

## **The Order 3341**

Chapter: 3341

When Ning Zhi, who was hiding behind, saw this, he was furious. You must know that this Qiankun Circle belongs to him, and it was Chen Ping who took it from him!

Now Chen Ping actually took out the Qiankun Circle and used it as a bargaining chip!

“Thank you so much, Young Pavilion Master!” Chen Ping quickly thanked him!

“You two come with me...”

Shi Yan led Chen Ping and Hu Mazi out of the hall, and then walked towards the courtyard deep in Bailian Pavilion!

“Chen Ping, why do I feel that this Bailian Pavilion is so weird and it lent us the Tianji Token so easily?”

Hu Mazi said a little flustered.

“Don’t talk, just follow me...”

Chen Ping stopped letting Hu Mazi speak, and Chen Ping’s humble look just now had long since disappeared, replaced by a deep look on his face!

Hu Mazi stopped talking and followed Chen Ping closely.

Shi Yan took Chen Ping and the others into a secret room. The secret room was very dark. As soon as they entered the secret room, Chen Ping and Hu Mazi felt the oppression in the secret room!

Chen Ping and Hu Mazi were stunned, and both of them stopped at the same time, while Shi Yan quickly explained: “Don’t be nervous, you two, because this secret order is too precious, so my father put it in

this secret room, and inside it The purpose of using the suppression magic weapon is to suppress the strength of those who enter the secret room.”

“This is to prevent someone from forcibly taking away the Secret Order. As soon as you leave the secret room, the suppressive force will disappear and it will not have any impact on your body. Please don’t worry.”

Seeing what Shi Yan said, Chen Ping and Hu Mazi continued to walk towards the secret room, but just after taking two steps, the door behind Chen Ping and the others suddenly closed!

Chen Ping frowned slightly, and looked at Shi Yan in front of him, but he had already walked outside through another exit. When Chen Ping and Hu Mazi wanted to go out through another exit, the door of that exit was also heavily blocked. Close it!

Chen Ping and Hu Mazi were trapped in a secret room, and there was no secret order at all in the secret room!

Crunch.....

A harsh sound sounded, the originally dark secret room became brighter, and the surrounding area became transparent.

When Chen Ping and Hu Mazi saw Shi Yan at this time, they were looking at them with sneers!

“Young Pavilion Master, what do you mean?”

Chen Ping asked Shi Yan with a cold face.

“It’s nothing interesting. It’s just that someone asked me to catch you. It’s that simple...”

Shi Yan said with a sneer.

“Did Ning Zhi ask you to do this?”

Chapter: 3342

Chen Ping asked calmly.

Shi Yan was slightly startled: “How do you know?”

“Not only do I know, but I know he’s here!”

After Chen Ping finished speaking, he looked behind Shi Yan: “Ning Zhi, come out. You want to take revenge on me, but you don’t dare to face me. The dignified eldest son of the Ning family, the former leader of the younger generation in Kyoto’s martial arts world, Are you so cowardly now?”

After Chen Ping finished speaking, Ning Zhi walked out slowly, glared at Chen Ping and said, “Chen Ping, actually I want to thank you. If you hadn’t pushed me to this point, I wouldn’t be as strong as I am. Now, it’s impossible for me to know that I have a special physique!”

“If Lord Demon Envoy didn’t want your body, why would I bother to capture you? I would just kill you and leave your soul to pieces.”

Although Chen Ping was locked in a secret room at this time, there was no trace of panic on his face. He smiled lightly and said, “Do you think this counts as arresting me?”

Ning Zhi was stunned and looked at Shi Yan.

“No one who is locked up in this secret room can escape. The repressive force inside will make you an ordinary person. How can you escape?”

Shi Yan said to Chen Ping.

He also told Ning Zhi to listen to it, so that Ning Zhi could rest assured that Chen Ping could not escape...

“No one has ever escaped?” Chen Ping sneered: “Did you imagine your secret room too perfectly...”

“Why, can you still escape from the secret room?”

Shi Yan took two steps forward, with provocation in his eyes.

Chen Ping didn't speak, but answered him with practical actions!

I saw Chen Ping clenching his fists, golden light flashing on his fists, and then punching towards the wall of the secret room!

boom.....

There was a loud noise, and the terrifying spiritual power collapsed the secret room in an instant. The remaining power did not diminish, whipping up gusts of wind and blowing the approaching Shi Yan away!

The secret room is not strong, because the people who enter the secret room are suppressed by the suppression force, so it is impossible to open the secret room!

“That's it, you want to trap me?”

Chen Ping walked out with a sneer on his face!

Shi Yan got up from the ground and looked at Chen Ping with disbelief in his eyes!

“What...what's going on? Isn't the strength in your body suppressed?”

Shi Yan didn't understand why Chen Ping wasn't suppressed!

Chapter: 3343

“I said, don’t imagine your things to be too perfect...”

Chen Ping sneered disdainfully.

Even the laws of heaven and earth have no way to suppress Chen Ping’s strength, let alone the suppressive power exuded by a mere suppression weapon!

Shi Yan’s face became extremely ugly. He didn’t expect that Chen Ping’s strength was not suppressed!

“Chen Ping, since I failed to trap you, I will kill you today. I believe the Demon Envoy will not blame me...”

When Ning Zhi saw Chen Ping breaking free from the secret room, not only was he not angry, but his eyes were full of excitement!

Because only in this way can he have a real fight with Chen Ping!

You can avenge your father and the Ning family...

At this time, Ning Zhi is extremely confident, and the strength of the fourth-grade martial saint can be said to be invincible in the entire martial arts world!

“There are too many people who want to kill me, but it’s a pity that no one succeeds, and you will not be an exception...”

Chen Ping smiled slightly.

In Ning Zhi’s eyes, this smile was the greatest humiliation and provocation to him!

Ning Zhi's obsidian eyes exuded a cold and sharp light, giving people an endless sense of oppression.

Chen Ping also exuded strong murderous intent, and the entire Bailian Pavilion was shrouded in a chilling aura!

"Let's make an end today..."

Ning Zhi clenched his fists, and his aura continued to explode.

The breaths of both sides collided instantly, and there were bursts of explosions, and the entire void was trembling!

Seeing this, Hu Mazi and Shi Yan hurriedly retreated.

Even the aftermath of the fight between the two Martial Saints was not something they could bear!

"go to hell....."

In the collision of breaths, Ning Zhi couldn't bear his murderous intention and took the lead in attacking Chen Ping.

Ning Zhi punched Chen Ping, the fist was fierce, and the power of the Martial Saint swept out.

Facing Ning Zhi's fierce punch, Chen Ping acted very calmly, with no trace of panic in his eyes. He stood motionless with his hands behind his back!

There was disdain and ridicule in a pair of cold eyes!

Chapter: 3344

Shi Yan on the side was very surprised to see that Chen Ping was motionless. You must know that the punch from Ning Zhi on the opposite side was powerful enough to collapse a hill. However, Chen Ping was stunned by this punch. like a statue!

Could it be that he was frightened by the power of this punch and was too scared to move?

Shi Yan guessed in confusion, but Hu Mazi on the side was a little anxious!

Although Hu Mazi knows that Chen Ping is very powerful now, when he was in the island country, even the Kuroki Kawasaki was no match!

But this doesn't mean that Chen Ping can be so relaxed and motionless when facing a martial saint, right?

You must know that in a duel between martial saints, if you make a slight mistake, your soul will be shattered.

“Chen Ping, be careful...”

Hu Mazi shouted, he didn't want Chen Ping to end up risking his life just to show off!

However, Hu Mazi's shouting seemed to be of no use at all. Chen Ping seemed not to hear it and remained motionless!

Chen Ping stood motionless, which in Ning Zhi's eyes was a great insult to himself!

Ning Zhi gritted his teeth and increased the strength in his hands again!

boom.....

Ning Zhi's punch hit Chen Ping hard!

Huge force exploded on Chen Ping's body. The surrounding buildings and trees were turned into powder in an instant, and the aftermath like a tornado continued to destroy the surroundings.

Although Hu Mazi and Shi Yan had retreated, they could still feel the power of the aftermath and resisted desperately, but the surrounding buildings suffered!

The strong wind dissipated, the dust fell, and the entire yard was in a mess, as if it had been destroyed by a storm!

But Chen Ping stood there quietly, not moving at all, not even the slightest change in his expression and eyes!

But there was even more disdain in Chen Ping's contemptuous eyes!

Shi Yan looked at the messy yard and felt heartbroken. This was all their Bailian Pavilion's family property. If his father came out of seclusion and saw this, he would probably have his legs broken!

But when Shi Yan saw Chen Ping, who was motionless, his eyes were full of surprise!

At the same time, Ning Zhi's eyes widened and his face changed drastically: "This... this is impossible, how could this happen?"

Ning Zhi looked at Chen Ping, who was unharmed, with disbelief on his face!

You must know that he practices hard and continuously improves his strength, just to kill Chen Ping one day!

Now that he has reached the strength of a Martial Saint, and coupled with his Fire Demon body, he feels that he can easily kill Chen Ping.

Chapter: 3345

But I didn't expect the final result to be like this!

This is the power of the Martial Saint, the most powerful force in the entire martial arts world. Why can't it still hurt Chen Ping?

Ning Zhi couldn't understand, and even more confused...

"Nothing is impossible. Do you think your Martial Saint's power is the most powerful force in the martial arts world? You are simply a frog in the well."

"Don't say you are just a martial saint. Even if you are a martial god, I have killed several of them..."

Chen Ping raised the corner of his mouth with disdain and said!

The reason why Chen Ping stood still while being beaten by Ning Zhi and the reason why he said these words was to completely destroy Ning Zhi's psychology!

This guy has always been mentally complex and calculating, so Chen Ping wants to destroy his psychology!

Sure enough, Chen Ping's words made Ning Zhi stunned for a moment.

"God of War, God of War?"

Ning Zhi murmured to himself. In his knowledge, he didn't know what the God of War was at all. There was no God of War in his knowledge!

He always thought that the Martial Saint had reached the pinnacle of the martial arts world. Even if he was a Martial Saint, how many could there be in the entire martial arts world?

I have worked hard to become a Martial Saint, and I have almost reached the pinnacle of the martial arts world!

Now there is a Martial God again, a being who is even more awesome than the Martial Saint!

Ning Zhi's psychology was suddenly very difficult to bear!

"Do you want to see the power of the God of War? Let me open your eyes..."

After Chen Ping finished speaking, he raised his hand and slapped Ning Zhi!

Snapped.....

There was a crisp sound, and Ning Zhi felt his body light up, and then he became dizzy!

Ning Zhi discovered that at this time, he was rushing into the air quickly, and the huge air flow hit his body!

Hu Mazi and Shi Yan's eyes widened and they looked up at Ning Zhi, who had already turned into a black dot!

Chen Ping's slap actually knocked someone away.

Is this going to fly into outer space?

I don't know how long it took, but Ning Zhi's body fell heavily!

Chapter: 3346

Bang.....

After a loud noise, Ning Zhi's body crashed directly into the ground, stirring up a burst of dust!

Shi Yan swallowed and couldn't believe what he was seeing!

Ning Zhi struggled to get his body out of the ground. Half of his face had already been deformed and twisted, looking very scary!

At this time, Ning Zhi finally looked at Chen Ping with a hint of fear...

This is the result Chen Ping wants!

"Don't believe him. He is not a god of war. Don't forget that you are a demon body..."

The soul spirit in Ning Zhi's body felt the fear in Ning Zhi's heart, so he reminded him!

"Yes, I am a demon body, how could I be afraid of him..."

"ah....."

Ning Zhi roared angrily, and his body began to emit rays of brilliance!

Under this brilliance, Ning Zhi's body was actually changing.

Soon, Ning Zhi's whole body seemed to be burning with flames, and the temperature of the entire Bailian Pavilion instantly rose a lot!

"Today, I want you to taste the power of my Flame Demon Body..."

"burst....."

I saw the flames all around Ning Zhi condensed and turned into a fireball, shooting towards Chen Ping!

Chen Ping still had his hands behind his back, with indifference in his eyes.

“It’s useless. Whatever your physique, you are worthless in my eyes...”

After saying that, Chen Ping’s body began to erupt with golden light, and pieces of golden scales covered his body. The indestructible golden body activated, and behind Chen Ping, a golden dragon flashed and kept circling!

Just when the fireball reached Chen Ping’s eyes, Chen Ping raised his hand and grabbed the fireball with his hand. The energy on the fireball instantly enveloped Chen Ping, and the raging flames began to burn!

“Hmph, I want you to be buried in the sea of fire...”

When Ning Zhi saw this, he couldn’t help but snorted!

Chen Ping, whose body was burning with flames, did not struggle, but stood motionless, looking at the fireball in his hand, with a sneer on his lips!

“I’ll give it back to you if it’s yours...”

Chapter: 3347

Chen Ping threw the fireball casually, and then the fireball flew towards Ning Zhi in a crushing manner!

boom.....

The fireball hit Ning Zhi’s body firmly, causing Ning Zhi to spit out a mouthful of blood, and his body even took several steps back!

At this moment, Ning Zhi's body almost collapsed, and his chest was dripping with blood...

The flames on Chen Ping's body were extinguished. Under the burning flames, Chen Ping's golden armor looked even more dazzling!

It's like the golden-armored God of War has descended to earth!

Looking at his body, Ning Zhi completely lost his fighting spirit at this moment. He found that he had no power to fight back in front of Chen Ping!

"Relying on the strength enhanced by the soul magic, do you also want to defeat me?"

Chen Ping walked towards Ning Zhi step by step!

Seeing Chen Ping walking towards him, Ning Zhi's eyes were full of fear!

When he got up and wanted to run away, he was punched down by Chen Ping, and he was completely unable to get up!

The aura in Ning Zhi's body was rapidly weakening, and his entire body was almost shattered!

At this moment, a black mist floated out of Ning Zhi's body, and then quickly escaped into the distance!

"Want to leave?"

Chen Ping snorted coldly, he knew the souls in these Ning Zhi's bodies!

Chen Ping opened his mouth and took a deep breath. A huge suction force instantly sucked the black mist into his mouth!

Ning Zhi looked at the scene in front of him with surprise in his eyes!

Chen Ping's strength has exceeded his imagination!

"go to hell....."

Chen Ping looked at the seriously injured Ning Zhi, with no mercy in his eyes. He raised his foot and stepped on it!

With this kick, Ning Zhi will burst his brain and die!

"Chen Ping, wait a moment..."

At this time, Hu Mazi called out to Chen Ping.

Chen Ping was stunned for a moment, took his feet back, looked at Hu Mazi and said, "Master Hu, what can I do for you?"

Chapter: 3348

Hu Mazi walked quickly to Chen Ping, and then whispered a few words in Chen Ping's ear!

Chen Ping nodded repeatedly, and then said: "Then take a good look at Ning Zhi, and I will take care of the rest!"

After saying that, Chen Ping looked at Shi Yan with cold eyes!

Shi Yan felt Chen Ping's gaze, and his body couldn't help but tremble slightly!

"Where is the Tianji Order?"

Chen Ping asked Shi Yan coldly.

“Tian... Tianji Token was stored by my father, and I don't even know where it is!”

Shi Yan said with a trembling body.

“Don't know? Then take me to see your father...”

Chen Ping will not leave at all unless he gets the Tianji Order.

“My father is in retreat and cannot be disturbed at all, so...”

Before Shi Yan could finish his words, Chen Ping waved his hand and Shi Yan's body fell heavily to the ground!

At this time, many people from Bailian Pavilion came running with various magical weapons!

Seeing this, Shi Yan shouted loudly: “Stop him quickly...”

After Shi Yan finished speaking, those people headed towards Chen Ping.

Shi Yan got up and ran, going straight to Yan Lao's room, because he knew that only Yan Lao could save him now!

Looking at the members of Bailian Pavilion rushing towards him, Chen Ping showed no mercy at all!

Since Shi Yan is working with Ning Zhi to deal with him, then Bailian Pavilion is his enemy!

Chen Ping will not show any mercy to his enemies!

I saw Chen Ping wave his big hand, a golden light flashed through, and directly sent a Dawuhou flying away!

Others held their magic weapons and did not dare to get closer. They activated their magic weapons and headed towards Chen Ping!

For a moment, the magical weapon glowed brightly, and a Taoist spell hit Chen Ping!

You must know that Bailian Pavilion is famous for refining weapons, and the magical weapons in the hands of these members of Bailian Pavilion are definitely not ordinary objects.

So many magic weapons were coming towards Chen Ping, but Chen Ping was not afraid at all!

Chapter: 3349

In the face of absolute strength, any magic weapon is in vain!

I saw Chen Ping shooting out both palms, and a terrifying aura swept through the entire Bailian Pavilion!

With each of these palms, a member of the Bailian Pavilion would die, and Chen Ping had no scruples.

Soon, the magical weapons in the hands of these Bailian Pavilion members were shattered by Chen Ping's powerful aura. Everyone was vomiting blood, their chests were severely injured, and all their bones were broken. It was obvious that they would not survive!

In just a few minutes, more than a dozen members of Bailian Pavilion holding magic weapons had turned into cold corpses!

Not far away, Ning Zhi watched this scene with mixed feelings in his heart...

Chen Ping didn't even look at the dead members of Bailian Pavilion, but chased after Shi Yan!

Relying on the aura of Shi Yan, Chen Ping quickly caught up with him!

When Shi Yan saw Chen Ping chasing after him, he was frightened!

Chen Ping rushed over a dozen members of the Bailian Pavilion holding magic weapons so quickly!

“Yan Lao, save me, Yan Lao, save me...”

Shi Yan shouted!

Soon, Mr. Yan walked out of the room, looked at the panicked Shi Yan and said, “Young Pavilion Master, what’s wrong with you?”

“Mr. Yan, this Chen Ping wants to kill me, please help me, help me...”

Shi Yan was so scared that he hid behind Mr. Yan!

Yan Lao looked at Chen Ping, frowned slightly and said, “Why did you break into my Bailian Pavilion and attack our young pavilion master?”

Chen Ping glanced at Mr. Yan and found that Mr. Yan was at most the strength of the early Da Wuhou, and was not even as strong as those members of the Bailian Pavilion just now!

He didn’t understand why Shi Yan asked the old man to save him. Based on the strength of the old man, he was obviously no match for him!

“I just came to Bailian Pavilion to borrow the Tianji Token, but I don’t want you, the young pavilion master, to unite with others to murder me. I am a person who must avenge my revenge.”

Chen Ping said coldly.

“Borrowing the Tianji Token?”

Upon hearing this, Mr. Yan burst out laughing: “Do you think anyone can borrow our Bailian Pavilion’s Heavenly Secret Token? You don’t even know what you are...”

Mr. Yan’s face turned cold, and his body suddenly trembled. Several chains with flashing cold light flew out from his clothes in an instant. Each chain had a jagged thing on the front, like a python showing its fangs!

When Chen Ping saw this, he knew that although Mr. Yan was not very powerful, he was indeed a master in using magic weapons!

Chapter: 3350

“Since you don’t want to borrow it, then I can only steal it...”

After Chen Ping finished speaking, his figure disappeared in a flash, heading towards Shi Yan!

As long as Shi Yan is controlled, Chen Ping will not believe that Bailian Pavilion will not hand over the Tianji Order!

When Mr. Yan saw this, the chains on his body instantly intertwined and formed a large net in mid-air, covering Chen Ping!

“Huh, ignorant...”

Facing the chains that looked like pythons, Chen Ping couldn’t help but sneer!

Such a huge gap in strength cannot be made up even with the use of magic weapons!

Chen Ping's palms flashed with light, he reached out and grabbed the chain, and then pulled it with both hands!

The seemingly strong and fierce iron chains broke instantly under Chen Ping's gentle tug, and the chains scattered on the ground!

Upon seeing this, Mr. Yan couldn't help but widen his eyes, with incredible look in his eyes!

"Young Pavilion Master, where is the purple gold gourd?"

Upon seeing this, Mr. Yan hurriedly followed the purple gold gourd that Shi Yan wanted!

When Shi Yan heard this, he hurriedly took out the purple gourd and handed it to Mr. Yan.

Yan Lao turned out to be a purple gold gourd, and a breath instantly penetrated into the gourd!

In an instant, the gourd emitted purple light, and a terrifying aura erupted from the gourd!

Chen Ping frowned slightly when he saw this. He could feel the power of this gourd.

"High-grade magic weapon?"

Chen Ping frowned, the golden light on his body glowed, and his indestructible golden body was used to its extreme.

The power of the divine dragon kept wandering around, and a golden dragon slowly appeared in the air behind Chen Ping!

When Mr. Yan saw Chen Ping like this, his expression was very ugly, but now that the matter had come to this, he could only give it a try.

Mr. Yan activated the purple gold gourd, and a terrifying aura enveloped the entire Bailian Pavilion!

Then, streams of terrifying brilliance erupted from the gourd, like rockets!

Every ray of light actually contains extremely terrifying power, which is not inferior to the power of the Martial Saint.

Chen Ping clenched his fists, and there were golden dragons wrapped around his arms, and he let out bursts of dragon roars.
