

The Order 3371

Chapter: 3371

Such a fast speed immediately stunned Shi Qingpei!

“kill him.....”

Seeing this, Shi Qingpei knew that Chen Ping could not be defeated one by one, so he yelled!

Soon, more than a dozen members of Bailian Pavilion mobilized their magic weapons to attack Chen Ping.

There are also some people heading towards Hu Mazi!

Hu Mazi took out the purple gold gourd unhurriedly and said with a faint smile: “I am going to consecrate this purple gold gourd today...”

Let's talk, a ray of spiritual power entered the purple gold gourd, and then the purple gold gourd burst into light!

A terrifying force shot out from the gourd, and a member of the Bailian Pavilion who rushed in front was instantly penetrated by this force!

Shi Yan looked at the purple gold gourd in Hu Mazi's hand, and his teeth itched with anger. This thing was originally given to him, but it was snatched away by Chen Ping and the others.

On the other side, Chen Ping was full of murderous intent, his fists flashed with golden light, and he punched out suddenly!

boom!

With a tight punch, the three or four members of the Bailian Pavilion in front of him were all knocked away, and the magical weapons in their hands were instantly shattered!

The light emitted by other magic weapons hit Chen Ping, but had no effect, just like scratching an itch!

Seeing such a scene, Shi Qingpei took a breath of cold air instantly!

“Son, let’s go quickly...”

Shi Qingpei knew that people like him couldn’t stop Chen Ping at all and could only run away!

Shi Qingbei pulled Shi Yan, turned around and ran away!

However, Chen Ping did not chase after him. After all, he came to borrow the Tianji Token, and he did not really want to drive away Bailian Pavilion!

Seeing Shi Qingpei and his son running away, the other members of Bailian Pavilion also dispersed in a rush!

In an instant, only Chen Ping and Hu Mazi were left in the huge hall!

“Damn, I haven’t had enough fun yet, why are they all running away?”

Hu Mazi held the purple gold gourd and cursed!

“Okay, we are here to get the Tianji Order, not to kill people.”

After Chen Ping finished speaking, he planned to leave. After getting the Tianji Order, he had to rescue Su Yuqi as soon as possible!

Chapter: 3372

“Wait a moment.....”

Just when Chen Ping was about to leave, Hu Mazi stopped him!

“Master Hu, do you have anything else to do?”

Chen Ping asked puzzledly.

“With so many magic weapons, it’s such a pity that we just left like this...”

After Hu Mazi finished speaking, he started looking for things to put the magic weapon in like crazy!

When Chen Ping saw this, he opened the storage ring and swept away all the magic weapons!

Although Chen Ping has no use for these magical weapons, giving these magical weapons to those in Longmen will definitely increase Longmen’s strength!

Chen Ping followed Hu Mazi back to Kyoto!

With the Tianji Order, Chen Ping can open the entrance to the secret realm of the Demonic Heart Sect, and he can rescue Su Yuqi!

When the two people arrived in Kyoto, it was already dark, but Chen Ping did not dare to take any rest, and rushed to the entrance of the secret realm with the Tianji Token without stopping!

Zhou Jie had already received the news in advance and was waiting for them at the entrance of the secret realm!

With Zhou Jie waving her hands, the entrance appeared. Zhou Jie said to Chen Ping, “Mr. Chen, where is the Tianji Order?”

Chen Ping handed the Tianji Token to Zhou Jie, and Zhou Jie put a spiritual power into the Tianji Token!

In an instant, the Tianji Token flashed with light, and then Zhou Jie threw the Tianji Token directly towards the entrance of the secret realm, followed by a burst of bright light.

With a buzzing sound, the entrance to the secret realm in front of me emitted rays of light, and the dazzling light illuminated the entire night!

After the entrance was opened, the Secret Order returned to Zhou Jie’s hands!

“Mr. Chen, the entrance is open!”

Zhou Jie handed the Tianji Ling to Chen Ping, but Chen Ping did not pick it up!

“Tianji ordered you to save it first. I want to go in to rescue Yuqi, so I don’t know what the situation is yet. It’s not safe to put it on me...”

Chen Ping entered the secret realm to rescue Su Yuqi. After all, it was an unknown environment. Chen Ping didn’t know what dangers he would encounter!

“Chen Ping, I’ll go in with you...”

Hu Mazi said.

“Master Hu, you’d better stay outside and I’ll go in first to explore the way. If I’m really in danger, I can still escape.”

Chapter: 3373

After all, Hu Mazi was much weaker, so Chen Ping did not agree to let him follow!

After Chen Ping finished speaking, he walked towards the entrance, and soon his body disappeared in the light!

The moment Chen Ping's body disappeared, the void suddenly shook, and the entrance in front of him was instantly closed!

At this moment, Hu Mazi and Zhou Jie outside panicked!

"How is this going?"

Hu Mazi asked.

"I, I don't know either..."

Zhou Jie hurriedly activated the spell, but the entrance in front of her did not appear at all!

Soon Zhou Jie's head was covered in cold sweat!

"It's broken, it's broken, we're afraid we've been fooled by the Demonic Heart Sect."

Hu Mazi looked at the disappearing entrance and stamped his feet anxiously!

But at this time, Chen Ping didn't know it at all. He only felt a bright light flash in front of his eyes, and then all the scenes changed!

Although the time and space in the secret realm is the same as that in the secular world, and it is also night now, the aura full of spiritual energy and the lush green mountains and forests make the environment here much better than the Fire Sect secret realm where the Ge family is located!

And there is no way to compare the secret realm of the Demon Spirit Sect. Although Chen Ping doesn't know how big the secret realm of the Demon Heart Sect is, it is definitely much larger than the secret realm of the Demon Spirit Sect!

The secret realm of Demon Spirit Sect is only the size of a sect, but this place is like a world!

What Chen Ping doesn't know is that this is just one of the secret realms controlled by Demonic Heart Sect...

Chen Ping dispersed his consciousness, wanting to feel Su Yuqi's aura and see if there was anyone else here!

But after Chen Ping's spiritual consciousness dispersed, he found that this place was actually very big. Even though Chen Ping's spiritual consciousness was very powerful at this time and could detect it even from more than ten kilometers away, he found nothing at this time!

Su Yuqi's figure was not detected, and there was not even any sign of other people's activities!

"Is the Demon Heart Sect not in this secret realm?"

Chen Ping frowned slightly!

It is said that the Demon Heart Sect can create a super-powerful alliance organization in the secular world such as the Kyoto Martial Arts Alliance, so the Demon Heart Sect's power must be quite big!

But he used his spiritual consciousness to explore it, and found no one!

Seeing this, Chen Ping could only find a place to sit down and rest temporarily, and then search for it after dawn.

Chapter: 3374

After all, he is not familiar with this secret realm. If he rushes around looking for it at night, it will be a waste of time!

Chen Ping sat cross-legged, feeling the spiritual energy of heaven and earth pouring into his body!

And while Chen Ping was in the secret realm, a man in black robe slowly walked towards the door of Kyoto Dragon Gate!

Because it was dark, the guards at Longmen could not see the appearance of the person coming!

“Who are you? How dare you break into Longmen?”

The guard stepped forward to stop the man in black robe and said.

The man in black robe did not speak, but suddenly took action and smashed the guard’s head with one palm!

When another guard saw this, he was about to shout loudly, but was instantly grabbed by the throat by the man in black robes.

With a slight exertion, the guard’s throat was instantly crushed!

Looking at the corpses of the two guards, the man in black robe slowly raised his head!

Under the illumination of the light, the devil’s gloomy face was revealed!

After showing a weird smile, the magic envoy slowly walked towards the dragon gate!

Along the way, I met many people from Longmen, and they were all killed by the devil’s palm. They dared to kill them without any hesitation!

Arriving at the dungeon where Ning Zhi was imprisoned, the Demon Envoy waved his hand slightly, and the entrance to the dungeon opened directly!

At this time, Ning Zhi was squatting in the corner, with no expression on his face.

The soul in his body was destroyed, and Ning Zhi's strength also dropped a lot!

Now Ning Zhi understands that the strength improved by the soul is not his own after all. Once the soul disappears, the strength will be greatly reduced.

At this moment, the door of the dungeon was suddenly opened, and Ning Zhi stood up suddenly, with fear in his eyes, because he didn't know how Chen Ping would treat him!

But when the demon envoy walked into the dungeon from the outside, Ning Zhi's face instantly showed surprise!

"Lord Demon Envoy..."

Ning Zhi hurriedly stepped forward and knelt down to the demon envoy.

He originally thought that the Demon Heart Sect had given up on him. After all, the demon envoy said that he was just a pawn of the Demon Heart Sect!

Now it seems that Demon Heart Sect still cares about him.

"Follow me..."

Chapter: 3375

The demon envoy looked at Ning Zhi and said indifferently.

Ning Zhi nodded, quickly stood up, and followed the demon envoy!

The two people walked out of the dungeon, but as soon as they walked out of the dungeon, they saw Long Xingxu and dozens of people instantly surrounding the demon envoy and Ning Zhi!

Seeing that someone was trying to save Ning Zhi, Long Xingxu shouted sharply: "A bold maniac, you dare to break into our Longmen forbidden area and kill our people. Are you impatient?"

The demon envoy looked at Long Xingxu and couldn't help but raise the corner of his mouth and said: "Hmph, even a mere Marquis Wu dares to make such a noise..."

After saying that, the magic envoy waved his hand, and a huge and sharp wind flew towards Long Xingxu and others!

With this simple wave of his hand, Long Xingxu and many people from Longmen all flew out!

Through the fight, Long Xingxu knew that the demon envoys were too strong and they might not be their opponents!

But since he was asked to guard the house, Long Xingxu couldn't easily let Ning Zhi be rescued!

Seeing that Long Xingxu and the others refused to give way, the demon envoy's eyes flashed coldly, and then the aura on his body began to explode!

A powerful and terrifying aura instantly enveloped the entire dragon gate.

Long Xingxu and the others suddenly felt an invisible pressure coming on them, and then many people fell to the ground one after another!

Long Xingxu gritted his teeth and tried to hold on to the pressure, but the disparity in strength was too great. In the end, Long Xingxu was forced to kneel down with a thud!

The hard bluestone slab on the ground was severely smashed and cracked!

Looking at the fallen Longmen people, the devil's mouth slightly raised: "Hmph, a bunch of rubbish, do you want to stop me too?"

"Today I'm going to show Chen Ping the price of following our Demon Heart Sect and going against him..."

After saying that, the aura on the Demon Envoy's body began to surge, and the pressure on everyone in Longmen instantly increased dramatically!

Some people have already started vomiting blood, and their lives are being lost quickly!

"By doing evil in Kyoto so blatantly, do you think I don't exist?"

At this moment, a figure fell from the sky, and then a soft breath fell on everyone!

Everyone in Longmen felt their bodies light up, and they all stood up one after another!

Long Xingxu also stood up and was surprised when he saw the man who suddenly arrived. He hurriedly stepped forward and said, "Long Xingxu welcomes Mr. Shi..."

Mr. Shi just nodded slightly, and then looked at the demon envoy with a calm expression!

When Demon Envoy and Ning Zhi saw Mr. Shi suddenly arriving, their faces became extremely ugly!

Chapter: 3376

"Mr. Shi, this is a personal grudge between us and it should have nothing to do with your officialdom. I hope you won't get involved."

The devil said to Mr. Shi.

Mr. Shi frowned slightly and waved his palm lightly!

Snapped!

With a crisp sound, the left side of the demon's face instantly became red and swollen!

"You, a little demon, dare to speak to me in this tone. I think you are tired of living."

Mr. Shi's face began to turn cold!

The Demon Envoy covered his face and his expression fell into a sluggish state.

Now that he has recovered his body, he has the strength of a Martial Saint, but even the strength of a Martial Saint is so vulnerable in front of Mr. Shi!

"Mr. Shi, if Chen Ping arrests my Demonic Heart Sect disciple, I will rescue him now. Mr. Shi won't care, right?"

The magic envoy looked at Mr. Shi nervously and asked.

"You can save the people from your Demonic Heart Sect, but if you dare to kill the people from Longmen, I will never forgive you..."

Mr. Shi said with a stern look.

When the demon envoy saw this, he could only take Shi Yan with him and quickly escape from the dragon gate!

The appearance of Mr. Shi saved the lives of dozens of Longmen disciples!

“Mr. Shi, then... then Ning Zhi was taken away, what should we do next?”

Long Xingxu took courage and asked Mr. Shi.

“That’s your business, what does it have to do with me?”

After Mr. Shi finished speaking, his body was slowly disappearing!

“Mr. Shi, Mr. Shi...”

Long Xingxu screamed desperately, but it seemed to be of no use. Mr. Shi quickly disappeared without a trace.

Looking at the corpses on the ground and some seriously injured Longmen members, Long Xingxu hurriedly called for help!

But Ning Zhi was rescued. Long Xingxu didn’t know how he would explain it after Chen Ping came back!

At this moment, Hu Mazi and Zhou Jie came back. They tried many times, but could not open the entrance to the secret realm. They could only come back temporarily to find a way!

Chapter: 3377

When they heard that Ning Zhi was rescued by the demon envoy, Hu Mazi knew that they had been fooled. It was estimated that the other party deliberately lured Chen Ping into the secret realm, and they took the opportunity to rescue Ning Zhi!

In this case, Chen Ping will definitely be in danger in the secret realm.

The secret realm of Demon Heart Sect!

Chen Ping didn't know yet about Ning Zhi being rescued. When he slowly opened his eyes, he found that it was already dawn!

"Yu Qi, where are you?"

Chen Ping looked at the vast mountains and forests around him. There was no scent for more than ten miles, which meant that Su Yuqi was not nearby!

Chen Ping didn't know how big this secret realm was. Even if he entered the secret realm, finding Su Yuqi would be like finding a needle in a haystack!

But no matter what, since he came in, Chen Ping must rescue Su Yuqi before he goes out!

Unconsciously, Chen Ping has walked more than ten miles. Along the way, Chen Ping has been emitting spiritual consciousness and exploring everything around him, but he still hasn't found anything!

No breath was found, not even an animal!

"With such a rich aura and comfortable environment, is there no one in this secret realm?"

Chen Ping was murmuring in his heart at this time!

After such a long time, he didn't meet anyone from the Demon Heart Sect. Chen Ping was a little doubtful whether this secret realm was the Demon Heart Sect's secret realm!

A full half day has passed, and Chen Ping is still wandering around in the secret realm. Apart from mountains, forests, and huge rocks, there is not even a living creature in the entire secret realm!

Chen Ping didn't feel much at first, but as time went by, Chen Ping always felt that something was wrong with this secret realm!

There are no people or animals in this secret realm, it's like a prison!

And while Chen Ping was still looking for Su Yuqi in the secret realm, he was in another secret realm hall of Demon Heart Sect!

Seven people wearing purple robes were gathering together. All of these purple robes were covered by black scarves, and their faces could not be seen.

Sitting on the main seat is the great power that is always shrouded in black mist!

Ning Zhi was at the bottom, standing solemnly and looking a little nervous!

Even the demon next to him had stiff facial muscles and was extremely nervous!

Because everyone sitting here is the core figure of the Demon Heart Sect, because only the core high-level figures of the Demon Heart Sect are worthy of wearing purple robes.

Even though the Demon Envoy has been in the Demon Heart Sect for many years, he has never seen so many high-level officials of the Demon Heart Sect gathered together!

Now these people are all sitting together, which proves that something big will happen...

Chapter: 3378

The powerful eyes scanned the hall, and then slowly said: "Everyone, you can start..."

The seven purple robes nodded, and then each held a black gold ball in their hands that was only the size of a fist!

Soon, these black gold balls emitted light, and the seven rays of light finally gathered together, and then a door slowly appeared in the void!

I saw two hideous-looking heads on the door, which looked very scary!

Then Da Neng also took out a black gold ball, and gently flicked the surface of the black gold ball with his palm. A dazzling black light shot towards the door that appeared instantly!

Crunch.....

A harsh and heavy sound was heard, the door was slowly opened, and then a series of screams were heard from behind the door!

This voice makes people's skin crawl all over, as if it comes from the abyss of hell!

"Ning Zhi....."

Da Neng shouted to Ning Zhi.

Ning Zhi hurriedly stepped forward and knelt down: "My subordinate is..."

"This is the gate of hell. If you walk in now, when you can come out, you will be a real demon warrior, and you will also change from a martial artist to a real monk!"

"At that time, you can survive for thousands of years, fly into the sky and into the earth, and even tear apart time and space, step into the world of heaven and humans, and become a generation of demons..."

"Your physique is destined to make you more than an ordinary warrior. Are you willing to accept the experience of the Gate of Hell?"

Da Neng's voice was very soft, as if an elder was telling his child something!

Although he was talking to Ning Zhi in a questioning tone, Ning Zhi knew that there was absolutely no room for negotiation!

He knows the price of rejection.

That would be a life worse than death.....

Ning Zhi raised his eyes and forgot about the Gate of Hell. Listening to the miserable sound coming from the Gate of Hell, he could only grit his teeth and said, "My subordinate is willing..."

"Very good, I'm waiting for your return from the Gate of Hell..."

"Go ahead..."

Almighty waved his hand lightly!

Ning Zhi stood up, his legs trembling slightly, and finally stepped in!

When Ning Zhi's body disappeared into the gate of hell, the gate slowly closed, the light disappeared, and the seven purple-robed men put away the black gold balls in their hands!

Chapter: 3379

The devil looked at the disappearing gate of hell, and a drop of cold sweat slipped quietly from his forehead!

"Then has Chen Ping entered the secret realm?"

Da Neng asked the demon envoy.

“Yes, Chen Ping has entered the secret realm, and the entrance to the secret realm has been sealed by his subordinates. Without us opening the entrance, Chen Ping will never be able to get out.”

The demon envoy hurriedly said respectfully.

“Very good, then let him stay inside and don’t worry about him.”

Almighty nodded!

The demon envoy looked puzzled and said: “Damneng, don’t we send people to kill that Chen Ping? Isn’t it a waste to waste one of our secret realms just to lock up Chen Ping?”

The demon envoy couldn’t understand that since Chen Ping had entered the secret realm, it would be too easy for them to kill Chen Ping!

Why are you still trapping him in that secret realm?

You must know that every secret realm resource is very valuable to the Demon Heart Sect!

Now, an entire secret realm is used to control Chen Ping. This is simply unbelievable!

“This Chen Ping can’t die yet. If the spiritual energy is to be revived, he will be of great use later...”

Da Neng explained!

“Revival of spiritual energy? Hasn’t the recovery of spiritual energy been destroyed by Chen Ping?”

The Demon Envoy is getting more and more confused now!

“Okay, you shouldn’t know, so don’t ask. I’m giving you a task now. Go to the secular world to find people with special physiques, and then capture them. Remember, you must not kill them...”

Da Neng spoke slowly!

“Damneng, why do you want to arrest these people? If...”

“Okay, you’ve asked too many questions, please step back...”

Da Neng didn’t wait for the demon envoy to finish speaking, and waved his hand gently.

Only then did the Demon Envoy realize that he had unknowingly asked questions he shouldn’t have asked!

Fortunately, Almighty is not angry today!

The demonic messenger wiped the cold sweat from his forehead and said quickly: “My subordinates are resigning...”

Chapter: 3380

After the demon envoy left, the powerful man looked at the seven purple robes and said: “Everyone, now that the secret realm conference is restarted, the eight secret realms will fall into turmoil, and this is our opportunity.”

“I believe that none of you will be willing to be trapped in a secret realm for the rest of your life. As monks, we all have the same goal, which is to ascend to the world of heaven and humans and escape from this cage-like secret realm!”

“And now is our opportunity. Although the spiritual energy recovery failed, as long as we find eight people with different special systems, we can truly open the door to hell. By then, we can still revive the spiritual energy, and we can escape from the secret realm. Bondage.”

“Remember, the eight of us are grasshoppers on a rope. If one of us is exposed, no one can escape. And if we want to open the real door to hell, we need eight of us to join forces.”

“It’s been hundreds of years. This may be our last chance to escape from the secret realm!”

Almighty’s voice sounded a bit sad at the end!

However, none of the seven purple robes spoke, but it could be seen from their eyes that each of them also had infinite longing!

In the secret realm!

Chen Ping walked around for a whole day, but found nothing!

But in this day, Chen Ping roughly calculated the size of this secret realm. This secret realm is hundreds of miles away, and the area is already quite large!

It can be called a small world, and there are mountains, water, flowers and grass. The environment is very good and the spiritual energy is very full!

The only drawback is that there are no living creatures. There is only Chen Ping himself in the entire secret realm!

Chen Ping couldn’t find Su Yuqi inside, and there was another very bad thing, that is, the entrance was also missing!

Chen Ping could not find the entrance to the secret realm all day long.

He couldn’t find the entrance or exit, which meant that Chen Ping couldn’t get out of this secret realm!

It was getting dark, and Chen Ping knew that he could not find the entrance to the secret realm. Hu Mazi and the others were probably thinking of a solution outside!

So Chen Ping was not in a hurry, sat cross-legged and began to practice quietly!

At this time, Hu Mazi and Zhou Jie who were outside were really anxious to think of a solution!

“Tell me what’s going on? Why was the entrance to the secret realm suddenly closed?”

Hu Mazi looked at Zhou Jie complainingly and asked.

“I don’t know either. The entrance is obviously here, but now it has disappeared.”

“I can’t feel the existence of the entrance or exit at all now, as if there is no entrance to the secret realm here at all!”

Zhou Jie also looked anxious.

No matter how she activated the spell, there was no trace of void fluctuations where the entrance to the secret realm originally appeared, and Zhou Jie couldn’t feel that there had been an entrance to the secret realm here!
