

The Order 3431

Chapter: 3431

Slowly reaching out his hand, Chen Ping injected spiritual power into the statues. He wanted to see if the Wordless Heavenly Book could tell the origins of these statues!

Unfortunately, no matter what Chen Ping did, the origins of these statues were not found in the Wordless Heavenly Book, which made Chen Ping a little annoyed!

If he could not find out the origin of Wuya Cave and these statues, Chen Ping would not be able to cure Su Yuqi and the others and rescue them from the secret realm!

Finally, Chen Ping looked at the statue with his right hand stretched forward, and covered the statue with his spiritual consciousness!

The Wordless Heavenly Book actually showed words on this statue, which proves that this statue is different from other statues!

Since the Wordless Heavenly Book does not have the origin of these statues, Chen Ping wants to use his spiritual sense to explore what is inside these statues!

Why can it withstand the devastation of Chen Ping's terrifying power and yet remain standing without any damage!

When Chen Ping's consciousness entered the statue, he suddenly froze, as if his whole body was frozen!

"Brother Chen Ping..."

"Chen Ping..."

Su Yuqi and the others saw something strange about Chen Ping and shouted quickly!

But Chen Ping seemed not to hear it!

Chen Ping's pupils are getting bigger and bigger, and his expression is getting more and more ferocious!

This frightened Su Yuqi and the three of them!

But no matter how they shouted, Chen Ping remained motionless!

After half an hour, Chen Ping suddenly fell to the ground, his eyes staring straight at the roof of the cave, and his breath became very weak!

"Sister Yuqi, what... is going on? What's wrong with Brother Chen Ping?"

When Xiaoru saw this, she was so frightened that she almost cried!

"I don't know either." Su Yuqi was also a little at a loss at this time!

At this time, Chen Ping was stunned, but all his consciousness had already entered the statue!

"This...what the hell is this place?"

Chen Ping felt like he was in a vast place, surrounded by birds and beasts, with abundant spiritual energy, even more than in the secret realm!

Just when Chen Ping was confused, eight people walked towards him, and these people were all wearing very simple clothes, but the words "Tao Zong" were embroidered on the clothes!

"They...they are..."

Chapter: 3432

Chen Ping looked at the eight people walking towards him, his eyes full of surprise!

Because he discovered that the appearance of these eight people was exactly the same as the statues in Wuya Cave!

Chen Ping wanted to stop these eight people and ask for explanation, but these eight people seemed not to see Chen Ping at all and walked straight past Chen Ping!

Only the person holding a book in his hand frowned slightly and looked around when he passed by Chen Ping!

“Great Elder, what are you looking at? The sect leader summoned Pan Zong and asked, we can’t delay any longer!”

At this time, a man with a bun on his head asked.

“Oh, it’s nothing...”

After that, the eight people continued to move forward!

Chen Ping chased and shouted from behind, but the eight people were indifferent!

In the end, Chen Ping could only follow slowly. He wanted to see where these eight people were going!

Soon, these eight people came to a cave entrance, and above the cave entrance, the words Wuya Cave were written!

“This is Wuya Cave? Why is the surrounding environment completely different?”

Chen Ping looked at the Wuya Cave in front of him with confusion on his face!

Just when Chen Ping was confused, eight people had already walked into Wuya Cave. Chen Ping wanted to follow them, but as soon as he reached the entrance of the cave, he was blocked by a huge force!

No matter how hard Chen Ping tried, he couldn't even take a step into the cave!

Chen Ping had no choice but to stand at the entrance of the cave and listen carefully to the sounds inside, hoping to get some useful information about Wuya Cave!

But after listening for a long time, Chen Ping couldn't hear anything. But just when Chen Ping was about to look elsewhere, several screams suddenly came from the cave!

Along with the screams, bursts of golden light erupted from Wuya Cave. Chen Ping could hardly open his eyes under this golden light!

"If you go against the will of heaven, what can you do?"

"Hahaha....."

Bursts of laughter came from the cave, followed closely by a figure!

But just when Chen Ping tried hard to see clearly who this figure was, his vision suddenly went dark!

When Chen Ping opened his eyes, he found himself lying in Wuya Cave, with Su Yuqi and the three of them watching anxiously!

Seeing that Chen Ping was awake, the three of them were very excited!

Chapter: 3433

“Brother Chen Ping, you are finally awake. You almost scared us to death...”

“Chen Ping, what’s wrong with you?”

The three people asked Chen Ping with concern.

But Chen Ping did not answer, but stood up suddenly, and then carefully looked at the statue in front of him!

“What’s going on? Are these not statues, but people who were petrified using magic?”

“Who is that person who came out of Wuya Cave?”

Chen Ping’s eyes were full of doubts!

Su Yuqi and the others could only watch, no one understood what was going on with Chen Ping!

Chen Ping stroked the statue, and his spiritual consciousness entered the stone statue again, but this time nothing appeared!

“What’s going on, what’s going on...”

Chen Ping stroked the statue and fell into confusion...

.....

Kyoto Dragon Gate!

Long Xingxu arranges for the members of the sect to patrol and practice every day as usual!

And outside the dragon gate, three figures slowly appeared!

These three people were none other than Jue Yuan, Shi Qingpei, Shi Yan and his son.

“As expected of the young generation in the martial arts world, he has founded such a large sect at such a young age!”

Looking at the dragon gate in front of him, Jue Yuan couldn't help but sigh!

“Hmph, the reason why Chen Ping is where he is today is entirely because he was lonely in the martial arts world!”

“Moreover, these guys in Kyoto's martial arts world are just looking for fame and reputation, but they have no real ability. If all those hidden families come out, this Chen Ping will be nothing.”

Shi Qingpei snorted coldly.

“Having said that, Chen Ping has reached the realm of Martial Saint at such a young age, so he can be regarded as one of the best among men.”

“But it's a pity that he is so arrogant at such a young age and can only bring death to himself!”

Jue Yuan said, looking at the plaque on the dragon gate, and waved his hand gently!

Chapter: 3434

A terrifying aura swung out from Jue Yuan's hand, instantly blasting the huge plaque into powder!

Even the entire gate collapsed with Jue Yuan's wave!

“Senior Brother, please don’t make too much noise. After all, this is Kyoto, and Mr. Na Shi is in charge...”

When Shi Qingpei saw that Jue Yuan had destroyed the gate of Longmen as soon as he took action, he quickly persuaded him!

They are here to take revenge on Chen Ping. As long as they can catch Chen Ping and torture him to death!

If the movement is too big and alarms Mr. Shi, it will be difficult to handle. And if Mr. Shi can give the pen to Chen Ping, it proves that he has a good relationship with Chen Ping!

“Hmph, look at your courage. As long as those hidden families or people from the secret realm don’t show up now, even if the entire Kyoto martial arts community is mobilized, I won’t take it seriously.”

Jue Yuan snorted coldly and scolded Shi Qing for training!

When Shi Qingpei saw this, he was so frightened that he did not dare to speak out.

The collapse of the gate caused many Longmen members to rush out one after another. After seeing Jue Yuan and the others, they were all furious and rushed forward with their swords swung!

You must know that Longmen is now a well-known name in the entire martial arts world. Let alone the Kyoto martial arts world, even in the entire Daxia martial arts world, who dares to trouble Longmen?

But now someone who is not afraid of death actually comes to Longmen to cause trouble, and all the members of Longmen rush forward!

Facing these people in Longmen, Jue Yuan couldn’t help but sneered. He waved his long sleeves and a huge aura came instantly!

The members of the Dragon Gate flew out one after another, vomiting blood, and some even lost their breath!

“Who are you? Dare you come to my dragon gate to act wild?”

At this time, Long Xingxu came with people, looked at Jue Yuan and the others, and asked with an ugly expression.

“Where’s Chen Ping? Let him get out and die. He robbed our house, and I want him to pay back double the amount!”

Shi Yan took a step forward and shouted loudly!

“Our sect master is not here, who are you?”

Long Xingxu continued to ask.

“Not here? I think he is hiding, right? If Chen Ping doesn’t come out, I will dismantle his dragon gate...”

Because Shi Yan had Jue Yuan’s support, he spoke very forcefully!

“Since you don’t dare to tell me your name, then don’t blame me for being rude!”

After Long Xingxu finished speaking, he slapped Shi Yan with one palm!

Chapter: 3435

“Hmph, even a mere Dawuhou dares to be so presumptuous...”

Jue Yuan’s eyes on the side were full of contempt, the corners of his mouth curved, and then he waved his palm lightly!

Long Xingxu's body came suddenly, and he felt as if his body was pressed by a thousand pounds of stone. It was very difficult to even stand, let alone take a step forward!

Long Xingxu's whole body made a gurgling sound, the blood vessels in his body began to burst, and blood swords shot out one after another!

Plop.....

Long Xingxu couldn't hold on in the end and fell directly to the ground. His body was already stained with blood, and his life or death was unknown!

When the other people in Longmen saw this situation, their faces became extremely ugly!

"Go and call Chen Ping out..."

Shi Yan looked at the people in Longmen and shouted!

"Our sect master is indeed not here!" someone said.

"Aren't you here?" Shi Yan's eyes flashed fiercely, and he disappeared in a flash, and soon he was among the people of Longmen!

After several screams, the members of the Dragon Gate collapsed!

"Are you there?" Shi Yan asked with murderous intent.

The Longmen members looked horrified, but no one ran away. They all stood in place. Although they knew they were outmatched, they were not afraid of life and death!

"You're quite brave. Let's see if I kill you all. Then will Chen Ping show up..."

After saying that, Shi Yan casually grabbed the void, and in an instant, countless energy went towards the numerous Longmen members!

Even though Shi Yan couldn't defeat Chen Ping, he was able to deal with these ordinary disciples of Longmen with ease!

Facing Shi Yan's terrifying energy, everyone in Longmen changed their expressions!

But at this moment, several golden rays of light suddenly flashed in mid-air, and golden talismans appeared in front of everyone in Longmen!

The talisman blocked the energy, and then a violent explosion occurred!

Shi Yan frowned slightly, and then he saw Hu Mazi coming through the air...

Shi Yan looked at Hu Mazi, and his blood suddenly surged!

"Old man, Chen Ping didn't dare to come out, but you are here. You are also responsible for destroying my Bailian Pavilion. I will kill you first today..."

After Shi Yan finished speaking, the aura on his body surged, and before Hu Mazi could gain a firm footing, he slapped him out with a fierce palm!

Chapter: 3436

Hu Mazi did not dare to follow Shi Yan head-on, so he could only throw out a few talismans in an instant. With the sound of explosions, the talismans thrown out by Hu Mazi were blown up by Shi Yan one by one!

Seeing this, Hu Mazi suddenly stepped back, and then took out the purple gourd from his arms with his backhand!

As a purple light flashed, terrifying power erupted from the purple gold gourd!

Shi Yan was already so close that he had no time to dodge. He was instantly knocked to the ground by the burst of power from the purple gold gourd.

“son.....”

Shi Qingpei hurriedly stepped forward and helped Shi Yan up!

“What a powerful magic weapon, it’s a good thing...”

Jue Yuan looked at the purple gold gourd in Hu Mazi’s hand, greedy light shining in his eyes!

“Elder brother, that purple gold gourd is a high-grade magic weapon, you have to be careful...”

Shi Qingpei reminded Jue Yuan!

“Hmph, what can a magic weapon do to me?”

Jue Yuan snorted coldly, then grabbed Void and grabbed at Hu Mazi!

Hu Mazi only felt a huge suction force coming towards him, his face changed slightly, and the purple gold gourd in his hand burst out with light again!

Rays of purple light shot out from the purple gold gourd!

Containing infinite power of the great avenue, it headed directly towards Jueyuan!

There was an explosion in the void, and the world seemed to begin to collapse under the purple gold gourd!

Jue Yuan frowned slightly: "This purple gold gourd is not only a top-grade magic weapon..."

After that, with a wave of his sleeves, chaos suddenly appeared, and the purple rays of light hit the chaos and disappeared in an instant!

Hu Mazi was slightly startled. He wanted to activate the purple gourd, but Jue Yuan's figure flashed before him!

Jue Yuan stretched out his hand and grabbed the purple gold gourd. The aura on his body shook. Hu Mazi had no choice but to let go, and his whole body was blown away!

Hu Mazi fell to the ground, and there were bursts of explosions all over his body, and then a stream of blood arrows shot out, and all the bones and muscles in his body were shattered!

After spitting out a mouthful of blood, Hu Mazi fainted instantly!

Jue Yuan was playing with the purple gold gourd in his hand, his face filled with excitement!

"Let Chen Ping come out and die quickly, otherwise we will go on a killing spree!"

Chapter: 3437

Shi Qingpei was overjoyed when he saw that Hu Mazi, who had destroyed their Bailian Pavilion, had become a useless person!

Now as long as Chen Ping is destroyed, their revenge will be avenged!

"I...our sect master is really not here..."

A member of the Dragon Gate said bravely.

“Perhaps Chen Ping is really not here!” Jue Yuan exuded a breath and enveloped the entire Longmen!

He didn’t notice the presence of an expert in the dragon gate!

“When Chen Ping comes back, tell him to go to Kuchan Temple to find me. I am Shi Qingpei, the master of Bailian Pavilion.”

“If he wants to hide, I will come to him...”

Shi Qingpei was afraid of delaying too long, so he summoned Mr. Shi, so he put down his harsh words and left!

After Jue Yuan and the others left, everyone in Longmen began to clean up!

Both Long Xingxu and Hu Mazi were seriously injured. Longmen was leaderless for a while, and no one could make an idea!

But soon, Zhou Jie arrived, as well as Ji Ruxue and the others!

After seeing the seriously injured Long Xingxu and Hu Mazi, everyone’s faces were very solemn!

“Send someone to Yaoshen Valley immediately to ask Elder Xu to come...”

“The other thing is to seal the news. Don’t leak the news that Long Xingxu and Master Hu were injured!”

“Repair the gate as soon as possible. Don’t let too many people know that the dragon gate has been provoked and destroyed!”

“One more thing is to get Chen Ping back as soon as possible and let him take charge of the overall situation!”

When everyone was at a loss, Ji Ruxue calmly began to make arrangements!

After all, Ji Ruxue is also the Lord of the First Palace and has some experience in managing sects!

In addition, Ji Ruxue is older and everyone knows about her relationship with Chen Ping, so everyone obeys Ji Ruxue’s words!

Soon, someone went to Yaoshen Valley to invite Xu Changsheng, someone started to repair the damaged gate, and someone specially blocked the news!

You must know that the current Longmen can be regarded as the largest sect in the Kyoto martial arts world, and Chen Ping is also an idol sought after by many sects and families in the Kyoto martial arts world!

If Longmen creates provocations, and then the gate is destroyed and many people are killed, it will have a great impact on the reputation of the entire Longmen and Chen Ping.

Under Ji Ruxue’s supervision, Longmen returned to stability. After Xu Changsheng got the news, he rushed over quickly!

Chapter: 3438

But when Xu Changsheng saw the injuries of Long Xingxu and Hu Mazi, he couldn’t help but look solemn.

“Elder Xu, how are they? Can Hu Mazi be saved?”

Zhou Jie asked Xu Changsheng nervously.

“Miss Zhou, Master Hu’s injuries are too serious. All the muscles and bones in his body are broken. I’m afraid it will be difficult for Daluo Jinxian to save him.”

“Even if I can save my breath, I’m afraid I won’t be able to stand up again and will become a cripple!”

Xu Changsheng sighed softly.

“this.....”

Zhou Jie looked at the unconscious Hu Mazi, and tears instantly flowed out!

“Elder Xu, you must save Hu Mazi...”

Zhou Jie said that she was going to kneel down to Xu Changsheng!

“Ms. Zhou, please don’t do this. I really can’t do anything...”

Xu Changsheng’s face was full of embarrassment!

“Elder Xu, is there nothing we can do?”

Ji Ruxue asked Xu Changsheng.

“I don’t know if there is any way now. I can only let the Valley Master see for himself!”

Xu Changsheng slowly shook his head!

“But Chen Ping is in a secret realm now, and no one knows when he will come out!”

Ji Ruxue frowned.

Chen Ping took Su Yuqi and the others into the secret realm. No one could tell when they would come out, but Hu Mazi and the others' injuries couldn't wait!

"I can only do my best now to make Master Hu and the others hold on as long as possible. There is nothing else I can do!"

Xu Changsheng said helplessly.

"I'll go to the secret realm to find Mr. Chen..."

Zhou Jie decided to enter the secret realm in person to find Chen Ping!

"Miss Zhou, don't be impulsive. Chen Ping has said that although the secret realm is not dangerous, if you enter it, you may not be able to get out. Xiaoru, Meier and the others are the best examples!"

Chapter: 3439

Ji Ruxue persuaded Zhou Jie.

"Even if I am trapped in a secret realm, I will still find Mr. Chen..."

Zhou Jie's eyes were firm!

Seeing Zhou Jie being so determined, Ji Ruxue could only warn: "Miss Zhou, you must be careful. Don't tell Chen Ping when you see him, so as not to make him too anxious and make any mistakes!"

"Okay, I get it!" After Zhou Jie said that, she went straight to the entrance to the secret realm in the backyard of the Martial Arts Alliance!

Opening the entrance to the secret realm, Zhou Jie entered the secret realm without hesitation!

At this time, Chen Ping and the others were still in Wuya Cave!

Chen Ping has been thinking about these statues and wants to understand what these statues are about?

And who is the person whose appearance I haven't seen yet?

Eight Taoist elders suddenly turned into statues, and a sect as big as Taoist sect suddenly died!

There seem to be many unknown secrets in it!

And Chen Ping seems to understand the secret. Only in this way can Su Yuqi and the others get rid of this place completely!

“Chen Ping, don't take it too seriously. Even if we are trapped in this secret realm, there is no danger, and the environment here is quite good.”

“Some things need to be done slowly. I believe you'd better be able to get us out of here!”

Su Yuqi persuaded Chen Ping!

In order to study these statues, Chen Ping allowed Su Yuqi and the others to leave here, and he felt as if he was stupid!

This made Su Yuqi look very distressed!

“Brother Chen Ping, Sister Yu Qi is right. It's good for the three of us to be together now. You don't have to worry!”

Xiaoru also persuaded Chen Ping!

“While we are here, we can still let the two of them teach me how to practice. Maybe after a while, I will become a master and be able to help you.” Wu Mei’er also said with a smile.

But Chen Ping knew that the three of them were comforting themselves. In fact, no matter how good the secret environment was, no one wanted to be locked in this cage-like secret forever!

Moreover, this secret realm is the secret realm of the Demon Heart Sect. People from the Demon Heart Sect can come in at any time. So what is the difference between Su Yuqi and the three of them being trapped here and being locked up in the prison of the Demon Heart Sect?

However, Chen Ping tried various methods, but to no avail. Except for the scene he saw for the first time, that situation never happened again!

Just when Chen Ping looked annoyed, he suddenly frowned and stood up instantly!

Chapter: 3440

“What’s wrong?” Su Yuqi asked.

“Someone, someone came to the secret realm...”

Although Chen Ping is studying these statues, he has been sending out a ray of consciousness outside, just to prevent people from the Demon Heart Sect from suddenly entering this secret realm and causing harm to Su Yuqi and the others!

Now he feels the fluctuation of breath, which proves that someone has entered the secret realm...

Upon hearing that someone had entered the secret realm, Su Yuqi and the others became curious, wondering who would enter here!

Several people walked out of Wuya Cave, and then Chen Ping ran towards the direction of the aura fluctuations!

When they arrived, they found that the person who entered the secret realm was Zhou Jie. Everyone was stunned!

And Zhou Jie was very excited when she saw Chen Ping and the others!

After all, this secret realm is quite large. If Zhou Jie had to search for it bit by bit, he would probably waste a lot of time!

“Zhou Jie, how did you enter the secret realm?”

Chen Ping asked in surprise after seeing Zhou Jie.

“Mr. Chen, I...”

Just as Zhou Jie was about to speak, he remembered Ji Ruxue’s explanation, so he said, “Mr. Chen, something happened at Longmen, so I was asked to come in to find you.”

“Something happened at Longmen? What happened?”

Chen Ping frowned.

You must know that Longmen is managed by Long Xingxu, and also has the support of the Ge family and the Dong family, so nothing will happen!

Even if there are some small things, Long Xingxu can handle them himself!

Now it is necessary for Zhou Jie to venture into the secret realm to find herself, which proves that something big has happened!

“No...it’s not a big deal, there are just some issues that you need to deal with personally!”

Zhou Jie shook her head and said!

Chen Ping looked at Zhou Jie's look and knew that something big must have happened, but he did not ask further questions. Instead, he looked at Su Yuqi and said, "Yuqi, just go to Wuya Cave and wait for me. Don't run around. I'll take care of the matter." After that, I'll find a way to take you out!"

"You go ahead, don't worry about us, we can have a good time here, it's good!"

Su Yuqi nodded!

"let's go....."
