

The Order 3611

Chapter: 3611

“What you think is quite beautiful, why did you take four? Is it because you are a sissy?”

“I want these eight psychic fruits. Get out of here right now, otherwise you won't be able to get the psychic fruits, and you will risk your life here!”

Chen Ping said coldly.

Chen Ping's words instantly made Leng Yun's face turn cold, and he no longer had the amiable look he had just before!

“Chen Ping, do you think that after defeating Tong Youcai, you can be arrogant?”

“Letting you take two psychic fruits is a favor to you, but you still don't appreciate it...”

Leng Yun narrowed his eyes slightly, and the murderous intention in his body began to rise!

“Brother Leng, don't talk nonsense to him. Let's work together to kill him and then divide the psychic fruit...”

Tong Youcai said to Leng Yun.

Since he is not his opponent, he can join forces with Leng Yun. The two of them can always defeat Chen Ping!

But before Leng Yun could say anything, an old man from the Feixing Sect suddenly rushed out!

“You should insult my young master and seek death...”

The old man struck out with a palm, and lines appeared one after another, and then a huge fire net appeared, covering Chen Ping!

Chen Ping raised the corner of his mouth slightly, it was ridiculous that the other party wanted to use magic to deal with him!

I saw Chen Ping's divine dragon power erupting, golden light flashing continuously outside Chen Ping's body, and a huge golden dragon began to hover behind Chen Ping!

Streams of flames spurted out from the golden dragon's mouth, and the huge fire net was defeated in an instant!

Facing the sudden appearance of the golden dragon, the old man was stunned for an instant, with a look of disbelief on his face!

Accompanied by a dragon roar, the golden dragon roared, swallowing the old man in one mouthful, and then spat out a pile of bones!

A good martial arts master turned into a pile of bones in the blink of an eye!

At this moment, everyone was stunned!

"You...who are you?"

Leng Yun's eyes widened and he looked at Chen Ping in disbelief!

If Chen Ping was just a warrior from outside the world, how could he have such strength?

But looking at Chen Ping's realm, he is only an eighth-grade Martial Saint, far from reaching the level of a Martial God, but he can easily kill a Martial God?

Chapter: 3612

Leng Yun has also seen leapfrog battles, but they are all geniuses among geniuses, and he has never seen anything like this that directly crosses a large realm and kills instantly!

Are all the warriors outside the world already so awesome?

Leng Yun fell into deep confusion!

The golden dragon slowly disappeared, and the golden light on Chen Ping slowly dimmed.

“You don’t need to know who I am. Now get out and I can spare your life...”

Chen Ping said calmly.

“Hahaha, you are too confident...” Leng Yun laughed: “We may not be your opponent if we fight alone, but with so many of us joining forces, we are enough to kill you...”

“Really? Then you can try it!”

Chen Ping’s expression turned cold, and the Dragon-Slaying Sword instantly appeared in his hand. Then a sword light was swung out, and a disciple of the Tianlei Sect was cut in half in an instant!

“Damn, you sneak attack...”

Tong Youcai was furious. He didn’t expect Chen Ping to dare to take action!

“Tong Youcai, let’s go and kill this kid...”

Leng Yun shouted loudly and followed Tong Youcai to attack Chen Ping!

The disciples from the Feixing Sect and Tianlei Sect also gathered around!

When Liu Rui saw this, he knew that he was going to die today, so he risked his life. He jumped up with a long sword in his hand!

Lao Liu stepped aside and did not take action. After all, Chen Ping's side was at a disadvantage now. If he took action, he might also die!

However, he didn't help Leng Yun and Tong Youcai, he just watched quietly from the side!

Chen Ping was alone, facing the attack of several people, and he didn't panic at all!

"Die..."

Tong Youcai shouted loudly and swung his palm towards Chen Ping. The wind roared from his palm and blew up tornadoes!

At the same time, Leng Yun also jumped up, and the compass in his hand emitted a dazzling light, shining directly towards Chen Ping!

They plan to kill Chen Ping with one strike without any further delay!

Chen Ping holds the dragon-slaying sword, the golden dragon hovers behind him, and the golden light rises into the sky!

"Nine Shadows Sword Technique, cut..."

Chapter: 3613

In an instant, there was only one Chen Ping, but now there were six identical Chen Pings!

Each Chen Ping holds a dragon-slaying sword, and six sword rays shoot out!

“How is this going?”

Tong Youcai and Leng Yun were both stunned at the same time, looking at Chen Ping in disbelief!

Before the two of them could react, they were instantly knocked away by the sword light. Several disciples of the Tianlei Sect and Feixing Sect around them were penetrated by the sword light and became silent for an instant!

At this time, Tong Youcai and Leng Yun’s expressions were extremely ugly. They attacked together. Not only did they not kill Chen Ping, they even killed several people!

“I gave you a chance to live, but you didn’t cherish it. Then you can’t blame me. You will all die here today!”

Chen Ping looked at the two of them with murderous intent!

At this moment, the corners of Leng Yun and Tong Youcai’s eyes kept twitching. They never thought that the result would be like this!

If they are allowed to leave now, they will definitely not be willing to do so. The psychic fruit is right in front of them, but if they don’t leave, they can’t defeat Chen Ping.

For a moment, Leng Yun and Tong Youcai were at a loss!

“Hahaha, the dignified young masters of the Flying Star Sect and the Heavenly Thunder Sect are scared to be beaten by a kid from outside the world. If this spreads out, wouldn’t it be laughed at?”

Just when Leng Yun and Tong Youcai were at a loss, a loud laugh suddenly came from behind!

Everyone looked around hurriedly and saw that several people wearing the same clothes came out, and these people were all very powerful, at least in the realm of third-grade Martial Gods!

“Burning Heaven Sect?”

Leng Yun and Tong Youcai were stunned when they saw the person coming!

And Old Liu’s expression changed, and he hurriedly stepped forward and respectfully said to the leading old man: “Great Protector...”

When the Great Protector saw Lao Liu, he frowned slightly and said a little surprised: “Old Liu, you are not dead? Are you still here?”

Lao Liu lowered his head and said nervously: “I was not strong enough and was captured alive...”

Lao Liu didn’t dare to say it at this time. He surrendered to Chen Ping and came here alive!

Although he had taken Chen Ping’s poisonous elixir, he did not dare to speak to Chen Ping in this situation!

“You trash, get out of here...”

The Great Protector glared at Lao Liu, then looked at Leng Yun and Tong Youcai with a smile on his face and said, “You two gentlemen, you are well.”

Apparently, this great protector knew Leng Yun and Tong Youcai!

Chapter: 3614

Leng Yun and Tong Youcai looked very ugly and said nothing.

Finally, Leng Yun said: “Hasn’t your Burning Heaven Sect disappeared for many years? Why did you suddenly appear here?”

“Disappeared?” The Great Protector smiled: “Our Burning Heaven Sect has never disappeared. We have always been in the Kunlun Mountains.”

“You came here also for the ruins of Narcissus Palace?”

Tong Youcai also asked at this time.

“Nonsense, what am I doing here if not for this ruins!”

“But I can cooperate with the two of you and kill this kid. Then the three of us will share the psychic fruit!”

The Great Protector offered to cooperate with Leng Yun and Tong Youcai!

After all, the Burning Heaven Sect is an evil cult. If Leng Yun and Tong Youcai join forces, plus Chen Ping, they will be in danger if the Great Protector knows about it.

So he decided to take advantage of the conflict between Leng Yun and the others and Chen Ping to strike first and join forces with Leng Yun and the others!

At this time, Leng Yun and Tong Youcai were a little hesitant. After all, their hidden world sect was not allowed to cooperate with evil cultivators!

“Leng Yun, Tong Youcai, as members of the Hidden Realm Sect, you are not allowed to cooperate with evil cultivators, otherwise you will be attacked by all the major clans.”

Upon seeing this, Liu Rui hurriedly said to Leng Yun and Tong Youcai!

If they really join forces, then she and Chen Ping will be in danger!

“Hahaha, you little girl from the Chunyang Sect, stop shouting. There are already sects in the Hidden Realm cooperating with us now.”

“The Alchemy Sect has been cooperating with us. Most of the resources sent by your Chunyang Sect have been in our hands.”

The Great Protector laughed and said.

At this time, everyone was shocked, especially Liu Rui. They did not expect that after so many years, their Chunyang Sect was deceived by the Alchemy Sect and the Burning Sky Sect in partnership!

Leng Yun and Tong Youcai also looked surprised, looking very surprised!

“Master Leng, Master Tong, think about it carefully. Should you cooperate with me, kill this guy, and then divide the psychic fruit equally, or should you be killed by this guy and let him swallow the psychic fruit for himself?”

The Great Protector said to Leng Yun and Tong Youcai again.

“Okay, I’m willing to cooperate...”

Tong Youcai nodded.

After all, Tong Youcai has a grudge against Chen Ping, and he has always wanted to kill Chen Ping!

Chapter: 3615

Moreover, their Tianlei Sect’s genetic modification is also a crooked way, so even if they cooperate with the Burning Heaven Sect, it doesn’t matter!

Seeing this, Leng Yun could only nod and said: “Okay, I am also willing to cooperate...”

“Hahaha, wise...” The Great Protector laughed!

“Great Protector, after killing Chen Ping, how will the psychic fruits be distributed? After all, there are only eight!”

Leng Yun asked the Great Protector.

“You two will each take three. I only need two, but this ruins will be used as a base for our Burning Heaven Sect.”

The Great Protector said.

“Okay, no problem!” Leng Yun said with satisfaction after hearing this.

After all, the psychic fruit is a priceless treasure. As for this ruins, they have no use. They can't move their sect here!

Seeing the three companies joining forces, Liu Rui's face became extremely ugly!

Now, no matter how strong Chen Ping is, he can't deal with the joint attack of these three companies!

“You two actually believe the words of an evil cultivator. If you really kill me, you may not be able to get the psychic fruit by then!”

Chen Ping said to Leng Yun and Tong Youcai.

“Chen Ping, stop struggling to your death. Even if I kill you, I am willing to kill you without getting the psychic fruit. I just want you to die.”

Tong Youcai roared at Chen Ping!

“Young Master Tong, why bother talking nonsense with him? Let’s just do it between us. A small outsider warrior is too arrogant!”

The Great Protector stared at Chen Ping with his eyes like poisonous snakes. He had long seen that Chen Ping’s strength was extraordinary!

“I originally wanted to give you a way out, but now that you are following the evil cultivators, you will all die!”

Chen Ping said calmly!

“Hahaha, Chen Ping, look at your situation, how dare you say such nonsense.”

Tong Youcai laughed!

“Okay, let’s go together...”

After Leng Yun finished speaking, the compass in his hand was instantly thrown into the air, and a ray of light shone directly towards Chen Ping!

Although Chen Ping acted very relaxed at this time, he was very nervous inside!

Chapter: 3616

But facing the attacks from these people in front of him, he could only bite the bullet and resist!

The dragon-slaying sword in Chen Ping’s hand exuded endless brilliance, his body was radiating with golden light, and a huge golden dragon appeared behind Chen Ping again!

Chen Ping’s body slowly floated up, standing proudly above the head of the golden dragon, one man and one dragon, like an immortal from heaven!

Seeing this scene, Leng Yun and Tong Youcai were both stunned!

After all, they were shocked by this golden dragon!

“What are you doing here in a daze? This golden dragon is just an illusion. There’s nothing to be afraid of!”

The Great Protector yelled at Leng Yun and Tong Youcai!

Only then did the two people react, and then endless auras erupted from their bodies!

Soon, the two men rushed towards Chen Ping with their respective men. The Great Protector waved his hand, and several of his men rushed forward!

And he himself went straight to Liu Rui!

Chen Ping looked at the people rushing towards him. The Dragon-Slaying Sword in his hand burst out with sword energy. Countless sword energies shot out from the Dragon-Slaying Sword!

The golden dragon under the seat also let out bursts of dragon roars, swung its tail, set off a huge air wave, and directly knocked away the two warriors!

Chen Ping, one person and one dragon, actually got into a melee with more than a dozen people!

“Thunder struck from the sky...”

Tong Youcai became anxious when he saw that Chen Ping was fighting against more than a dozen people by himself without falling into any disadvantage!

After a loud shout, the void shook, and black clouds condensed in the mid-air, with lightning constantly striking from the black clouds.

These lightning bolts were extremely sharp and dense, controlled by Tong Youcai, and kept bombarding Chen Ping!

Thunder rolls from the sky, like a sign of an approaching storm.

When Chen Ping saw this, he couldn't help but sneered!

Even if it is a real thunder disaster, Chen Ping has never been afraid of it, not to mention Tong Youcai's thunder, in Chen Ping's eyes, it is like child's play!

Chen Ping's body flashed with golden light, and thunder struck Chen Ping one after another, but it did not cause any harm to Chen Ping!

Seeing this, Leng Yun commanded the compass, and a bright light shot out, turned into a sharp sword, and headed straight for Chen Ping!

Chen Ping stepped on the golden dragon and instantly ejected a ray of light from the dragon's mouth, instantly knocking back the sharp sword!

The golden dragon roared, and endless terrifying aura emanated from Chen Ping's body. Leng Yun and Tong Youcai were both repelled by this aura!

Chapter: 3617

The other warriors, under this terrifying aura, vomited blood one by one, and many were seriously injured!

When the two masters of the Burning Heaven Sect saw this, they immediately activated their magic skills and their bodies disappeared in mid-air. Chen Ping lost his target in an instant!

When Chen Ping saw this, he sneered!

Although these people have practiced invisibility well, they can hide their bodies, but they cannot hide their auras!

Chen Ping had long locked the positions of the two of them through his breath!

Just when two Burning Heaven Sect masters were about to launch a sneak attack on Chen Ping, the Dragon-Slaying Sword in Chen Ping's hand slashed behind him!

A sword energy shot up into the sky and cut the two Burning Heaven Sect masters in half!

This time, more than a dozen people fought against Chen Ping, and there were so many casualties!

"Damn, is this kid so good?"

Tong Youcai couldn't believe that Chen Ping was an outsider warrior, and he was only in the realm of martial saint, but his strength was so terrifying!

Leng Yun also looked gloomy and gritted his teeth. Chen Ping's strength also exceeded his imagination!

If their current situation spreads in the hidden world, other sects will probably laugh out loud!

"Then why doesn't the Great Protector of the Burning Heaven Sect take action?"

Leng Yun said with anger on his face.

"This guy doesn't want the mantis to catch the cicada and the oriole behind, right?"

Tong Youcai was very angry when he saw that the great protector didn't take action!

But when they looked at the Great Protector, they found that the Great Protector was taking action against Liu Rui!

Liu Rui is no match for the great protector!

With just a few moves, Liu Rui was directly defeated in the hands of the great protector and captured alive by the great protector!

“Child from the outside world, you really have some skills. You can fight against a dozen masters from the hidden world with such ease.”

“But this little girl is in my hands now. If you dare to resist, I will kill her immediately.”

The Great Protector held Liu Rui hostage and said to Chen Ping.

Chen Ping frowned when he saw that Liu Rui was being held hostage by the Great Protector!

“As the great protector of the Burning Heaven Sect, you can also be considered a prominent figure in the hidden world. Isn't it a bit unethical to threaten me with a woman?”

Chapter: 3618

Chen Ping said to the Great Protector in a cold voice.

“You don't need to tell me this. I only care about the result, not the process. You just sit back and let me go, or I will make this little girl's head explode in an instant!”

The Great Protector grabbed Liu Rui's head with one hand and threatened Chen Ping!

“Mr. Chen, don't worry about me, kill them...”

Liu Rui shouted loudly at Chen Ping!

Liu Rui also saw that even if these people joined forces, it would be difficult for them to be Chen Ping's opponent, so the great protector knew about it from the beginning, so he took action against him and used himself to threaten Chen Ping.

“shut up.....”

The Great Protector slapped Liu Rui on the back. Liu Rui instantly spurted out a mouthful of blood and turned extremely pale!

“stop.....”

Chen Ping frowned, his eyes filled with murderous intent!

“Boy, be obedient and this little girl will survive, otherwise she will die...”

The Great Protector continued to threaten Chen Ping!

At this time, although Tong Youcai and Leng Yun also acted in a way that was not shameful to the Great Protector, apart from this method, there really was no better way to control Chen Ping!

“Okay, I can capture her without mercy, but you have to let her go!”

Chen Ping nodded, the golden dragon under his seat disappeared instantly, and Chen Ping himself fell to the ground!

The moment Chen Ping landed, Tong Youcai's breath suddenly burst out, and then his body disappeared instantly. When Chen Ping was unprepared, he slapped Chen Ping hard with his palm!

This palm was so powerful that it hit Chen Ping directly on the back with a loud bang!

Chen Ping was hit hard by this palm, and his body flew out instantly, followed by a mouthful of blood spurting out!

Chen Ping fell to the ground and glared at Tong Youcai, but Tong Youcai confidently said to Chen Ping proudly: "Chen Ping, get up and continue to fight me? If you dare to take action, Liu Rui will become a dead person immediately."

Chen Ping glared at Tong Youcai, but did not move. He knew that if he took action at this time, the great protector would definitely kill Liu Rui!

Seeing that Chen Ping was really afraid to move, Tong Youcai laughed loudly, then jumped up and kicked Chen Ping again!

Bang.....

This kick caused Chen Ping's internal organs to tumble and blood to spurt out from his mouth. He was obviously seriously injured!

"Mr. Chen, Mr. Chen....."

Chapter: 3619

Liu Rui saw that Chen Ping couldn't fight back and was seriously injured because of his own. He immediately blamed himself and burst into tears!

"Mr. Chen, please leave me alone, leave me alone..."

Liu Rui asked Chen Ping to leave her alone, but Chen Ping didn't listen. After all, Chen Ping's life was saved by Liu Rui. He couldn't watch Liu Rui die!

Tong Youcai saw that Chen Ping really didn't dare to fight back, so he relaxed completely and stepped forward to punch and kick Chen Ping!

Tong Youcai was venting his anger until Tong Youcai was tired from beating him, and then he stopped. Chen Ping was also seriously injured at this moment, and it was difficult to stand up!

“Okay, it’s time for us to get the psychic fruit. This guy will be dealing with him later!”

The Great Protector threw Liu Rui away, and then said to Tong Youcai.

Now that Chen Ping is seriously injured, any warrior can easily kill him, so the Great Protector no longer has to worry!

“Okay, after we finish dividing the psychic fruit, it won’t be too late to kill this kid...”

Tong Youcai also nodded!

In fact, he didn’t know that the reason why the Great Protector didn’t let Tong Youcai kill Chen Ping was because the Great Protector took a liking to Chen Ping’s physical body and Chen Ping’s strength.

As long as he absorbs Chen Ping’s strength and seizes Chen Ping’s physical body, the Great Protector’s strength will definitely increase a lot!

But now he can’t say it clearly to prevent Tong Youcai and Leng Yun from being wary of him!

“Mr. Chen, Mr. Chen... they all blame me, they all blame me. If I hadn’t been caught, you wouldn’t have done this either.”

Liu Rui stepped forward, subdued Chen Ping, and then slowly wiped the blood from Chen Ping’s body!

Liu Rui cried bitterly. She actually hated herself a little now. She hated that she was too weak and had caused so much trouble to Chen Ping.

“Miss Liu, you don’t have to blame yourself, I’m fine, I won’t die!”

Chen Ping tried his best to squeeze out a smile and said!

“You keep an eye on these two, don’t let them escape.”

Tong Youcai ordered someone to look at Liu Rui and Chen Ping, and then followed the Great Protector to the bottom of the psychic tree, thinking about how to pick the psychic fruit!

“Great Protector, although this psychic tree is not tall, none of us have ever picked a psychic fruit, and we have no experience. I wonder what method is needed to pick this psychic fruit?”

Leng Yun asked the Great Protector.

“This is my first time seeing this thing, but we can give it a try and send someone up to pick one first!”

The Great Protector knows that there should be some restrictions on this kind of sacred tree, and the psychic fruit is not so easy to pick. If you really touch the restrictions, you will lose your life!

Chapter: 3620

“Okay, let’s send someone to pick one and try it first!”

Tong Youcai also supports the Great Protector’s proposal!

“Go up and pick one...”

The Great Protector pointed towards Lao Liu and then said!

This old Liu betrayed the Burning Heaven Sect, and the Great Protector has not punished him yet. Now it is time for him to go to Lei to have a look!

When Lao Liu heard this, his face suddenly became very ugly!

He also knew that this psychic fruit was not so easy to pick.

But now that the Great Protector has spoken, he has to listen, so Lao Liu can only bite the bullet and start climbing towards the psychic tree!

A transparent wall of air flashed around Lao Liu. This was a protective circle. If something happened, it could also block the damage for Lao Liu!

In this way, Lao Liu cautiously arrived at the psychic tree. Looking at the psychic fruit in front of him, Lao Liu never dared to reach out!

With his fingertips pinched, streaks of red light shot out around him. Lao Liu was checking to see if there were any restrictions around him!

After some investigation, he found that there were no formation restrictions on the psychic tree at all, and Lao Liu breathed a sigh of relief!

Then he slowly reached out and grabbed the psychic fruit!

Under the tree, Tong Youcai, Leng Yun and the great protector all raised their heads and looked nervously. If Lao Liu succeeded, they would rush up and pick off the psychic fruit without hesitation!

But just as Lao Liu's hand touched the psychic fruit, the psychic fruit instantly emitted a fragrance, and then the entire psychic tree shook violently.

Old Liu almost fell from the top. Old Liu hugged the trunk tightly, his face turned pale with fear!

"How is this going?"

Tong Youcai was so frightened that he ran away quickly. Looking at the violently shaking psychic tree, he asked in shock.

The fierce battle just now failed to shake the psychic tree, not even the leaves were moved!

But now, as soon as Old Liu touched the psychic fruit, the entire psychic tree shook violently. There must be something wrong here!

“Old Liu, pick the psychic fruit for me, no matter what happens!”

The Great Protector yelled at Lao Liu.

No matter what happened to the psychic tree, the Great Protector must first pick off the psychic fruit.

Upon hearing this, Lao Liu could only helplessly reach out his hand again, but this time he was more cautious and reached out even slower!
