

## **The Order 3511**

Chapter: 3511

Every sharp edge contains the power to destroy heaven and earth. Even a huge boulder can be split into powder in an instant!

Liu Rui looked a little worried when he saw this. After all, Chen Ping had just recovered, how could he face Tong Youcai's sharp moves!

At first, Chen Ping also fought hard to get Tong Yougong injured. Now Tong Youcai's killing move is coming. Liu Rui doesn't know if Chen Ping can withstand it!

Liu Rui helped a little, but with her strength, she might not be able to stop him at all!

At this time, Chen Ping's eyes were slightly focused, and he saw that Tong Youcai's attack turned out to be a killing move. He obviously wanted to defeat the enemy with one move and take down himself!

Chen Ping's indestructible golden body was activated, and bright golden light radiated from Chen Ping's body.

Immediately afterwards, the dragon-slaying sword in his hand also swung down, and in an instant, he swung out countless sword energy and faced him directly!

The blades and the sword energy collided together, making a huge sound!

The scattered energy swept around like a tornado!

Everyone around them exudes aura, forming a barrier to block the aftermath of the scattered energy!

When the smoke and dust dispersed, Chen Ping stood quietly with the Dragon-Slaying Sword in hand, motionless!

Tong Youcai's face was gloomy. Looking at Chen Ping in front of him, Tong Youcai felt that his face was burning!

He was the God of Martial Arts. Facing Chen Ping, the Martial Saint, he struck out with all his strength without even being hurt at all!

It's so embarrassing to have so many elders from the sect watching!

Others couldn't help but look surprised when they saw that Chen Ping didn't move at all and was unscathed!

"It seems like this kid is really capable. No wonder he is so arrogant..."

Elder Pei said softly.

The uncle Wang behind Tong Youcai had a solemn expression, his brows were slightly furrowed, and his eyes were fixed on Chen Ping!

"It's too weak. Your sword is far inferior to your brother's..."

Chen Ping said with a hint of sarcasm.

Tong Youcai was furious. He was most annoyed by people saying that he was not as good as Tong Youcai.

"Boy, you are looking for death..."

Tong Youcai shouted loudly and swung his knife again!

This sword actually emitted a sky-wide edge, overwhelming the sky and covering the earth, completely covering Chen Ping!

Chapter: 3512

Chen Ping unhurriedly raised the dragon-slaying sword, accompanied by a dragon roar!

A sharp sword energy shot out from the dragon-slaying sword into the sky.

The sword energy turned into a golden dragon, soaring straight into the sky, and then the golden dragon turned into thousands of golden lights, rapidly falling from the sky!

All the blades in the sky were blocked, and one of the sword beams stabbed Tong Youcai straight!

Tong Youcai's expression changed and he quickly drew out his sword to stop him!

clang.....

With a crisp sound, Tong Youcai felt as if his body had been hit by a huge boulder from the sky. The huge force made Tong Youcai's arms numb and his feet sinking deeply into the ground!

Everyone looked at the scene in front of them with incredible expressions. None of them could have imagined that a Martial Saint could burst out with such power!

"The sword in his hand is a spiritual sword with spiritual wisdom activated. No wonder he has such courage to fight with the God of War."

Uncle Wang stared at the dragon-slaying sword in Chen Ping's hand and said.

When everyone heard this, they couldn't help but turn their attention to Chen Ping's Dragon-Slaying Sword!

“No wonder a martial saint can explode with such power. It turns out he has a peerless spiritual sword in his hand.”

Elder Pei’s eyes glowed with greed!

The elders of other sects also have greedy looks on their faces. Such a sword is simply a waste in the hands of a martial saint.

If this sword is in their hands, it will definitely be more powerful!

Chen Ping smiled coldly after listening to what a few people said.

“Since you think it’s the sword in my hand that brings me strength, then I won’t use the sword for this last move.”

Chen Ping flipped his palm and the Dragon-Slaying Sword disappeared.

His fists were clenched, and the golden light on his body shone.

He was planning to fight with Tong Youcai with his bare hands!

A Martial Saint, with bare hands, fights with a Martial God, and the opponent is still holding a weapon?

Are you tired of living?

In everyone’s eyes, Chen Ping was tired of living and actively sought death!

At this moment, Tong Youcai felt extremely insulted. The long knife in his hand exuded a coquettish red color, and he was trying his best to circulate the breath in his body!

Chapter: 3513

With this strike, Tong Youcai knew that no matter whether he could kill Chen Ping or not, he would lose all face!

He had never thought that Chen Ping, a martial saint, could withstand two of his moves and actually take the top spot!

For a moment, everyone was waiting quietly for Tong Youcai's blow. In fact, what they were looking forward to more was to see how Chen Ping could take Tong Youcai's blow with his bare hands!

"ah....."

Tong Youcai roared and swung the long knife in his hand.

The endless red light instantly turned the sky red, and Chen Ping flew into the air, with light flashing on his fists. He pierced through the red light and smashed towards Tong Youcai!

"Holy Light Fist....."

Chen Ping was like a flying fairy from the sky, his body exuding golden light. Before the person arrived, the endless aura was already pressing on the Tong Youcai's body in an instant!

"don't want....."

Tong Youcai's eyes showed fear, and he blocked his face with the long knife in his hand!

boom.....

Chen Ping's punch hit Tong Youcai's long knife hard!

Click.....

With a crisp sound, Tong Youcai's long knife instantly broke into two pieces!

And Tong Youcai's body was directly punched by Chen Ping and smashed into the ground!

As the smoke and dust disappeared, Tong Youcai was lying in a deep pit, vomiting blood, and his body was even more miserable!

A pair of eyes looked at Chen Ping in disbelief.

He is a Martial God, a true Martial God. He has not modified his genes. His strength as a Martial God is achieved through his own hard work.

But now he was beaten so embarrassingly by a martial saint?

Everyone looked at the embarrassed Tong Youcai, their eyes widened in shock!

Just now they said that Chen Ping's strength was due to the sword in his hand!

But now Chen Ping, with his bare hands, actually smashed Tong Youcai directly into the ground!

What else can they say now?

What other excuse can I make?

Chapter: 3514

For a moment, the atmosphere froze, as if time had stopped at this moment, and everyone had a look of disbelief on their faces!

At the same time, on a mountain peak outside Chunyang Sect!

Yue Buqun was sitting in front of a very strange-looking stone!

One side of the stone seems to have been polished manually, it is very smooth and bright, like a mirror!

On the stone, three characters are carved: Sansheng Stone.

Yue Buqun bit his finger, and then a drop of bright red blood dripped on the three-life stone. Soon the three-life stone flashed with a coquettish red light!

When the Sansheng Stone was flashing red light, Yue Buqun put a piece of hair on it!

There are words in your mouth!

“Three lives and three lifetimes, past and present lives, past and present, all vividly in my mind...”

Soon, Chen Ping’s shadow appeared on the Sansheng Stone!

This hair belongs to Chen Ping, and this Sansheng Stone can see people’s past and present lives through Mou Jie.

Yue Buqun was very curious about Chen Ping’s ability, so he wanted to know who Chen Ping was.

Although Chen Ping is not an evil cultivator, Chen Ping’s various behaviors also let Yue Buqun know that he is no ordinary person!

Yue Buqun used the magic formula, and a stream of breath hit the three-life stone. Chen Ping’s figure kept flashing across the mirror of the three-life stone!

It's just that Chen Ping's figure is very blurry, even intermittent!

Yue Buqun frowned slightly when he saw this, so he couldn't see any information about Chen Ping at all!

After a moment, Yue Buqun gritted his teeth, and then sprayed a mouthful of blood from the tip of his tongue on the Sansheng Stone!

The Sansheng Stone suddenly shook, and a red light suddenly appeared, almost reflecting half of the sky red!

"Three Life Stones, quickly figure out this person's life experience..."

Yue Buqun kept shouting!

The Sansheng Stone began to shake violently, and even made a buzzing sound!

boom.....

Suddenly, the Sansheng Stone exploded with a loud noise, and the impact was huge, even knocking over Yue Buqun in front of him!

When Yue Buqun saw this, he was shocked. Fortunately, he had taken precautions and was not injured.

Chapter: 3515

But the Sansheng Stone was destroyed!

Looking at the broken Sansheng Stone, Yue Buqun's face was filled with shock!

"How...how could this happen?"

Yue Buqun picked up a piece of gravel and felt heartbroken!

“Is this a secret? Is this Chen Ping’s life experience a secret?”

“The secret must not be leaked...”

The more Yue Buqun thought about it, the uglier his face became, and in the end his whole body was trembling slightly!

“This Chen Ping is definitely not a mortal, definitely not...”

Yue Buqun threw away the gravel in his hand and disappeared in a flash...

.....

At the entrance of Chunyang Sect!

Tong Youcai was so embarrassed by Chen Ping’s punch that he only managed to crawl out of the ditch with half his life left!

“You...how can you be so strong? It shouldn’t be, this shouldn’t be...”

Tong Youcai looked at Chen Ping with disbelief on his face!

In front of so many people, as the second son of the Tianlei Sect and a strong martial artist, he was beaten so embarrassingly by Chen Ping, the martial saint!

Tong Youcai knew that after this battle, he might become a laughing stock in the hidden world!

“Young master, are you okay?”

Uncle Wang next to Tong Youcai stepped forward and asked with great concern!

The caring look in Uncle Wang's eyes made people wonder, thinking that Tong You was his son!

"Uncle Wang, kill him, kill him for me..."

Tong Youcai shouted that he could only calm down the anger in his heart by letting Chen Ping die!

"good!"

Uncle Wang nodded without any hesitation, and then looked at Chen Ping with a gloomy expression!

"Boy, you hurt our young master in public, you deserve to die..."

Chapter: 3516

Uncle Wang gritted his teeth, and the aura on his body exploded instantly.

Chen Ping looked at Uncle Wang like that and sneered: "Why do I look less like your young master and more like your son? Even if I beat my son, you wouldn't be so angry, right?"

Chen Ping just wanted to tease Uncle Wang, but who knew that his words seemed to sting a certain nerve of Uncle Wang, causing him to become furious instantly!

"you wanna die....."

Uncle Wang shouted angrily, and instantly he was in front of Chen Ping, and then he grabbed Chen Ping!

His strength was obviously much higher than that of Chen Ping. Seeing this, Chen Ping could only mobilize the spiritual power in his body to the extreme!

Chen Ping didn't know at this moment whether he could take Uncle Wang's blow. After all, there was a big gap in strength between the two!

"You, the Tianlei Sect, use your big one to bully the small ones. Is this your skill?"

When Liu Rui saw this, he shouted hurriedly, intending to use this to make Uncle Wang stop!

Because she knew that Chen Ping couldn't withstand the opponent's blow at all!

It's just that Uncle Wang didn't care at all. The overwhelming power of his palm had already pressed against Chen Ping!

"Holy Light Fist..."

Chen Ping roared with all his strength, his fist flashed with golden light. No matter what, Chen Ping would go all out to receive this palm!

But just when Chen Ping was about to punch, a figure suddenly appeared in front of him and blocked him directly!

Then an explosion was heard!

Uncle Wang instantly took a few steps back, and the figure in front of Chen Ping also swayed, taking three steps back in a row!

"Sect Master Yue..."

The person coming was none other than Yue Buqun, who blocked Chen Ping's palm!

“Wang Defa, you are an elder, but you attack a junior, how shameless are you?”

Yue Buqun looked at Uncle Wang and said with a mocking expression.

“Yue Buqun, you are openly protecting an evil cultivator. This guy is an evil cultivator. What kind of junior is he!”

“Everyone has access to evil cultivators and will punish them. What’s wrong with me attacking evil cultivators?”

“You, on the other hand, dare to protect this evil cultivator in front of all of us. What do you mean?”

Wang Defa asked Yue Buqun sharply.

Chapter: 3517

“You fart, did you see with that eye that he is an evil cultivator? Could it be that evil cultivators are those of your Tianlei Sect who can be defined by just opening your mouth?”

“Then what about your Tianlei Sect’s genetic modification?”

“Don’t you know that violating the laws and forcibly increasing your strength will be punished by God?”

Yue Buqun also questioned Wang Defa loudly!

“You’re just farting, elders, don’t listen to his nonsense!”

Wang Defa hurriedly said to several elders from other sects.

“Wang Defa, am I talking nonsense? What you did can be hidden from anyone, but you can’t hide it from me. You have forgotten my ability.”

“Now, do you want me to tell you your story in public, so that everyone can have fun...”

Yue Buqun looked at Wang Defa with a sneer and said.

“Yue Buqun, how dare you...”

Wang Defa’s face turned cold and his expression became tense!

“You see if I dare.” Yue Buqun snorted coldly, and then continued: “Wang Defa, as an elder of the Tianlei Sect, you are also the brother of Tong Haiyang, but you...”

“Yue Buqun, shut up...”

Wang De panicked and slapped Yue Buqun with his palm, but Yue Buqun dodged it!

“Yue Buqun, you have the guts, forget it today, let’s see...”

After Wang Defa finished speaking, he directly picked up Tong Youcai and left!

When the elders of other sects saw this, they didn’t know what to say and left one after another!

After everyone left, Liu Rui asked curiously: “Master, do you know Wang Defa’s secret? Tell us about it.”

“You are a little girl. What are you curious about? Go and practice hard.”

“You two are older than Brother Chen, but you are not as powerful as our enemies. You still have the nerve to inquire about things!”

Yue Buqun scolded Liu Rui and Liu Xing!

Liu Rui smiled and then ran away. Liu Xing also nodded. At this time, he was so proud that he was truly convinced of Chen Ping!

No matter what realm Chen Ping displayed, his true strength was beyond his reach!

Just as Liu Xing and Liu Rui walked back, Chen Ping asked Yue Buqun: "Sect Master Yue, what secret does Wang Defa have? He seems so afraid of you telling them?"

Chapter: 3518

Yue Buqun glanced at Chen Ping, laughed and said, "Brother Chen is also curious, but since you ask, I will tell you."

Then Yue Buqun leaned into Chen Ping's ear and whispered a few words!

After hearing this, Chen Ping's face was full of surprise: "No wonder I just said that Tong You is his son, and this guy is so anxious..."

"Hahaha, people in the hidden world are also mortals, with ordinary hearts..."

Yue Buqun laughed!

the next day!

Chen Ping, led by Yue Buqun, headed towards the Medicine Refining Sect!

Along the way, Yue Buqun told Chen Ping a lot about the hidden sect!

The three sects and six sects of the Hidden World Sect actually used to have many sects, but they were slowly annexed later, and finally these three sects and six sects were left, occupying their own places!

Although the three sects and the six sects seem to be in harmony, they are all independent of the world and practicing their own practices, but behind the scenes they are constantly fighting!

Everyone wants to get the other's resources!

Originally, the Chunyang Sect was one of the top sects among the three sects and six sects. However, because Yue Buqun had a hidden disease in his body after fighting with the evil cultivator, he could only contribute resources to the Alchemy Sect and gain growth. Yuan Dan saves life!

Slowly, the Chunyang Sect's strength began to decline, and its resources became less and less. Now among the three sects and six sects, only the Chunyang Sect is the weakest!

Soon, Chen Ping followed Yue Buqun to a valley.

Chen Ping glanced at the valley. There was nothing there and it looked very barren.

"Sect Master Yue, is the Medicine Refining Sect located in this barren valley?"

Chen Ping was a little puzzled, who would build the sect in such a place where birds don't shit!

"Haha, Brother Chen, what you see is not what you believe. You don't even understand this sentence, do you?"

Yue Buqun laughed.

Chen Ping suddenly realized that there must be a formation in the valley, so what he saw was just an illusion!

I saw Yue Buqun wave his sleeve gently, and a light flashed in front of him.

Then the two people walked directly into the light!

When Chen Ping came back to his senses, he smelled the fragrance of medicinal herbs!

As far as the eye can see, there are medicinal herbs all over the mountains and plains, many of which are treasured by martial arts families, and they can be seen everywhere here!

Chapter: 3519

Moreover, the entire valley is filled with birds singing and flowers fragrant, as if it is a paradise!

“As expected of the medicine refining sect, this mountain of medicinal herbs is priceless...”

Chen Ping looked at the mountains of medicinal herbs and liked them very much!

Compared with the Medicine Refining Sect, his Medicine God Valley is really not even a little bit worse!

It is impossible for Medicine God Valley to have such a mountain of medicinal herbs!

Not long after Chen Ping and Yue Buqun walked into the valley, two medicine boys wearing commoners came over!

“Zongzhu Yue, our master knows that you are coming, and specially asked us to welcome you!”

The two medicine boys said politely to Yue Buqun.

However, Yue Buqun’s expression was not very good, and he just said lightly: “Lead the way...”

Following the two medicine boys, Chen Ping and the others entered the Medicine Refining Sect.

The sect of the Medicine Refining Sect is not luxurious. There are stone houses everywhere. However, inside the Medicine Refining Sect, as far as you can see, there are pill furnaces for refining medicine, which are constantly emitting green smoke!

From time to time, a ray of light will shoot out from the alchemy furnace. This is a sign of success in refining high-level elixirs!

Soon Chen Ping and the others entered a main hall, and a scrawny old man with an immortal spirit came up to them!

“Hahaha, Lao Yue, I figured you were almost done with the Zengyuan Pill, and it should be here in a day or two. I didn’t expect it to come!”

The old man laughed and patted Yue Buqun on the shoulder very familiarly!

While speaking, the old man looked at Chen Ping, and then asked: “Is this your new disciple? I haven’t seen him before!”

Yue Buqun didn’t look good. He wanted to open his mouth to ask about his body, but was interrupted by Chen Ping!

After all, Chen Ping is here to borrow the Rebirth Spring. If there is a stalemate with the other party from the beginning, it may not be easy to handle later!

When Yue Buqun saw Chen Ping’s eyes, he suppressed the anger in his heart, squeezed out a smile and said: “This is not my disciple, this is Brother Chen Ping and Chen...”

“Brother Chen, this is Bao Yukun, the leader of the Medicine Refining Sect.”

Yue Buqun introduced Chen Ping, and Chen Ping cupped his hand: “Hello, Sect Master Bao...”

Bao Yukun looked at Chen Ping with a strange look, and then asked Yue Buqun in confusion: "Lao Yue, it's not appropriate for someone your age to follow a young man in his twenties and call him brother-in-law, isn't it?"

"Is this man the young master of some sect?"

Bao Yukun felt that the reason why Yue Buqun could follow Chen Ping as a brother must be because of the power behind Chen Ping!

Chapter: 3520

"Sect Master Bao, I am just an unknown person from Kyoto's martial arts world, not some sect son."

Chen Ping explained with a slight smile.

Although Bao Yukun didn't believe it, he didn't ask further questions. Instead, he said to Yue Buqun: "Lao Yue, I have refined ten more Yuan-Zeng Dans. You don't know that this Yuan-Zeng Dan is too difficult to refine. In order to refine it, Making these ten Yuan-Zeng Dan has wasted a lot of my resources."

"I failed countless times before refining ten of them. If it weren't for my unusual relationship with you, I wouldn't care about the others."

Bao Yukun was complaining to Yue Buqun, telling him about his difficulties!

In the past, Yue Buqun still believed it and was very grateful to Bao Yukun every time!

But now, when he saw Bao Yukun like this, he suddenly felt very disgusted!

"Old Bao, let's not talk about the Zengyuan Pill today. I brought Brother Chen here because he wants to see the Rebirth Spring..."

Yue Buqun said.

Bao Yukun was slightly startled and said: "Lao Yue, aren't you here to exchange for Zengyuan Dan?"

"I remember that you probably have no more Zengyuan Pill now. You can't stop it, otherwise your life will be in danger."

Bao Yukun persuaded Yue Buqun.

Yue Buqun really wanted to scold Bao Yukun, but in order for Chen Ping to borrow the regeneration spring, Yue Buqun endured it for the time being.

"I still have two Yuan-Zeng Dan in my hand. Don't worry, let's talk about the Rebirth Spring!"

Yue Buqun smiled slightly.

"Lao Yue, you also know that the rebirth spring in our hidden world is a secret. How does he, a member of Kyoto's martial arts world, know this secret?"

"And what is his intention to see the Rebirth Fountain?"

"You also know that this rebirth spring is the property of all the three sects and six sects of our hidden world, and it does not belong to my family of alchemy sect, so I cannot let outsiders see it without making it clear!"

Bao Yukun said with caution.

"Of course I know this. The secret of this rebirth spring was told to Brother Chen by Bai Shitong."

"Besides, Brother Chen only looked at this rebirth spring to save his brother's life!"

"I think we are both martial arts practitioners, so we can't ignore death!"

Yue Buqun followed Bao Yukun politely.

“So that’s it!” Bao Yukun nodded: “But although this Rebirth Spring is the property of everyone in the hidden world, it is now under the control of my Medicine Refining Sect. If you want to use the Rebirth Spring, right...”
