

The Order 3441

Chapter: 3441

Chen Ping said to Zhou Jie.

Zhou Jie looked at Chen Ping with a confused look on her face and said, "Mr. Chen, I...I have also entered the secret realm now. If I leave the secret realm, will I be like Miss Su and the others?"

"Don't worry, you'll be fine!" Chen Ping said.

Now Chen Ping already knows that the reason why Su Yuqi and the three of them were in danger when they left the secret realm was because the incident at Wuya Cave was related to their special physiques!

Zhou Jie has no special physique and has not entered Wuya Cave, so there should be no problem!

Seeing what Chen Ping said, Zhou Jie followed Chen Ping and left the secret realm!

Along the way, Zhou Jie's expression was very solemn, and Chen Ping knew that something big must have happened in Longmen!

When Chen Ping rushed to Longmen, he found that the entire Longmen was shrouded in sadness!

Moreover, the gate of Longmen has just been repaired.

When the guards at the door saw Chen Ping coming back, they all shouted excitedly: "The door master is back, the door master is back..."

Some Longmen members actually started crying when they saw Chen Ping coming back!

After all, there were so many casualties in Longmen, and they were all people who got along day and night, so these Longmen members could not avoid sadness!

After hearing that Chen Ping was back, Ji Ruxue and her people, as well as Xu Changsheng, came out to greet Chen Ping!

Chen Ping saw that Ji Ruxue and everyone were there, and Xu Changsheng was also there, but the faces of Long Xingxu and Hu Mazi were missing, and his expression instantly became extremely ugly!

“Ruxue, what happened?”

Chen Ping looked at Ji Ruxue and asked in a cold voice.

Ji Ruxue told Chen Ping the truth truthfully. When Chen Ping heard this, his whole body felt as if he had been struck by lightning, and he was so weak that he could not stand still!

You must know that Long Xingxu has been managing Longmen during this period and has done his best. Besides, he is also connected by blood to Chen Ping. Chen Ping has long regarded Long Xingxu as his younger brother!

Needless to say, Hu Mazi, although the two of them usually bickered and quarreled, Chen Ping liked to take Hu Mazi with him wherever he went!

After all, Hu Mazi is well-informed, and at critical moments, Hu Mazi can always give Chen Ping some surprises!

Now they actually told him that Long Xingxu and Hu Mazi were going to die. How could Chen Ping bear this!

“I know the abilities of the Bailian Pavilion father and son. They can seriously injure Xingxu, but Master Hu has the Purple Gold Gourd in hand. Even if they join forces, they can’t injure Master Hu seriously.”

Chen Ping looked at Long Xingxu and Hu Mazi on the bed and asked with a murderous look on his face.

“It was an old monk who took action. He also stole Master Hu’s purple gourd. Before leaving, Shi Qingpei told you to go to Kuchan Temple to find him, otherwise he will come to Longmen to kill people!”

Chapter: 3442

Ji Ruxue followed Chen Ping and said.

“Kuchan Temple?” Chen Ping frowned slightly. He seemed to have never heard of this place.

But Chen Ping knew that now was not the time to think about this, he had to rescue Long Xingxu and Hu Mazi first.

“Valley Master, my subordinates have already checked. The two of them were injured too heavily. The meridians and bones of their bodies have been shattered. I am afraid there is no way to recover. If they can save their lives, it is considered good!”

“The other party was too cruel. It was obvious that they deliberately wanted Master Hu and others to suffer torture before dying...”

Xu Changsheng said with a sad and angry look.

Chen Ping’s eyes were full of anger, and the terrifying murderous intention rose in his body: “No matter who it is, I will make them die in more pain...”

Chen Ping stepped forward and a burst of spiritual power penetrated into the bodies of Hu Mazi and Long Xingxu!

After checking it again, Chen Ping’s face became extremely ugly!

If it’s just a simple meridian break or a broken bone, Chen Ping has a solution!

But the other party shattered all the meridians and bones at once, which required reshaping the meridians and bones, almost the same as reshaping the physical body!

Chen Ping closed his eyes slightly and thought carefully about the solution. The Supreme Alchemy Record kept flashing through Chen Ping's mind!

No matter what, Chen Ping must rescue Hu Mazi and Long Xingxu!

But Chen Ping tried hard to think through it in his mind, but he couldn't find a way to treat Hu Mazi and Long Xingxu!

Although Chen Ping can save the lives of two people, if they lie in bed like useless people for the rest of their lives, it will probably be more uncomfortable than death!

Zhou Jie looked at Chen Ping nervously. She could only rely on Chen Ping to save Hu Mazi!

"Elder Xu, you stay here and take good care of the two of them. I'll go think of a solution..."

Chen Ping couldn't find a cure, so he had to ask others for help!

He decided to go to the Fire Gate Secret Realm to see if Ge Cangsheng had any way to cure Long Xingxu and Hu Mazi.

After arranging everything, Chen Ping found Ge Fuhai, and then headed to the Longmen Secret Realm together!

After entering the secret realm of Longmen and finding Ge Cangsheng, Chen Ping told him his purpose!

"Mr. Chen, the meridians and bones are all broken, it's really not easy to handle!"

After hearing this, Ge Cangsheng frowned slightly.

“Elder Ge Clan, isn't it possible that he wasn't cured even in the secret realm?”

Chapter: 3443

“It's not that there are many masters of cultivating immortals in the secret realm, isn't there a powerful pharmacist or something like that?”

Chen Ping was a little surprised. Normally, there should be very powerful pharmacists in the secret realm!

“Mr. Chen, although there are immortal cultivators in the secret realm, they are all human beings. There are no real immortals.”

“With a situation like this where all the muscles and bones are shattered, I'm afraid it won't be cured even if Daluo Jinxian comes. It will almost reshape the body.”

“Now, not only in our Dragon Gate secret realm, but also in other secret realms, there is probably no one who can reshape the body for others!”

Ge Cangsheng shook his head and said.

“Is there nothing we can do?”

Chen Ping frowned, with a look of sadness on his face!

If Long Xingxu and Hu Mazi could only spend their entire lives in bed, Chen Ping would feel guilty for the rest of his life!

“It's not that there is no way. I heard that there is a divine spring in the secular world, called the Rebirth Spring. If you can soak in the spring water for seven days, you can reshape your bones and reshape your body!”

“It's just that we people in the secret realm cannot stay in the secular world for long, so I have never seen the rebirth spring, and I don't know if the rebirth spring still exists...”

Ge Cangsheng said to Chen Ping.

“Rebirth Spring?” Chen Ping thought and realized that he had never heard of this name at all!

Only then did Chen Ping realize that there was far more in the martial arts world than he knew!

“Elder Ge clan, do you know about Kuchan Temple?” Chen Ping asked Ge Cangsheng.

Ge Cangsheng shook his head: “This should be from the secular world, I don’t know very well.”

“Mr. Chen, have you encountered any difficulties in the secular world? If you encounter difficulties, you can ask my little girl to come out of the secret realm to help you!”

Chen Ping waved his hand and said: “No, with my current strength, no one in the martial arts world can be my opponent. After all, those martial cultivators have worse methods than us immortal cultivators!”

Chen Ping knows that if you go from the secret realm to the secular world, it will be fine for a short time. If you stay in the secular world for a long time, it will cause the danger of stagnation in strength or even regression, so Chen Ping does not want Ge Yuhan to take risks in the secular world!

Moreover, Chen Ping was not afraid of Shi Qingpei and his son at all. If he wanted to kill two people, it would only be a matter of raising his hand!

“Mr. Chen, you are wrong. In fact, different paths lead to the same goal. Whether you are a warrior or an immortal cultivator, the ultimate goal is to become an immortal.”

“There are also masters among warriors, and there are even legends of warriors who ascended to become immortals. It’s just that compared to those who cultivated immortals, the road to becoming immortals for warriors is more full of thorns...”

Ge Cangsheng said slowly.

Ge Cangsheng's words instantly stunned Chen Ping. He had always thought that his strength was invincible in the martial arts world.

Chapter: 3444

"Elder Ge Clan, is there a master above the Martial God in the martial arts world?"

Chen Ping asked in surprise.

Chen Ping never knew much about the martial arts world. He began to think that the Martial Saint was the ceiling of the martial arts world!

But since he went to the island country and met several Martial God spirits, Chen Ping realized that the Martial God was above the Martial Saint!

But judging from what Ge Cangsheng means, it seems that the God of War is not the ceiling of the martial arts world...

"Mr. Chen, above the Martial God there is the Martial Emperor, and above the Martial Emperor there is the Transformation Realm..."

"When a warrior reaches the realm of transformation, he is no different from us immortal cultivators. He also needs the spiritual energy of heaven and earth to cultivate, transform into an immortal cultivator, and work hard on the road to ascending to immortality!"

Ge Cangsheng explained.

When Chen Ping heard this, his heart seemed a little complicated. It seemed that he had underestimated the martial arts world and overestimated his own ability!

He is now only as strong as a fifth-grade Martial Saint. Although he has the blessing of the Golden Dragon True Body, he can easily fight against a Martial God. But if he really encounters a strong person with the late-stage Martial God strength, Chen Ping may have no choice but to run for his life!

What's more, there is the Martial Emperor above the Martial God, and there is the Transformation Realm above the Martial Emperor...

If Chen Ping really met that kind of master now, he would probably be slapped to death!

"It seems that the martial arts world is full of hidden dragons and crouching tigers. I am too arrogant..."

Chen Ping laughed at himself!

He suddenly remembered Mr. Shi's sudden suppression of him. Ever since he came back from the island country, Mr. Shi had suppressed him intentionally or unintentionally!

At first, Chen Ping couldn't understand or understand what Mr. Shi was doing.

Now he suddenly understood Mr. Shi's good intentions. He saw that after returning from the island country, he felt a little inflated and felt that he was invincible in the martial arts world, so he suppressed himself and allowed himself to recognize the reality...

"Mr. Chen, you don't have to be too inferior. None of those masters above the Martial God level have been practicing for a lifetime, but you are still young and your strength is far more than that."

Ge Cangsheng persuaded Chen Ping!

"Old Ge clan, thank you very much. It seems that my path of cultivation is still long..."

Chen Ping followed Ge Cangsheng's conversation this time, which finally made him realize the reality!

Chen Ping did not stay in the Fire Gate Secret Realm for long, and left with Ge Fuhai!

On the way back, Ge Fuhai seemed to remember something, and suddenly said to Chen Ping: "Mr. Chen, if you want to find out where Kuchan Temple is, you can ask Know-How, he might know!"

"Knowledge?" Chen Ping was stunned. This was the first time he heard of this name.

Chapter: 3445

"Oh, this guy's name is Zhou Botong. He's not very strong, but he does know a lot about the history of the martial arts world. I heard that he has a history of the development of the martial arts world. I don't know if that's true."

"Maybe this guy knows where the Kuzen Temple is..."

Ge Fuhai followed Chen Ping and said.

"Where is that person?" Chen Ping didn't expect that there was such a person!

"He should live outside Kyoto, but this guy often travels around. I'll take you to try your luck."

After Ge Fuhai finished speaking, he rushed to the outskirts of Kyoto with Chen Ping!

Soon, the two people stopped in front of a very dilapidated house!

Ge Fuhai took a look, and then said happily: "Mr. Chen, this know-it-all is at home, it's great..."

"Let's go in..."

Chen Ping walked in first!

When he walked into the room, Chen Ping almost didn't wake up because the smell in the room was so unpleasant!

In the room, an unkempt old man was sitting in front of a chessboard, staring at the endgame on it, as if he hadn't seen Chen Ping and the others!

Chen Ping got used to the smell, glanced at the room, and found many ancient books in the room!

Apart from books, there is nothing else!

And the aura on this old man's body is faintly flowing, and he is in the realm of Wuhou!

"Best Talk, let's ask you something..."

At this time, Ge Fuhai asked Zhou Botong.

"Do not have time....."

Zhou Botong said coldly without raising his head.

When Ge Fuhai saw this, his face instantly turned ugly and he was about to get angry, but Chen Ping waved his hand to stop him!

"Senior Zhou, I heard that you know everything about the martial arts world, so I came here specifically to ask for advice."

Chen Ping said to Zhou Botong very politely.

At this time, Zhou Botong slowly raised his head, looked at Chen Ping and said, "If you want to inquire about something, agree to my conditions first..."

"Senior, you said, as long as I can do it, I will definitely promise you."

Chapter: 3446

Chen Ping said.

“Well, let’s solve this chess game and I can answer your question!”

Zhou Botong pointed to the chessboard in front of him and said.

Chen Ping took one look and was dumbfounded. He didn’t know how to play chess at all. How could he solve the game?

“Senior Zhou, I’m really sorry, I can’t play chess, so I can’t solve it!”

“But as long as you answer my questions, I can give you as much money as you want.”

Chen Pingru said.

“If you don’t know how to play chess, then don’t bother me here. I’m not short of money at all. Get out of here...”

Zhou Botong waved his hand impatiently!

This time, Chen Ping was a little at a loss. He could only stand there and look at the chessboard in front of him quietly.

And Zhou Botong stopped paying attention to Chen Ping and Ge Fuhai and began to study them carefully by himself!

Just when Chen Ping frowned slightly and didn’t know what to do, he suddenly remembered the wordless book in his mind!

Thinking of this, Chen Ping said: “Senior Zhou, if I solve this chess game, will you answer my questions?”

“Of course, as long as you help me solve the chess game, I can answer any questions you have, as long as you want me to know.”

“The world of martial arts is as vast as the sea, and I don’t know everything.”

Zhou Botong raised his head and said.

Chen Ping nodded, then sat opposite Zhou Botong, and then gently grabbed the chessboard with one hand!

A ray of spiritual energy gently penetrated into the chessboard!

Soon the history of the chessboard and the method to crack the endgame in front of him flashed in Chen Ping’s mind!

Chen Ping smiled slightly and said: “Senior Zhou, this chessboard was set up by Master Huang, the chess sage. If you want to break this game, you must have a flower in the center...”

As Chen Ping spoke, he began to place stones one by one. Soon, a seemingly unsolvable endgame was directly solved by Chen Ping!

Zhou Botong looked at the scene in front of him, his eyes widened, and he was stunned!

“I... I have been thinking about the endgame for many years, but you solved it so easily?”

Zhou Botong’s face was full of disbelief: “You, a guy, actually say that you can’t play chess!”

Chapter: 3447

“But I promised you, you can ask me now...”

When Chen Ping heard this, he quickly asked happily: “I would like to ask Senior Zhou, if you know where Kuchan Temple is?”

“Kushan Temple is at the top of the southwest cliff peak. Many people should know about Kuchen Temple. After all, there are many believers in Kuchen Temple. Is it worth it for you to come to me with this kind of problem?”

Zhou Botong asked in surprise.

Chen Ping looked embarrassed. How did he know that so many people knew about Kuchan Temple?

No one around him knows anyway!

“Okay, this is my question for you. Do you have any other questions?”

Zhou Botong said.

Chen Ping thought for a moment, then said: “Senior Zhou, I would like to ask if you know about the Rebirth Spring? Are there many hidden sects in the martial arts world?”

“You actually know about the Rebirth Spring, but I don’t know about a place like this. Although I am called a know-it-all, I am not a god.”

“But there are indeed many hidden sects in the martial arts world. Among them, three sects and six sects are the most powerful. If any sect here appears, it will cause a storm in the entire martial arts world!”

Zhou Botong replied!

“Senior Zhou, where are these hidden sects? Why can’t they be seen?”

Chen Ping continued to ask curiously.

“I promised to answer one of your questions, but you asked too many questions. You’d better go back quickly.”

“Since those hidden sects are not coming out of the mountains, you’d better not mess with them, otherwise you will die in an ugly way!”

After Zhou Botong finished speaking, he waved his hand!

Seeing this, Chen Ping could only stand up and say goodbye!

However, he already knew the location of Kuchan Temple. He wanted to seek revenge on Shi Qingpei and his son first. As for finding the Rebirth Spring, Chen Ping decided to start with those hidden sects.

Because Chen Ping felt that such a rare thing as the Rebirth Spring must be within the sphere of influence of some hidden sect, so it was unknown to the public.

Chen Ping said goodbye to Ge Fuhai, and then went straight to Nakuchan Temple!

You must know that this time Chen Ping left with full of anger. This time he must torture Shi Qingpei and his son to death!

At this time, Shi Qingpei and his son were enjoying themselves in Kuchan Temple!

It’s like being treated like an emperor. After all, there are many believers in Jueyuan, some devout believers, they will do whatever they are told!

Chapter: 3448

This also made Shi Yan feel happy and reluctant to miss Shu!

“Dad, do you think Chen Ping will come to Kuchan Temple?”

Shi Yan asked Shi Qingpei.

“It doesn’t matter whether he comes or not. If he doesn’t dare to come, then we will call your uncle and go to Kyoto again. This time I will definitely force Chen Ping out!”

Shi Qingpei said with a sneer.

“My uncle is so awesome. Not only does he have so many disciples, but he also has so many believers. He enjoys it every day and can still practice...”

“Cultivation with the power of faith is much more convenient than searching for resources everywhere!”

“I also want to be like my uncle.”

Shi Yan’s eyes were filled with envy.

“Fart, am I going to end my weapon refining skills in your hands?”

“You just need to learn how to refine weapons from me from now on!”

Shi Qingpei glared at Shi Yan and said.

“If I don’t learn, what will happen if I learn for a long time? I was beaten so hard by Chen Ping that I lost everything.”

“In the end, I have to ask my uncle for help. The weapon refining technique is too useless. I don’t want to be a weapon refiner anymore!”

Shi Yan shook his head and said.

“You know what the heck, if I can develop the best magic weapon, even a treasure weapon, an immortal weapon, let alone Chen Ping, even the entire martial arts world will be destroyed with just a wave of my hand!”

“Even those guys in the secret realm will tremble when they see me.”

Shi Qingpei scolded Shi Yan loudly!

“Okay, stop bragging, wait until you can practice the magic weapon...”

Shi Yan was too lazy to nag to his father and stood up to leave!

At this moment, Jue Yuan walked in.

Seeing Jue Yuan walking in, Shi Yan immediately stepped forward to help him with a flattering look on his face: “Uncle, do you have anything to tell me? Just send someone to call me!”

At this time, Shi Yan was much closer to Jue Yuan than he was to his own father.

Seeing Shi Yan like that, Shi Qingpei felt uncomfortable, but after all, people had to bow their heads under the eaves.

Chapter: 3449

“Brother, what can you do?”

Shi Qingpei asked.

“My strength now shows signs of breakthrough, so I have to retreat to achieve breakthrough!”

“You two will live and eat well here. I have arranged everything!”

Jue Yuan said to Shi Qingpei and his son.

“Ah? Uncle, do you want to retreat?”

“But what if that Chen Ping calls? Are we afraid we can’t defeat him?”

Shi Yan’s face was full of worry!

He was scared by Chen Ping!

“Don’t worry, nephew. I have told a good friend of mine that he will stay at Kuchan Temple during my retreat. If Chen Ping dares to come, he will never come back!”

Jue Yuan said.

“Uncle, what kind of strength is this friend of yours? Chen Ping is not weak at all. At least he is the strength of a late-stage Martial Saint!”

Shi Yan was still a little worried. He was afraid that the person Jueyuan was looking for would not be able to defeat Chen Ping!

“Hahaha, kid, are you questioning my strength?”

After Shi Yan finished speaking, he heard a burst of hearty laughter, and then a fat monk wearing a monk's robe walked in!

Just after the monk came in, the whole room was filled with pressure!

Neither Shi Yan nor Shi Qingpei noticed, they were both pushed to the ground!

“Awakening, these two are my junior brothers and nephews, stop making trouble...”

Jue Yuan said to the fat monk.

“Hahaha, Jue Yuan, your junior brother and nephew are really rubbish. No wonder you invited me here!”

Sue Wu laughed loudly and put away that pressure!

When Shi Qingpei and his son heard this, their faces immediately turned red with embarrassment!

“My junior brother specializes in weapon refining, so he is not as strong as him, but his weapon refining skills are unmatched by you!”

Jue Yuan is helping Shi Qingpei regain some face!

Chapter: 3450

“Okay, don't say that. You know the rules. One woman a day. I don't want those crooked melons and cracked dates, I want beautiful women!”

Awakening said with a wave of his hand.

“Don't worry, we've already prepared it.” Jue Yuan said.

At the foot of Southwest Cliff Peak!

Chen Ping looked at the steep mountain peaks and could not imagine that anyone would build a temple on such a steep place!

But even if it is steep, it is like walking on flat ground for Chen Ping!

After a few jumps, Chen Ping headed towards the top!

Soon, Chen Ping's figure appeared in Kuchan Temple. Looking at the majestic buildings of Kuchan Temple and the believers who kowtowed step by step, Chen Ping didn't understand how these believers climbed up such a steep place. of.

How much perseverance and determination it takes for an ordinary person to climb to this place!

In order not to hurt these ordinary people, Chen Ping waved his hand lightly, and saw that the mountain gate of Kuchan Temple began to shake violently and began to collapse!

When the believers saw this, they hurriedly ran out of Kuchan Temple and ran far away one by one!

"Dad, what's going on? It's not Chen Ping who's here, right?"

Shi Yan heard the sound and asked Shi Qingpei in a panic.

"I don't know either. Let's go out and have a look..."

Shi Qingpei said and walked out of the room.

As soon as the two people walked out of the room, they saw the mountain gate of Kuzen Temple collapsing, and Chen Ping was standing not far away.

When Chen Ping saw the figures of Shi Qingpei and his son, the murderous aura in his body instantly rose!

“Chen Ping, I didn’t expect you to dare to come...”

Seeing that it was really Chen Ping, Shi Yan sneered.

“You father and son want to die, and I can’t let you down...”

Chen Ping said, stepping forward slowly!

Seeing Chen Ping coming over, Shi Yan was a little frightened and couldn’t help but take two steps back!

At this time, more than a dozen monks with strong auras also hurried out. Seeing that their mountain gates were destroyed, their faces were filled with anger!

“This is the guy who destroyed the mountain gate. You should catch him quickly...”
