

## **The Order 3321**

Chapter: 3321

Chen Ping just glanced at it without any expression, because he already knew the result!

“Watanabe Fumio, now that the island country’s affairs have been settled, I believe no one will dare to touch your Watanabe family in the short term, and I am going back.”

Chen Ping said to Fumio Watanabe.

When Watanabe Fumio heard this, he felt a lot disappointed. His eyes were full of reluctance and he said: “Master, I will definitely help you take care of the island country’s affairs. I will send people to deliver all the resources to you regularly!”

“But...but...”

It seems that there is something wrong with Fumio Watanabe and he is too embarrassed to say it!

“If you have anything to say, just tell me.” Chen Ping said.

“Master, Yumiko has been studying in Daxia, so this time I hope she can return to Daxia with the master and continue to complete her studies.”

“If the master likes her, he can let her serve him all the time!”

Watanabe Fumio said.

“Yumiko is still young and should finish her studies. As for serving me, we can talk about it later!”

Chen Ping didn’t dare to really take Yumiko back to serve him!

If the women in the family find out about this, they will probably reap the rewards!

Chen Ping found Hu Mazi and took Yumiko with him to return home!

“Lao Fan, come back with us. What’s the point of being alone here?”

Hu Mazi said to Lao Fan.

“I won’t go. I’m fine here. And after this time, I don’t have to pretend to be inscrutable. No matter how low my strength is, those guys in the martial arts world of the island country will still treat me as their father. !”

“The gods they worship now are my friends, and I am very proud of them in the island country now...”

Lao Fan said with a smile on his face.

“Mr. Fan, thank you so much for these few days in the island country...”

Chen Ping is still very grateful to Lao Fan. If Lao Fan hadn’t asked Watanabe Fumio to take out the Fuji Snow Lotus, Chen Ping’s strength would not have been able to break through Wu Sheng!

Then there would be no such thing as what happened later, and it would be impossible for Chen Ping’s strength to grow so fast in the island country!

“What’s there to thank you for? Now that you have become the god of the island country, my worth has also risen accordingly.”

Lao Fan smiled slightly.

Chapter: 3322

Soon, Chen Ping and the others boarded the plane and embarked on the road back to China. On the plane, Chen Ping looked at his fists. This time when he went back, he would completely eliminate the Demonic Heart Sect...

Kyoto Airport!

Gu Ling'er, Ji Ruxue and the others knew that Chen Ping was coming back today. After they all dressed up carefully, they went to the airport to greet Chen Ping!

Several girls were waiting outside the airport, attracting a lot of attention!

Zhou Jie was among them at this time. She also dressed up specially today to pick up Hu Mazi!

Soon, Chen Ping and Hu Mazi appeared at the airport, and the two slowly walked out!

When they saw Chen Ping and the others getting off the plane, all the girls swarmed up!

But when they saw that behind Chen Ping was a young, very pretty girl, they were all stunned!

"I didn't expect that you would come to pick me up..."

Seeing Gu Ling'er and the others, Chen Ping smiled slightly.

None of the girls paid attention to Chen Ping, but stared at Yumiko behind Chen Ping.

"Oh, Yumiko, you can take a taxi to school by yourself, I won't send you off..."

Chen Ping saw that Gu Ling'er and the others were always staring at Yumiko, so he said.

"Okay Master, when I have time, can I come and play with you?"

Yumiko smiled slightly.

“Ah? This...is okay...”

Chen Ping seemed at a loss when Yumiko asked him this!

“Goodbye Master, Goodbye Master Hu...”

Yumiko waved her hand, then took a car and left!

After Yumiko left, Gu Ling'er and Xiaolan stared at Chen Ping!

“Chen Ping, you are getting better and better. No wonder you went to the island country. When you went to the island country, the maids even played with it...”

Xiaolan asked angrily.

“What are you talking about? I misunderstood. Let me explain to you...”

Chen Ping knew that these people had misunderstood!

Chapter: 3323

“What's the misunderstanding? Let's go back and explain...”

Ji Ruxue spoke!

As soon as Ji Ruxue, the eldest sister, spoke, several girls directly controlled Chen Ping and stuffed him into the car!

Hu Mazi laughed out loud when he saw Chen Ping like that!

Zhou Jie stepped forward and touched Hu Mazi's ear and said, "You didn't cause any mess when you went to the island country, right? I know that the women in the island country are not honest..."

"No, absolutely not, I promise..."

Hu Mazi chuckled, then picked up Zhou Jie and left.

.....

at dusk!

Chen Ping found Hu Mazi, and he planned to ask Zhou Jie how the search for the secret realm of the Demonic Heart Sect was going during this period!

But when Chen Ping arrived at Hu Mazi's room, he heard some indescribable sounds inside!

Chen Ping was speechless for a while and could only light a cigarette and wait!

After half an hour, the sounds in Hu Mazi's room gradually disappeared!

When Hu Mazi opened the door, he found Chen Ping standing at the door. He couldn't help but said, "Chen Ping, why are you here? When did you come?"

"I've been here for half an hour..."

Chen Ping rolled his eyes at Hu Mazi!

Hu Mazi chuckled and invited Chen Ping into the room!

At this time, Zhou Jie was also dressed, blushing and saying hello to Chen Ping!

“Zhou Jie, how are you doing with the matter in the Demonic Heart Sect’s secret realm?”

Chen Ping asked directly.

“Mr. Chen, I have discovered a secret realm of the Demonic Heart Sect, but I don’t know if it is where your girlfriend is imprisoned. If you are not here, I don’t dare to open it rashly!”

Zhou Jie said.

“Where?” Chen Ping said excitedly.

“In the backyard of the Martial Arts Alliance, the entrance to this secret realm is right there. I have already told Long Xingxu to send people to guard it continuously.”

Chapter: 3324

“But I haven’t seen anyone come out of that entrance these days. I don’t know if this secret realm has been abandoned or if there is another exit!”

Zhou Jie said.

“Let’s go, take me to see...”

Chen Ping got up impatiently and wanted to take a look!

“Chen Ping, it’s already late at night. What else are you going to see? Let’s wait until tomorrow. We can’t escape the secret realm. If it is really the secret realm of the Demon Heart Sect, we have to plan carefully and not be too reckless...”

Hu Mazi knew that Chen Ping was eager to save people, but he couldn’t act recklessly!

Chen Ping nodded, he also knew that he was a little too impatient!

After chatting with Zhou Jie for a few more words, Chen Ping left!

Because he knew that Hu Mazi had just come back and probably wouldn’t sleep that night...

After coming out of Hu Mazi’s residence, Chen Ping planned to go back to Longmen, but just after taking two steps, he met Xing Jun!

“Captain Xing, how is your injury?”

Chen Ping asked quickly when he saw it was Xing Jun.

“It’s fine a long time ago, and I’m even stronger now than before...”

Xing Jun waved his fist twice and said.

“It’s so late, what are you doing here?”

Chen Ping asked.

“Of course I’m here to find you. Mr. Shi knew you were back and specially held a banquet to treat you to dinner!”

“I can tell you that you are the first person to be invited to dinner alone by Mr. Shi...”

“Mr. Shi is very happy this time. You don’t know that when he heard that you secretly went to the island country to seek revenge, Mr. Shi was worried!”

“Later, Mr. Shi activated all the secret personnel who have been deployed in the island country for many years, just to help you!”

Xing Jun followed Chen Ping in a low voice.

“Enable secret personnel? Who?”

Chen Ping was stunned for a moment, then frowned slightly!

When he was in the island country, it seemed like there was no one to help him.

Chapter: 3325

At this moment, Chen Ping suddenly remembered a person, that was Lao Fan!

Although Lao Fan was Hu Mazi’s good friend, from the beginning, Chen Ping felt that Lao Fan took special care of him!

Including the situation of the island country that Lao Fan introduced to him at the beginning, and later forcing Fumio Watanabe to hand over the Snow Lotus, but Lao Fan gave the Snow Lotus to Chen Ping.

You must know that Chen Ping and Lao Fan just met by chance. Although Lao Fan kept saying that he bought wine in return for Chen Ping, no one would repay him with such valuable things.

Chen Ping relied on the snow lotus to break through in one leap.

Later, Chen Ping followed Kuroki Kawasaki to fight, and Lao Fan directly inquired about Kuroki Kawasaki!

Want to know who Kuroki Kawasaki is?

How could his confidential information be found out so easily?

In addition, this time Hu Mazi invited Lao Fan to return to China, but Lao Fan refused and would not come back at all!

With all these performances, Chen Ping suddenly felt that this old Fan was probably the person Mr. Shi had secretly hired!

Otherwise, just relying on the relationship between Lao Fan and Hu Mazi, Lao Fan would not have the need to help him like this...

"I don't know who this secret person is. If you want to know, you'd better ask Mr. Shi yourself!"

After Xing Jun finished speaking, he turned around and walked forward, with Chen Ping following closely behind!

At this time, the lights in the Dharma Protector Pavilion in Kyoto are brightly lit!

There was a sumptuous dinner table in the hall. Mr. Shi sat quietly at the head of the table, looking very polite!

After Chen Ping walked into the hall, Mr. Shi smiled slightly and said: "Sit down..."

Chen Ping nodded and sat opposite Mr. Shi!

Mr. Shi's eyes were fixed on Chen Ping, which made Chen Ping feel a little uncomfortable!

“Your boy’s talent and courage are indeed beyond my expectations...”

“Your strength has improved so fast these days, so fast that I can’t even imagine...”

“And your courage. You actually ran to the island country alone, became the god of the entire island country, and dared to break into the Emperor’s Palace at night...”

“I can’t see through you anymore!”

Mr. Shi said slowly.

“Actually, I don’t want to either. It’s just that after the revenge is over, those guys in the island country don’t want me to leave, so I can only play with them for a few days!”

Chapter: 3326

Chen Ping smiled helplessly.

“Hahaha, look at how you are so good and so good.”

“Okay, let’s start eating. I’ve specially prepared good wine for you today!”

As Mr. Shi said this, he waved his hand lightly, and the wine glass in front of him instantly flew towards Chen Ping!

Chen Ping stretched out his hand to catch it, only to feel his arm go numb and almost let go!

Chen Ping looked at Mr. Shi in shock. You must know that he is now a fifth-grade Martial Saint, and his true strength is comparable to the peak Martial Saint!

But I didn't want to catch the cup randomly thrown by Mr. Shi, which would actually make my arms numb!

"Pour the wine yourself..."

Mr. Shi said.

Chen Ping woke up from the shock and then poured himself a glass of wine!

The two started drinking and chatting while drinking...

"I destroyed the island country's shrine and became the god in the hearts of the island country's people. Doesn't it feel great?"

Mr. Shi asked.

Chen Ping didn't speak, just nodded!

He was indeed very happy, and at this moment his self-confidence was overwhelming.

He felt that with his current strength, he could completely destroy the Demonic Heart Sect!

Seeing Chen Ping like that, Mr. Shi smiled faintly: "But I want to tell you, even if you can dominate the entire martial arts world now, it is not a big deal, because these people in the martial arts world have not been taken seriously at all!"

"There are countless masters in the secret realm. Even the forces behind the Martial Arts Alliance will never be as unbearable as you see..."

"You still have a long way to go, very long..."

Mr. Shi said slowly, his expression becoming more and more solemn!

Chen Ping looked at Mr. Shi. He always felt that he had never really seen through Mr. Shi in such a long time!

Including Mr. Shi's strength, Chen Ping can't figure it out now!

"Mr. Shi, do you know the world of heaven and humans?"

At this time, Chen Ping remembered what the Blood Demon told him about the world of heaven and humanity!

Chapter: 3327

Chen Ping didn't even know what the world of heaven and humanity was.

"Who told you about the world of heaven and humans?"

Mr. Shi frowned slightly.

Chen Ping told Mr. Shi everything about what happened on Penglai Island. When he heard that it was the Blood Demon who said it, Mr. Shi's expression became much calmer!

"Since you want to know, let me tell you that there are countless worlds in the entire time and space, but because they are in different time and space dimensions, they cannot be felt at all!"

"Just like the secret realm you discovered now, although we are in the same time and space, not many people know the existence of the secret realm!"

"And this human world is also a world, but it is no longer the same dimension as the current world..."

“When you are truly capable of traveling through time and space, you can go to other worlds at will!”

Mr. Shi followed Chen Ping in explaining!

Chen Ping looked at Mr. Shi in surprise. He couldn't understand how Mr. Shi knew this?

After a meal, when Chen Ping left, he had many complicated emotions in his heart!

Originally, he had absorbed the strength of so many martial saints in the island country, and he had already reached the fifth-level martial saint. This kind of existence that was invincible in the entire martial arts world made Chen Ping feel somewhat elated, so he thought about it after returning to the country. The first thing is to destroy the Demon Heart Sect!

But now after listening to Mr. Shi's words and the fact that Mr. Shi waved the wine glass casually at the beginning, which made his arm numb, Chen Ping realized that his ability was not enough to dazzle the others!

That night, Chen Ping thought a lot, and he found more and more that Mr. Shi's identity became more and more confusing!

Early the next morning!

Hu Mazi and Zhou Jie found Chen Ping!

The three of them came to the former site of the Kyoto Martial Arts Alliance. At this time, this place had become the territory of Longmen, and there were disciples of Longmen guarding the door!

Seeing Chen Ping coming, the disciples all stood upright and shouted loudly: “Hello, Master...”

Chen Ping nodded slightly and then walked in!

“Brother Chen Ping...”

When Long Xingxu saw Chen Ping coming, he hurriedly greeted him!

“How’s it going? There’s nothing going on here during this time, right?”

Chen Ping asked.

“No, after Miss Zhou told me to send more manpower, I personally watched it and didn’t find anything strange!”

Chapter: 3328

Long Xingxu said.

“Well, now take us to see...”

Chen Ping said.

Long Xingxu took Chen Ping and the others to the backyard. This was originally where the Martial Arts Alliance’s dungeon was located, but after the Martial Arts Alliance was destroyed by Chen Ping, there was no dungeon here!

Chen Ping glanced at Zhou Jie, who slowly raised her hands, as if groping for something!

Soon, her palms stopped in mid-air, and then light flashed in the palms of her hands!

“Miss Zhou, is this the entrance to the secret realm?”

Chen Ping asked when he saw Zhou Jie was motionless.

Zhou Jie nodded: “Yes, the entrance to the secret realm is here, and I am sure it is the secret realm of the Demon Heart Sect, because the aura at the entrance is very similar to our Demon Spirit Sect!”

When Chen Ping heard this, he was immediately excited: “Then open it quickly...”

After Zhou Jie heard this, the light in her palms shone brighter, and she began to mutter words, as if she was chanting a spell!

Then a black hole appeared in the void, and then the black hole became bigger and bigger.

When Chen Ping saw this, his eyes flashed with excitement, and he couldn’t wait to jump towards the black hole!

Buzz.....

Just when Chen Ping was about to pass through the black hole, his body suddenly seemed to be hit by a huge force and bounced out!

Chen Ping looked at Zhou Jie in surprise, and Zhou Jie also frowned and said: “Although this secret realm of Demon Heart Sect is similar to ours, it’s just that they added an extra spell, which is like a door. It’s like they added an extra lock.”

“Although I can open one lock, I can’t open the extra lock...”

Zhou Jie followed Chen Ping and explained!

When Chen Ping heard this, he also frowned. It was obvious that the Demon Heart Sect was already on guard. He knew that Chen Ping would definitely use his relationship with the Demon Spirit Sect to open their secret realm, so he added an extra spell at the entrance of the secret realm. !

Looking at the secret realm just around the corner, Chen Ping knew that Su Yuqi was here now and could no longer suppress the anger in his heart!

The aura on Chen Ping's body began to rise crazily, and golden light flashed on his fists!

"Chen Ping..."

Seeing this, Hu Mazi hurriedly shouted!

But at this time, Chen Ping's eyes began to become bloodshot and turned scarlet!

Chapter: 3329

"Break it for me..."

Chen Ping punched hard towards the entrance of the secret realm!

This punch instantly broke through the void, and there were bursts of sounds of breaking through the air!

The rumble, like thunder, resounded throughout Kyoto!

Chen Ping's punch could probably flatten a mountain!

But the strange thing is that Chen Ping's punch hit the black hole at the entrance of the secret realm, but it didn't cause any waves at all. The extremely powerful punch disappeared in an instant, as if it was swallowed by the black hole!

Seeing this, Chen Ping punched out again, each punch a little stronger!

After more than a dozen punches in a row, Chen Ping's forehead was already covered with sweat, but the entrance to the secret realm in front of him did not change at all!

Chen Ping gasped for breath and looked helplessly at the entrance to the secret realm in front of him!

“Mr. Chen, it’s useless. No matter how powerful you are, you can’t break through the entrance to this secret realm.”

“Because the entrance to the secret realm is not a physical thing, it is like a crack in time and space, so your power cannot cause harm at all!”

Zhou Jie persuaded Chen Ping.

“Then what should we do? What should we do? Are we just going to watch Yuqi suffer inside?”

Chen Ping collapsed!

Even though he is now a fifth-grade Martial Saint, he is still unable to cope with the secret realm!

At this time, Chen Ping was deeply hit. The confidence he felt at the beginning has long since disappeared!

“Mr. Chen, there is no way to open the secret realm, but...”

Zhou Jie wanted to speak but stopped.

“What do you want? Tell me quickly, as long as you can enter the secret realm and rescue Yu Qi, you can pay any price...”

Chen Ping asked hurriedly.

“I know that there is a Bailian Pavilion in Buyun Mountain, and there is a Heavenly Secret Token in this Bailian Pavilion. I heard that this Heavenly Secret Token can open the entrance to any secret realm!”

“It’s just that this Tianji Token is the treasure of Bailian Pavilion, so it won’t be loaned out easily. However, the master of Bailian Pavilion likes to collect various magic weapons. If there is a magic weapon he likes, it can be I lent you the secret order!”

Zhou Jie said to Chen Ping.

“Bailian Pavilion, Tianji Order?” Chen Ping frowned slightly: “Why have I never heard of it?”

Chapter: 3330

Although Chen Ping entered the martial arts world not long ago, as his strength and fame have increased, his popularity in the martial arts world has also increased, and he has a general understanding of many sects in the martial arts world!

Chen Ping now knows a thing or two about even those families who are the spokespersons of the secret realm, but he has never heard of the Bailian Pavilion sect!

“Mr. Chen doesn’t know something. Although the Bailian Pavilion is in the secular world, it rarely interacts with the martial arts families in the secular world. All the Bailian Pavilion comes into contact with are the families in the major secret realms!”

“Because Bailian Pavilion can refine magical weapons, and with the Tianji Token in hand, many secret realm families have dealt with Bailian Pavilion.”

Zhou Jie followed Chen Ping and explained.

Only then did Chen Ping realize, so he asked: “Where is Bailian Pavilion in Buyun Mountain? I’ll go look for it now...”

“I don’t know the specific place. I just heard others mention it when I was in the Demon Spirit Sect.”

Zhou Jie shook her head and said.

Chen Ping knew about Buyun Mountain, but Buyun Mountain stretched for hundreds of miles. Where could he find Bailian Pavilion?

Moreover, Bailian Pavilion has little contact with the martial arts family. Even if Chen Ping inquires about other families, he may not know the news!

If you rush to Demon Spirit Sect to ask other people now, it would be too far and a waste of time!

Just when Chen Ping was at a loss, he suddenly thought of Mr. Shi!

Since Mr. Shi even knows about the world of heaven and humans, maybe he also knows about Bailian Pavilion!

Thinking of this, Chen Ping turned around and walked out. He was going to ask Mr. Shi!

“Chen Ping, where are you going?”

Seeing this, Hu Mazi asked hurriedly.

But Chen Pingren has already gone far, and he has no idea what he is going to do!

“You guys secure the entrance to the secret realm, and I’ll go after him...”

Hu Mazi knew that Chen Ping was furious now, and he was afraid that Chen Ping would do something irrational, so he chased after him!

When Hu Mazi chased Chen Ping to the Dharma Protector Pavilion, Hu Mazi was stunned!

He doesn’t understand what Chen Ping is doing here!

“Chen Ping, what are you doing here? Do you still want the officials to help you find that Bailian Pavilion?”

Hu Mazi stepped forward and grabbed Chen Ping and asked.

“Yes, I’m going to ask Mr. Shi...”
