

The Order 3661

Chapter: 3661

Chen Ping jumped up, dodged the attack of the flames, and stood on the turtle's back, clenching his right fist, and a golden dragon wrapped around his arm!

“Holy Light Fist.....”

Chen Ping punched the turtle's back hard!

The turtle was hit by a punch and let out a painful cry. He twisted his body desperately, trying to throw Chen Ping down!

Chen Ping's feet were like heavy weights, standing firmly on the turtle's back, and then he punched down again!

After three consecutive punches, the hard turtle shell finally cracked, and the turtle also wailed, and died with its internal organs ruptured!

The beast elixir was released before it was too late, and Chen Ping rushed towards the next monster!

At this time, Chen Ping's eyes were red, like a murderous god. In the end, all five monsters died in Chen Ping's hands!

Chen Ping looked at the old man's back coldly, and then said to Hu Mazi and the others: “Master Hu, take the beast pill, it was given to us, don't give it up...”

Hu Mazi and others began to take out the beast elixir from the body of the dead monster!

At this moment, the old man finally put down the fishing rod in his hand, stood up slowly, slowly turned his head and looked at Chen Ping!

At this time, Chen Ping saw the old man's appearance clearly. Although the old man had white hair, there were no wrinkles on his face and his skin was very good. He looked like he was middle-aged in his forties!

"You have such abilities at such a young age. No wonder you are so arrogant. But in this sea area, I am the only one who rules. Anyone who comes here can only surrender..."

After the old man finished speaking, he waved his palm lightly!

Suddenly, like a hurricane, a huge force hit Chen Ping and the others!

Chen Ping took a deep breath, exerting all his energy to the extreme, trying to resist the attack of this force!

It's a pity that in front of this huge force, Chen Ping's body was like a leaf, and he was instantly knocked away!

As for Hu Mazi and the others, as well as the corpses of those monster beasts, they were blown away by this force without a trace!

Chen Ping's body fell heavily on a boulder. The boulder shattered, and Chen Ping's indestructible golden body instantly shattered and disappeared!

Chen Ping stood up slowly, only to feel a pain in his chest, his internal organs rolling, and then a mouthful of black blood spurted out!

Chen Ping looked at the old man in the distance in surprise, but before he could react, the old man who was a hundred meters away suddenly arrived in front of Chen Ping!

Chen Ping can be sure that this old man is definitely not fast, but teleporting. He should have used space magic to move in front of him in an instant. However, he can use space magic to such an extreme. Chen Ping is nervous at this time. got up.

The old man looked at Chen Ping, and with a slight lift of his palm, Chen Ping's body began to levitate uncontrollably. In front of the old man, Chen Ping found that he had no power to fight back!

He really couldn't figure out what kind of strength this old man had that could be so powerful!

Chapter: 3662

"You have a beautiful body, I want to taste how delicious your meat is..."

The old man sneered, and Chen Ping felt that his breathing was beginning to become difficult!

Chen Ping struggled with his hands, trying to break free!

But when Chen Ping was struggling, the old man suddenly froze, the sneer on his face froze, and his eyes were fixed on the Tianlong Ring in Chen Ping's hand!

Chen Ping glanced at the old man's expression, then looked at his Tianlong Ring, feeling a little surprised!

Could it be that this old man is also a member of his Tianlong Palace?

But just when Chen Ping had this idea, he felt his body loosen up and suddenly got rid of his restraints and fell to the ground!

The old man knelt in front of Chen Ping with a look of fear on his face.

"Old slave Qu Yunchang didn't know that the master of the palace was coming. His crime deserves ten thousand death, his crime deserves ten thousand death..."

The old man knelt in front of Chen Ping, with a look of fear on his face, and his whole body was trembling slightly!

Chen Ping looked at the old man kneeling in front of him and was a little confused for a moment. Even if he had the Tianlong Ring and was the master of the Tianlong Hall, Qu Yunchang didn't have to be so afraid of him, right?

With Chen Ping's current ability, Qu Yunchang could defeat Chen Ping with just a wave of his hand, so why should he be so frightened that he trembled!

"Are you also a member of the Tianlong Palace?"

Chen Ping asked Qu Yunchang tentatively.

Qu Yunchang nodded and said: "Yes, I have been waiting for the master here for more than 20 years..."

"Get up!" Chen Ping asked Qu Yunchang to get up, and then continued to ask: "Are you the only one on this island? Are you the only one in your class?"

Chen Ping knew that there were thirteen halls in Tianlong Hall, but each hall was a group of people, and Qu Yunchang was the only one here, so he could be considered a hall!

"Palace Master, I am the only one on this island, but I am not the only one here, I also have a group of subordinates!"

After Qu Yunchang finished speaking, he made strange sounds from his mouth!

Chen Ping had heard this sound in the sea when he was being chased by those monster beasts. It was because of this sound that those monster beasts left!

As the voice from Qu Yunchang's mouth came out, a turbulent wave arose on the sea!

Immediately afterwards, monsters poked their heads out from the sea, and some monsters jumped up from the sea.

Chen Ping looked at the dozens of monsters in the sea with shock on his face, and then asked:
“These...are these all your men?”

“Yes, but they should be the palace master’s subordinates now. These are the monsters I have tamed here for more than twenty years.”

Chapter: 3663

Qu Yunchang said.

At this moment, Chen Ping’s face was full of embarrassment. He felt that he had killed all the monsters for a long time, and all of them were his own men. Didn’t this flood flood the Dragon King Temple, and the whole family no longer recognized each other as one family?

Qu Yunchang seemed to see Chen Ping’s embarrassment, so he said: “Palace Master, these monsters belong to you. If you need it for your cultivation, I can make them spit out all the beast elixirs...”

“no, I’m fine.....”

Chen Ping waved his hand quickly. If these beast elixirs were added together, Chen Ping knew that they wouldn’t be able to help him improve his cultivation much!

But with such a group of Martial God-level monsters, it would be majestic to go around the sea!

“Palace Master, I will teach you how to control these monsters...”

With that said, Qu Yunchang told Chen Ping the method of controlling the monster!

Chen Ping couldn’t wait to start experimenting and found that those monsters were indeed obedient, which made Chen Ping very excited!

“Qu Yunchang, what state are you in now? If you were asked to deal with those families in the hidden world, would you be confident?”

Chen Ping wanted to know what kind of strength Qu Yunchang had that made him unable to fight back!

Now that those guys in the hidden world are chasing him, Chen Ping must find a way to kill them all!

“Back to the palace master, I am now an eighth-grade Martial Emperor. I have to deal with those families in the hidden world. As long as they don’t unite, I won’t take them seriously.”

“And if those Hidden Realm families dare to come to the sea, even if they unite, I will not be afraid at all!”

Qu Yunchang said to Chen Ping.

When Chen Ping heard this, he was immediately shocked. No wonder he couldn’t catch a single move in front of Qu Yunchang. It turned out that he was an eighth-grade Martial King. This realm was far different. Chen Ping was only a third-grade Martial God now. If he fought against the new Emperor Wu of Jin can do it!

But facing the eighth-grade Martial Emperor, Chen Ping had no power to fight back!

Fortunately, Qu Yunchang was his subordinate, otherwise he might have died here today!

“It seems that if you suddenly transform and become an immortal cultivator, can you rely on the spiritual energy of heaven and earth to practice and generate spiritual power in your Dantian?”

Chen Ping asked Qu Yunchang.

But who knows, Qu Yunchang shook his head slightly and said: “The master of the palace does not know something. It is not the spiritual power generated in the body that is the cultivator of immortality. The cultivator of immortality also has the distinction of refining the body and refining the Qi. However, if one is gifted, then the two Practice at the same time!”

“The breath produced by body training is strength, and the power emitted through the muscles and joints of the body is what is called pure power.”

“Qi training involves sinking Qi into the Dantian and storing spiritual power in the Dantian. When needed, the spiritual power can be concentrated in one place and struck out.”

“Just like today’s warriors and immortal cultivators, in fact, they both reach the same goal by different paths, and the ultimate goal is to ascend to immortality!”

Chapter: 3664

“So even if I break through the realm of transformation, even if I become an immortal in the future, I won’t necessarily be able to cultivate only by relying on the spiritual energy of heaven and earth.”

“I don’t know if the palace master can understand...”

Qu Yunchang followed Chen Ping in explaining, and Chen Ping was also a little confused, as if he understood, but also seemed not to understand!

Seeing Chen Ping like that, Qu Yunchang smiled slightly and said: “Palace Master, let me explain to you this way, even if the spiritual energy of heaven and earth is lacking, or even without the spiritual energy of heaven and earth, I can still rely on cultivation to become an immortal... . . .”

When Qu Yunchang said this, Chen Ping suddenly realized that if a warrior breaks through the realm of transformation, he may not necessarily change his cultivation method and rely on the spiritual energy of heaven and earth to practice.

If the place is full of spiritual energy, it would definitely be better to rely on the spiritual energy of heaven and earth to practice. But now that the spiritual energy of heaven and earth is lacking, it seems that a cultivation method like Qu Yunchang’s is more suitable!

At this moment, Hu Mazi and the others came over, and they were blown to the other end of the island by the terrifying force just now!

Because they were worried about Chen Ping, several people hurried over!

“My name is Chen Ping. Stop calling me Palace Master. Just call me Mr. Chen.”

Seeing Hu Mazi and the others coming, Chen Ping hurriedly warned Qu Yunchang.

Chen Ping doesn't want people to know about Tianlong Temple, because Chen Ping himself doesn't even know what kind of organization Tianlong Temple is!

Hu Mazi and others ran over. They originally thought that Chen Ping would follow Qu Yunchang and have a fierce battle, but when they saw the two people standing together, as if chatting, they were all shocked!

“Master Hu, Brother Liu, let me introduce to you. This is an old song, so I guess you don't know each other...”

Chen Ping hurriedly followed Hu Mazi and others to introduce him to avoid any misunderstanding!

“I have offended you so much, please be more considerate...”

Qu Yunchang hurriedly followed Hu Mazi and others to apologize!

When several people saw that a top expert like Qu Yunchang took the initiative to apologize, they were all a little confused.

“Mr. Qu, it was us who broke in rashly, and we were offended!”

Hu Mazi and the others nodded and bowed quickly and said!

“I don't have much to entertain on this deserted island, so I just roasted these monsters and they were delicious.”

After saying that, Qu Yunchang was ready to grill Chen Ping and the others!

Hu Mazi walked towards Chen Ping with doubts on his face and said, "Chen Ping, what on earth is going on?"

"What's going on?" Chen Ping asked, pretending not to know.

"Why is this old monster so good all of a sudden?"

Chapter: 3665

Hu Mazi asked.

"I don't know, maybe he is impressed by my strength." Chen Ping said jokingly.

Hu Mazi rolled his eyes at Chen Ping, he knew it was definitely not for this reason!

But since Chen Ping didn't want to say anything, Hu Mazi didn't ask!

Soon the barbecue was ready, and Chen Ping and the others started eating!

At the same time, on the seaside mountains, Wang Defa of the Tianlei Sect and his people had already caught up here!

Also chasing here are the Seven Evil Lords of the Flying Star Sect...

This Qi Sha Lord is the killer of the Feixing Sect, with a higher status than the elders. This time Leng Wudao sent the Qi Sha Lord, and it was obvious that he wanted Chen Ping to die!

Looking at the vast sea in front of him, Wang Defa's eyes narrowed slightly.

“Wang Defa, your second young master from Tianlei Sect was killed by Chen Ping. Did Tong Haiyang send you to hunt down Chen Ping?”

“Don’t let yourself be killed if your strength is not as good as that of Chen Ping...”

Lord Qisha said to Wang Defa.

Wang Defa snorted coldly, but did not reply, because he knew that as the killer of Feixing Sect, Qi Shajun, no one knew his true strength, but his strength was definitely not inferior to his own!

Seeing that Wang Defa didn’t speak, Lord Qisha didn’t provoke him, but looked at the sea and continued: “That kid must have taken the waterway, but monsters are rampant in this water area, and there is an old monster blocking the way. They There’s definitely no way to escape.”

“You go cut down some trees to make a raft, and we will catch up...”

Lord Qisha told the disciples of Feixing Sect.

Soon, the Flying Star Faction took action and planned to pursue them by water.

And Wang Defa kept looking at the sea in a daze, with a very solemn expression on his face. He knew the danger of this sea area!

However, thinking of Tong Youcai’s tragic death, Wang De said with a heart: “You also go cut down trees and make rafts...”

Wang Defa asked the disciples of the Tianlei Sect to cut down trees and planned to go to the sea to pursue Chen Ping. He must avenge his son!

Just after the people from the Sky Thunder Sect and the Flying Star Sect went out to sea, another group of people appeared where they originally stood!

This group of people is the Burning Heaven Sect. Yao Qing looked at Wang Defa and Qi Shajun who had walked away, and the corner of his mouth curled up!

“Two idiots dare to pursue us at sea. With their abilities, even if they don’t die in the mouth of the monster, they will be killed by Chen Ping.”

“The strength of the ninth-grade Great Protector Martial God at the peak is not as good as that of Chen Ping, so how can these two be rivals!”

Chapter: 3666

Yao Qing knew Chen Ping’s true strength, after all, the Great Protector said it himself!

But the Feixing Sect and Tianlei Sect didn’t know that, they always thought that Chen Ping’s strength was only in the early stage of the Martial God!

“Leader, what should we do? Do you want to catch up too?”

A member of the Burning Heaven Sect asked.

“If you dare to go to this sea area, you are seeking death. If we go back, Chen Ping will not survive, because no one can escape from this sea area.”

Yao Qing waved his hand and led the people away. He knew that Chen Ping would definitely die!

Because with his strength, he dare not say that he can pass through this sea area, and it is even more impossible for Chen Ping.

“Leader, is there really an old monster in this sea area? That old monster is really so terrifying, making everyone in the hidden world so afraid...”

One of the congregants asked very puzzledly.

When Yao Qing heard this, there was a bit of fear in his eyes: “That old monster is the strongest person I have ever seen. I am afraid I am the only one who can escape from his hands. That was more than ten years ago... ..”

Yao Qing was targeted by the three sects and six sects of the Hidden Realm at that time, and the entire Burning Heaven Sect was almost wiped out. There was no place for him here, so Yao Qing wanted to find a place to stay on the sea!

As a result, Yao Qing took hundreds of people from the Fentian Sect and took a boat out to sea, planning to find a desert island and establish his own base!

However, they encountered monsters on the sea, and it was not easy to fight their way out. They found a small island, but a strange old man emerged from the island.

With ruthless attacks and deadly moves, all the people Yao Qing brought were quickly killed and injured, but Yao Qing took the opportunity to jump into the sea and save his life!

More than ten years have passed, but Yao Qing’s memory is still fresh, so he is in awe of this sea area and dare not step into it!

At this moment, Wang Defa and the Seven Evil Lords were sailing on the sea. When they saw the corpses of monsters appearing in a sea area and a large area of sea water dyed red, they knew that a battle had occurred here!

“Chen Ping should be nearby. The corpse of this monster was obviously killed not long ago. Chase him quickly...”

When Wang Defa saw the corpse of the monster, he hurriedly ordered to speed up!

Upon seeing this, Lord Qisha also ordered his people to speed up and pursue him quickly!

Roar.....

Suddenly, a huge roar spread across the entire sea area, the roar was like thunder, and the entire sea surface began to roll!

When Wang Defa and the Seven Evil Lords saw this, they were all stunned, knowing that they had encountered a monster.

However, the two of them were not afraid. On the contrary, their faces showed excitement. Because of such a monster, the beast elixir is a treasure!

Chen Ping and the others, who were eating barbecue on the road, also heard this roar!

Chapter: 3667

Qu Yunchang frowned, and murderous intent flashed in his eyes: "Someone dares to break into this water area and seek death..."

When Chen Ping heard this, he knew that this loud roar was an alarm from the monster when someone broke in!

And Chen Ping could also guess that the intruder must be coming for him, but he didn't know which sect he was from!

"These people should be here to hunt me down..."

Chen Ping said calmly.

When Qu Yunchang heard this, his murderous aura became stronger and he said: "They dare to chase Mr. Chen. I will kill them now..."

Qu Yunchang stood up and was about to leave, but was stopped by Chen Ping.

"Laoqu, wait a minute. I'm going to see who dares to chase you first. If I'm defeated, you won't be too late to take action!"

Chen Ping planned to solve it himself. If the opponent was a master and he couldn't defeat it, then he would let Qu Yunchang take action.

Now that Qu Yunchang is behind him, Chen Ping is confident and doesn't have to be afraid of the people from the three sects and six sects in the hidden world!

"Okay, if Mr. Chen is in danger, just send me a signal..."

Qu Yunchang nodded and said!

Chen Ping got up and left. After arriving at the beach, Chen Ping used the method taught to him by Qu Yunchang to summon the monsters.

Then he jumped up, standing on a killer whale monster, and then headed towards the place where the roar just happened!

At this time, Wang Defa and Lord Qisha were arguing over a monster beast in front of them!

"Sir Qi Sha, I killed this monster, so the beast pill should be given to me..."

Wang Defa said.

"If I hadn't injured this monster, it would have escaped long ago. You took advantage of me and secretly attacked it."

Lord Qisha said with a cold face.

The two gangs are at war with each other over the beast pill, and they seem to be about to fight!

But at this moment, I saw a huge wave rolling in the distance, and it was getting closer and closer!

Wang Defa and the Seven Evil Lords hurriedly looked into the distance and found that there were dozens of monsters under the huge waves. Their huge bodies swam and set off huge waves!

Seeing so many monsters, the expressions on the two people's faces froze. They didn't know whether they were sad or happy!

But soon, they saw a human figure standing on top of a killer whale monster, which surprised them!

Chapter: 3668

But when he got closer, Wang Defa recognized Chen Ping at a glance!

“Chen Ping, it's Chen Ping, this guy hasn't escaped yet...”

When Wang Defa saw Chen Ping, his eyes were red, and he was trembling with the hatred of killing his son!

However, the Qi Sha Lord frowned slightly, wondering why Chen Ping was with the monsters. Moreover, it seemed that these monsters were Chen Ping's mounts, and none of the monsters attacked Chen Ping!

Chen Ping came to Wang Defa and Lord Qisha, and looked at the monster that sounded the alarm, lying on the water at the moment, being killed by these people, Chen Ping's eyes were full of anger!

At this time, these monsters were already Chen Ping's subordinates and part of their Tianlong Palace. If someone slaughtered his subordinates, of course Chen Ping would be angry!

Chen Ping knew Wang Defa but not the Qi Sha Lord, so he asked the Qi Sha Lord: “Who are you? Did you kill this monster?”

Lord Qisha looked at Chen Ping at such a young age, with an indescribable aura about him, and was a little shocked in his heart!

“I am Lord Qi Sha, from Feixing Faction, and you are Chen Ping, the one who killed my young master?”

Lord Qisha asked Chen Ping.

“Are you talking about that guy who is neither male nor female? Although I didn’t kill him, but if he was, I would kill him sooner or later!”

Chen Ping said calmly.

Chen Ping’s words instantly made the Seven Evil Lord furious, his eyes narrowed slightly, and a murderous aura instantly covered Chen Ping’s body.

“Boy, you have such a crazy tone, I will kill you today to avenge the young master!”

The aura of Lord Qi Sha began to explode, and waves began to surge on the sea surface!

“Hmph, even if you don’t kill me, I will kill you. If you dare to kill my monster, you deserve to die...”

The aura on Chen Ping’s body also began to explode, ready to fight at any time!

“Chen Ping, how come this monster belongs to you? These are monsters that grow in the sea, and they have become your family. Are you shameless?”

“But you sent us so many monsters at once, so I want to thank you. These many beast pills are enough for me to practice for a long time!”

Wang Defa looked at Chen Ping coldly and said.

“If you have the ability to get these monster beast elixirs, then come...”

Chen Ping made a strange sound from his mouth, and then dozens of monster beasts seemed to have heard the order and began to become violent.

Accompanied by roars, they attacked the people from the Feixing Faction and the Tianlei Faction!

You must know that these are all monster beasts in the realm of the God of War, and they are still in the sea. The sea is the main battlefield of these monster beasts!

Chapter: 3669

With the attack of these monster beasts, people from both groups instantly became confused. With roars and wailings, the entire sea surface was dyed red!

Wang Defa looked at the disciples of the Tianlei Sect. From time to time, some people were buried in the mouths of monsters. His eyes were filled with murderous intent, but there was also a bit of doubt!

He didn't understand why these monsters listened to Chen Ping, but this was not the time to figure it out!

"Chen Ping, take your life..."

Wang Defa shouted angrily, and a long knife suddenly appeared in his hand. The breath rolled on the long knife and swept towards Chen Ping!

And the Qi Sha Lord seemed to have an extra thought. Instead of attacking Chen Ping, he fought against a monster and began to attack fiercely. His eyes were constantly paying attention to the battle between Chen Ping and Wang Defa!

Chen Ping can control dozens of monsters, which is beyond Qi Shajun's expectations, so he plans to see the situation on site before making plans!

If the situation goes bad, he will lead his people to evacuate here immediately. After all, their strength will be compromised when fighting at sea, but these monsters can exert their strength to the extreme!

At this time, Chen Ping faced Wang Defa's attack without the slightest panic. With Wang Defa's level, Chen Ping was not afraid at all!

The peak ninth-grade Martial God of the Burning Heaven Sect's Great Protector was defeated. Wang Defa, the Martial God who had just been promoted to the ninth grade, Chen Ping could easily defeat!

Looking at Wang Decai's long knife, Chen Ping swayed slightly and dodged in an instant!

Wang Defa was stunned. He didn't expect Chen Ping to dodge his attack so easily!

Wang Defa shouted again: "Thousands of swords in the sky..."

The long knife in Wang Defa's hand transformed into countless sword lights, and then these sword lights all headed towards Chen Ping!

Chen Ping adjusted his breath, suddenly flicked his hands, and countless energy emitted from his fingertips, and then the sword light collided with each other!

boom.....

There were explosions, and then the whole space began to shake, and the sea surface set off huge waves!

Against Wang Defa, Chen Ping didn't even use the Dragon-Slaying Sword and fought with Wang Defa with bare hands!

Wang Defa's face was solemn and he looked at Chen Ping with slightly narrowed eyes.

And the Qisha Lord, who had been fighting with the monsters, looked here from time to time. When he saw Chen Ping fighting with Wang Defa with bare hands, he was also very surprised!

“With this little ability, you dare to seek revenge from me?”

Chen Ping looked at Wang Defa, sneered, and then gently grabbed the sea with his right hand!

Immediately afterwards, a water column instantly rose above the sea. Then the water column was caught in Chen Ping’s hand and turned into a spear. On top of the spear, you can see the continuous rotation and surge of air!

Chen Ping threw the spear in his hand towards Wang Defa, which instantly caused the heaven and earth to move, and a huge whirlpool began to appear on the sea surface.

Chapter: 3670

Feeling this scene, Wang Defa’s face became extremely ugly. He never expected that Chen Ping, who was only a third-grade Martial God, could actually exert such an amazing momentum!

Wang Defa gritted his teeth and suddenly slashed forward with the long knife in his hand. The long knife instantly hit the spear transformed by the sea water, directly shattering the spear.

When Wang Defa saw this, a sneer appeared on his face. He didn’t expect that Chen Ping’s momentum was amazing, but his strength was not that great!

But just when Wang Defa was proud, suddenly the shattered spear slowly solidified again, and instantly turned into a spear again, coming directly towards Wang Defa!

Seeing that Wang Defa couldn’t dodge, he could only hold the long knife across his chest to block the spear’s attack!

boom.....

Wang Defa’s body was instantly knocked out, and there was a gap in the long knife in his hand!

Wang Defa's body kept retreating above the sea surface, cutting through waves, and flew hundreds of meters before stopping.

Blood spurted out of his mouth, and his breath quickly weakened!

Many warriors from the Tianlei Sect were shocked when they saw this. Even Wang Defa was no match for Chen Ping. Didn't these people die in vain?

Lord Qi Sha, who had been observing the situation, changed his face drastically, and the shock in his eyes was beyond words!

He didn't expect that Chen Ping would seriously injure Wang Defa with one move. This kind of strength gap was definitely not something he could deal with.

Judging from this situation, Chen Ping is not a third-grade Martial God, he has definitely reached the level of Martial Emperor!

They all thought Chen Ping was a third-grade Martial God when they entered. This misjudgment of strength meant that they would be easily killed by Chen Ping!

Qi Shajun was also a little lucky at this time. Fortunately, he had kept an eye on it. Otherwise, with his peak level of ninth-grade Martial God, he would never be Chen Ping's opponent!

"Walk....."

Lord Qi Sha hurriedly called for the people of Feixing Sect to evacuate!

Everyone in the Tianlei Sect also wanted to escape, but they were entangled by the monsters and couldn't escape for a while!

"Now that you're here, don't even think about leaving..."

Chen Ping's eyes flashed with murderous intent, and then he raised his hand, and a huge wave of more than ten meters high rose above the sea. Then thousands of arrows emerged from the huge wave and headed towards the escaping Feixing Faction people!

Chen Ping's spiritual power was condensed on these arrow feathers, filling the sky and fields like a violent storm!

The warriors of the Flying Star Sect, whether they were Martial Saints or Martial Gods, were unable to withstand these arrow feathers. They were all penetrated into their bodies in an instant and could no longer die!

In an instant, the sea surface turned blood red. Seeing the people he brought dying one by one in front of his eyes, Lord Qi Sha's eyes were full of horror. He could only burst out all the breath in his body, and surrounded himself. Form a shield.

He no longer has the ability to care about other people, so he can only run away desperately. He wants to leave this terrifying purgatory-like place!
