

The Order 3461

Chapter: 3461

Tens of thousands of statues exuded the power of devout faith at this moment, and then gathered together and quickly headed in the direction of Chen Ping!

You know, this is the power of faith of the entire island country. This power of faith is countless times stronger than Jue Yuan's!

The overwhelming power of faith covered the entire sky and was speeding towards Chen Ping!

"How can you die if you don't brag? Who do you think you are? How can you deserve the power of faith?"

Shi Yan said to Chen Ping with a look of disdain!

But Chen Ping ignored him and waited quietly!

In mid-air, the golden dragon followed the Buddha in a fierce battle. At this time, the golden dragon began to feel a little weak, but Chen Ping did not panic at all!

The overwhelming power of faith has passed through the vast sea, through the mountains and jungles...

In a primitive mountain peak somewhere, an old man was sitting on a huge rock, teaching the disciples in front of him the method of mind!

When the overwhelming power of faith passed through the sky, the old man couldn't help but raise his head!

"How can there be such a huge power of faith?"

“It’s weird, it’s weird...”

The old man frowned slightly, and then said to a man and a woman: “Xing’er, Rui’er, you two follow this power of faith to see who is able to possess such a huge power of faith...”

A man and a woman stood up, nodded and said: “As ordered...”

Soon, the two of them stepped on the sword, flew with the sword, and headed towards the direction of the power of faith!

At the same time, there were several figures in the desolate places in Daxia, and they were also rushing towards the power of faith!

Chen Ping didn’t know that his casual summoning of the power of faith had alerted the attention of some hidden sects and gangs in the martial arts world!

Roar.....

In mid-air, the golden dragon roared and roared, and was then slapped down by the Buddha!

Immediately afterwards, the golden dragon’s body turned into a little golden light and dissipated instantly!

In the end, the golden dragon transformed by Chen Ping was defeated!

Shi Yan burst out laughing when he saw this scene.

“Hahaha, you lost, where is the power of your faith?”

“How come it’s been so long and I haven’t seen the power of your faith?”

Chapter: 3462

Shi Yan took two steps forward, looked at Chen Ping provocatively and asked.

“Don’t worry, we’ll be there soon...”

Chen Ping said calmly.

“Stop fucking pretending. The power of your faith is in the sky. How long has it taken so long?”

“It’s useless for you to delay time in this way. You will definitely die today!”

Shi Yan said with a sneer.

But as soon as Shi Yan finished speaking, he suddenly noticed that there was a change in the sky, and the aura of Putian Gai was coming towards this direction quickly!

This startled Shi Yan, who thought it was an expert coming. After all, this kind of aura was not something ordinary warriors could emit.

And as Na Jueyuan looked at the sky in the distance, his expression changed again and again, and finally he opened his mouth wide and his body trembled slightly!

“The power of faith, this is the power of faith...”

Jue Yuan looked at the overwhelming power of faith in disbelief.

“What? How is that possible?”

Shi Yan also looked at Chen Ping in shock!

But Chen Ping showed a sneer, and then he jumped up and was instantly suspended in the air!

The overwhelming power of faith directly enveloped Chen Ping, and a large amount of power of faith entered Chen Ping's body!

Chen Ping, who was originally almost exhausted of spiritual energy, now his Dantian was filled instantly, and a large amount of the power of faith was stored in Chen Ping's body, waiting for Chen Ping to refine it!

After absorbing all the power of faith, Chen Ping's body slowly fell to the ground, exuding the aura of being reborn!

Jue Yuan was confused, completely confused!

He has never seen such a huge power of faith!

He didn't know where Chen Ping got so much power of faith.

"You...who are you? So you have such a huge power of faith?"

Jue Yuan asked Chen Ping in disbelief.

"I said I am the god of a country, would you believe me?"

Chen Ping smiled lightly.

Chapter: 3463

"You're talking nonsense. You're just a martial arts saint, so how can you be worthy of the title of god!"

Jue Yuan simply didn't believe what Chen Ping said, how could a fifth-grade martial saint be the god of a country.

"Forget it if you don't believe it, now it's time for you to taste the power of my faith..."

After saying that, Chen Ping jumped up with the dragon-slaying sword in hand.

The bright sword light rose into the sky, and then it was swung towards the Buddha!

The mountain-like sword light struck the Buddha fiercely. The Buddha did not resist at all and instantly turned into nothingness!

At this moment, a few hundred meters away from Kuzen Temple, a man and a woman stood on flying swords and looked down at everything in front of them!

"Senior brother, who is this man? He is obviously no more than a fifth-grade Martial Saint, but the strength he exudes is probably more than that of a Martial God. The sword just struck was hard for you and me to resist, right?"

The girl asked in disbelief.

"Hmph, those were just feints. I could easily block the sword strike just now. With the cultivation level of a fifth-grade Martial Saint, even if he has the ability, it is impossible for him to send out a power that exceeds that of a Martial God!"

"But the terrifying power of faith just now was absorbed by this man, so that sword just now made you mistakenly think that you have strength that surpasses the God of War."

The man snorted coldly, with an arrogant look on his face, clearly looking down on Chen Ping's sword!

“Liu Xing, this guy can absorb so much power of faith, and can also slash out a sword with the strength of a martial god. That means there must be something extraordinary about him. I don’t know when your arrogant temperament will change.” What about a change?”

At this time, several figures appeared in front of the man and woman, the leader of which was a handsome young man dressed in white!

“Tong Yougong, why are you, the Fenglei Sect, here too?”

Liu Xing looked coldly at the young man in white and asked.

“This is not your Chunyang Sect’s territory, why can’t I come?”

“You are here for the power of faith, and of course I am too...”

Tong Yougong said with a playful smile.

“Brother, stop talking...” The girl grabbed Liu Xing and planned to stay away from this Tong Yougong!

“I haven’t seen you for many days. Miss Liu Rui is becoming more and more beautiful.”

“It’s a pity that after entering the Chunyang Sect, you can’t get married and enjoy the joy of being a woman!”

Looking at the girl, Tong Yougong had a lustful smile on his face.

“Tong Yougong, you are looking for death...”

Chapter: 3464

Liu Xing frowned and was about to take action!

But Liu Rui pulled him back and finally stayed away from Tong Yougong!

At this time, Chen Ping, holding the dragon-slaying sword, looked at Jue Yuan coldly: "I said, I have killed even veteran martial arts gods. You are just a new martial arts god, how can you be my opponent!"

There was no trace of arrogance on Chen Ping's face, his expression was very calm, as if he was stating a fact!

But Jue Yuan didn't believe it at all. He didn't believe that Chen Ping, a fifth-grade martial saint, could kill the Martial God. This was beyond his cognitive scope. It was impossible!

Unless Chen Ping deliberately concealed his strength, it is almost impossible to deliberately hide the strength of the Martial God to the Martial Saint!

"Boy, don't be so arrogant..."

After Jue Yuan finished speaking, he suddenly grabbed the void with both hands!

In an instant, countless power of faith appeared between heaven and earth, and many of them, purple power of faith, condensed towards the void in front of Jue Yuan!

At this moment, the believers who were kneeling not far away began to fall down one after another. The aura and power of faith on their bodies were all absorbed by Jue Yuan!

Even so, believers continue to die, but the remaining people are still kneeling on the spot, reciting scriptures devoutly in their hearts!

When Chen Ping saw this, he frowned tightly and suddenly roared: "Why don't you leave quickly, why are you still kneeling down devoutly?"

"This is a devil, not a god in your hearts. Haven't you seen that everyone around you is dead..."

Chen Ping yelled, hoping that these ordinary believers would leave here quickly, otherwise they would all die here!

“Hahaha, they won’t listen to you. These people are my most devout believers. Even if I ask them to die, they will not hesitate!”

Jue Yuan laughed, and the power of faith in front of him quickly condensed into a long purple sword, which was condensed with the most pious power of faith!

“As long as believers like me are here, my power will be inexhaustible. Today I will let you taste my power!”

Jue Yuan held the purple sword and headed straight for Chen Ping!

Chen Ping also used his breath to the extreme. The indestructible golden body was emitting a dazzling golden light at this moment, and then he jumped up with the dragon-slaying sword in hand!

Shi Qingpei and his son hid far away, watching all this in surprise. Whether it was Chen Ping or Jue Yuan, the aura exuded by the two people could easily kill them!

Jueyuan was in mid-air. The purple sword in his hand shook, and then a terrifying aura dispersed instantly!

This aura shrouded the Kuchan Temple, and then the entire Kuchan Temple was shaking, and the Buddha statues in the Kuchan Temple also started to move!

There were a total of twelve Buddha statues. At this moment, they all seemed to come alive, soaring into the sky and heading straight towards Chen Ping!

“Haha, boy, you were fooled. You really thought I would confront you head-on...”

Chapter: 3465

Jue Yuan laughed and his body instantly fell back to the ground!

And the twelve Buddha statues directly surrounded Chen Ping, and the power of the twelve Buddhas swung towards Chen Ping together!

Chen Ping snorted coldly, with disdain on his face. Even if there were more Buddhas, it would be of no use!

But just when Chen Ping was about to swing his sword to meet the attack, he suddenly felt a cramp in his abdomen, and then his spiritual power collapsed instantly and he could no longer condense!

boom.....

Chen Ping had no time to dodge and was directly hit by the power of the twelve Buddhas!

The indestructible golden body collapsed instantly, and the golden scales slowly disappeared!

And Chen Ping's body fell to the ground, making a deep pit in the ground!

Chen Ping lay motionless in the pit, and the discomfort in his body still existed!

With anger sinking in his dantian, Chen Ping took his spiritual power away for a week before discovering that it turned out that it was Chen Ping who had just absorbed the power of enlightenment and absorbed so much power of faith, gathered it in his body, and had no time to refine it, which resulted in the body he created. Discomfort!

At this moment, Chen Ping remained motionless and began to frantically perform the Far Turn Heart Condensation Technique, slowly refining it.

“Haha...hahahaha...”

I saw Chen Ping motionless, looking up to the sky and smiling, extremely proud!

Liu Xing couldn't help but sigh and said: "This boy, with his level as a martial saint, actually forced Jue Yuan, an old bald donkey, to use the Twelve Buddhas of Kuchan Temple. He is quite capable!"

"You must know that once the Twelve Buddhas move, the Kuchan Temple in Jueyuan will no longer exist, and it will have to be moved to another place."

At this moment, Liu Xing had some recognition of Chen Ping's strength!

After all, Chen Ping was only a fifth-grade martial saint, and Jue Yuan was indeed a martial god. In the end, he used the unique skill of the Kuchan Temple, the Twelve Buddhas, to beat Chen Ping to death!

"Senior brother, Master asked us to investigate the power of faith. Now that the person is dead, how can we investigate?"

Liu Rui asked.

"Then take the body back and let Master study it..."

Liu Xing said.

Liu Rui nodded and said: "Okay!"

Then the two people drifted down toward the Kuzen Temple!

"Master, what should we do?" At this time, the people from the Tianlei Sect asked Tong Yougong.

Chapter: 3466

"Of course I'm going down. Even if I die, I have to take away the kid's body. To be able to attract such a huge power of faith, there must be something different about this kid's body that is different from ordinary people!"

After Tong Yougong finished speaking, he floated down with his men!

At this moment, Jue Yuan was standing by the pit, looking at Chen Ping who was motionless, his eyes full of heat!

Chen Ping has too many treasures on his body. Although he is dead, those treasures will not disappear.

The most precious thing is the Dragon-Slaying Sword in Chen Ping's hand. It is a top-grade spiritual sword!

"Uncle, is this guy dead?"

At this time, Shi Yan came over, looked at Chen Ping in the pit, and asked Jue Yuan.

"Of course he's dead. No one can survive under the attack of the Twelve Buddhas!"

"I have only used the Twelve Buddhas twice. I didn't expect that today I would be forced to use the Twelve Buddhas by this boy who is in the fifth-grade Martial Saint realm."

"After today, Kuzen Temple will no longer exist, and I have to find another place!"

Jue Yuan sighed and said.

"Elder brother, hurry up and get this kid's body up. He has the secret order of our Bailian Pavilion on him. Many of the magical weapons in our Bailian Pavilion have been snatched away by him!"

"He is wearing a storage ring on his hand. There must be a lot of good things in it..."

Shi Qingpei urged Jue Yuan!

After hearing this, Jue Yuan was about to jump down the pit and pick up Chen Ping's body, but was blocked by a terrifying aura!

"Master Jueyuan, you're welcome and well..."

At this time, Liu Xing and Liu Rui had already landed in front of Jue Yuan and the others, and then said lightly.

Seeing the situation, Jue frowned slightly and said, "Mr. Liu from Chunyang Sect, Miss Liu, I wonder why you suddenly have time to come to my Kuchan Temple?"

"We are here for him..."

Liu Xing pointed at Chen Ping in the pit and said.

At this moment, Jue Yuan felt bad and asked cautiously: "What? Does this Chen Ping have any connection with your Chunyang Sect?"

You must know that Chunyang Sect is a hidden sect, and the strength of the sect is not comparable to that of Kuchan Temple.

Even the man and woman in front of him, the two young men, Jue Yuan couldn't afford to offend. They were both Martial Gods, and he had only just been promoted to Martial God!

But Jue Yuan didn't understand why this hidden sect suddenly followed Chen Ping. What does it have to do with it?

Chapter: 3467

If it was really related, wouldn't it be a dead end if he killed Chen Ping now?

"There is no connection. We don't know him. It's just that this kid attracted a lot of power of faith and was discovered by the Master, so he sent us here to investigate!"

“Now we are going to take this kid’s body back for the Master to study!”

Liu Xing said lightly.

When Jue Yuan heard that there was no connection, he felt relieved, and then said politely: “Master Liu, please do it, but this guy stole some magic weapons from my junior brother, so...”

“It’s just some junk, you can just take it. I only want this kid’s body!”

Liu Xing waved his hand casually. In the eyes of their Chunyang Sect, any magical weapon was just scrap metal!

“Thank you Mr. Liu, thank you Mr. Liu...”

Jue Yuan thanked him repeatedly!

But at this time, Shi Yan was a little unhappy. The man and woman in front of him were about the same age as him, but they looked arrogant and dared to say that his family’s magical weapons were scrap metal!

You must know that many secret realm families refine their magic weapons from their Bailian Pavilion.

Moreover, Shi Yan looked at Liu Rui, who was slim and graceful, with an alluring fairy aura about her, as if she were a fairy descending to earth, so he wanted to get to know her!

“Who are you? Dare you say that the magic weapons in our Bailian Pavilion are made of scrap metal?”

“Besides, my uncle killed Chen Ping, so you can’t take the body away. I’m going to have this guy whipped to vent my anger!”

“If you insist on taking away Chen Ping’s body, then let this girl accompany me...”

Shi Yan looked at Liu Rui with lustful eyes!

Shi Yan’s words directly shocked Jue Yuan, who had descended into the deep pit.

Liu Xing frowned, anger rising in his body. Liu Rui was extremely disgusted when she saw Shi Yan like that!

“You shameless person...”

Liu Rui cursed angrily and waved his palm suddenly!

A huge force headed towards Shi Yan!

As soon as Liu Rui made a move, Shi Yan regretted it, because he found that the young man in front of him who was similar to him had a strength beyond Jue Yuan’s when he made a move!

That terrifying aura immediately made Shi Yan unable to breathe. His whole body couldn’t move even if he wanted to, as if it was about to be torn apart!

The severe pain made Shi Yan look ferocious and he couldn’t even scream even if he wanted to!

Chapter: 3468

Realizing the situation, he quickly pushed out a palm to offset Liu Rui’s aura. Only then did Shi Yan breathe a sigh of relief!

“Mr. Liu, Miss Liu, this nephew of mine speaks so freely that he deserves to die, but for my sake, please spare his life!”

“Then we don’t want the things on Chen Ping’s body, and I’ll let you take the body as well!”

Jue Yuan desperately followed Liu Xing and Liu Rui to apologize.

At this moment, Shi Yan wanted to be the child who had done something wrong. He lowered his head and did not dare to speak. The pain of being on the verge of death just now made him still scared when he thought about it!

“Hmph, you insulted my junior sister, can you just apologize? Then what has happened to our Chunyang Sect?”

Liu Xing snorted coldly and said with murderous intent.

Realizing the situation, he turned around and slapped Shi Yan, and then started punching and kicking him!

Shi Yan was beaten so much that he cried for his father and mother. Shi Qingpei felt distressed when he saw it, but he didn’t dare to stop him!

He knew that Jue Yuan did this to save his son. How could his son be so evil and have no eyesight at all!

He dared to provoke someone who was even polite to Jue Yuan!

Soon, Shi Yan was beaten beyond recognition by Jue Yuan, leaving him with only one breath left!

“Master Liu, I hope you can spare his life. I have already taught him a lesson...”

Jue Yuan prayed!

“Senior brother, forget it, let’s go back quickly to avoid being rushed by Master!”

Liu Rui said to Liu Xing.

Liu Xing nodded, then jumped up and jumped into the deep pit, intending to carry Chen Ping's body up!

But when Liu Xing just jumped up and was about to jump into the pit, he was stopped by Tong Yougong!

"Tong Yougong, what are you going to do?"

Liu Xing frowned!

"Liu Xing, I also want to take this kid's body back to our Tianlei Sect for further study..."

Tong Yougong smiled lightly.

When Jue Yuan saw Tong Yougong, he couldn't help but swallowed his saliva and said, "It turns out he is Young Master Tong from the Tianlei Sect. I wonder if your father is okay?"

Jue Yuan didn't understand that for Chen Ping's body, another hidden sect came here!

Chapter: 3469

This Tianlei Sect is stronger than the Chunyang Sect among the hidden sects!

But who would have thought that Tong Yougong didn't even look at Jue Yuan, which embarrassed Jue Yuan to death!

Shi Qingpei looked at this scene and didn't dare to say anything!

Their Bailian Pavilion doesn't have much dealings with the secular world, so he doesn't know about these hidden sects!

But looking at Jue Yuan's attitude, it's obvious that the other party is someone who can't be offended!

"Tong Yougong, everything comes first and we are the ones who arrive first. We should take this body away!"

Liu Rui said to Tong Yougong.

"Haha, you didn't kill the person, so what's the use of you coming first."

"Today, I must take this body away, and no one can stop it!"

Tong Yougong laughed and refused to give in!

At this moment, Chen Ping, who was lying in the pit, listened to the people above fighting for his body, and felt mixed emotions in his heart. However, he hoped that these people could fight for a while longer, and it was best to fight to give himself more time!

"Tong Yougong, we didn't kill him, but you didn't kill him either. Why did you take him away!"

"Master Jue Yuan killed this person, so let Master Jue Yuan decide who should take away this body!"

Liu Xing directly threw the question to Jue Yuan!

"Okay..." Tong Yougong looked at Jue Yuan!

This time, Jue Yuan was frightened. He couldn't afford to offend either side, so how could he dare to speak?

"This... I have no objection to whoever takes these bodies..."

Jue Yuan waved his hands repeatedly and said!

Although he killed the person, he still has no right to make the decision now!

He doesn't want to offend anyone, because he can't afford to offend anyone!

After finally breaking through to the realm of the God of War, Jue Yuan still wants to live a few more years!

"Liu Xing, now you and I both want to get this body, so let's have a fight. Whoever loses will get out of here. Isn't this fair?"

Tong Yougong said with a sneer.

"Elder brother, don't compare with him, you are no match for him..."

Chapter: 3470

Liu Rui gently pulled Liu Xing and said.

Liu Xing has a cold face and a proud temper, so he will not bow down easily!

"What, are you scared? If you are, then get out quickly before I do anything..."

Tong Yougong looked at Liu Xing with disdain, his eyes full of provocation!

"Who is afraid of you? Let's compete. If I lose, I will leave immediately and leave the body to you..."

Liu Xing was aroused. No matter how Liu Rui tried to persuade him, Liu Xing couldn't listen to him!

“Okay, then let’s compete. No one has tried recently, and my hands are still a little itchy...”

Tong Yougong said, a powerful aura suddenly burst out from his body!

When the others saw this, they hurriedly avoided it!

“Junior sister, please stay away first...”

Liu Xing asked Liu Rui to avoid it, and then the aura on his body was also exuded!

Soon, the auras of the two people, centered on each other, spread in all directions like ocean waves!

The wind howled and rocks flew everywhere!

At this moment, the entire Kuzen Temple disappeared, not even a single piece of wood was left, only the twelve lonely Buddha statues stood motionless!

Even though they were hiding far away, Shi Qingpei and Jue Yuan could still feel the terrifying pressure!

And those believers who were kneeling on the ground and never got up, all their bodies exploded at this moment, not even their bodies were left behind!

Chen Ping asked them to leave, but they were indifferent!

At this moment, not even the dregs are left!

Chen Ping, who was in the deep pit, also felt the terrifying pressure. Rays of golden light protected him in front of Chen Ping. Chen Ping remained motionless, seizing the time to absorb the power of faith in his body!

Soon, the breaths of Tong Yougong and Liu Xing collided!

For a moment, the sky and the earth were dark, and the sun and the moon had no light, as if it was the end of the world!

The bodies of Tong Yougong and Liu Xing collided violently, and then lightning flashed continuously!

The two people fought, but no one could see their movements!

The universe shook and chaos emerged!
