

## The Order 3681

Chapter: 3681

After speaking, Ge Cangsheng used the sound transmission technique to say to Chen Ping: "Mr. Chen, this Zhanyue Pavilion has annexed more than a dozen sects in the Fire Gate Secret Realm, and now it has become the largest sect in the Fire Gate Secret Realm. He is the one who stops you. Participate in the secret realm conference!"

Ge Cangsheng had just finished speaking using the sound transmission technique, but he saw Jin Lifu sneer and said: "Ge Cangsheng, you are old, there is nothing you can't say, why do you need to be secretive?"

After hearing this, Ge Cangsheng smiled awkwardly and said: "Old Jin, your abilities are getting stronger and stronger now. Even my voice transmission skills can't escape your eyes."

"Hahaha, it's good that you know, so I advise you to surrender to me early. When the time comes that our Fire Sect Secret Realm will be in one place, let me ask the people in other secret realms, who dares to fight with us?"

Jin Lifu laughed!

"Jin Lifu, let us be your little brothers. Stop dreaming..."

Jiang Wuya on the side snorted coldly!

Jin Lifu smiled and said nothing, and everyone sat down!

Ge Yuhan walked up to Chen Ping with a cup of tea and said with a smile: "Mr. Chen, please have some tea..."

"Thank you, Miss Ge. Are you feeling well now?"

Chen Ping asked with concern.

“It’s okay!” Ge Yuhan shook his head gently.

The moment Ge Yuhan came out, Jin Yuan, who was behind Jin Lifu, looked directly at Ge Yuhan with undisguised eyes!

“Dad, did you forget that there is something else to say?”

At this time, Jin Yuan whispered in Jin Lifu’s ear.

“I haven’t forgotten...” After Jin Lifu finished speaking, he looked at Ge Cansheng and said: “Ge Cansheng, your daughter has regained her consciousness now and is growing taller and taller. Do you think our two families can become a family of children? The secret realm belongs to us!”

“No, I don’t like your son.” Before Ge Cangsheng could speak, Ge Yuhan said with a look of disgust.

“Ge Yuhan, what are you talking about? How am I not worthy of you?”

Jin Yuan asked angrily.

“Anyway, I just don’t like you!” After Ge Yuhan said that, he went back to the room!

Jin Yuan’s face was livid with anger, and his eyes were fierce!

“Lao Jin, we old guys don’t have to worry about the children. What matters now is free love!”

Ge Cangsheng said to Jin Lifu.

Jin Lifu did not dwell on this matter, but said to Ge Cansheng: “Ge Cansheng, you also know the rules of the secret realm. As a person in the secular world, Chen Ping cannot get a quota if he wants to participate in the secret realm conference. .”

Chapter: 3682

“And for our Fire Sect Secret Realm, every quota is very precious. With Chen Ping’s strength, if he participates in the Secret Realm Conference, he will not be able to get any resources except embarrassing our Fire Sect Secret Realm!”

“This Fire Sect Secret Realm does not belong to your Ge family, we have to consider for everyone in the secret realm!”

Jin Lifu expressed his opinion again!

“Mr. Chen is considered a member of my Ge family. Why can’t he participate in the Secret Realm Conference? And he is from my Ge family’s quota. Can you Zhanyue Pavilion take care of it?”

Ge Cangsheng said angrily.

“Although the quota belongs to your Ge family, Chen Ping is only at the third level of distraction. Can he enter the ring?”

“His strength may still be able to dominate the secular world, but in the secret realm, his strength is not enough!”

Jin Lifu said coldly.

“I’m just letting Mr. Chen see it, and I won’t let him enter the ring, so his strength is of no use!”

Ge Cangsheng said.

“If I don’t go to the ring, I disagree even more. You must know that the ring of the Secret Realm Conference belongs to their young people, and as a young man, Chen Ping only sat in the stands after going there. Wouldn’t he let other people from the Secret Realm Are you laughing at us?”

Jin Lifu said loudly.

“Jin Lifu, your control is too broad. Although your Zhanyue Pavilion is the strongest now, you are not the master of the Fire Sect Secret Realm. Why should you dictate to others?”

Cao Fu couldn’t stand Jin Lifu and asked with disdain.

“Cao Fu, you are a casual cultivator, do you have the right to speak? If you are not honest, believe it or not, I will remove you from the Fire Sect Secret Realm!”

Jin Lifu looked at Cao Fu coldly, his eyes full of anger!

“You are too crazy. I am dishonest. Let me see what you can do to me!”

Cao Fu’s temper suddenly exploded and he yelled loudly!

Seeing that the two were about to fight, Jiang Wuya hurriedly stood up and said: “Okay, okay, stop arguing. Since we don’t agree, let’s continue talking!”

“Mr. Chen is now capable of the third level of distraction and can enter the ring. However, we cannot be too demanding on him, as long as he can win three games.”

“Anyway, in the end, each major secret realm will determine the final winner based on the last number of wins. As long as Mr. Chen wins three games, we have a great chance of entering the top three positions in the secret realm conference!”

Jiang Wuya came up with a compromise. After all, the number of places to participate in the conference is limited. If Chen Ping goes and does not go to the ring, it will indeed be a loss for the Fire Sect Secret Realm!

“Okay, let’s follow what the landlord Jiang said, but if Chen Ping doesn’t win three games, the Ge family will compensate us for the loss of resources!”

Jin Lifu nodded and agreed to what Jiang Wuya said!

Chapter: 3683

Ge Cangsheng did not dare to make the decision easily, so he could only turn his head and look at Chen Ping, who nodded slightly!

Seeing this, Ge Cangsheng said: “Okay, it’s decided...”

After settling down, Jin Lifu took his son and left!

Cao Fu also left, and only Ge Cangsheng and Jiang Wuya were accompanying Chen Ping!

“Master Jiang, I wonder what the rules of this secret realm competition are? And what are the strengths of the people participating in the competition?”

Chen Ping asked Jiang Wuya.

Although Chen Ping’s strength is growing rapidly, he still doesn’t know anything about what’s going on in the secret realm, nor does he know the strength of those in the secret realm!

Although he had just agreed, wouldn’t it be embarrassing if he lost in just one battle, so Chen Ping had to know himself and his enemy!

“Mr. Chen, I called my disciple here and asked him to have a good chat with you. Although this guy is not active in cultivation, he still knows a lot about the major secret realms!”

After Jiang Wuya finished speaking, he lightly touched his finger in front of his face, and a golden light flashed away in an instant!

Chen Ping looked at Jiang Wuya's communication method and felt very curious, but he knew that it was also something similar to a spell!

After a while, a man who was only 1.5 meters tall and dressed in thin clothes walked in. He walked directly to Jiang Wuya and said, "Master, why did you come to me?"

"Monkey, this is Mr. Chen. He comes from the secular world. He doesn't know much about many things in the secret realm, so you can explain it to Mr. Chen carefully."

"Remember, you should answer whatever Mr. Chen asks. Don't be disrespectful to Mr. Chen. By the way, take Mr. Chen around in the secret realm!"

Jiang Wuya said to the thin man.

When Chen Ping heard Jiang Wuya calling his apprentice Monkey, he couldn't help laughing!

Monkey didn't care and glanced at Chen Ping with a bit of surprise in his eyes. He didn't understand how Chen Ping, a young man from the secular world, could be so respected by his master!

"Hello, my name is Hou Zhen, others like to call me monkey!"

Hou Zhen suppressed his curiosity and followed Chen Ping to say hello!

"Hello, my name is Chen Ping!" Chen Ping said with a slight smile!

Chen Ping instantly had a good impression of Hou Zhen's generous performance!

"Mr. Chen, let me take you around and introduce our Fire Sect Secret Realm!"

Hou Zhen said respectfully.

Chen Ping nodded, followed Ge Cangsheng and Jiang Wuya to say goodbye, and then followed Hou Zhen out!

Chapter: 3684

As soon as the two people reached the door, Ge Yuhan stopped them.

“Monkey, I’ll go for a walk with you too...”

Ge Yuhan looked very familiar with Hou Zhen!

“Miss Ge, it’s not like you haven’t seen the desert outside. If it gets better, you should stay at home!”

Hou Zhen said.

“Stop talking nonsense, I also want to see how much you, a guy who claims to be a know-it-all in the secret realm, really know!”

Ge Yuhan said with a smile!

When Hou Zhen saw this, he could only take Ge Yuhan out of the Ge family land!

“Mr. Chen, if you want to know anything, just ask. There is nothing about the Eight Secret Realms that I don’t know!”

After walking out of the Ge family, Hou Zhen said confidently.

“Brother Hou, I wonder what the rules of this secret realm are like, and what kind of strength can the masters in this secret realm achieve?”

Chen Ping asked.

“Mr. Chen, you can just call me monkey, that way I can get closer.”

Hou Zhen smiled faintly, and then continued: “This secret realm conference has not been held for many years. The restart of the secret realm conference this time should be related to the revival of spiritual energy in the secular world!”

“The rules of the Secret Realm Conference are very simple, that is, each secret realm sends ten disciples, and only disciples of the younger generation are required. Then there will be ten arenas, and the competition will take turns.”

“If a person is defeated, he can choose another arena to compete, and the winning side will occupy the arena!”

“But after being defeated three times in a row, this person will be eliminated. If a person can occupy a stage from the beginning to the end, then this person will be written on the list of celebrities.”

“The people who can be included in the list of celebrities are all extremely talented and arrogant geniuses. So far, there are only five masters on the list!”

“The result of the competition is determined based on the number of final victories for each secret realm disciple. There will be three rankings. The remaining five secret realms will allocate resources to the top three secret realms!”

“As for which realm is the strongest among the eight secret realms, I really don’t know, but I heard that Yao Shenghui, who is number one on the list, should have reached the peak of the distraction realm now, right?”

Hou Zhen introduced Chen Ping in detail, for fear that Chen Ping wouldn’t understand!

“The peak of the distraction realm?” Chen Ping was slightly stunned. If the peak of the distraction realm is divided by warriors, it would be the strength of the peak Martial God. Chen Ping is now at the strength of the third realm of distraction, but it is not a problem to deal with warriors at the peak of the Martial God. Down!

From this point of view, Chen Ping can now compete with the person at the top of the list, so this competition is not as difficult as he imagined!

Moreover, the cultivation level of the people in this secret realm is not very high!

Chapter: 3685

In fact, Chen Ping didn't know that he could basically fight across a large realm against warriors from the secular world, but if they were both immortal cultivators, Chen Ping's strength would not be able to cross such a large span!

With Chen Ping's strength in the third realm of distraction, it would not be a big problem to fight against a cultivator in the fifth realm of distraction. However, if he also encounters a talented cultivator who is the pride of heaven, if Chen Ping uses the three realms against the fifth realm, he is afraid that he will be defeated. It's all a bit strenuous!

Chen Ping has always fought with those warriors in the secular world, and always fought at a higher level. This made Chen Ping mistakenly believe that he can do the same when facing immortal cultivators!

“Mr. Chen doesn't need to worry too much. Even though Yao Shenghui is powerful, Mr. Chen may not encounter him. After all, so many people are determined by drawing lots.”

Hou Zhen thought that Chen Ping would be scared when he heard that he was at the peak of the distraction realm, so he comforted him!

Little did he know that Chen Ping was not afraid, but secretly happy!

The three of them were chatting while walking, and Chen Ping looked at the vast Gobi desert and couldn't help but sigh: “Your secret realm of Fire Sect is so desolate, and I'm afraid there are very few

resources. How on earth do you practice? Is it possible that you can't cultivate slowly just by relying on the spiritual energy of heaven and earth? ?”

“Mr. Chen doesn't know something. The major secret realms don't have many resources. Otherwise, they wouldn't be cultivating endorsement families in the secular world. In addition to waiting for the spiritual energy to revive, these endorsement families also collect resources and send them to the secret realms! ”

“However, with the revival and destruction of spiritual energy, the secret realm of monsters and beasts that was originally closed will probably be opened!”

Hou Zhen sighed.

“The secret realm of monsters?” Chen Ping was very surprised. Why do monsters still have secret realms?

“I know this!” When Ge Yuhan heard this, he immediately said: “The secret realm of monsters used to be a resource for the eight secret realms. People from the eight secret realms can go to the secret realm of monsters to hunt monsters. However, as the spiritual energy recovery approaches, In order to preserve their strength, the major secret realms rarely go to the secret realm of monsters.”

“The entrance to the Secret Realm of Demonic Beasts is closed. I heard that it was reopened some time ago. I don't know what is going on in the Secret Realm of Demonic Beasts. After so many years, those monsters have probably grown a lot!”

“Two days ago I said I would go and have a look, but my dad wouldn't let me...”

Chen Ping listened quietly, with a bit of shock in his eyes. He didn't expect that there was a secret realm dedicated to hunting monsters in the eight secret realms!

This is a bit like a hunting ground specially built by the royal family. The more Chen Ping thought about it, the more he felt that the people who created these eight secret realms were not simple, and these eight secret realms did not look like refuges!

“Monkey, where is this secret realm of monsters? Can I go and have a look?”

Chen Ping became very interested in the secret realm of monsters. A secret realm full of monsters. What a spectacle this must be!

“this.....”

Hou Zhen frowned and looked troubled!

Ge Yuhan was a little excited and said: “Okay, let’s go take a look...” Remember the website address

“Mr. Chen, my master said that no one has set foot in the secret realm of monsters for so many years. It will definitely be very dangerous to go there rashly now.”

Hou Zhen persuaded Chen Ping.

“We’re just taking a look around. If there’s any danger, we’ll just come back right away...”

Chapter: 3686

Chen Ping did not intend to stay in the secret realm of monsters for a long time. After all, his current strength did not allow it.

“Look at you, you coward. Let’s teleport there, take a look and then come back. What danger could there be!”

Ge Yuhan rolled her eyes at Hou Zhen!

Seeing this, Hou Zhen gritted his teeth and said, “Okay, let’s go take a look and be back soon...”

After saying that, Hou Zhen took Chen Ping and Ge Yuhan and headed towards a sand dune!

Soon, Chen Ping and the three of them stood on the sand dunes. Then Hou Zhen chanted the magic formula, and with a flash of white light, Chen Ping felt his eyes go dark. When he opened his eyes, he found that he was already in another place. place!

“This...is this teleportation array?”

Chen Ping asked in surprise.

“Yes, there are many teleportation arrays in each secret realm, but they are all disguised. The sand dune we were on just now is actually a teleportation array. As long as you use the magic formula, you can go to the secret realm you want to go to...”

Hou Zhen said.

“Can we also teleport to the Thunder Gate Secret Realm just now?”

Chen Ping thought of his mother, who should still be in Zixiao Mansion at this time.

“Of course you can. As long as you change the formula slightly, you can teleport to the Thunder Gate Secret Realm. I wonder what Mr. Chen is doing in the Thunder Gate Secret Realm? It is very dangerous to rush into other secret realms.”

Hou Zhen asked.

“Oh, it’s nothing, I was just asking!”

Chen Ping smiled lightly, then looked around and found that in front of them were towering mountains, continuous!

There are dense jungles everywhere, and from time to time there are roars of monsters coming from a distance!

“Mr. Chen, this is the Monster Mountain Range. I heard that there is a Beast King sitting deep in this mountain range, commanding all the monster beasts. I don’t know if it is true.”

Hou Zhen said.

“Can we go up the mountain and have a look?”

Chen Ping looked at the Monster Mountain Range and felt the auras emanating from the mountains, feeling a little excited in his heart!

You must know that these monsters are all excellent cultivation resources.

“Mr. Chen, we can only walk at the foot of the mountain, and we must not go too deep, because over the years, we don’t know how far those monsters have developed. If there is danger, we may not even have a chance to call for help here! ”

Hou Zhen reminded!

Chapter: 3687

“Okay, I get it!” Chen Ping said and started walking at the foot of the mountain!

Suddenly, a black shadow rushed out from a bush and headed straight for Chen Ping’s face!

Just when Chen Ping was about to take action, Hou Zhen, with quick eyes and quick hands, shot out a flying knife in his hand, and then nailed the black shadow to a tree!

Only then did Chen Ping see clearly that the black shadow just now was actually a big rat that was as big as a wolf dog!

“Mr. Chen, this kind of mole is the most annoying. There are many of these moles in the entire Monster Mountain Range. Although they are not strong, they just like to attack people sneakily!”

“And this kind of mole elixir is too low-level, so few people want it. If you encounter a group of moles, it will be really disgusting!”

Hou Zhen introduced Chen Ping, and it was obvious that Hou Zhen’s disgust and hatred for the mole were clearly visible on his face!

Chen Ping smiled slightly. It seems that this rat is hated by people everywhere!

Chen Ping and the others walked for a while, and suddenly heard the sound of fighting not far away. The three of them hurriedly followed the sound!

I found several people besieging a fire wolf. I saw the wolf’s body was emitting red flames, and fireballs were continuously sprayed from its mouth!

Several people were embarrassed by the fire wolf, but in the end they killed the fire wolf and took out the fiery red beast pill!

When Chen Ping saw the person who took out the beast pill, he couldn’t help but was slightly stunned, because this was Jin Yuan who had left the Ge family not long ago.

“Who is this sneaky person? Come out...”

After Jin Yuan put away the Fire Wolf Beast Pill, he suddenly looked stunned and said loudly!

Obviously, Jin Yuan has discovered Chen Ping and the others!

Upon seeing this, Chen Ping and the other three had no choice but to walk out from their hiding place!

When he saw that it was Chen Ping and the others, Jin Yuan’s expression softened a lot!

After all, in this secret realm of monsters, the most terrifying thing is not the monsters, but the people, because robberies often occur!

I finally killed the monster and got the beast elixir, but it was finally snatched away by people from other secret realms!

“Master Jin is really lucky. He was able to encounter a monster like a fire wolf on the edge of this mountain range!”

Hou Zhen said to Jin Yuan with a smile.

“Monkey, I’m afraid you brought the two of them to this secret realm of monsters, right? Just the three of you dare to come here?”

“Aren’t you afraid of becoming a monster’s meal?”

Jin Yuan asked slightly disdainfully.

Chapter: 3688

“Mr. Chen wanted to see the secret realm of monsters, so we just took a look and went back right away!”

Hou Zhen explained!

“Now that you’re here, why are you in such a hurry to go back? It just so happens that the three of you are following me, so it will be safer.”

“When I’m hunting some monsters, I’ll share some with you when the time comes. It’s better than all your trip in vain!”

Jin Yuan is going to take Chen Ping and the three of them to hunt monsters!

However, Chen Ping understood Jin Yuan's thoughts. He wanted to create an opportunity to get along with Ge Yuhan, and he also wanted Ge Yuhan to see his prowess in hunting monsters!

Otherwise, how could Jin Yuan be so kind as to take them and give them the beast pills!

"this....."

Hou Zhen looked at Chen Ping. He couldn't refuse Jin Yuan's kindness directly. After all, the other party was the eldest young master of Zhanyue Pavilion!

"Since Mr. Jin has said so, let's follow Mr. Jin and take advantage of it!"

Chen Ping said.

In fact, Chen Ping himself wanted to spend more time in this secret realm of monsters to see the strength of the monsters in this monster mountain range!

Ge Yuhan didn't want to agree at first, but seeing what Chen Ping said, she could only nod in agreement!

Jin Yuanyuan agreed, with a smile on his face, and said with a wave of his hand: "Let's go inside, the monsters outside are just rubbish, and they don't have enough muscles to move!"

Jin Yuan led everyone towards the depths of the mountains, and Hou Zhen became a little nervous!

As it continued to go deeper, more and more powerful auras continued to come from all around, which made Chen Ping frown involuntarily!

But just when everyone had walked not far, Jin Yuan suddenly raised his hand and made everyone stop!

Then he winked at his subordinates, and soon one of his subordinates nodded, quickly jumped up, and shuttled through the tree canopy!

After a while, the subordinate came back!

“Sir, there are more than a dozen people in front of you. They should be from other secret realms. I didn’t see them clearly because I didn’t dare to get too close!”

Servants report!

“Then let’s take a detour and ignore them!”

Jin Yuan planned to take a detour. He didn’t want to cause a conflict with other people in the secret realm at this time!

I have just arrived here and have not obtained any beast elixirs yet. If there is a conflict and damage, it will not be worth it!

Chapter: 3689

“I’m afraid it’s too late...”

At this time, Chen Ping slowly said!

Jin Yuan was stunned, and then more than a dozen auras came over, directly surrounding Jin Yuan and the others!

Chen Ping looked a little surprised when he saw the visitor, because Chen Ping knew the visitor, Lu Chang, who he had met on Penglai Island!

Lu Chang also saw Chen Ping, with a bit of surprise on his expression. He didn’t expect Chen Ping to appear in this place!

You must know that this is a resource area belonging to the Eight Secret Realms, and only people from the Eight Secret Realms can enter!

Chen Ping was just a person from the secular world, but he actually came to the secret realm of monsters, which surprised Lu Chang!

“It turns out to be Mr. Lu from Waning Moon Castle. I didn’t expect that just after the secret realm of monsters was opened, you would bring people to hunt monsters!”

After Jin Yuan saw Lu Chang, he bowed his hands respectfully and said hello!

“Isn’t it the same with Mr. Jin? He can’t wait to come!”

Lu Chang smiled coldly.

“I just arrived and haven’t encountered any monsters yet. I wonder what Mr. Lu has gained?”

Jin Yuan asked.

Lu Chang shook his head: “I just arrived, and I haven’t gotten a single beast pill yet.”

“In that case, why don’t we work together? After so many years, we still don’t know how the monsters in this secret realm have grown. If we join forces, we can still deal with high-level monsters!”

Jin Yuan took the initiative to follow Lu Chang and asked to go with him!

After all, no one knows what dangers this monster secret realm will pose after it has been sealed away for so many years. Jin Yuan himself also knows the dangers of this monster mountain range!

Lu Chang hesitated for a moment, but after looking at Chen Ping, he nodded and said: "Okay, but the ugly words are ahead. We have to split the beast pill 50-50!"

"No problem, if we join forces, maybe we can hunt down a few high-level monsters!"

Jin Yuan smiled and agreed happily!

This time, the team grew a lot, and Lu Chang approached Chen Ping seemingly casually!

Chen Ping took a look at Lu Chang and found that Lu Chang was much stronger than when he was on Penglai Island, and his whole spirit was different!

It can be seen that in the secular world, the suppression of the laws of heaven and earth is still very serious!

"Master Lu..."

Chapter: 3690

Hou Zhen saw Lu Chang coming over and hurriedly said hello!

Lu Chang just nodded slightly, then looked at Chen Ping and said, "I didn't expect you to show up here. What a surprise!"

"I'm equally surprised to see you here..."

Chen Ping smiled lightly!

This time, Hou Zhen on the side was shocked and said: "Mr. Chen, are you acquainted with Mr. Lu?"

"Well, we just met once before!" Chen Ping nodded!

“I’m very curious, how can you, a casual cultivator in the secular world, be qualified to enter this secret realm of monsters?”

Lu Chang asked very puzzledly.

“Master Lu, Mr. Chen is now a member of our Ge family. Of course he is qualified to enter the secret realm of monsters.”

At this time, Ge Yuhan spoke!

Lu Chang glanced at Ge Yuhan and just smiled lightly without saying anything!

The group of people continued to go deeper into the Monster Mountain Range. They would encounter some low-level monsters on the way, but they were all instantly killed!

For low-level monster beast elixirs, these young men will look down upon them!

“Wait a moment.....”

Just as everyone was cautiously walking towards the depths of the Monster Mountain Range, Chen Ping suddenly shouted with a solemn expression, causing everyone to stop!

“What are you doing, kid? Why did you stop?”

Jin Yuan turned around and glared at Chen Ping and asked.

Chen Ping ignored him, but closed his eyes slightly, and his consciousness began to spread rapidly around!

Although Chen Ping's strength may not be as high as Jin's, his spiritual consciousness is much stronger than theirs!

Jin Yuanyuan was furious when Chen Ping ignored him, and he stepped forward to teach Chen Ping a lesson, but was stopped by Lu Chang!

Lu Chang looked at Chen Ping, and his face didn't look good either!

Lu Chang had seen Chen Ping's strength in Penglai Island with his own eyes. He knew that although Chen Ping was just a casual cultivator in the secular world, his strength was not low!

"We can't move forward, there is danger ahead..."

Chen Ping slowly opened his eyes and reminded!
