

The Order 3621

Chapter: 3621

When Lao Liu trembled and touched the psychic fruit with his hand again, a strong wind suddenly hit!

Lao Liu didn't have time to react. He only felt a huge suction force and sucked Lao Liu in instantly!

Tong Youcai and Leng Yun who were under the tree were so frightened that their expressions changed, and they turned around and wanted to run away!

I saw a huge green dragon with a huge mouth, hovering above the tree crown. The old willow was swallowed by this giant dragon in one bite!

There was no reaction at all, and he died in Longkou!

Then a dragon roar sounded, and a hurricane blew up on the ground!

"This...what is this?"

The Great Protector has never seen this giant dragon.

But Tong Youcai and Leng Yun had seen that the underground entrance was opened by the giant dragon. They followed up but did not find the dragon's figure. It turned out that it had been hidden in the tree canopy!

"This should be the divine beast guarding the psychic tree. If we want to get the psychic fruit, we must kill this giant dragon..."

Leng Yun said loudly.

But looking at the terrifying aura on the giant dragon, no one dares to say that they can fight against this giant dragon!

If they don't kill this giant dragon, they won't be able to get the psychic fruit!

"This giant dragon is so powerful that we probably won't be able to kill it..."

The Great Protector frowned and said.

"What should we do? Should we just give up?"

Tong Youcai was unwilling to give in. The psychic fruit was right in front of him, but he couldn't get it.

"There is one way, and that is to let people attract the hatred of the giant dragon and attract the giant dragon away. We will take the opportunity to step forward and pick off the psychic fruit!"

The Great Protector said.

"This method is feasible, but who will attract the dragon's hatred?"

Leng Yun asked.

You must know that the person who attracts the hatred of the giant dragon and leads the giant dragon away will definitely die. Who would do such a thing?

The three people looked at each other, no one would do such a fatal job!

And if those subordinates were asked to do it, with the strength of those subordinates, they would probably be eaten by the dragon before they could be lured away.

Chapter: 3622

At this time, Tong Youcai suddenly turned his attention to Liu Rui and Chen Ping, and his eyes flashed!

“Yes, we can let these two guys attract the dragon’s hatred, and we can take the opportunity to pick the psychic fruit!”

Tong Youcai himself wanted Chen Ping to die. If Chen Ping were to attract the dragon, he would definitely die!

“What a great idea. The two of them won’t survive anyway, so we’ll just take advantage of it!”

Leng Yun also nodded!

Although the Great Protector was somewhat reluctant to give up Chen Ping’s physical body and strength, facing the psychic fruit, he could only agree!

“Chen Ping, we give you a chance to survive. You two go and lure that giant dragon away now!”

“As long as we lure the dragon away, you two can leave here and spare your lives!”

Tong Youcai walked up to Chen Ping and said arrogantly.

“Tong Youcai, do you think we are fools? If we try to attract the dragon, we will be eaten by the dragon and we will definitely die.”

Liu Rui shouted at Tong Youcai!

“That’s not necessarily true. If you two cooperate tacitly, you still have a chance to survive. If you don’t go, we will kill you two now...”

At this time, Leng Yun also came over and threatened Liu Rui and Chen Ping!

“Stop dreaming. Even if we die, we won’t help you.”

Liu Rui knew that she would definitely die today, but she didn’t want to help these guys before she died!

“Okay, since you say so, I’ll send you on your way!”

Tong Youcai burst out in an instant, and then he was about to attack Liu Rui and Chen Ping!

“Wait a moment.....”

Chen Ping spoke at this time!

Tong Youcai stopped his hand and asked Chen Ping, “Have you thought about it? You must know that this is your last chance to survive!”

“Okay, I promise you, I will lure the dragon away.”

Chen Ping nodded and said.

When Tong Youcai heard this, he immediately felt happy and said with a faint smile: “This is the right thing. Remember, opportunities are always earned by yourself.”

“Mr. Chen...”

Chapter: 3623

Liu Rui didn’t understand why Chen Ping wanted to help Tong Youcai and the others!

They are all going to die anyway, so why should we help them before they die? Liu Rui couldn’t understand!

Chen Ping waved his hand towards Liu Rui and said, "Even if I die, I don't want to die in their hands..."

When Liu Rui heard this, she stopped saying anything!

"You have the guts, now go and lure the giant dragon away. Remember not to play tricks. If you don't lure the giant dragon away, you will just run away. You won't be able to escape at all!"

Tong Youcai warned Chen Ping!

Chen Ping ignored him, but slowly walked towards the psychic tree with the dragon-slaying sword in hand, while Liu Rui followed closely behind!

Although he knew he would die and was mentally prepared, Liu Rui still looked a little nervous when looking at the giant dragon on the tree crown!

"Don't be afraid, we won't die..."

Chen Ping looked at Liu Rui, smiled slightly, and comforted Liu Rui.

Liu Rui nodded. I don't know since when, Liu Rui began to believe Chen Ping's words unconditionally!

Tong Youcai and others watched from a distance, they did not dare to get close, and the giant dragon only hovered in the psychic tree and would not take the initiative to leave and attack others!

And when Chen Ping followed Liu Rui and approached, the giant dragon began to roar and let out a dragon roar, which seemed to prevent the two people from approaching!

Liu Rui followed Chen Ping closely and walked to the psychic tree!

“Walk.....”

Chen Ping pulled Liu Rui on, and the two jumped up.

When the giant dragon saw this, it opened its bloody mouth and sprayed a stream of dragon breath towards Chen Ping and Liu Rui!

That terrifying power caused the surrounding void to tremble. Even though Tong Youcai and the others were hundreds of meters apart, they still felt this huge power!

This force came fiercely towards Chen Ping and Liu Rui. When Chen Ping saw this, he gritted his teeth and the golden light on his body flashed. He knew that he only had this one chance!

But just when the power of the dragon’s breath reached Chen Ping, Chen Ping’s chest suddenly flashed with light, and the dragon crystal in Chen Ping’s body began to emit the power of the dragon!

The power of the giant dragon’s breath was instantly resolved, and Chen Ping and Liu Rui also successfully reached the psychic tree, following the giant dragon facing each other from a distance!

“Miss Liu, don’t move, I’ll deal with the dragon...”

After Chen Ping finished speaking, he jumped up and headed straight for the giant dragon!

However, Chen Ping did not attack the giant dragon, but jumped to the top of the dragon’s head, grabbed the dragon’s horns with both hands, and stood on it!

Chapter: 3624

And the ferocious dragon turned out to be very docile at this moment, letting out dragon roars from its mouth, as if to please Chen Ping!

Liu Rui couldn’t believe this sudden scene!

Even Tong Youcai and the others were shocked to see Chen Ping standing on the dragon's head with a very surprised expression!

A sneer appeared on Chen Ping's face, and he said to Liu Rui: "Miss Liu, pick off the psychic fruit, and I'll stop these guys..."

After Chen Ping finished speaking, bursts of light emitted from his hands, and the light followed the dragon's horns and instantly entered the dragon's body!

Then he roared violently and rushed straight down from the psychic tree!

Liu Rui didn't dare to delay and immediately started picking the psychic fruits from the tree!

Seeing Liu Rui picking the psychic fruit, Tong Youcai and Leng Yun were angry!

"Stop, this is our..."

Tong Youcai, Leng Yun and the Great Protector were furious and rushed towards Liu Rui!

Chen Ping controlled the giant dragon and rushed out in an instant, followed by a blast of dragon breath that knocked several people away!

Several people watched Liu Rui pick the psychic fruits one after another, their eyes were filled with blood red, and they were so angry that they almost vomited blood!

But now that Chen Ping is riding a giant dragon to block them, they have no way to get close!

You know, the dragon this time was not transformed by Chen Ping. This dragon is also very powerful!

“How to do how to do?”

“Are you just watching the psychic fruit being taken away by Chen Ping?”

Tong Youcai yelled anxiously, but no one dared to stop him!

Seeing that Liu Rui was about to pocket all the psychic fruits, no one could break through Chen Ping’s blockage!

The Great Protector of the Burning Heaven Sect looked at Chen Ping with cold eyes, and bursts of black mist began to fill his body!

“I have a way to kill the giant dragon in front of me and take back the psychic fruit...”

The Great Protector slowly spoke!

“What can we do?” Leng Yun and Tong Youcai said at the same time.

“You’ll find out later!”

After the Great Protector finished speaking, he slowly turned to look at the disciples of the Burning Heaven Sect, and said in a cold voice: “Now is the time for you to dedicate yourself to the Burning Heaven Sect. Your souls will gain eternal life.”

Chapter: 3625

After saying that, the Great Protector chanted the magic formula, and then black tentacles appeared from the ground, and then entangled the Burning Heaven Sect disciples!

But instead of being afraid, these Burning Sect disciples showed expressions of excitement!

The black tentacles suddenly inserted into the bodies of the Burning Heaven Sect disciples, and the energy began to drain rapidly from the bodies of the Burning Heaven Sect disciples.

The Great Protector's strength began to increase rapidly, and the black mist surrounding his body became even more intense!

Soon, those Burning Heaven Sect disciples were sucked into mummies, but even when they died, their faces still showed excitement, as if death was a happy thing for them!

Seeing this scene, Tong Youcai and Leng Yun were both a little dumbfounded, even though they knew that evil cultivation techniques could absorb other people's skills to enhance themselves!

But seeing this scene with my own eyes was still very shocking!

"Great Protector, do you mean to absorb other people's strength to deal with Chen Ping?"

Leng Yun saw the Great Protector's intention!

"That's right. Apart from this method, can you think of any better method?"

The Great Protector nodded and said.

Leng Yun stopped talking, because there was really no better way to deal with Chen Ping!

Tong Youcai frowned and said, "You can indeed deal with Chen Ping by absorbing other people's strength and improving yourself, but you can also easily deal with us. What if you don't give us the psychic fruit?" manage?"

Tong Youcai has his own worries. When the power of the Great Protector really increases, then they will be lambs to be slaughtered. Whether they will give them the psychic fruit or not is not a matter of a word from the Great Protector!

"Young Master Tong, do you have any other choice now besides trusting me?"

“And there’s no way I could offend you two sects just for a few psychic fruits. I’m not a fool!”

The Great Protector said.

“Tong Youcai, I think we can give it a try. Otherwise, not only will we not get the psychic fruit, but Chen Ping will not let us go.”

Leng Yun knew that after Chen Ping got the psychic fruit, his strength would definitely increase dramatically, and they would not be able to survive by then!

Tong Youcai hesitated for a moment, then nodded and said, “Okay, that’s it!”

Seeing Tong Youcai nodding, the disciples of the Tianlei Sect were all confused and fell to their knees one by one: “Second Young Master, you can’t do this. We are loyal to you, you can’t abandon us!”

The disciples of the Flying Star Sect also knelt in front of Leng Yun and wanted to plead for mercy, but before they could say anything, tentacles began to attack and entangled them all!

Seeing this, those warriors knew that it was useless to plead for mercy, and began to rush around quickly, trying to escape from this place!

It’s a pity that none of them could escape the attack of the tentacles. They were all tightly entangled and unable to move at all!

Chapter: 3626

As the strength within those warriors continued to flow toward the Great Protector, the aura on the Great Protector’s body began to surge rapidly!

When Chen Ping saw this, he frowned slightly, controlled the dragon, and rushed down instantly!

He can’t let this great protector increase his strength, otherwise it will be really hard to handle in the end!

Chen Ping is still seriously injured, relying only on the power of the dragon. If the dragon cannot defeat the great protector, then Chen Ping will have no way to keep these psychic fruits!

With a dragon roar, the giant dragon, under the control of Chen Ping, quickly rushed towards the Great Protector!

The Great Protector snorted coldly, jumped up, and punched towards the dragon!

The giant dragon opened its mouth, and a burst of dragon breath force spurted out, which violently collided with the Great Protector's punch!

boom.....

With a loud noise and overflowing with energy, the power of the dragon's breath was instantly shaken away, and the terrifying power hit the giant dragon hard on the head!

The giant dragon roared in pain, and Chen Ping almost fell off the dragon's head!

The great protector also swayed and fell from mid-air.

"Yes, after absorbing the strength of these people, I will definitely be able to kill this dragon, hahaha..."

The great protector gained confidence with just one punch!

Tong Youcai and Leng Yun were also shocked. They didn't expect this evil spell to be so powerful!

No wonder many people are unable to resist the temptation of evil magic and end up embarking on the path of evil practice!

As the black mist around the Great Protector continued to fill, the remaining warriors were all wailing, and the power in their bodies was quickly being sucked away, turning into mummies!

Seeing their men turned into mummies, although Tong Youcai and Leng Yun agreed, they still felt distressed. These were the elites of their respective sects, and now they were all dead!

If he couldn't bring the psychic fruit back this time, and so many people died, Tong Youcai knew that he would definitely die miserably when he went back, so he had to get the psychic fruit!

As the power of the last warrior was drained, the Great Protector had now reached the realm of the eighth-grade Martial God!

This realm is no longer something Julong and Chen Ping can handle!

You must know that every improvement in realm represents a geometric increase in strength!

Chen Ping felt the burst of the aura of the eighth-grade Martial God of the Great Protector, and his face began to look ugly!

With his current serious injury, even with the giant dragon, it would be difficult to resist the attack of this great protector!

"Miss Liu, you have to speed up..."

Chapter: 3627

Chen Ping knew that he couldn't hold it for much longer, so he could only ask Liu Rui to finish picking the psychic fruit quickly!

"Hmph, you are still stubborn and want to take away the psychic fruit, then go to hell..."

The Great Protector snorted coldly and jumped up suddenly!

Chen Ping controlled the giant dragon and stood ready. Feeling the extremely powerful aura of the descendants, Chen Ping could only grit his teeth!

With the great protector's roar, the black mist around him began to burn rapidly. At this time, the great protector looked like a burning man!

"Flame Palm....."

The Great Protector slapped his palm, and a huge palm print instantly appeared in mid-air, and thick flames burned around the palm print!

The breathtaking pressure, accompanied by blazing flames, shot directly at Chen Ping and the giant dragon!

Chen Ping felt this pressure, but had no way out. He had to protect Liu Rui and finish picking the psychic fruit!

Chen Ping mobilized the last dragon power in his body, controlled the giant dragon, and faced him head-on!

The giant dragon also seemed to feel the danger, roaring and flinching.

But under Chen Ping's constant urging, he could only go forward!

The dragon kept spitting dragon breath from its mouth, and Chen Ping also put all his dragon power into the dragon's body through the dragon's horns!

The brilliance of the dragon crystal in Chen Ping's body began to fade, but even so!

The dragon's breath sprayed on the huge flaming palm had no effect at all. It could only block the falling speed of the flaming palm for a while!

Seeing that the flaming palm was about to fall on his head, Chen Ping could only jump up to the psychic tree. He had no ability to take care of the giant dragon!

The giant dragon that escaped Chen Ping's control, after letting out a dragon roar, violently collided with the flaming palm with its body!

The flames exploded instantly, and the giant dragon howled. As the flames engulfed the dragon's body, a violent explosion sounded!

The dragon's body exploded, and infinite energy shot out in all directions!

A dragon crystal slowly floated out from the flame, exuding luster!

When Tong Youcai and Leng Yun saw this scene, they were both shocked!

I didn't expect that the Great Protector could kill the giant dragon with one palm!

At this time, the Great Protector exuded a terrifying aura, his body was suspended in mid-air, and he was surrounded by blazing flames.

After seeing the dragon crystal, the Great Protector immediately moved towards the dragon crystal!

Chapter: 3628

Seeing this, Chen Ping reached out and made a move. The dragon crystal seemed to feel a huge suction force and rushed towards Chen Ping in an instant!

Chen Ping suddenly opened his mouth, and the dragon crystal entered Chen Ping's body, and then merged with the dragon crystal in Chen Ping's body!

The dragon crystal that had dimmed in Chen Ping's body now shimmered with brilliance!

“Boy, today I’m going to dig out your heart and lungs to see how many treasures you have inside you!”

When the Great Protector saw that Chen Ping actually swallowed the dragon crystal, he roared angrily!

Chen Ping didn’t care about the great protector and asked Liu Rui, “How is the psychic fruit?”

“The last one left...”

Liu Rui replied loudly!

“Hmph, even if you all pick the psychic fruit, you still won’t still fall into my hands!”

The Great Protector snorted coldly, and then rushed towards Chen Ping!

Chen Ping swallowed a dragon crystal, and the spiritual power in his body recovered somewhat, but it was almost impossible to resist this great protector.

But if he retreats, Liu Rui will be in danger, and all the psychic fruits will fall into the hands of this great protector!

The Great Protector looked at Chen Ping coldly, and suddenly an arm seemed to tear apart space and time and grabbed Chen Ping directly!

It seems that the Great Protector does not want Chen Ping to die now, but wants to capture him alive!

Chen Ping shouted to the sky. Although he felt the terrifying aura of the other party, Chen Ping’s eyes were scarlet, and then he punched the arm hard!

But Chen Ping’s punch hit the arm hard, but it didn’t cause any damage to the arm at all!

On the contrary, he himself was suppressed by that terrible aura and couldn't move. It was very difficult to even lift his arms!

Seeing that the arm was already in front of Chen Ping, Chen Ping was about to be captured!

“alright.....”

Liu Rui shouted at this time, and all the psychic fruits were picked!

And just after Liu Rui shouted, the psychic tree began to shake violently, and a huge force instantly shattered the arm coming out of the void!

Immediately afterwards, the branches of the psychic tree began to shrink and wrap, and the dense crown of the tree slowly wrapped into a spherical shape, wrapping Chen Ping and Liu Rui inside!

Looking from a distance, one can only see a green ball wrapped in leaves on top of the tall pine trunk of the psychic tree!

The Great Protector, Tong Youcai and Leng Yun were instantly confused when they saw this situation!

Chapter: 3629

I don't understand why this psychic tree suddenly became like this!

“Did the psychic tree turn into this defensive posture after all the psychic fruits were picked?”

Leng Yun said with a slight frown.

“Hmph, it's made of some branches and leaves. It can be broken with one punch...”

Tong Youcai snorted coldly and jumped up.

Immediately afterwards, terrifying energy emanated from his fist, and then he punched the ball hard!

boom.....

With a violent explosion, Tong Youcai's body was instantly blown away, but the ball wrapped with branches and leaves did not move at all!

At this time, Tong Youcai was dumbfounded. He looked at the ball wrapped in leaves in front of him in disbelief, his face full of embarrassment!

"I come....."

After the Great Protector finished speaking, he waved his hand, and a huge black palm pressed towards the ball!

boom.....

But as soon as he touched the ball, the black palm collapsed instantly!

Seeing this scene, all three of them were stunned!

At this time, Chen Ping and Liu Rui, who were wrapped in it, also listened to the things outside. There were two violent explosions, and Chen Ping knew that the three guys outside were trying to open the ball!

However, the ball was not damaged at all and looked very solid.

"We don't need to worry about them anymore. Let's restore our strength first."

“I put away two of these psychic fruits and ate the rest. We must break through as soon as possible. We can’t be trapped here forever!”

After Chen Ping finished speaking, he picked up two psychic fruits and threw them into the storage ring.

Liu Rui was stunned and looked at Chen Ping in disbelief!

“Mr. Chen...this...this psychic fruit is a priceless treasure. You...you let me eat it?”

Liu Rui couldn’t believe that Chen Ping would give himself the psychic fruit, and there was more than one!

“Of course, we can only leave here if we improve our strength as soon as possible!”

“Fourteen psychic fruits, seven for each of us. I hope these seven psychic fruits will allow us all to break through!”

Chapter: 3630

As Chen Ping spoke, he separated the psychic fruit!

Looking at the psychic fruit in front of her, Liu Rui seemed to be in a dream. You must know that she didn’t do anything along the way, and Chen Ping was seriously injured in order to save herself, but now she gave him so many psychic fruits!

“Mr. Chen, my qualifications are mediocre. I probably can’t absorb so many psychic fruits. You’d better eat more...”

With that said, Liu Rui took three more pills to Chen Ping, so that Chen Ping had ten pills, while Liu Rui only had four pills for herself!

This time, Chen Ping did not refuse, but urged: "I don't know how long this psychic tree can last. Let's practice quickly!"

After Chen Ping finished speaking, he threw a psychic fruit into his mouth and swallowed it quickly.

In an instant, Chen Ping felt that the psychic fruit turned into a force and began to swim in his body!

Chen Ping felt that the pores in his body opened instantly, and this force began to quench his body!

The Heart Condensation Technique was activated, and Chen Ping began to guide and refine this power!

Chen Ping closed his eyes and concentrated, and started practicing as fast as possible!

As the power of the psychic fruit is refined, Chen Ping's injuries are healing at a speed visible to the naked eye, and the aura in his body is getting stronger!

Whenever the power of a psychic fruit is refined, Chen Ping will immediately swallow another psychic fruit!

When Chen Ping swallowed five psychic fruits, the power of Liu Rui's one psychic fruit had not yet been fully refined!

Seeing Chen Ping's speed, Liu Rui couldn't help but be surprised.

Moreover, the aura on Chen Ping's body also began to change obviously. After taking five psychic fruits, Chen Ping's strength suddenly broke through to the ninth-grade Martial Saint!

Chen Ping only felt his body lighten, and the spiritual power in his body became more abundant!

"Ninth-grade Martial Saint, the next step is to attack the realm of Martial God..."

Chen Ping looked at the psychic fruit in front of him and took a deep breath!

Now as long as he breaks through to the realm of the God of War, he no longer has to be afraid of those people outside!

Thinking of this, Chen Ping once again put the psychic fruit into his mouth without hesitation!

This time Chen Ping's refining speed was even faster, and it only took more than an hour for Chen Ping to refine all five psychic fruits again!

At this time, Tong Youcai and the others who were outside tried all kinds of methods, but still couldn't open the ball on the tree!

"call....."

Chen Ping exhaled heavily. Ten psychic fruits only brought Chen Ping's strength to the peak of the ninth-grade Martial Saint!
