

The Order 3671

Chapter: 3671

He regretted it, regretted agreeing to the leader to hunt down Chen Ping!

He never thought that a warrior from outside the world would have the strength of the Martial Emperor. This was beyond his knowledge!

In the end, Lord Qi Sha was seriously injured and escaped, and all the people from the Flying Star Sect he brought with him died on the sea!

Chen Ping did not chase the Qi Sha Lord, but walked on the water and walked towards Wang Defa step by step.

Wang Defa looked at Chen Ping, who was walking over, and felt Chen Ping's gaze, with a look of extreme horror on his face!

He just watched with his own eyes, Lord Qi Sha and the people of Feixing Sect, escaping like lost dogs, but Chen Ping waved his hand and killed them on the sea!

You know that the Qi Sha Lord is stronger than him, but he actually dares to follow Chen Ping!

At this time, Wang Defa finally understood why the Qi Sha Lord had not taken action, but was secretly observing from the side!

"Chen Ping, don't...don't kill me..."

Wang Defa was frightened and prayed after Chen Ping!

"I won't kill you, but you want to kill me, so why do I keep you?"

Chen Ping asked coldly.

“I only came to hunt you down to avenge my son. You said that Tong Youcai was killed by the great protector of the Burning Heaven Sect. I believe you now. When I go back, I will let the Tianlei Sect hunt down the Burning Sky Sect. I will never make things difficult for you!”

Wang Defa said quickly.

“Tong You is your son?” Chen Ping looked at Wang Defa and asked.

Wang Defa nodded, but did not speak!

A smile appeared on Chen Ping’s face, and then he said: “I can spare your life, but you can escape the death penalty, but you cannot escape the living penalty!”

After Chen Ping finished speaking, he kicked out suddenly and broke one of Wang Defa’s arms in an instant!

Wang Defa endured the severe pain without saying a word, with cold sweat dripping from his forehead!

A broken arm is nothing to Wang Defa. As long as he goes back and starts genetic modification, the broken arm will be restored. The main thing now is to save his life!

“You can go away, but let me tell you, that Tong Youcai was indeed killed by the great protector of the Burning Heaven Sect, and it had nothing to do with me...”

After Chen Ping finished speaking, he jumped onto a monster beast and then galloped away!

Wang Defa endured the severe pain and headed towards the shore!

At this moment, on the mountains by the sea, Lord Qisha was covered in wounds and breathing heavily!

Chapter: 3672

Lord Qi Sha felt very lucky to be able to escape, so he wanted to return to Feixing Sect as soon as possible and tell Leng Wudao that Chen Ping's strength was no longer what they knew!

But just when Qi Shajun took a few breaths and was about to continue on his way, he was suddenly blocked by a group of people!

Lord Qi Sha looked up and his face turned extremely ugly instantly!

"Yao...Yao Qing?"

There was a bit of fear in Lord Qi Sha's eyes!

This Yao Qing is the leader of the Burning Heaven Sect, and the Burning Heaven Sect and the three sects and six sects of the Hidden Realm all have enmities. Now suddenly someone from the Burning Heaven Sect appears and blocks his way. Lord Qisha knows that he is in trouble!

"As a killer of the Feixing Sect, he was beaten like this by five juniors from outside the world. It's really embarrassing!"

Yao Qing looked at Qi Shajun with a faint smile!

"How did you know?" Lord Qisha was very puzzled as to how Yao Qing knew.

They all fought at sea, and not many people knew about the pursuit of Chen Ping!

"Of course I know, and I also know that you want to avenge your young master. But even if you kill Chen Ping, you can't avenge your young master."

Yao Qing said with a sneer.

“Why?” Yao Qing frowned, but he quickly remembered what Chen Ping said.

It was said that Tong Youcai and Leng Yun were killed by the great elder of Fentian Sect. Now that Yao Qing said this, it seems that what Chen Ping said is true!

“It turns out that our eldest young master was really killed by your Burning Heaven Sect...”

Lord Qi Sha narrowed his eyes slightly, with an indescribable chill in his eyes!

“Yes, both Tong Youcai and Leng Yun died after their strength was absorbed by our elder, but it’s too late for you to know now...”

Yao Qing said, and slapped Lord Qi Sha with his palm!

Qi Shajun wanted to dodge, but he couldn’t dodge at all, and was directly slapped to death by Yao Qing!

Looking at the body of Lord Qi Sha, Yao Qing smiled coldly: “Throw the body into the sea. Now that the Feixing Faction follows Chen Ping, he will definitely fight to the death!”

Yao Qing exuded a coldness, then turned around and left!

.....

On the Diaoyu Islands, Chen Ping has returned!

“Chen Ping, are you okay?”

Chapter: 3673

Seeing this, Hu Mazi hurriedly stepped forward and asked.

“What’s the matter? I took dozens of Martial God-level monsters and beat them to a pulp!”

Chen Ping said very proudly.

Thinking of how he had brought those monster beasts to show off his power, Chen Ping felt relieved!

“It’s really exciting to hear you say that. How about you pass me the method of controlling monsters and I’ll try it too!”

Hu Mazi was very excited and wanted to try controlling the monster!

“Forget it, we have to leave and go back!”

The Secret Realm Conference is about to be held, so Chen Ping has to rush back, but he doesn’t have time to play with Hu Mazi here!

Seeing what Chen Ping said, Hu Mazi could only put away his curiosity.

After a brief farewell, Chen Ping asked Liu Xing and Liu Rui to go back, and they also said goodbye to Qu Yunchang and prepared to return to Kyoto!

But not far from the Diaoyu Islands, Chen Ping suddenly discovered that there was a faint light shining on the sea!

“Master Hu, what do you see there?”

Chen Ping pointed not far away and said.

“What’s there?”

Hu Mazi looked at it for a long time and found nothing at all!

“Is there a light shining there, can’t you see it?” Chen Ping was very surprised, why Hu Mazi couldn’t see the light!

“Is there light there?” Hu Mazi looked puzzled, and then asked Long Xingxu: “Xingxu, do you see anything shining?”

“No!” Long Xingxu shook his head!

“Did you see that there is no shining place at all? You are dazzled!”

Hu Mazi said.

But Chen Ping was convinced that he was not dazzled at all. Although the light was very weak, Chen Ping could see clearly!

So Chen Ping headed towards the place where the light came from. Even though they were very close, Hu Mazi and the others still didn’t find the light!

This made Chen Ping feel very strange. Could it be that only he could see the light?

“Master Hu, you two wait for me here, I’ll go down and take a look...”

Chapter: 3674

Chen Ping planned to go into the sea to see what was glowing.

“I’ll go with you to see if there is anything, but I didn’t find anything!”

Hu Mazi wants to follow Chen Ping into the sea to see if anything is shining!

Soon, Chen Ping followed Hu Mazi and plunged into the water!

After Chen Ping and Hu Mazi entered the water, they continued to swim downward. As they continued downward, the light began to become darker and darker, and the surrounding area became pitch black!

“Chen Ping, it’s so dark in here. Is there anything shiny anywhere?”

Hu Mazi looked around, feeling a little nervous, and pulled Chen Ping’s clothes tightly!

Chen Ping, on the other hand, was exuding aura, forming a barrier around the two of them, and his body kept falling!

“Can’t you see the light source?”

Chen Ping looked at Hu Mazi in surprise and asked.

“I really can’t see it. It’s completely dark all around. If there was light, I would have discovered it long ago. Don’t scare me!”

Hu Mazi looked around, his face became a little ugly!

Chen Ping was not talking, but frowned slightly and followed the light source!

He didn’t understand why Hu Mazi couldn’t see the light source, but only he could see it?

As Chen Ping and the others continued to fall, they soon entered a very narrow ravine. Looking at the dark and depressing ravine, Hu Mazi regretted a little. If he had known better, he would not have followed Chen Ping down!

But now that it was over, he could only hold on to the corner of Chen Ping's clothes and keep falling down!

I don't know how long it took, but the originally dark water suddenly became bright!

"what is that?"

Hu Mazi also noticed this bright light at this moment and said loudly.

Chen Ping also looked towards the light and found a white skeleton emitting light.

This made Chen Ping very curious. He couldn't understand why there were bones in the deep sea?

And how can these white bones glow?

Chen Ping and Hu Mazi came closer and saw that the white bones were crystal clear at this moment, radiating light, like crystals!

"Is this real human bone, or is it made of crystal?"

Chapter: 3675

Hu Mazi squatted down and observed carefully.

The skeleton of the white bones is very complete, and even the fingers are clearly visible, but I just don't know why such a white bone suddenly appears here!

Chen Ping looked at the white bones carefully, and suddenly he seemed to find some special lines on the skull. Chen Ping hurriedly squatted down and looked at the skull carefully!

I saw that the skull was full of crisscrossing lines and even some markings, which made Chen Ping very curious!

“Master Hu, what do you think this is?”

Chen Ping called Hu Mazi over and looked carefully at the special lines on the skull!

Hu Mazi looked at it carefully, and then said with surprise: “This seems to be a map. Could it be a treasure map?”

“Look at this place, does it look like the Kunlun Mountains? And here, here...”

Hu Mazi followed Chen Ping and pointed to the lines on it. After Hu Mazi said this, Chen Ping discovered that the map drawn on it was really a map of this area, and the specially marked places should be some relics and treasures!

After all, there were immortal cultivating sects everywhere on the earth thousands of years ago, and there were also various treasures of heaven and earth, so it is normal to find some relics and treasures now!

“But who is this person? He actually carved this treasure map on his skull?”

“Why did his bones appear here?”

Chen Ping asked.

“Then how do I know? But if the corpse appears here, it must have been killed at sea, and then the body was dumped here.”

“Coupled with the environmental influence in the sea, the bones began to crystallize, and finally became like this.”

“But you can find this light on the sea. It can be regarded as a guide to you from somewhere!”

Hu Mazi couldn't explain the origin of the bones and why he wanted to carve the treasure map on his skull. After all, no normal person would do this.

Chen Ping nodded, then threw the skull into the storage ring, and then the sand on the seabed buried the bones!

No matter who this person is, he is buried in peace!

Chen Ping had no intention of looking for any relics or treasures according to the markings on the skull, because he had no time. He wanted to rush back to Kyoto as soon as possible so that he could attend the secret realm conference!

“Brother Chen Ping, Master Hu, what did you find?”

Seeing Chen Ping and Hu Mazi coming back from the sea, Long Xingxu asked curiously.

“There's nothing, just a skeleton. If I had known, I wouldn't have followed...”

Hu Mazi said.

Chapter: 3676

“Let's hurry up and get back to Kyoto as soon as possible!”

Chen Ping urged us to get on the road!

After landing, several people took a plane and flew back to Kyoto!

And just when Chen Ping and the others rushed back to Kyoto, the Tianlei Sect began to be shrouded in a dark cloud!

Wang Defa was injured and returned to the Tianlei Sect, and reported the situation to Tong Haiyang. When he learned that Chen Ping's strength exceeded the peak of the ninth-grade Martial God, Tong Haiyang's face became very ugly!

"Defa, Defa..."

At this time, Tong Haiyang's wife ran in anxiously: "Defa, I heard you were injured, are you okay? How come you can't even beat a young boy?"

"Sister-in-law, I'm fine..." Wang Defa shook his head!

And Tong Haiyang saw his wife caring so much about Wang Defa, with deep anger in his eyes, but he kept suppressing it!

"Defa, here is a Guiqi Pill. Take it and have a good rest..."

Tong Haiyang took out a green pill and said to Wang Defa.

"Thank you, brother..." Wang Defa took the pill gratefully and swallowed it without hesitation!

Seeing Wang Defa swallow the pill, Tong Haiyang showed a sneer on his face!

After Wang Defa swallowed the pill, he suddenly felt his internal organs churning, followed by severe pain!

Wang Defa spat out a mouthful of blood, and then fell to the ground. He looked at Tong Haiyang in disbelief and said, "Brother, you...what are you giving me to eat?"

"This is a heart-breaking pill. You will definitely die after taking it!" Tong Haiyang said with a cold smile.

“Defa, Defa...” Tong Haiyang’s wife looked nervous, then looked at Tong Haiyang angrily and said, “Tong Haiyang, what are you doing?”

“What did I do? Of course I killed him.” Tong Haiyang snorted coldly.

“Brother, why, why did you do this?”

Wang Defa still asked with a puzzled look on his face.

“You still have the nerve to ask why?” Tong Haiyang’s eyes narrowed, and his anger suddenly burst out: “You two are a pair of bastards, and you are cuckolding me. Do you think I don’t know?”

“That Tong Youcai is your child at all and has nothing to do with me. Don’t think I don’t know.”

“The reason why I asked that Tong Youcai to go to the ruins of Narcissus Palace is because I know that the ruins of Narcissus Palace are very dangerous. If he goes there, he will probably die there.”

“I didn’t expect that he was really dead. I’m so happy. Besides, I asked you to chase Chen Ping because I wanted to use Chen Ping’s hand to kill you, but I didn’t expect that he didn’t kill you and you came back seriously injured.”

Chapter: 3677

“Since he didn’t kill you, I won’t let you live. After so many years, I will tear you into pieces!”

The aura on Tong Haiyang rose up like an explosion and enveloped the two of them in an instant!

Seeing what happened was revealed, Wang Defa’s face became so ugly!

Tong Haiyang’s wife quickly begged for mercy: “Haiyang, I was wrong. Please don’t kill me. I will never dare to do it again...”

“Hmph, won’t I kill you? But you have already plotted to kill me. Don’t think you can escape my eyes and ears!”

“You bitch man and woman, go to hell...”

Tong Haiyang waved his palm, and a huge force instantly crushed his wife and Wang Defa into a pile of meat!

Looking at his wife and his sworn brother who died tragically, Tong Haiyang seemed to be still angry and kept punching, destroying the entire room!

“Dad...” Tong Yougong’s face changed with fear when he saw Tong Haiyang’s crazy look!

Seeing Tong Yougong coming, Tong Haiyang took back his breath, and then said: “Yougong, you should immediately take people to arrest everyone close to Wang Defa and kill them all...”

Tong Yougong looked at the anger on his father and did not dare to ask. He could only nodded and said: “Yes!”

Tong Haiyang’s body slowly floated into the air, and the Tianlei Sect who looked at him fell into a state of solemnity.

.....

Kyoto!

Chen Ping and the other three have already rushed back.

After seeing that Chen Ping and the others were back and that Hu Mazi and Long Xingxu had recovered, everyone was very happy!

The first thing Hu Mazi did when he came back was to drag Zhou Jie to the room. As for what he was doing, everyone already knew!

“Chen Ping, the head of the Ge family has been here several times while you were gone. It seems that he has something urgent to ask you!”

Ji Ruxue said to Chen Ping.

During this period of time, Ji Ruxue was taking care of Longmen. Under Ji Ruxue’s care, Longmen was also in good order!

“I know, you have worked hard during this period...”

Chen Ping looked at Ji Ruxue guiltily!

Ji Ruxue came all the way to find her, but she didn’t have much time to spend with them!

Ji Ruxue has never complained, and now she is helping to take care of Longmen, which makes Chen Ping very daring to move!

Chapter: 3678

“When I think about doing things for you, it doesn’t feel hard at all...”

Ji Ruxue smiled slightly.

Chen Ping had a complicated expression on his face, and said slightly apologetically: “As you know, I have Yu Qi, and I will marry her when the time comes, so if you follow me, you may be destined to have no status.”

In this monogamous system, Chen Ping can only have Su Yuqi as his wife. There is no way to change this principle issue!

“I don’t care, as long as you have me in your heart...”

Ji Ruxue gently leaned on Chen Ping’s shoulder!

Chen Ping held Ji Ruxue’s waist and looked at the blue sky quietly!

Chen Ping didn’t stay in Longmen for too long, so he went to the Taoist secret realm. He wanted to see how Su Yuqi and Xiaoru were doing!

When Chen Ping entered the secret realm, he was instantly stunned by the sight in front of him!

Because he saw that in this secret realm, there were not only Su Yuqi and the others, but two more girls!

And one of the girls was the one Chen Ping saved from the Demon Heart Sect!

The girl was also stunned when she saw Chen Ping, with a very surprised expression!

“Chen Ping.....”

Seeing Chen Ping coming, Su Yuqi ran over happily.

“Yu Qi, what’s going on?”

Chen Ping pointed at the two strange girls and said.

“The two of them were also caught here.”

“This is Mu Lanxin. She is very powerful and has a special physique. She can control...”

“I know that she is an earth spirit and can control rock and soil.”

Chen Ping didn't wait for Su Yuqi to finish the introduction before he spoke.

Su Yuqi was stunned and asked in disbelief: “Chen Ping, how come you are so powerful? You can see this?”

“It's not that he is great, it's that we already know each other and have met before!”

At this time, Mulan Xin said!

“What? Do you know each other?” Su Yuqi was even more confused now!

Chapter: 3679

“Sister Yuqi, I didn't expect that the boyfriend you talk about all day would be him. Your boyfriend once saved my life!”

As Mu Lanxin spoke, she told the story of how she was being chased by the black gold robe and Chen Ping came to the rescue!

It's just that Mulan was scared at the time and didn't know what Chen Ping's name was, and Chen Ping didn't know her name either!

When Su Yuqi heard this, she suddenly realized: “I didn't expect you two to be so destined!”

Immediately afterwards, Su Yuqi introduced another girl, who was also a person with a special physique!

Chen Ping was a little confused, why did the Demon Heart Sect arrest so many people with special physiques?

Although he knew that the Demonic Heart Sect must be harboring something bad, Chen Ping didn't know it now, so there was nothing he could do to stop it!

He still has to attend the Secret Realm Conference first and make plans!

After chatting with Su Yuqi and others in the Taoist Sect Secret Realm for a while, Chen Ping left.

After leaving the secret realm, Chen Ping went directly to the Ge family. Ge Cangsheng had probably been waiting for it for a long time.

Sure enough, after Ge Fuhai saw Chen Ping, he hurried forward and said, "Mr. Chen, you are back. The clan elders are all anxious!"

"Master Ge, aren't there still a few days until the Secret Realm Conference? Why is Elder Ge so anxious?"

Chen Ping asked in surprise.

"It's not because the number of people participating in the Secret Realm Conference is limited. There are sects in the Fire Sect Secret Realm who don't agree with the elders to take you there!"

Ge Fuhai explained.

"Oh, that's it, let's go!"

Chen Ping nodded!

Soon the two people arrived at the entrance of the secret realm and entered the Fire Gate Secret Realm directly!

When he arrived at the Ge family, Chen Ping found that several people were sitting in the hall of the Ge family, and Ge Cangsheng was among them!

And Jiang Wuya, the owner of Luo Tower, was also there that day! Remember URL

Seeing Chen Ping coming, Ge Cangsheng and Jiang Wuya stood up to greet him!

“Mr. Chen, please sit down quickly...”

Ge Cangsheng personally moved a chair for Chen Ping!

Ge Cangsheng’s attitude towards Chen Ping made a middle-aged man sitting next to him feel a little puzzled!

Chapter: 3680

“Elder Ge, as the elder of the Ge family, why are you so polite to a junior in the secular world?”

“Even if I come to your Ge family, you have never been so polite, right?”

The middle-aged man said jokingly.

“Cao Fu, you came to my Ge family eight hundred times a year and you couldn’t drive me away. It would be nice if I didn’t do anything. You still want me to be polite to you...”

Ge Cangsheng glared at the middle-aged man and said.

“Hahaha, who made your Ge family’s food delicious? It makes me greedy!”

Cao Fu burst out laughing!

Chen Ping took a look at Cao Fu, and Ge Cangsheng quickly explained: “Mr. Chen, this guy is a casual cultivator named Cao Fu. He lives alone in this secret realm and often goes to major sects and families to make a living!”

At this time, Cao Fu looked at Chen Ping and said: “Boy, you do have some strength. In a place like the secular world, you can actually practice to the state of distraction.”

“Oh, you are what warriors in the secular world call a God of War. You are a God of War at a young age. Apart from those in the hidden world, you are probably invincible in the secular world, right?”

Cao Fu’s words surprised Chen Ping, and he quickly asked: “Do you still know about the hidden world?”

“Of course I know. Although we are in a secret realm and cannot stay in the secular world for a long time, it does not mean that we cannot leave the secret realm!”

“I often go to Bailian Pavilion, and I even bought a few magic weapons at that time.”

Cao Fu explained.

Hearing Cao Fu’s words, Chen Ping smiled and said nothing. Now there is no Bailian Pavilion in the secular world!

At this moment, Chen Ping always felt that there was a vague consciousness that was constantly covering him!

This spiritual consciousness is so weak that if Chen Ping doesn’t feel it carefully, he won’t be able to detect it at all!

Chen Ping suddenly turned his head and found an old man staring at him without blinking, and behind the old man, there was a young man standing!

When the old man saw Chen Ping looking over, he looked away, and the vague consciousness disappeared in an instant!

“Ge Cangsheng, is this the Chen Ping you must bring to the secret realm conference?”

The old man asked Ge Cangsheng.

From the old man’s tone, it seemed that he had no respect for Ge Cangsheng!

“Yes, this is Mr. Chen who I want to take to the Secret Realm Conference!”

Ge Cangsheng nodded, and then introduced to Chen Ping: “Mr. Chen, this is Jin Lifu, the master of Zhanyue Pavilion, and behind him is his son Jin Yuan.”
