

The Order 3421

Chapter: 3421

“Yuqi, Yuqi...”

Chen Ping was shocked and hurriedly investigated Su Yuqi’s situation!

But at this time, Su Yuqi’s breath was weak, her eyes were closed tightly, and there was no response no matter how she shouted!

Chen Ping injected a spiritual power into Su Yuqi’s body, but the reason was still not found!

At this moment, Chen Ping panicked. Su Yuqi was fine, so why did she suddenly fall unconscious?

Just when Chen Ping was at a loss, Zhao Chuang and Ji Ruxue also came in a hurry!

It turns out that Xiaoru and Wu Meier also had the same symptoms as Su Yuqi, they were unconscious and their breathing was very weak!

“Brother Chen, what’s going on? Xiaoru was fine last night!”

Zhao Chuang asked puzzledly.

Ji Ruxue also said: “Mei’er will be fine when she goes back, but she won’t be able to wake her up in the morning!”

Chen Ping frowned and didn’t say a word, because he didn’t know what was going on and why this situation happened!

After pondering for a moment, Chen Ping said to Ji Ruxue: "Ruxue, please look after Yu Qi. I'll ask Mr. Shi to see if he knows the reason..."

The only person Chen Ping can turn to now is Mr. Shi. During this period of time, Chen Ping feels that Mr. Shi is a jack-of-all-trades and seems to know everything!

"Okay, go quickly, I think they are quite serious."

Ji Ruxue nodded.

Chen Ping rushed to the Guardian Pavilion without stopping, but as soon as he arrived at the door of the Guardian Pavilion, he saw Xing Jun standing at the door. This surprised Chen Ping!

After all, Xing Jun is the captain of the law enforcement team. How could someone with this status be standing at the door?

When Xing Jun saw Chen Ping coming, he looked a little surprised. He didn't expect that Mr. Shi had guessed correctly and Chen Ping was really here.

"Captain Xing, I..."

"Are you here to see Mr. Shi?"

Xing Jun asked without waiting for Chen Ping to finish.

Chen Ping nodded in surprise: "Yes!"

"Mr. Shi is not here, but he asked me to give you a letter..."

Xing Jun said, took out the letter and handed it to Chen Ping!

Chapter: 3422

Chen Ping held the letter with a confused look on his face. He didn't understand how Mr. Shi knew he would come.

But he still opened the letter. When he read my letter, Chen Ping's face became extremely ugly!

"Captain Xing, Mr. Shi must be inside. Can you let me see him?"

Chen Ping begged to Xing Jun.

"Mr. Shi is not here, and even if he was here, he would not see you..."

Xing Jun shook his head: "Don't embarrass me, this is Mr. Shi's order!"

"Captain Xing, I want to see Mr. Shi no matter what today..."

Chen Ping's eyes were full of determination!

"Chen Ping, what do you mean, do you want to forcefully break into the Dharma Protector Pavilion?"

Xing Jun frowned.

"If Mr. Shi doesn't see me, I'll break in hard..."

After Chen Ping finished speaking, he rushed towards the Dharma Protector Pavilion!

"Chen Ping, you..."

Xing Jun wanted to stop him, but when he finally managed to get close to Chen Ping, he was blown away by Chen Ping's aura!

Chen Ping's current strength is beyond what Xing Jun can come close to!

"Chen Ping, do you know what the crime is for breaking into the Dharma Protector Pavilion and disturbing Mr. Shi?"

"Don't rely on Mr. Shi to protect you, and you can do whatever you want."

"This is a capital crime, please think clearly..."

Xing Jun said loudly to Chen Ping.

"Captain Xing, I'm sorry. Even if I die, I still have to see Mr. Shi today..."

Chen Ping's face was very solemn and he rushed directly to the door of Mr. Shi's room!

Xing Jun stood in front and tried his best to stop him!

But at this moment, the door to Mr. Shi's room suddenly opened automatically!

"Captain Xing, let him come in..."

Chapter: 3423

Mr. Shi's voice came leisurely!

Upon hearing this, Xing Jun dodged away, while Chen Ping walked towards Mr. Shi's room!

When he walked to the door of the room, Chen Ping saw Mr. Shi drinking tea leisurely. He didn't have time. He clearly didn't want to see him!

"Mr. Shi, you..."

"If you have anything to say, you can come in and say it. I don't like talking to people so far away..."

Before Chen Ping could finish speaking, Mr. Shi spoke!

When Chen Ping heard this, he walked towards the room!

But as soon as he stepped into the room, Chen Ping suddenly felt an overwhelming pressure coming on him. Chen Ping gritted his teeth and tried to resist the pressure, but his body lightened and he was directly knocked away. Fell in the yard!

The hard bluestone ground in the yard was smashed into a deep pit!

Chen Ping stood up slowly, and then walked towards Mr. Shi's room again. Looking at the door within easy reach, bursts of aura erupted from Chen Ping's body. After being fully prepared, he fell in with one step!

But as soon as he stepped in, his body felt as if he had been hit by a moving train and flew out again!

This time, Chen Ping also fell to the original position, and the pit on the ground became even deeper!

Chen Ping stood up, rubbed his aching chest, and then a trace of blood spilled out of the corner of his mouth!

Chen Ping frowned and walked back again, but this time, he did not step in easily.

"Mr. Shi, why did you ask Xiaoru and Meier to bring me the Wordless Heavenly Book?"

“Did you know that the two of them would be arrested and sent to a secret place?”

“Now they are all weak and unconscious. What is going on?”

Chen Ping asked Mr. Shi.

“If you can’t even walk into the room, then you don’t deserve to question me. Just do what I said in the letter!”

Mr. Shi was still drinking tea with a calm expression, without even looking at Chen Ping!

Chen Ping frowned, and the aura on his body rose again. This time Chen Ping activated the Indestructible Golden Body, with golden scales covering his whole body, and the power of the dragon was also exerted to its extreme. Behind him, a golden dragon slowly appeared!

It’s just that this time, the golden dragon transformed behind Chen Ping was obviously much darker, and its majesty had also disappeared a lot!

But Chen Ping didn’t know it himself. Instead, he gritted his teeth and stepped in again!

Chen Ping just stepped in.

Chapter: 3424

Buzz...

A huge pressure came over, Chen Ping’s body shook twice, and then he fell to his knees with a pop!

The ground was instantly smashed with cracks!

Chen Ping gritted his teeth, put his hands on the ground, and started crawling towards the room!

But just as he moved, his body was knocked away again!

This time, Chen Ping spit out a mouthful of blood in mid-air!

As soon as he landed, Chen Ping stood up again without any hesitation.

Then he gritted his teeth and rushed towards Mr. Shi's room again!

Chen Ping didn't know how many times he rushed, nor how many times he was knocked away!

In the end, Chen Ping's indestructible golden body had long since disappeared, and even his physical body was scarred...

Chen Ping could no longer stand up, but he gritted his teeth and crawled towards Mr. Shi's room!

Behind Chen Ping, a long blood trail appeared!

Xing Jun couldn't bear to look at it, but he didn't dare to say anything!

Looking at Chen Ping crawling towards the room, Mr. Shi suddenly sighed. The pressure in the room disappeared instantly, and Chen Ping climbed directly in!

Chen Ping entered the room, gasping for air, then stood up hard and looked at Mr. Shi staggeringly!

At this time, Mr. Shi put down the tea cup in his hand, looked at Chen Ping with a puzzled look and asked, "You know, if you are hit out this time, you will probably die..."

"I know..." Chen Ping nodded!

“Is it worth it to risk your life just for a few women?”

Mr. Shi asked.

“It’s worth it...” Chen Ping still nodded.

But who would have expected that anger suddenly burst out from Mr. Shi’s body, and he slammed the table and said: “It’s worth a damn, are you just living your life for a few women?”

“I tell you, women can only be a burden around you. Immortal cultivators must put aside their emotions and desires, only then can they truly attain enlightenment and become immortals.”

“Look at what you are like now, seeking life and death for a few women...”

Chen Ping was surprisingly calm when facing the furious Mr. Shi.

Chapter: 3425

“If becoming an immortal requires letting go of all emotions and desires, then I would rather not become an immortal. I don’t want to become an immortal, I’m just forced to have no choice...”

“I am willing to die to save them, and I know they are equally willing to die to save me...”

Chen Ping said word for word!

Listening to Chen Ping’s words, Mr. Shi’s anger slowly disappeared!

“Hey, since ancient times there has been so much passion and so much hate...”

“I know you are here for those three girls. If you want to save them, send them back to the secret realm...”

“Only in that secret realm can they recover. If you insist on not sending them back, they won’t be able to last even one day.”

Mr. Shi sat back again and said in a calm tone.

“Why, why on earth is this?”

“What is the Wordless Heavenly Book? What is the Wuya Cave? And what is the secret of the Taoist Sect’s secret realm?”

“Why are they like this? Why on earth?”

Chen Ping became a little excited and asked Mr. Shi loudly.

“There are some things that you should know, and you will definitely know them. But don’t ask about things that you shouldn’t know. You know too much, and it’s not good for you!”

Mr. Shi said.

Chen Ping stared at Mr. Shi. He wanted to see through what Mr. Shi was thinking, but it was a pity that he couldn’t!

“Since you know everything, why did you ask Xiaoru and Meier to give me those wordless heavenly books?”

“You know they will become like this when they enter the secret realm, right?”

“Why are you letting them do this?”

Chen Ping asked again.

“If they don’t do it, can you stand here and talk to me right now?”

“And they are all willing to die for you.”

“You have to learn to look past everything. Birth, old age, illness, death, and reincarnation. This is fate. You can’t change it!”

“The women around you will eventually die for you. This is their fate, and it is also your fate!”

“I’m afraid the suffering you will experience in the future will be ten thousand times more difficult than it is now...”

Chapter: 3426

Mr. Shi’s voice was like a heavy hammer, hitting Chen Ping’s heart hard!

Chen Ping was stunned on the spot and didn’t react for a long time!

“No, I don’t believe in fate, and I don’t believe in fate either. Why should I go through suffering? Why me?”

“I just want to be with the girl I like, and I just want to see my parents and let them enjoy family happiness!”

“I just want to be an ordinary person, I just want to be an ordinary person...”

Chen Ping was trembling slightly and roaring loudly...

“I said, this is fate, this is your fate, you can’t change it...”

“Perhaps when you become the master, you can change your destiny!”

“Since you can’t change your destiny now, just go with it, otherwise you will suffer even more!”

“Go ahead...”

Mr. Shi waved his hand gently!

A force instantly knocked Chen Ping out, and then the door was closed tightly!

“Chen Ping...”

Looking at Chen Ping who was covered in scars, Xing Jun stepped forward and helped him up!

At this time, Chen Ping’s eyes were blank, and his whole person seemed to be demented!

Slowly, Chen Ping raised his head and looked at the vast sky!

A fierce look flashed in his eyes!

“I don’t believe in fate. My fate is determined by my will...”

Chen Ping suddenly roared!

The sound contained billowing spiritual power and spread throughout Kyoto!

Chen Ping dragged his injured body back to Longmen!

At this time, everyone gathered at Longmen to discuss countermeasures!

Everyone was shocked to see Chen Ping covered in scars!

Knowing Chen Ping's current strength, ordinary people would not be able to cause him such serious injuries.

Chapter: 3427

"Chen Ping, what's wrong with you?"

Seeing this, Hu Mazi asked hurriedly.

Chen Ping shook his head and did not speak. Instead, he looked at Long Xingxu and said, "Xingxu, send someone to carry your sister-in-law and the others and follow me..."

"Brother Chen Ping, where are we going?"

Long Xingxu asked.

"Go to the Martial Arts Alliance..."

Chen Ping said weakly.

Seeing Chen Ping like that, Hu Mazi knew that Chen Ping must have suffered a heavy blow, and the blow was not physical, but psychological, otherwise Chen Ping wouldn't be like this!

Even if Chen Ping's body is seriously injured, as long as he still has breath, Chen Ping will not show such decadence!

Everyone followed Chen Ping to the backyard of the Martial Arts Alliance. As Chen Ping recited a spell, the entrance to the secret realm slowly opened!

Chen Ping took Su Yuqi and the others into the secret realm again!

Originally, Hu Mazi and the others wanted to go in with Chen Ping, but Chen Ping stopped them!

Because Chen Ping doesn't know if everyone will have the same symptoms as Su Yuqi and others when they enter the secret realm!

After entering the secret realm, Su Yuqi and the others quickly woke up, which also made Chen Ping feel relieved!

"Brother Chen Ping, why are we back in the secret realm again?"

Xiaoru looked at the surrounding environment and asked in confusion.

"You three, listen to me..."

Chen Ping told the three of them exactly what happened.

"Don't worry, I will find a way to rescue you. I won't let you be trapped here forever."

Chen Ping said firmly.

"Actually, it's good to live here, the environment is also good..."

Su Yuqi knew that Chen Ping must feel uncomfortable at this time, so she smiled slightly.

“No wonder we went to see Mr. Shi. Mr. Shi wanted to ask us if we were willing to die for Brother Chen Ping.”

“He also asked Sister Mei’er and I if we had special physiques, and then handed the book to us.”

Chapter: 3428

“It turns out he knows everything. He must know that we can meet Brother Chen Ping and give him the book!”

Only then did Xiaoru understand what Mr. Shi said back then!

“Mr. Shi asked if you have a special physique?” Chen Ping frowned slightly, as if he had thought of something, and grabbed Su Yuqi’s hand!

As the spiritual power penetrated Su Yuqi’s body one after another, Chen Ping’s face became ugly!

Then Chen Ping grabbed Xiaoru and Wu Meier’s hands and checked them again!

After this inspection, it was discovered that all the special physiques of the three of them had disappeared!

“You three, take a look, have your special physique disappeared?”

Chen Ping said in surprise.

Soon, the three people checked and found that all their special physiques had disappeared. At this time, they were no different from ordinary people!

“How could this happen?”

Xiaoru's face was full of disbelief. You must know that her ice crystal was born from birth. She tried every method to cure it, but then she met Chen Ping and saved one!

Then she started practicing again, and Xiaoru slowly got rid of the death threat brought by her special physique!

But now it has disappeared. With the disappearance of their special physiques, the strength of Su Yuqi and Xiaoru has also dropped a lot!

"It must be related to the Wuya Cave. Let's go take a look..."

Chen Ping guessed that the disappearance of Su Yuqi's special physique must be related to Wuya Cave, so he planned to investigate again.

Kuzen Temple!

After two days of training, Shi Qingpei and Shi Yan looked like completely different people!

And in the past two days, they have also seen the power of faith!

Many believers have traveled thousands of miles to come to worship devoutly. The power of faith generated by such believers is terrifying.

"Uncle, you have so many believers, but how do you identify these believers and which ones are the most pious?"

Shi Yan asked Jue Yuan curiously.

"This is not easy, just look at the power of faith they have generated..."

Jue Yuan said, pinched the magic formula, and then waved his palm forward!

In the main hall, above the heads of dozens of worshipers, waves of faith slowly emerged!

Chapter: 3429

However, the power of faith emerging from those people at this time is not a color!

Some are white, some are blue, and one is purple...

This time, Shi Yan was dumbfounded. He didn't understand why he could suddenly see colors!

"Did you see that the white one has the weakest power of faith, while the purple one is the strongest..."

Jue Yuan smiled lightly.

Shi Yan saw that among the dozens of believers, there was a girl with a beautiful face, and there was actually a purple power of faith above her head, which meant that the girl was the most devout believer!

Jue Yuan saw Shi Yan looking at the girl, so he smiled slightly and said, "Nephew, do you think that girl is beautiful?"

Shi Yan nodded: "She does look good..."

After running away for several days and living in Kuchan Temple for two days, Shi Yan felt that he hadn't touched a woman for a long time, so when he looked at the girl, there was a bit of desire in his eyes!

"Hahaha, a devout believer like this is no different from a puppet. Let me show you..."

After saying that, Jue Yuan waved his hand and called a disciple, and then whispered a few words!

The disciple quickly walked up to the girl and said something, and the girl followed him!

When she saw Jue Yuan, the girl was full of surprise, and then she burst into tears!

It was like meeting an idol, I cried with excitement!

“Female donor, I think you are destined to my Kuchan Temple, so I want to practice Joy Zen with the female donor. I wonder if the female donor will agree!”

Jue Yuan asked with a profound look.

The girl’s face was full of excitement, and she nodded repeatedly: “Master, I am willing, I am willing...”

“Okay, now you can take off your clothes...”

Jue Yuan said to the girl.

The girl was not shy and took off her clothes directly, which made Shi Yan dumbfounded!

“Eldest nephew, go practice...”

Jue Yuan patted Shi Yan on the shoulder.

Only then did Shi Yan react, picked up the girl and entered the room!

A few minutes later, Shi Yan came out sweating profusely, his face full of satisfaction!

Chapter: 3430

“Uncle, you...you are so awesome. How did you do this?”

Shi Yan asked Jue Yuan.

“Haha, for believers like this, even if I ask them to die, they will not hesitate.”

“Being able to see me and practice with me is a blessing they gained from their previous lives...”

“I want as many girls as I want...”

Jue Yuan said with a proud look.

When Shi Yan heard this, he knelt down in front of Jue Yuan and said, “Uncle, please accept me as a disciple. I want to stay in Kuchan Temple and never return to Bailian Pavilion.”

At this time, Shi Qingpei came over and saw that his son was going to stay in Kuchan Temple. He suddenly said with a cold face: “Nonsense, your uncle has no time to take care of you. I only have a son like you, so Bai Lian Pavilion still expects you to inherit it.” !”

“Dad, what else are you inheriting? I think Bailian Pavilion has long been in ruins, so how could Chen Ping leave those magic weapons alone?”

“The magic weapons are all gone, so what’s the point of inheriting the Bailian Pavilion? It will be a long time before you refine so many magic weapons. I think uncle’s Kuchan Temple is quite good.”

Shi Yan said to Shi Qingpei.

“This Chen Ping, I will cut him into pieces...”

When Shi Qingpei heard what Shi Yan said, his heart ached. You must know that those magic weapons were all his hard work!

“Junior brother, since you have recovered now, then take me to find that Chen Ping, and I will avenge you!”

Jue Yuan said casually.

“Thank you, senior brother...”

Shi Qingpei came to Jue Yuan just to ask him to avenge him.

“Let’s leave now...”

After Jue Yuan finished speaking, he arranged the work at Xia Kuchan Temple, and then followed Shi Qingpei and his son on the road to revenge!

.....

In the secret realm!

Chen Ping and the others came to Wuya Cave again, and nothing strange happened to Su Yuqi and the others this time!

It seems that it is caused by their special physique. Now that the special physique disappears, nothing will happen anymore!

Chen Ping looked at the statues in Wuya Cave, and he knew that the problem must lie with these statues!
