

The Order 3481

Chapter: 3481

Liu Rui looked at Liu Xing in confusion and said.

“Hey, it’s not that easy. If it were that easy, Master wouldn’t have to be depressed every day.”

Liu Xing sighed!

Just as the two people were talking, the deafening sound of explosions had stopped, and the smoke slowly dispersed!

Tong Yougong looked at Chen Ping coldly!

At this time, Chen Ping seemed a little embarrassed. Although he used the Nine Shadows Sword Technique, he still received a few kicks.

“It’s really interesting that a guy in the martial saint realm can actually block my attack.”

“What sword technique did you just use that could instantly transform you into five identical versions of yourself?”

“Yes, it’s not an illusion, because those figures have offensive power. It seems that you have a lot of secrets.”

“It seems that I want to take you back to the Tianlei Sect.”

Tong Yougong looked at Chen Ping with curiosity in his eyes. He now wanted to completely understand Chen Ping!

Chen Ping looked at Tong Yougong with sharp eyes. He knew that if he wanted to win, he had to use some means!

Chen Ping waved lightly, and the Dragon-Slaying Sword disappeared, followed by several figures also disappearing!

Seeing that Chen Ping actually put away his sword, Tong Yougong smiled faintly: "What? Do you understand? Do you want to follow me?"

"It's impossible to follow you unless you carry me..."

After Chen Ping finished speaking, light flashed on his right hand.

"Hahaha, even if you use weapons, you are no match for me. Do you still want to defeat me with your bare hands?"

Tong Yougong laughed and didn't take it seriously at all!

"Holy Light Fist....."

Chen Ping shouted angrily, and then the light on his hand became as dazzling as the sun!

Then he punched Tong Yougong with an overwhelming force, causing the entire void to twist and deform!

Tong Yougong just slowly raised his hand, and a surging power condensed in his hand, directly grabbing Chen Ping's fist!

Bang.....

There was a muffled sound, and Chen Ping's punch was directly caught in the hand of Tong Yougong.

Chapter: 3482

“As long as you have this ability, don’t resist...”

Tong Yougong raised the corner of his mouth and looked at Chen Ping contemptuously!

But Chen Ping didn’t seem surprised. He had never thought that Tong Yougong could be knocked down with just one punch!

Just when Tong Yougong’s attention was on Chen Ping, suddenly a ray of light flashed on his side!

The dragon-slaying sword that had disappeared appeared, and struck Tong Yougong’s arm with one sword strike!

Tong Yougong frowned and retreated suddenly.

However, this sword still struck Tong Yougong’s arm, causing the blood on Tong Yougong’s arm to flow out instantly!

When Chen Ping saw this, he was very upset. He thought that this sword could cut off Tong Yougong’s arm, but now it seems that the strength of the sword spirit is still too weak!

Looking at his injured arm, Tong Yougong’s anger burned.

“Boy, I don’t have the patience to play with you anymore...”

After Tong Yougong finished speaking, bursts of green light emitted from the wound. The wound healed quickly under this green light!

Chen Ping looked at it in disbelief. He really couldn’t figure out what kind of ability this Tong Yougong had!

“I have long heard that the Tianlei Sect is violating the rules and secretly using genetic technology. Now it seems that this is really the case...”

Liu Xing looked at Tong Yougong’s self-healing wound and said with a gloomy expression!

“Senior Brother, I need to report this matter to Master. I heard Master say that if you violate the law, you will suffer disaster.”

“Perhaps, our entire martial arts world will suffer as well.”

Liu Rui said with a worried look.

Liu Xing nodded, staring closely at Tong Yougong.

At this time, Tong Yougong’s anger was already burning, and his hands were like eagle talons, shining with silver light!

The sharp aura is constantly rising!

“I will make you pay the price...”

As soon as Tong Yougong finished speaking, he disappeared from Chen Ping’s eyes in an instant!

Chen Ping frowned, and then swung the dragon-slaying sword back in his hand!

clang.....

Chapter: 3483

The dragon-slaying sword seemed to have struck something hard, and Chen Ping's hand was shaken to the point of numbness!

Before Chen Ping could see clearly, he felt a strong wind coming!

Immediately afterwards, Chen Ping's body flew out instantly. Chen Ping's indestructible golden body instantly shattered in front of his chest, and blood flowed out immediately!

Looking down at the wound on his chest, Chen Ping's expression became even more solemn!

You must know that his indestructible golden body is extremely hard. Even without the indestructible golden body protection, his physical body cannot be broken by anyone.

But now that Tong Yougong kept breaking his indestructible golden body, and even his physical body!

"It's such a hard body, but it only scratches a layer of skin..."

Tong Yougong was a little surprised, but as soon as he stepped on the ground, his body immediately moved towards Chen Ping!

Against a Martial Saint, Tong Yougong had already launched several attacks one after another, which made him lose his patience!

Tong Yougong's speed was so fast that he set off a huge air current, sweeping across like a hurricane!

Waves of terrifying energy roared towards Chen Ping!

"Nine Shadows Sword Technique..."

Seeing this, Chen Ping used the Nine Shadows Sword Technique again!

The power of the divine dragon circulated crazily in Chen Ping's body, and the dragon crystal on his chest also burst out with bright light!

Countless rays of sword light were instantly slashed out from the Dragon-Slaying Sword!

In mid-air, the sword light and energy kept colliding, and from time to time there would be missing energy, hitting Chen Ping hard!

Chen Ping gritted his teeth and held on for dear life!

At the same time, rays of sword light also passed through the energy and hit Tong Yougong!

What Tong Yougong thought was a crushing battle turned into a life-and-death battle!

Soon, the smoke dispersed, and Chen Ping and Tong Yougong stood looking at each other!

Chen Ping's body was already covered in scars, and blood was constantly spilling from the corners of his mouth. Tong Yougong's clothes had also become tattered, and some scars were emitting a faint green light. He was repairing the wounds quickly!

Obviously Tong Yougong's injury was not serious, but it was embarrassing enough for Tong Yougong. Dealing with a martial saint turned him into what he is now!

"Boy, I am becoming more and more curious about you. You are the first one who can force me into this state, and you are only a Martial Saint."

Tong Yougong said as he walked towards Chen Ping.

Chapter: 3484

Tong Yougong's body exuded a terrifying aura, which enveloped Chen Ping and made him lose the ability to move!

"Elder brother, this guy is going to be taken away by Tong Yougong, what should we do?"

Seeing this scene, Liu Rui asked Liu Xing.

"Let's take action. I'll hold Tong Yougong in a while. You can take that kid and leave quickly. We must not let this evil cultivator fall into the hands of the Tianlei Sect."

"If the Tianlei Sect is allowed to obtain evil cultivation techniques, I am afraid that even our hidden sects will not be able to live in peace in the future."

Liu Xing said to Liu Rui.

"Elder brother, you..."

Liu Rui wanted to say something else, but suddenly found that Chen Ping, who had been suppressed by Tong Yougong and could not move, was now burning with flames!

Under the red flames, Chen Ping slowly raised the Dragon-Slaying Sword!

The sword energy soaring to the sky suddenly exploded!

Tong Yougong was stunned, with an expression of surprise on his face. He never thought that Chen Ping, who was so seriously injured, could get rid of the suppression of his own aura and exude such terrifying sword energy!

"How is it possible? This kid actually has the power to fight back?"

Liu Xing also widened his eyes and looked at Chen Ping in disbelief.

You must know that he couldn't hold on for so long in Tong Yougong's hands. Even if he was so seriously injured, he might have lost the power to resist!

But now Chen Ping still has the ability to resist!

It is obvious that Liu Xing's strength is not as strong as Chen Pingqiang, but Chen Ping is clearly only at the level of a martial saint!

At this moment, Liu Xing was confused!

Originally, he looked down on Chen Ping at all, but now he had to admit that Chen Ping was indeed stronger than himself!

The strength shown by a Martial Saint is actually stronger than that of a Martial God himself!

Liu Xing's cognition was greatly impacted. He didn't understand what was going on!

"I didn't expect you to still have the ability to resist. This time I will make you give up completely..."

Tong Yougong's hands slowly waved in the void, and a faint light began to appear, then became brighter and brighter, and began to spin!

The terrifying aura is accelerating with the strong wind!

At this time, a rotating sun seemed to appear in front of Chen Ping's eyes, and the endless power seemed to swallow everything!

Chapter: 3485

"Elder brother, is Tong Yougong murderous? How could he use such a powerful move?"

Liu Rui asked confusedly when he saw this.

You must know that what Tong Yougong wants is to bring Chen Ping back to the Tianlei Sect alive, because only Chen Ping is alive and is the most valuable to them!

“Probably not, but his move is indeed very powerful. I wonder if this kid will die!”

Liu Xing said slowly.

And Chen Ping felt the vast power, holding the Dragon Slaying Sword tightly with both hands!

Waves of divine dragon power continue to pour into the sword body!

The sound of dragon roar sounded, and a golden dragon circled behind Chen Ping!

All the spiritual power in his Dantian was released by Chen Ping. After this blow, regardless of victory or defeat, Chen Ping had no ability to resist!

Following Chen Ping’s low roar, the sword light on the Dragon-Slaying Sword surged.

A golden sword light shot out from the Dragon Slaying Sword, forming a huge golden sword!

boom.....

The giant sword slashed down, and the ball of light in Tong Yougong’s hand was instantly thrown out!

With a loud noise, the two breaths collided fiercely!

A large amount of energy spread out, and the surrounding Tianlei Sect disciples all had painful expressions on their faces, resisting this aura to the death!

Even Liu Xing and Liu Rui in the distance were affected by the aftermath. Their bodies shook and they almost fell off the flying sword!

Chen Ping's body fell to the ground like a fallen leaf, and the wounds on his body were bleeding!

And Tong Yougong was not much better at the moment. He was like a beggar, kneeling on one knee, with green blood dripping from several wounds on his body!

This time, the recovery speed of Tong Yougong's wounds was obviously much slower!

"Master....."

After the aftermath, the disciples of the Tianlei Sect rushed to Tong Yougong!

Tong Yougong took a deep breath, stood up slowly, and looked at Chen Ping lying on the ground, with an incredible expression in his eyes!

"How could this happen? There must be a secret in this kid. I want to transfer all his abilities to myself."

"Go and catch him and bring him back to the Tianlei Sect."

Chapter: 3486

Tong Yougong said to several Tianlei Sect disciples.

At this moment, Chen Ping's body was extremely weak, but he still supported the ground with his sword, stood up slowly, glared at Tong Yougong and said: "As a member of the hidden sect, you actually didn't keep your promise. You said you wouldn't bully me too much." few."

"If we can, the two of us can continue..."

Chen Ping wanted to lift the Dragon-Slaying Sword, but now he didn't even have the strength to lift the Dragon-Slaying Sword!

"Hmph, you only have one breath left now. Even an ordinary person can kill you easily."

"When I take you back to the Tianlei Sect, I will study you carefully and find out why you, a martial saint, can make me so embarrassed."

After Tong Yougong finished speaking, he waved his hand, and several Tianlei Sect disciples stepped forward and arrested Chen Ping!

Chen Ping did not resist because he had no strength left to resist.

"stop....."

At this time, Liu Xing and Liu Rui flew with their swords, and then jumped down!

Seeing Liu Xing and Liu Rui, Tong Yougong's face became very ugly!

He forgot about these two people!

"Liu Xing, what do you want to do?"

Tong Yougong took a deep breath and asked pretending to be very calm.

"Tong Yougong, you can't take this person away. We have to take him back to Chunyang Sect."

Liu Xing said directly.

“I caught this person, why did I let you take him away?” Tong Yougong asked.

“There’s no reason, I just want to take him away.”

Liu Xing said coldly.

This time, Tong Yougong was very angry. He saw Tong Yougong’s face was ferocious, and he gritted his teeth and said: “Liu Xing, are you planning to rob me forcefully?”

“I can tell you, with your skills, you are still no match for me.”

After hearing this, Liu Xing raised the corner of his mouth and said: “Stop talking nonsense, now that you are injured, I can kill you with just one hand.”

“You’ve been bragging about being a genius from a hidden sect all day long, and now you’re beaten like this by a martial saint. How dare you say that?”

Liu Xing’s words deeply hurt Tong Yougong. Tong Yougong’s aura exploded and he glared at Liu Xing: “Liu Xing, if you dare to rob someone, believe it or not, my Tianlei Sect will directly kill your Chunyang Sect.” Destroyed.”

Chapter: 3487

“With the strength of your Chunyang Sect, it will only take a matter of minutes to destroy you.”

“Stop talking nonsense, you Tianlei Sect violated the rules, modified genes, and now you want to study evil cultivation methods. If this spreads out, other hidden sects will not sit idly by and ignore it, right?” Liu Xing said impatiently.

Tong Yougong frowned and looked at Liu Xing: “Are you really not afraid of the confrontation between our two major sects?”

“Don’t worry, it’s our responsibility to eliminate demons and protect the Tao. You Tianlei Sect doesn’t devote yourself to cultivation, but you always want to engage in some evil ways. If you take away this evil cultivator today, you will be the biggest loser in our Chunyang Sect. Shame!”

Liu Xing has a simple look on his face and an aura of righteousness all over his body!

“Bah, stop talking nonsense. You took advantage of my injury and jumped out now. What’s the difference between you and a despicable villain? Don’t talk about yourself as noble.” Tong Yougong spat fiercely.

Liu Xing suddenly struck out with his long sword, pointed at Tong Yougong and said: “Leave this person to me, get out of here right now, you can still save one life.”

“If you don’t make friends, then don’t blame me for being rude. With your current serious injury and the rubbish you have, you are no match for our senior brothers and sisters!”

Liu Xing was full of murderous intent and was about to take action!

Upon seeing this, Tong Yougong knew that if he really took action, he would definitely suffer a loss. He glared at Liu Xing fiercely and said, “Liu Xing, just wait for me. This matter is not over yet. Your Chunyang Sect is trying to quarrel with our Tianlei Sect.” On...”

After saying that, Tong Yougong waved his hand and said: “Let him go, let’s go...”

Soon, Tong Yougong led the people away, while Chen Ping suddenly spat out a mouthful of blood, his expression instantly became sluggish, and he fainted!

“Senior brother, is he dead?”

Liu Rui asked after seeing this.

Liu Xing took a look and said: “He’s not dead, he just fainted. It’s time for us to go back and do business.”

After saying that, Liu Xing picked up Chen Ping with one hand, then flew with his sword towards Chunyang Sect!

“Senior brother, he is seriously injured now. If you carry him like this, will he die on the way?”

Liu Rui asked angrily when she saw Liu Xing carrying a chicken.

“Junior sister, this guy is an evil cultivator. Why are you still sympathetic? Even if he dies, he deserves it.”

Liu Xing hated the evil cultivator so much that if he hadn't gone back to work, he would have killed Chen Ping right now!

“Senior brother, that's not what I meant. I just feel that if I die, it will be difficult to explain to Master when I go back!”

Liu Rui hurriedly explained!

.....

Chunyang Sect, as the sect leader, Yue Buqun is explaining the cultivation method to his disciples!

Chapter: 3488

Two figures then fell in front of Yue Buqun, it was Liu Xing and Liu Rui who had returned!

“Master, the power of faith just now was caused by this kid...”

Liu Xing casually threw the unconscious Chen Ping in front of Yue Buqun!

When Yue Buqun saw the seriously injured Chen Ping, he frowned slightly: “Did you injure him?”

“Master, it wasn’t the senior brother who was injured, it was the boy who was injured with meritorious deeds.”

Liu Rui quickly explained.

Because of the rules of Chunyang Sect, disciples are not allowed to compete outside, hurt others at will, and cause disputes.

As a hidden sect, all you have to do is practice in a low-key manner, break through as soon as possible, and step into the ranks of immortals!

“The one who beat Tong Yougong? Is this person still involved with the Lei Sect that day?”

Yue Buqun said doubtfully!

Upon seeing this, Liu Xing hurriedly followed Yue Buqun and explained it carefully, and even described Chen Ping as a heinous evil cultivator!

After Yue Buqun heard this, he looked at Chen Ping in disbelief!

A Martial Saint could actually hurt a Martial God in the end. This is simply unbelievable!

Moreover, an evil cultivator can attract such a huge power of faith, which is something Yue Buqun cannot understand!

I saw Yue Buqun gently placing his hand on Chen Ping’s wrist, like a Chinese medicine doctor taking the pulse.

After a moment, Yue Buqun frowned and said, “You are so brave, you dared to deceive even Master.”

“Did you injure this man? In order to shirk responsibility, you deliberately said he was an evil cultivator and made up stories to lie to me?”

Yue Buqun glared at Liu Xing and Liu Rui, frightening the two of them to the ground!

“Master, how dare we lie to you? This person is really an evil cultivator. We saw with our own eyes that he absorbed Jue Yuan’s strength.”

Liu Xing said quickly.

“Master, senior brother is right, I have also seen it, we will never dare to deceive the master.”

Liu Rui also said quickly.

Yue Buqun looked at Liu Xing and Liu Rui coldly, and found that the two people did not look like they were lying, so he said: “This person is not an evil cultivator. As for what you said about absorbing Jue Yuan’s strength, I guess it is another matter.” There’s something hidden!”

“He doesn’t have the evil spirit of an evil cultivator. On the contrary, this person has a lot of pure Yang energy, and there are also several forces. I haven’t been able to find out where they come from!”

Chapter: 3489

“Rui’er, go and get the Master’s Zengyuan Pill, and revive this person first and then...”

However, Liu Rui did not move, and Liu Xing on the side said: “Master, that Zengyuan Pill is your life-saving pill. We don’t have much left. If you give it to this evil cultivator, wouldn’t it be a waste?”

“Nonsense, I told you before, he is not an evil cultivator.”

“How did I educate you? Although our Chunyang Sect is reclusive, if we encounter someone whose life is in danger, we still have to help if we can. Although we pursue strength first, we cannot be devoid of human kindness!”

“When a person has no human feelings, no matter how powerful he is, he is just a killing machine.”

“Go and get the Zengyuan Pill...”

Yue Buqun scolded Liu Xing angrily, and he also said these words to other disciples.

Upon seeing this, Liu Rui hurried to get the elixir, and soon a green elixir was handed into Yue Buqun’s hands!

Yue Buqun stuffed the Zengyuan Pill into Chen Ping’s mouth without hesitation!

Immediately afterwards, waves of energy entered Chen Ping’s body!

“You all, please step back, I want to heal him...”

Yue Buqun waved his hand and told all the disciples to retreat!

.....

Heavenly Thunder Sect!

Tong Haiyang looked at his son’s embarrassed appearance, and his beard stood up in anger!

“Look at you, do you still look like a young master? Don’t you brag all day that you are the young leader of the hidden sect?”

“No one can compare with you? Look, you are like a beggar now. Are you ashamed?”

Tong Haiyang cursed at Tong Yougong, his face turned red with anger!

Tong Yougong lowered his head and could only endure the angry scoldings. It was true that he was made so embarrassed by a small martial saint, and was finally humiliated by the people of Chunyang Sect. This made their Tianlei Sect extremely embarrassed!

While Tong Haiyang was teaching Tong Yougong a lesson, a woman came over with a young man in his early twenties!

“Master, I heard that Yougong was injured. What happened?”

The woman asked Tong Haiyang.

The young man also glanced at Tong Yougong and said, “Brother, why are you in such a mess? Could it be that those old guys from the hidden world took action on you?”

“Logically speaking, we shouldn’t. Our three sects and six sects have already held a meeting. Those old guys can’t do anything to the juniors.”

Chapter: 3490

“And among this younger generation, with your eldest brother’s strength, who else can hurt you?”

Although the young man asked Tong Yougong with great concern, there was a bit of gloating in his tone!

“Tong Youcai, stop crying like a cat and pretending to be compassionate. You don’t care who does it. Anyway, if you compare with me, you can’t do it!”

Tong Yougong looked at the young man coldly and said.

“Youngong, why do you say this about your brother? He also cares about you...”

When the woman saw this, she was very dissatisfied and said to Tong Yougong.

“Put me down, will you mother and son care about me?” Tong Yougong snorted coldly!

“You...” The woman looked angry!

“Okay, don’t say anything!” At this time, Tong Haiyang spoke, and then the others shut up!

Tong Yougong and Tong Youcai are half-brothers. After Tong Yougong’s mother passed away, Tong Haiyang remarried and gave birth to another son, Tong Youcai!

It’s just that the relationship between Tong Yougong and Tong Youcai’s mother and son has not been good!

Tong Youcai has always wanted to replace Tong Yougong as the eldest master of the Tianlei Sect, but Tong Haiyang did not agree!

Now that Tong Yougong has undergone genetic modification, his strength has improved a lot, so his position in the Tianlei Sect has been further consolidated!

Although Tong Youcai always wanted to modify his genes, Tong Haiyang used the excuse that he was too young to prevent Tong Youcai from modifying his genes!

“Brother, you said that you are a Martial God, but you were beaten like this by a Martial Saint. I heard that boy is not a member of the Hidden Sect.”

“Isn’t this a little too unreal? But I heard from people below that there were people from Chunyang Sect present at that time. You, the eldest young master of Tianlei Sect, were beaten like this by a martial saint. How will other sects look at us? ?”

“By the way, I also heard that my eldest brother showed his powerful gene repair ability on the spot, and the wound healed instantly. You also know that this is the secret of our Tianlei Sect. You, a member of the Chunyang Sect, are exposing the secret of our Tianlei Sect. Secret, what’s your intention?”

Tong Youcai asked calmly.

Tong Youcai's words made Tong Yougong break into cold sweat on his forehead. Because of many things, he did not tell the truth to Tong Haiyang. He was afraid that his father would be angry and be punished!

But now Tong Youcai said it, which made Tong Yougong angry and scared!

"Tong Youcai, what are you talking about? Don't spit on others..."

Tong Yougong yelled at Tong Youcai!

"Brother, why are you so anxious? I heard what the people below said. If you don't want to, just call the people who are going with you and ask them!"

Tong Youcai smiled lightly.
