

The Order 3391

Chapter: 3391

“I said, if you catch someone with a special physique, you have to treat me well and don’t do any harm!”

“Are you taking my words seriously and turning a deaf ear?”

Da Neng looked at the demon envoy coldly, and his gloomy voice almost made the demon envoy pee in fear!

“Almighty, spare my life, but this subordinate was confused for a moment. He never dares to do it again, never dares to do it again...”

The devil kowtows desperately and begs for mercy!

“Let me ask you, Su Yuqi has been on hunger strike for several days, why didn’t you report it?”

Almighty asked.

“My subordinate is thinking of a solution, and Su Yuqi’s physical condition is not bad, so I will not report it!”

The magic envoy hurriedly explained!

“Throw these two girls and Su Yuqi into the secret realm that seals Chen Ping.”

Mighty said.

The magic envoy was stunned and asked with a confused look on his face: “Damneng, wouldn’t this reunite Chen Ping with his girlfriend?”

“And how can we extract Su Yuqi’s blood?”

Da Neng smiled coldly: “What I want is to reunite them, because only in this way can Chen Ping settle down. Even if they are reunited, so what? They will never escape from that secret realm!”

“As for Su Yuqi’s blood, don’t draw it anymore. Compared to her special physique, the blood on her body is nothing.”

“You did a good job this time. You found two people with special physiques at once. Work hard. When we break through this secret realm and rule the entire secular world, I will let you rule the world.”

The powerful man praised the demon envoy. This was a typical slap to a sweet date!

“My subordinates will definitely be punished by the Almighty...”

The demon envoy is filled with excitement!

In the secret realm!

Wu Meier and Xiaoru are still in a coma, Su Yuqi is shouting to them from the side!

“Xiaoru, Meier, wake up, wake up...”

Su Yuqi looked excited and worried at the same time!

After such a long time, she finally met someone she knew well!

Chapter: 3392

After a while, Xiaoru and Wu Meier woke up. When they saw Su Yuqi, they were also surprised!

“Sister Yuqi? Are you...really you?”

Xiaoru looked at Su Yuqi in disbelief!

Wu Meier pinched herself hard: “Are we dreaming?”

“Xiaoru, it’s me, you are not dreaming...”

Su Yuqi’s eyes were full of tears, and she hugged Xiaoru tightly!

“Sister Yuqi, I finally see you. I miss you so much after such a long time. Everyone misses you so much!”

“Brother Chen Ping was sealed in a secret realm in order to find a way to save you...”

Xiaoru also cried bitterly and hugged Su Yuqi tightly!

When Su Yuqi heard Xiaoru mention Chen Ping, she quickly wiped her tears and said, “Xiaoru, tell me in detail, what happened to Chen Ping?”

“I...I don’t know much...”

Xiaoru has been living in the Zhao family. After all, she and Zhao Chuang have been set for life, and living in the Zhao family is normal!

So Xiaoru didn’t know very much about Chen Ping!

“Let me tell you...”

Wu Meier spoke, and then told in detail how Chen Ping tried to enter the secret realm in order to save Su Yuqi, and then was sealed inside!

“This fool, there are many secret realms in Demon Heart Sect, how could he possibly know which secret realm I am locked in...”

“This is obviously the conspiracy of the Demon Heart Sect...”

Although Su Yuqi said it on her lips, she was very moved in her heart. After all, Chen Ping risked his life to save her, which shows her status in Chen Ping’s heart!

“Sister Yuqi, why do you appear here? Where is this place?”

Xiaoru asked curiously.

“This is also a secret realm of the Demonic Heart Sect. I have been moved to several places. I just don’t know why you two appear in this secret realm!”

Su Yuqi said.

“We were captured...”

Xiaoru told the story about how she and Wu Meier met an old man and were arrested later!

Chapter: 3393

“You must have met the demon envoy of the Demon Heart Sect. That old guy is very powerful.”

“But why does the Demon Heart Sect want to arrest you two?”

Su Yuqi frowned slightly, confused!

During the time when the Demon Heart Sect was imprisoned, Su Yuqi actually got to know a lot about the Demon Heart Sect, and she also got to know many people in the Demon Heart Sect!

After all, what the Demonic Heart Sect wanted was Su Yuqi's blood, so they served Su Yuqi with delicious food, and in the secret realm, they did not restrict Su Yuqi's freedom!

Because even if Su Yuqi moves around casually, it is impossible to leave the secret realm. This is also to allow Su Yuqi to cooperate with the blood drawing!

It is precisely because of this convenient condition that Su Yuqi has a preliminary understanding and understanding of the Demon Heart Sect!

"We don't know why we were arrested, but Mr. Shi gave us a book in advance and said that if we saw Chen Ping, we would give it to him. He also asked us if we were willing to sacrifice for Chen Ping."

Wu Meier said to Su Yuqi.

"What book? Bring it to me to read..."

Su Yuqi asked.

Su Yuqi didn't know much about Mr. Shi. After all, she had been locked up in the Demon Heart Sect for a lot of time.

Wu Meier took out the book and handed it to Su Yuqi!

Su Yuqi looked at the very simple and even shabby book in her hand with a look of confusion on her face!

But just when Su Yuqi was about to open it and take a look, she was stopped by Xiaoru: "Sister Yuqi, you can't open it. Mr. Shi said that this book can only be opened by Brother Chen Ping..."

Seeing this, Su Yuqi could only return the book to Wu Meier, and then said: "How are you two doing now? If possible, we need to get familiar with this secret realm first!"

"We're fine..."

Xiaoru and Wu Meier both nodded!

Then Su Yuqi took two people with her and began to get familiar with this secret realm. However, along the way, Su Yuqi did not find anyone from the Demonic Heart Sect.

I haven't even encountered a monster. You must know that monsters exist in such a large secret realm, and monsters are also resources in the secret realm. Their final destination is to be swallowed by the beast pill and help others practice. !

But there is nothing in this secret realm, not even a breath of living things...

However, the environment in this secret realm is very good, not very bad, which also saves Su Yuqi and the three girls from suffering a lot!

After walking a certain distance, Wu Meier couldn't bear it anymore!

After all, she is just an ordinary person. Unlike Su Yuqi and Xiaoru, she can hold on even if she doesn't eat or drink!

Chapter: 3394

Seeing Wu Meier like that, Su Yuqi could only stop and rest!

"Xiaoru, keep an eye on your sister Mei'er. I'll go find some food and see if there are any wild fruits or anything like that."

Since there are no living creatures in this secret realm, we can only find some wild fruits to satisfy our hunger!

Su Yuqi went to find something to eat, and not far from them, Chen Ping was sitting cross-legged, using the Heart Condensation Technique to the extreme, absorbing the spiritual energy of heaven and earth!

During this period of time, he has visited the entire secret realm, but he can't find an exit at all. Whether it's a mountain or a river, he still can't find a way out!

The secret realm was surrounded by chaos. Chen Ping once tried to pass through this chaos like he did in the Demon Spirit Sect to see if he could get out of the secret realm!

As a result, he couldn't even take a step into the land of chaos. The land of chaos was filled with turbulence of time and space, and there was no way to pass through it.

Now Chen Ping can only work hard to improve, and he also hopes that Hu Mazi and the others can find a way to open the entrance from outside!

But while Chen Ping was practicing, a fluctuation suddenly flashed in his mind. This was a manifestation of the aura fluctuation detected by his spiritual consciousness!

"Is there anyone?"

Chen Ping suddenly opened his eyes, with indescribable excitement on his face!

Following the feeling of his spiritual consciousness, Chen Ping quickly headed towards the place where the aura was fluctuating!

At this time, Su Yuqi was looking for something to eat and didn't notice anyone approaching her!

In this way, the two people get closer and closer...

As the distance increased, Chen Ping could clearly feel that this breath was very familiar!

“Yu Qi’s breath? Is it Yu Qi? Is she really locked up here?”

Chen Ping had incredible excitement on his face, and his steps were getting faster and faster!

Soon, a figure appeared in front of Chen Ping.

When Chen Ping saw this figure clearly, he was stunned for an instant and stood blankly on the spot, as if he had been cast on a body-holding spell!

The expression on Chen Ping’s face was also very complicated, ranging from surprise to excitement, from excitement to confusion...

He had obviously searched the entire secret realm, but there was no one there at all, but why did Su Yuqi suddenly appear at this moment?

At this time, Su Yuqi looked up and found Chen Ping standing blankly. Su Yuqi was stunned for a moment!

The two people just stood there blankly, looking at each other. No one said anything, but the excitement and excitement in their eyes were clearly revealed!

“Chen Ping...”

Chapter: 3395

Finally, after the two looked at each other for several minutes, Su Yuqi shouted and ran directly towards Chen Ping!

“Yu Qi...”

Chen Ping also rushed towards Su Yuqi!

Soon, the two hugged each other tightly, feeling the temperature of Su Yuqi's body, Chen Ping injected a spiritual power into Su Yuqi's body!

Until he discovered that Su Yuqi was not a projected illusion, Chen Ping's tears instantly flowed out!

"Yu Qi, is this true? Is it true?"

Chen Ping asked in disbelief.

"Really, it's all true..."

Su Yuqi was already in tears at this time!

Two lovers who have been separated for such a long time finally meet now!

Although both sides have a lot to ask each other, at this time, no one can say it!

Chen Ping looked at Su Yuqi's pear-shaped face and the lover he longed for. He couldn't bear it anymore!

Kissed him directly.....

Su Yuqi also responded to Chen Ping!

At this moment, the two of them forgot everything and only saw each other!

This kiss made the sky darken, the earth shake, and the mountains shake...

It wasn't until Su Yuqi felt difficulty breathing that Chen Ping let her go!

Looking at it getting dark, Su Yuqi finally remembered that she was looking for something to eat!

“It’s bad, I forgot that I came here to get food, Mei’er is still hungry now!”

Su Yuqi said hurriedly!

“Mei’er? Wu Mei’er? Is she here too?”

Chen Ping asked with surprise on his face.

“I’ll explain to you later. You can find some food with me first, and then we’ll talk when we get back...”

Su Yuqi urged Chen Ping to find something to eat.

Chapter: 3396

Soon the two of them found some wild fruits and vegetables, and then hurried back!

On the way, Su Yuqi explained to Chen Ping, and then Chen Ping realized that Xiaoru and Wu Meier had also been captured by the devil in this secret territory!

However, Chen Ping was very interested in the book that Mr. Shi gave to Wu Meier and the others!

I don’t know how Mr. Shi knew Wu Meier and Xiaoru, so he would definitely meet him?

Could it be that he had already guessed that the two of them would be captured by the Demon Heart Sect and thrown into this secret realm?

And why did the Demon Heart Sect arrest the two of them?

These questions also troubled Chen Ping!

Soon Chen Ping and Su Yuqi arrived at the place and saw Wu Meier lying weakly on the ground, with Xiaoru taking care of her!

Xiaoru heard someone approaching, so she looked up. When she found Chen Ping, she was stunned!

Then he sprang up: "Brother Chen Ping... I didn't expect to see you..."

Xiaoru shouted excitedly, causing Wu Meier, who was lying on the ground, to raise her head hard. The moment she saw Chen Ping, her body seemed to be full of strength and she stood up!

After a few people happily exchanged greetings, Wu Meier was asked to eat some wild fruits to replenish her strength!

At this time, Wu Meier took out the book given by Mr. Shi and said, "Mr. Shi gave this to you, and none of us have ever opened it!"

Chen Ping took the simple book, and suddenly a strange breath came from the book!

Chen Ping frowned slightly, then looked at Su Yuqi and said, "Yuqi, have you taken this book?"

"I took it, but I didn't open it!"

Su Yuqi said.

"Then did you feel there was a strange aura in this book?" Chen Ping continued to ask.

"No, I don't feel anything, it's just an ordinary book!"

Su Yuqi shook her head and said.

“This is strange.” Chen Ping looked surprised and then opened the book!

But when the book was opened, everyone was stunned!

Because there is not a single word in the book, it is all blank paper.

“Why...why is there nothing in the book?”

Chapter: 3397

Xiaoru asked in disbelief.

“Chen Ping, could this be a strange book that requires a specific method to see what’s inside?”

Su Yuqi said.

“possible.....”

Chen Ping nodded, and then a ray of spiritual energy poured in, but the book in his hand still did not change, there was still not a word!

Chen Ping even used magic, but it still didn’t work. There was still nothing in the book!

“It’s really strange...”

Chen Ping frowned!

Wu Meier said in confusion: “Mr. Shi gave us a wordless heavenly book to do, but he didn’t tell us how to do it...”

“Mr. Shi asked you to hand over the book to me. It must be useful. Since he didn’t tell me how, he thinks I can understand the book myself!”

Chen Ping has infinite admiration for Mr. Shi!

It’s not because of Mr. Shi’s help to him, but because he always feels that Mr. Shi is very knowledgeable and seems to understand everything...

“Chen Ping, does this wordless heavenly book need to be connected to your bloodline so that you can see the content?”

At this time, Su Yuqi said.

When Chen Ping heard this, he immediately bit his finger, and then a few drops of blood fell on the wordless book!

Sure enough, the blood dripped after the Wordless Heavenly Book and was absorbed instantly, and then the Wordless Heavenly Book began to shine!

Something began to appear on the first page of the Wordless Book, along with bright red blood bars. Soon, the first page of the Wordless Book turned out to be a map!

“Okay, okay, something is revealed...”

When Xiaoru saw this, she shouted happily!

Chen Ping didn’t have time to look at the map carefully, so he turned it inside out and dripped blood on it again!

But this time, there was no response from the Wordless Heavenly Book, and nothing appeared again!

Chen Ping and the others were all stunned when they saw the silent and wordless heavenly book!

I originally thought I had found a way, but now only one page of things is revealed!

“Let’s study this map first. Maybe the way to reveal the content of this wordless book is in this map!”

Chapter: 3398

Su Yuqi said quickly.

Several people carefully studied the map on the first page, but they found that the map seemed to be inconsistent with any place in the secular world.

Just when a few people were concentrating on their research, Chen Ping’s eyes suddenly lit up!

“I see.....”

Chen Ping shouted excitedly, which shocked Su Yuqi and the others!

“I understand. This map shows the secret realm we are in. Look at the mountains, the water, and the jungle. They are exactly the same as here.”

Chen Ping gestured on the map!

But Su Yuqi and the others had just arrived in this secret realm, so they didn’t know what this secret realm looked like!

If Chen Ping hadn’t toured the entire secret realm in order to find Su Yuqi and the exit, he wouldn’t have noticed that what was drawn on the map was exactly the secret realm they were in!

“But there’s nothing marked on this map. Even if there is a map, what’s the use?”

Xiaoru asked puzzledly.

And just as Xiaoru finished speaking, she saw a bright moonlight in the night sky scattered on the wordless heavenly book!

Soon, the Wordless Heavenly Book lit up with a faint light, and a small red dot began to appear on the map on the first page!

The little red dot kept flashing. It was obvious that it had been specially marked. There must be something special about it!

“Here, here, the place with the flashing red dot, could it be the exit of this secret realm?”

Wu Meier asked, pointing to the flashing spot on the map.

“Regardless of whether it is true or not, we have to go to that place to see it. Since Mr. Shi asked me to hand over the book, then this book will definitely be helpful to my current situation.”

Chen Ping firmly believed that Mr. Shi would not give him a book that was of no use to him!

Just when Chen Ping led Su Yuqi and the others towards the red dot, they were in a high mountain and steep place in the secular world!

Shi Qingpei and Shi Yan’s father and son were going up the mountain. They were dressed in rags, like beggars!

“Son, just hold on, we’ll be at Kuzen Temple soon...”

Shi Qingpei encouraged Shi Yan!

Soon, Shi Qingpei and his son reached the top of the mountain. Although the road up the mountain was rugged, actually reaching the top of the mountain was a different kind of spectacle!

I saw a majestic temple built on the top of the mountain, almost occupying the entire top of the mountain!

Chapter: 3399

Standing on the top of the mountain, you can almost reach out and touch the clouds. The fresh air makes people sober!

“Dad, is this the Kuzen Temple you are talking about?”

Shi Yan looked at the majestic temple and asked in shock.

In his impression, the temples were all very small and very dilapidated, which was completely different from the magnificent temple in front of him!

“Yes, this is Kuzen Temple, and my senior brother is the abbot here!”

“When you see my senior brother later, you have to call me uncle!”

Shi Qingpei nodded and said.

As the two people talked, they arrived at the entrance of Kuchan Temple. At this time, the entire Kuchan Temple was bustling with people, hundreds of believers offering incense, and the smoke was filling!

Seeing that the group of believers in front of him were all ordinary people, Shi Yan looked a little surprised!

“Dad, with our strength, it is difficult to climb this mountain road. How did these ordinary people get up there?”

Shi Yan asked in disbelief.

“This is the power of faith. Ordinary people’s faith in praying to Buddha and praying to gods is not something you and I can compare to. They all entrust their lives to gods and Buddhas, hoping to be blessed...”

Shi Qingpei looked at the many believers and couldn’t help but sigh!

“The only thing that controls your life is your own strength. These ordinary people are so naive. They really think they can be protected by gods and Buddhas!”

Shi Yan couldn’t help but sneered!

In Shi Yan’s view, no blessing from gods or Buddhas is as powerful as his own strength.

But as soon as Shi Yan finished speaking, he suddenly felt a suffocation in his throat, his eyes widened, and his face became ferocious!

“Bold madmen, blaspheming the Buddha in our Kuchan Temple, cannot be tolerated by heaven...”

A deep voice slowly passed into Shi Yan’s ears.

This time, Shi Yan was so frightened that he fell to his knees with a thud!

When Shi Qingpei saw his son’s strange behavior, he immediately understood it and immediately used his inner strength to send a message: “Senior brother, I am Shi Qingpei of Bailian Pavilion. I came here to pay my respects to senior brother. I am ignorant, so please don’t be offended!”

After Shi Qingpei finished speaking, Shi Yan instantly felt relaxed and his breathing became smoother!

Soon, an old monk walked out of the Kuchan Temple. He looked to be in his seventies or eighty, with white eyebrows on his temples, a monk's robe full of patches, and a whistling breeze when he walked!

This old monk is Master Jueyuan, the abbot of Kuchan Temple!

Chapter: 3400

"Elder brother....."

When Shi Qingpei saw the old monk, he immediately rushed towards him and burst into tears!

Seeing this, Shi Yan hurriedly stepped forward and shouted: "Uncle..."

Master Jue Yuan glanced at Shi Qingpei and his son, frowned slightly, and then said: "Follow me into the palace and we'll talk..."

Shi Qingpei and his son followed Jue Yuan through the temples, and finally came to the main hall at the back!

"You all go out..."

Jue Yuan waved his hand and drove the other monks out of the hall, then looked at Shi Qingpei and asked: "Junior brother, as the master of Bailian Pavilion, how come you are in such a state of decline now?"

When Shi Qingpei heard this, he couldn't help but feel sad, and tears flowed out again.

"Elder brother, you must avenge me..."

With that said, Shi Qingpei knelt down in front of Jue Yuan!

When Shi Yan saw this, he also knelt on the ground!

“Junior brother, since you and I left the school and developed our own lives, although we haven’t contacted you for a long time, if you have something to do, senior brother will never ignore it.”

“If you have anything to do, just ask!”

Jue Yuan helped Shi Qingpei up!

“Senior brother, my Bailian Pavilion is gone, it was destroyed...”

Shi Qingpei said with a sad face.

“Who destroyed your Bailian Pavilion?” Jue Yuan was slightly startled: “Although your strength is not high, the magical weapons in your hands are all top-notch. Could it be that these magical weapons can’t protect your Bailian Pavilion?” ?”

“In the entire secular world, except for those guys who live in seclusion and want to become immortals, is there anyone who has the ability to destroy your Bailian Pavilion?”

“Or maybe it was done by people in the secret realm?”

Shi Qingpei shook his head: “No, it wasn’t done by people in the secret realm, nor by those hidden sects. It was a guy named Chen Ping...”

“Chen Ping?” Jue Yuan frowned: “Who is he? How could he have the ability to destroy your Bailian Pavilion? Where are your magical weapons?”

“I don’t know much about this Chen Ping. I only know that he is the most powerful guy in the martial arts world recently. He is just a newcomer who has just emerged. He is just over 20 years old!”

Shi Qingpei didn't know much about Chen Ping's experience. After all, Bailian Pavilion didn't often deal with the secular world!

"Newcomer?" Jue Yuan was surprised for a while: "To be able to destroy your Bailian Pavilion, you must have the strength of Martial Saint or above. How can a newcomer suddenly reach the realm of Martial Saint? He must be someone from a hidden sect!"
