

The Order 3411

Chapter: 3411

Chen Ping said with some frustration!

When he saw it at that time, he seemed to remember it, but he seemed to remember nothing at all!

Now Chen Ping seems to have lost his memory and can't remember what is written in the Wordless Book!

"What can we do? Are we going to be trapped here for the rest of our lives?"

Xiaoru sighed and said.

No one spoke, and Chen Ping didn't know what to do now!

Gululu.....

At this time, Wu Meier's stomach started to growl again!

After all this trouble, Wu Meier was hungry again!

"You guys wait here while I go find some food..."

Chen Ping got up and went to find something to eat!

Although there are no living animals here, there are many plants, and Chen Ping also knows where there are wild fruits!

Soon, Chen Ping found a few trees full of wild fruits. The fruits were only the size of a fist, but they looked very tempting!

Chen Ping had never seen this kind of tree, and he didn't know whether the wild fruit could be eaten!

So Chen Ping picked a wild fruit, wiped it casually, and took a bite!

Because Chen Ping is immune to all poisons, even if the wild fruit is poisonous, he will be fine. But if Wu Meier eats it, it will be troublesome!

But just after Chen Ping took a bite of the wild fruit, a name instantly appeared in Chen Ping's mind!

Green frost fruit.

Next is the introduction of Qingshuang Fruit!

Chen Ping looked at the Qingshuang Fruit in his hand in surprise and felt inexplicable!

Because he has never known this kind of fruit, let alone what it is called!

And looking at the introduction, this is a fruit tree that survived thousands of years ago and survives by absorbing the spiritual energy of heaven and earth!

The fruits that grow are sweet and pleasant, and have beauty and beauty effects!

"What's going on?" Chen Ping frowned slightly.

Chapter: 3412

Chen Ping, who never figured it out, just picked some more fruits and went back!

When Wu Meier saw the juicy fruit, she couldn't help but start eating it!

When she took her first bite, Wu Meier was shocked by the sweet taste!

"Yu Qi, Xiao Ru, try it quickly, this fruit is so sweet!"

Wu Meier said.

Su Yuqi and Xiaoru were not hungry, but after hearing Wu Meier's words, they both started eating!

As a result, everyone was surprised by the sweet taste!

"Chen Ping, what kind of fruit is this? It's so delicious!"

Su Yuqi couldn't help but ask.

"This is called Green Frost Fruit. It can only grow in the secret realm and relies on the aura of heaven and earth to grow. Moreover, this Green Frost Fruit has the effect of beautifying the skin!"

Chen Ping said.

After hearing that it has beauty and beauty effects, the girls enjoyed eating it even more!

"Brother Chen Ping, how do you know this? You seem to have never entered the secret realm before, right?"

Xiaoru asked curiously.

Chen Ping smiled awkwardly and said, "I don't know how I know what this fruit is called!"

“No matter how he knows, in the future there will be such delicious fruits that can also beautify the skin. Even if you are trapped here, you won’t be afraid anymore!”

Wu Meier said with excitement!

Seeing the three girls eating happily, Chen Ping felt a little relieved. Although they were trapped now, at least they were not in danger for the time being, and the environment of this secret realm was good, unlike the Fire Gate Secret Realm, which was all desert. Gobi Desert!

Chen Ping sat on the grass and quietly watched Su Yuqi and the others eating and laughing while chatting!

If there is a secret realm like this of one’s own, it is actually a kind of fun to let everyone around you come to live in the secret realm without fighting against the world!

Chen Ping thought, and then lay down on the grass, wanting to take a quiet rest!

But just as he lay down, Chen Ping’s hand seemed to be pricked by something, and a stinging pain came, forcing Chen Ping to sit up!

When Chen Ping saw a drop of blood coming out of his palm, he couldn’t help but be surprised!

You must know that his current body is harder than steel. What could pierce his skin so easily?

Chapter: 3413

Chen Ping hurriedly leaned down and searched carefully, wanting to see what was so hard on the grass!

Soon, Chen Ping discovered a piece of grass shaped like a steel needle. There was still a trace of Chen Ping’s blood on it. The grass was mixed in the grass and was difficult to find.

Chen Ping stepped forward and pulled out the steel needle-like grass, and then placed it in the sun. The grass turned out to be transparent, as if it were made of glass!

Goldenthorn.

Just when Chen Ping was observing carefully, the name of this grass suddenly appeared in his mind!

And there was an introduction to this golden thorn grass.

This kind of grass is extremely hard and is the first choice as a hidden weapon. However, because it is very rare, not many people have seen it!

And there is also the legend of the Golden Thorn Grass, that is, a hedgehog fairy in the heaven shook his body, and some thorns fell from his body, and after falling to the mortal world, they became the Golden Thorn Grass!

Chen Ping looked blankly at what appeared in his mind, and suddenly he seemed to understand something.

Chen Ping started to grab a handful of grass, then sniffed it gently, and a fresh smell passed into his nose!

Broken gut grass.

Soon, the name of this grass appeared in Chen Ping's mind, and various introductions to this grass also appeared!

Chen Ping looked at the heartbroken grass in his hand and suddenly threw it away!

He didn't expect that this green grass, which looked so good, was actually highly poisonous. What would happen if he ate it?

Then Chen Ping excitedly began to check out the various plants in the secret realm. As long as Chen Ping touched it, information would immediately appear in his mind!

“This is great, it must be because of this wordless heavenly book...”

Chen Ping said, his spiritual consciousness entered the sea of consciousness and looked at the wordless heavenly book again!

This time he easily opened the wordless heavenly book, and the wordless heavenly book clearly recorded the plants he had just inspected!

“It’s true...”

Chen Ping’s face was full of excitement, and then he took out many items from his storage ring!

As long as Chen Ping touches the item and injects spiritual power into the item, he will immediately know the purpose of the item!

“This is simply a fucking encyclopedia. With this wordless bible, what else do I not know?”

Chen Ping’s face flushed with excitement. He suddenly looked at Su Yuqi and the others, and an idea came to his mind!

Since this wordless book can identify anything, can it also identify people?

Chapter: 3414

Thinking of this, Chen Ping ran over and hugged Su Yuqi!

Su Yuqi was instantly shocked by Chen Ping’s sudden hug!

You know, Chen Ping has never been so proactive, and he did so in front of other people!

“Chen Ping, what are you doing?” Su Yuqi blushed and wanted to push Chen Ping away.

But Chen Ping held Su Yuqi tightly and had no intention of letting go.

When Xiaoru saw this, she smiled slightly, turned her head to the side and said, “Brother Chen Ping, what do you want to do with Sister Yuqi in front of me and Sister Meier in broad daylight?”

Wu Meier also tilted her head slightly, feeling a little complicated inside!

Chen Ping injected a spiritual power into Su Yuqi’s body, but found that no information about Su Yuqi appeared in his mind!

“Is it because we know each other too well?”

Chen Ping frowned slightly!

After all, he knows Su Yuqi’s past, so he knows it without any information appearing in his mind!

Chen Ping let go of Su Yuqi, and then looked at Wu Meier!

Chen Ping didn’t know much about Wu Meier’s previous experiences!

Thinking of this, Chen Ping rushed towards Wu Meier, and then hugged her tightly!

“Chen Ping, you...what are you going to do?”

Wu Meier was startled and her face turned red instantly!

Su Yuqi and Xiaoru were also stunned, unable to understand what Chen Ping was trying to do!

Chen Ping injected a spiritual power into Wu Meier's body, but there was still no information about Wu Meier in Chen Ping's mind!

"It's weird, doesn't it have any effect on humans?"

Chen Ping let go of Wu Meier, frowned slightly, stood up slowly and walked away!

"Sister Yu Qi, what's wrong with Brother Chen Ping? Are you crazy?"

Xiaoru asked in a low voice when she saw Chen Ping's weird look.

"I don't know either!" Su Yuqi also had a strange expression on her face!

The three people only saw Chen Ping leaning on a big tree, looking at the sky with empty and confused eyes!

Chapter: 3415

No one bothered Chen Ping, but Chen Ping himself stood quietly like this!

I don't know how long it took, but Chen Ping's eyes suddenly lit up!

Immediately afterwards, a terrifying aura erupted from his body, and this aura began to spread rapidly in all directions!

Su Yuqi and the others were shocked when they felt Chen Ping's aura, and then looked at Chen Ping intently!

Chen Ping's expression began to turn ferocious, as if he was forcing himself to use all his strength!

When they saw Chen Ping's ferocious appearance, the three girls were frightened!

"Sister Yu Qi, Brother Chen Ping... what's wrong with him? Nothing will happen to him, right?"

Xiaoru was so scared that her voice changed!

Su Yuqi also looked at Chen Ping nervously, but they couldn't get close because the aura on Chen Ping's body made it difficult for them to move forward!

After more than ten minutes like this, Chen Ping's breath suddenly disappeared, and he fell to the ground as if exhausted!

"Chen Ping..."

"Brother Chen Ping..."

Su Yuqi and Xiaoru all rushed over!

At this time, Chen Ping fell to the ground, his forehead covered with sweat, but recently he was filled with smiles!

"Ha ha ha ha....."

Chen Ping was lying on the ground laughing, which deceived Su Yuqi and the others!

"Chen...Brother Chen Ping, aren't you stupid?"

Seeing Chen Ping lying on the ground and giggling, Xiaoru asked.

“Chen Ping, are you okay?”

Su Yuqi also asked.

Chen Ping sat up suddenly, and then shouted excitedly: “I know, I know, we can leave here...”

“Chen Ping, what do you know?”

Wu Meier asked with a puzzled look.

Su Yuqi and Xiaoru were also confused. They didn’t know what Chen Ping was going to say!

Chapter: 3416

Chen Ping calmed down, and then followed Su Yuqi and the others and said, “I know how the exit of this secret realm was opened...”

It turns out that Chen Ping was using all his strength just now to try to sense this secret realm.

Chen Ping wanted to try to see if this wordless heavenly book could also know the information of this secret realm!

But who would have thought that Chen Ping would actually find out!

According to the introduction in the Wordless Heavenly Book, this secret realm is a secret realm of the Taoist Sect. However, a sect can have such a huge secret realm, which shows the strength of the Taoist Sect!

It’s just that hundreds of years ago, all the people who followed the Taoist sect suddenly disappeared mysteriously, and this secret realm was owned by the Demon Heart Sect!

The Demonic Heart Sect has never actually used this secret realm, and there are even fewer Demonic Heart Sect personnel who have entered this secret realm!

And this wordless heavenly book is the Taoist sect's treasure. Chen Ping doesn't know how it got into the hands of Mr. Shi!

Now that he knows the origin of this secret realm, Chen Ping also found out the way to open the exit of this secret realm!

"Brother Chen Ping, you actually know the origin of this secret realm. What's going on with Wuya Cave? Do you know?"

Xiaoru asked Chen Ping curiously.

After all, after the three of them went in, something strange happened to their bodies, which made them very curious!

"This..." Chen Ping's consciousness dived into the sea of consciousness and started reading on the wordless heavenly book!

But strangely, in the introduction to this secret realm, there was no mention of the Wuya Cave at all!

"It's strange. Could it be that the Wuya Cave was opened up by the Demonic Heart Sect later?"

"That's not right. At the beginning, the Wordless Heavenly Book marked the location of Wuya Cave."

Chen Ping fell into deep thought and didn't understand why there was no introduction to Wuya Cave!

"Chen Ping, don't think about it. Now that we know how to get out, let's leave quickly!"

Su Yuqi said impatiently.

After all, she has not left the secret realm for such a long time and has not seen her relatives around her!

“Okay!” Chen Ping nodded, and then found a location according to the introduction in the Wordless Heavenly Book!

I saw Chen Ping pinching his fingers, and then chanting a spell!

A flash of light flashed in the void, and then a light door slowly appeared!

Seeing the open exit, Chen Ping and the others all became excited!

Chapter: 3417

“We can finally go out...”

Su Yuqi looked at the open exit, feeling very excited in her heart!

“move.....”

Chen Ping urged, he was afraid that something might change if it was too late!

The four people passed through the light gate one after another, and their figures slowly appeared in the backyard of the Martial Arts Alliance!

The Longmen disciples who were patrolling the backyard were stunned for a moment when they saw the light door suddenly opened and Chen Ping and the four people walking out!

But they quickly realized what was going on and immediately knelt down in the tunnel and said, "Master, you finally came out."

"Hurry and inform Master Hu that the sect master is out..."

Soon, the news that Chen Ping and the others had escaped from the secret realm was known to Hu Mazi and Long Xingxu.

Immediately afterwards, everyone swarmed into the martial arts alliance. Looking at Chen Ping and the others who had already walked out, Hu Mazi's eyes were full of surprise!

"Chen Ping, how on earth did you open the entrance and walk out?"

You know, Hu Mazi and Zhou Jie tried their best, but they couldn't open the entrance again!

"It's a long story, let's talk about it when we go back!"

Chen Ping led everyone back to Longmen!

Su Yuqi looked at the huge dragon gate, and everyone followed Chen Ping to call the gate master, which surprised her!

"Yu Qi, a lot of things happened during your absence. I will tell you slowly later."

Chen Ping saw Su Yuqi's confusion, so he smiled slightly.

"Yu Qi....."

At this time, Gu Linger came!

Seeing Su Yuqi's piece, Gu Ling'er rushed forward and hugged Su Yuqi closely!

"Ling'er!" Su Yuqi also had mixed feelings when she saw Gu Ling'er!

Ji Ruxue also came with many girls. Seeing Xiaoru and Wu Meier, Ji Ruxue asked: "Xiaoru, where did you two go? We have been looking for you!"

"Sister Ruxue, we were captured..."

Then Xiaoru explained the matter to Ji Ruxue in detail!

Chapter: 3418

Many girls were shocked when they heard that Xiaoru and Wu Meier had been arrested and imprisoned in a secret realm!

After Su Yuqi exchanged greetings with Gu Ling'er, her eyes swept over many girls!

As a woman, Su Yuqi's sixth sense told her that these girls are related to Chen Ping!

"Hello, my name is Ji Ruxue..."

Ji Ruxue generously followed Su Yuqi and introduced herself!

After looking at Ji Ruxue's elegant and unparalleled appearance, Su Yuqi herself felt a little lost as a girl!

Because Ji Ruxue is like a beauty walking out of an ancient painting!

"Hello, my name is Su Yuqi..." Su Yuqi came back to her senses and shook hands with Ji Ruxue!

Chen Ping felt as embarrassed as he could at this moment. He didn't know how to explain to Su Yuqi!

"You must be hungry after being trapped in there for so long, right? I asked people to prepare a banquet. Today is a happy day. We are going to have a good time..."

Long Xingxu saw Chen Ping's embarrassed look and hurriedly came out to rescue him!

Soon, the entire Longmen became lively, decorated with lanterns and colorful decorations, and dozens of banquet tables were set up!

Chen Ping introduced everyone around him to Su Yuqi one by one!

"Miss Su, you don't know that in order to save you, Chen Ping went into danger several times and almost lost his life..."

Hu Mazi followed Su Yuqi and said.

Su Yuqi glanced at Chen Ping, with a happy smile on her face. She knew that she was locked in, and Chen Ping must be very anxious!

The banquet in Longmen lasted until late at night. Today is the happiest day in Longmen, and it is also the happiest day for Chen Ping!

And countless fireworks bloomed in the sky above Longmen...

In the Dharma Protector Pavilion, Mr. Shi looked up at the fireworks in the sky, expressionless!

"Mr. Shi, Chen Ping rescued his girlfriend, and everyone in Longmen is celebrating now!"

Xing Jun walked to Mr. Shi and said.

“He celebrated too early...”

Mr. Shi sighed softly, then took out a letter from his body and handed it to Xing Jun: “If Chen Ping comes to see me tomorrow, just tell him that I am not here and give him this letter...”

Xing Jun took the letter, his face full of doubts, but he still nodded and said: “As ordered...”

Chapter: 3419

Mr. Shi waved his hand, and Xing Jun turned around and left!

Mr. Shi looked up at the stars in the sky and murmured to himself: “The real battle may have just begun...”

At the same time, in the secret realm of Demonic Heart Sect, Dang Neng was also standing outside the house, looking at the stars in the sky!

Next to Dang Neng, eight miniature statues were standing next to him, four of which were emitting a faint light!

If Chen Ping were here, he would definitely be able to tell that these statues are exactly the same as those in Wuya Cave!

“No one can stop me, no one...”

Da Neng glanced at the glowing statues and slowly said!

At this moment, the demon envoy ran in in a panic!

“Damneng, what’s wrong, Chen Ping escaped from the secret realm with three women and is now celebrating!”

The devil reported anxiously!

But there was no expression at all on Da Neng's face that could not be seen clearly!

"They can't escape. Even if they escape, they will come back. Your mission now is to find people with special physiques!"

"Remember, you only have three months. If you can't find another person with a special physique within three months, don't come back!"

Da Neng said coldly.

"I understand!" The magic envoy nodded.

.....

Dragon Gate!

The banquet was over and everyone left with satisfaction!

And everyone has agreed to leave space for Chen Ping and Su Yuqi!

Sitting on the roof of the building, Su Yuqi snuggled on Chen Ping's shoulder!

The two of them looked at the stars in the sky, their faces filled with happiness!

"Those girls were very nice to you today. You have such a good rapport with women..."

Su Yuqi asked slowly.

“They are all just confidantes. The most important place in my heart is only you...”

Chapter: 3420

Chen Ping gently hugged Su Yuqi’s shoulders!

“I’ve learned to speak glibly. There are so many beautiful women around me, especially Ji Ruxue. Even women can’t help but look at her.”

“Can you just hold it in? You haven’t done anything together?”

Su Yuqi looked into Chen Ping’s eyes and asked.

Chen Ping’s eyes were full of calmness, and he shook his head slightly: “I have never done anything with them...”

Looking at Chen Ping’s eyes, Su Yuqi smiled slightly. She knew that what Chen Ping said was true!

“Actually, as long as you have me in your heart, I don’t care what you have done...”

Su Yuqi leaned on Chen Ping’s shoulders again.

“I said that I would not get married before I rescued my mother, and I would not do anything between a man and a woman before I got married.”

Chen Ping said calmly.

“Is there any news about auntie?” Su Yuqi asked.

“Well, it’s just that I’ve been thinking of ways to save you during this time. Now that I’ve rescued you, I’m going to save my mother next!”

Chen Ping’s eyes were full of determination. He was sure that he would be able to rescue his mother!

“It’s all me who has dragged you down...”

Su Yuqi felt guilty. If it weren’t for her, Chen Ping’s mother might have been rescued long ago!

“Fool, it has nothing to do with you!”

Chen Ping patted Su Yuqi’s head gently, and then followed Su Yuqi to talk about his energy during this period!

Su Yuqi leaned on Chen Ping’s shoulder, listening, her eyes slowly closed!

Chen Ping saw Su Yuqi closing her eyes, so he hugged her tighter. He was afraid that Su Yuqi would be cold!

unconsciously.....

A ray of sunshine from the sky illuminates the earth!

Chen Ping looked at the rising sun with a happy face, and then glanced at Su Yuqi who was sleeping on his shoulder!

But when Chen Ping looked at it, he was instantly shocked!

Su Yuqi’s face was pale and there was no trace of blood left!
