

The Order 351

Chapter: 351

“He’s not free!”

Geng Shanshan forced out a wry smile and said awkwardly.

“Shanshan, Mr. Xiao listens to you the most. If you ask him to come, can he not come? Besides, if you say that Chen Ping is here, Mr. Xiao will definitely come!”

Jiang Wenjing tried her best to persuade Geng Shanshan, because as long as Xiao Lei came, she wouldn’t have to pay out of her own pocket, Yuan Hua would pay for it!

Geng Shanshan hated Jiang Wenjing now and wanted to strangle her to death!

“He really doesn’t have time, he’s very busy!”

Geng Shanshan just bit her to death without screaming.

“Shanshan, you look down on us classmates so much. You can just ask Mr. Xiao to come over and show his face. It won’t take more than a few minutes!”

Jiang Wenjing was also anxious, relying on the fact that she and Geng Shanshan were close friends, so she spoke in a somewhat harsh tone!

Geng Shanshan kept her mouth shut. She didn’t have the ability to call Xiao Lei now. She was afraid that if the call got through, she would just get scolded!

Just when all the classmates tried to persuade Geng Shanshan and Geng Shanshan was indifferent, Chen Ping spoke calmly!

“Call Xiao Lei and ask him to come over!”

Chen Ping didn’t even look at Geng Shanshan, and seemed to just follow the air.

Everyone was stunned and looked at Chen Ping. Yuan Hua sneered and planned to mock Chen Ping!

But before he could say anything, he saw Geng Shanshan take out her cell phone with a slight embarrassment, and then made a call!

The call was quickly connected, and Geng Shanshan walked to the corner of the box!

“You bitch, didn’t I fucking tell you not to call me? Do you believe I will break your legs?”

Xiao Lei’s roar came from the opposite side!

Ever since he came back that day, Xiao Lei had been on tenterhooks all day, fearing that Chen Ping would deal with him. His father, Xiao Yan, was even more worried about how to ease the relationship between the Xiao family and Chen Ping. Although it is never too late for a gentleman to take revenge in ten years, but it also needs to be able to last for such a long time.

If Chen Ping takes action against the Xiao family now, the Xiao family will really be doomed. Big men like Gu Wentian and Lin Tianhu respect Chen Ping, so what do they think of the Xiao family?

If Chen Ping says a word, the Xiao family will fall!

“Xiao Lei, I...I am attending a class reunion, I hope you can come too!”

Geng Shanshan said with her body trembling slightly.

“Participate in your paralysis, I...”

Chapter: 352

“Chen Ping is here too, he asked me to call you!”

Geng Shanshan quickly moved Chen Ping out.

Xiao Lei hadn't finished speaking. When he heard that Chen Ping called him, he immediately had an idea in his mind. Now he needs to pretend to be cowardly in front of Chen Ping, so that Chen Ping will be careless. After he has the strength and capital, he will pay back the humiliation even more.

After asking for the address, Xiao Lei hurried towards Tianyuan Restaurant.

"He'll be here soon!"

Geng Shanshan returned to her seat and whispered to Chen Ping.

Chen Ping didn't say anything, his expression was indifferent, but Yuan Hua looked at Chen Ping like that and raised his lips: "Why are you pretending to be a big-tailed wolf? When Mr. Xiao comes later, you will probably cry. See if you are still dragging Don't pull!"

"I don't know if I will cry, but you will definitely cry!"

Chen Ping looked at Yuan Hua and smiled coldly.

"What did you say? Will I cry? I will make you cry now..."

Yuan Hua said and picked up the bottle again!

"Yuan Hua, are you crazy? Put down the bottle for me?"

When Geng Shanshan saw this, she was so frightened that she hurriedly shouted at Yuan Hua.

"Shanshan, why are you afraid of this guy? Even if he learns a few tricks in prison, there is no need to be afraid of him. This is Lord Tiger's territory, and he doesn't dare to do it!" After Yuan Hua finished speaking, he moved his face directly to Chen Ping. In front of the plane, he said with a provocative look: "Chen Ping, aren't you very awesome? You can break Fu Wei's leg. Now I am here, do you dare to touch it?"

Snapped!

As soon as Yuan Hua finished speaking, Chen Ping slapped him away!

Yuan Hua was kicked out by the slap, two teeth fell out, and half of his face instantly swelled.

“After living for so long, this is the first time that I’ve come up to you and let me slap you. Is this slap comfortable? Do you want another slap?”

Chen Ping looked at Yuan Hua with a playful look on his face.

Yuan Hua felt like stars were popping out of his eyes and he was dizzy!

“Yuan Hua, are you okay?”

Liu Jiajia hurriedly supported Yuan Hua, with a nervous look on her face!

“Brother Chen, how could you do it? Something bad has happened now!”

Chen Erga looked panicked and a little at a loss!

Chapter: 353

“Chen Ping, are you crazy? How can you attack Yuan Hua!”

“It’s true, we are classmates anyway, and you actually do it, you are so stupid!”

“Just wait, you won’t be able to get out of here, I’ll feel better soon!”

Many students criticized Chen Ping one after another!

Bang.....

Chen Ping suddenly slapped the table, and a piece of the hard marble tabletop was knocked off!

At this moment, everyone was stunned and closed their mouths!

“That Yuan Hua just came up to me and asked me to beat him. Are you all blind?”

Chen Ping glanced at everyone and said.

No one spoke anymore, and everyone’s expressions became very strange!

“Yes, it was Yuan Hua who got involved himself. Why do you talk about Chen Ping?”

Geng Shanshan stood up and helped Chen Ping speak!

These classmates looked at Geng Shanshan and were all confused. They really couldn’t figure out what song Geng Shanshan was singing.

Yuan Hua, who had woken up, also frowned slightly, glanced at Geng Shanshan, and then looked at Chen Ping angrily: “Chen Ping, you fucking dare to hit me. I won’t let you out of this room today, so give me Wait!”

Yuan Hua said, slamming the door and leaving to find his cousin!

“Brother Chen, please apologize quickly, or we two should leave first!”

Chen Erga pulled Chen Ping’s sleeve and said anxiously.

“Erga, sit still, I’ll give you a chance today!”

Chen Ping smiled slightly at Chen Erga.

Just when Yuan Hua slammed the door and was about to go out, the door of the box was suddenly pushed open, and Xiao Lei rushed over sweating profusely!

When Yuan Hua saw it was Xiao Lei, he hurriedly smiled and greeted him: "Mr. Xiao, you have been waiting for me. Please sit down!"

Yuan Hua asked Xiao Lei to sit down with a flattering look on his face, and other students also stood up one after another and greeted him with smiles!

But Xiao Lei ignored them and didn't even look at Geng Shanshan. He glanced directly. When he saw Chen Ping, his body trembled slightly and he walked over quickly!

"Mr. Chen, I heard that you were looking for me, so I came right away!"

Chapter: 354

Xiao Lei walked up to Chen Ping and said respectfully!

boom.....

At this time, everyone present except Geng Shanshan was shocked on the spot. Their mouths were wide open and their eyes were about to pop out!

The young master of the Xiao family actually spoke to Chen Ping so respectfully. What was going on?

Shouldn't the two of them be love rivals?

Glancing at the shocked crowd, Chen Ping sneered and said to Xiao Lei, "I heard that your Xiao family has business dealings with him?"

Chen Ping pointed at Yuan Hua!

Xiao Lei glanced at Yuan Hua, then carefully looked at half of Yuan Hua's swollen face, and guessed what was going on, so he said: "Mr. Chen, we have two real estate projects, and part of the project has been contracted to this person, but We will terminate the cooperation immediately, and I will send people to strictly inspect the quality of the project. If there is any unqualified part, I will deduct the project payment and then sue him to bear the loss!"

Chen Ping nodded slightly and had to admit that Xiao Lei's reaction ability was pretty good!

“Mr. Xiao, what do you mean? Our cooperation...”

“Our cooperation is terminated, and then the project funds are withheld. You also have to bear our losses. Do you understand?”

Xiao Lei looked at Yuan Hua and roared coldly!

He was respectful in front of Chen Ping, but that didn't mean he was respectful to everyone!

“This this.....”

Yuan Hua couldn't say a word. His mind really couldn't figure out what was going on!

“Your attitude today saved your life, but it couldn't save the Xiao family...”

Chen Ping stood up, patted Xiao Lei on the shoulder and said!

Chen Ping didn't let Xiao Lei go so easily. He let the Xiao family go. He didn't have to kill Xiao Lei, but he couldn't escape the death penalty!

When Xiao Lei heard this, he knelt down in front of Chen Ping with a bang, his face turned pale with fright.

“Mr. Chen, as long as Mr. Chen can let my Xiao family survive, my Xiao family is willing to do anything to repay Mr. Chen. In addition, we have two real estate companies, all of which will be donated to Mr. Chen's name!”

Xiao Lei said and actually took out two contracts!

Seeing this, Xiao Lei was prepared before coming, which proves that this guy is not just a playboy. He wants to give Chen Ping a gift to make Chen Ping mistakenly think that he has surrendered and is no longer a threat!

But there has never been a chance to give Chen Ping a gift, and no one is willing to take care of it. After all, Chen Ping has two big guys, Gu Wentian and Lin Tianhu, behind him. Today is a once-in-a-lifetime opportunity, and of course Xiao Lei will seize it!

Looking at the two contracts that Xiao Lei took out, Chen Ping was a little surprised. The Xiao family started in real estate, and now that these two real estate companies have been given to Chen Ping, I am afraid that the Xiao family's status in Hongcheng will plummet. .

Chapter: 355

However, a skinny camel is bigger than a horse. Even if it plummets, it is not something ordinary people can compare with. Now Xiao Yan and his son no longer care about money. They just hope to temporarily save their lives, save the Xiao family, and recharge their batteries!

Chen Ping took over the contract. When Xiao Lei saw Chen Ping taking over the contract, he was extremely happy. As long as Chen Ping could acquire these two companies, the Xiao family would be saved!

“Since your Xiao family is so sincere, I will let you go!”

Chen Ping took the contract and signed it directly!

The reason why Chen Ping wanted these two companies from the Xiao family was because he was too short of money. The two bags of medicinal materials sent by Su Yuqi cost several million. Now even on the top of Panlong Mountain, the spiritual energy is very thin. All kinds of resources will also be exhausted!

If Chen Ping wants to practice, there is only one way, which is to buy precious medicinal materials and then refine the Spirit Gathering Pill to help him practice. He has to reach the foundation building stage before July 15th. Only when he reaches the foundation building stage, Only then can we board the Unnamed Island!

If you only rely on this thin spiritual energy to practice, you will not be able to reach the foundation building stage in the year of the monkey and the horse and the moon!

“Thank you, Mr. Chen, for not killing me. Thank you, Mr. Chen, for not killing me!”

Xiao Lei kowtowed excitedly and thanked him!

“you can go now!”

Chen Ping waved his hand indifferently!

Xiao Lei stood up, bowed to Chen Ping, turned around and walked out, without even looking at Geng Shanshan from the beginning to the end!

“Mr. Xiao, we have signed a contract. Why do you cancel the cooperation just because you cancel it? And the project payment must be paid to me!”

Yuan Hua stopped Xiao Lei directly and said.

“Go away!” Xiao Lei looked impatient: “I won’t give you a knot, what can you do?”

“Xiao Lei, don’t think that I’m afraid of you because you are from the Xiao family. Look at the way you knelt down to Chen Ping. If you cancel the cooperation, you have to give me the money. My cousin is a member of Master Hu. If you really want to If you push me hard, I’m not afraid of you at all!”

Yuan Hua was heartbroken and shouted at Xiao Lei!

Although he didn’t understand why Xiao Lei was afraid of Chen Ping, he had to get the project money back, otherwise his company would not be able to operate!

Although the Xiao family is powerful, compared with Lin Tianhu’s reputation, it is still inferior, so Yuan Hua wants to use Lin Tianhu to beat Xiao Lei!

“Idiot.....”

Xiao Lei glanced at Yuan Hua with disdain, ignored him, and left!

Lin Tianhu listened to Chen Ping honestly, but this Yuan Hua actually used Lin Tianhu’s name to show off his power!

Seeing Xiao Lei leaving, Yuan Hua’s face was full of anger and he glared at Chen Ping fiercely. All of this happened because of Chen Ping.

“Chen Ping, although I don’t know what method you used to make that coward Xiao Lei be afraid of you, but I’m not afraid of you. I’m going to kill you today!”

Chapter: 356

After Yuan Hua finished speaking, he walked out directly to find his cousin!

The atmosphere in the box instantly fell into embarrassment. No one said anything. They all looked at Chen Ping. They couldn’t understand how Chen Ping became so awesome. Even the young master of the Xiao family was afraid of him!

Only Jiang Wenjing looked at Geng Shanshan, with a bit of confusion on her face and said: “Geng Shanshan, did you break up with Xiao Lei, and are you no longer the young mistress of the Xiao family?”

As soon as Jiang Wenjing said this, all the students looked at Geng Shanshan with questioning eyes!

Geng Shanshan’s face turned red and she was full of embarrassment!

But now that the matter had come to this, she couldn’t hide it anymore even if she wanted to, so she could only nod!

“Damn, why did you keep talking for Chen Ping just now? It turned out that Xiao Lei got kicked!”

“Looking at how Xiao Lei acted just now, he will definitely not dare to marry Geng Shanshan again!”

“You are not the young lady of the Xiao family anymore, why are you pretending!”

When everyone saw that Geng Shanshan had admitted it, everyone immediately showed great dissatisfaction. If Geng Shanshan did not have the identity of the young mistress of the Xiao family, she would be nothing. Who would fawn over her?

“Brother Chen, let’s go. You don’t know that Mr. Tiger is really powerful and can kill without blinking an eye!”

Although Chen Erga was shocked that Chen Ping could make Xiao Lei fear him so much, now Yuan Hua went to find his cousin, and his cousin was Lin Tianhu’s. He was afraid that Chen Ping would offend Lin Tianhu and be killed by Lin Tianhu!

Seeing Chen Erga's scared look, Chen Ping smiled slightly: "Have you seen Lin Tianhu?"

"No!" Chen Erga shook his head.

"Since I haven't seen him before, how do I know he kills people without batting an eyelid?" Chen Ping said with a smile.

"Brother Chen, you have been in prison for the past few years. You don't know what's going on outside. Master Hu's Juyi Hall and Feng Sihai's Chilong Gang have been very brutal in their killings. More than 20 people were killed once. In this case, Almost everyone in the city knows about it."

Chen Erga said with fear in his eyes.

"Don't worry, as long as I'm here, nothing will happen!" Chen Ping smiled and patted Chen Erga on the shoulder, then threw the two transfer contracts in front of Chen Erga: "Please help me with these two companies. Take care of it, I don't have time myself!"

Chen Erga was stunned for a moment: "Chen...Brother Chen, this...this is not possible, and I don't know how to manage it!"

"Who doesn't know how to study?" Chen Ping put the contract into Chen Erga's hand: "From now on, if you straighten your back, others will call you Mr. Chen!"

Chen Erga held the two contracts, his hands were trembling, his face was red, and he was so excited!

At this moment, he was imagining the scene when others called him Mr. Chen!

The other students looked at it, their eyes were red, and they were almost jealous to death. The two real estate companies had assets worth hundreds of millions. In the blink of an eye, Chen Erga became the CEO of a company worth hundreds of millions!

At first, some students regretted not being polite to Chen Ping like Chen Erga from the beginning. If so, maybe they could benefit from it too!

Chapter: 357

At this moment, the box door was suddenly kicked open, and a young man wearing a white shirt and black suit walked in, followed by several security guards!

“Cousin, this guy hit me, you have to avenge me!”

Yuan Hua pointed at Chen Ping and said!

Cousin Yuan Hua glanced at Chen Ping coldly, and then said to Yuan Hua: “Is it just him?”

Yuan Hua glanced at several classmates, who were so frightened that they distanced themselves from Chen Ping.

Chen Erga was struggling extremely at this time, his legs were shaking with fear, but in the end he still didn't move!

“And the kid next to him, let me destroy him, damn...”

When Yuan Hua saw that Chen Erga was still sitting next to Chen Ping, he immediately became angry!

“You are such a fucking loser. Just these two monkey-like guys beat you up?”

Cousin Yuan Hua slapped Yuan Hua on the head and cursed angrily!

Yuan Hua said with aggrieved face: “Cousin, this guy just came out of prison and learned a few tricks. I can't beat him!”

“Shout! It's still on the road.

When Cousin Yuan Hua heard this, he suddenly raised his lips and said, “Brother, which road is this on?” ”

Cousin Yuan Hua thought that Chen Ping had been in prison and was just living in society!

“Cousin, that’s bullshit. He was his girlfriend and was played by that Xiao Lei. When he was angry, he beat Xiao Lei with a brick and was sentenced to three years in prison!”

Yuan Hua hurriedly followed his cousin to explain!

“What the hell! Is there such a thing?” Cousin Yuan Hua was stunned for a moment, and then laughed loudly: “This kid really looks like an unlucky guy, but if he dares to hit my cousin, he won’t be serving three years in prison. It’s so easy!”

After cousin Yuan Hua finished speaking, he suddenly grabbed a wine bottle and smashed it on Chen Ping’s head!

“ah.....”

Several timid girls screamed when they saw this.

Chen Erga turned pale with fright, but seeing that Chen Ping was about to be hit, Chen Erga gritted his teeth, stood up and picked up the stool.

But before he could take action, Chen Ping, who had been sitting still, punched him out!

The last one arrived first. Cousin Yuan Hua was punched in the stomach and flew backwards!

The severe pain made cousin Yuan Hua hunched over and his face looked extremely ferocious!

Chapter: 358

“Cousin, are you okay?”

Yuan Hua asked as he hurriedly supported his cousin.

“Come on, kill him...”

Cousin Yuan Hua roared angrily, and upon seeing this, several security guards rushed forward with rubber sticks!

“Brother Chen, leave quickly, I’ll fight them...”

Chen Erga carried a stool and rushed up to meet him!

But just when Chen Erga and the security guards were on the verge of breaking out, a figure flashed past, and then all the security guards fell to the ground, moaning in pain!

These people are all Lin Tianhu’s subordinates, and they can be regarded as his own subordinates, so Chen Ping did not kill him, otherwise these people would not be alive!

Seeing the scene in front of them, everyone was dumbfounded, and Yuan Hua was even more stunned. This Chen Ping is too powerful, and several people can’t beat him?

Cousin Yuan Hua did not expect that Chen Ping would be so strong. He endured the severe pain and said, “Go and invite Mr. Tiger!”

Soon, someone went to invite Lin Tianhu!

As soon as they heard that Lin Tianhu was coming, all the students became nervous. Although it was none of their business, Lin Tianhu’s name also made them tremble!

“Brother Chen?” Chen Erga, who was holding a stool, looked at Chen Ping and shouted.

“Erga, are you scared?” Chen Ping asked with a slight smile.

Chen Erga gritted his teeth and shook his head: “Since we have come this far, there is nothing to be afraid of. The most important thing is to fight for your life!”

Chen Ping smiled and said nothing!

“Chen Ping, Lord Tiger is coming, you are dead, I will cut you to death with a thousand knives!”

When Yuan Hua heard that he was going to invite Lin Tianhu, he suddenly became excited!

“I’ll wait!” After Chen Ping said that, he sat back directly, with a very calm expression on his face!

On the other side, Lin Tianhu was waiting for Chen Ping on the third floor, but he didn’t see Chen Ping coming for a long time. He didn’t dare to call again to urge him, so he could only keep waiting!

“Master Hu, something happened downstairs. Someone was making trouble in the box and beat Brother Biao!”

A waiter hurried to a private room on the third floor and followed Lin Tianhu.

“Damn it, who dares to come to my restaurant to cause trouble? Is he from the Red Dragon Gang?”

When Lin Tianhu heard this, he immediately stood up and hurried downstairs!

Chapter: 359

“I don’t know, I heard it’s very powerful!”

the waiter replied.

Lin Tianhu frowned. If he was very strong, he would obviously come here to cause trouble. Now, except for the Chilong Gang, no one dared to cause trouble in his territory. Feng Sihai had just suffered a loss a few days ago, so it would not be wrong to come here to cause trouble at this time. impossible!

Soon, Lin Tianhu arrived at the private room on the second floor and kicked the door open. Just when he was about to curse angrily, he saw Chen Ping sitting there, and then Lin Tianhu was shocked!

“Master Tiger, he...”

Cousin Yuan Hua stood up with difficulty and was about to say something to Lin Tianhu, but saw that Lin Tianhu didn’t even look at him and walked directly towards Chen Ping!

Seeing Lin Tianhu walking towards Chen Ping, Yuan Hua smiled on his face: "Chen Ping, just wait for Master Hu to kill you!"

Just as Yuan Hua finished speaking, he saw Lin Tianhu walking up to Chen Ping and respectfully shouting: "Mr. Chen!"

Chen Ping didn't say anything, he just put the tea cup down, and Lin Tianhu immediately filled it with tea!

At this moment, everyone was stunned again, and their eyes were about to pop out in shock!

Just now Xiao Lei came and stood beside Chen Ping like a servant. Now that Lin Tianhu is here, he still has the same attitude.

They really can't understand how awesome Chen Ping is!

And Yuan Hua and his cousin were just stupid!

"Hu... Mr. Hu, who is this gentleman?"

Cousin Yuan Hua was not stupid either. He immediately saw that something was wrong and hurriedly walked over!

"Biaozi, how many years have you been with me?"

Lin Tianhu did not answer him, but asked aloud.

"Master Hu, it's been five...five years!"

Biaozi's heart trembled and he stumbled back.

"Five years, it's really a long time!" Lin Tianhu patted Biaozi's shoulder with a calm face!

At this moment, that Biaozi was so frightened that he knelt down directly in front of Lin Tianhu!

He has followed Lin Tianhu for five years and knows that the calmer Lin Tianhu is, the stronger his murderous intention is!

“Master Tiger, spare my life, Master Tiger, spare my life...”

Biaozhi kept kowtowing to Lin Tianhu!

Chapter: 360

Lin Tianhu was unmoved and took out a sharp dagger and threw it to the ground: “Broken hand!”

Biaozhi looked at the dagger on the ground. After hesitating for a moment, he picked it up and chopped it down hard!

“ah.....”

A shrill scream sounded, and Biaozhi’s left hand was chopped off!

Seeing this bloody scene, everyone was frightened, especially Yuan Hua!

“Thank you Mr. Tiger for not killing me!”

Biaozhi clutched his broken wrist tightly, endured the severe pain, and followed Lin Tianhu to say thank you!

“Don’t thank me, thank Mr. Chen!”

Lin Tianhu said coldly.

“Thank you Mr. Chen for not killing me!”

Biaozhi knelt down directly to Chen Ping!

“Cousin...cousin?”

Yuan Hua looked at his cousin in confusion, not knowing what to do!

“Why don’t you get down on your fucking knees!”

Biaozhi shouted at Yuan Hua!

Yuan Hua knelt down with a pop. He didn’t know who he was kneeling for. Anyway, he just knelt on the ground, lowered his head and no longer dared to speak!

Chen Ping stood up and walked out of the box!

“Biaozhi, your cousin was rude to Mr. Chen, you can take care of it yourself!”

Lin Tianhu followed Chen Ping, looked at Biaozhi coldly and said.

“Master Hu, I understand!”

Biaozhi nodded repeatedly.

“And this woman!” Chen Ping pointed with his hand when he passed by Liu Jiajia!

Liu Jiajia was so frightened that her face turned pale and her whole body was shaking. When Chen Ping pointed at her, she fainted from fright.

“Mr. Chen, I understand!” Biaozhi replied!
