

The Order 3601

Chapter: 3601

“Whether you have that ability, you will know if you try it, but I have broken this formation. The treasures you see after opening the stone door need me to distribute them!”

“Do you dare to let me try?”

Chen Ping asked Tong Youcai with a sneer.

Tong Youcai looked at Chen Ping’s confident look and hesitated for a moment. He was really afraid that Chen Ping would break the formation in just one minute!

“Handsome Chen, if you can break this formation in one minute, I won’t want the treasure inside.”

Leng Yun spoke.

He knew the magic, but he didn’t believe that Chen Ping could break the formation on the stone gate in one minute!

Although Leng Yun said this, Tong Youcai didn’t dare to take a gamble. He could only say to the hurried magic master of Tianlei Sect: “You should speed up, don’t be looked down upon by others, saying that you are not worthy of the name of magic master at all.” Number.”

In fact, these old men also heard the conversation just now. At this moment, they were all holding their breath. They must open this formation and let everyone see it!

But at this moment, light suddenly flashed on the stone door, and then a vast energy shot out. An old man was unable to dodge, and his head was instantly cut off by this vast energy.

Blood splattered, and several other old men were all splashed with blood. They were all stunned with frightened faces!

“What...what’s going on?”

Tong Youcai asked confused.

“This...this...” The old man who had just said that he could break the formation in one day was now full of panic and speechless!

“I said, you can’t break the formation in a month. The wrong way to break the formation is to break the formation by force. Moreover, this formation has a killing formation. If you break the formation by force, you will die!”

“Now you know how powerful it is, right? Do you still dare to continue breaking the formation?”

Chen Ping said calmly.

The hurried spell masters of the Tianlei Sect hurriedly retreated away from the stone gate!

This time, Tong Youcai was so angry that he almost vomited blood!

“Chen Ping, didn’t you say you can break the formation in one minute? Go ahead and try it, I promise you, you will distribute the treasures behind the stone gate!”

Tong Youcai nodded to Chen Ping and said!

Since the formation is so powerful, Chen Ping will probably die here if he breaks the formation, so Tong Youcai agreed!

“If you had said it earlier, if you had agreed earlier, the stone gate would have been opened long ago!”

Chen Ping smiled lightly and walked towards the stone gate!

Chapter: 3602

“Mr. Chen, you have to be careful...”

Liu Rui reminded Chen Ping!

“Don’t worry, I’m sure...”

Chen Ping smiled slightly, walked to the stone door, and gently pressed his hands on the stone door!

Seeing such a scene, everyone held their breath and waited to see what the outcome would be for Chen Ping!

Lao Liu and Na Leng Yun also watched attentively, wondering what method Chen Ping relied on to break this formation in one minute!

I saw Chen Ping’s hands flashing with golden light, and golden light penetrated the stone door, and the lines in the formation also began to flash with golden light!

Buzz.....

Suddenly, there was a golden light, and a terrifying aura emanated from the stone door. Chen Ping was instantly swallowed by this aura!

After the others felt this aura, their bodies quickly retreated!

“Hahaha, this is the result of pretending to be cool. It took one minute to break the formation. Now that the formation is activated, you will definitely die!”

Tong Youcai burst out laughing!

Liu Rui looked at Chen Ping nervously and clenched his hands tightly into fists!

Lao Liu and Leng Yun were focused on the formation on the stone gate. The terrifying aura just now did not want to emanate from the killing formation.

“Creak, creak...”

Suddenly, there was a sound of boulders rubbing against each other, which made people’s skin crawl all over!

Then I saw Chen Ping slowly pushing the stone door open. The terrifying aura did not cause any harm to Chen Ping!

As the stone door opened, gusts of cold and biting wind emerged from the ruins of Narcissus Palace!

Everyone shuddered involuntarily.

This sinister wind makes people feel hairy, as if this place is not like a sect, but more like an underground morgue!

However, Chen Ping pushed the stone door open in such a short period of time, which surprised everyone!

“Mr. Chen, how did you do it? Break the formation in such a short time?”

Lao Liu was very curious as to how Chen Ping broke the formation.

Leng Yun was also curious and stepped forward and said, “Handsome Chen, what method did you use? We didn’t see you break the formation?”

Chapter: 3603

Tong Youcai was also holding his ears open at this time, wanting to hear what happened. Everyone was full of doubts about Chen Ping breaking the formation in such a short time!

Chen Ping smiled slightly, looked at Tong Youcai who came forward, and then said: "I can break the formation so quickly, I have to thank the second young master of the Tianlei Sect."

When Tong Youcai heard this, he was immediately confused. He looked at Chen Ping and said, "Thank me? Why are you thanking me?"

Lao Liu and the others were also confused. They didn't understand what Chen Ping meant and why it had anything to do with breaking the formation and following the Tianlei sect.

"Of course I have to thank you. If you hadn't asked your men to forcefully break the formation, activate the killing formation, and consume the energy in the killing formation, I wouldn't have been able to break the formation so quickly!"

"Although there is a killing formation in this formation, the power of the killing formation has also weakened due to the passage of time, and you asked your people to forcefully break the formation, activate the killing formation, and almost consume all the energy in the killing formation! "

"This way, it will be much easier for me to break the formation, and I don't have to worry about getting hurt at all..."

Chen Ping looked at Tong Youcai with a proud look on his face and said.

At this moment, Tong Youcai became an idiot and his face became uglier than if he had eaten shit!

He originally wanted his people to open the stone gate first so that he could take the initiative, but he didn't want to make Chen Ping a wedding dress!

When Lao Liu and Na Leng Yun heard this, they also laughed, but they knew that Chen Ping was telling Tong Youcai on purpose.

This is not the reason why Chen Ping was able to break through the formation so quickly!

It's just that Chen Ping doesn't want to say it, and they won't ask further questions!

"Let's go in....."

Chen Ping saw that Tong Youcai was very angry at this moment. He smiled slightly and wanted to lead everyone into Narcissus Palace!

Tong Youcai lost his troops and generals, so he could only follow behind!

After entering the stone gate, a huge square appears. There are eighteen stone pillars placed on the square. Each stone pillar is carved with a dragon-shaped pattern, and each dragon is different!

The cold Yin Qi kept blowing on everyone, even if these people were masters, they could not help but shiver when they felt the cold Yin Qi!

At the end of the square, there is a stone wall, and there is no road. This makes everyone feel very strange!

"Mr. Chen, what's going on? Is Narcissus Palace so big?"

Liu Rui asked strangely when he saw that there was no way.

Chen Ping shook his head, his consciousness spread out, and he wanted to penetrate the stone wall in front of him, but found that there was no way to penetrate it, because there was indeed no road here, but a stone wall on the mountain.

"Impossible, is this Narcissus Palace only so big?"

Chen Ping was confused!

Chapter: 3604

And Tong Youcai and Leng Yun had already ordered their men to search everywhere, hoping to find some treasures!

But apart from the eighteen stone pillars, there was really nothing in the huge square!

This time, everyone was almost disappointed to the extreme!

After all the effort, we arrived at the ruins of Narcissus Palace, but they were only so small, and there weren't even any treasures!

"The ruins of the damn Broken Water Fairy Palace are nothing but bullshit. I lost several people!"

When Tong Youcai saw that he couldn't find the treasure, he couldn't help but cursed!

"It shouldn't be. Is it possible that the Narcissus Palace is only this big? And it doesn't have anything at all?"

Leng Yun also frowned, feeling that it was impossible!

"Mr. Chen, have you noticed that these eighteen stone pillars seem to be placed in a strange position!"

"It looks like a formation..."

Lao Liu whispered in Chen Ping's ear.

Chen Ping looked at the stone pillars carefully, then stepped forward and gently stroked the stone pillars with one hand!

Just when Chen Ping's hand touched the stone pillar, the dragon crystal in his body actually moved slightly, and he felt a vague aura emanating from the stone pillar!

Soon, the two eyes of the dragon-shaped pattern carved on the stone pillar began to shine!

Seeing this scene, everyone became nervous and didn't understand what was going on. They were afraid that another formation would be suddenly activated!

Chen Ping looked at the glowing dragon-shaped pattern, then turned around and touched another stone pillar!

Then the eyes of the dragon-shaped pattern on the stone pillar also started to shine!

Seeing this, Chen Ping started to touch the stone pillars one by one with his hands!

When Chen Ping touched the last stone pillar, the entire square was already illuminated by light, and these lights slowly formed a dragon in mid-air!

Everyone was shocked when they saw the giant dragon appearing in mid-air!

Rumble.....

Immediately afterwards, the entire square began to tremble, and the stone door behind him slammed shut in an instant!

Now, these people can't run away even if they want to!

"Chen Ping, what the hell did you do? Are you trying to kill us?"

Chapter: 3605

Tong Youcai yelled at Chen Ping!

But Chen Ping ignored him at all. Instead, he stared blankly at the giant dragon, and then his body slowly floated up, and finally his eyes met with the giant dragon!

Chen Ping slowly stretched out his hand, wanting to touch the giant dragon.

But with the roar of the giant dragon, a huge force came, and Chen Ping's body was hit hard like a leaf. His body hit the stone wall and fell down!

"Mr. Chen..."

Upon seeing this, Liu Rui hurried forward to check and found that there was blood on the corners of Chen Ping's mouth!

You must know that Chen Ping's physical body is extremely strong, but he was directly injured by the dragon's roar!

When Tong Youcai and Leng Yun saw this scene, their expressions were extremely nervous. Everyone was on guard to prevent the giant dragon from attacking them!

The trembling in the square became even more severe, and the eighteen stone pillars began to collapse one after another, causing huge bursts of smoke and dust!

The rocks cracked and flew everywhere!

For a moment, everyone was dodging desperately for fear of being hit!

Then the giant dragon roared again, and then rushed down from mid-air!

The dragon's body hit the ground hard, and the entire ground collapsed instantly!

Everyone was almost stunned. Looking towards the center of the square, the dragon had disappeared, but a dark underground passage appeared!

This underground passage has always been thought to extend underground. Without a trace of light, it seems to lead to the eighteenth level of hell!

Everyone looked at the underground passage and were at a loss for a moment. They did not dare to be the first to go in, because no one knew what would happen to the first person to go in!

Chen Ping looked towards the passage, and then a flame rose from his palm, lighting up the entire passage!

Then Chen Ping walked directly in. Now that he is here, no matter what difficulties he encounters, Chen Ping will not give up!

Chen Ping went in, followed closely by Liu Rui, followed closely by Lao Liu!

And Leng Yun and Tong Youcai were outside, and they couldn't make up their minds for a while!

The giant dragon that just appeared made them a little scared. If the giant dragon was in this passage at this time and rushed in like this, they might not even have a chance to escape!

"Leng Yun, why don't you go in?"

Tong Youcai looked at Leng Yun and asked.

"Why don't you go in?" Leng Yun asked.

Chapter: 3606

"With such a small passage, if there is any mechanism formation inside, we may not even have a chance to escape, so I'd better be cautious!"

Tong Youcai said.

“You are afraid of death, aren’t I afraid...”

Leng Yun rolled his eyes at Tong Youcai, and then continued: “Let’s wait a while, there is nothing going on inside, then go in...”

Tong Youcai and Leng Yun led the people to wait outside for a while, and found that there was no movement inside, so they led the people in one after another!

Chen Ping, Liu Rui and Lao Liu, were walking in front. Although the passage was not big and a bit depressing, fortunately there was no danger, and there were no traps or formations!

But soon, there was a fork in the passage in front of Chen Ping, and three identical corridors appeared. This made Chen Ping a little embarrassed!

Obviously, one of these three identical corridors must be safe.

The other two are extremely dangerous, but Chen Ping doesn’t know which way is safe!

Chen Ping carefully observed the three passages. There was nothing on the smooth stone walls, and the shapes were exactly the same. It was difficult to choose!

Just when Chen Ping and the others were hesitating, Leng Yun and Tong Youcai had already caught up!

When they saw three passages appearing in front of them, they were stunned and didn’t know which one to take!

“What should I do?”

Tong Youcai frowned and said!

But no one paid him any attention. Chen Ping closed his eyes slightly, and three rays of consciousness instantly escaped from his body and headed towards the three passages!

It's just that the three passages are very long. Even if Chen Ping's consciousness has reached several miles away, he still doesn't notice the difference between the three passages.

At this time, Leng Yun took out the compass, bit his finger, and dropped a drop of blood on the compass!

Soon the compass flashed red, and the pointer on it was trembling violently!

Soon, the pointer slowly stopped and finally pointed to the leftmost passage!

Upon seeing this, Leng Yun put away his compass, smiled at Chen Ping and said, "Handsome Chen, this passage on the left is the correct one. Do you want to come with me?"

Chen Ping did not move, but when Leng Yun saw this, he led his people into the leftmost passage!

When Tong Youcai saw this, he quickly led others to follow him!

"Tong Youcai, what are you doing?" Leng Yun suddenly said with a cold face when he saw Tong Youcai following him.

"Brother Leng, if you and I encounter anything along the way, there will still be someone to take care of you. Don't worry, if you find a treasure, I'll let you pick it first!"

Chapter: 3607

Tong Youcai lowered his body and followed Leng Yun's flattering words.

Tong Youcai knew that in this place, no matter how strong he was, it would be useless. If he didn't know the magic, he would be trapped here!

And the few magic masters he brought were simply useless, that's why he followed Leng Yun so lowly!

When Leng Yun saw Tong Youcai saying this, he didn't care about anything and continued to move forward with Tong Youcai and others!

"Mr. Chen, what should we do?"

Liu Rui asked anxiously when he saw that Tong Youcai and Leng Yun had left, but Chen Ping was still motionless.

"No hurry, wait a moment..."

Chen Ping stood quietly. Although his consciousness had been withdrawn, Chen Ping did not make a rash choice!

No one knows what Chen Ping is thinking!

After a while, Chen Ping walked straight towards the middle passage. Seeing this, Liu Rui and Lao Liu had no choice but to follow!

I don't know how long I've been walking, and I don't know how far I've walked!

Finally, just when several people were about to collapse, there was finally light ahead and an exit!

Seeing this, several people were very happy and rushed out in a hurry!

As their eyes lit up, several people looked at everything in front of them in surprise!

I saw the small stream flowing here, the birds singing and the flowers fragrant, it was like another world!

Except that there are no humans living here, the other scenes are very similar to the fairy village that Lao Liu transformed into!

“It’s so beautiful here...”

Liu Rui looked at the scene in front of him and couldn’t help but exclaimed!

But Chen Ping did not appreciate the beautiful scenery, but walked straight to the stream, and then gently touched the stream with his hand!

For a moment, Chen Ping’s face showed excitement!

Because the water in this stream is exactly the same as the water in the Rebirth Spring!

Maybe the water in the Rebirth Spring flows out from this stream!

Chen Ping decided to find the source of the stream and see what caused it to have special effects!

But just when Chen Ping and the others were about to go upstream along the stream, they saw Leng Yun, Tong Youcai and others coming over too!

Chapter: 3608

But looking at the faces of these people and the scars on their bodies, it was obvious that they had just come out of the war!

And when Tong Youcai saw Chen Ping and others walking out of the passage and looking very relaxed, he was almost furious!

He just didn't understand, how could Chen Ping be so lucky?

Chen Ping ignored them and kept walking along the stream!

Not far away, I saw a towering ancient tree standing tall with criss-crossing roots. This ancient tree was dozens of meters high!

From the ancient trees, thick spiritual energy is constantly emanating!

The stream flows through the ancient trees and constantly washes away the roots of the ancient trees!

Chen Ping looked at the ancient tree in front of him in surprise, then continued forward, and then soaked his hands in the stream!

The stream water at this time was just an ordinary stream water, without that special smell!

But when Chen Ping soaked his hands in the stream water washing through the tree roots, that special smell appeared!

Chen Ping now finally understood that the strange effect of the Rebirth Spring came from the ancient tree in front of him!

Looking up, Chen Ping saw apple-like spiritual fruits hanging on the ancient trees, and the spiritual fruits were surrounded by spiritual energy!

"What a powerful ancient tree. I didn't expect there to be such a thing in the Kunlun Mountains..."

Chen Ping couldn't help but be surprised!

At this time, Leng Yun, Tong Youcai and others also came over. When they saw the ancient tree in front of them, they were all shocked!

“The psychic tree, now the psychic tree.....”

Leng Yun suddenly went crazy and started shouting. The excitement on his face could not be expressed in words!

“Brother Leng, what is a psychic tree?” Tong Youcai asked in confusion.

“I read this from an ancient book. This psychic tree is a sacred tree, and the fruit on it is called a psychic fruit. As long as you eat one psychic fruit, your cultivation level will instantly increase!”

“And according to ancient records, after someone ate a few psychic fruits, his whole person was completely transformed, became an immortal cultivator, and finally ascended to heaven...”

Leng Yun became more and more excited as he talked, so much so that his body was trembling slightly!

When Tong Youcai heard this, his eyes widened with disbelief on his face!

Liu Rui and Lao Liu on the side were also shocked when they heard this. None of them thought that this ancient tree was so valuable!

“So, everyone in Narcissus Palace should be immortal cultivators...”

Chapter: 3609

Chen Ping asked.

After all, eating the psychic fruit can make a warrior reborn and become an immortal cultivator. If the psychic tree is in Narcissus Palace, then the disciples of Narcissus Palace should all be immortal cultivators!

“That’s not necessarily true. Ancient books say that only those with extraordinary talents can do it. However, taking this psychic fruit can indeed improve one’s cultivation and reshape one’s physical body. It is definitely a treasure among treasures...”

Leng Yun explained!

When he heard about reshaping the physical body, Chen Ping’s eyes lit up. After the ordinary stream washed through the tree roots, it had the ability to reshape the physical body!

It just takes seven, seven and forty-nine days, which is too long!

But if Hu Mazi and Long Xingxu take this psychic fruit, their bodies should recover soon, and maybe their strength will be able to break through!

Thinking of this, Chen Ping planned to jump up and pick off the psychic fruit. You must know that although this ancient tree is dense, there are not many psychic fruits, only eight!

So Chen Ping planned to take the first step and get some psychic fruits to rescue Hu Mazi and Long Xingxu!

Seeing Chen Ping about to pick the psychic fruit, Tong Youcai also jumped up and stopped Chen Ping!

“Chen Ping, what are you going to do?” Tong Youcai glared at Chen Ping: “This psychic fruit is not yours, can you pick it if you want?”

At this time, Leng Yun also stepped forward and said with a slightly cold face: “Brother Chen, you are not particular about it. Do you want to monopolize it?”

Facing the temptation of the psychic fruit, Leng Yun was not too polite to Chen Ping at this moment. In the face of huge interests, there are no friends, not to mention that Leng Yun and Chen Ping are not friends.

“What do you want?”

Chen Ping looked at Tong Youcai and Leng Yundao.

“No matter what, this psychic fruit is a rare spiritual fruit in the world. Who wouldn't want it? But if you want a psychic fruit, you have to have your ability.”

“There are eight psychic fruits in total now. Brother Leng can take five, and I can take three...”

“As for you, don't even think about taking one away, and you have to keep your life!”

After Tong Youcai finished speaking, the aura on his body began to rise continuously!

He had wanted to kill Chen Ping for a long time, but Leng Yun had been protecting Chen Ping, and Tong Youcai couldn't do it!

This time, in the face of interests, he knew that Leng Yun would never help Chen Ping, so he told Leng Yun to take away five psychic fruits!

Sure enough, when Leng Yun heard this, a satisfied smile appeared on his face and he did not speak for Chen Ping!

Chen Ping looked at Tong Youcai coldly, his eyes full of disdain!

“You alone want to kill me?” Chen Ping snorted coldly: “You should still practice for ten years...”

Chapter: 3610

Chen Ping's disdain made Tong Youcai furious and his body jumped up!

“Chen Ping, now that I have modified my genes, killing you is like chopping melons and vegetables...”

Tong Youcai's heart has been extremely swollen since he modified his genes.

The body leaping high erupted with a terrifying aura, and then a punch suddenly fell, bursts of explosions sounded, and the whole space was shaking!

Chen Ping looked at the Tong Youcai coldly, his body suddenly appeared with golden light, and the indestructible golden body instantly wrapped around his body, and then the power of the dragon condensed on his fist!

A golden dragon surrounded his arm, and then he punched out. With a dragon roar, a terrifying punch went straight towards Tong Youcai!

boom.....

There was a deafening sound, and the terrifying energy was like a storm, sweeping around in an instant!

Everyone was shaken by the terrifying residual energy!

But the psychic tree on the side didn't seem to be affected in any way, not even a leaf was moved!

And Tong Youcai felt a tightness in his chest, and then he spurted out a mouthful of blood. His whole body fell from the sky like a kite with its string broken, and hit the ground hard!

"Second Young Master....."

Upon seeing this, the disciples of the Tianlei Sect hurriedly stepped forward to help Tong Youcai up!

Seeing Chen Ping injure Tong Youcai with one punch, Leng Yun couldn't help but be shocked. He didn't expect Chen Ping to be so strong.

Tong Youcai wiped away the blood and frowned tightly!

He didn't expect that after modifying his genes and improving his strength, he still couldn't beat Chen Ping!

"I said, you can't kill me with your strength, so you should go back and practice for ten years!"

"You don't deserve to take this psychic fruit..."

Chen Ping said to Tong Youcai in a cold voice.

"Handsome Chen, since we entered the Narcissus Palace ruins together and discovered the psychic fruit together, we might as well share it together."

"I feel aggrieved. I only take four, and Tong Youcai takes two. This way you can also take two, so you don't have to fight to the death!"

Leng Yun saw that Chen Ping was so powerful, so he smiled slightly and stepped forward and said.

Chen Ping looked at Leng Yun's effeminate look and thought it was quite beautiful.

If Chen Ping hadn't shown his strength, I'm afraid Leng Yun wouldn't have let him take away any of it!
