

The Order 3381

Chapter: 3381

“What should I do?”

Hu Mazi is a little at a loss now!

Obviously, this is the entrance to the secret realm, and it is the conspiracy of the Demonic Heart Sect to deliberately lure Chen Ping into the trap!

From this point of view, it is impossible for Su Yuqi to be in this secret realm!

Now that Ning Zhi has been rescued and Chen Ping is trapped in the secret realm, Hu Mazi and the others are helpless!

“Master Hu, maybe there is someone who can rescue Brother Chen Ping...”

At this time, Long Xingxu said.

“Who? Who can rescue Chen Ping?”

Hu Mazi asked quickly.

“Mr. Shi.....”

After Long Xingxu finished speaking, Hu Mazi almost fell over.

Putting aside whether Mr. Shi can be saved, the question is who can rescue Mr. Shi?

Who is qualified to invite Mr. Shi?

I'm afraid they won't even be able to see Mr. Shi in person!

"Who do you think can come forward to see Mr. Shi?"

Hu Mazi asked Long Xingxu.

"Master Hu, maybe we can't do it alone. We can unite more people and go to see Mr. Shi together. Maybe Mr. Shi can meet us."

Long Xingxu said.

"I think Xingxu is right. As long as there are enough people, I don't think Mr. Shi will disappear."

"As long as we meet and tell Chen Ping how he was trapped, I think Mr. Shi will take care of it."

"After all, Mr. Shi takes good care of Chen Ping."

Zhou Jie also spoke at this time.

"Okay, then let's split up tomorrow and connect everyone we can!"

Hu Mazi nodded!

Chapter: 3382

Early the next morning!

Hu Mazi and the others will split up!

Soon, dozens of people were gathered, and they were all well-known people in Kyoto's martial arts circles.

Ge Fuhai, Ge Jiayi...

Zhao Ligu, Zhao Chuang, Xiaoru.....

Ji Ruxue, Gu Linger, Wu Meier, Xiaolan, Xiaomin...

Dong Liqun, Dong Jiahao.....

Xu Changsheng, Long Wu, the four evil men...

Hu Mazi, Zhou Jie, Long Xingxu...

.....

At the door of the Dharma Protector Pavilion, dozens of people blocked the door!

"Pavilion Master Zhao, please inform Mr. Shi that we have something to see him..."

Ge Fuhai said to Zhao Wuji very politely.

Zhao Wuji looked at the dozens of people in front of him with a confused look on his face: "Master Ge, it's not like you don't know Mr. Shi's temper."

"Only if he summons me, no one can see him casually. Even for me, it's not easy for me to see Mr. Shi."

“With my status, I am not even qualified to pour tea and water for Mr. Shi!”

Although Zhao Wuji is the master of the Dharma Protector Pavilion, as the master of the Dharma Protector Pavilion, he is nothing in front of Mr. Shi!

“Pavilion Master Zhao, Mr. Shi has been in the Dharma Protector Pavilion during this time. I believe you can find a way...”

At this time, Dong Liqun stepped forward and took out an exquisite folding fan from his arms: “Pavilion Master Zhao, this is an heirloom of our Dong family, please help...”

Dong Liqun stuffed the folding fan into Zhao Wuji’s hand!

“Master Dong, you don’t have to be like this...”

Zhao Wuji returned the folding fan, then sighed and said: “Mr. Chen also helped me a lot, so I will go all out today. I will go find Mr. Shi...”

Zhao Wuji gritted his teeth and planned to go directly to Mr. Shi.

But just as Zhao Wuji turned around, he saw Xing Jun walking out!

Chapter: 3383

“Captain Xing, they...”

Upon seeing this, Zhao Wuji hurriedly stepped forward and followed Xing Jun.

After all, Xing Jun is the person next to Mr. Shi and can speak to him!

Before Zhao Wuji finished speaking, Xing Jun waved his hand and interrupted him: “Mr. Shi said, let them all go in...”

When everyone heard this, they were immediately happy and rushed towards the Dharma Protector Pavilion!

Soon, Mr. Shi’s living room was packed with people!

Mr. Shi himself was sitting at the main seat, sipping tea gently, as if he couldn’t see the dozens of people in front of him!

Dozens of people faced Mr. Shi, their breathing became rapid and nervous, and no one dared to speak!

Even though Mr. Shi didn’t have any aura erupting from his body at this time, they still felt a lot of pressure when facing Mr. Shi!

Mr. Shi didn’t speak either, and the whole living room fell into dead silence, except for the rapid breathing of everyone!

When Mr. Shi finished drinking a cup of tea, he raised his eyes and looked at everyone!

Feeling Mr. Shi’s gaze, many people lowered their heads!

Mr. Shi’s eyes swept across everyone, finally stopping on Xiaoru and Wu Meier for a moment, but quickly moved away.

“Okay, except for a few girls, everyone else, please go out. I know you are here because of Chen Ping’s affairs.”

“Let him solve his own affairs...”

Mr. Shi waved his hand!

When Ge Fuhai and the others saw this, they were about to ask Mr. Shi, but when they saw Mr. Shi's eyes, they were so frightened that no one dared to speak!

As for Hu Mazi, he was hiding at the end of the crowd, not even daring to look at Mr. Shi!

Soon everyone was invited out by Xing Jun, leaving only a group of girls standing there.

These girls didn't understand why Mr. Shi wanted to leave them behind, and all of them looked a little nervous!

"Who among you is Chen Ping's woman?"

Mr. Shi asked calmly.

Mr. Shi's sudden question made many girls stunned. Then they looked at each other, but no one spoke!

Because when they talk about it, no one can be considered Chen Ping's woman.

Chapter: 3384

Although many of them liked Chen Ping, they did not break the window with Chen Ping!

Moreover, he and Chen Ping are no longer a couple!

When Mr. Shi saw that no one was talking, he couldn't help but frowned slightly and said, "Did Chen Ping never sleep with any of you?"

Mr. Shi's straightforward words instantly made these girls blush!

Then everyone shook their heads...

When Mr. Shi saw this, he laughed helplessly in the end!

“This fucking kid is so cruel...”

For the first time, Mr. Shi said foul language...

When they heard Mr. Shi say bad words, several girls were stunned, but the nervousness in front of Mr. Shi disappeared instantly!

“Mr. Shi, I hope you can rescue Chen Ping. As long as you can rescue Chen Ping, you can let me die...”

Ji Ruxue walked forward slowly and knelt down directly in front of Mr. Shi!

When other girls saw this, they also knelt down and begged Mr. Shi to rescue Chen Ping from the secret realm!

“None of you are that Chen Ping’s woman, but why are you like this?”

Mr. Shi asked as he glanced at the girls.

“Brother Chen saved my life. My life belongs to him. I can die to save him...”

Xiaoru slowly raised her head and said firmly.

Among them, Xiaoru is the youngest, but the determination in her eyes shows that she can indeed sacrifice for Chen Ping!

“Some of us have been saved by Chen Ping, and some have admiration for him. In short, we are all willing to die for Chen Ping, and we hope that Mr. Shi can come to the rescue...”

Ji Ruxue kowtowed hard to Mr. Shi!

Mr. Shi looked at the girls with some relief, then smiled lightly and said, “I wonder how Chen Ping would feel if he knew you were willing to die for him...”

“But remember, in this society, your lives are worthless. Even if you sacrifice your lives, it won’t change anything for Chen Ping now!”

“If you really want to help Chen Ping, the only thing you can do is to improve your own strength so that you can help him when he encounters difficulties, instead of kowtowing everywhere and asking for help...”

Mr. Shi’s words were like thorns piercing the hearts of the girls!

Although they all have some strength, as Chen Ping’s strength becomes higher and higher, the difficulties they encounter become more and more serious.

Chapter: 3385

And besides praying to Chen Ping every day, they seem to be unable to do anything...

“Thank you Mr. Shi for your teaching!”

Ji Ruxue kowtowed to Mr. Shi again!

At this time, they all secretly vowed in their hearts that they must work hard to practice and become a woman who can help Chen Ping!

Rather than just adding trouble to Chen Ping and making a useless vase...

“I will give you a set of skills now. As for how much you can understand, that is your own talent and destiny!”

After Mr. Shi finished speaking, he waved his palm lightly, and a light flashed in the minds of the girls!

When the girls saw this, they quickly thanked Mr. Shi!

“Okay, you can go out...”

Mr. Shi waved his hand and asked Ji Ruxue and the others to step back!

But just when the girls stood up and were about to leave, Mr. Shi pointed at Xiaoru and Wu Meier and said, “You two stay...”

Xiaoru and Wu Meier looked puzzled, but they still stayed!

When the other girls left, Mr. Shi’s face became solemn!

“You two have different physiques than ordinary people, do you know that?”

Mr. Shi asked the two of them.

“I am an ice crystal. It is because of Brother Chen that I am alive now!”

Xiaoru said.

“I also know that I am naturally charming, but I have never used my special physique to harm anyone!”

Wu Meier also said quickly.

“Since you two know that you have a special physique, are you two willing to sacrifice for Chen Ping?”

“If you want Chen Ping to escape from the secret realm, you two need to take risks!”

Mr. Shi asked with a serious face.

“I do. My life is all given by Brother Chen.” Xiaoru nodded without hesitation!

Wu Meier hesitated for a moment, then nodded and said: “I am willing too. Although I have never admitted that I like Chen Ping, Chen Ping has already taken root in my heart.”

Chapter: 3386

Seeing that both of them agreed, Mr. Shi gently brushed his palm on the table, and a golden light flashed out!

Immediately afterwards, Xiaoru and Wu Meier saw a book appear out of thin air in front of Mr. Shi’s desk!

The cover of the book is very primitive, even a little shabby!

“Take this book, you two don’t leave Kyoto even half a step, remember, no one is allowed to read this book, including you two!”

“As soon as you see Chen Ping, you will give this book to him. Do you understand?”

Xiaoru and Wu Meier nodded in understanding!

In fact, they didn’t understand what Mr. Shi meant at all!

They even don't understand, Chen Ping is already trapped in the secret realm, how can they see Chen Ping?

"Okay, take your books and leave. Don't mention this matter to anyone..."

Mr. Shi waved his hand!

Wu Meier stepped forward, put the book in her arms, and then walked out of the Dharma Protector Pavilion!

"Xiaoru, Meier, what did Mr. Shi say when you two were left behind?"

Ji Ruxue asked quickly when she saw two people coming out.

"I didn't say anything, just asked about our physical condition."

Wu Meier explained.

After all, most of the things about her and Xiaoru's special physiques are known!

"Okay, let's go back. Since Mr. Shi has taught us the skills, I hope the sisters can practice more and help Chen Ping as soon as possible!"

Ji Ruxue said to the girls.

.....

In the following days, all the girls began to practice hard!

And Hu Mazi and the others are still thinking of ways to rescue Chen Ping from the secret realm!

Now only Xiaoru and Wu Meier seem to be at a loss!

The two of them were together every day, and Wu Meier even carried the book with her and didn't dare to let go!

But a few days passed in the blink of an eye. The two of them were walking on the street all day long, not knowing how to meet Chen Ping.

Chapter: 3387

I don't understand what Mr. Shi said either!

"Sister Mei'er, there's no way we can do this. Everyone else is practicing, so we're just hanging out all day."

"I don't know, I thought the two of us didn't want to contribute to Brother Chen Ping..."

Xiaoru sat in a corner of a hotel and said listlessly.

"What on earth does Mr. Shi mean? I don't understand either. I have been thinking these days whether Mr. Shi gave us the book because of our special physiques and the ability to meet Chen Ping." ?"

Wu Meier said thoughtfully.

"But how can we see Brother Chen Ping? He is sealed in a secret realm. Master Hu and the others can't do anything about it."

Xiaoru pouted, looking at the food in front of her, she had no appetite at all!

"You two little sisters, if you are unhappy with anything, tell your brother and he will help you solve your problems..."

At this time, two guys wearing trendy clothes and looking cool came over!

Xiaoru and Wu Meier just glanced at the two guys, but didn't pay any attention to them!

Seeing that Xiaoru and Wu Meier didn't speak, the two men didn't admit it and sat directly with Xiaoru and the others!

When Xiaoru was irritated at this time, she saw two blind guys coming to chat with her, and she suddenly got angry!

"You two, get out of here, don't wait for me to get angry..."

Xiaoru glared at the two guys fiercely and said.

One of the guys saw that Xiaoru was talking very wildly, and immediately raised the corner of his mouth and said: "Little sister, you are not a big person, but you are very crazy when talking. Why don't you ask me, the two of us..."

Before she finished speaking, Xiaoru gently pressed her hands on the table. Soon the table turned to frost at a speed visible to the naked eye, and then the frost spread to the two men in an instant!

The two men only felt a chill all over their bodies, but before they could react, their whole bodies were frozen, and even their hair and eyebrows were covered with frost!

"Xiao Ru..."

Seeing this, Wu Meier hurriedly stepped forward to give Xiaoru a hand, then looked around and said, "Let's leave quickly. If you act like this in a busy city, it will cause panic..."

Wu Meier took Xiaoru and left without even taking a few bites of the good meal!

Just after Xiaoru and Wu Meier left the hotel, an old man wearing a black hat and a gray beard took one look at the two men, and then stood up and walked out of the hotel quickly!

This old man is the demon envoy who has been ordered to look for people with special physiques in the secular world.

Wu Meier pulled Xiaoru and walked through the streets and alleys to avoid the crowd, as if she was afraid of being discovered.

Chapter: 3388

“You girl, you are so impulsive. If Uncle Long finds out, he will definitely scold you. Those two guys are just ordinary people, but you dealt with such a heavy hand!”

Wu Meier scolded Xiaoru!

“Sister Mei’er, I was wrong. I was so angry just now. Why did those two blind guys come to my door?”

Xiaoru looked aggrieved!

Seeing Xiaoru like that, Wu Meier couldn’t bear to say anything, and sighed softly: “Now that Chen Ping is locked up in a secret realm, his life or death is uncertain, let’s not put any more burden on him!”

“I was never interested in practicing before, nor did I like fighting and killing, but now I am eager to become a master like you!”

Among these girls, Wu Meier is the only one who has no strength and is an ordinary person!

“Sister Mei’er, you scold Brother Chen every time you see him, and you even scold him. I always thought you didn’t like him!”

“I didn’t expect you to hide so deeply and be willing to sacrifice your life for Brother Chen!”

Xiaoru smiled and said.

Wu Meier smiled bitterly: “There are so many girls who like Chen Ping now. Regardless of appearance or strength, I am not outstanding enough. Moreover, my sister likes him unabashedly. I...what else can I do...”

“Brother Chen is so lucky to have sisters like you...”

Xiaoru smiled and said!

“Okay, don’t talk about this, let’s go back first!”

Wu Meier takes Xiaoru and wants to go back!

But just when they turned around, they discovered that behind them, an old man in a black hat was looking at them with a pair of osprey-like eyes!

“I really didn’t expect that Chen Ping’s love luck would be so strong...”

The devil said with a smile.

“who are you?”

Xiaoru blocked Wu Meier behind her and asked the demon envoy.

She could feel the aura of the demon, so the demon was definitely not an ordinary person.

“I am Chen Ping’s enemy...”

The devil said calmly.

When Wu Mei'er and Xiao Ru heard this, they looked at each other, and Xiao Ru said: "Sister Mei'er, you go first, I'll take care of this old guy!"

Chapter: 3389

Since she is Chen Ping's enemy, Xiaoru can just use it to vent her emotions!

"Hahaha, you are so young and can speak so loudly. You have just stepped into the power of Marquis Wu, and you still want to deal with me?"

"Even if you have a special physique, what can you do to me?"

The devil laughed and said!

Xiaoru didn't speak, but her body shook slightly, and a cold energy condensed on Xiaoru's hands!

I saw Xiaoru's hands condensing ice quickly!

"Ice Palm..."

Xiaoru shouted loudly and slapped the demon envoy with one palm!

As soon as this palm came out, a cold wind blew up, and the surrounding temperature dropped several degrees.

The demon envoy looked at Xiaoru and slapped him with his palm, always with a bit of a sneer on his face and his eyes full of disdain!

Just when Xiaoru got close to him, the demon suddenly took action and grabbed Xiaoru's neck!

Xiaoru's palm also hit the demon envoy!

But the magic envoy didn't move at all, not even a trace of frost condensed on his body!

Seeing this scene, Xiaoru's expression changed drastically. She knew that the gap between her own strength and that of her opponent was too big!

The difference in strength is to a certain extent, even if Xiaoru is an ice crystal, it will have no effect at all!

"Asshole, let me go, let me go..."

Xiaoru struggled, but her body felt like it was being clamped tightly in a vise!

"No need to struggle anymore, it's useless!"

The devil smiled coldly, picked up Xiaoru and planned to leave, leaving Wu Meier alone!

But seeing Xiaoru being taken away, Wu Meier became anxious!

"Wait a moment....."

Wu Meier shouted loudly!

The demon turned his head, looked at Wu Meier and said, "What do you want to do?"

Wu Meier suddenly showed a faint smile, her eyes were curved like crescent moons, and her eyes were full of affection!

Chapter: 3390

At this moment, Wu Meier exudes an aura that fascinates men!

Wu Meier plans to use charm to control the demon so as to save Xiaoru.

When the demon envoy saw Wu Meier like that and felt the charming aura on her body, he was slightly stunned!

When Wu Meier saw this, she thought she had succeeded and walked towards the demon envoy step by step!

Xiaoru, on the other hand, tried hard to break free from the shackles of the demon!

“Hahaha, hahaha...”

“It’s really effortless to get here without any effort. I didn’t expect that I would meet two people with special physiques!”

“God’s will, simply God’s will, this trip is worth it...”

The demon suddenly raised his head and laughed!

Wu Mei’er was startled when she saw this, and turned around to run away, but was grabbed by the demon envoy, and a huge suction force directly sucked Wu Mei’er over!

The Demon Envoy controlled one with one hand, his face full of pride!

Then he gently exhaled a mouthful of black mist, and Xiaoru and Wu Meier both fell silent!

.....

The secret realm of Demon Spirit Sect!

The magic envoy looked at Xiaoru and Wu Meier who were unconscious, with a sparkle in their eyes!

Since he regained his true form, he has never tasted the taste of a woman!

But now, two such beautiful women were placed in front of him, which made the magic envoy a little unbearable!

And this is Chen Ping's woman. Thinking of this, the Demon Envoy felt excited!

He can use this method to take revenge on Chen Ping!

"Chen Ping, I will record this section and show it to you when the time comes."

With a lewd smile on his face, the demonic messenger immediately pounced on Wu Meier and Xiaoru!

Snapped.....

But just when the demonic messenger pounced, he suddenly felt burning pain on his face, and then his whole body flew backwards in an instant!

The powerful figure slowly appeared, frightening the demon envoy to the point where he knelt on the ground!
