

The Order 3491

Chapter: 3491

“You...” Tong Yougong has nothing to say!

Tong Haiyang looked at Tong Yougong angrily: “Is what your brother said true?”

“Dad, at that time I.....”

Tong Yougong wanted to explain, but was directly interrupted by Tong Haiyang: “Okay, stop talking. He is just a waste. He can’t even fight a martial saint, and he also exposed the secret of genetic modification of our Tianlei Sect.”

“If you think about your mistakes on the cliff, when will you truly realize your mistake? Then come out...”

Tong Haiyang waved his hand and said!

“Dad, I was wrong, I know I was wrong, I don’t want to think about crossing the cliff...”

When Tong Yougong heard that he wanted to think about crossing the cliff, he was immediately frightened!

But Tong Haiyang did not relent, but ordered people to take Tong Yougong away!

Seeing Tong Yougong being taken away, Tong Youcai and his mother both smiled proudly!

“Dad, I already know the details of the guy who injured my eldest brother.”

“His name is Chen Ping. He is a relatively famous guy in Kyoto’s martial arts circles recently. He is only as strong as a martial saint.”

“Now he was rescued by people from the Chunyang Sect, but he hurt my eldest brother and made our Tianlei Sect lose face. I will personally find Chen Ping to avenge my eldest brother.”

“I will definitely get back the face of our Tianlei Sect...”

Tong Youcai performed in front of Tong Haiyang!

“But your brother’s strength has been damaged. Can you be Chen Ping’s opponent?”

“What’s more, Chunyang Sect won’t let you take people away so easily.”

Tong Haiyang frowned slightly.

“Dad, I have my own way. Sometimes it doesn’t mean you are strong enough to defeat everything. You still have to use your brain.”

The implication of Tong Youcai’s words is that Tong Yougong has no brains!

“Okay, be careful, I don’t want you to get hurt too!”

Tong Haiyang patted Tong Youcai on the shoulder and said!

“Dad, don’t worry...”

When Tong Youcai saw Tong Haiyang agreeing to him, he was overjoyed!

Chapter: 3492

After Tong Youcai and his mother left, Tong Haiyang’s expression became grim!

“Is it true that breaking the laws will result in divine punishment?”

Tong Haiyang stared out the window blankly, looking at the blue sky!

Even if they don't care about worldly affairs and live in seclusion, it is still as difficult as reaching heaven to become immortals and Buddhas...

Even though they have become gods in the eyes of ordinary people now, only they know it!

They are still far, far away from the true gods!

At this time, Tong Youcai, who had already walked out of the room, happily said to his mother: “Mom, do you see, this is an opportunity, our opportunity has come!”

“This time I will definitely compete with that Tong Yougong. The Tianlei Sect will be mine in the future!”

“But you have to hurry up and tell Uncle Wang to let him modify my genes!”

Tong Youcai's mother looked at her son and nodded: “Don't worry, I have already taken care of your Uncle Wang. You can modify your genes at any time, and your Uncle Wang has said that he will support you.”

“Hahaha, great. With Uncle Wang's support, no matter how talented Tong Yougong is, this Tianlei Sect will be mine sooner or later.”

Tong Youcai laughed excitedly.

“Son, you just boasted a lot in front of your dad. How are you going to deal with the person who injured your elder brother?”

“He can hurt your elder brother, which proves that he is not weak. You are definitely no match.”

The woman asked worriedly.

“Mom, don’t worry. I’ve already inquired about it. The guy named Chen Ping doesn’t have much strength. He just underestimated the enemy and was injured!”

“That Chen Ping was beaten to the point where he was unable to fight back. If people from the Chunyang Sect hadn’t appeared, that guy would have been brought back long ago!”

“And there is a more important thing, that Chen Ping should be an evil cultivator.”

“As long as I catch him, learn his evil cultivation techniques, and add modified genes, I’m afraid no one in the entire hidden world will be my opponent.”

“When the time comes, that child’s meritorious service will only be a resource for my cultivation...”

Tong Youcai’s eyes sparkled with endless greed. It seemed that his ambitions were not limited to the Tianlei Sect!

“But how did you ask Chunyang Sect to hand over the person?” the woman continued to ask.

“I just need to inform other sects about Chunyang Sect’s cover-up of evil cultivators. Then we will go together to ask for people. I believe that Chunyang Sect will definitely hand over people.” Tong Youcai said with a slight smile.

“Well, I’ll tell your Uncle Wang and ask him to accompany you. I’ve been with him secretly for so many years. It’s time for him to repay our mother and son!”

Chapter: 3493

After saying that, Tong Youcai’s mother left in a hurry!

As for Tong Youcai, his eyes sparkled with endless greed...

.....

Chunyang Sect!

Chen Ping slowly opened his eyes, looking at the clean and tidy room, Chen Ping frowned!

Because he couldn't remember where he was!

He only remembered the moment before he fainted, and nothing after that!

Slowly getting up, Chen Ping moved his body and found that there was no serious problem. Then the spiritual energy traveled around the body and found that it was also flowing smoothly!

"Where is this? Who saved me?"

Chen Ping muttered, wanting to open the door and walk out!

But just as he opened the door, he bumped into a beautiful figure!

"Excuse me....."

Chen Ping apologized quickly!

And this figure was none other than Liu Rui. Liu Rui was holding a bowl of lotus seed soup in her hand, but Chen Ping was completely distracted!

“You...you’re awake, I’m so sorry!”

Liu Rui quickly wiped Chen Ping’s body!

Chen Ping looked at Liu Rui and recognized it at a glance. They were the boy and girl who were standing by when he and Tong Yougong were fighting!

At that time, both of them looked at him with murderous intent. Although Chen Ping didn’t know the reason, he was sure that these two people were not friends!

But now looking at the girl’s expression and expression, it seems that there is no malicious intent at all!

“Where am I? What’s your name? How many days have I been in a coma?”

Chen Ping asked Liu Rui.

“My name is Liu Rui, this is Chunyang Sect, and it was my master who rescued you.”

“You’ve been in a coma for three days and three nights. I almost thought you wouldn’t survive!”

Liu Rui smiled slightly.

Chapter: 3494

“Is your Chunyang Sect following that Tianlei Sect also a hidden sect?”

Chen Ping asked.

“There are some things I don’t know whether I should say or not. I’d better call my master!”

After Liu Rui finished speaking, she turned around and was about to go out!

But just as he turned around, Liu Xing walked in. Seeing that Chen Ping was awake, Liu Xing said with a trace of anger in his eyes: "My life is so great. I was really saved by Master. Master did not hesitate to save his own life." I gave the Zengyuan Pill to this evil cultivator, I really don't know what the master thought."

"Senior brother, Master has said that he is not an evil cultivator, and Master will definitely not be wrong."

"And how can evil cultivators attract such a huge power of faith? There must be a misunderstanding here."

"I'm going to call Master over now!"

After Liu Rui finished speaking, he went to call Yue Buqun!

But Liu Xing still looked at Chen Ping with cold eyes.

Chen Ping knew that the other party had misunderstood, and hurriedly explained: "Brother, I am really not an evil cultivator. Absorbing Jue Yuan's strength is just part of my skill."

"I didn't go around killing other people to absorb their strength for the sake of cultivation, nor did I kill any ordinary people. I hope you don't misunderstand me."

Since he was rescued by the other party, Chen Ping felt it was necessary to explain clearly.

"Hmph, you are not an evil cultivator. How could you possibly injure Tong Yougong, the Martial God, with your Martial Saint realm?"

"Even I can't hurt that Tong Yougong, why can you, a little martial saint like you?"

“You are obviously an evil cultivator. I don’t know what evil cultivation techniques you used!”

Liu Xing snorted coldly, not believing what Chen Ping said at all!

Chen Ping opened his mouth, not knowing how to explain!

At this time, an old and stern voice came.

“Xing’er, you have to change your arrogant temper. Don’t you allow others to do what you can’t do?”

“If you are so jealous, you might as well practice more!”

Yue Buqun walked in and scolded Liu Xing!

Liu Xing lowered his head and said nothing!

“Chen Ping, this is my master, Yue Buqun, the leader of Chunyang Sect...”

Chapter: 3495

Liu Rui followed Chen Ping and introduced!

“Zongzhu Yue, thank you for your life-saving grace!”

Chen Ping bowed his hands to Yue Buqun and thanked him!

“You are so polite, little brother. Healing the wounded and rescuing people is what we in the martial arts world should do.”

“It’s just that many people nowadays have forgotten their original intention in pursuit of fame and strength.”

“Now that you are recovering, I am happy too!”

Yue Buqun said with a kind smile!

But just after he finished speaking, Yue Buqun’s expression suddenly changed, and then he coughed violently and his breathing became rapid!

Seeing this, Liu Xing and Liu Rui hurriedly stepped forward to help Yue Buqun!

“Junior sister, get the medicine for Master quickly...”

Liu Xing said to Liu Rui.

“Oh...” Liu Rui nodded, then took out a porcelain bottle from Yue Buqun’s pocket, and then poured a pill out of it!

After putting the pill into Yue Buqun’s mouth, Yue Buqun quickly recovered!

“It’s an old habit that makes little brother laugh...”

Yue Buqun smiled awkwardly.

At this time, Liu Rui on the side was holding a porcelain bottle and frowning: “Master, you...do you only have one Yuan-Zeng Dan left?”

“Yes.” Yue Buqun nodded!

“Master, how can this be done? This is your life-saving elixir and it cannot be broken.”

“I will go to the warehouse immediately to prepare resources and send them to the Alchemy Sect so that they can refine some Yuan-increasing Pills for Master.”

Liu Xing said, and was about to leave, but was caught by Yue Buqun!

“Xing’er, don’t go anymore. Over the years, our Chunyang Sect has spent a lot of resources to keep me alive!”

“As a result, the disciples of our Chunyang Sect have much less cultivation resources than other sects, which also makes our Chunyang Sect’s strength worse than other sects!”

“My teacher knows that after you went out, you were looked down upon and bullied by others. This is all because of your incompetence!”

“This is my destiny, don’t waste resources, Chunyang Sect will rely on you from now on!”

Chapter: 3496

Yue Buqun pulled Liu Xing and said earnestly.

“Master, for you, it doesn’t matter how much resources are wasted. I can follow my senior brothers and them to find resources every day!”

“There are still many resources in our Chunyang Sect that have not been exploited. We just have to work harder every day!”

“But Chunyang Sect can’t live without you...”

Liu Rui cried and said while crying.

Liu Xing’s eyes also turned red, but Yue Buqun still shook his head!

“Sect Master Yue, can I ask, do you have any incurable disease?”

Chen Ping saw this and asked.

“I was just injured by an evil cultivator many years ago. As a result, there is always an evil spirit in my body, which makes me miserable!”

“In these years, we can only rely on the Zengyuan Pill of the Alchemy Sect to suppress this evil spirit. However, the Alchemy Sect has opened its mouth and increased the resources needed year by year. Today, it is difficult for our Chunyang Sect to afford it. Got it!”

“It is precisely because I have this evil spirit in my body that I can immediately find out that you are not an evil cultivator, because the aura in your body is different from that evil cultivator!”

Yue Buqun explained.

When Chen Ping heard this, he realized that it was no wonder that Liu Xing and Liu Rui hated the evil cultivators to the core, and when they saw that they had absorbed Jue Yuan’s strength, they mistakenly thought that they were evil cultivators and were full of murderous intent towards them!

“Sect Master Yue, because the skills I practice are somewhat strange, I can absorb the strength of others and refine it. Can you let me check for you to see if I can suck out the evil spirit from your body?”

Chen Ping asked Yue Buqun.

“What do you want to do? Do you want to suck away the master’s strength?”

Liu Xing looked at Chen Ping warily and asked.

“Don’t get me wrong, I only absorb the evil spirit from Yue Zongzhu’s body, not his strength.”

Chen Ping quickly shook his head and explained!

“Although you say this, how can we believe you? If you have evil intentions, wouldn’t my master be in danger?”

Liu Xing still doesn’t believe Chen Ping!

When Chen Ping saw this, he said helplessly: “Sect Master Yue is my savior, how could I harm him.”

“No way, who knows who you are.”

Liu Xing simply disagrees!

Chapter: 3497

Even Liu Rui did not dare to let Yue Buqun take risks, but Yue Buqun himself remained silent.

Yue Buqun didn’t know whether Chen Ping had the ability to absorb the evil spirit from his body, but Yue Buqun was also a little worried.

Seeing Yue Buqun’s silence, Chen Ping knew that Yue Buqun was also a little worried. After all, the two met by chance, and Yue Buqun didn’t know whether he really had that strength!

After thinking for a moment, Chen Ping suddenly thought of a way and said: “I can force the evil spirit out of Yue Zongzhu’s body. Is that okay?”

“How do you force out Master’s evil spirit?” Liu Rui asked.

“You can ask Sect Master Yue to take a Qi Chasing Pill, so that the evil spirit can be forced out of Sect Master Yue.”

“When the time comes, I will just absorb and refine the evil spirit. This way, you can rest assured that I won’t come into contact with Sect Master Yue, right?”

Chen Ping said.

“Qi Chasing Pill?” Yue Buqun and others were slightly startled!

“Why is there such a pill? Why doesn’t the Medicine Refining Sect give it to my master? This way, the evil spirit in my master’s body can be forced out of the body, and he doesn’t need to be tortured. He can use the Zengyuan Pill to suppress it and prolong his life.”

Liu Xing asked puzzledly.

“Perhaps the alchemy sect cannot refine the Qi Chasing Pill at all, or maybe there is no recipe for it!”

Chen Ping smiled slightly and explained!

“How is it possible? In the entire martial arts world, there are almost no alchemists who can rival the Medicine Refining Sect.”

“Even the Medicine God Valley in Kyoto’s martial arts world pales in comparison to the Medicine Refining Sect...”

Liu Xing simply didn’t believe that there were pills that the Medicine Refining Sect couldn’t refine!

After hearing this, Chen Ping smiled faintly: “Although your seclusion can increase your cultivation speed, it also limits your thinking.”

“Although I don’t know the medicine refining sect you are talking about, they definitely can’t make the pills I can make.”

“And I am the owner of the Medicine God Valley you mentioned...”

After Chen Ping finished speaking, Liu Xing and the others were shocked.

“How is it possible? You are so young, how can you be the owner of the Medicine God Valley?”

“And alchemy is different from the cultivation of warriors like us. It requires a lot of experience and time to learn.”

“Which of today’s senior alchemists is not over seventy years old?”

Liu Xing shook his head in disbelief and said.

Chapter: 3498

Seeing that he couldn’t convince the other party no matter how he explained, Chen Ping could only smile lightly and said: “Whether I have that ability or not, you will know once you try it. I will give you a prescription, and you can take the medicine according to the records above.”

“When I refine the Qi Expelling Pill and force out the evil spirit from Yue Zongzhu’s body, you will naturally believe it!”

After Chen Ping finished speaking, he took the pen and paper directly from the table and wrote a prescription!

Liu Xing took the prescription, and the Chunyang Sect all had the medicinal materials on it. You must know that these things are also cultivation resources!

Liu Xing looked at Yue Buqun, and Yue Buqun nodded and said: “Trust this little brother for once, go get the medicine...”

Soon, Liu Xing was about to be arrested!

Chen Ping didn't do any ink and took out the Shennong Cauldron directly from the storage ring!

Then he put all the medicine into the Shennong Cauldron, and with his palms, a light blue flame danced in his palms!

Then Chen Ping waved his hand, and the blue flame in his hand instantly began to burn in the Shennong Cauldron!

Chen Ping sat cross-legged and sent a stream of spiritual power into the Shennong Cauldron!

Yue Buqun and others looked at Chen Ping like this. They all said nothing and watched quietly!

An hour later, a faint light shone in the Shennong Cauldron.

Chen Ping also stood up and walked to the Shennong Cauldron!

Liu Xing hurriedly ran over and found a brown pill inside the Shennong Cauldron, which was emitting light!

Chen Ping did not pick it up with his hands, but waved his hands gently, and the Qi-Zhuan Pill rose into the air and landed in front of Yue Buqun in an instant!

"Sect Master Yue, take this elixir and the evil spirit in your body will be forced out."

Chen Ping said calmly.

Yue Buqun nodded and swallowed the Qi Chasing Pill without hesitation!

Soon, Yue Buqun's face began to look ugly, and then his face became ferocious and painful!

His hands were tightly clenched into fists, as if he was suffering tremendous pain!

Liu Xing and Liu Rui saw this and rushed over!

"Master..."

"Master....."

The two people shouted, but at this time, Yue Buqun's face had veins bulging, his eyes were wide open, his mouth was open, but he could not speak!

Chapter: 3499

"Boy, how dare you harm my master..."

When Liu Xing saw this, he was filled with anger and punched Chen Ping!

Chen Ping stepped back, dodged Liu Xing's punch, and hurriedly explained: "Don't get me wrong, in order to use Qi Zhuan Dan to force out the evil spirit, you have to go through such pain..."

But Liu Xing didn't listen to Chen Ping's explanation and kept attacking Chen Ping. Chen Ping could only dodge with all his strength!

"ah....."

Yue Buqun fell to the ground and began to scream in pain!

"Master, Master..."

Liu Rui was so frightened that her face turned pale and she kept shouting for Yue Buqun!

When Liu Xing saw this, he became even more ruthless. He had already determined that Chen Ping was harming his master, so he became even more ruthless!

Chen Ping looked at Yue Buqun and frowned: "Am I wrong?"

"Boy, my master has three advantages and two disadvantages. I will never let you leave Chunyang Sect."

Liu Xing's face was full of anger and he punched Chen Ping with one punch!

Chen Ping had no time to waste time fighting with Liu Xing at this time. As soon as he reached out his hand, Peng directly caught Liu Xing's punch with a loud bang!

"The evil spirit in your master's body is weird, let me go over and have a look..."

Chen Ping said coldly to Liu Xing.

"This is all your fault, and you still dare to go there..."

Liu Xing glared at Chen Ping, but Chen Ping grabbed his fist and couldn't take it back!

You must know that Liu Xing is also a martial arts god. Although he is not inferior to that boy in meritorious service, he is not so small that Chen Ping, a little martial arts saint, will directly grab his fist and prevent him from moving!

But just when Liu Xing was about to punch Chen Ping with another punch, he was kicked away by Chen Ping!

The majestic God of War was teased like this by Chen Ping.

“I’ll fight with you...”

Liu Xing felt that he had suffered great humiliation and burst out with all his energy. The terrifying energy directly made the house start to tremble violently!

“If you want your master to die, then go ahead and do it...”

Chen Ping glared at Liu Xing and said coldly.

Chapter: 3500

“Brother, Master is dying, he is dying...”

Liu Rui cried and was at a loss what to do!

Liu Xing rushed over: “Master, Master, hold on, I will take you to the Medicine Refining Sect. No matter how much it costs, the Medicine Refining Sect must save you...”

With that said, Liu Xing was about to hug Yue Buqun and leave for the Medicine Refining Sect!

“If you take your master away now, then he is really hopeless. Let me take a look...”

Chen Ping said to Liu Xing.

“You still want to see my master being harmed like this?”

At this time, Liu Rui also glared at Chen Ping and shouted!

In their opinion, Yue Buqun’s behavior was all caused by eating the Qi-Chasing Pill refined by Chen Ping!

“I want to harm your master, why bother...”

Chen Ping wanted to explain, but found that Yue Buqun’s face was black and blue, and a black mist shrouded his forehead!

He knew there was no time, so golden light flashed on his fingers, and then with a sudden flick, several golden lights penetrated Yue Buqun’s body!

Just after the golden light disappeared into Yue Bu’s group, Chen Ping’s brows furrowed tightly again!

“Sure enough, there is something strange. This evil spirit actually contains the remnant soul...”

After speaking, Chen Ping muttered something.

Following Yue Buqun’s scream, a ball of black mist flew out from Yue Buqun’s mouth.

Black fog almost filled the entire room, making it difficult for everyone to see the situation in front of them in an instant!

“Take your master out quickly, hurry up...”

Chen Ping shouted loudly.

Liu Xing and Liu Rui were confused when they saw the black mist spit out by Yue Buqun. It wasn’t until Chen Ping yelled that they realized and rushed out of the room with Yue Buqun!

At this moment, black mist surrounded Chen Ping and slowly turned into a figure!

“This little remnant soul actually dares to make trouble...”

Chen Ping snorted coldly.

The figure looked at Chen Ping and actually laughed: "A little martial saint can actually force me out. He really has the ability to be arrogant!"
