

The Order 3331

Chapter: 3331

Chen Ping nodded and said!

When Hu Mazi heard this, he was immediately shocked: “Chen Ping, you are desperate. You know that you have to summon Mr. Shi before you can see him. Who dares to disturb Mr. Shi without summoning him?”

“I advise you not to mess with Mr. Shi. Although Mr. Shi treats you well, you must also be measured!”

Hearing that Chen Ping was going to find Mr. Shi, Hu Mazi’s face became very ugly!

“Don’t worry, nothing will happen. Mr. Shi will never make things difficult for me...”

Chen Ping said.

But Hu Mazi held Chen Ping tightly and refused to let him in.

At this moment, Xing Jun walked out and was slightly startled when he saw Chen Ping and Hu Mazi!

“Chen Ping, you are really at the door. Mr. Shi just asked me to come out and invite you in...”

Xing Jun’s words also stunned Chen Ping. It was obvious that Mr. Shi knew that he had arrived!

“Master Hu, please let go, Mr. Shi summoned you this time...”

Chen Ping said to Hu Mazi.

Only then did Hu Mazi let go, and Chen Ping continued: "Do you want to go in with me?"

"No, I won't go in..."

Hu Mazi backed away repeatedly. When he saw him coming out, he was afraid of seeing Mr. Shi!

Chen Ping smiled. After being in contact with Mr. Shi for such a long time, Chen Ping did not think Mr. Shi was scary. He was quite kind at times.

Chen Ping followed Xing Jun into Mr. Shi's room, and then Xing Jun pushed him out!

"Chen Ping, come to see me early in the morning. Did you drink too much last night and want some more?"

Mr. Shi smiled slightly.

Chen Ping shook his head: "Mr. Shi, I came here to ask you if you know about Bailian Pavilion?"

"I know, and Shi Qingpei, the master of Bailian Pavilion, has some connections with me..."

Mr. Shi said.

"Origin? What origin? Mr. Shi must know the specific location of Bailian Pavilion."

When Chen Ping saw that Mr. Shi knew about it, he was immediately overjoyed!

Chapter: 3332

"Of course I know. Are you looking for Bailian Pavilion to get the Tianji Token and open the entrance to the secret realm?"

Mr. Shi smiled.

Chen Ping was stunned. He didn't understand how Mr. Shi seemed to be able to see through his mind and guess everything!

"That's right, I found the entrance to a secret realm in the backyard of the Martial Arts Alliance. My girlfriend is probably locked inside!"

Chen Ping said truthfully.

"I will tell you the address of Bailian Pavilion, and then give you a token. As long as you find Shi Qingpei with it, he will naturally lend it to the Tianji Token!"

After Mr. Shi finished speaking, he picked up a writing brush from the table, threw it to Chen Ping, and also told the exact address of Bailian Pavilion!

Chen Ping took the brush, and a spiritual consciousness covered it. He found that the brush was just a very ordinary brush, without any spiritual energy fluctuations!

Chen Ping didn't understand how this very ordinary brush could become a token!

But he did not dare to question Mr. Shi, so he could only say thanks and retreat from the Dharma Protector Pavilion!

"Chen Ping, how are you? Have you asked?"

Seeing Chen Ping come out, Hu Mazi asked.

Chen Ping nodded: "Now that the question has been asked, we are going to Bailian Pavilion..."

Just one day after returning, Chen Ping was leaving again.

Although Gu Ling'er and the others were reluctant to give up, they knew that Chen Ping was also trying to save Su Yuqi, so they could only pray that Chen Ping would have a safe journey!

The most reluctant ones are Hu Mazi and Zhou Jie!

While waiting for the bus, Hu Mazi followed Zhou Jie for a while before setting off with Chen Ping!

And just when Chen Ping followed Hu Mazi to Bailian Pavilion in Buyun Mountain, a ray of light flashed through the secret territory of Demon Heart Sect, and Ning Zhi and the Demon Envoy slowly walked out of the light!

At this time, Ning Zhi's body exuded a powerful aura, with a strong sense of oppression!

"As expected of the Flame Demon Body, your physique and bloodline have begun to develop. In such a short period of time, you have surpassed the level of Martial Saint and reached the strength of a fourth-grade Martial Saint."

"With your Fire Demon body, even if you encounter a fifth-grade Martial Saint, you can definitely win!"

The magic envoy looked at Ning Zhi with great appreciation and said.

"It's all thanks to the cultivation of Mighty Master and Demon Envoy. I will definitely try my best to make our sect more prosperous in the future!"

Ning Zhi said very modestly.

Chapter: 3333

"Very good, I know you have always wanted to find Chen Ping to avenge his father's murder, so here is your chance!"

"Then Chen Ping found the entrance to our secret realm and tried to force the entrance to the secret realm, but failed, so I want you to go out and stop that Chen Ping from entering our secret realm!"

The devil said calmly.

“Master Demon Envoy, no matter how powerful we are, the entrance to our secret realm cannot be opened. Even if we don’t stop it, it is impossible for Chen Ping to step into the secret realm, right?”

Ning Zhi said with some doubts!

After all, a spell has been added to the entrance to the secret realm. Unless there is a spell to enter the secret realm, there is no way to enter!

“You have something to say. Although brute force cannot open the entrance to the secret realm, there is something that can. I believe that the guys from the Demon Spirit Sect must have told Chen Ping, and maybe Chen Ping has already set out to find it.”

“If he really gets it, he can easily enter our secret realm. Not only can he enter the secret realm of the dungeon, but he can also easily enter the secret realm where we currently live and practice.”

Worry appeared on the demon’s face.

“What is so powerful?”

Ning Zhi’s face was full of surprise.

“The Secret Order of Bailian Pavilion...”

“You can go to Bailian Pavilion and talk to them in the name of our Demon Heart Sect. I hope they can help. It would be best if you can capture Chen Ping alive!”

“If you can’t, then beat him to death. This time we will never let him live again!”

After the magician finished speaking, he took out a small gourd that was only a dozen centimeters long. There was a red rope tied to the gourd!

“The master of Bailian Pavilion is a master of weapon refining, but he only likes to collect magic weapons in his life. If you take this thing, I believe he will definitely help when he sees this thing.”

The demon envoy handed the small gourd to Ning Zhi!

Ning Zhi took a look and said with a somewhat confused expression: “Master Demon Envoy, is this little gourd some kind of high-level magic weapon?”

“Stop asking, just do as I say!”

“The master of Bailian Pavilion will tell you the beauty of this gourd when the time comes.”

The magic envoy waved his hand!

Ning Zhi knelt down on one knee, nodded heavily and said: “This subordinate will never disgrace his mission and will definitely capture Chen Ping alive...”

.....

Buyun Mountain, Bailian Pavilion!

Chapter: 3334

Bailian Pavilion is located in the hinterland of Buyun Mountain. It is almost isolated from the world and ordinary people cannot find it at all.

Because the mountain road is steep, ordinary people cannot reach it!

But for warriors or monks, it doesn't matter how difficult the road is!

At this time, at the entrance of Bailian Pavilion, Ning Zhi was looking up at the majestic gate. There were no guards on both sides of the gate, only two dragon and tiger sculptures. Looking deep from the gate, he saw nothing inside. No, it's dark!

From inside Bailian Pavilion, there was an invisible sense of pressure, which made Ning Zhi feel a little nervous!

Since there was no guard at the door and there was no way to notify him, Ning Zhi walked straight into Bailian Pavilion!

But as soon as he stepped into the door, two terrifying auras suddenly hit him!

Ning Zhi was slightly startled, and then the dragon and tiger sculptures on both sides came to life at this moment, spitting out a terrifying breath and pounced on Ning Zhi!

When Ning Zhi saw this, he suddenly retreated and retreated more than ten meters!

When Ning Zhi's body exited the Bailian Pavilion, the fierce dragon and tiger just now turned into a sculpture again!

Cold sweat broke out on Ning Zhi's forehead: "What a powerful magic weapon. No wonder this place is called the holy land for weapon refining..."

No one could have imagined that although there were no guards at the door, two magical weapons were placed to guard it. What a great gesture!

Among the martial arts families in the entire secular world, I am afraid that I cannot find such a generous person.

"Who is coming..."

At this time, a middle-aged man in a robe came out and shouted sharply at Ning Zhi!

“I am Ning Zhi of the Demonic Heart Sect, who is here to see the master of Bailian Pavilion.”

Ning Zhi said very politely.

Although he has now reached the level of a fourth-grade Martial Saint, and this middle-aged man is just a powerful Martial Lord, Ning Zhi does not dare to show the slightest disrespect!

“People from the Demonic Heart Sect?” The middle-aged man was slightly startled, and then said: “Come in with me...”

Ning Zhi followed the middle-aged man into Bailian Pavilion!

Although he has entered Bailian Pavilion, Ning Zhi’s eyes can only see a distance of about ten meters, and the rest of the place is shrouded in darkness!

It is almost impossible to see the entire Bailian Pavilion clearly. Ning Zhi guessed that the Bailian Pavilion must also be shrouded by a huge magical weapon, which would cause this situation!

The middle-aged man took Ning Zhi to a living room, then knocked on the door and said: “Young Master, someone from the Demon Heart Sect wants to see you...”

“Here comes another fucking person. I’m really annoyed. This is the first time.” A very impatient roar came from the room, but then he still said: “Let him come in...”

Chapter: 3335

The middle-aged man opened the door and said to Ning Zhi: “Go in, but according to the rules, you only have half an hour...”

Ning Zhi was stunned. He didn’t know that Bailian Pavilion had such a rule.

But half an hour is only half an hour. What he wants to explain can be finished in half an hour!

After Ning Zhi entered, he saw a young man sitting on a chair, about the same age as himself, holding a folding fan in his hand, and behind him there was a very beautiful girl massaging the young man!

The young man raised his eyes and looked at Ning Zhi who walked in. Then he narrowed his eyes and said, "In half an hour, you can choose by yourself. Once you have chosen, we will look at the goods and negotiate the price..."

Ning Zhi was stunned by these words, but when he saw all kinds of magical artifacts placed around the room, he finally understood what the young man in front of him meant!

This mistook him for someone who came to buy a magical weapon, but Ning Zhi did not come to buy a magical weapon!

"I'm sorry, I'm not here to buy magic weapons, I'm here to see the master of Bailian Pavilion!"

Ning Zhi said calmly.

Hearing Ning Zhi say that he was looking for the Pavilion Master, the young man opened his eyes again and looked at Ning Zhi. He said with some vigilance in his eyes: "Why are you looking for my dad? My dad is in seclusion refining weapons, so I don't have time to see him. you....."

When Ning Zhi heard that the young man opposite was the Young Pavilion Master of Bailian Pavilion, he quickly smiled and said: "It turns out to be the Young Pavilion Master, I'm being disrespectful. I was entrusted by the Demon Envoy to present a magic weapon to the Pavilion Master. ."

When the young man heard that Ning Zhi was here to deliver the magic weapon, his expression immediately became enthusiastic. He waved his hand to the girl behind him and said, "Go out..."

The girl retreated obediently. The young man stood up and said to Ning Zhi: "Please sit down quickly. My name is Shi Yan. Do you know your surname?"

“My name is Ning Zhi...”

Ning Zhi nodded slightly and said!

“Oh, Brother Ning, please sit down quickly...”

Shi Yan asked Ning Zhi to sit down and poured Ning Zhi a cup of tea himself: “I wonder what magical weapon Brother Ning brought to my father?”

“this.....”

Ning Zhi hesitated, and then said: “Young Pavilion Master, the Demon Envoy told you at that time that you have to hand over the magic weapon to the Pavilion Master personally, because only the Pavilion Master can use this magic weapon.”

When Shi Yan heard this, he frowned slightly: “Brother Ning, my father is in seclusion to refine weapons. I’m afraid he won’t be able to come out for a while. Since you don’t trust me, please come back...”

Ning Zhi saw that Shi Yan was a little angry and hurriedly said: “Young Pavilion Master misunderstood, how could I not trust you? I’m just afraid that if you give this magic weapon to Young Pavilion Master, you won’t know how to activate it!”

With that said, Ning Zhi took out the small gourd and placed it on the table!

Shi Yan looked at the small gourd in front of him, took it in his hand and started playing with it!

I saw that this small gourd looked very simple, and I couldn’t feel the aura fluctuations inside.

Chapter: 3336

“Are you sure this is a magic weapon?”

Shi Yan asked with some disbelief.

“Young Pavilion Master, our Lord Demon Envoy did say that this is a magic weapon, but I don’t know how to activate it specifically.”

Ning Zhi said truthfully.

“Strange, how could I not feel the magic weapon in my hand?”

Shi Yan frowned slightly, then said to Ning Zhi: “Brother Ning, please wait here for a moment, I’ll be back soon...”

Shi Yan took the gourd and left.

I saw Shi Yan taking the gourd to a room in the backyard. The room was very dark, and an old man with white hair was sleeping snoring loudly!

“Old Yan...”

Shi Yan shouted softly, and the old man opened his eyes instantly!

“Shi Yan, is there another magic weapon that you can’t understand?”

After Yan Lao opened his eyes and saw that it was Shi Yan, he stood up and yawned and asked.

“Mr. Yan, someone did send a magic weapon. I can’t understand it. I hope Mr. Yan can identify it!”

With that said, Shi Yan took out the gourd!

This Mr. Yan is the weapon appraiser of Bailian Pavilion. Most of the magic weapons pass through his hands, and the grade of the magic tools can be seen. Even the master of the pavilion, Shi Qingpei, respects Mr. Yan, so this Shi Yan He was also polite to Mr. Yan.

I saw Mr. Yan picking up the small gourd and playing with it twice, with a sudden look of surprise in his eyes!

Seeing Mr. Yan's expression, Shi Yan was shocked and asked quickly: "Old Yan, is this really a magic weapon?"

"Yes, and this is a top-grade magic weapon."

Yan Lao's face was full of excitement, and then he picked up a mallet beside him and tapped it lightly on the gourd!

I don't know what spell was recited in Yan Lao's mouth, but the gourd that originally looked simple and old began to glow with purple light!

The light soared into the sky, lighting up the entire room!

Shi Yan looked at the light and was stunned!

As Yan Lao's spell slowly ceased, the light gradually faded away!

At this moment, the originally old and simple gourd became radiant, and waves of huge aura were emanating from the gourd!

Chapter: 3337

"Mr. Yan, this... what kind of magical weapon is this?"

Shi Yan asked in surprise.

“This is a purple gold gourd, which contains the power of heaven and earth. I heard that this purple gold gourd used to be a creature of the demon world. I don’t know how it got into your hands.”

Mr. Yan said puzzledly.

“Mr. Yan, this gourd was sent by the people from the Demonic Heart Sect.”

Shi Yan quickly explained.

“Oh...” Mr. Yan nodded, and then reminded Shi Yan: “They sent such a valuable magic weapon, they must be asking for something. Your father is currently in seclusion refining the weapon, there are some things you have to be cautious about, Never agree to other people’s requests carelessly.”

Yan Lao knows that no merit will be rewarded. Since the other party has sent such a good magic weapon, it must be for Bailian Pavilion. Shi Yan is too young, so Yan Lao will tell him!

“Don’t worry, Mr. Yan, I know what to do!”

Shi Yan nodded, then took the gourd and left!

As soon as he walked out of the room, Shi Yan poured his energy into the gourd. In an instant, the gourd burst out with a burst of terrifying light. The huge aura spread to all directions, and the entire Bailian Pavilion began to shake!

Bai Lian Pavilion was protected by a magic weapon. At this moment, the aura emanating from the gourd conflicted with the magic weapon of Bai Lian Pavilion, causing Bai Lian Pavilion to shake!

Seeing this, Shi Yan quickly regained his strength, and the terrifying aura slowly disappeared!

“It’s such a powerful force, it almost destroyed all the magic weapons of our Bailian Pavilion...”

Shi Yan looked at the gourd in his hand, his eyes full of heat!

Shi Yan returned to the room. Ning Zhi was still waiting anxiously. When he saw Shi Yan coming back, he quickly stood up and said: "Young Pavilion Master, how are you?"

"Brother Ning, this gourd given by your Demonic Heart Sect is indeed a good magical weapon, but it will not be rewarded without merit. Do you have anything to ask of our Bailian Pavilion? If you have any questions, just tell us!"

Shi Yan asked bluntly.

Ning Zhi saw that Shi Yan was so direct and did not mince words, and said truthfully: "Brother Ning, we gave you the magic weapon of Bailian Pavilion in the hope that you can help our Demonic Heart Sect catch someone!"

"Who to arrest?" Shi Yan asked.

"Catch Chen Ping. Then Chen Ping wants to step into the secret realm of our Demonic Heart Sect, but he can't open the entrance to the secret realm at all, so he is very likely to come back to your Bailian Pavilion to borrow the Tianji Token!"

"So what our Lord Demon Envoy means is that we hope that Bailian Pavilion will not lend him the Tianji Token, and help us catch him!"

Ning Zhi said.

"Chen Ping?" Shi Yan thought for a moment, then suddenly his eyes lit up and he said, "I seem to have heard of this name. He is the boy who is particularly arrogant in the martial arts world. He seems to have destroyed the Kyoto Martial Arts Alliance!"

Chapter: 3338

Because Bailian Pavilion didn't have many contacts with the martial arts world, Shi Yan knew very little about Chen Ping, and he didn't even know that the Demon Heart Sect was behind the Kyoto Martial Arts Alliance!

When Ning Zhi heard Shi Yan saying that Chen Ping had destroyed the Martial Arts Alliance, his heart obviously twitched violently!

"Yes, this is the person. He has some enmity with our Demon Heart Sect, so we hope Bailian Pavilion can help us catch him!"

Ning Zhi nodded and said!

"Don't worry about this. Do you really think that anyone can borrow the Tianji Token from our Bailian Pavilion?"

"Besides, if you want to catch him, I can help. But after catching Chen Ping, I don't want this matter to spread."

"After all, we at Bailian Pavilion are doing business, and we don't want to get involved in your so-called secret battle!"

Shi Yan said to Ning Zhi.

The reason why Bailian Pavilion can exist stably is because Bailian Pavilion only refines weapons for sale and does not participate in battles!

Moreover, Bailian Pavilion also has a magical weapon that makes all secret realms fearful, and that is the Tianji Token!

Because with the Tianji Token, the entrance to any secret realm can be opened, so no secret realm dares to follow Bailian Pavilion as an enemy!

If Bailian Pavilion were to give the Tianji Token to the hostile secret realm, it would be more of a loss than a gain!

“Young Pavilion Master, don’t worry. No one will know about this except you and me. Then Chen Ping will not be able to leave our Demon Heart Sect alive.”

Ning Zhi assured Shi Yan.

“This is the best, I promise you!”

Shi Yan smiled lightly and said!

Seeing that Shi Yan agreed, Ning Zhi was very excited. As long as Chen Ping dared to come to Bailian Pavilion, he would definitely not be able to escape!

At this moment, a member of Bailian Pavilion came over and said to Shi Yan: “Young Master, there are two more people outside the door asking to see you.”

“It’s really not giving me any peace of mind these days. People come and look at the monitor all day long. I’m so annoyed...”

Shi Yan looked unhappy, and then asked: “Who is here? If it’s not important, let them go. I don’t have time to receive them.”

“Young Master, that man said his name is Chen Ping...”

The member of Bailian Pavilion said.

As soon as he finished speaking, Shi Yan and Ning Zhi were both stunned. They didn’t expect that Cao Cao would be here!

“Invite them in quickly...”

Chapter: 3339

Shi Yan ordered.

Just when the members of Bailian Pavilion went to invite Chen Ping and the others, Shi Yan asked Ning Zhi to hide.

At this time, Chen Ping and Hu Mazi, who were at the door, looked at the majestic door of Bailian Pavilion and the dragon and tiger sculptures on both sides, and couldn't help but sigh!

“Using two magic weapons to guard the gate, this Bailian Pavilion is really a big deal.”

Hu Mazi looked at the dragon and tiger sculpture in front of him, his eyes full of shock!

“You two, please come in...”

At this time, members of Bailian Pavilion came and said to Chen Ping and Hu Mazi!

Chen Ping followed Hu Mazi into Bailian Pavilion!

After entering a hall, Chen Ping and Hu Mazi were stunned by the sight in front of them.

There are all kinds of magic weapons placed all around! There are all kinds of magic weapons!

The various magical instruments dazzled Hu Mazi!

Chen Ping glanced at the magic weapons and found that although there were many types of magic weapons here, there were very few high-grade magic weapons. They were all very ordinary magic weapons!

“You two, are you here to buy magic weapons?”

At this time, Shi Yan came out and asked Chen Ping and Hu Mazi.

“We are not here to buy magic weapons. We want to borrow something from Pavilion Master Shi.”

Chen Ping said very politely: “Who are you??”

“My name is Shi Yan, and the master of Bailian Pavilion is my father.”

Shi Yan introduced himself!

“Oh, it turns out to be the Young Pavilion Master, my name is Chen Ping...”

Chen Ping quickly shook hands with Shi Yan!

After all, you are here to borrow something from someone else, so you should be polite!

“My dad is currently in seclusion refining weapons and won’t be out of seclusion for a short time. What do you want to borrow?”

Shi Yan asked Chen Ping.

In fact, he already knew that Chen Ping borrowed the Tianji Token, but he just pretended not to know!

Chapter: 3340

When Chen Ping heard that Shi Qingpei had gone into seclusion, he could only follow Shi Yan and said: “Young Pavilion Master, we are here to borrow your Heavenly Secret Token. When it is used up, I will definitely return it!”

“What? Borrowing the Tianji Token? Are you kidding? The Tianji Token is the treasure of our Bailian Pavilion, how can we lend it to others so easily.”

Shi Yan snorted and said.

Chen Ping also knew that the other party would never lend him the Secret Order easily, so he quickly took out the brush given by Mr. Shi and said to Shi Yan: “Young Pavilion Master, Mr. Shi asked me to give this to your father. He said that after your father sees it, he will understand...”

Shi Yan took the brush, looked at it casually, and threw it back!

“What a crappy thing? Isn’t this just an ordinary writing brush? And what Mr. Shi are you talking about? I don’t know him at all?”

Shi Yan was a little impatient!

At this time, Chen Ping was a little at a loss. Shi Qingpei was in retreat, and Shi Yan didn’t know Mr. Shi. How could he lend the Tianji Token?

“Young Pavilion Master, I really need the Token of Heaven’s Secret to save people. You can make a condition, how can I lend the Token of Secret to Heaven?”

Chen Ping asked with a pleading tone.

“Do you have any awesome magic weapon on you? If so, I can consider exchanging it with you and letting you use the Tianji Token!”

Shi Yan asked as he looked at Chen Ping.

“Yes, I have a storage ring here, do you think it’s OK?”

Chen Ping took off his storage ring!

But who knew that Shi Yan didn't even look at it and said, "We have a lot of magic weapons with storage functions like this at home, but they are useless..."

Shi Yan didn't like the storage ring at all!

Seeing this, Chen Ping opened the storage ring, took out the Qiankun Circle and said, "Young Pavilion Master, what do you think of the Qiankun Circle? This is a space magic weapon, you can travel to any place at will!"

Seeing the Qiankun Circle that Chen Ping took out, Shi Yan reached out to take it, but touched it twice in his hand, and sneered: "This space magic weapon is broken and has not been used much. Moreover, the distance this space magic weapon travels cannot be too far, so it is not considered a good magic weapon!"

"But after all, it's a space magic weapon, so it's still okay. Are there any other magic weapons?"

Chen Ping shook his head: "I really don't have any magical weapons on me, but if the young master of the pavilion is willing to lend me the Tianji Token, I can refine a few Jingyuan Pills for Bailian Pavilion in return."

"You can also make elixirs?" Shi Yan was a little surprised!

"Of course, Chen Ping is the owner of Medicine God Valley. Do you think he can make elixirs?"

Hu Mazi said on the side.

"In that case, let me lend it to you once!" Shi Yan nodded, and then put the Qiankun Sword into his arms!
