hongying. He was afraid that Tang Hongying would find it difficult to accept him as an immortal cultivator!

“You kid, you must have been deceived. Those are all money scams. How dare you believe it!”

Tang Hongying complained to Chen Ping, but remained motionless. Deep in her heart, Tang Hongying still held a trace of fantasy, imagining that the elixir Chen Ping asked for could really cure her eyes!

Who doesn’t want to see this colorful world? Although Chen Baoguo took her around the top of the mountain in the past two days and explained it to her, it was not as shocking as seeing it with his own eyes!

Tang Hongying especially wanted to see Su Yuqi at this time, and wanted to see what her future daughter-in-law would look like!

Chen Ping took the magic pen and gently tapped Tang Hongying’s eyes: “Mom, it may hurt a little at first, please bear with it!”

After Chen Ping finished speaking, he clicked on Tang Hongying’s other eye again!

“ah.....”

Tang Hongying screamed and closed her eyes tightly, her expression a bit ferocious and painful!

Hearing Tang Hongying’s scream, Chen Baoguo, who had been sleeping in the room, walked out with his clothes on!

“Chen Ping, what’s wrong with your mother?”

Chen Baoguo looked at Tang Hongying’s expression and asked in panic.

“Dad, don’t be nervous. I put medicine on Mom’s eyes. Mom’s eyes will be able to see soon!”

Chen Ping followed Chen Baoguo in explaining!
