

The Order 3571

Chapter: 3571

As he spoke, Bai Wuchang casually took out a small porcelain bottle, and then opened the small porcelain bottle, and waves of terrifying evil spirit came out of the small porcelain bottle!

Feeling the sinister aura, Chen Ping frowned slightly, because this sinister aura brought a strong sense of crisis to Chen Ping!

Just when Chen Ping didn't understand why this evil spirit was so frightening, he saw the evil spirit turned into a figure, opened its bloody mouth, and swallowed the black and white impermanence in an instant!

This time, Chen Ping was very surprised and didn't understand what these two guys were doing!

“ah.....”

Immediately afterwards, Black and White Wuchang began to scream in pain. The two of them were actually swallowed by the figure. The screams of the two people continued to come from the belly of the figure!

At this time, Chen Ping was confused and couldn't understand what was going on!

And Liu Rui turned pale with fright. He had never seen someone so cruel to him before!

Soon, as the black and white screams stopped, the figure began to slowly change from virtual to substantial!

Then a man with half dark and half fair skin appeared in front of Chen Ping, and this man was still naked!

“Shameless, gangster...”

When Liu Rui saw this, she hurriedly cursed and turned her body away!

And the strength of the man in front of him suddenly reached the level of fifth-grade Martial God.

Chen Ping looked at the person in front of him in surprise, wondering what happened. Could it be that the black and white impermanence was swallowed by this person, and then it became like this?

“Boy, you forced our brothers to do this. We must kill you today!”

The man spoke, but the sound he made was indeed dark and unpredictable!

“Yes, we brothers became one just to kill you!”

Bai Wuchang’s voice came from the man’s mouth again!

“Hmph, no matter what kind of magic you use, it’s all rubbish in front of me, so do it...”

Chen Ping snorted coldly.

After hearing this, the man let out a hoarse roar, like a ghost crying and a wolf howling, and rushed towards Chen Ping!

This time, the man was as fast as lightning, and the explosive breath set off waves of tornadoes!

When Chen Ping saw this, he didn’t use his body to resist, but kicked his feet, and his body instantly rose dozens of meters!

The man’s punch missed, and the forest behind Chen Ping was swept away by the terrifying wind. Hundreds of trees were uprooted, forming a clearing!

Chapter: 3572

Seeing that his punch failed, the man looked up at Chen Ping in mid-air, and jumped up, followed by countless fist shadows, instantly surrounding Chen Ping!

Bang bang bang bang.....

Countless fists fell on Chen Ping, knocking Chen Ping out of the air and then into the ground!

“Mr. Chen...”

When Liu Rui saw this, she shouted with worry on her face!

After smashing Chen Ping into the ground, the man didn't look at him, but looked at Liu Rui, his eyes full of lewd smiles!

“No need to shout, he will definitely die this time, and it will be your turn next.”

“This time, you can taste my brother at the same time...”

The man said as he walked towards Liu Rui!

But Liu Rui turned her head and didn't dare to look at the man, so she could only keep moving back!

“You are so brazen, do you dare to be so sure that I am dead?”

At this time, Chen Ping's voice came slowly from behind!

The man was stunned and suddenly looked back, only to find that Chen Ping had not been harmed in the slightest except that the indestructible golden body on his body had disappeared!

“This...how is this possible? Why didn't you die?”

The man's face was full of disbelief.

“Mr. Chen...”

Seeing that Chen Ping was okay, Liu Rui hurriedly ran behind Chen Ping and hid!

“I told you, you are nothing but trash. If I were killed by you, wouldn't I lose face?”

Chen Ping smiled coldly.

“This is impossible, absolutely impossible. Who are you?”

The man asked Chen Ping loudly!

“If you want to know who I am, go to hell and ask Lord Hades...”

Say it, Chen Ping's body was in front of the man in an instant.

The man was shocked and quickly backed away. Unfortunately, his speed was not as fast as Chen Ping's!

Chapter: 3573

I saw Chen Ping's fist getting bigger and bigger, hitting the man hard!

When the man saw this, his body suddenly turned into a black mist, and the two black and white corpses were placed in front of Chen Ping!

“Want to escape?”

Looking at the black mist, Chen Ping jumped up and chased after him!

Chen Ping's body was emitting golden light, and as fast as lightning, he instantly caught up with the black mist and penetrated directly through it!

The black mist turned into a human figure again, and said with a cold smile: "I have no real body now, you can't hurt me..."

"If I can't hurt you, then I will eat you..."

After Chen Ping finished speaking, his abdomen sank directly, he suddenly opened his mouth, and a huge suction force moved towards the figure!

This time, the figure panicked, feeling the huge suction, trying desperately to break free, but couldn't break free at all!

"No, don't kill us. As long as you don't kill us, we can agree to any conditions you have!"

At this time, the figure spoke.

The voices of the Black and White Wuchang brothers came from the mouth of the figure. Although the two men were physically dead, their souls were still there!

"Now I think of begging for mercy, but it's too late..."

Chen Ping did not let the two of them go, but directly sucked the black mist into his body along with their souls!

The Heart Condensation Technique began to operate, rapidly refining the black mist that was sucked into the body!

“let’s go.....”

Chen Ping looked at Liu Rui on the side and said!

Liu Rui nodded, followed closely behind Chen Ping, and slowly headed deep into the forest!

At this time, at the end of the forest, a magnificent palace stood!

Tong Youcai looked at the magnificent palace in front of him, his eyes flashing with excitement.

“The ruins of Narcissus Palace, this should be the ruins of Narcissus Palace, hahaha...”

“I found it, I finally found it...”

Tong Youcai shouted excitedly!

But soon, Tong Youcai’s laughter stopped abruptly, and then he looked into the depths of the forest with his sharp eyes!

Chapter: 3574

“Second Young Master, what’s wrong?”

A Tianlei Sect disciple came forward and asked.

“Someone has come in here again!” Tong Youcai frowned slightly.

“How is that possible? There are three elders and people guarding the place outside. Don’t let those outside the realm of rubbish get in.”

The Tianlei Sect disciple said.

“It should not be warriors from outside the world, but people from the hidden world. Those people outside the world cannot have such an aura!”

Tong Youcai’s eyes were slightly focused, with murderous intent in his eyes!

“People from the Hidden Realm? Are there people from other sects coming in? Ordinarily the Third Elder will notify us.”

Another Tianlei Sect disciple said in surprise.

“Perhaps something unexpected has happened to the third elder. The ruins of Narcissus Palace have appeared. Which sect doesn’t want to take it for themselves? But now that we have found it, no one can take it away!”

Tong Youcai’s eyes were murderous, and the aura on his body kept rising!

“Second Young Master, let’s go in quickly.”

Someone urged Tong Youcai!

“Okay, but everyone should be careful. The ruins of Narcissus Palace are very dangerous. Don’t lose your life here!”

After saying that, Tong Youcai led everyone slowly towards the palace!

At the same time, the Great Protector of the Burning Heaven Sect was still looking for the relics, and soon he was startled and stopped!

“Great Protector, what’s wrong?”

Someone came forward and asked.

The Great Protector frowned and said: “It’s bad, Black and White Wuchang was killed...”

“What? Brothers Black and White Wuchang were killed?”

“How is it possible? Their brothers are both fourth-grade Martial Gods. If they merge, they can instantly reach the fifth-grade Martial God realm!”

“If those old guys from the Three Sects and Six Sects hadn’t come forward, who could have killed the Black and White Wuchang brothers so easily?”

Someone asked with a look of disbelief on his face.

“I guess he is from the Tianlei Sect. Tong Yougong from the Tianlei Sect, although he is young, he is already in the realm of the fifth-grade Martial God.”

Chapter: 3575

“And I heard that this guy has modified his genes and become immortal. If Black and White Wuchang encounters him, he will definitely have no chance of survival!”

The Great Protector said with a solemn expression.

At this moment, everyone’s expressions became solemn, and they bowed their heads and fell silent!

The Great Protector glanced at everyone, and then said to a skinny old man holding a token: “Old Liu, you stay and use the formation to block the people of the Tianlei Sect. We have to find the Narcissus Palace in front of them. Only relics will do.”

“I have a reincarnation pill here. If you take it at the critical moment, you can hold on to your life!”

The Great Protector intends to hold back the people from the Tianlei Sect behind so that they can find the ruins first!

But what he didn't know was that Tong Youcai of the Tianlei Sect had already found the ruins, and it was not Tong Yougong of the Tianlei Sect who killed Black and White Wuchang, but Chen Ping!

However, because there is no person named Chen Ping in the hidden world, many people do not know the existence of Chen Ping, and they will not think of Chen Ping!

Lao Liu didn't hesitate, took the reincarnation pill directly, and said to the Great Protector: "Don't worry, Great Protector, I can hold them back even if I die. In my formation, they won't be able to come out for ten or eight days." Not going."

This old Liu seems to be quite confident in his skills!

"Don't take it lightly. Although the Thunder Sect is not proficient in magic that day, there is a possibility that they will hire a magic master."

"You just need to find a way to stop them, and try not to cause conflicts unless absolutely necessary."

The Great Protector said to the old Liu Quan.

"clear!"

Lao Liu nodded.

The Great Protector took the people away and continued to search for the ruins, but Lao Liu suddenly inserted the token in his hand on the ground, pinched the magic formula with both hands, and for a while the void began to tremble continuously!

Soon, the surrounding scenery began to change. The forest slowly disappeared, and a creek began to appear, with many people living by the creek!

Not far away, there is a majestic mountain range, which stretches for thousands of miles and seems to be connected to the sky!

Lao Liu was sitting on a big rock at the moment, with a dry pipe in his mouth!

There are many people working around and children playing and playing!

Looking at everything around him, a sneer appeared on Lao Liu's face. He was becoming more and more satisfied with his skills!

On the other side, Chen Ping and Liu Rui were still groping forward because they didn't know where the ruins of Narcissus Palace were!

In this forest, Chen Ping's spiritual consciousness is also greatly restricted, so he can only explore within a few miles!

Two people walking in this forest of towering trees will feel very depressed over time!

Chapter: 3576

Liu Rui's face looked ugly at this time, as if she was suffocating. She now desperately wanted to get out of the forest!

At this time, the two people's eyes suddenly opened up, and they saw a village appearing, as well as the creek mountain range.

When Liu Rui saw this, he was very excited.

"I finally got out of that depressing forest. If I didn't get out, I would have suffocated to death."

“But it’s so strange that there are villages within this mountain range!”

Liu Rui said to Chen Ping.

Chen Ping frowned slightly and carefully looked at everything in front of him!

“After walking for such a long time, my face is covered with sweat. I just need to wash my face...”

Looking at the clear news, Liu Rui walked over directly!

But at this moment, Chen Ping grabbed Liu Rui: “Don’t go there...”

“What’s wrong?” Liu Rui asked.

“I feel like there’s something wrong here...”

Chen Ping frowned and said.

“Is there a problem? What’s the problem?” Liu Rui looked around carefully and found no problem!

And by the creek not far away, an old man was sitting on a stone smoking, with a child beside him!

This old man is Lao Liu, and the children around him can only be illusory!

“I can’t tell you right now, but I always feel good here.”

Chen Ping hasn’t realized yet that this place is just an illusion!

This shows the brilliance of this old Liu's technique!

"If there is any problem, we can go over and ask and we will find out!"

Liu Rui said, walking towards the old man and the child!

When Chen Ping saw this, he could only follow him and ask questions first!

"Uncle, may I ask where this is?"

Liu Rui stepped forward and asked the old Liu.

Chapter: 3577

Lao Liu raised his head, and then looked at Chen Ping and Liu Rui, with a trace of doubt in his eyes!

"Who are you?" Lao Liu did not answer Liu Rui, but asked instead.

Because the Great Protector said that the person who killed Black and White Wuchang was most likely a member of the Tianlei Sect, so he set up an illusion again to delay the Tianlei Sect!

But Chen Ping and Liu Rui in front of them are obviously not from the Tianlei sect, so Lao Liu asked like this.

"we are....."

Liu Rui was about to say that he was from Chunyang Sect, but was interrupted by Chen Ping.

"We are mountain people who entered here by mistake. We walked in the forest for a long time before we found this place. Who is this place?"

Chen Ping asked Lao Liu.

“This is the Fairy Village, our ancestors have lived here for generations.”

Lao Liu said lightly.

“Fairy Village?” Liu Rui was surprised: “Are you all immortals here?”

“Hahaha, girl, you’re kidding. There’s no way they’re all immortals. It’s just because the people in our village live longer, so it’s called the Immortal Village.”

Lao Liu laughed and said.

“Grandpa, Grandpa, I want to take a bath...”

At this time, the child ran over, pulled Lao Liu’s clothes and said.

“Go...” Lao Liu waved his hand, and the child happily jumped into the stream!

“Why do people in your village live so long?”

“Are you all martial arts masters?”

Liu Rui asked curiously.

“That’s not true, it’s just because of the creek in our village. No matter how serious the injury is, even if it’s organ failure, as long as you take a dip in the creek, everything will be fine.”

“Everyone in our village likes to take a bath here, so everyone lives a long time!”

Lao Liu explained.

Upon hearing this, Liu Rui's eyes flashed with excitement and she looked at Chen Ping and said, "Mr. Chen, did you hear that this stream seems to follow the Rebirth Spring? Maybe the water of the Rebirth Spring flows out from here! "

"I'm going to give it a try and see if the water in this stream is the same as the Rebirth Spring!"

Chapter: 3578

Liu Rui said, going over to check it out!

Chen Ping stopped Liu Rui and said, "I'd better go take a look. After all, I've been soaking in the spring water for a few days and I know the spring water better than you!"

After saying that, Chen Ping walked to the stream, slowly squatted down, looked at the clear stream, and touched it gently with his hand.

Just when Chen Ping's hand touched the stream, a turbid air instantly entered his body from Chen Ping's hand!

After this turbid air entered Chen Ping's body, it immediately began to corrode Chen Ping's internal organs!

It's just that Chen Ping has the power of the divine dragon to protect his body and is already immune to all poisons, so this turbid air was quickly refined by Chen Ping using the Heart Condensation Technique!

Chen Ping stood up slowly and looked at Lao Liu with slightly focused eyes.

Liu Rui quickly asked: "Mr. Chen, how are you? Is the water here the same as the water in the Rebirth Spring?"

Chen Ping did not answer Liu Rui, but pinched his fingers, and a red light penetrated Liu Rui's mind!

Immediately afterwards, Chen Ping recited the Heart-Cleaning Mantra, and waves of coolness instantly hit Chen Ping and Liu Rui's bodies!

When Liu Rui opened his eyes and looked carefully, he found that there was nothing around him. They were still in the forest, but now there was an old man with a gloomy face in front of them!

"This...what the hell is going on?"

Liu Rui's face was full of surprise, and her eyes were filled with disbelief!

"The two of us have entered a fantasy world, and everything we just saw is fake."

Chen Ping followed Liu Rui and explained.

"What a good boy, you really managed to break my illusion. You are the first to break my illusion in such a short time!"

Lao Liu made a casual move, and the token originally inserted on the ground returned to Lao Liu's hand, and black mist began to rise around Lao Liu!

At this moment, Lao Liu looked ferocious and his body was filled with murderous intent.

"The people of the Fentian Sect didn't expect that they had just killed two guys who were neither black nor white, and now there's another one!"

Chen Ping felt the aura on Lao Liu's body and immediately guessed the other party's identity!

Lao Liu was stunned and said in disbelief: "What did you just say? Were you the one who killed Black and White Wuchang?"

“Yes!” Chen Ping nodded!

“Impossible. You are only a small martial arts master. How could you kill Black and White Wuchang?”

“And this little girl is only a second-grade Martial God. The two of you together are no match for Black and White.”

Chapter: 3579

“Since you know that Black and White Wuchang is dead, you must know who the real murderer is. You simply don’t have the strength to kill the Black and White Wuchang brothers!”

Lao Liu simply didn’t believe that Chen Ping killed Black and White.

If it was Tong Yougong from the Tianlei Sect, he could still believe it, but if Chen Ping, a martial saint, killed Black and White Wuchang, Lao Liu would not believe it even if he beat him to death!

“Since you don’t believe it, there is nothing I can do about it, but in the end you will definitely believe that I am telling the truth.”

Chen Ping smiled lightly.

“Whether you killed Black and White Wuchang or not, now that you have broken into this place, you must die, because only we, the Burning Heaven Sect, are qualified to get the relics here!”

As he spoke, mist rolled over Lao Liu’s body, filled with murderous intent!

“Miss Liu, please step back first...”

Chen Ping’s eyes narrowed, filled with murderous intent!

“Hmph, even a little martial saint dares to speak so brazenly. I’ll kill you first to see what kind of ability you have. You can kill Black and White Wuchang!”

After saying that, Lao Liu jumped up, and in mid-air, a large amount of black mist began to condense, and then he shot out the token in his hand!

A big word “death” appeared out of thin air, with flames burning on it and surrounded by extremely poisonous black mist!

The word “death” was filled with strong poison and was pressed towards Chen Ping!

When Chen Ping saw this, the Dragon-Slaying Sword instantly appeared in his hand!

Although Lao Liu’s strength is not very high, this guy is a master of magic. Chen Ping almost fell into the illusion just now.

So Chen Ping took out the Dragon-Slaying Sword as soon as he made a move, and then a sword energy flashed across!

The sword energy struck the big word “death” in an instant, splitting the word “death” from it. After splitting, the word “death” disappeared, and even the flames on it disappeared!

However, the Dragon-Slaying Sword in Chen Ping’s hand remained unabated and headed straight for Lao Liu’s chest!

“Hahaha, the little Martial Saint also wants to kill me...”

Lao Liu laughed, and his body disappeared out of thin air!

Chen Ping’s sword directly hit a cloud of black mist, and countless poisonous insects in the black mist covered Chen Ping’s body.

And that old Liu didn't know when he had reached one side!

Seeing Chen Ping surrounded by dense poisonous insects, Lao Liu laughed again.

"Boy, let me give you a taste of my poisonous heart-gnawing feeling..."

Chapter: 3580

Lao Liu laughed!

Liu Rui was watching nervously from the side!

But Chen Ping was holding the dragon-slaying sword and was surrounded by countless poisonous insects, but he didn't panic at all!

I saw a faint blue flame starting to rise from Chen Ping's dragon-slaying sword, followed by Chen Ping's whole body!

The blue flames began to burn, and the poisonous insects wrapped around Chen Ping were instantly wiped out under the flames!

"Spirit fire?"

When Lao Liu saw that Chen Ping's body was actually burning with spiritual fire, he couldn't help but frown!

"This is too much, it's not enough..."

Chen Ping swung the dragon-slaying sword in his hand again, and a bright sword light went straight towards Lao Liu!

But the sword light passed through Lao Liu's body in an instant, and Lao Liu gradually disappeared and became a black mist again!

But this time, the black mist turned into a ferocious beast, raising its head and letting out a roar!

Lao Liu himself didn't know when he appeared next to Chen Ping again!

"Boy, you can't hit me..."

Lao Liu said with confidence.

"Your illusion is really good, it can be so realistic!"

At this time, Chen Ping also discovered that every time he attacked, it was not the original body of Lao Liu, but an illusion!

However, Chen Ping was unable to detect at the first moment whether the old Liu in front of him had transformed into a ghost!

This caused Chen Ping to hit the phantom body every time he shot, and could not hurt Lao Liu at all!

"Haha, since you know, then just go ahead and capture him, so that I don't waste my time!"

Lao Liu laughed, and the black mist on his body continued to rise!

"Hmph, although your illusion skills are good, I am not a fool either..."

Chen Ping snorted coldly, the dragon-slaying sword in his hand flashed with light, and the sounds of dragon roars sounded!

“Roar.....”

The beast roared loudly and rushed towards Chen Ping.
