

The Order 3361

Chapter: 3361

Chen Ping asked Ge Cangsheng.

“The fifteenth of next month!”

Ge Cangsheng said.

“Okay, then I want to take a good look at the people in these eight secret realms!”

Chen Ping nodded heavily!

Chen Ping participated in this secret conference just to broaden his horizons. Otherwise, if he stayed in the secular world, Chen Ping would always be a frog in the well!

After leaving the Ge family, Chen Ping counted the time. He had to rescue Su Yuqi before the Secret Realm Conference started!

The top priority now is to get the Tianji Token!

“I hope the master of Bailian Pavilion is a reasonable person...”

Chen Ping took the brush given by Mr. Shi and sighed!

He didn't want to encounter some obstacles when he went to Bailian Pavilion to get the Tianji Token!

.....

Bailian Pavilion!

As the master of the pavilion, Shi Qingpei finally came out of seclusion, and in Shi Qingpei's hand, he was holding a string of bells!

There are three bells in this string, shining with golden light and looking very beautiful!

But when Shi Qingpei came out of seclusion and looked at the messy Bailian Pavilion, he was stunned on the spot!

"Who, who did it?"

Shi Qingpei's face flushed with anger and he shouted angrily!

You must know that Bailiange Shu Lai does not deal with those martial arts families in the secular world, so there is no conflict!

And those sect families in the secret realm will be suppressed by the laws of heaven and earth when they come to the secular world, and they will not dare to cause trouble!

Although there are many secret realm families who want the Tianji Token from Bailian Pavilion, Shi Qingpei refuses to sell it. It is precisely because of the Tianji Token that those secret realm families respect Bailian Pavilion very much!

But now, Shi Qingpei had just come out of seclusion and saw that his Bailian Pavilion was in a mess, how could he not be angry!

"Dad, you are finally released..."

When Shi Yan saw this, his face was full of grievance and he rushed over with tears in his eyes!

Chapter: 3362

“Yan’er, what on earth is going on?”

Shi Qingpei asked with a cold face.

“Dad, let Mr. Yan tell you!” Shi Yan knew that he had the right to speak and did not have the right to speak, so he let Mr. Yan speak!

“Pavilion Master, when you were in retreat, there was a boy named Chen Ping who wanted to borrow the Tianji Token.”

“I told him that the Tianji Order is the treasure of our Bailian Pavilion and cannot be loaned out. Moreover, it is stored by the master of the pavilion. We don’t know where it is.”

“But Chen Ping didn’t believe it at all. He made a big fuss in our Bailian Pavilion, killed several of us, and beat up the Young Pavilion Master.”

Mr. Yan told what happened!

But Mr. Yan didn’t know much, and he only listened to what Shi Yan said!

“Chen Ping?” Shi Qingpei’s body was full of murderous aura: “Can this guy be that powerful? Are all of us in Bailian Pavilion vegetarians?”

Shi Qingpei asked dissatisfiedly, and Mr. Yan said: “Pavilion Master, I am afraid that Chen Ping has reached the strength of a martial saint, and our magic weapons have no effect on him...”

“Humph, what can the Martial Saint do? This time I am in seclusion and refine the soul-calling bell. Even if the Martial Saint is in front of me, he will still be obedient...”

Shi Qingpei held the bell in his hand and said with disdain.

“Pavilion Master, you have really mastered the soul summoning bell. Now no one in our Bailian Pavilion has to be afraid.”

“When the soul-calling bell rings, the king of hell will tremble...”

Mr. Yan said with surprise on his face.

“Dad, that Chen Ping will definitely come again. You must avenge me and deal with this guy!”

Shi Yan said loudly.

Now that his father has been released from confinement, Shi Yan feels confident!

“Don’t worry. As long as he dares to come, I will make him pay the price. No one dares to cause trouble in my Bailian Pavilion.”

Shi Qingpei’s eyes flashed with coldness, but soon, he seemed to think of something, so he asked: “This Chen Ping sounds very familiar. Is he the Chen Ping who destroyed the Kyoto Martial Arts Alliance?”

“Yes, that’s him. People from the Demonic Heart Sect are still chasing this guy.”

Shi Yan nodded and said.

Hearing this, Shi Qingpei frowned slightly: “I heard that this guy is very appreciated by Mr. Shi and has built the largest dragon gate in Kyoto!”

“Who cares about appreciation? This guy took an ordinary broken brush and told me it was Mr. Shi’s token!”

Chapter: 3363

“Let me just throw him away. It’s just an ordinary writing brush. It’s a useless token...”

“And I don’t even know who Mr. Shi is.”

Shi Yan saw his father mentioning this matter, so he said nonchalantly.

Shi Yan didn’t care, but Shi Qingpei did. After hearing that Chen Ping had Mr. Shi’s brush in his hand, Shi Qingpei’s expression changed instantly!

“Dad, what’s wrong with you? You shouldn’t let Chen Ping go just because of a writing brush, right?”

Shi Yan asked quickly.

“Don’t worry, I’m measured...”

After saying that, Shi Qingpei turned and left.

Dragon Gate!

Chen Ping was sitting in the room, and in front of him was the Nine Thousand Miles of Mountains and Rivers map!

At this time, Chen Ping was soaking in a hot spring in a snowy place!

The reason why Chen Ping took out the Map of Nine Thousand Miles of Mountains and Rivers was not for cultivation, but because he wanted to soak in the hot springs and soothe his mood!

In a place like this where the sky is filled with snow, soaking in hot springs is also a very comfortable and comfortable thing!

Here, Chen Ping didn't have the slightest scruple. He soaked his whole body in the hot spring because he knew that no one would show up here at all!

With his eyes slightly closed, Chen Ping felt the wonders of nature. Only at this moment, Chen Ping felt most relaxed.

But Chen Ping didn't know that two girls were walking towards the hot spring at this moment!

"Miss, you come to the hot spring more and more often. You don't really think that Chen Ping has been to this hot spring, do you?"

"That's simply impossible. He can't enter our secret realm at all. Even if he can enter, he may not be able to find this hot spring."

"The master has said that the secret realm conference will restart in a while, and I will take you to have a long experience. I urge you to seize the time to practice!"

Qiu Ju said earnestly to Han Qing'er!

"Sister Qiu Ju, why are you like my mother, nagging endlessly? I just want to take a bath. Look where you want to go."

Han Qing'er rolled her eyes at Qiu Ju, and then neither of them spoke and walked towards the hot spring!

At this time, Chen Ping was comfortably enjoying this incredible peace!

But soon, a knock on the door woke Chen Ping up, and Chen Ping's body slowly disappeared from the hot spring!

Chapter: 3364

The moment Chen Ping's body disappeared, Han Qing'er arrived just in time. When she saw Chen Ping, she had an incredible expression on her face!

"Chen Ping..."

Han Qing'er shouted excitedly!

But Chen Ping didn't respond, and his body just disappeared!

"Chen Ping...Chen Ping..."

Han Qing'er shouted, but at this time Chen Ping was no longer around.

"Miss, there is no Chen Ping here. Are you hallucinating what Chen Ping is thinking?"

Qiu Ju looked around, but there wasn't even a shadow of a ghost. Where was Chen Ping!

"Sister Qiu Ju, it's not an illusion. I really saw Chen Ping. It was really him."

Han Qing'er looked excited, but he didn't understand why Chen Ping's body suddenly disappeared?

Just when Han Qing'er was looking for Chen Ping, Chen Ping had already opened his eyes in the secular world. After slowly getting up, Chen Ping couldn't help but take another look at the Nine Thousand Miles of Mountains and Rivers Map!

When his consciousness came out of the Nine Thousand Miles of Mountains and Rivers Map just now, he seemed to hear someone calling him, and the voice was particularly like that of Han Qing'er!

But in the end, Chen Ping shook his head, feeling that he must have been emotionally unstable these past few days and had auditory hallucinations!

How could it be possible to hear Han Qing'er's voice in the Nine Thousand Miles of Mountains and Rivers Map!

After putting the Nine Thousand Miles of Mountains and Rivers map into his storage ring, Chen Ping opened the door and found that Hu Mazi was knocking on the door!

"Chen Ping, it's time for us to set off. I guess the master of Bailian Pavilion has already left seclusion."

Hu Mazi said to Chen Ping.

"Okay!" Chen Ping nodded!

When the two of them were on their way to Bailian Pavilion, Hu Mazi asked worriedly: "Chen Ping, what if the master of Bailian Pavilion hasn't come out yet, or he doesn't lend us the Tianji Token at all?"

"Rob....."

Chen Ping said one word calmly!

But just this one word is enough to represent Chen Ping's determination!

When Chen Ping and Hu Mazi rushed to Bailian Pavilion, this time there were already members of Bailian Pavilion waiting outside, as if they knew they were coming!

"Has your Pavilion Master come out of seclusion?"

Chapter: 3365

Chen Ping asked the members of Bailian Pavilion who greeted them.

“Our Pavilion Master has left seclusion and specially asked us to come to the door to greet you two.”

The member of Bailian Pavilion said.

Soon, Chen Ping and Hu Mazi were taken into a huge room. This was obviously not the room where Chen Ping came to see Shi Yan for the first time!

This room is larger, and there are more magical instruments placed in the room. At a glance, they are all top-notch magical instruments. The grade is obviously much higher than the last time I saw it!

“Boy, since you’re here, please take a seat...”

A voice came, and then Shi Qingpei was seen walking out from the back of the room.

“Are you the Master Shi of Bailian Pavilion?”

Chen Ping asked calmly after seeing Shi Qingpei.

“Yes, I am Shi Qingpei. Quanzi has already told me about the two of you coming to see me.”

“Since Mr. Shi introduced you, of course I have to treat him with courtesy!”

Shi Qingpei said, and ordered people to serve tea to Chen Ping and Hu Mazi!

Seeing Shi Qingpei being so polite, Chen Ping and Hu Mazi felt a little relieved!

They were also afraid that after the last riot in Bailian Pavilion, Shi Qingpei would definitely be angry, and then it would be difficult to borrow the Tianji Token!

But now it seems that Shi Qingpei is not angry!

“Pavilion Master Shi, because we have important matters again, we need to get the Tianji Order and rush back immediately without wasting time. I wonder if Master Shi can lend me the Tianji Order? I will definitely be grateful...”

Chen Ping said politely.

“Of course, but did Mr. Shi also ask you to bring me something?”

Shi Qingpei asked.

“Yes!” Chen Ping nodded repeatedly, then took out the brush and placed it in front of Shi Qingpei!

“Many years ago, I received favors from Mr. Shi. Now that Mr. Shi has entrusted me with his pen, of course I have to give him face. I can lend the Tianji Ling to you...”

With that said, Shi Qingpei took out a token the size of a palm from his waist.

It’s just that the token is covered with patina and looks very old. There’s nothing special about the token at all!

“Then thank you Pavilion Master Shi...”

Chapter: 3366

Chen Ping stretched out his hand to take the Tianji Ling!

At this moment, Shi Yan suddenly broke in and asked with a puzzled face: “Dad, why did you really lend them the Tianji Token? How did you promise me?”

“It was this guy who beat me, also beat Mr. Yan, and killed several of us. He was the one responsible for Bailian Pavilion being in such a mess now. Why did you still lend him the Tianji Token?”

Shi Yan yelled, but Shi Qingpei glared at him and said, "Shut up, it's not your turn to speak here."

When Shi Yan saw that his father was angry, he didn't dare to say anything and could only glare at Chen Ping fiercely!

"Pavilion Master Shi, there is some misunderstanding here. If it weren't for Young Master Ling, he..."

Chen Ping wanted to explain, he didn't want to be unable to borrow the Tianji Token for this!

But before Chen Ping finished speaking, he was interrupted by Shi Qingpei.

"No need to explain. Since it is Mr. Shi who has come forward, I will definitely lend you the Tianji Token. This is what I repay to Mr. Shi."

After Shi Qingpei finished speaking, he threw the Tianji Token in his hand directly to Chen Ping!

And what Shi Qingpei said was very clear. The reason why he lent Chen Ping the Secret Order was to repay Mr. Shi a favor!

It has nothing to do with following Chen Ping!

Chen Ping took the Tianji Order, cupped his fists and said, "Thank you so much, Pavilion Master Shi!"

But just when Chen Ping took the Tianji Order and turned around to leave, he was stopped by Shi Qingpei!

"You seem to have forgotten something?"

Shi Qingpei said coldly to Chen Ping.

Chen Ping was stunned for a moment, then turned to look at Shi Qingpei and said, "Pavilion Master Shi, is there anything else?"

"Of course I have. I gave Mr. Shi's face and lent you the Tianji Token."

"But you beat my son, killed the people of my Bailian Pavilion, and destroyed many houses in my Bailian Pavilion. Shouldn't you also give me an explanation?"

Shi Qingpei looked at Chen Ping coldly and asked.

Chen Ping didn't expect that Shi Qingpei was so cunning. He first lent him the Tianji Token to repay Mr. Shi's kindness, and then started to cause trouble for him!

"Master Shi, it was your son who colluded with the Demon Heart Sect and wanted to harm us. We are just fighting back. This incident was all caused by your son himself."

Hu Mazi took a step forward and followed Shi Qingpei to explain.

But who knew that Shi Qingpei waved his hand and said: "I don't care where my son is sitting. I only know that you beat my son and killed my people. What if word spreads that it will make me Bailian Pavilion's reputation?"

Chapter: 3367

Seeing Shi Qingpei's reluctance, Chen Ping could only say: "Pavilion Master Shi, you can count the losses and I will compensate you."

"I don't want money. To me, Bai Lian Pavilion, money is just like waste paper!"

Shi Qingpei waved his hand and said.

"Then what do you want? I can give you anything you like in me..."

Chen Ping chose to be patient. He just wanted to get the Tianji Token back quickly and rescue Su Yuqi!

“I don’t like the rags on your body. Just kneel down now, apologize to my son, and ask my son to return those two slaps.”

Shi Qingpei said calmly.

When Shi Yan saw that his father was venting his anger on him, he immediately felt happy and looked at Chen Ping with a sneer on his face: “Chen Ping, please kneel down and apologize to me quickly, or you will impose additional conditions soon.”

“You fucking...”

When Hu Mazi heard this, he couldn’t stop being angry. He was about to rush forward, but was stopped by Chen Ping!

“Master Hu, I will handle this matter myself...”

After Chen Ping finished speaking, he looked at Shi Qingpei coldly: “Do you really want me to kneel down?”

“Of course, I have already investigated you and know that Mr. Shi takes good care of you, but don’t think that you can do whatever you want in my Bailian Pavilion!”

“I have already given you face, Mr. Shi. Even if the King of Heaven comes, you still have to kneel down and apologize.”

“This is the greatest tolerance I can show you for the sake of Mr. Shi!”

“Otherwise you would have never had the chance to stand in front of me and speak.”

Shi Qingpei's face was cold and his eyes were full of indifference. At this time, he seemed like a judge, judging Chen Ping's life or death.

But Chen Ping himself had no choice at all!

"There are people who can make me kneel down, but unfortunately it is not you, because you are not worthy yet..."

When Chen Ping saw Shi Qingpei like that, it seemed that he was determined to break up with him, so Chen Ping no longer spoiled him!

Shi Qingpei's eyes narrowed slightly, and he smiled coldly and said, "Do you really think that since you have reached the realm of Martial Saint, you can ignore our Bailian Pavilion?"

"Today I will let you see the true strength of our Bailian Pavilion. When the time comes, if you want to kneel down, I won't let you kneel down."

After Shi Qingpei finished speaking, he suddenly took out the soul-calling bell!

Shi Qingpei knew that if he relied on strength alone, he would not be Chen Ping's opponent, but he had the Soul-Calling Bell in his hand, so he was not afraid of Chen Ping at all!

Chapter: 3368

"What? You want to defeat me with these little bells?"

Chen Ping saw the soul-calling bell that Shi Qingpei took out and smiled disdainfully.

"Hmph, Chen Ping, don't be proud, this is the top-notch magic weapon Soul-Calling Bell that my father just refined!"

"Even if you are in the realm of Martial Saint, you still can't escape the summoning bell. I will record you turning into a fool in a while."

Shi Yan smiled playfully.

Shi Qingpei glared at Shi Yan angrily and almost lost his temper. This stupid son actually told the other party the function of the magic weapon in his hand before he took action. Wasn't this a clear sign that people should be prepared in advance?

A spiritual attack weapon like the Soul-Calling Bell can attack unexpectedly and get twice the result with half the effort.

But now Shi Yan told Chen Ping the function of the soul-summoning bell!

When Chen Ping heard what Shi Yan said, he suddenly understood. He knew that the soul-calling bell was just a spiritual attack that could control people's souls!

Chen Ping has powerful spiritual consciousness now, and he also knows the Heart-Cleaning Curse. Even with a powerful divine consciousness magic weapon, he can't control Chen Ping!

"Chen Ping, you brought all this on yourself..."

After Shi Qingpei finished speaking, the bell in his hand suddenly shook.

Soon, the three bells made a crisp sound. The sound waves coming from the bells, mixed with the power of spiritual consciousness, were constantly attacking Chen Ping and Hu Mazi!

Listening to the voice, Hu Mazi suddenly felt that his head was confused. He tried his best to resist it with his consciousness, but it was of no use at all!

Soon, Hu Mazi's eyes began to slowly lose their luster, and the crisp bells kept ringing in his mind!

Chen Ping saw that Hu Mazi couldn't resist the attack of the soul-calling bell, so he moved his lips slightly and blurted out the Qingxin Curse!

Suddenly, Hu Mazi felt a golden light flash in his mind, and the chaotic feeling just now was swept away!

At this time, Hu Mazi's head was clear and clear, and he was clearer than ever!

Shi Qingpei didn't know it yet, but he was still mobilizing his energy and shaking the soul-calling bell in his hand!

Hu Mazi glanced at Chen Ping and found that Chen Ping's lips were moving slightly. He was obviously using a spell to resist the spiritual attack of the Soul-Calling Bell!

At this moment, Hu Mazi had a flash of inspiration and took out a bell from somewhere!

However, the bell in his hand is obviously much larger, and there is only one. There is some rust on it, making it very old!

clang clang clang.....

Hu Mazi also shook the bell in his hand vigorously, making bursts of harsh sounds!

Chapter: 3369

When Shi Qingpei saw that Hu Mazi also took out a big bell, he couldn't help but be stunned. Moreover, after such a long time, the soul-calling bell didn't seem to have any effect on Chen Ping and Hu Mazi, which made Shi Qingpei's face look very ugly!

Chen Ping looked at the big bell in Hu Mazi's hand and couldn't help but smile: "Where did Master Hu find such a loser?"

"This is my old friend. He has followed me around Kyoto for many years. I didn't expect that he could be used like this today."

Hu Mazi grinned, and then shook the bell in his hand vigorously!

There was a harsh sound, and Shi Yan was so frightened that he quickly covered his ears!

Even Shi Qingpei hurriedly held his breath and concentrated to resist the attack of his spiritual consciousness!

But for a while, they didn't feel that the voice contained any spiritual attack.

"Dad, what's going on? Why doesn't your summoning bell work?"

Seeing that Chen Ping and Hu Mazi were fine, Shi Yan asked Shi Qingpei.

Shi Qingpei was also confused at the moment. How did he know what was going on?

"You... how come you haven't been attacked by divine consciousness?"

Shi Qingpei looked at Chen Ping and Hu Mazi and asked.

Chen Ping was about to say something, but Hu Mazi interrupted him and said, "My big bell is the ancestor of the soul-summoning bell in your hand. Of course they won't work when they see their ancestors."

"Why don't you hurry up and bring your little bell to pay homage to your ancestors..."

Hu Mazi's words made Shi Qingpei's face turn green. It was obvious that he knew that Hu Mazi was talking nonsense!

"You fart, your broken bell is obviously an ordinary bell, it has no offensive power at all, stop talking nonsense here!"

Shi Yan yelled angrily at Hu Mazi!

“Who said our bells have no offensive power?” Chen Ping smiled coldly, and then said to Hu Mazi:
“Master Hu, give them a few shakes to show them...”

Seeing Chen Ping’s behavior, Hu Mazi suddenly understood, so he took the bell in his hand and shook it vigorously!

Along with the harsh sound, a golden light flashed in Chen Ping’s mind, and a huge amount of spiritual consciousness instantly covered Shi Qingpei and Shi Yan!

Shi Qingpei and Shi Yan only felt a headache, as if there were countless ants gnawing in their brains!

After a while, Chen Ping put away his consciousness, and Hu Mazi stopped shaking the bell!

Shi Qingpei and his son had ugly faces. They looked at the big bell in Hu Mazi’s hand, their eyes full of fear!

“Dad, what kind of magic weapon have you practiced in seclusion for so long? Why does it stop working when you see that big bell...”

Chapter: 3370

Shi Yan looked at his father complainingly and said.

Shi Qingpei didn’t say anything. He didn’t understand what was going on. He had been practicing in seclusion for so long, how could he say that it didn’t work anymore?

Was it really because he was frightened when he encountered the other party’s big bell?

“I took the secret away from me. If I’m in a good mood, I might send it back to you...”

Chen Ping took the Tianji Order, turned around and left!

With Shi Qingpei like this, Chen Ping will most likely not send the Tianji Order back!

“stop.....”

Shi Qingpei saw that Chen Ping was going to take away the Tianji Order, so he yelled!

Immediately afterwards, dozens of members of Bailian Pavilion directly surrounded him with various magical weapons!

Seeing this, Chen Ping asked coldly: “You want to do something to me?”

“That’s right, keep the Tianji Token. It is our treasure. How can you take it away so easily!”

Shi Qingpei said loudly.

The reason why he gave the Tianji Token to Chen Ping just now was because he thought that Chen Ping would be under his control soon, and then he could get the Tianji Token back!

Now I find that my soul-calling bell is of no use at all, so I can only use force!

Chen Ping’s face instantly became extremely cold, and the murderous aura in his body began to rise!

“You have to think clearly. If you take action, your Bailian Pavilion will cease to exist...”

Chen Ping said coldly.

“Don’t fucking tell me anything else. Leave the Tianji Order and you can leave. If you don’t stay, you will have to take it back even if you use all the strength of the whole pavilion.”

“I don’t believe that there are so many people and so many high-grade magic weapons that they can’t deal with the two of you...”

Shi Qingpei knew that Chen Ping was very powerful, but he had so many magic weapons, which was his confidence!

“snort.....”

Chen Ping snorted coldly, then suddenly stretched out his palm, and in an instant he was in front of a member of Bailian Pavilion!

As soon as he made a move, he scratched the head of the member of Bailian Pavilion, and the magic weapon in the hand of the member of Bailian Pavilion was instantly turned into powder!

No one reacted, and Chen Ping was back to where he was!
