

The Order 3401

Chapter: 3401

“There must be some secrets that you don’t know about here, because after many old guys practice to a higher level, they can rejuvenate themselves, look younger and younger, and easily live hundreds of years. I’m afraid this Chen Ping is not someone The elder of the hidden sect, right?”

Jue Yuan didn’t believe that a newcomer who was only in his twenties could reach the realm of martial saint!

If it is in the secret realm, it is not difficult. After all, there are immortal cultivators in the secret realm, and their starting point is very high!

But if you are a warrior, you need to lay a solid foundation step by step. Warriors like them practice desperately just to hit the highest realm of martial arts!

That is the realm of transformation. Once you enter the realm of transformation, you can turn complexity into simplicity and step into the gate of immortality...

Only by stepping into the Immortal Gate can they continue to practice and go to the unknown world...

But some people enter the world of immortality from the very beginning, and their starting point is much higher than that of warriors. With the accumulation of talents and resources, it is not impossible to reach the realm of martial saints in their twenties!

But in the secular world, there are almost very few martial saints in their twenties, unless they get some great opportunity, or they have countless resources backed by a hidden sect.

It would be a joke if a newcomer with nothing, no power, and no power wanted to become a Martial Saint in his twenties.

“Uncle, I don’t think Chen Ping has rejuvenated, and our magic weapon is useless to him. Could he be an immortal cultivator?”

Shi Yan denied Jue Yuan's guess. No matter how he looked at Chen Ping, there was no way he could be rejuvenated!

"It's impossible. It's impossible for immortal cultivators to unscrupulously improve their strength in the secular world. They are all suppressed by the laws of heaven and earth."

"For this world, the existence of immortal cultivators violates various laws, so these immortal cultivators cannot exist in the secular world for a long time!"

"Unless they give up cultivation and let their cultivation stagnate or even regress, they will not want to stay in the secular world!"

"You Bailian Pavilion often deal with people in the secret realm, don't you even know this common sense?"

Jue Yuan looked at Shi Yan and asked.

"I...I really don't understand!" Shi Yan said awkwardly.

Shi Qingpei quickly helped Shi Yan out and said, "Senior brother, I haven't let him know about many things because he is too young after all!"

"But if Chen Ping is not an immortal cultivator, why does he have such high strength? And I haven't heard of which hidden sect Chen Ping belongs to?"

Shi Qingpei looked confused. He was not sure whether Chen Ping was a cultivator or not!

"No matter who this Chen Ping is, since he dares to destroy your Bailian Pavilion, I will not sit idly by and do nothing. The two of you must be empty of energy now, so take a good rest here!"

After Jue Yuan finished speaking, he waved his hand gently, and a Buddha statue in the main hall glowed faintly, and then waves of power visible to the naked eye continued to enter the bodies of Shi Qingpei and Shi Yan!

The two people immediately felt that their bodies were extremely relaxed, and their strength instantly returned to its peak!

“Brother, what is this?” Shi Qingpei asked with a shocked look on his face.

Chapter: 3402

“This is the power of faith, the purest power of faith. The believers you see all traveled through mountains and rivers and went through all kinds of hardships to come here to worship. Only this kind of faith can produce the purest power of faith!”

“This power of faith is hundreds of times stronger than the resources you use. If you use my power of faith, you can easily create a Martial Saint in his twenties!”

Jue Yuan said with a proud look on his face.

Shi Qingpei and his son were shocked when they heard Jue Yuan’s words!

“Senior brother, what level has your strength reached now?”

Shi Qingpei asked.

“The peak of Martial Saint... It won’t take a few days. When I absorb the power of faith, I may be able to break through to Martial Saint...”

“When I break through to the Martial Saint, what will happen even if Chen Ping is from a hidden family?”

Although Jue Yuan’s tone was calm, one could hear the excitement and disdain in his heart.

“Breakthrough...Breakthrough into the Martial Saint? Doesn't that mean he becomes the Martial God?”

“This God of War is a generational god, able to be passed down through the ages...”

Shi Yan looked at Jue Yuan in disbelief and said.

“Hahaha, what does the God of War mean? People like us who are independent from the world and devote themselves to cultivating, are not rushing to become immortals and Buddhas.”

Jue Yuan laughed loudly. Although he said it was nothing, Shi Yan's words still made him very excited!

“With senior brother here, our great revenge will definitely be avenged...”

Shi Qingpei said happily!

“Do not worry.....”

“Hahaha.....”

Jue Yuan's laughter echoed over the entire Kuchan Temple...

.....

In the secret realm!

Chen Ping took Su Yuqi and the others to search along the map, and finally found the place where the red dot flashed!

There turned out to be a waterfall here, and the place where the red dot flashed was right behind the waterfall.

“Is the exit just behind this waterfall?”

Chapter: 3403

Xiaoru asked, looking up at the towering waterfall.

“Maybe it’s not an exit, but something else?”

Su Yuqi said.

“If it’s not an exit, what else could it be?” Xiaoru asked in confusion.

“What if it’s a treasure?” Su Yuqi said with a smile.

“Treasure?” Xiaoru’s eyes widened with surprise, but she quickly shook her head and said: “How could there be a treasure? You have already said it. This is the secret realm of the Demon Heart Sect. They must have checked it. If There is such a treasure, how could they not have discovered it!”

“I’ll go check it out and find out. You guys wait here first...”

After Chen Ping finished speaking, he jumped up and passed directly through the waterfall.

On the cliff behind the waterfall, there is a large cave entrance, but the entrance is blocked by the waterfall and cannot be seen from the outside!

Chen Ping held the wordless heavenly book in his hand and slowly walked towards the entrance of the cave!

Chen Ping had just walked into the cave entrance and found three big characters carved on the top of the cave entrance!

Wuya Cave.....

Moreover, there are traces of excavation and signs of human activity around the cave!

This proves that someone must have lived in the cave, and someone must have stayed in this secret place!

But why is there no life now, no one left?

Is it because the Demon Heart Sect occupied the secret realm and killed everyone here?

Chen Ping continued to walk deeper into the cave. The deeper he walked, the darker it became. Chen Ping could only hold it lightly with his palm, and a ball of light blue spiritual fire burned, illuminating the entire cave!

When Chen Ping walked into the end of the cave, he found that the entire cave was very big, like a hall inside, and there were many sculptures placed there. These sculptures were already very old at first glance and were covered with dust!

Chen Ping looked around and found nothing special. In addition to these sculptures, there seemed to be something carved on the surrounding stone walls, but they could no longer be seen clearly!

Chen Ping walked back in disappointment. He originally thought that even if it wasn't an exit, it would be a ruin or something like that. After all, it was marked on the wordless heavenly book!

But now there is nothing, of course Chen Ping will be disappointed!

When Chen Ping returned to the cave entrance, he found that Su Yuqi and the other three had also come in!

"Didn't I ask you three to wait outside? Why did you come in? What if there is danger?"

Chen Ping saw this and scolded the three of them!

Chapter: 3404

“It was precisely because we were afraid that you were in danger that we came in...”

Su Yuqi said.

Su Yuqi’s words made Chen Ping speechless!

“Brother Chen Ping, are there any good things in this cave?”

Xiaoru looked towards the dark cave and asked Chen Ping.

“Nothing, nothing but some broken sculptures!”

Chen Ping shook his head in disappointment.

“Let’s go in and have a look...”

Wu Meier said very curiously.

“There’s nothing, what’s there to see?” Chen Ping didn’t want to walk in again!

“I also want to go in and have a look, Brother Chen, let’s go in and have a look!”

Xiaoru took Chen Ping’s arm and said coquettishly!

Seeing this, Chen Ping could only nod helplessly and said: “Okay...”

Soon, the four people started walking towards the cave again.

“It turns out this place is called Wuya Cave. The name is so tacky...”

Xiaoru looked up at the names on the top of the cave and counted them.

Wu Meier looked up at the top of the cave, then suddenly lowered her head, and then her face turned red!

No one noticed the change in Wu Meier’s expression!

Chen Ping was in front, using spiritual fire to light the way for the three of them!

Su Yuqi, who was walking behind, was getting hotter and hotter, with sweat dripping down her forehead!

Xiaoru, who was next to Su Yuqi, was trembling slightly, as if it was cold inside the cave!

Only Wu Meier, who was walking at the end, had a red face and bit her lip, as if she had seen something unsightly!

Chen Ping, who was walking in front, didn’t even notice that the three of them were alike!

After reaching the bottom of the cave, Chen Ping waved his hand and said, “Look, there is nothing in this cave except a few broken sculptures, right?”

Chapter: 3405

“I won’t lie to you. If you have to come in and watch it again, you can watch it as you wish!”

After Chen Ping finished speaking, he was about to find a place to sit down and rest, but suddenly found that something was wrong with the three girls!

“Yu Qi, what’s wrong with you?”

Seeing Su Yuqi sweating profusely, Chen Ping hurriedly stepped forward and asked.

“I’m fine, I just got here quickly. It’s so hot. Why is it so hot here?”

Su Yuqi kept wiping the sweat from her forehead!

“Is it very hot here?” Chen Ping was confused and stepped forward to gently touch Su Yuqi’s forehead!

But this time, Chen Ping was so hot that he dodged it!

You must know that Chen Ping’s physical body is very strong, even if he stands in the magma, he can’t feel anything!

But as soon as he touched Su Yuqi’s forehead, he felt hot!

Xiaoru, on the other side, was trembling all over and hugging her tightly: “It’s so cold, it’s so cold here...”

Xiaoru’s hair and eyebrows were actually covered with frost.

“Xiao Ru...”

Chen Ping hurriedly stepped forward to take off his clothes and put them on Xiaoru!

“Brother Chen Ping, it’s too cold here...” Xiaoru stepped forward and grabbed Chen Ping!

When Xiaoru touched Chen Ping, Chen Ping only felt a biting cold air entering his body instantly!

Chen Ping was shocked and hurriedly pushed Xiaoru away!

At this time, Chen Ping was a little panicked. He didn't understand what happened to Su Yuqi and Xiaoru!

Is there something weird about this cave?

But when he looked at Wu Mei'er, he found that Wu Mei'er's face was red and she was biting her lips so hard that they bled!

And he clenched his fists tightly, and his nails dug deeply into his flesh!

Eyes sparkling with charming tenderness.....

"Meier, Meier, are you okay?"

Chen Ping stepped forward, grabbed Wu Meier's hand and shook it!

Chapter: 3406

Wu Meier's eyes were full of tenderness. When she saw Chen Ping coming over, she hugged Chen Ping tightly and wanted to make out with Chen Ping!

This moment frightened Chen Ping, but when Wu Meier hugged Chen Ping, Chen Ping suddenly discovered that on the stone walls around the cave, there were some scenes of men having sex with women, all of which were very explicit!

Even though Chen Ping's concentration was so strong, he still felt hot in his lower abdomen when he saw these scenes.

Coupled with Wu Meier's body fragrance, it kept getting into Chen Ping's nose!

At this time, Chen Ping's eyes began to slowly turn red, and the most primitive impulse in his body began to dominate Chen Ping!

Chen Ping began to respond to Wu Meier and took off Wu Meier's clothes with both hands!

But just when Chen Ping wanted to do something further, a golden light suddenly flashed in his mind, making Chen Ping's brain sting!

Then Chen Ping woke up and looked at Wu Meier in front of him. Chen Ping hurriedly put her clothes on!

Chen Ping recited the Heart-Cleaning Mantra, and Chen Ping's heart soon calmed down!

But looking at Su Yuqi and the three of them, Chen Ping frowned tightly!

"Yu Qi, let's go, get out of here quickly..."

Chen Ping shouted at Su Yuqi!

But Su Yuqi's expression was painful at this time, as if she couldn't hear anything anymore!

Looking at Gu Ling'er again, his body has begun to be covered with frost, and only his eyes can still move!

"ah....."

Chen Ping roared angrily, golden light glowed on his hands, and then he suddenly swung towards the stone wall of the cave!

He knew that all this was because of the weirdness of this cave!

boom.....

boom.....

Loud sounds echoed in the cave, but Chen Ping's huge force hit the stone wall of the cave without causing any harm!

Even the sculptures in the cave are intact and not damaged at all!

Chen Ping felt incredible. Knowing his current power, not to mention destroying a cave, even destroying a mountain would not be difficult!

But now his power seems to have no effect in this cave!

Chen Ping didn't know how many punches he threw, but he stopped after he was out of breath!

Chapter: 3407

But the cave is still the same, without any change!

"Why, why on earth is this?"

Chen Ping looked confused. He didn't understand his own strength. Why couldn't he even break through a cave?

Looking at Su Yuqi and the others, Chen Ping felt a sense of powerlessness at this moment!

Chen Ping sat on the ground, trying to calm himself down!

There was nothing in the entire cave, only a few dusty statues!

So could the problem be with the statue?

Chen Ping began to look at the statues carefully. The middle one among them made Chen Ping feel very strange!

I saw the right hand of the statue stretched forward and open, and its eyes were staring at my right hand!

Chen Ping circled around the statue!

“It seems like this statue should have something in its hand.”

Chen Ping looked at the statue and murmured to himself!

Just when Chen Ping was looking at the statue in trance, suddenly the wordless heavenly book on his body started to move!

I saw the Wordless Heavenly Book flickering with light, then slowly flying up, and finally landed on the right hand of the statue!

As the wordless heavenly book fell into the hands of the statue, there were originally many words densely packed in the wordless heavenly book without a single word!

Chen Ping looked at it in surprise, his eyes full of disbelief!

He couldn't understand, how could the wordless book appear in the hands of the statue?

Could it be that this book originally belonged here, to the owner of this statue?

Looking at the wordless book radiating light, Chen Ping wanted to see what was written on it!

So he took the Wordless Book from the statue's hand!

But when the wordless heavenly book was taken down, it was discovered that the words on it had simply disappeared!

Seeing this, Chen Ping hurriedly put the Wordless Book back into the statue's hands!

This time, densely packed words reappeared on the wordless heavenly book!

Now, Chen Ping could only lean on the statue, and then carefully read the contents of the Wordless Heavenly Book!

Chapter: 3408

But just when Chen Ping relied on the statue and carefully checked the contents of the Wordless Heavenly Book, Chen Ping's body emitted a faint light, and a vague shadow slowly entered the statue!

Chen Ping himself didn't seem to notice anything, he was still looking at the contents of the Wordless Book with concentration!

When Chen Ping finished reading one page and turned to the next page, the previous page simply disappeared!

Chen Ping was slightly stunned. Before he could react, the wordless book in front of him began to become blurry, as if it was going to disappear at any time!

At this moment, Chen Ping became anxious and quickly concentrated his memory, his eyes quickly passing over the wordless book!

As Chen Ping continued to memorize the contents of the Wordless Book, the shape of a book slowly appeared in Chen Ping's mind!

Just when Chen Ping was concentrating and focusing all his attention on the wordless heavenly book!

From the bodies of Su Yuqi and Xiaoru, a transparent shadow slowly flew out. When the shadow left their bodies, it was instantly absorbed by the surrounding statues!

After absorbing the shadow, the statue flickered with a faint light, but it quickly disappeared.

As the shadow left the body, Su Yuqi and the others also recovered, and all the strange things in the body disappeared!

"Sister Yuqi..."

Xiaoru let out a long breath, and then ran to Su Yuqi.

"Xiaoru, are you okay?"

Su Yuqi asked Xiaoru.

"It's okay..." Xiaoru shook her head!

The two people looked at Wu Mei'er and found that Wu Mei'er had returned to normal at this time.

"Sister Mei'er, why are your clothes so messy?"

Xiaoru saw that Wu Meier's clothes were in a mess, as if someone had taken them off!

"I don't know what's going on..."

Wu Meier said while adjusting her clothes!

"This cave is really strange. When I first entered the cave, I felt like I had walked into a big furnace, surrounded by blazing flames."

Su Yuqi frowned slightly.

"Me too, it's like walking into an ice cave. There's frost everywhere and it's terribly cold!"

Xiaoru also followed suit.

Chapter: 3409

"Mei'er, you just walked into the cave, what did you see?"

At this time, Su Yuqi looked at Wu Meier and asked.

"I....."

Wu Meier opened her mouth, but didn't say anything!

She couldn't say that what she saw was something that would make people blush, right?

Seeing Wu Meier blushing and finding it difficult to speak, Su Yuqi seemed to have guessed something!

"It seems that the weirdness of this cave is based on the special physique of a few of us."

“Xiaoru is an ice crystal, so when you enter the cave, you see frost and feel cold!”

“And I am a fire spirit, so when I enter the cave, I see flames and feel the heat!”

Su Yuqi analyzed it carefully!

“What about Sister Mei’er? She is a natural charmer. What will she see?”

“Could it be that what she saw was...”

Xiaoru didn’t finish speaking, but looked at Wu Meier in surprise!

Su Yuqi also looked at Wu Meier with questioning eyes. She wanted to know if her guess was correct.

Feeling the gazes of Xiaoru and Su Yuqi, Wu Meier could only blush and nodded: “After I entered the cave, what I saw was what you thought...”

When Xiaoru heard this, she suddenly said in disbelief: “Sister Mei’er, is it true? Then you are so beautiful. No wonder your clothes are in a mess!”

“I almost died of the cold, Sister Yuqi almost died of the heat, Sister Meier, you are the best, I almost died of the pleasure...”

“Xiaoru, what are you talking about?” Wu Meier blushed and glared at Xiaoru!

“Hey, where is Brother Chen Ping?”

At this time, Xiaoru realized why she couldn’t see Chen Ping!

When Xiaoru said this, Su Yuqi and Wu Meier also quickly looked around, trying to find where Chen Ping was!

At this time, Chen Ping was tightly leaning against a statue in the middle, looking motionlessly at the Wordless Book of Heaven!

Chen Ping was also like a statue, so it was normal for Su Yuqi and the others not to notice Chen Ping for a while!

After a moment, the wordless heavenly book completely disappeared, and in Chen Ping's sea of consciousness, there was a shining book floating!

Chapter: 3410

After shaking his dizzy head, Chen Ping took a long breath and then collapsed on the ground!

This kind of high-intensity memory makes Chen Ping feel more tired than fighting!

"Chen Ping, are you okay?"

After Su Yuqi discovered Chen Ping, she hurriedly stepped forward and asked.

"Yu Qi, Xiao Ru, Mei'er? Are you all okay?"

Chen Ping asked with disbelief on his face when he saw Su Yuqi and the others returned to normal.

"Well, we're all fine. How are you?"

Su Yuqi asked concernedly.

"I'm fine, I'm fine..."

Chen Ping stood up and said with a slight smile!

“Since everyone is fine, let’s get out of here quickly. It’s so weird...”

Xiaoru was a little scared of the cave!

Chen Ping nodded and led Su Yuqi and the others out of the cave.

“Chen Ping, look at the wordless heavenly book Mr. Shi gave you and see if there are any other hints?”

Since the cave is not an exit, nor is it a treasure, then there must be an exit to this secret realm, so Su Yuqi asked Chen Ping to read the wordless heavenly book!

“The Wordless Book is gone...”

Chen Ping could only tell Su Yuqi and the others about his experience in the cave!

When he heard that the words appeared on the Wordless Heavenly Book and Chen Ping wrote them all down, Xiaoru suddenly said excitedly: “Brother Chen Ping, what exactly is written on the Wordless Heavenly Book?”

Chen Ping shook his head: “Don’t know?”

At this time, Su Yuqi and the others were stunned, and Wu Meier asked in confusion: “Chen Ping, didn’t you say you had memorized all the Wordless Heavenly Books? They were memorized in your mind, how could you not know how to write them? what?”

“I do think I remember it, but I can’t remember it. When I think about it...”

As Chen Ping spoke, his spiritual consciousness entered the sea of consciousness. Looking at the wordless heavenly book floating in the sea of consciousness, Chen Ping wanted to see the content on it!

But when his consciousness approached the wordless heavenly book, he was suddenly repelled by a huge force!

“I really can’t remember what it says on it!”
