

The Order 341

Chapter: 341

Soon, the expression on Tang Hongying's face slowly relaxed, and the painful feeling disappeared!

Slowly, Tang Hongying opened her eyes.

Opening her eyes, Tang Hongying saw the hopeful faces of father and son Chen Ping and Chen Baoguo!

"Chen Ping! I...I can really see it!"

Tang Hongying's body was trembling with excitement, she stretched out her hands and gently touched Chen Ping's face!

"Mom, I told you, I can definitely cure your eyes!"

Chen Ping was so excited when he saw that his mother could see it!

"Old lady, you...can you really see it?"

Chen Baoguo's face was full of shock, and he waved his hands in front of Tang Hongying.

"Yes, I can see it!" Tang Hongying nodded desperately: "Don't wave your hands in front of me, and your beard, I told you to shave it once a day, look at how long it has grown!"

Chen Baoguo touched his beard, his face suddenly became excited, and he hugged Tang Hongying: "Old lady, it's great, it's great, you can really see it..."

Chen Baoguo, a macho man, was so excited that his eyes were red!

Chen Ping saw his parents happy and smiled knowingly. He had never seen his parents quarreling since he was a child. Although his father was chauvinistic and somewhat dogmatic, Chen Ping could see his feelings for Tang Hongying. It's just that Chen Baoguo doesn't like to express!

"What are you doing? My son is still watching!"

Tang Hongying pushed Chen Baoguo shyly!

"Hahaha, old lady, I'll take you outside to see the scenery, it's so beautiful!"

Chen Baoguo laughed and took Tang Hongying out to see the scenery on the top of the mountain.

"What makes you so happy?"

Su Yuqi changed into a white dress and walked out!

Tang Hongying looked for the sound, and when she saw Su Yuqi, she was stunned. She had fantasized about Su Yuqi's appearance countless times. After all, she was a rich lady, and she also spoke beautifully, so she must be very beautiful!

But at this moment, Tang Hongying was stunned. When she looked at Su Yuqi, she was not only beautiful, she looked like a fairy.

"Yu Qi, you... you are so beautiful!"

Tang Hongying couldn't help but praise!

Su Yuqi, who was going downstairs, was stunned when she heard Tang Hongying's praise: "Auntie, you...can you see it?"

Chapter: 342

"Well, I can see it. I once imagined how beautiful you are, but now that I see it, you are much more beautiful than I thought. You are like a fairy!"

Tang Hongying stepped forward and took Su Yuqi's hand.

Su Yuqi's face turned red: "Auntie, please stop praising me like this, I'm embarrassed!"

"Auntie is not praising you. You are really beautiful. Let Auntie take a good look!"

Tang Hongying looked at Su Yuqi carefully, making Su Yuqi very embarrassed!

"Mom, isn't my dad going to take you out to see the night view? It just so happens that it won't rain for a while. You should hurry up and take a look. It's very beautiful!"

Chen Ping said to Tang Hongying.

If Tang Hongying continues to watch like this, Su Yuqi will probably be embarrassed!

"Yes, I'll take you out for a look. You can see the entire night view of Hongcheng from here, it's very beautiful!"

Chen Baoguo stepped forward and pulled Tang Hongying and said.

When Tang Hongying heard this, she was instantly moved and said to Su Yuqi: "Yuqi, it's too late today. Don't leave. Just sleep here. Auntie will make breakfast for you tomorrow!"

Tang Hongying was pulled away by Chen Baoguo. Chen Ping looked at Su Yuqi and asked, "You don't really want to sleep here, do you?"

"Of course it's true!" Su Yuqi nodded: "I went to sleep upstairs. If I can't get up tomorrow, remember to call me!"

Watching Su Yuqi go up the stairs, as she went higher and higher, Su Yuqi's white thighs leaked more and more. Chen Ping couldn't help but swallowed, turned and walked to his room. He didn't dare to look at it, for fear that he wouldn't be able to bear it. live!

When Su Yuqi saw Chen Ping leaving, she couldn't help but turn around and pouted angrily: "Idiot..."

Early the next morning!

Chen Ping is still immersed in cultivation. After having the seven-star disk, Chen Ping's cultivation speed has become much faster!

This period of time has delayed his practice, so Chen Ping must seize the time to catch up.

But as his strength increases, Chen Ping requires more and more resources!

Throughout the night, most of the resentment and spiritual energy stored in the seven-star disk were consumed, but Chen Ping's strength did not increase much!

It's not as good as the fleshy Ganoderma lucidum from the beginning!

"Get up, the sun is shining on your butt, I'm so lazy!"

Su Yuqi slapped Chen Ping's door hard!

Chen Ping then exhaled a breath and opened his eyes!

Chapter: 343

Looking at the dimming Seven-Star Disk, Chen Ping sighed. He originally thought that with the Seven-Star Disk, he could practice without any worries, but now it seems that he was still too naive!

The resources stored in this seven-star chart now may not be able to sustain even one night's practice!

It seems that from now on I can only rely on the thin spiritual energy and practice little by little, but if I want to improve my strength level, I have to wait until the year of the monkey and the moon of the horse!

"Can't you afford it?"

Su Yuqi knocked on the door again!

Chen Ping got out of bed and opened the door. Su Yuqi glared at him: "The food is ready, why don't you go and eat!"

"oh!"

Chen Ping said oh, and then walked directly to the restaurant, looking a little depressed!

"I may not go to the company every day in the future..."

Chen Ping must seize the time to practice. He cannot go to the company to work every day. Moreover, he is now the chairman, so he does not need to go every day.

Su Yuqi was stunned for a moment, thinking she had offended Chen Ping somewhere!

Seeing Su Yuqi's expression, Chen Ping hurriedly explained: "I have something very important to do, and it will probably take a long time..."

"It's okay, the company is on track anyway!" Su Yuqi smiled slightly.

After breakfast, Su Yuqi left. She couldn't really live here forever, after all, she and Chen Ping were not married yet!

There was not even an engagement, nor was there any established relationship. The two of them just understood each other tacitly!

After Su Yuqi left, someone quickly sent Chen Ping two bags of medicinal materials, which he had asked Su Yuqi to prepare in the first place. There were many century-old Ganoderma lucidum and ginseng in them. These two bags of medicinal materials were probably worth millions!

When the bag was opened, Chen Ping immediately felt the rich spiritual energy filling the entire room.

These precious medicinal materials contain a lot of spiritual energy. Feeling the rich spiritual energy, Chen Ping couldn't control it and wanted to refine these medicinal materials into spirit-gathering pills!

In that case, a spirit-gathering pill would be more effective than Chen Ping's practice for one night!

But in the end he controlled it. These medicinal materials were to be used to refine elixirs for his mother and Su Wenzong to treat illnesses. What would they do if they were refined into spirit-gathering elixirs?

After giving up the idea of refining the Spirit Gathering Pill, Chen Ping began to chant the mantra with his fingers. A large amount of spiritual energy circulated crazily in his dantian. Soon, faint blue flames appeared on Chen Ping's fingertips!

This is also the alchemy technique taught to him by the old dragon head. This alchemy technique does not require an alchemy furnace to refine elixirs, but one thing is that it consumes extremely spiritual energy. The more expensive the elixirs are, the more spiritual energy is consumed. !

Chen Ping doesn't have an alchemy furnace now, so he can only use this spiritual power-consuming alchemy technique to refine the elixir!

About an hour later, three pills appeared in Chen Ping's hand!

Chapter: 344

Among them is the smallest elixir, which is a power-gathering pill that Chen Ping refined using the remaining medicinal materials. This power-gathering pill is very common and not considered a precious elixir, but after being eaten, it can make people gather strength and condense their energy. , the strength is greatly enhanced instantly!

After thinking for a moment, Chen Ping called Lin Tianhu and prepared to give Lin Tianhu the Juli Pill!

After all, Lin Tianhu is also his subordinate. He is always beaten and embarrassed!

After receiving a call from Chen Ping, Lin Tianhu was immediately ready to go to Panlong Bay to meet Chen Ping!

"You don't need to come. I can just go find you. Where are you now?"

Chen Ping didn't want Lin Tianhu to come to the house. After all, his parents were there, so it was not convenient!

“Mr. Chen, I am in the private room 307 of Tianyuan Restaurant on Hongfu Street!”

Lin Tianhu said immediately.

“Okay, wait for me!”

After Chen Ping finished speaking, he hung up the phone!

Chen Ping knows Hongfu Street, which is the largest food street in Hongcheng and has many restaurants and teahouses.

After Tang Hongying said she wouldn't be at home for lunch, Chen Ping went out and took a taxi directly to Tianyuan Restaurant.

In addition to giving Lin Tianhu pills, Chen Ping also discussed some things with Lin Tianhu!

The taxi stopped in front of Tianyuan Restaurant. After Chen Ping got off the bus, he paid the driver the fare and the taxi left!

There were many luxury cars parked in front of Tianyuan Restaurant. At this time, a Mercedes-Benz C happened to be parked in front of Chen Ping!

“Damn, isn't this Chen Ping? When did he come out? I heard he was in jail?”

After the car window rolled down, a young man with earrings stuck his head out!

This person is Chen Ping's college classmate, named Yuan Hua. When he was in school, Yuan Hua's family was in good condition. His family ran a small factory. Now, just a few years after graduation, he drives a Mercedes-Benz!

“Chen Ping, you are attending a class reunion dressed like this. Isn't it a little too shabby?”

A girl in the co-pilot also raised her head and looked at Chen Ping with disdain and asked.

This girl is also a classmate of Chen Ping, her name is Liu Jijia, she was with Yuan Hua when they were in college, and they are probably still together now!

Chen Ping did not wear the clothes Su Yuqi bought for him today. Although the suit was valuable, Chen Ping always felt awkward wearing it, and it was not as comfortable as his own old casual clothes!

“Okay, he just came out of prison, so it would be nice to have some clothes. I guess these are the best in his family!”

After Yuan Hua finished speaking, he parked the car, got out of the car and looked at Chen Ping: “Who informed you of this class reunion? I don’t remember anyone calling you?”

Chapter: 345

“I’m not here to attend a class reunion!”

After Chen Ping finished speaking, he walked towards the Tianyuan Restaurant!

“You’re not here for a party, are you here for a meal? Looking at you, you don’t look like you can afford to eat here? You should just admit it. Did you hear that there is a class reunion? Come over and have a meal. Food? This is not shameful. We are all classmates. There is nothing to be embarrassed about. This meal was invited by Jiang Wenjing. I heard that Geng Shanshan from our class is also here. Geng Shanshan is now the young lady of the Xiao family. It is an opportunity to have dinner with her. Not much!”

Liu Jijia stopped Chen Ping and said with a smile on her face.

“Liu Jijia, have you really forgotten or pretended to forget? Geng Shanshan used to be Chen Ping’s girlfriend, but now she has become the young mistress of the Xiao family. How can Chen Ping have the nerve to see her?”

Yuan Hua raised his eyebrows with a strange expression.

“Oh, I think about it. It seems that Chen Ping was sent to prison by Mr. Xiao. If he goes to attend the class reunion again and is misunderstood by Mr. Xiao and sends him to prison, it will not be worth it. No wonder she doesn’t Dare you go and participate!”

Liu Jiajia stepped out of the way: "Go in and find a place to squat. When we finish eating, you can take away the leftovers!"

Seeing Liu Jiajia and Yuan Hua sneering at him, Chen Ping suddenly smiled bitterly: "Let's go, I'll go to the class reunion with you!"

He knew that these two people were stimulating him. In this case, Chen Ping also wanted to see how snobbish his classmates were!

Seeing that Chen Ping couldn't stand the excitement and had been fooled, Liu Jiajia and Yuan Hua looked at each other and smiled!

The reason why they tried so hard to invite Chen Ping was just to step on him at the class reunion and impress Geng Shanshan!

Now Geng Shanshan is the young lady of the Xiao family, and Yuan Hua's company is cooperating with the Xiao family, so he hopes to get more projects from the Xiao family through Geng Shanshan.

The two people took Chen Ping to the box. After opening the door, they found that seven or eight people were already sitting inside, including Jiang Wenjing who was treating him!

"Hua Zi, you two came too late, you will punish yourself with three drinks in one moment!"

"I heard that you bought a Mercedes-Benz? It's really cool that you drove a Mercedes-Benz at such a young age!"

"You and Liu Jiajia really got together. I thought you would break up after graduation!"

After entering, many people greeted Yuan Hua. After all, Yuan Hua is now at the level of a small boss!

"Chen Ping, why are you here?"

Jiang Wenjing frowned when she saw Chen Ping. Some time ago, after Fu Wei and others were beaten by Chen Ping, Jiang Wenjing became much more honest.

“Oh, we met him outside, so we called him in together. We are all classmates anyway, and everyone knows him!”

Yuan Hua smiled lightly and said!

At this time, everyone noticed Chen Ping behind Yuan Hua. Looking at Chen Ping’s outfit, everyone showed a bit of disdain in their eyes. Only one boy stood up and said slightly excitedly: “Brother Chen, when will you come out?” of? ”

Obviously, this boy also knew about Chen Ping’s imprisonment.

Chapter: 346

“Gazi? Are you there too?”

Chen Ping was slightly surprised when he saw this boy!

This boy’s name is Chen Erga, who is also Chen Ping’s classmate, and he and Chen Ping are in the same dormitory. Because they both have the surname Chen, they have a good relationship.

However, when he was in school, Chen Erga’s family conditions were not very good, and he was often helped by Chen Ping. Therefore, Chen Ping did not expect that Chen Erga would attend this class reunion. After all, the nature of class reunions now has changed. It’s done by rich people and used to show off.

“Brother Chen, I haven’t seen you for several years. I miss you so much. Sit down quickly!”

Chen Erga pulled Chen Ping to sit next to him, and then asked with excitement on his face: “Brother Chen, you came out and didn’t even notify your brothers, so I can go pick you up and wash away the dust!”

“I just came out a few days ago. It’s too troublesome, so I won’t bother you!”

Chen Ping smiled slightly and felt much better. He originally agreed to Yuan Hua’s class reunion just to see how snobbish these classmates were and then slap them in the face. But now that he saw Chen Erga, Chen Ping felt that he We really came to the right place.

“It’s really unlucky to eat at the same table as a prisoner!”

A classmate muttered quietly, but everyone could hear it!

Of course, Chen Ping was no exception. He glanced at the classmate coldly, but did not get angry. The other classmates all looked at Chen Ping with sneers!

Chen Erga looked embarrassed and hurriedly pulled Chen Ping and said, "Brother Chen, you just came out, have you found a job?"

"Not yet!" Chen Ping shook his head.

"Would you like to work with me? I have a small contracting team under me now. I am the captain. Although the work is difficult, I can still earn three to five hundred yuan a day!"

The reason why Chen Erga came to this party was so that he could rely on his relationship with his classmates and get in touch with some projects!

"Erga, our great student union president, will you do that rough work with you? That's also called a contracting team? You're the fucking captain, and you have a few migrant workers under you. Do you feel like you're awesome?"

Yuan Hua held a cigarette in his mouth, put the Mercedes-Benz keys in front of him, and asked Chen Erga with disdain.

Chen Erga suddenly smiled bitterly and said hurriedly: "Competing with Brother Hua, of course it doesn't matter to me. In the future, I still hope that Brother Hua will give me a bite of my brother's food!"

With a smile on his face, Chen Erga politely found a cigarette lighter for Yuan Hua!

Yuan Hua enjoyed Chen Erga's attitude very much, nodded and said: "It's easy to say, any one of my projects will be enough for you to live for a year!"

"Thank you so much, Brother Hua. This is my business card!"

Chen Erga handed the business card to Yuan Hua, but Yuan Hua just glanced at it and threw it on the table!

Yuan Hua took a deep drag on the cigarette, and then puffed it out towards Chen Ping: "Chen Ping, after all, you were also the president of the student union back then, and for the sake of our classmates, I will find you a security position in our company, a security guard position." How about Yue Sanqian? Then I can replace the Tibetan Mastiff who is the janitor. You know my Tibetan Mastiff is not cheap, so it is a pity to be the janitor!"

As soon as Yuan Hua finished speaking, everyone burst out laughing.

Chapter: 347

And Jiang Wenjing also laughed the most. At first she hated Chen Ping coming, but now it seems that Chen Ping really came at the right time, otherwise how could she see Chen Ping in trouble!

"Yuan Hua, Chen Ping is much better than your Tibetan Mastiff. He learned some kung fu in prison, but he is so awesome that he even broke the legs of our class Fu Wei!"

Jiang Wenjing said with a sneer on her face.

Upon hearing that Chen Ping had broken Fu Wei's legs, several classmates looked at Chen Ping in disbelief!

"Being able to break Fu Wei's legs is really better than my Tibetan Mastiff. It looks like I need to pay him more!"

Yuan Hua looked at Chen Ping and smiled coldly!

"Believe it or not, I'll break your legs too?"

Chen Ping looked at Yuan Hua and said in an indifferent voice.

"What the hell did you say? Say it again if you have the guts?"

As soon as Yuan Hua heard this, he stood up, grabbed a wine bottle, glared at Chen Ping and asked.

"Brother Hua, don't be angry, don't be angry, Brother Chen is joking with you!"

When Chen Erga saw Yuan Hua getting angry, he quickly stood up and stopped him to make peace!

“Hua Zi, this is Hongfu Street. The whole street is protected by Master Hu, and this Tianyuan Restaurant also belongs to Master Hu. If you make trouble here, be careful not to offend Master Hu!”

A classmate said to Yuan Hua!

“What are you afraid of? My cousin is the manager of this Tianyuan Restaurant. I can do whatever I want here!”

Yuan Hua said with disdain.

Hearing what Yuan Hua said, all the students cast envious glances.

“Hua Zi is so awesome, and he has such an awesome cousin!”

“In this way, Cousin Huazi is Lord Hu’s man. This status is not ordinary!”

“Now I feel at ease. With Huazi here, we can walk sideways!”

Everyone was praising Yuan Hua, but Yuan Hua had a happy face: “From now on, if anything happens to Hongfu Street, call me, and I can sort everything out for you!”

“Jia Jia and I are also planning to hold our wedding here. Everyone will come to support us when the time comes!”

“Absolutely, we will definitely arrive...”

All the classmates nodded desperately, and Jiang Wenjing also understood why Yuan Hua recommended her to come here to hold a class reunion!

Chapter: 348

It seems that I don’t have to spend much money on this meal, and I might even be able to get it for free!

Thinking of this, Jiang Wenjing couldn't be happier!

At this time, Lin Tianhu called Chen Ping and kept waiting for Chen Ping. Lin Tianhu still didn't come, so he wanted to call and ask.

"Mr. Chen, are you here?"

Lin Tianhu asked softly.

"Wait!"

Chen Ping only said two words and hung up the phone!

"Brother Chen, who called you? Does he have something to ask you? If so, let's go!"

Chen Erga is looking for a way out for Chen Ping. Chen Ping has offended Yuan Hua. If he stays here, there will be no benefit!

"It's okay, it's Lin Tianhu calling!"

Chen Ping put away his cell phone.

"Lin Tianhu?" Chen Erga was stunned. He felt that the name was very familiar, but he couldn't remember it for a moment. However, Chen Erga soon remembered it and asked casually: "Is this the owner of Tianyuan Restaurant, Lin Tianhu?"

"It should be him!" Chen Ping nodded.

The reason why Chen Ping was not sure was because he really didn't know what other properties Lin Tianhu had under his name. He only knew that Lin Tianhu managed Juyi Hall.

But considering that such a large hall has no business under its name, it really can't develop, so it's not surprising that Lin Tianhu has a restaurant under his name!

“puff.....”

“Hahaha... You are really fucking making me laugh to death. You said Master Hu called you, and then you asked Master Hu to wait? You can't pretend to be cool like you. In the future, pretend to be more like him!”

Yuan Hua just took a sip of water and spurted it out!

Other students also laughed, and Liu Jijia narrowed her eyes and said, “I think you are such a virtuous person. I'm afraid you haven't even seen Mr. Tiger's face. How dare you say that Mr. Tiger called you?”

Among these people, only Jiang Wenjing knew that Chen Ping had met Lin Tianhu at Geng Shanshan's wedding!

But she didn't know what the relationship between Chen Ping and Lin Tianhu was.

Chen Erga regretted what he had just asked and looked at Chen Ping apologetically, but Chen Ping's face did not change much!

Crunch.....

At this time, the box door was pushed open, and Geng Shanshan came in wearing gorgeous clothes and high heels, looking like jewelry!

Chapter: 349

“Shanshan is here? She is getting more and more beautiful!”

“Shanshan's clothes are expensive, right? And this necklace and earrings!”

“She is indeed a young lady from a rich family. Her clothes are different from the rest of us!”

Seeing Geng Shanshan coming, many classmates stood up and fawned over her, which Geng Shanshan enjoyed very much!

In fact, what she wore was just cheap goods, and her jewelry was all fake. Xiao Lei kicked her out and took back all the things he gave her, including the wedding room in Panlong Bay, otherwise she wouldn't have been caught in the rain at night. Go find Chen Ping to get back together!

This time for the class reunion, Geng Shanshan specially prepared some fake goods. She knew that these classmates were still in the dark and didn't know that she had been kicked by Xiao Lei!

All the students stood up when they saw Geng Shanshan. Only Chen Ping remained sitting and gently picked up the tea and took a sip!

"Chen Ping?"

Geng Shanshan also noticed Chen Ping sitting at this time, and was suddenly surprised!

No one told her that Chen Ping would attend the class reunion!

"Shanshan, it was Yuan Hua who met Chen Ping and called us together. Don't mind!" Seeing Geng Shanshan's surprised expression, Jiang Wenjing hurried over and gave Geng Shanshan a hand, and then whispered in Geng Shanshan's ear. He whispered: "This guy is here just in time. Let him embarrass himself in front of his classmates so that you can vent your anger!"

"Jiang Wenjing, don't do whatever you want!" Geng Shanshan glared at Jiang Wenjing and warned her!

Although Geng Shanshan didn't know who Chen Ping was now, she knew that the people around Chen Ping were all big shots, big shots that even the Xiao family couldn't compare to!

Jiang Wenjing was stunned and looked at Geng Shanshan in disbelief, not understanding what Geng Shanshan meant!

At this time, Geng Shanshan had already walked to Chen Ping, then pushed Chen Erga who was sitting next to Chen Ping and said: "Get out of the way, I will sit next to Chen Ping!"

"Okay, okay..."

How dare Chen Erga offend Geng Shanshan, he nodded hurriedly and stood up!

But just as he stood up, Chen Ping grabbed him, and then looked at Geng Shanshan coldly and said: "I hate the smell of you, get away..."

As soon as Chen Ping's words hit the ground, everyone was shocked. Even Chen Erga looked at Chen Ping in disbelief!

Now Geng Shanshan is the young mistress of the Xiao family. How dare he talk to Geng Shanshan like this?

"Chen Ping, how the hell are you talking? You are talking to Shanshan like this. Do you believe that I will destroy you?"

When Yuan Hua saw this, he realized that this was a good opportunity to curry favor with Geng Shanshan, and immediately yelled at Chen Ping!

But next, Geng Shanshan's reaction was beyond everyone's expectations!

Geng Shanshan looked at Yuan Hua and shouted coldly: "Shut up, is that what you can say to Chen Ping?"

Chapter: 350

Yuan Hua was stunned and didn't understand what was going on!

After Geng Shanshan reprimanded Yuan Hua, she showed a wry smile and whispered softly to Chen Ping: "Then I'll sit farther away and be opposite you so that I can keep looking at you!"

After Geng Shanshan finished speaking, she actually sat down opposite Chen Ping, with a smile on her face, and she seemed quite happy!

"Shanshan, are you okay?"

Jiang Wenjing asked in Geng Shanshan's ear dumbfounded.

“Shut up!” Geng Shanshan was afraid that Jiang Wenjing would do something bad, so she glared at her impatiently!

Soon, the food and wine were served, and everyone started eating and drinking. They all started to attack Geng Shanshan, making toasts and serving dishes, but no one paid attention to Chen Ping and Chen Erga!

Only Geng Shanshan tried her best to make Chen Ping eat vegetables, and also advised Chen Ping to drink less, which would harm his body, and pretended to be virtuous!

Chen Ping ignored her. Chen Ping knew exactly what Geng Shanshan was like!

Everyone was puzzled by Geng Shanshan’s behavior, but they didn’t pay too much attention. They all thought that Geng Shanshan was using this method to humiliate Chen Ping and wanted Chen Ping to know that such a virtuous girlfriend was now someone else. wife!

After three drinks and five dishes, several students were already drunk!

Yuan Hua’s face was also slightly red, and when he was in high spirits, he followed Geng Shanshan with a wine glass and said: “Shanshan, we are old classmates. I am now cooperating with the Xiao family. You are now the young lady of the Xiao family. Help in the Xiao family.” Could you please help me get more projects with your kind words? My old classmates would be very grateful here!”

After Yuan Hua finished speaking, he drank it all in one gulp!

As soon as Yuan Hua started, other students also asked Geng Shanshan for help. Some wanted to find a job, and some wanted to buy a house. After all, they came to attend the class reunion and praise Geng Shanshan for a purpose!

Geng Shanshan was extremely embarrassed at this time, but she couldn’t directly say that she had nothing to do with Xiao Lei. That would be too embarrassing, and these classmates would change their attitude in an instant. The reason why they all respect her so much now is because of Xiao Lei. Home!

“Let me see, let me see...”

Geng Shanshan could only agree with an embarrassed look on her face.

“Shanshan, why don’t we invite Mr. Xiao to our old classmates’ reunion? Several of our classmates have never seen Mr. Xiao!”

Jiang Wenjing suggested!

As soon as Jiang Wenjing said this, many students followed suit!

“Yes, I haven’t seen Mr. Xiao before. He must be a handsome guy!”

“It’s a big honor to have a meal with the eldest son of the Xiao family!”

“Shanshan, please invite Mr. Xiao over. I’ve invited you to this meal. I’m ordering some dishes and a bottle of good wine...”

Yuan Hua followed Geng Shanshan with excitement on his face.
