

The Order 3501

Chapter: 3501

“But even if I am just a remnant soul at this moment, if I want to kill you, I can only raise my hand!”

“In my eyes, you are just an ant...”

“Ant?” Chen Ping smiled coldly: “But you were forced out by this ant. Does this mean you are not even as good as an ant?”

“Hahaha, that’s crazy, but I like it. Your cultivation will belong to me right away!”

The figure laughed wildly, then dissipated in an instant, turning into a black mist again, directly wrapping Chen Ping!

Chen Ping wanted to swallow up the black mist and refine it, but when he opened his mouth, he suddenly remembered something and gave up the idea!

I saw golden light emitting from Chen Ping’s body, and the indestructible golden body was activated, and the dazzling golden light instantly penetrated the black mist!

The black mist condensed into a human figure again, staring at Chen Ping!

“No wonder you can force me out even if you are in the martial saint realm. It turns out that you are the true form of the Golden Dragon...”

“But your body is of no use to me, but the power of the dragon in your body can be used by me!”

After saying that, the figure flashed out in an instant, and before Chen Ping could react, he felt a heavy blow on his chest!

The whole person took a few steps back, and gaps appeared in the indestructible golden body on his chest!

Chen Ping frowned. It was just a remnant soul, but it had such power. Who knows how terrifying this guy's body would be!

“Who are you exactly? Why do you want to leave a remnant of your soul in Sect Leader Yue's body?”

Chen Ping asked the figure.

“You talk so much, do you think I will tell you?”

“You shouldn't belong here, but you are nosy. The hidden world is not as simple as you think!”

“Do you really think these hidden sects don't care about worldly affairs?”

“It's just that other places outside the world don't have the resources they like. If there are, do you think these hidden sects will remain indifferent?”

“Remember, human nature is always greedy, and no one can truly live in peace with the world.”

After the figure finished speaking, he took action again, this time at a faster speed, so much so that Chen Ping couldn't even see the slightest movement!

Bang.....

Another palm slapped Chen Ping on the body, and Chen Ping took a few steps back!

The indestructible golden body slowly disappeared completely and turned into nothingness!

Chapter: 3502

Two palms directly broke the indestructible golden body, which shows the strength of this remnant soul!

“It seems that if I don’t take action, you will treat me as a sick cat...”

After Chen Ping finished speaking, golden light erupted from his body, instantly illuminating the entire room!

Then he threw a punch at the figure!

“Holy Light Fist...”

The shadows of fists emitted golden light and instantly enveloped the black shadow!

“Hahaha, I’m just a remnant of my soul, can you still hit me?”

The figure laughed, suddenly turned into a black mist, and then disappeared!

Then a strong wind came from Chen Ping’s back!

Chen Ping instinctively turned sideways, but was still hit.

Chen Ping’s body rushed forward and smashed the table and chairs in front of him!

“Haha, be obedient. I only want your divine dragon power, and your body is still yours. Even if you lose the divine dragon power, your strength will not drop much.”

The figure laughed and said to Chen Ping.

Chen Ping frowned and his expression became more solemn!

Looking around the house, Chen Ping knew that there was too little time left for Chen Ping to react in this room!

Because the opponent is just a ray of remnant soul, it is difficult to leave aura fluctuations even when moving, making it difficult for Chen Ping to capture the opponent's traces!

Chen Ping flipped his wrist, and the Dragon-Slaying Sword appeared in his hand!

Seeing the Dragon-Slaying Sword in Chen Ping's hand, the figure's eyes glowed with greed!

The power of the divine dragon was injected into the Dragon-Slaying Sword. The Dragon-Slaying Sword flashed with golden light, and a golden dragon hovered above the sword!

“cut.....”

Chen Ping slashed out with his sword, and countless sword energy filled the entire room!

Upon seeing this, the figure instantly turned into a mass of black mist, and the sword light penetrated the black mist and instantly slashed at the surrounding walls!

Rumble.....

With a loud noise, the house was instantly chopped into pieces, and the flying fragments were blown away without a trace by Chen Ping's breath!

Chapter: 3503

At this moment, Chen Ping and the figure were exposed in the empty compound!

The huge noise attracted many Chunyang Sect disciples!

At this time, Yue Buqun had also recovered. Looking at the confrontation between Chen Ping and the figure in mid-air, Yue Buqun's face was very gloomy!

"Zongzhu Yue, this remnant soul is in your body and has caused you pain for so many years..."

Chen Ping pointed his sword at the figure and said.

Yue Buqun looked at the figure, anger flashing in his eyes!

I saw a wave of sleeves and robes, and the entire Chunyang Sect rose up with little brilliance. These brilliance rose into the air and formed an invisible network, directly covering the figure!

Yue Buqun's action made the figure panic a little, and his expression became serious!

"The flames are in the sky..."

Accompanied by a loud shout from Yue Buqun's mouth!

The invisible net instantly raised flames, and the hot flames continued to shrink towards the figure, leaving him with nowhere to escape!

"Yue Buqun, if you dare to hurt me, I will repay you a hundredfold. Don't forget that this is just a remnant of my soul. Even if my remnant soul is destroyed, it will not cause any serious harm to me."

"But I will make your Chunyang Sect fall into a place of eternal disaster..."

The figure faced the shrinking giant flame net, threatening Yue Buqun!

Yue Buqun snorted coldly, and the flames became even hotter!

“ah.....”

The figure finally let out a scream!

“Zongzhu Yue, don’t kill him...”

Upon seeing this, Chen Ping rushed to Yue Buqun, trying to stop Yue Buqun.

But it was too late, the figure had long since disappeared, leaving nothing behind!

Seeing that the figure had been reduced to ashes, Chen Ping couldn’t help but sigh!

“Little brother, is there still any use in leaving the remnant soul you have left behind?”

Yue Buqun asked.

“Zongzhu Yue, this remnant soul can be in your body for so many years. Even if it is forced out, it still has such strength. It shows that this guy’s body is very strong. What’s more important is that his body is not too far away from here!”

Chapter: 3504

“You must know that the remnant soul left behind after death is the weakest, and there are very few evil cultivators who can sacrifice the remnant soul alive. Moreover, if you want to control this remnant soul, there is a distance limit, and there is no limit!”

“So I want this remnant soul to escape, so that we can find the true body of this evil cultivator based on this remnant soul.”

Chen Ping followed Yue Buqun in explaining.

The reason why Chen Ping didn't absorb the remnant soul for refining just now was for this reason!

Destroying a remnant soul will not do much harm to the evil cultivator's body!

But now that the remnant soul has been eliminated, it is not that easy to find the evil cultivator's true body!

Now that the Chunyang Sect is in the light, the evil cultivators are in the dark. If they want to attack the Chunyang Sect, the Chunyang Sect may not even have time to defend themselves!

After listening to Chen Ping's explanation, Yue Buqun felt that he had been a little impulsive just now, but now that he was like this, he could only take one step at a time!

"Little brother, you saved my life. I can't thank you enough. Whatever you want, just ask. As long as our Chunyang Sect has it, I won't be stingy."

Yue Buqun thanked Chen Ping!

"Zongzhu Yue, you also saved my life, didn't you? We are even."

Chen Ping smiled lightly.

Yue Buqun was stunned for a moment, then laughed loudly: "It's even, but since you came to our Chunyang Sect, you have to stay here for a few more days and let me fulfill my friendship as a landlord."

"Okay!" Chen Ping nodded.

After all, Chen Ping planned to find these hidden sects to inquire about the Rebirth Spring. Now that Yue Buqun took the initiative to let Chen Ping stay, of course Chen Ping was happy!

It just so happened that Chen Ping wanted to follow Yue Buqun to inquire about the Rebirth Spring and learn about the hidden sect.

“Rui’er, Xing’er, why don’t you apologize to Brother Chen quickly?”

Yue Buqun looked at Liu Rui and Liu Xing and said.

Seeing this, Liu Rui hurriedly stepped forward and said to Chen Ping with an embarrassed face: “Mr. Chen, I’m really sorry just now. I misunderstood you...”

“Ms. Liu, you’re welcome. Under those circumstances, it’s normal to have an overreaction.”

Chen Ping smiled slightly.

But Liu Xing stood stunned and did not go over to apologize to Chen Ping!

“Xing’er, what’s the matter with you?” Yue Buqun frowned slightly!

Liu Xing gritted his teeth and finally turned around and ran away without apologizing to Chen Ping!

Chapter: 3505

“Hey, this kid is too arrogant...”

Seeing this, Yue Buqun couldn’t help but sigh: “Brother Chen, don’t be offended, these disciples have been spoiled by me!”

“No!” Chen Ping smiled slightly!

“Rui’er, take someone to clean up this place. I’ll go talk to Brother Chen...”

Yue Buqun said to Liu Rui.

Liu Rui nodded, and then Yue Buqun took Chen Ping to other rooms!

In fact, Yue Buqun also has a lot of doubts about Chen Ping. Why is Chen Ping so young, already proficient in alchemy, and relying on the realm of Martial Saint, he can compete with the Martial God!

Yue Buqun poured a cup of tea for Chen Ping and was about to ask his question, but Chen Ping spoke first!

“Sect Master Yue, I have some knowledge and would like to ask for advice. Is it possible?”

Chen Ping asked.

“Brother Chen, if you need anything, just ask!” Yue Buqun nodded.

“I don’t know about Sect Master Yue, do you know about the Rebirth Spring?”

Chen Ping asked.

Yue Buqun was slightly startled and said in surprise: “How do you know about the Rebirth Spring? And what’s the use of looking for the Rebirth Spring?”

Seeing this, Chen Ping hurriedly explained. When Yue Buqun heard that Chen Ping was using the Rebirth Spring to save people, he said, “This Rebirth Spring is the secret of our hidden sect. If it weren’t for the people in the hidden world, it would be very difficult to save people.” Few people know about it.”

“This rebirth spring does have the ability to reshape the body, but not everyone can use the rebirth spring.”

“Where is the Rebirth Spring? Can Master Yue take me to see it?” Chen Ping asked excitedly when he heard that Yue Buqun knew.

“Brother Chen, don’t worry. This Rebirth Spring is at the foot of the Kunlun Mountains. It is the junction of the major sects and gangs in our hidden world.”

“Because of this, the Rebirth Spring is jointly managed by our three sects and six sects, but this year the right to use the Rebirth Spring is in the hands of the Alchemy Sect!”

“We, the Chunyang Sect, will have to wait until next year to get the right to use it, so if you want to save your friend, you must get the approval of the Medicine Refining Sect.”

Yue Buqun explained carefully!

“Where is the Medicine Refining Sect? I’ll go find them...” Chen Ping couldn’t wait any longer.

“Brother Chen, you stay here for a day, and I will accompany you tomorrow. By the way, I want to ask the Medicine Refining Sect why there is a residual soul of an evil cultivator in my body, but the Medicine Refining Sect cannot detect it.”

“Over the years, the Alchemy Sect has asked for a lot of resources from our Chunyang Sect, but the Yuan-Zeng Dan can only suppress the evil spirit in my body!”

Chapter: 3506

“If Brother Chen hadn’t taken action, I don’t know how long our Chunyang Sect would have continued to ask for it from the Medicine Refining Sect!”

Yue Buqun said angrily.

“It’s normal to not be able to find the remnant soul. I didn’t notice it at first. However, the Zengyuan Pill refined by the Alchemy Sect can suppress this remnant soul. It’s very strange. You have to know that the remnant soul enters the body. After that, unless you find a way to force it out.”

“It’s a bit impossible to use elixirs to suppress the remnant souls. Even I can’t refine elixirs that can suppress the remnant souls.”

Chen Ping also felt that the Medicine Refining Sect was a little strange. The Yuan-Zeng Dan that was refined could suppress the remnant soul. It was not such a coincidence!

Maybe, this remnant soul has some connection with the Medicine Refining Sect, and the Medicine Refining Sect deliberately uses this to ask for the resources of the Chunyang Sect!

“We will find out when we go to the Medicine Refining Sect tomorrow. Brother Chen should rest first!”

After Yue Buqun finished speaking, he left, and then walked out of Chunyang Sect. No one knew where he was going...

Chen Ping sat cross-legged in the room, quietly refining the strength he had absorbed!

At the entrance of Chunyang Sect, Liu Xing was smoking depressedly!

The appearance of Chen Ping dealt a big blow to him.

He was originally arrogant, but he was hit again and again!

Because of Chunyang Sect's resource problems, it would be fine if his strength was not as good as that of Tong Yougong, but now even Chen Ping, the martial saint, is no match!

“Hey, why is the most talented disciple of Chunyang Sect coming to the door to smoke? Is there something bothering you?”

At this time, Tong Youcai brought a few people to Chunyang Sect. After seeing Liu Xing, he said with a bit of fun.

When Liu Xing saw Tong Youcai and the few people behind him, he asked with an unhappy expression: “Tong Youcai, what are you doing in our Chunyang Sect?”

“We don’t seem to have any interaction with your Tianlei sect, right?”

Liu Xing’s eyes were cold and full of disgust.

Liu Xing was very disgusted with the people of Tianlei Sect.

“There is no intersection, but I heard that your Chunyang Sect took in an evil cultivator, so I brought several other sects over to have a look!”

“It is said that your Chunyang Sect and the evil cultivators are incompatible, but why do you accept the evil cultivators?”

“Don’t you know that evil cultivators are the public enemies of our martial arts world...”

Tong Youcai said with a sneer.

“Fuck you, you’re just taking in evil cultivators. There are no evil cultivators in our Chunyang Sect.”

Chapter: 3507

Liu Xing cursed angrily at Tong Youcai.

Tong Youcai was not angry, but a middle-aged man next to him was angry. His face turned slightly cold, and then he slapped Liu Xing!

No one saw the middle-aged man’s movements clearly, and Liu Xing received a hard slap on the face, which instantly became red and swollen!

“Boy, when you talk, it’s best not to bring your mother with you, do you understand?”

The middle-aged man warned Liu Xing coldly.

Liu Xing felt the aura of the middle-aged man and was so frightened that he did not dare to speak. He could only receive a slap in the face!

“Uncle Wang, there is no need for you to take action against this guy. Even if he is a genius disciple of Chunyang Sect, in my eyes, he is just trash.”

Tong Youcai looked disdainful!

Liu Xing glared angrily, but Tong Youcai had experts around him, so Liu Xing was not impulsive!

“Where’s Yue Buqun? Let him come out and make it clear. With so many of us coming, should we just let you, a small disciple, receive them?”

At this time, an old man stepped forward and scolded Liu Xing!

Liu Xing looked at the old man, his face full of respect and said: “Elder Pei, my master has gone out and is not here...”

This old man is the elder of Ziyun Sect among the three sects and six sects. In terms of strength and status, he is much higher than Liu Xing!

Therefore, Liu Xing did not dare to be presumptuous, and could only be respectful!

“Going out? Did you know we were coming, so you went out to avoid us?”

Tong Youcai asked with a sneer.

“Tong Youcai, don’t talk nonsense. My master just left. How could he know that you are coming!”

Liu Xing glared at Tong Youcai and said.

“Now that we’re out, let’s go in and wait for him...”

Tong Youcai said, about to break into Chunyang Sect.

Liu Xing stretched out his hand to stop him and said: “Without Master’s order, outsiders are not allowed to enter Chunyang Sect.”

“What? Could it be that even if I bring so many elders from various sects, I can’t enter your Chunyang Sect?”

“I think your Chunyang Sect is a little too arrogant, and you don’t care about our other sects?”

Tong Youcai deliberately instigated the relationship between Chunyang Sect and various sects!

Chapter: 3508

After hearing what Tong Youcai said, the elders from various sects also faced anger.

“We old guys, can’t we even join your Chunyang Sect?”

Elder Pei asked angrily.

“Elder Pei, this is indeed Master’s rule, and there is nothing I can do about it!”

Liu Xing looked embarrassed!

“Liu Xing, if we insist on going in, what can you do?”

“Yue Buqun didn’t show up and didn’t let us in. I’m afraid there is something wrong with your Chunyang Sect that prevents you from seeing people?”

Tong Youcai said with a sneer on his face.

“You, the Tianlei Sect, are the only ones who can’t see people...”

At this time, Liu Rui heard the noise and led people over!

Seeing that Liu Rui was coming, Tong Youcai’s eyes flashed.

“Miss Liu is getting more and more beautiful, her little figure is simply perfect...”

Tong Youcai looked at Liu Rui unabashedly with his lustful eyes!

Tong Youcai’s look made Liu Xing furious!

Who doesn’t know that in Chunyang Sect, Liu Xing and Liu Rui are the golden boys and girls? They are almost childhood sweethearts, and Liu Xing likes Liu Rui very much!

Now that Tong Youcai is teasing Liu Rui in front of Liu Xing, of course Liu Xing will be angry!

“Tong Youcai, shut your stinky mouth. Believe it or not, I made your stinky mouth swollen?”

Liu Xing glared at Tong Youcai and said angrily.

“Hahaha, based on your strength, do you have what it takes?”

“If you have the ability, just do it, I’m waiting for you...”

Tong Youcai actually put his face in front of Liu Xing, deliberately irritating Liu Xing and making Liu Xing take action!

Liu Rui tugged on Liu Xing’s clothes: “Brother, don’t be impulsive. This guy is deliberately irritating you.”

If Liu Xing took action at this time, it would be a mistake.

In front of so many people, Liu Xing would be hard-pressed to defend himself!

Chapter: 3509

Liu Xing’s face was red with anger, his fists were clenched tightly, and the aura on his body continued to explode!

Seeing that Liu Xing didn’t dare to take action, Tong Youcai smiled and said: “Since you don’t dare to take action, then get out of the way and stay out of the way.”

“Either hand over the evil cultivator, or let us in...”

Liu Xing couldn’t bear it when he saw Tong Youcai’s arrogant look!

Suddenly, a punch hit Tong Youcai.

But just when Liu Xing was about to hit Tong Youcai with his punch, Tong Youcai suddenly retreated and dodged the punch!

Immediately afterwards, Tong Youcai punched out.

Before Liu Xing could retract his fist, Tong Youcai’s punch was already in front of him!

Obviously Tong Youcai had already made preparations and was waiting for Liu Xing to take action!

Bang.....

Caught off guard, Liu Xing was punched hard in the chest and his body retreated directly!

Liu Xing took several steps back until he was supported by a disciple of Chunyang Sect, and Liu Xing stabilized his figure!

Liu Xing looked at Tong Youcai angrily. In front of so many elders from various sects, Liu Xing was punched by Tong Youcai. He couldn't swallow this breath at all!

If Liu Xing's strength is not as good as Tong Yougong's, he can admit it, but Tong Youcai's strength is not as good as Tong Yougong's. Liu Xing's strength should be comparable to Tong Youcai's strength!

Now they were two equally capable people, but Liu Xing was punched and knocked back repeatedly, leaving no room for his old face.

"Tong Youcai, I will kill you..."

Liu Xing roared and rushed towards Tong Youcai again!

But at this moment, Chen Ping walked out slowly, walked directly to the door, and said to the people from the various sects in front of him: "Are you looking for me? Are you saying that I am an evil cultivator?"

Tong Youcai glanced at Chen Ping and asked, "Is your name Chen Ping?"

"Yes!" Chen Ping nodded!

“That’s yours. You are the evil cultivator. Did you hurt my brother?”

Tong Youcai asked.

“You’re talking about Tong Yougong from the Lei Sect that day, right? Yes, I was the one injured. What do you want?”

Chen Ping nodded calmly.

Chapter: 3510

“Hmph, you evil cultivator, you dare to hurt my brother. Today I will avenge my brother, kill you, the evil cultivator, and eliminate harm for the people...”

Tong Youcai had a gloomy look on his face. He turned his hand and a long knife appeared.

A red light flashed on the long knife!

“Tong Youcai, my master said that Mr. Chen is not an evil cultivator.”

Liu Rui saw this and hurriedly explained.

“I said he is, he is, you don’t have to quibble.”

Tong Youcai didn’t listen to Liu Rui’s explanation at all!

Liu Rui wanted to say something else, but was stopped by Chen Ping: “Don’t tell him. There’s no point in trying to incriminate him. If he wants to avenge his brother, it depends on whether he has the ability.”

After Chen Ping finished speaking, he also turned his palm, and the Dragon-Slaying Sword appeared in his hand, and the bright golden light flickered on the Dragon-Slaying Sword!

“Haha, you are just a little Martial Saint, but you dare to say such big words. My brother is so careless that you actually hurt me. Today I will let you know the difference between a Martial Saint and a Martial God!”

Tong Youcai laughed and pointed his long knife at Chen Ping!

Chen Ping looked at Tong Youcai coldly, with the corners of his mouth raised slightly, showing a disdainful expression.

“Three moves, if you can force me to use the fourth move, I will let you take him away...”

Chen Ping sneered.

When everyone heard Chen Ping’s words, there was an uproar!

“Where did this kid come from? How could a little martial saint be so arrogant?”

“I heard that he is from Kyoto’s martial arts world and is just a frog in the well. How could he know how powerful the God of War is!”

“I can only blame that Tong Yougong, who is in the realm of a Martial God, but was careless and was injured by this kid. As a result, this kid is now extremely arrogant and looks down on the Martial God.”

The elders of several sects whispered to each other, but they all sneered at Chen Ping’s words!

The gap between a Martial Saint and a Martial God is not just a tiny bit. If a Martial God wants to crush a Martial Saint to death, it is no different than crushing an ant to death!

“You are too crazy...”

Tong Youcai shouted angrily, and the aura on his body suddenly exploded!

The long knife in his hand exudes a sharp edge!

Tong Youcai's figure was as fast as lightning, and he shot out several sharp edges in an instant, heading straight for Chen Ping!
