

The Order 3591

Chapter: 3591

Liu Rui looked at the scene in front of him and couldn't help but said in surprise!

"Let's go quickly, we can't stay here for long..."

Although Chen Ping and the others escaped from the corridor, it was obvious that they could not stay in the silent hall for long!

But just when Chen Ping was about to take Liu Rui to escape from the ruins, suddenly a gloomy wind blew past the entrance of the hall. The thick palace door was closed directly, and the soaring gloom filled the air from all sides, directly covering the entire hall. stand up!

"It's broken, we can't get out either..."

When Lao Liu saw this, he frowned and said!

At this moment, in the pervasive Yin Qi, black shadows began to appear, surrounding Chen Ping and the others!

"It seems we have to fight..."

Chen Ping drew out the Dragon-Slaying Sword, and the Dragon-Slaying Sword was burning with blazing spiritual fire!

These black shadows are their own bodies, so slashing alone cannot hurt them at all. However, spiritual fire is very effective in dealing with this evil spirit!

Lao Liu also used the magic formula, and balls of flames burned around him, constantly spinning around him!

Liu Rui frowned: "These black shadows are too perverted and cannot be beaten to death..."

Liu Rui defeated a black shadow with one punch, but soon the black shadow gathered together again and attacked Liu Rui again!

Although Chen Ping has spiritual fire and can defeat the black shadow, more black shadows will appear soon!

Looking at the yin energy filling the entire hall, Chen Ping also felt a little helpless!

Even if he could refine Yin Qi, he would not be able to absorb so much Yin Qi even if he had to absorb it all by himself!

At this time, Tong Youcai and Leng Yun had already rushed out, but when they saw that the entire hall was filled with Yin Qi and countless black shadows were ready to move, they were all stunned!

"Damn it, if I had known this, I would have brought more people here."

Leng Yun no longer cares about his image, and keeps following those black figures with the compass in his hand!

The compass is shining with light, and as long as it shines on those black shadows, it can instantly defeat them!

As for the two old men brought by Leng Yun, they were back to back. Their bodies were like the wind. They spun quickly, forming a huge storm and quickly blew away the black shadows!

It's just that the hall has been sealed, and the yin energy has been blown away, and it has gathered into black shadows in other corners of the hall, and attacked again.

Tong Youcai's whole body swelled like a mutation, and the wounds on his body were filled with green blood, and he was able to heal the wounds quickly!

Every punch Tong Youcai made formed a hurricane, scattering those black shadows!

Chapter: 3592

But no matter how many black shadows they disperse, in the end these yin energy will condense again and turn into black shadows to attack!

Although these people can control the situation for the time being, as time goes by, they will eventually be exhausted!

“Mr. Chen, what should I do?”

Liu Rui’s forehead was covered with sweat at this moment, and a strand of hair stuck to his forehead!

Lao Liu also had a solemn expression on his face. It was obviously a huge consumption and it was too much for him!

Chen Ping was also very anxious at this time, constantly observing the situation. Although this was a death formation, no matter what kind of formation, there would always be a way to break it!

However, the countless black shadows and constant attacks made it impossible for Chen Ping to calm down and explore the formation!

Chen Ping wanted Liu Rui and Lao Liu to block him while he calmed down to investigate, but there was no way the two of them could block so many dark shadows!

At this time, Chen Ping could only turn to Leng Yun and Tong Youcai for help, and join forces to create a quiet space for himself!

Although Chen Ping hates talking to Leng Yun, there is no other way now!

Chen Ping approached Leng Yun and Tong Youcai!

Then he said: "This is a death formation. We must break the formation, otherwise we will all die from exhaustion in it."

"Nonsense, if you tell me, we also know that we need to break the formation, but how?"

After Tong Youcai punched away a black shadow, he followed Chen Ping and shouted angrily!

"Handsome Chen, don't you have a way to break the death formation?"

Leng Yun looked at Chen Ping affectionately and asked.

"If you want to break the death formation, you must first find the formation eye. Now that I am being restrained, there is no way I can find the formation eye!"

"Now we need to cooperate. You can help me block these black shadows and create a quiet space for me. I can find the location of the formation with peace of mind!"

Chen Ping followed Leng Yun and Tong Youcai and said.

"Okay, no problem!" Leng Yun agreed without hesitation!

But Tong Youcai shook his head and said: "Chen Ping, do you think we are fools? Let us block it for you, and you can be at ease!"

"We were all exhausted in the end, so wouldn't all the treasures in this ruins become yours?"

"I'm not that stupid, you can take care of yourself..."

Tong Youcai hated Chen Ping so much, how could he block those dark shadows for Chen Ping!

Chapter: 3593

But with Leng Yun agreeing, he was able to resist for a while!

Leng Yun led several of his men, plus Lao Liu and Liu Rui, to surround Chen Ping, creating an absolutely safe and quiet space for Chen Ping!

Chen Ping closed his eyes slightly, and his consciousness spread out instantly. The surging power of consciousness enveloped the entire hall, and Chen Ping's hands kept stroking gently in the air, as if there was something in front of him!

Seeing Chen Ping like that, Tong Youcai snorted coldly: "Pretending, this is Narcissus Palace's death formation, how can it be so easy to break!"

Chen Ping closed his eyes, and his body began to move slowly. As Chen Ping moved, the people around him also began to move, blocking the black shadow rushing towards him!

Everyone performs their own unique skills. No one dares to be lazy at this time. This is a life-or-death moment!

And Leng Yun's compass was suspended above everyone's heads, and the endless light shone on a few people, allowing everyone to temporarily escape the intrusion of Yin Qi!

As Chen Ping moved slowly, he unexpectedly walked into the corridor he had just escaped from. You must know that this place has the heaviest yin and the most dark shadows.

Dark shadows kept rushing out of the houses on both sides, which made Liu Rui and the others feel the pressure instantly!

"This idiot, after finally escaping from there, he went in again..."

When Tong Youcai saw Chen Ping heading towards the corridor, he couldn't help but cursed!

Just when everyone couldn't bear it anymore, Chen Ping's eyes suddenly opened, and two rays of light shot out from Chen Ping's eyes!

The two rays of light went towards the depths of the corridor. Everyone saw that deep in the corridor, a bright red figure appeared!

The face of the figure is ferocious, and there is a sharp sword stuck in the body. I don't know who sculpted it, but it is actually alive!

"That sculpture is where the formation eye is, and the formation eye needs to be destroyed..."

Chen Ping said loudly.

"Then destroy him..."

After Lao Liu finished speaking, he jumped up and waved several flames from his hands!

But just when Lao Liu was about to get close to the human sculpture, a huge burst of Yin Qi suddenly rushed in and swallowed Lao Liu instantly!

Chen Ping, with quick eyesight and quick hands, stepped forward and grabbed Lao Liu and pulled him back!

As a place in the center of the formation, it is impossible to get close easily!

"You guys block this place, I'll do it..."

After Chen Ping finished speaking, the dragon-slaying sword in his hand glowed with light, and a dragon roar sounded!

Soon a golden dragon appeared and rushed towards the Yin Qi in front of him. In an instant, the golden dragon's figure disappeared!

Chapter: 3594

Chen Ping's body followed closely and rushed into the huge Yin Qi!

Others are struggling to resist the attack of those black shadows!

Now that Chen Ping's figure has disappeared into the huge Yin Qi, no one knows whether Chen Ping will succeed!

But now they can only wait, waiting for Chen Ping to destroy the array of eyes!

Chen Zai rushed into the huge Yin Qi and instantly felt a huge pressure. In the Yin Qi, he saw a huge palm slowly pressing towards him!

When Chen Ping saw this, he didn't care about the huge palm at all. Instead, he held the dragon-slaying sword and exerted the power of the dragon to the extreme!

Soon, the dragon-slaying sword in his hand instantly shot out a bright sword light, and suddenly headed towards the sculpture!

boom.....

This sword struck the sculpture heavily, causing a huge explosion, and countless cracks shook the sculpture. Although it was not broken, Chen Ping also felt happy in his eyes!

"Come again..."

Chen Ping knew that the sculpture would definitely break into pieces in one moment, and the death formation would be broken!

But just when Chen Ping was about to swing his sword again, the huge palm had already pressed down!

Chen Ping felt his body sink, as if the entire Kunlun Mountains were pressing on him!

His body fell rapidly and hit the ground hard, and a trace of blood flowed from the corner of his mouth!

Chen Ping wanted to get up, but found that his body was so pressed that he couldn't move at all!

Listening to the constant fighting, Chen Ping knew that Liu Rui and the others would not be able to hold on for long!

“ah.....”

Chen Ping's eyes widened, he shouted loudly, gritted his teeth and stood up slowly!

Chen Ping stood up reluctantly with his body hunched over. The Dragon-Slaying Sword in his hand was firmly pressed against the ground to support his body!

Although he stood up, Chen Ping couldn't swing his sword in this position!

Looking at the sculpture in front of him, Chen Ping's body flashed with light and he suddenly rushed forward!

Chen Ping planned to hit the sculpture hard with his body and destroy it!

boom.....

Chen Ping's body suddenly collided with the sculpture!

Chapter: 3595

Bang.....

The sculpture collapsed and then shattered to pieces!

With the fragmentation of the sculpture, the originally dark and gloomy hall and corridors instantly became brighter!

The Yin Qi disappeared without a trace in an instant, and those dark shadows also dissipated in an instant.

Liu Rui and the others quickly looked at Chen Ping and found that Chen Ping was lying on the ground, breathing heavily!

Tong Youcai in the main hall looked at the sudden disappearance of the Yin Qi, his face full of surprise!

"Did that kid really break the formation?"

Tong Youcai frowned and led the people into the corridor!

"Mr. Chen, are you okay?"

Liu Rui helped Chen Ping up.

"It's okay!" Chen Ping shook his head!

"What is this?" Lao Liu found that although the collapsed sculpture was broken, something was shining!

Chen Ping looked over, threw away the rubble, and found that there was a mummy inside the sculpture.

The mummy is that of a woman, with a ferocious expression, the same as that of the sculpture!

Moreover, the mummy was wearing ancient clothes, and it looked like it had been there for many years!

And what shines brightly are the three emerald green gems on the chest of the mummy!

Gemstones contain a lot of energy of heaven and earth. When Chen Ping picked up a gemstone, he instantly felt his body relax, and the large amount of spiritual energy he consumed was replenished in an instant!

Everyone also felt an unprecedented sense of relief. The fierce battle just now almost left everyone exhausted, but now they all feel very relaxed!

Chen Ping held the gem and thought about it, and a message instantly appeared in the wordless book in his mind!

“Xuan Jing Shi, an ancient spiritual stone, a kind of crystal stone that exists in the world of heaven and man!”

Looking at the information, Chen Ping was full of surprise!

This kind of stone actually exists in the world of heaven and man, but why does it appear here?

Could it be that Narcissus Palace is still connected with the Heaven and Human Realm?

Chen Ping also took off the other two black crystal stones from the mummy, and then carefully observed the mummy!

Chapter: 3596

Although the mummy has been there for many years, the face can still be vaguely recognized. It should be a woman in her thirties, good-looking!

But looking at the ferocious expression, it seems that someone was sealed in the sculpture while he was still alive!

Chen Ping was a little puzzled, how could this mummy have crystals from the world of heaven and humans?

Could it be that this woman comes from the world of heaven and humans?

How could he die in Narcissus Palace and be made into a formation eye?

How did the Narcissus Palace decline?

Looking at the ruins of Narcissus Palace, they are very well preserved and there are no traces of fighting. Why did such a large sect just disappear?

Various questions troubled Chen Ping, but Chen Ping knew that now was not the time to think about this!

Chen Ping found the mummy with stones, piled it into a grave, and buried it!

Then he walked up to Leng Yun with three black crystal stones and said, "I'll give you one. This thing is somewhat helpful for cultivation."

Leng Yun took the Xuan Jing Stone and felt the energy of heaven and earth emanating from the Xuan Jing Stone. His whole body instantly became full of strength!

This surprised Leng Yun. Although there are many resources in the hidden world and many kinds of gems, he has never seen such magical stones!

“Miss Liu, I’ll give you one...”

Chen Ping gave Liu Rui one, allowing Liu Rui to quickly recover her strength!

After all, he was able to break through this formation of eyes, and with all his efforts, there was no way Chen Ping could swallow this black crystal stone for himself!

As for Lao Liu, he is a member of the Burning Heaven Sect. Chen Ping is not sure whether he has really changed his ways, so it is impossible for Lao Liu to get the Xuan Jing Stone!

Lao Liu also knows himself and is not dissatisfied!

On the other hand, Tong Youcai looked at the green black crystal stone with burning eyes!

After a slight wink at his person, Tong Youcai walked towards Chen Ping!

“Chen Ping, the treasures in the Narcissus Palace ruins are not yours, so why are you qualified to distribute them?”

“And you have to know that my Tianlei sect has the most people and we contribute the most. If we hadn’t attracted those black shadows, you would have been dead by now!”

Tong Youcai looked at Chen Ping very dissatisfied and said.

“What do you mean?” Chen Ping asked.

“It’s not interesting. You must give me one of these three gems.”

Chapter: 3597

Tong Youcai looked domineering. He didn’t look like he was asking for a gem. He was clearly threatening!

Chen Ping couldn't help but sneered when he saw Tong Youcai like that!

Liu Rui frowned: "Tong Youcai, do you want face? Just now Mr. Chen asked you to cooperate, but you didn't agree. Now that we have broken the trap and got the gem, you shamelessly come here to ask for it?" "

"How did your parents educate you? Did they teach you to be shameless?"

Liu Rui must have been furious, so she spoke very sharply!

"What did you say?" Tong Youcai seemed to have been poked in a painful spot, his face became angry, and the aura on his body began to rise!

"What? Am I wrong? If you just helped me, you don't have to shamelessly come over and ask for gems now!"

"Mr. Chen destroyed the formation and saved the big guy. It's okay if you don't thank him, but he came to ask for gems. It's shameless..."

Liu Rui became angrier and angrier as she talked, cursing at Tong Youcai, not afraid of him at all!

"you wanna die....."

Tong Youcai was furious and slapped Liu Rui with his palm!

Liu Rui was no match for Tong Youcai, but he didn't panic at all when faced with Tong Youcai's attack!

Just when Tong Youcai took action, Leng Yun on the side took action!

Leng Yun directly grabbed Tong Youcai's wrist and said calmly: "Tong Youcai, I think Sister Rui'er is right. You were given a chance just now. Let's join forces, but you yourself don't agree!"

"Now you want to take away the things we have worked so hard to get without any effort. Is there such a good thing in the world?"

"If you think your Tianlei sect has many people and is strong, you might as well give it a try. At worst, no one will be able to get out of this ruins."

Leng Yun's words made Tong Youcai feel fearful and could only take his hand back. Although he was unwilling to do so, he said nothing more!

If it were just the three of Chen Ping and the others, Tong Youcai would not be afraid at all, but with the addition of Leng Yun and the others, Tong Youcai would not be sure!

What's more, he doesn't want to start a conflict with the Feixing Faction, otherwise he won't be able to explain it after he goes out!

After a moment of pause, everyone continued to walk through the corridor and walked back!

As he continued to deepen, Chen Ping began to feel the aura in the Rebirth Spring!

It seems that the rebirth spring should flow out from this ruins.

After walking a certain distance, a naturally formed arched stone door appeared. The stone door was extremely thick and had many chisel marks on it. It must have been repaired later!

Above the stone gate, the three characters Narcissus Palace are still clearly visible. Even after hundreds of years, everything is still intact!

Chapter: 3598

"What a strange sect. Why did the gate be built in this place? Could it be that the main hall we entered before was not Narcissus Palace?"

Liu Rui looked at the stone gate and asked curiously.

“The main hall we entered also belongs to Narcissus Palace, but it does not count as actually entering Narcissus Palace. It is the front hall of the sect. In the past, many sects would set up front halls, where they would teach, learn, and entertain guests. .”

“These people will not be allowed to enter the sect in order to prevent some secrets within the sect from being discovered.”

“There should still be sects with this kind of design now, it’s not that strange!”

Leng Yun explained to Liu Rui!

After listening to Leng Yun’s words, Liu Rui realized that the many rooms on both sides of the corridor should have been used to entertain guests at that time.

These people will not be allowed to live in the sect. This can be regarded as a defensive measure to prevent anyone from having any bad intentions towards the sect!

“This is the real Narcissus Palace. It seems that what we just encountered is just an appetizer. The real danger is yet to come!”

Lao Liu looked at the heavy stone door and said with some emotion.

Chen Ping also knows that the real danger lies within the Narcissus Palace. The formation like the one he just encountered in the main hall should be just a small intimidation!

“Go and open the door...”

At this time, Tong Youcai waved his hand and directed two Tianlei disciples to push the stone door open!

“Don’t push it, there’s something weird about this stone door...”

Chen Ping opened his mouth to stop him!

“Hmph, it’s just a stone door. What’s so weird about it? Do you want to push it open yourself, and then distribute any treasures inside, saying that you pushed the stone door open by yourself?”

“Don’t show your little thoughts in front of me...”

Tong Youcai snorted coldly, and then said to the two Tianlei Sect disciples: “Go and push him away, don’t worry about him!”

Two Tianlei Sect disciples walked to the stone door, looked at the thick stone door, and pushed it up with all their strength!

It should be very easy for two people with half the strength of a Martial God to push open the stone door. However, they tried their best and the stone door did not move at all!

“This piece of trash can’t even open a stone door?”

When Tong Youcai saw this, he cursed loudly!

“Tong Youcai, have you disciples of the Tianlei Sect not eaten? Or do you want my people to push you away?”

Leng Yun looked at Tong Youcai with a half-smile and asked.

Chapter: 3599

Tong Youcai felt that he had been humiliated, and could only shout loudly at the two Tianlei Sect disciples: “If you can’t open the stone gate, you should die to apologize. You are a shame...”

When the two Tianlei Sect disciples heard this, they could only use all the energy in their bodies, and blasted the energy into the stone door. At this time, light patterns suddenly flashed on the stone door.

The light patterns flickered, and it was obvious that someone had set up a formation on the stone gate, which made the stone gate extremely heavy and motionless!

Buzz.....

Suddenly, two blue flames rose up. The two Tianlei Sect disciples were struggling to push the stone door, but their bodies were burning!

“ah.....”

“ah.....”

When the two Tianlei Sect disciples saw their bodies on fire, they began to scream and kept beating the flames on their bodies. However, the more they beat the flames, the more violent they burned!

Upon seeing this, Tong Youcai hurriedly stepped forward and called his men to put out the fire. Several magic masters from the Tianlei Sect used their magic techniques, and water pillars seemed to fall from the sky, directly impacting the two Tianlei Sect disciples who were on fire!

But no matter what, the blue flame would not go out. It was not until the two Tianlei Sect disciples burned to ashes that the flame gradually disappeared!

Looking at the marks on the ground, Tong Youcai’s eyes were filled with anger. He had already lost several of his men before they even entered Narcissus Palace!

“Mr. Chen’s kind reminder just now was turned a deaf ear. Now he’s fine and he was burned to death...”

Liu Rui said happily.

When Tong Youcai heard this, he was even more angry, but there was nothing he could do. If he had listened to Chen Ping's dissuasion just now, two of his men might not have died!

"There is actually a formation on top of this stone gate. It seems that this Narcissus Palace is really not simple!"

Leng Yun looked at the formation on the stone gate and sighed.

"You guys do some research and break this formation..."

Tong Youcai commanded several spell masters from the Tianlei Sect to break the formation on the stone gate!

After all, the formation in front was broken by Chen Ping, which already made their Tianlei Sect very embarrassed!

Now if the Tianlei Sect breaks the formation on the stone gate, it can be regarded as regaining some face, and after entering, Tong Youcai will also have a say in the distribution of treasures!

Several magic masters stepped forward and studied the formations above carefully, but they did not dare to touch them easily and could only watch from a distance!

After watching for a while, an old man said to Tong Youcai: "Second Young Master, this is the Ding Qian Kun. It is an ancient formation. Even if a needle is used to cast the formation, if the formation is not broken, no one will be able to do it." How to remove the needle."

"And this formation also has a killing formation. If you forcefully break the formation, you will be burned to death by the spiritual fire just like before."

"So powerful?" Tong Youcai frowned: "Then can you dispel this formation?"

Chapter: 3600

"Yes, I have studied this type of formation and can break it, but it will take some time."

The old man said.

“How long will it take?” Tong Youcai continued to ask.

“One day, one day, we can break this formation.” The old man stretched out a finger and said.

Tong Youcai heard that one day was not long, so he nodded and said: “Then break the formation quickly. If you break this formation, you will be rewarded!”

Upon hearing this, several magic masters from the Tianlei Sect quickly began to join forces to break the formation!

“The formation set up by Narcissus Palace is really powerful. I’m afraid I won’t be able to break through this formation in a day!”

“I didn’t expect that the magic masters of the Tianlei Sect would be so skilled in magic.”

Lao Liu said with some emotion.

“This bunch of trash can’t be broken open in three days, don’t listen to their bragging!”

Leng Yun had a look of disdain on his face. He didn’t look down on these spell masters from the Tianlei Sect at all!

When Tong Youcai heard that Leng Yun was belittling their Tianlei Sect, he was a little unhappy. He looked at Leng Yun and said, “Leng Yun, your magic is so good, how can you open it if you have more time? I guess you don’t even have the method!” ”

“This kind of formation, even if I do it, will probably take at least three days. You Tianlei Sect magic masters, let alone one day, may not be able to open it even if you give them ten days!”

Leng Yun's words made Tong Youcai's face grow colder and colder!

"They won't be able to open it in a month. This kind of formation is beyond their ability to solve."

Chen Ping also spoke at this time.

As for the several spell masters of Tianlei Sect, although they claim to be masters, their spells are not very good at all, so they just deceive people like Tong Youcai. After all, they know little about spells!

"Chen Ping, stop making sarcastic remarks here. You have the ability. You broke this formation in one day."

Tong Youcai roared at Chen Ping!

"It won't take a whole day to break this formation. I only need one minute..."

Chen Ping smiled slightly.

Seeing what Chen Ping said, Leng Yun and Lao Liu also looked at him. After all, these two people are considered masters of magic. They can tell the level of the formation!

Such a clever ancient formation was broken in just one minute. That was simply a joke!

Although Tong Youcai didn't understand, he didn't believe Chen Ping when he said he broke the formation in just one minute: "Stop bragging, I don't believe you have that ability!"
