

## **The Order 3451**

Chapter: 3451

Shi Qingpei said to the dozen monks who ran out.

These dozen monks also knew about Shi Qingpei's relationship with Jue Yuan, so they all rushed towards Chen Ping!

There was a hint of disdain at the corner of Chen Ping's mouth. Facing the dozen or so monks rushing towards him, Chen Ping remained motionless as a terrifying coercion was suddenly released from his body!

An extremely powerful aura, with Chen Ping as the center, spread to all directions!

The breath was vibrating, and the entire Kuchan Temple was trembling. But before these monks could rush forward, they were all crushed by this huge force!

Everyone fell to their knees, and no one could lift their heads!

Seeing this scene, Shi Qingpei and Shi Yan were both frightened. You must know that the strength of these dozen monks from Kuchan Temple is not weak. They are all the strength of Da Wuhou!

Some of them even reached the peak of Da Wuhou, but before they even reached Chen Ping, they all fell down!

"With all this rubbish, it's impossible for you to hurt my people in Kyoto. Who is the guy who attacked me at Longmen?"

Chen Ping looked at Shi Qingpei and asked. ,

Because he knew that Shi Qingpei and Shi Yan's strength alone would not be able to beat Hu Mazi into that state!

Shi Qingpei and Shi Yan were so frightened that their faces turned ugly, but they did not tell Jue Yuan directly!

When Chen Ping saw this, the pressure on his body erupted again. The monks who fell to the ground felt a tightness in their chests, and then vomited out large mouthfuls of blood!

Although Shi Qingpei and Shi Yan were far away, they both felt the terrifying pressure and gritted their teeth and persisted!

“Who is making such a fuss in Kuzen Temple that I can’t even play with women...”

At this time, a loud voice came!

The endless aura in the voice directly defeated the pressure on Chen Ping.

The monks lying on the ground felt their bodies light up and hurriedly got up and ran away. Shi Qingpei and Shi Yan also breathed a sigh of relief!

Chen Ping frowned slightly and looked at the place where the sound came from.

I saw Sue Wu dressed in disheveled clothes and holding a similarly disheveled girl in his hand. He slowly walked out and came to Chen Ping!

Even in front of everyone, one of Suo Suo’s hands is still wandering around the girl’s body!

The girl was obviously shy and scared, and closed her eyes tightly.

When Chen Ping saw this scene, his brows furrowed even deeper: “You, a monk, are so shameless, you deserve to be damned...”

“Hahaha, what happened to me as a monk? I practice Joy Zen, and I can’t live without a woman for a day!”

Chapter: 3452

“You, a guy with the strength of a fifth-grade martial saint, dare to come to Kuchan Temple to cause trouble. Are you tired of living?”

Suo Wu laughed loudly, not caring at all about Chen Ping’s accusations!

“Master Enlightenment, stop talking nonsense to him and kill this guy directly.”

Shi Yan hurriedly said to Suo Wu, but with his eyes, he couldn’t help but glance at the woman in Suo Wu’s arms!

“It will take more than a minute to kill him.”

Suowu smiled faintly, suddenly pushed the woman in his arms aside, and then put a hand on the woman’s head!

In a moment, the woman turned into a mummy!

Seeing this scene, Shi Yan was scared to death!

“Hahaha, women taste good...”

Suowu laughed, and then his broad sleeves and robes waved gently, and then in front of them, the void began to shake continuously!

As the void shook, several puppets slowly emerged from the ground!

These puppets look very scary and exude a terrifying aura!

Chen Ping looked at these puppets and couldn't help frowning. Each of these puppets had reached the strength of a martial saint.

Chen Ping discovered that these puppets were not puppet corpses refined from corpses, because it was impossible to find so many corpses of martial saints, and if corpses were used to refine puppet corpses, the strength of the puppet corpses would be much lower than when the original body was alive. , so I want to refine the puppet corpse of a Martial Saint!

I am afraid that I need to find at least the corpse of a late-stage martial saint. And corpses of this kind of late-stage martial saint are too difficult to find, and there are almost no such corpses.

Therefore, these puppets are not refined puppet corpses at all, but are cultivated by themselves in a special way.

The aura on this kind of puppet is many times more powerful than that of the puppet corpse!

“You can cultivate the puppet of the Martial Saint by yourself. It seems that you, the flower monk, have some abilities...”

Chen Ping looked at those puppets with interest!

“My abilities are more than this. If you run into me today, you will be unlucky...”

Let's talk, Sue Wu waved his hand, and several puppets rushed directly towards Chen Ping!

These puppets have no thoughts, so they don't know what fear is!

They all unleashed their greatest strength, raised their fists, and smashed hard at Chen Ping!

Chen Ping suddenly retreated, and several puppets hit the ground hard, instantly making a deep hole in the ground!

Chapter: 3453

“Hahaha... Chen Ping, let me see if you are still crazy now, and let me see how you can deal with these puppets of the Martial Saint by yourself!”

“Their strength is not only that of martial saints, but they also have no thoughts and are not afraid of death. I want to see how you deal with these puppets!”

Shi Yan laughed crazily!

“Since you want to see it, I’ll let you see it...”

After Chen Ping finished speaking, light flashed on his palms!

Chen Ping didn’t feel any pressure to deal with these puppets in the realm of martial saints!

These guys have no thoughts, there is no difference between following robots!

I saw Chen Ping clenching his fists, rushing forward suddenly, and then like a stream of light, he rushed into the puppets!

Bang bang bang.....

I heard loud noises and all the puppets flew out!

Then he fell heavily to the ground.

Seeing this scene, Suo Wu frowned. He didn’t expect Chen Ping to be so strong!

You can knock out several Martial Saint level puppets in the blink of an eye!

“Boy, I didn’t expect you to hide your strength...”

Sue Wu said coldly.

From the perspective of Suo Wu, Chen Ping’s strength is definitely not at the level of a fifth-grade Martial Saint!

“There are so many things you didn’t expect...” Chen Ping raised the corners of his mouth slightly and his eyes were full of disdain!

“No matter how strong you are, what’s the use...”

After Suo Wu finished speaking, he waved to the puppets, and they stood up again!

These puppets have a bloody hole in their chests, which look very scary!

But as Suo Wu murmured words, the blood holes in the puppets began to glow, and then they were all repaired.

Soon, several puppets rushed towards Chen Ping again, and Chen Ping rushed forward without showing any signs of weakness!

After a fight, these puppets were again scarred, and some of the puppets had their arms and legs cut off by Chen Ping!

There was also a puppet whose head was blown open by Chen Ping!

Chapter: 3454

Chen Ping didn't believe it. He even had his head blown off. How could he be so enlightened that he could resurrect this puppet!

But under Chen Ping's gaze, the spells in Suo Wu's mouth became louder and louder, and the puppets whose limbs had been broken, or even had their heads blown off, all slowly recovered at this time!

Each puppet is exuding a faint light, and all injuries are being repaired quickly. Even the puppet whose head was blown has now recovered as before!

At this moment, Chen Ping was dumbfounded. You must know that the puppet corpse is not afraid of life and death and has no thoughts. If you really want to blow the puppet corpse's head off, it is impossible for the puppet corpse to come back to life.

"Hahaha, my puppet is immortal. No matter how powerful you are, it will eventually exhaust your energy and drag you to death..."

Awakening laughed!

Then several puppets continued to attack Chen Ping, and when Chen Ping saw this, he frowned slightly, and with a thought, the Dragon-Slaying Sword instantly appeared in Chen Ping's hand!

The sword spirit of the Dragon-Slaying Sword has been awakened. At this time, the power of the Dragon-Slaying Sword alone is enough to resist a Martial Saint!

When Chen Ping injected the power of the divine dragon into the Dragon-Slaying Sword, the sounds of dragon roars rang out.

A golden dragon hovers above the Dragon-Slaying Sword!

"A good sword, a really good sword..."

Suo Wu looked at the Dragon-Slaying Sword in Chen Ping's hand, and a greedy light suddenly appeared in his eyes!

Seeing this dragon-slaying sword made him more excited than seeing a woman!

Chen Ping held the Dragon-Slaying Sword and kept slashing out with sharp sword energy. Several puppets were so stupid that they didn't know how to dodge. Their bodies were instantly cut with scars by the Dragon-Slaying Sword, and some puppets were even cut off at the waist!

It's a pity that it's all useless. These puppets will heal themselves in an instant, and their combat effectiveness will not be affected at all!

"Hurry up, kill him quickly, and take that sword from me..."

Awakening loudly urged those puppets to take action!

I saw a puppet waving its fist as big as a sandbag and hitting Chen Ping hard.

Chen Ping stretched out his hand and directly grabbed the puppet's fist, followed by a powerful spiritual power that penetrated into the puppet's body!

The puppet exploded from within its body, and its entire body was blown into pieces!

But even though it was blown into pieces, the puppet finally slowly merged and became its original appearance!

At this moment, Chen Ping's mind flashed, and then the wordless book in the sea of consciousness revealed all the information about the puppet!

Chen Ping looked at the information in his mind in shock, with an extremely excited expression on his face!

The Wordless Heavenly Book has no way of identifying humans, but this puppet is not a person, nor is it a corpse. It is also made of various materials, so it is considered an object, so the Wordless Heavenly Book can display the puppet's information.

Chapter: 3455

Seeing Chen Ping suddenly become so excited, everyone was stunned. They couldn't understand what was wrong with Chen Ping. Was he stupid?

"Hahaha, what kind of immortal puppet has a weakness..."

Chen Ping laughed crazily!

Then a light blue flame appeared in the palm of his hand. Chen Ping waved his hand and the flame filled the air instantly.

These light blue flames surrounded those puppets, and then began to burn violently!

When Xue Wu saw this scene, his expression immediately changed.

With the fierce burning of the flames, several puppets turned into ashes, and there was no way to recover!

"You...how do you know the weakness of my puppet?"

Sue Wu looked at Chen Ping in disbelief!

You must know that these puppets were cultivated by him with great effort, and now they are all reduced to ashes.

"What's so difficult about this? Now I even know how you refine these puppets."

“So knowing the puppet’s weakness, there’s nothing to be surprised about!”

Chen Ping smiled coldly.

“You’re farting. This puppet refining technique is passed down from generation to generation in my school. How could you possibly know that?”

“It’s just that you accidentally discovered it!”

“But if you destroy my puppet, I won’t let you go. Just wait for me...”

After Suo Wu finished speaking, he jumped up and rushed to one side, intending to escape!

“Hmph, the person who hurt my Longmen, how could I let you go so easily...”

Chen Ping snorted coldly, jumped up, and suddenly grabbed forward with his right hand!

A huge suction force directly controlled the consciousness firmly and was caught in Chen Ping’s hand!

“I think you misunderstood. I didn’t kill your Longmen people. I think the one who killed you Longmen people was that guy Jue Yuan. If you want to take revenge, go to him. I’m here to help.”

Suo Wu was caught in Chen Ping’s hand and began to beg for mercy.

“Jueyuan?” Chen Ping was stunned.

“Yes, Jue Yuan is the abbot of this Kuchan Temple. I’m just here to help. I have no enmity with you, so you should let me go!”

Chapter: 3456

Awakening continued.

“Is what he said true?” Chen Ping looked at Shi Qingpei and his son!

Feeling the sharp light in Chen Ping’s eyes, Shi Qingpei could only nod his head and said: “It’s true!”

“Did you hear that? We really have no grudges. I have never killed any of you Longmen people. Please let me go quickly!”

“Otherwise, if you kill me, my master will not let you go. We are the same lineage. If you kill me, it will interrupt the development of our Puppet Temple!”

Sue Wu actually threatened Chen Ping!

“As a monk, you kill girls at will, and you still practice joyful meditation. If a person like you doesn’t die, who will die...”

After Chen Ping finished speaking, he slapped Sue Wu on the head!

Sue’s eyes widened and he shouted instinctively.

But he woke up and discovered that Chen Ping’s palm was not slapped down, but directly covered the top of his head, followed by a huge suction force!

The strength in the awakening body is rapidly draining away.

I woke up panicked and tried to struggle, but to no avail!

He could only watch as his body became weaker and weaker, and in the end he was killed by someone else!

I don't know how many girls he has absorbed in this way. Now he himself has been drained of strength by Chen Ping and turned into a mummy. This can be regarded as retribution!

Shi Qingpei and Shi Yan's father and son watched Sue Wu being sucked into a mummy by Chen Ping. They were so frightened that their faces turned pale and they kept retreating!

"Now it's your two's turn..."

Chen Ping looked at Shi Qingpei and his son with indifferent eyes, as if he were looking at dead people!

"Uncle, save us, save us..."

Shi Yan shouted, but Jue Yuan was in retreat at this time, so how could he hear it!

Chen Ping felt extremely happy when he saw Shi Qingpei and his son being so frightened. A huge pressure came over, causing Shi Qingpei and Shi Yan to kneel to the ground!

"Today, I will let you two suffer to death..."

After Chen Ping finished speaking, the bloodthirsty aura on his body continued to spread, covering the entire Kuchan Temple!

But just when Chen Ping was about to take action, suddenly a thunderbolt from the sky suddenly hit a main hall of Kuchan Temple!

Immediately afterwards, from within the main hall, a breath shot straight into the sky, and soon, a statue of Buddha faintly appeared in mid-air!

Chapter: 3457

Chen Ping raised his head and looked up into the air, his face instantly becoming solemn!

“Uncle made a breakthrough, uncle made a breakthrough...”

Looking at the scene in front of him, Shi Yan shouted excitedly!

Shi Qingpei was also full of excitement. His senior brother had made a breakthrough, so they wouldn't have to die!

Soon, Jue Yuan's body slowly rose from the ruins of the main hall, and finally rose into the air, merging with the Buddha statue!

“God is obviously spiritual...”

When many believers saw this, they all knelt down and worshiped, and the power of faith in their bodies continued to gather.

“Bold and crazy, you dare to run wild in our Kuchan Temple. This is a place of pure cultivation, but you have committed murder in vain.”

“My Buddha is compassionate. If you kowtow and admit your mistake and take refuge in my Buddha, I can spare your life...”

Jueyuan was in mid-air, looking down at Chen Ping, his voice as loud as a bell!

“Hmph, you are pretending to be a ghost. Let me ask you, did you kill my disciple of Longmen?”

“My brother and friend, were you injured?”

Chen Ping looked at Jue Yuan coldly and asked.

“Yes, you are just a poor monk. If you persist in your stubbornness, then I will send you to hell...”

After Jue Yuan finished speaking, his figure slowly fell down, and a golden light from behind directly surrounded Jue Yuan!

At this time, Jue Yuan was like a god!

“I think it’s you, the old monk, who is going to hell.”

Chen Ping’s eyes condensed, his breath circulated, and the indestructible golden body began to activate. His whole body was wrapped in golden scales, like a golden-armored god of war!

For a moment, the golden light on Chen Ping’s body collided with the golden light behind Jue Yuan!

Emit light that is more dazzling than the sun!

“I was going to save you, but it’s a pity that you don’t have the root of wisdom, so you can only go to reincarnation, and you are looking for the root of wisdom!”

As Jue Yuan spoke, he gently lifted his palm and shouted the Buddha’s name!

Suddenly, the entire Kuchan Temple was filled with golden light. Golden rays of light fell from the sky, and then formed a huge palm!

A vast power emitted from his palm, and this power instantly pressed on Chen Ping!

Chapter: 3458

Chen Ping felt as if a mountain was pressing down on him. His body suddenly sank, and his feet instantly sank into the ground.

“Boy, you are only a fifth-grade Martial Saint, so why bother to fight to the death?”

“You have to know that gods are irreversible. My breakthrough to the Martial God is an act of God’s will. If you disobey me, you are disobeying God’s will...”

Jue Yuan’s palm slowly moved down, while Chen Ping’s body kept sinking into the ground.

“God’s will?” Chen Ping snorted coldly: “You are just a new Martial God, but you dare to be called a god. I can kill the old Martial God with just a few clicks...”

“Bah, you brat is just bragging and killing the veteran Martial God. Do you know what a Martial God is?”

“You are so stubborn right now, I want to see how you are crushed to death...”

Shi Yan spat at Chen Ping proudly, then looked at Jue Yuan and said, “Uncle, stop talking nonsense to this kid and kill him directly.”

“Since you are stubborn, then go to hell...”

The golden light on Jue Yuan’s body became even stronger, and the terrifying pressure directly pressed Chen Ping’s body into the ground!

boom.....

There was a loud noise and the whole mountain was shaking!

The huge palm suddenly struck Chen Ping, pushing Chen Ping deeply into the ground to a depth of more than ten meters!

“This...is this the power of the God of War?”

“It’s too scary, it’s too scary...”

Shi Qingpei was stunned when he saw the scene in front of him!

You know, just now Chen Ping beat that awakening to the point where he begged for mercy, but now, he was slapped to death by Jue Yuan!

This is the gap between the Martial God and the Martial Saint. Even if you are at the peak of the Martial Saint, before you step into the Martial God, there is still a huge gap in strength!

The fifth-level Martial Saint realm is like an ant in front of the Martial God!

“Uncle is awesome. With his strength, he can sweep through the martial arts world...”

Shi Yan looked at Jue Yuan with eyes full of admiration!

“Hahaha, sweeping the martial arts world is too exaggerated, but if you want to destroy this little martial arts saint, it is just a matter of one palm!”

Jue Yuan laughed!

“Uncle, don’t be too humble. From now on, the entire martial arts world will respect you...”

Chapter: 3459

Shi Yan kept flattering him!

“A newly promoted little martial artist dares to sweep through the martial arts world. How shameless is he?”

Just as Shi Yan finished speaking, Chen Ping's voice was heard coming from the deep pit!

Everyone was stunned for a moment, and then they saw Chen Ping's body flashing with golden light, and his body slowly walked out of the pit!

At this time, Shi Yan was dumbfounded and looked at Chen Ping in disbelief. He couldn't believe that under such strength, Chen Ping actually walked out intact!

Even Jue Yuan frowned, feeling a little incredible!

"You're not dead?" Jue Yuan frowned and looked at Chen Ping with slightly focused eyes and asked!

"I've said it before, I can kill an experienced Martial God at will, how could I die at the hands of a new Martial God like you?"

"And you, as a monk, are deviant. It's you who deserve to die..."

Chen Ping used the Dragon-Slaying Sword, exuding awe-inspiring righteousness!

"Then give it a try!" Jue Yuan snorted coldly!

Then the huge golden palm appeared out of thin air and pressed directly towards Chen Ping!

Chen Ping held the dragon-slaying sword in his hand and his body suddenly swayed!

Countless sword energies emitted from the Dragon-Slaying Sword and instantly slashed at that huge hand!

I saw that huge palm instantly turned into nothingness under Chen Ping's sword energy!

Seeing the situation, he suddenly took out a string of Buddhist beads. The beads were filled with light!

Jue Yuan twisted the beads, and bursts of Sanskrit sounds came from his mouth!

Slowly, a huge Buddha appeared from behind Jue Yuan, and the entire Kuchan Temple was enveloped in Buddha's light!

When Chen Ping saw this, bursts of dragon power emitted, and a golden dragon flashed behind him and began to circle!

Everyone was stunned when they saw the scene in front of them!

Whether it is the golden dragon or the Buddha, they are both objects of admiration in the hearts of everyone, but now the golden dragon and the Buddha are fighting together in an instant!

Under the sky full of Buddha's light, the golden dragon and Buddha fought fiercely!

After realizing the vision, I could only recite Sanskrit sounds quickly, and my whole body was bathed in the Buddha's light!

The battle between the golden dragon and the Buddha emitted bursts of thunder, and the entire void trembled for a while, as if it was about to tear apart time and space!

Chapter: 3460

Both Chen Ping and Jue Yuan were desperately consuming the power in their bodies to maintain the battle between the Golden Dragon and the Buddha!

Time passes by minute by minute!

Cold sweat broke out on Jue Yuan's forehead. He didn't expect Chen Ping, a fifth-grade martial saint, to have such strength and be able to persist for such a long time!

Soon, the Buddha's light on the Buddha became weaker and weaker, and Jue Yuan gritted his teeth and persisted!

But looking at Chen Ping's calm and composed look, Jue Yuan knew that if this continued, he might not be able to hold on anymore!

I saw Jue Yuan hanging the Buddhist beads on his chest and raising his hands high above his head!

"My Buddha is compassionate and saves all living beings. Use your devout faith to get the protection of the Buddha..."

Accompanied by Jue Yuan's shouts!

Many believers knelt on the ground one after another, and above each person's head, the power of faith continued to emit, all converging on Jue Yuan!

Even all the Buddha statues in Kuchan Temple radiated the power of faith and poured into Jue Yuan's body!

At this moment, Jue Yuan's whole body seemed to be swimming in the ocean of faith!

The Buddha, who originally had a dim light, began to shine brightly, and his figure even expanded a lot!

This time, Chen Ping's golden dragon was instantly suppressed!

"Hahaha, I have thousands of believers, and I have inexhaustible power of faith."

"If you continue to fight with me, the final result will be death from exhaustion..."

Jue Yuan laughed crazily, and the endless power of faith made Jue Yuan become rampant!

At this time, Chen Ping looked at the arrogant Jue Yuan with a smile on his lips!

“You have the power of faith, and so do I. Let me show you the power of my faith...”

Chen Ping said calmly.

“You are talking nonsense. You have no believers, so how can you get the power of faith? It is simply nonsense...”

Jue Yuan simply does not believe that Chen Ping has the power of faith!

“I have more than a million followers, how can you, a little host, compare to me!”

After Chen Ping finished speaking, he saw his hands pinching the magic formula, and suddenly a ray of light shot straight into the sky!

At this moment, in the island country thousands of miles away, all the statues of Chen Ping began to shine faintly!
