

## **The Order 3551**

Chapter: 3551

“Martial God, this is the spirit of the Martial God...”

“Such a young Martial God, so scary, so scary...”

Feeling the terrifying aura, everyone turned pale with fear!

The old man and those martial artists who were yelling and scolding just now had no time to react, and were instantly crushed to death by the martial god aura on Tong Youcai’s body...

Seeing this scene, the remaining warriors turned around and ran down the mountain as if they had seen a devil!

They all scrambled for the first place, fearing that they would be crushed by the terrifying Martial God Qi later!

“Hahaha, hahaha...”

Looking at the warriors who were running away like crazy, Tong Youcai laughed, with endless excitement in his laughter!

“Third Elder, you lead people to set up barriers all the way from the bottom of the mountain, and no one is allowed to come up the mountain.”

“The ruins of Narcissus Palace belong to our Tianlei Sect!”

Tong Youcai ordered to an old man.

“As ordered...”

The third elder took the order and led people to set up a trap from the bottom of the mountain!

Tong Youcai took the remaining people and headed straight for the cave that suddenly appeared!

About an hour later, Chen Ping and Liu Rui also arrived at the foot of the Kunlun Mountains!

At this time, many warriors were gathering not far from the foot of the mountain, with panic on their faces!

Seeing the panic of many warriors, Chen Ping was a little surprised. He didn't understand what happened here to make these warriors become like this!

“Mr. Chen.....”

At this time, someone suddenly called Chen Ping!

Chen Ping was stunned for a moment, and soon found a young man walking towards him quickly!

Chen Ping took a closer look and recognized it immediately. It turned out that the person coming was Jiang Wei from the Northwest Jiang Family. You must know that behind the Northwest Jiang Family is the Tianluo Tower in the secret realm.

“Brother Jiang, why are you here?”

Chen Ping asked in surprise.

You must know that the northwest is thousands of kilometers away from here. It is obviously unreasonable for Jiang Wei to come here. Even if there is any abnormal movement in the Kunlun Mountains, it is impossible for the Jiang family to receive news!

Chapter: 3552

Jiang Wei looked at Chen Ping and sighed softly: “Hey, Mr. Chen doesn’t know something. Since the recovery of Penglai Island’s spiritual energy failed, the life of our secret realm spokesperson family has been miserable.”

“The spiritual energy recovery failed, and those secret realm families had no use for us, so they abandoned us!”

“In the past, we relied on the resources of the Secret Realm family to support us. Now that no one provides resources, we can only look for resources everywhere!”

“We, the endorsement families, will no longer have the same glory as before...”

Along with Jiang Wei’s lament, Hong Qianjiu from the Hong family in East China, Qiao Zhiyong from the Qiao family in the Northeast, and Zhu Hao from the Zhu family in the Southwest also came over!

They all followed Chen Ping and said hello. They used to look down on Chen Ping, especially Zhu Hao, but since Penglai Island, who among them dares to disapprove of Chen Ping!

Chen Ping also felt a little emotional when he looked at these young masters who were so famous in the past!

As the saying goes, if the cunning rabbit dies and the lackeys cook it, and the spiritual energy recovery fails, these families will be of no use and become abandoned!

“Mr. Chen, are these all your friends?”

Liu Rui looked at Jiang Wei and the others in surprise and asked Chen Ping.

Because in Liu Rui’s eyes, people like Jiang Wei are not strong, how could they become Chen Ping’s friends!

“That’s right...” Chen Ping nodded!

Liu Rui rolled her eyes and said nothing more.

“Mr. Chen, are you here because of the unusual movements in the Kunlun Mountains and looking for ruins?”

Hong Qianjiu asked.

Chen Ping nodded: “Not bad...”

“Mr. Chen, you are late. This place has been occupied. We are the ones who were driven down the mountain.”

Jiang Wei said helplessly.

“Occupied by others? Who is so domineering?” Chen Ping was a little surprised!

With so many warriors here, which family can have such arrogant strength!

“It seems that someone from the Tianlei Sect is called the God of Martial Arts. He didn’t take any action just now. He just used the Qi of the Martial Saint to crush many people to death!”

When Jiang Wei talked about what just happened, there was still fear on his face!

“Tian Lei Sect?” Chen Ping frowned slightly!

“This Tianlei Sect is so brave. They dare to monopolize the ruins of Narcissus Palace by themselves. How shameless!”

Chapter: 3553

After hearing this, Liu Rui said angrily!

“There is no way, who can let someone have a martial arts master? In the world of martial arts, if that sect family has a martial arts master, he is the uncle!”

Jiang Wei sighed and said.

“Hmph, a martial arts master is nothing. It seems that other sects don’t have martial arts masters...”

Liu Rui snorted coldly, because among the three sects and six sects in the hidden world, there are martial gods, and many of their disciples are martial gods!

Even sects like the Medicine Refining Sect, which mainly focuses on alchemy refining, have many martial gods!

Seeing what Liu Rui said, Jiang Wei and others all looked at Liu Rui.

“Mr. Chen, is this lady your friend? It sounds like she is also a god of war...”

Jiang Wei asked Chen Ping.

Chen Ping nodded, smiled slightly and said, “Yes, she is indeed a Martial God.”

As soon as these words came out, Jiang Wei was instantly confused, his mouth opened wide, and he looked at Liu Rui in disbelief!

Obviously they didn’t quite believe that Liu Rui, a little girl, could be the God of War!

Liu Rui also saw that several people didn't believe it, so the aura of the God of War emitted a little, instantly making Jiang Wei and others feel terrible pressure!

At this moment, several people had to believe it and looked at Liu Rui in shock!

"Mr. Chen, you...what state are you in now?"

Jiang Wei asked Chen Ping.

"The eighth-level Martial Saint realm..." Chen Ping said calmly.

When they heard that Chen Ping had reached the eighth-level Martial Saint realm, several people's faces were even more shocked.

You must know that when they separated from Penglai Island, Chen Ping was just Dawuhou!

Now he has reached the eighth-level Martial Saint realm. If given more time, he can also break through to the Martial God realm!

But Chen Ping, an eighth-grade Martial Saint, has no problem even dealing with a fifth-grade Martial God!

"Now that Mr. Chen is here, we are still afraid of what the Sky Thunder Sect will do."

"A Martial God, an eighth-grade Martial Saint, who else in the martial arts world dares to disobey."

Zhu Hao said with excitement!

Chapter: 3554

Because Zhu Hao had always been angry with Chen Ping when he was on Penglai Island, so after seeing Chen Ping, the grandmaster lowered his head and did not dare to speak!

Now I heard that Chen Ping is already an eighth-grade Martial Saint, and the woman he brought with him is a Martial God. This kind of strength can be said to go sideways!

“Zhu Hao, I remember that you always wanted to follow Mr. Chen in making gestures.”

Jiang Wei looked at Zhu Hao and said playfully.

Zhu Hao’s face turned red and he said with embarrassment: “That’s because I’m ignorant. Now Mr. Chen’s fart can kill me!”

“Hehehe...”

When Liu Rui heard this, she was immediately amused and laughed!

“Don’t be careless. The world of martial arts is not what you see. There are many masters in the world of martial arts, and even the gods of martial arts may not count.”

“You will follow me up the mountain in a moment. Don’t act without permission...”

Chen Ping warned Jiang Wei and the others!

“Don’t worry, Mr. Chen, we will do whatever you say without any hesitation...”

Jiang Wei and the others nodded heavily!

Soon, Chen Ping led Jiang Wei and others towards the Kunlun Mountains!

Seeing this, many other warriors actually followed behind. After all, there must be treasures in such a big change in the Kunlun Mountains. In the face of profit, many people will take the risk!

Slowly, Chen Ping and the others were followed by hundreds of warriors, heading towards the Kunlun Mountains together!

At this moment, several Tianlei Sect disciples at the foot of the mountain were leaning on the big tree and chatting!

Seeing that the warriors who had driven away were returning one after another, several Tianlei Sect disciples were instantly furious!

“You are so bold. Don’t you understand what our second young master says?”

“I drove you away, but you still dare to come back. Do you want to die?”

A disciple of the Tianlei Sect stepped forward, stopped Chen Ping and the others, and cursed arrogantly!

The Tianlei Sect disciples did not pay attention to these warriors in front of them at all, they were just like ants!

“This Kunlun Mountain doesn’t belong to your family. Can’t I even go up the mountain?”

Chen Ping asked calmly.

“No, our Tianlei Sect has now sealed this place and made it a forbidden area. You can’t go in!”

Chapter: 3555

The Lei Sect disciple said very arrogantly that day.

“What if I have to go in?” Chen Ping asked.

“That’s looking for death...”

As he said this, this Tianlei Sect disciple actually exuded the aura of a half-step Martial God!

Feeling this aura, Jiang Wei and the others’ faces instantly turned ugly. An ordinary disciple of this family was countless times stronger than them!

“When did you Tianlei Sect become so arrogant? You simply don’t pay attention to other sects!”

After Liu Rui finished speaking, he stepped forward and kicked the Lei Sect disciple away that day!

“good.....”

When Jiang Wei and the others saw this, they all started to applaud.

Just now they were bullied by Tianlei Sect and were helpless. Now they see the disciples of Tianlei Sect being beaten, of course they are happy!

But that day, the disciple of the Thunder Sect got up with a solemn expression, glared at Liu Rui and said, “Who are you? Do you know the consequences of offending our Tianlei Sect?”

“I am your aunt from the Chunyang Sect, but I just can’t stand the way your Tianlei Sect bullies others.”

“what.....”

Liu Rui stepped forward and took action against the disciples of the Lei Sect that day again!

Chen Ping also saw that the Tianlei Sect was unhappy, so he rushed forward. Chen Ping and Liu Rui instantly beat those Tianlei Sect disciples to the point where they were unable to fight back!

“Brother Jiang, with this opportunity, it’s time for us to take revenge...”

Hong Qianjiu said and rushed forward!

At this moment, hundreds of warriors swarmed up and beat the few disciples of the Lei Sect that day until they ran away with their heads in their hands, crying for their fathers and mothers!

Seeing that several disciples of the Tianlei Sect were beaten away, Jiang Wei and Hong Qianjiu were all very excited!

“See, as long as we follow Mr. Chen, no one can bully us...”

Jiang Wei said loudly to many warriors.

Many martial artists have also heard of Chen Ping’s name. After all, Chen Ping’s reputation is well-known in the martial arts world.

“let’s go.....”

After Chen Ping finished speaking, he took the lead and walked towards the mountain!

Chapter: 3556

After walking for a while, there was a strong smell of blood, and then I saw crushed and mutilated corpses everywhere on the ground!

“Mr. Chen, these people were all killed by people from the Lei Sect that day. They were crushed to death with the power of the God of War!”

Jiang Wei stepped forward and said to Chen Ping.

Looking at the corpses on the ground, Chen Ping frowned.

In the face of absolute strength, human beings are weaker than ants, but their momentum alone can crush so many people to death!

“The third elder, they are...”

At this time, the disciples of the Tianlei Sect who had just been beaten away came back, and brought the elders of the Tianlei Sect with them!

When the third elder of the Tianlei Sect saw this, his face became angry: “Liu Rui, as a member of the Chunyang Sect, you are attacking a disciple of my Tianlei Sect. Aren’t you afraid of causing a war between the two sects?”

The third elder knows Liu Rui, but not the others!

“This Kunlun Mountains does not belong to anyone, but you Tianlei Sect has banned it. Does this mean you don’t take our other sects seriously?”

Liu Rui asked.

“Hmph, so what if I don’t take you guys seriously? Do you, the Chunyang Sect, still dare to be enemies with my Tianlei Sect?”

“Besides, you brought these ants up the mountain, they don’t deserve to stay on the mountain at all!”

The third elder snorted coldly. In his eyes, except for sects like the Hidden Realm, other people in the martial arts world were like ants.

The words of the third elder deeply stimulated the warriors, and they were all very angry. However, although they were angry, they did not dare to say anything more!

After all, their strength is displayed here, and in the eyes of others, their strength is really inferior to that of ants!

“They are ants, so who are you? In my eyes, you are worse than an ant.”

Chen Ping looked at the third elder and said coldly.

“What are you talking about, you brat?”

The third elder’s face turned cold, and then the God of War Qi on his body exploded instantly. This breath made many warriors feel the pressure. They were all unsteady and the Qi and blood in their chests were rolling!

Seeing this, Liu Rui also exploded his aura to resist the pressure of the three elders, so as to provide some barrier to the warriors behind him!

It’s just that Liu Rui’s strength is obviously not as good as that of the three elders. Although she is trying hard to resist, the energy of the God of War is still pressing on everyone’s heads, making everyone feel uncomfortable.

“Hmph, you are only a second-grade Martial God, but you still dare to resist me without even checking whether you are qualified.”

When the third elder saw Liu Rui resisting him, he couldn’t help but snorted and said!

Chapter: 3557

“He’s not qualified, what about me?”

After Chen Ping finished speaking, the aura on his body also exploded!

“Haha, you are just a Martial Saint, but you still dare to talk so shamelessly in front of me.”

The third elder laughed, but soon he felt that his aura was being blocked by someone. He couldn't help being stunned, and looked at Chen Ping. Then he shouted low, and his aura suddenly increased!

The strong pressure instantly caused many warriors to fall to the ground!

"The fourth-grade Martial God is really good..."

Chen Ping said with a faint smile!

"Since you know my strength, you should know the consequences of offending me."

The third elder said contemptuously.

"The fourth-grade Martial God is indeed good, but in my eyes, it's just rubbish."

Chen Ping sneered!

"Bah, you are a sharp-toothed boy. You are a little martial saint, but you still dare to look down on me like this."

"I'm going to crush you all into a pulp today and let you know the power of the fourth-grade Martial God."

The third elder shouted loudly, and the aura on his body was fully activated. The terrifying pressure made the world change color!

When many warriors saw this, they all turned pale with fright. It was obvious that the aura of these three elders was obviously higher than that of Liu Rui and Chen Ping!

Chen Ping is only an eighth-grade Martial Saint, how can he face a fourth-grade Martial God?

At this time, some warriors began to regret following them up the mountain, and began to retreat step by step!

“Is this the power of a fourth-grade Martial God?” Chen Ping sneered, and suddenly golden light erupted from his body, and waves of terrifying pressure rushed towards the three elders and others in an instant!

The third elder and the disciples of the Tianlei Sect were shocked. They never thought that the young man in front of them, who only had the strength of a Martial Saint, would suddenly erupt with an aura that was even more terrifying than the aura of a fourth-grade Martial God!

“You should know by now that you are trash, right?”

As he spoke, Chen Ping’s body suddenly rose up and went straight towards the three elders!

The warriors felt their bodies relax, and then they all looked at Chen Ping in horror, their eyes filled with disbelief!

A Martial Saint actually burst out with aura that directly blocked the Martial God’s energy, and even took the initiative to attack the Martial God!

“Mr. Chen, you are truly a god. This eighth-grade martial saint can actually have such strength.”

Chapter: 3558

Jiang Wei said incredulously.

Hong Qianjiu, Zhu Hao, Qiao Zhiyong and others also looked shocked and admired Chen Ping even more!

Seeing that Chen Ping dared to attack him, the third elder immediately shouted, opened his hands and said: “Come and hammer...”

Soon, two Tianlei Sect disciples threw two copper hammers. The copper hammers instantly enlarged in mid-air and fell directly into the hands of the third elder!

Two copper hammers were spinning in the hands of the third elder. With a slight touch, they made bursts of sound, which made everyone cover their ears and their expressions changed drastically!

Chen Ping punched out with a golden light flashing on his fist!

“Hmph, the little martial saint dares to fight with bare hands. He is simply looking for death.”

The third elder snorted coldly, and rushed forward with his two hammers, hitting Chen Ping hard, as if he was going to smash Chen Ping into a pulp!

clang.....

Chen Ping’s fist collided hard with the copper hammer, making a harsh metal collision sound, and the fire was radiating.

The third elder’s expression changed. He didn’t expect Chen Ping’s fist to be so hard, and he actually hit it head-on with the copper hammer in his hand!

The huge force caused the third elder’s wrist to become numb, and the entire arm seemed to have lost its strength!

Looking at Chen Ping, he had a calm look on his face and stood quietly in front of the third elder with a bit of disdain on his face!

At this time, many warriors were shocked. They did not expect that Chen Ping would directly follow the opponent’s copper hammer with his bare hands. Moreover, looking at Chen Ping’s appearance, it seemed that nothing was wrong!

The third elder gritted his teeth. He couldn't let anyone see that his arm was injured, otherwise it would be too embarrassing!

"Boy, I didn't expect you to have some abilities. I only used three successes, and you were able to catch me..."

The third elder spoke to save face for himself!

"Did you just use 30% of your power?" Chen Ping pretended to be surprised and said: "I just used 10%, but now I want to use 30%, it depends on how much you use."

After saying that, Chen Ping stepped forward again. There were no fancy moves, just a fierce punch, hitting the three elders!

Feeling the terrifying strong wind coming towards them, the third elder's face had already turned panicked!

He was just bragging just now, but now Chen Ping's punch seems to be more fierce than the one just now!

"Shaking the heavens and the earth..."

The third elder Mou worked hard, shouted loudly, touched his hammers, and then rushed forward together!

boom.....

Chapter: 3559

Along with a loud noise, everyone saw a burst of dust flying, and all the surrounding rocks collapsed.

When the smoke slowly dissipated, everyone's jaws almost dropped in shock!

I saw that the third elder was in a state of embarrassment. Only one handle of the copper hammer he held in his hands was still in his hand. Both hammers were broken and scattered on the ground!

The third elder was stunned. Looking at the copper hammer in his hand, his eyes almost fell out of his eyes in shock!

“Hmph, with this little ability, I dare to speak so loudly.”

Chen Ping snorted coldly and kicked the third elder away with a flying kick!

The third elder’s body flew out instantly, and a mouthful of blood drew an arc in the air!

Several other Tianlei Sect disciples were also stunned. They looked at Chen Ping in a daze, not daring to move!

Chen Ping walked towards the third elder step by step. When the third elder saw Chen Ping walking towards him, he said with horror on his face: “You, what are you going to do?”

Chen Ping stepped forward, stepped on the chest of the third elder, and asked in a cold voice: “Who among your Tianlei sect killed those warriors?”

The third elder glanced at the mutilated corpses of the warriors on the ground, his eyes evasive, and he didn’t know how to answer!

He couldn’t directly confess Tong Youcai, after all, Tong Youcai was the second young master of Tianlei Sect!

Seeing the third elder’s eyes dodge, Chen Ping suddenly exerted force on his feet, and the third elder’s chest collapsed instantly!

Blood poured out of his mouth instantly, and the third elder’s expression became very painful!

"I...I said, I said..."

"It's our second young master. These people were killed by the second young master."

The third elder was frightened and could only speak out.

"Tong Youcai?" Chen Ping looked a little surprised. After all, Tong Youcai's strength was not high, but he was sent to the Kunlun Mountains to search for the ruins of Narcissus Palace. Logically speaking, Tong Yougong should be sent here. After all, the remains of Narcissus Palace It's so dangerous and can kill people.

"Where is Tong Youcai?"

Chen Ping asked coldly.

"The second young master has gone down to the cave. The ruins of Narcissus Palace may be in the cave."

The third elder did not dare to hide anything and spoke truthfully.

"I've told you, please don't kill me, don't kill me..."

The third elder begged Chen Ping.

Chapter: 3560

When many warriors saw the third elder praying, they couldn't help but feel contempt. It seemed that the Martial God was also a human being, no different.

It's all nonsense to claim that one by one the God of War has been transformed into a god!

“If I don’t kill you, wouldn’t those warriors die in vain?”

Chen Ping’s eyes flashed coldly, and he stepped on it!

The third elder spurted out a mouthful of blood, and the breath of life quickly declined, and finally disappeared!

When the remaining disciples of the Tianlei Sect saw this, they were so frightened that they almost wet their pants and turned around and ran away!

Seeing this, Chen Ping grabbed it casually, and the Dragon-Slaying Sword appeared, and then his figure shuttled out like lightning!

Everyone only heard a few screams, and all the escaped disciples of the Tianlei Sect had died tragically under Chen Ping’s sword!

When Chen Ping came back, blood was still dripping from the dragon-slaying sword!

This is when many warriors looked at Chen Ping, their eyes were full of awe. In front of Chen Ping, they did not dare to take a breath!

Liu Rui frowned slightly: “Mr. Chen, you shouldn’t be so impulsive as to kill all the people from the Tianlei Sect.”

“They deserve to die. If we don’t kill them, do those warriors deserve to die?”

Chen Ping said coldly.

Liu Rui stopped talking, but in the eyes of these hidden realm warriors, those warriors outside the realm are indeed like ants, worthless!

“Let’s go...”

Chen Ping put away the Dragon-Slaying Sword and continued towards the mountain. This time, no one was stopping them!

The reason why Chen Ping killed all these people was to prevent these people from the Tianlei Sect from taking revenge on many warriors!

It is impossible for Chen Ping to take these warriors with him all the time, nor can he bring them all into the ruins in public. You must know that the ruins are very dangerous in public!

If these disciples of the Tianlei Sect suddenly attack when they are separated, then these warriors who go up the mountain will only become lambs to be slaughtered.

Soon, Chen Ping and the others found the cave that suddenly appeared. They saw that the cave was very huge, and it was so dark inside that nothing could be seen!

However, waves of cold air kept coming out from the cave, accompanied by a lot of spiritual energy!

“Brother Jiang, please don’t go down into the cave. I don’t know what’s going on inside. If you’re not strong enough, you might be in danger.”

“If there are really ruins, look around here and you may be able to find other resources!”

Chen Ping said to Jiang Wei and others.
