

The Order 3581

Chapter: 3581

Chen Ping threw away the Dragon-Slaying Sword in his hand, and the Dragon-Slaying Sword turned into a golden dragon and fought directly with the beast!

Chen Ping turned to look at Lao Liu, clenching his fists with golden light shining on them!

“Holy Light Fist...”

Chen Ping punched Lao Liu hard!

When Lao Liu saw this, a flash of panic flashed in his eyes. He didn't expect that the Dragon-Slaying Sword in Chen Ping's hand actually had consciousness and could fight on its own!

Just when Chen Ping's punch hit Lao Liu, Lao Liu's body suddenly disappeared again, and then a black mist rose, and then Lao Liu's body appeared on the side!

“Boy, I told you, you can't hit me, don't waste your efforts!”

Lao Liu said to Chen Ping.

But how could Chen Ping listen? Chen Ping suddenly grabbed the void with his hands, and shackles of spiritual power gathered around him!

Soon, Chen Ping sealed the space in front of him. No matter how good Lao Liu's illusion skills were, he could not leave this space.

Lao Liu also seemed to feel the changes in the surrounding space, his face changed slightly, and he quickly retreated!

Lao Liu's strength is not strong. He relies on his own magic. But if he is locked up in a closed space, his magic will lose its effect, and the illusion will be useless!

clang.....

There was a sudden loud noise, and Lao Liu's body seemed to have hit transparent glass, and then he felt dizzy!

"You can't escape. This entire space has been sealed by me. Where else can you escape?"

Chen Ping said coldly.

"Hmph, you are worthy of using magic in front of me."

As he said that, Lao Liu took out the token in his hand, then inserted it into the ground and muttered something!

As the space began to fluctuate, Chen Ping could feel his taboo formation being violently impacted!

When Chen Ping saw this, he immediately attacked Lao Liu, not allowing him to break through this taboo formation!

Lao Liu's attainments in magic really impressed Chen Ping!

Seeing that Chen Ping was attacking, Lao Liu had no choice but to push with both hands. The token on the ground suddenly flew up and went straight to Chen Ping!

boom.....

Chen Ping punched the token, instantly smashing it to pieces!

Chapter: 3582

Then Chen Ping arrived in front of Lao Liu and stretched out his hand to grab Lao Liu's neck.

"No, don't kill me, I can help you find the ruins."

Upon seeing this, Lao Liu hurriedly followed Chen Ping to beg for mercy.

The strength shown by Chen Ping has exceeded his imagination. Whether it is strength or magic, he is no match for Chen Ping!

"Can you help me find the ruins?"

Chen Ping looked at Lao Liu and asked with some disbelief.

"Yes, as long as you don't kill me, I can help you!"

Lao Liu nodded.

"How can I believe you?" Chen Ping knew that Lao Liu's skills were indeed superb, but after all, Lao Liu was a member of the Fentian Sect, so Chen Ping couldn't believe it!

"You can place taboos in my body, or make me swallow poison pills. As long as you don't kill me, I will really listen to you."

Lao Liu desperately followed Chen Ping to beg for mercy. In the face of life and death, no one is willing to die!

"Mr. Chen, you can't believe the words of these evil cultivators from the Burning Heaven Sect..."

Liu Rui said loudly to Chen Ping.

She was afraid that Chen Ping would believe Lao Liu's words and be deceived in the end!

"I am not an evil cultivator of the Burning Heaven Sect. I was just forced to join them. I was originally a warlock from Kunlun Mountain. Later, my territory was occupied by them and they forced me to join them!"

"Everything I said is true, not a single lie. Please spare my life!"

Lao Liu followed Chen Ping to beg for mercy with a pleading face!

Chen Ping looked at the old Liu, then nodded and said: "I will spare you, but you must eat this heart-eating pill. If you dare to lie to me, you will be eaten by thousands of ants and die..."

Chen Ping said, took out a black pill, handed it to Lao Liu and said.

"Okay, okay, I'll eat it, I definitely didn't lie to you..."

Lao Liu swallowed the Heart-Eating Pill without hesitation!

Seeing this, Chen Ping also let go of Lao Liu, and with a wave of his hand, the space taboo was broken!

"Okay, take us to find the ruins!"

Chen Ping said to Lao Liu.

Chapter: 3583

Lao Liu nodded, and then took Chen Ping and the others on their way!

At this moment, outside the ruins hall, Tong Youcai originally planned to enter the ruins hall, but instead the formation mechanism was set off, and the group was trapped in a poisonous miasma. Several Tianlei sect disciples He was poisoned directly!

Fortunately, Tong Youcai also brought several magic masters with him this time, and they joined forces to clear the poisonous miasma and crack the formation!

“What’s going on?” Tong Youcai frowned slightly and asked with a cold expression.

Although he knew that the ruins of Narcissus Palace must be full of dangers and formations were everywhere, he didn’t expect to be trapped before he even entered the ruins.

If the formation mechanism at the beginning cannot be broken, how can we take the next step?

“Second Young Master, we are already working hard, we will be fine soon...”

An old man wiped the sweat from his forehead and said to Tong Youcai.

“What a waste! It’s been more than an hour and it still hasn’t been broken!”

Tong Youcai was very dissatisfied!

“Second Young Master, this formation is very strange. It is an ancient formation. It will take us a certain amount of time to decipher it.”

The old man said very embarrassedly.

“What a fucking waste. He’s still a master of magic at this level. It’s a waste of resources. Speed it up!”

Tong Youcai cursed angrily!

If they are trapped all the time, they might be able to take advantage of others, but there is no other way. The first person to enter the ruins will definitely suffer more difficulties than others!

Several magic masters could only speed up, while Tong Youcai sat aside with a slight frown. This seemingly powerless magic circle was able to trap them for such a long time. It seems that the ruins of Narcissus Palace are really Well-deserved reputation!

At this moment, Tong Youcai suddenly turned his head and looked aside, and then his face became a little ugly!

“It’s broken, someone is coming this way, we can’t let them get ahead of us, hurry up...”

Tong Youcai felt someone coming and immediately urged anxiously!

At this time, Chen Ping and Liu Rui were also looking in the same direction at the same time!

Waves of martial spirit aura spread from the entrance to the depths of the forest!

“Mr. Chen, did someone enter again?”

Liu Rui asked, feeling the breath.

“Well, and there are not a few people there, it looks like it’s going to be lively!”

Chapter: 3584

Chen Ping said with a solemn expression.

After all, the more people there are, the more difficult it will be to obtain the treasures in the ruins!

Boom boom boom.....

Violent sounds were heard, and two old men wearing white scarves were slashing the big trees in front of them. The towering trees were like straw, being continuously separated to both sides, and a wide road appeared in the forest.

And on the newly opened road, a sedan appeared. Four girls in white dresses were carrying a sedan, and the top of the sedan was inlaid with a Bagua pattern!

Soon, these people arrived in front of Chen Ping and the others, and after Liu Rui saw the sedan, he frowned and said, "Why is this sissy here too?"

"Sissy?" Chen Ping was stunned and didn't understand what Liu Rui meant!

"The sissy is Leng Yun, the eldest young master of the Flying Star Sect. He is a grown man who dresses like a woman all day long. It makes him sick to see him!"

Liu Rui said with disgust.

At this time, the sedan stopped, and then the sedan opened, and a man wearing white clothes and heavy makeup walked out.

This person looks very charming, with a coquettish air in his movements.

Chen Ping looked at the people getting off the sedan and was a little dumbfounded. Could this be what Liu Rui said, the eldest young master of the Flying Star Sect?

Is this a man?

"Mr. Chen, this guy is a bit perverted, you have to be careful..."

Seeing Chen Ping looking straight at Leng Yun, Liu Rui reminded him in a low voice: "He is really a man, don't be fooled by his appearance!"

After Leng Yun walked out of the sedan and saw Liu Rui, he smiled slightly: "What a coincidence. I didn't expect to meet Miss Rui here..."

Leng Yun stepped forward quickly, greeted Liu Rui enthusiastically, and stepped forward to hold Liu Rui's hand!

But Liu Rui avoided it with disgust.

"Why is Mr. Leng here too?"

Liu Rui asked Leng Yun.

"This strange movement in the Kunlun Mountains may be the emergence of the ruins of Narcissus Palace. Of course I have to come and take a look, just in case there is anything precious that I can get!"

Leng Yun said with a smile.

Seeing this, Chen Ping was convinced that the charming guy in front of him was really a man, and the Adam's apple on his neck was also very obvious!

While talking to Liu Rui, Leng Yun turned his attention to Chen Ping!

Chapter: 3585

When he saw Chen Ping, Leng Yun was slightly startled, with a bit of heat in his eyes!

Feeling Leng Yun's hot gaze, Chen Ping trembled slightly and got goosebumps all over his body.

"Sister Rui, who is this handsome guy? He looks so handsome, he's not from your Chunyang Sect, right?"

Leng Yun asked Liu Rui.

“No, this is Mr. Chen Pingchen, a warrior from outside the hidden world!”

Liu Rui introduced!

“A warrior from outside the world?” Leng Yun looked a little surprised: “I didn’t expect that a warrior from outside the world would have such courage to come to a place like this!”

“Hello, handsome man, my name is Leng Yun. I’m so glad to meet you!”

Leng Yun politely extended his hand to Chen Ping!

Chen Ping didn’t want to shake hands with this guy who was both male and female, but the other person was so polite. Chen Ping couldn’t be too rude, so he could only extend his hand and shake it!

But Leng Yun grabbed Chen Ping’s hand and gently stroked it with his other hand!

At this moment, Chen Ping felt a chill in his heart. He almost vomited on the spot and quickly shook off Leng Yun’s hand!

“Haha, handsome guy Chen is quite strong!”

Leng Yun chuckled, and then said: “Sister Rui’er, since we have met, let’s go together so that we can take care of you.”

“There are many ferocious beasts here, don’t hurt handsome guy Chen...”

Leng Yun’s words made Liu Rui unable to answer, so she could only look at Chen Ping. Chen Ping was feeling queasy and resisted vomiting!

Seeing that no one was talking, Leng Yun took out a compass and said, "Come with me and you can find the location of the ruins quickly. Otherwise, if you search randomly like this, you may not be able to find it for several days."

Seeing what Leng Yun said, Chen Ping nodded and said: "Okay..."

"Okay, let's go..."

Leng Yun said happily.

"Master, please get on the sedan chair..."

At this time, an old man in white turban came over and said to Leng Yun.

"I don't want to be a sedan chair anymore. It's too boring. I want to take a walk!"

"You guys go ahead and clear the way..."

Chapter: 3586

Leng Yun waved his hand and said!

The two old men opened the way again, throwing the trees in front of them to both sides like straw!

Along the way, Leng Yun kept talking to Chen Ping, and his eyes were filled with affection!

Chen Ping could only adjust his breathing and try his best to enter the meditative state of practice, otherwise he would have vomited it out long ago!

Seeing Chen Ping's forbearing look, Liu Rui laughed!

However, with Leng Yun joining in, and under the guidance of the compass, Chen Ping and the others quickly walked out of the forest, and a magnificent palace appeared in front of them!

The entire palace is very huge and continues to extend backwards. No one knows how far the palace extends. Being able to build such a magnificent building inside the mountain range also shows the strength of the Narcissus Palace!

“This is the ruins of Narcissus Palace. It’s so spectacular...”

Liu Rui couldn’t help but sigh when he saw this!

“This Narcissus Palace used to be a very large sect. Even the three sects and six sects of our Hidden Realm combined are not equal to the Narcissus Palace, so it is nothing to have such a mastery!”

Leng Yun said very calmly.

Obviously, he had a certain understanding of the history of Narcissus Palace before coming!

“There is a formation blocking the front of Narcissus Palace. If you want to get in, you may have to break through the formation!”

At this time, Lao Liu spoke!

“Formation?” Leng Yun snorted coldly: “What kind of formation can stop me...”

“Handsome Chen, come with me. I’ll make sure you’re safe. No formation can hurt you.”

Chen Ping looked at Leng Yun’s disgusting look and said nothing, but walked straight towards the ruins of Narcissus Palace!

Chen Ping also knows that there is a formation, he can just break it!

As Chen Ping and others got closer and closer to the ruins hall, they saw a tremor in the space. Chen Ping and the others seemed to be teleported to another space instantly!

At this moment, Tong Youcai, who was still trapped in the formation, felt the fluctuations around him, and then saw many people suddenly appearing!

“Chen Ping?”

Tong Youcai’s eyes were directly attracted to Chen Ping!

After all, Tong Youcai hated Chen Ping deeply. Now seeing Chen Ping suddenly appear, Tong Youcai rushed over suddenly!

Chen Ping didn’t expect to see Tong Youcai here!

Chapter: 3587

But just when Tong Youcai rushed towards him, Chen Ping was already prepared. The aura on his body rose and golden light flashed on his fists!

But before Chen Ping could take action, he found a white shadow flashing in front of him, and then he collided with Tong Youcai!

Bang.....

Tong Youcai took several steps back before regaining his balance!

“Second Young Master, are you okay?”

Several Tianlei Sect disciples asked hurriedly.

Tong Youcai shook his head, then looked at Leng Yun who was colliding with him and said, "Leng Yun, what do you want to do?"

Leng Yun ignored him, but turned around and asked Chen Ping with concern: "Handsome Chen, are you okay?"

When Chen Ping saw this, he didn't say anything, but took a few steps back and distanced himself from Leng Yun!

It's really disgusting.....

Seeing Leng Yun's behavior, Tong Youcai understood instantly, but he still warned Leng Yun with a cold face: "Leng Yun, I have trouble with Chen Ping, you'd better not get involved!"

"Tong Youcai, why do you have to do it now for the festival?"

"You are already trapped in this formation, are you still in the mood to fight and kill?"

"Think about how to get out first. I think you have been stuck here for a long time. You haven't gotten out yet. Isn't it embarrassing?"

Leng Yun said disdainfully to Tong Youcai.

"This is an ancient formation. Several of our magic masters are already cracking the formation. We will succeed soon!"

Tong Youcai said.

When Leng Yun heard this, he chuckled and said, "How dare you, some of the rubbish from the Tianlei Sect, call themselves magic masters? It's just a matter of waving your hands to break this formation!"

Tong Youcai was ridiculed by Leng Yun, but he didn't fight back because he knew that the young master of the Flying Star Sect in front of him was indeed a magic genius!

Not only has his strength reached the level of a fourth-grade Martial God, but his magical attainments are even stronger than others!

I saw Leng Yun pinch the orchid finger, and saw a red light beating, and then waved it casually!

The space fluctuated, and the formation in front of him disappeared instantly!

The majestic hall was once again exposed to everyone's sight!

Seeing this scene, Tong Youcai's eyes flashed with shock.

Chapter: 3588

As for the magic masters of the Tianlei Sect, their faces were filled with embarrassment and they lowered their heads in silence!

"Mr. Chen, don't look at this Leng Yun as a sissy, but he is still very good at magic. He is a genius in magic."

Liu Rui whispered in Chen Ping's ear.

Chen Ping raised the corners of his mouth slightly and smiled disdainfully, but didn't say anything!

Although Leng Yun's technique is indeed good, it is not very clever, let alone a genius.

This Leng Yun's spells are not even comparable to that of Lao Liu. The reason why he can break through this formation so easily is entirely because several spell masters from the Tianlei Sect in the early stage have almost cracked it!

“Okay, the formation is broken, we can go in, but you have to follow me closely, I believe there are many powerful formations waiting inside!”

“If anyone gets separated later and is plotted against by the formation mechanism, don’t blame me for not caring about you!”

After Leng Yun finished speaking, he looked at Chen Ping and said, “Handsome Chen, come with me. No one dares to do anything to you!”

The group of people walked towards the main hall, while Tong Youcai gave Chen Ping a cold look: “Humph, I didn’t expect you to sell your body in order to survive, disgusting...”

Chen Ping didn’t say much, nor did he pay attention to Tong Youcai. He now wanted to see who was in the ruins of Narcissus Palace and what the relationship was with following the Rebirth Spring!

The rebirth spring has disappeared, and Hu Mazi and Long Xingxu still need to find ways to heal their bodies!

Everyone walked along the steps towards the majestic hall step by step, and soon arrived in the hall!

I don’t know how many years the ruins of Narcissus Palace have been here, but when you enter the main hall, you can see that they are still intact and the various furnishings are placed in an orderly manner. It doesn’t look like a ruin that no one has been to for many years!

Everyone was shocked by the cleanliness of the hall, but this quiet hall did not make everyone relax their vigilance. Often the quieter and seemingly safe place is, the more dangerous it is!

“Follow me so as not to touch the formation mechanism...”

Leng Yun held the compass in his hand and walked slowly in front!

The compass was shining with light, and a pointer was reflected in the void, guiding the direction!

In this way, everyone passed through the hall without any danger, which made everyone feel a little relieved!

However, everyone was somewhat disappointed. After all, although there was no danger in the hall, no treasures were found!

You must know that they took the risk to come here just to get the treasure!

After passing through the main hall, there is a long corridor, which is only three or four meters wide, with rows of houses on both sides.

The doors of the houses were closed tightly. Although many people were curious and wanted to know what was inside these houses, no one dared to open them easily!

But not long after everyone entered the corridor, the doors of the houses on both sides suddenly opened by themselves.

Chapter: 3589

The sound of opening the door startled everyone, and they all looked wary as if they were facing an enemy!

“Mr. Chen, I’m afraid a death array has been set up here...”

Lao Liu whispered in Chen Ping’s ear.

“Miss Liu, if you see what I’m doing, something is wrong, run out with me right away!”

Chen Ping warned Liu Rui!

Chen Ping has also reached the gap. Although it seems quiet here, there is an undercurrent surging!

Soon, gusts of sinister wind continued to emerge from the houses on both sides. The appearance of the sinister wind made the already nervous people even more nervous!

Leng Yun stopped and frowned slightly: "Be careful, everyone, there may be a life and death formation here, so don't run around!"

Tong Youcai looked at his several magic masters, who also nodded: "Second Young Master, be careful, we also feel that it is very dangerous here!"

At this moment, everyone looked at the houses on both sides with caution. Leng Yun tapped the compass with his finger, and the compass flashed with a more dazzling red light, and the compass was suspended above everyone's heads!

"Check the houses on both sides first, don't move forward yet..."

Leng Yun said loudly.

After Leng Yun finished speaking, the two old men from the Feixing Sect quickly rushed towards the nearest house!

Everyone watched quietly, no one moved, they wanted to see if these two old men would be in danger!

After the two old men rushed into the room, there was no movement, everyone was silent, and time passed by minute by second!

After five minutes, the two old men ran out, holding some reddish-brown stones in their hands.

"Master, blood-soaked stone, this is a treasure..."

As soon as the two old men came out, they shouted!

And these reddish-brown stones are exuding a lot of Yin Qi at the moment, which should be the reason for the Yin wind just now!

“Go to other rooms and check...”

After Leng Yun finished speaking, he also rushed towards a room!

“Don’t be stunned...” Upon seeing this, Tong Youcai immediately called his men to go to the rooms on both sides to find blood-soaked stones.

As everyone re-entered the houses on both sides, the dark wind howled even more, and the coldness actually made Chen Ping’s body tremble slightly!

“withdraw.....”

Chapter: 3590

Chen Ping frowned, pulled Liu Rui up and thought about retreating behind him!

Lao Liu followed closely and ran outside with Chen Ping.

He sensed the approaching danger almost at the same time as Chen Ping!

“Mr. Chen, what’s wrong? Those blood-soaked stones are treasures.”

Liu Rui asked Chen Ping very puzzledly.

“Those are not treasures, but murderous objects. I feel the killing intent inside!”

After Chen Ping ran out of the corridor, he said to Liu Rui.

Lao Liu also nodded: "I feel it too, there is definitely danger in those houses!"

At this moment, Chen Ping and the others heard screams from the houses on both sides of the corridor!

Immediately afterwards, people kept running out of the room!

And behind these people, there are terrifying black shadows!

Those blood-soaked stones exuded cold air, and the cold air turned into extremely aggressive black shadows!

This sudden change caused everyone to be in chaos!

One of the black shadows instantly penetrated a person's body. The person didn't even have time to scream, before he fell to the ground and died!

A large number of black shadows kept pouring out of the room. Whether it was the Sky Thunder Sect or the Flying Star Sect, they were all caught off guard by this sudden change, and someone was injured!

"It's broken, this is a death formation, escape quickly..."

When Leng Yun saw this, he realized that this place turned out to be a death formation, and those blood-soaked stones were not treasures.

Everyone began to run desperately towards the road they came from, and everyone was frightened by the sight in front of them!

Tong Youcai's eyes narrowed slightly, and the aura on his body surged.

Accompanied by angry shouts, Tong Youcai punched out both fists and instantly defeated a black shadow.

But from the houses on both sides, more black shadows will rush out!

Seeing this, Tong Youcai could only fight and retreat. With these unknown things in front of him, if the fight continued like this, Tong Youcai might be exhausted to death!

The people from the Tianlei Sect protected Tong Youcai, but those dark figures were not afraid of anything and kept attacking!

“terrible.....”
