

The Order 3541

Chapter: 3541

Although Long Xingxu cannot move, he can still see and speak!

“This is Chunyang Sect. I will take you to the Rebirth Spring later. Your muscles and bones will be well by then.”

Chen Ping said to Long Xingxu!

“Rebirth Fountain? What is this?”

Hu Mazi on the side asked.

“It’s a very magical spring. You only need to soak in it for seven or forty-nine days to fully recover.”

“I found this after a lot of effort. Just calm down. As long as I’m here, I will definitely let you stand up again!”

Chen Ping followed Hu Mazi and promised!

After contacting Bao Yukun, Chen Ping took Hu Mazi and Long Xingxu directly to Rebirth Spring!

Yue Buqun also sent his disciples to follow and protect Chen Ping and the others!

This rebirth spring will last for dozens of days. Bao Yukun has already evacuated his people, so the task of guarding the rebirth spring has been handed over to the Chunyang Sect!

Chen Ping soaked Hu Mazi and Long Xingxu in the spring water, and he himself jumped in, feeling the flow of the spring water quietly, and began to practice silently!

Heavenly Thunder Sect!

Tong Youcai's body was now covered with all kinds of tubes, and there was some green liquid flowing in the tubes!

In front of Tong Youcai is a glass container with green liquid inside that is constantly rolling and boiling!

Tong Youcai frowned, as if he was suffering from great pain!

Tong Youcai's mother looked nervous and watched quietly from the side!

"Old Wang, are you sure? This is your biological son. If you fail, your son will have his shortcomings and I will never end it with you!"

Tong Youcai's mother looked at Wang Defa and asked.

"Don't worry, this fund technology is already very mature."

After Wang Defa finished speaking, he stood in front of the glass container, bit his finger gently, and a few drops of blood dropped into the green liquid!

Although it was only a few drops of blood, Wang Defa seemed very tired!

As the green liquid continued to flow into Tong Youcai's body, Tong Youcai's body began to emit a faint green light, and the aura in his body began to expand continuously.

Looking at the situation in front of him, Wang Defa laughed: "Don't worry, within five hours, our son will become a brand new self!"

Chapter: 3542

Tong Youcai's mother nodded happily and took the initiative to throw herself into Wang Defa's arms!

Just when Tong Youcai's mother followed Wang Def to fight with each other, Tong Yougong was constantly being washed away by the terrifying aura of Si Guo Cliff!

Tong Haiyang slowly walked behind Tong Yougong. Seeing his son's painful look, the expression on his face was a little moved!

"Son, can you still hold on?"

Tong Haiyang asked.

When Tong Yougong saw his father coming, he stood up slowly, then nodded: "It's okay..."

"Don't blame me for being cruel. I asked you to come to Siguoya to train you and to protect you!"

Tong Haiyang explained.

"Dad, what do you mean? Why are you protecting me? Am I still in danger within the Tianlei Sect?"

Tong Yougong frowned slightly and asked in confusion.

"Don't ask so many questions. Just stay at Siguoya. When your realm improves again, I will let you out."

Tong Haiyang waved his hand and said.

"Dad, are Er Niang and Youcai trying to deal with me?"

"I know that over the years, Er Niang has not looked down upon me at all, and has always wanted Tong Youcai to take my place as the eldest young master!"

“Actually, if someone is talented enough to take on a big responsibility, I won’t object if the Tianlei Sect is handed over to him.”

Tong Yougong expressed his attitude!

“Fart!” When Tong Haiyang heard this, his face turned cold and he said, “You are the eldest master of the Tianlei Sect and my son, Tong Haiyang. From now on, you are the only one who can take over the Tianlei Sect!”

“You are not allowed to say such things in the future. From now on, you must learn how to govern the Tianlei Sect!”

Tong Yougong was slightly startled when he saw his father angry. He just said that just to show his openness, but he didn’t expect Tong Haiyang to be directly angry!

“Dad, I listen to you and I will work hard!”

Tong Yougong nodded and said.

Tong Haiyang looked at Tong Yougong with a look of love, and sighed softly: “Your mother died early, and she has made you suffer all these years. I only have a good son like you, and I am content!”

Tong Yougong looked at his father in surprise. Although he was very confused at the moment and didn’t understand why Tong Haiyang was so sentimental today, Tong Yougong didn’t dare to ask!

After leaving Siguo Cliff, Tong Haiyang forgot to glance at the southwest direction of Tianlei Sect. At this moment, in the southwest direction, a green light rose into the sky.

Chapter: 3543

The green light reflected on Tong Haiyang’s head, as if he was wearing a cuckold!

“Treat me, Tong Haiyang, as a fool, and I will slowly play with you...”

Tong Haiyang's eyes were slightly condensed, with a cold look in his eyes!

Regeneration spring!

Chen Ping has been soaking in the spring water for three days now, but during these three days, Chen Ping has been feeling the changes in the spring water all the time!

His spiritual consciousness flows with the spring water, and he wants to enter the sealed restricted area to see where the spring water flows!

During these three days, Chen Ping always felt that the spring water was not flowing endlessly, but more like a cyclic flow!

Under the full moon, Chen Ping slowly stood up from the spring.

Unconsciously follow the spring water towards the forbidden area!

But just after walking not far, Chen Ping felt a terrifying pressure, followed by severe pain, filling Chen Ping's mind!

"What a powerful taboo. It seems that the taboo formations set up by several hidden sects are really powerful..."

Chen Ping couldn't help but sigh!

Chen Ping's idea of forcibly breaking through the forbidden area was shattered. After all, with his current strength, he could not compete with the formations jointly deployed by several hidden sects!

Chen Ping returned to the Rebirth Spring helplessly. Looking at the spring water flowing out from under the mountains, Chen Ping felt very curious!

Why does this ordinary spring water have such an effect?

Looking at the spring water constantly pouring out of the spring, Chen Ping suddenly came up with a bold idea!

Since the flow direction of the spring water cannot be detected, is it possible to detect the source of the spring water?

Thinking of this, Chen Ping slapped the boulder at the spring with his palm. The boulder instantly cracked. Chen Ping planned to start digging the spring deep into the mountains with his bare hands!

Soon, Chen Ping dug forward more than ten meters along the spring. As Chen Ping continued to dig forward, the stones inside began to become harder and harder, and the color also turned blood red!

Chen Ping frowned slightly, because as he dug forward, the blood-red stones in front of him now exuded a strong sinister aura.

If it were just an ordinary mountain stone, it would be impossible for it to contain this kind of aura!

“Is there anything weird underneath this mountain range?”

Chen Ping was a little surprised, but he didn't stop, but continued to move forward!

But this time, just after digging a few meters forward, he was blocked by a huge boulder. Chen Ping punched out, but the boulder in front of him did not move at all!

Chapter: 3544

This time, Chen Ping was very surprised. You know Chen Ping's current strength. Let alone a stone, even an iron lump can be easily broken!

Chen Ping stepped forward and gently touched the boulder. Suddenly, a light flashed in his mind, and the wordless book shone brightly!

“Mountain-holding Stone!”

Soon, three big characters appeared in Chen Ping’s mind, followed immediately by the introduction of Zhenshan Stone!

Zhenshan Stone, as the name suggests, is a stone that guards the mountains.

Many sects directly choose their locations in deep mountains and old forests, and some even build sects in canyons. In order to prevent the mountains from collapsing and causing unnecessary losses, they will lay down mountain-holding stones to stabilize the mountains!

“Since there is a mountain-holding stone here, it proves that there was a sect before. Why is it gone now?”

“Is this rebirth spring related to the sect that existed here in the past?”

Chen Ping looked at the Zhenshan Stone in front of him and frowned slightly!

Now that the rock is blocking the way, it might be difficult for Chen Ping to continue digging forward!

“I still don’t believe how hard a stone can be...”

Chen Ping concentrated the power of the dragon on his fist, a dragon roar sounded, and the fist flashed with golden light!

“Holy Light Fist.....”

This time, Chen Ping threw out a punch with all his strength!

boom.....

Huge force bombarded the mountain rock, but the rock was not damaged at all, but the entire mountain range shook violently!

Chen Ping looked at the undamaged mountain rock, an unknown fire rose up, and he was about to punch it down again!

But at this moment, huge rocks began to roll down the tunnel that Chen Ping was digging, and it was about to collapse!

When Chen Ping saw this, he quickly turned around and ran out!

Rumble.....

With a huge sound, the mountain suddenly came down, and Chen Ping was directly trapped inside!

And above the mountains, a cave with a diameter of hundreds of meters and a depth of tens of meters was also revealed in the huge shaking!

The regeneration spring at the foot of the mountain started to stop flowing and soon became dry!

It's just that Chen Ping was pinned down the mountain and didn't know it at all.

Chapter: 3545

Hu Mazi and Long Xingxu woke up with a start, looking at the smoke and dust around them and the rebirth spring that had dried up under them, they were all confused!

Although the two of them were conscious, they couldn't move at all and could only sit and stare!

“Master Hu, what’s going on? Is it an earthquake?”

“Where’s Brother Chen Ping?”

Long Xingxu asked with a puzzled face.

It was fine just now, and it was very pleasant to soak in the spring water!

What happened in the middle of the night suddenly became like this!

Hu Mazi looked around and didn’t find Chen Ping at all. He frowned and said, “This guy has been extremely curious about the Rebirth Spring since he arrived.”

“I guess this movement may have been caused by him. This guy can’t stop for a while!”

While Hu Mazi and Long Xingxu were talking, Liu Xing, Liu Rui and several disciples were also attracted by the silence!

When they saw the spring water drying up, everyone showed a horrified expression!

However, they quickly carried Hu Mazi and Long Xingxu and rushed back to Chunyang Sect.

The drying up of the Rebirth Spring is a big deal, they must go back and report it!

At this time, no one thought that Chen Ping would be trapped under the mountain range!

After Yue Buqun learned that the Rebirth Spring had dried up, he was also very anxious. Just after it was handed over to Chen Ping, the Rebirth Spring dried up. What a coincidence!

“Where’s Brother Chen? Didn’t you see him?”

Yue Buqun asked Liu Xing and Liu Rui.

The two people shook their heads and said they didn’t see it at all!

“Master, if the Rebirth Spring has dried up, could it be caused by Chen Ping?”

“If it was really him who did it, it would be hard for us to explain it now!”

Liu Xing said worriedly.

“I feel it’s impossible. How could Mr. Chen be so capable of drying up the Rebirth Spring? This Rebirth Spring has existed for who knows how many years!”

Liu Rui felt that it couldn’t have been Chen Ping.

“Okay, don’t tell anyone about this yet, wait until Brother Chen comes back!”

Chapter: 3546

Yue Buqun couldn’t decide now. He could only wait for Chen Ping to come back and ask what was going on!

At this time, the Kunlun Mountains moved, attracting a large number of warriors. If such a huge mountain range moved, something strange must have happened!

At the same time, Chen Ping, who was pinned down the mountain, struggled to climb out. Protected by an indestructible golden body, and with his strong body, Chen Ping was not injured even though he was pinned down the mountain!

It took Chen Ping a full day to crawl out. When he saw the dry Rebirth Spring and the missing Hu Mazi and Long Xingxu, he immediately guessed that the two people must have been taken to Chunyang Sect.
!

Chen Ping rushed to Chunyang Sect without stopping. At this moment, Yue Buqun was anxiously waiting for Chen Ping!

The Rebirth Spring has dried up and the Kunlun Mountains are moving. With such a big movement, it is almost impossible to hide the secret!

Now that Chen Ping doesn't come back, Yue Buqun doesn't know what happened at all, and he can't explain it to the other major sects!

"Master, Mr. Chen is back..."

Liu Rui hurriedly ran in and said.

When Yue Buqun heard that Chen Ping was back, he hurried out to greet him, but when he saw Chen Ping's embarrassed look, he couldn't help but be a little surprised!

"Brother Chen, where have you been? Are you in such a mess?"

Yue Buqun asked.

"Zongzhu Yue, I'll talk to you later. I'll go take a drink of water first..."

Chen Ping entered the room, drank a bottle of water in one breath, and then took a breath!

"Brother Chen, what happened when the Rebirth Spring stopped flowing and the Kunlun Mountains moved abnormally?"

Chen Ping let out a long breath, and then told him about digging mountains along the springs!

When he heard that these things were done by Chen Ping and that Chen Ping was buried at the foot of the mountain, Liu Rui's eyes widened with disbelief on his face!

She didn't expect that Chen Ping really did this!

After hearing this, Yue Buqun also felt a headache and seemed a little helpless. The only one who could think of digging the Kunlun Mountains with his bare hands was Chen Ping himself!

However, this Rebirth Spring does not belong to his Chunyang Sect family, but is shared by three sects and six sects. Now that it has been destroyed by Chen Ping, how can he explain it?

"Zongzhu Yue, was there any sect in the Rebirth Spring place before? Otherwise, how could the mountain-holding stone appear?"

Chen Ping asked Yue Buqun.

Yue Buqun nodded and said: "There was indeed a Narcissus Palace in that place before, but it disappeared hundreds of years ago. No one can explain exactly how it disappeared!"

"Many people once wanted to find the ruins of Narcissus Palace, but they couldn't find it at all. Gradually, people forgot about it!"

Chapter: 3547

"If it hadn't been for the Rebirth Spring, no one would have gone to that place."

"Narcissus Palace?" Chen Ping frowned slightly, and then said: "Sect Master Yue, do you think the ruins of Narcissus Palace are in that mountain range?"

"It's possible that some people thought this way at the time, but who dared to break open the mountains and break the rocks into the mountains?"

“Let’s not talk about whether this will affect the Rebirth Spring, but even if we find the ruins of Narcissus Palace, no one will be able to enter!”

“I heard that the master of Narcissus Palace feeds on people and is extremely cruel. The entire Narcissus Palace is full of evil energy, so the ruins of Narcissus Palace must be very dangerous.”

Yue Buqun explained.

When Chen Ping heard this, he immediately thought of the evil spirit contained in those blood-red stones. From this point of view, the ruins of Narcissus Palace are likely to be in the mountains!

Including the broken regeneration spring, how could ordinary spring water have such magical effects? Most likely it was the spring water flowing through the ruins of Shuixian Palace, which made the spring water have magical effects.

“Master, Master.....”

At this time, Liu Xing ran in slightly anxiously!

When Yue Buqun saw Liu Xing like that, his face immediately darkened and he said, “What’s wrong?”

“A huge cave suddenly appeared on the Kunlun Mountains. A large number of warriors have already gone up the mountain. It may be related to this unusual movement.”

“Also, the major sects have sent letters asking you to come and discuss the matter of the Rebirth Fountain!”

Liu Xing said to Yue Buqun.

“What’s supposed to come will always come. I know I can’t hide it...”

Yue Buqun sighed softly.

“Zongzhu Yue, I was the one who caused the incident. I can accompany you and take responsibility for each person’s work.”

Chen Ping didn’t want to embarrass Yue Buqun!

“Brother Chen, if you go with me, you will definitely come back dead. I have a way to deal with it!”

Yue Buqun smiled faintly, then looked at Liu Xing and Liu Rui and said, “After I leave, you guys will stay at the sect and no one is allowed to go up the mountain. Do you hear me?”

“The environment on the mountain is complex, and many conditions are unknown. Even if the ruins of Narcissus Palace are revealed, it will only cause more people to die!”

Yue Buqun knew the danger of the Narcissus Palace ruins, so he didn’t want his disciples to die!

“Got it!” Liu Xing and Liu Rui nodded!

However, Chen Ping said with some embarrassment: “Sect Master Yue, I would like to go up the mountain and have a look. Maybe there is something in the ruins of Narcissus Palace that can heal my two friends.”

Chapter: 3548

“Brother Chen, since you want to visit the mountains, let Rui’er accompany you. After all, she is more familiar with this area, but you have to act within your capabilities. The ruins of Narcissus Palace are no joke.”

Yue Buqun warned Chen Ping again!

“Don’t worry, Sect Master Yue, I’m measured...” Chen Ping promised!

But looking at Chen Ping like that, how could Yue Buqun feel relieved? He had just let Chen Ping use the regeneration spring, and yet he had revealed such a big mistake.

But Yue Buqun didn't say anything, but turned around and left!

Heavenly Thunder Sect!

Tong Haiyang was also going to attend the meeting, but before leaving, he called Tong Youcai to his side!

At this time, Tong Youcai had greatly increased his strength after genetic modification. However, in front of Tong Haiyang, Tong Youcai tried his best to suppress his aura!

"Dad, what do you want from me?"

Tong Youcai asked.

"You are talented, have you heard about the sudden flow of the Rebirth Spring and the unusual movement in the Kunlun Mountains?"

Tong Haiyang asked.

"I heard that many people are spreading rumors that the ruins of Narcissus Palace have appeared, and many people have already climbed to Kunlun Mountain!"

Tong Youcai said!

"Yes, this unusual movement in the Kunlun Mountains is likely to be the appearance of the ruins of Narcissus Palace, so I plan to ask you to take people to investigate."

"But the ruins of Narcissus Palace are very dangerous, are you confident?"

Tong Haiyang gently patted Tong Youcai on the shoulder.

When Tong Youcai heard this, he was stunned for a moment, then a look of excitement appeared on his face: “Dad, you...you really want me to explore the ruins of Narcissus Palace?”

“Of course, if you don’t go, who else can go...”

Tong Haiyang nodded and said.

“Then...will my brother agree?” Tong Youcai asked.

“Hmph, your brother is still thinking about his past. He is such a loser and he is becoming more and more disappointing to me...”

Tong Haiyang snorted coldly.

When Tong Youcai heard this, he was extremely excited. He said firmly, “Dad, don’t worry. I will definitely find the ruins of Narcissus Palace. Even if there are mountains of swords and seas of fire inside, I will go and try.”

Chapter: 3549

“Well, he is worthy of being my son, Tong Haiyang, as he should be!” Tong Haiyang patted Tong Youcai on the shoulder with satisfaction, and then continued: “Bring more people with you. If those warriors from outside the world want to follow us, Fight for the ruins and kill without mercy...”

“Dad, can I take Uncle Wang with me?” Tong Youcai asked Tong Haiyang.

The reason why Tong Youcai wanted to take Wang Defa there was because Wang Defa was very powerful, and because Wang Defa was his biological father, he wanted Wang Defa to gain something from the ruins!

When Tong Haiyang heard this, a sinister look flashed in his eyes, but it was just fleeting, and then he said seriously: "Your Uncle Wang will stay at home, I will go out to attend the meeting, and you will leave too. Our Tianlei Sect has no leader. People like you can't do that!"

Tong Youcai heard that it made sense, so he nodded and said: "What dad said makes sense, then let Uncle Wang stay at home..."

After Tong Youcai turned around and left, looking at Tong Youcai's back, Tong Haiyang's eyes were filled with chills!

At this time, in a wing of the Tianlei Sect, Wang Defa was with Tong Youcai's mother!

Now that Tong Youcai's genetic transformation is complete, they are plotting to kill Tong Haiyang and control the entire Tianlei Sect!

"Mom, I'm going to the Kunlun Mountains. I'm going to look for the ruins of Narcissus Palace."

Tong Youcai was excited to find his mother!

But seeing Wang Defa also present, Tong Youcai closed his mouth in embarrassment!

"Youcai, what's going on? Why do you remember to look for the ruins?"

Tong Youcai's mother asked.

"Mom, it was my dad who asked me to go. Now there is something strange happening in the Kunlun Mountains. It should be that the ruins of Narcissus Palace have appeared. My dad asked me to take people to explore those ruins."

"There must be a lot of good things in the ruins of Narcissus Palace. Maybe this exploration can improve my strength a lot!"

“At that time, Tong Yougong will no longer be my opponent. Let me see how crazy he can be!”

Tong Youcai explained excitedly!

“The ruins of Narcissus Palace?” Wang Defa frowned slightly: “The ruins are extremely dangerous. Why would I let you explore it?”

“Of course I know that the ruins are dangerous. My dad asked me to take more people there to give me some experience.”

“What a great opportunity this is. Tong Yougong wanted to go, but my dad wouldn’t let him go. Now my dad is very disappointed with Tong Yougong.”

Tong Youcai said happily.

He was appreciated by Tong Haiyang, and Tong Haiyang’s attitude towards him changed, making Tong Youcai feel his own importance!

However, Wang Defa felt a little uncomfortable in his heart at this moment!

“Defa, why don’t you go with Youcai? If there is danger, you can help him resist it!”

Chapter: 3550

Tong Youcai’s mother said to Wang Defa.

“No, my dad said to ask Uncle Wang to stay at home. When we are gone, who will Tianlei send to take care of it?”

“I’m not a child anymore, and my genes have been modified. My strength has improved a lot now. What are you afraid of!”

“I won’t tell you anymore, I have to hurry up and take people with me...”

After Tong Youcai finished speaking, he happily took the people with him and headed towards the Kunlun Mountains!

At the same time, Chen Ping and Liu Rui were rushing towards the Kunlun Mountains!

At this moment, hundreds of warriors have gathered on the Kunlun Mountains, and these people are searching for the ruins!

Many people also discovered the natural cave that appeared, but it was so dark underneath the cave that no one dared to take the risk directly!

Tong Youcai led a dozen people from the Tianlei Sect to the Kunlun Mountains!

Looking at the hundreds of warriors on the mountain range, Tong Youcai jumped lightly and floated into the air. Then he shouted loudly: "This place has been set up as a restricted area by our Tianlei Sect. The rest of the people are waiting to leave as soon as possible." Those who leave will be killed without mercy..."

Tong Youcai's words instantly aroused the anger of many warriors!

"What kind of gang is this Tianlei Sect? Why are you so loud?"

"Looking at how young this kid is, he talks too crazy..."

"Why have I never heard of the Sky Thunder Sect?"

Many warriors talked about it, but seeing Tong Youcai's extraordinary strength, no one stood up!

At this moment, an old man stood up, exuding the aura of a peak martial saint. With this kind of strength, he would be considered a master among masters outside the hidden world!

“You Tianlei Sect, how come I have never heard that the Kunlun Mountains is a training ground for many warriors, and anyone can come, how come it has become a forbidden area for your Tianlei Sect?”

After the old man stood up, many people immediately stood up and loudly criticized Tong Youcai!

“You little brat, do you dare to use your own power to make an enemy of our entire martial arts world?”

“Don’t think you are awesome just because you can hang in mid-air. Who can’t do this?”

“I think you are the Sky Thunder Sect, so you better get out of here. If you cause public anger, I will let you die without a burial place!”

Many warriors were yelling and cursing, not paying attention to Tong Youcai at all!

“Hmph, a bunch of ignorant ants...”

Tong Youcai snorted coldly, and the martial god aura on his body exploded instantly, and in an instant, the aura was like a roaring wind, crushing towards the old man and the surrounding warriors!
