

The Order 3691

Chapter: 3691

“What danger is there? Why didn’t I feel it? Do you, a guy with three levels of distraction, have more power of consciousness than me?”

“I didn’t feel it at all, but you said there was danger ahead.”

Jin Yuan didn’t believe what Chen Ping said. If there was a high-level monster in front of him and it was dangerous, he would have sensed it long ago!

“I just said it casually, it’s up to you to believe it or not!”

When Chen Ping saw that Jin Yuan didn’t believe it, he just smiled lightly!

“It would be weird if I believed you!” Jin Yuan snorted coldly and was about to lead people to go deeper, but Chen Ping, Hou Zhen and Ge Yuhan stopped, not planning to go deeper!

Lu Chang didn’t move when he saw this, which surprised Jin Yuan!

“Master Lu, you don’t believe this guy’s words, do you? Can you feel the danger? Can you feel the existence of high-level monsters?”

“I think he is just talking nonsense, there is no danger at all!”

Jin Yuan asked Lu Chang.

“I think it’s better to be careful and send two people to investigate first...”

Lu Chang said very cautiously.

“Okay then!” Jin Yuan nodded, and then ordered two men to go ahead and explore the way!

Although these two men were very scared inside, they did not dare to disobey the order and could only carefully explore the way forward!

After about ten minutes, nothing was seen. Jin Yuan said with a sneer: “Did you see it? There is no danger at all. I really don’t know what I’m afraid of!”

Seeing that there was indeed no movement, Lu Chang relaxed and prepared to continue moving forward with others!

But at this moment, two screams suddenly came over, very menacing!

Jin Yuan and Lu Chang, who were planning to leave, stopped instantly!

“Roar.....”

Immediately afterwards, a roar echoed through the sky, and the earth began to tremble!

At this moment, everyone’s faces became very ugly!

A terrifying aura was approaching quickly, and it was extremely fast, almost in the blink of an eye, it was in front of everyone!

Before everyone could see what kind of monster it was, they felt waves of heat hitting their noses, followed by strong winds!

So everyone was angry and stabilized their bodies, but the tall trees around them were blown up by the roots in the strong wind, and then disappeared without a trace!

Chapter: 3692

Soon, the trees around Chen Ping and the others were blown away, a large open space appeared, and the appearance of the monster was also exposed in front of everyone!

“Roar.....”

Monster Yangtian roared again.

Chen Ping saw that this monster turned out to be a huge tiger. The tiger’s whole body was burning with flames. He followed it and saw that it was somewhat similar to the fire wolf he encountered!

However, this tiger is much larger than the fire wolf, and its aura is even more terrifying!

“Fire Tiger, Fiery Tiger.....”

Seeing this monster, Hou Zhen’s whole body was trembling, and his speech became stumbling!

Chen Ping looked at Hou Zhen and felt a little strange. Although the flaming tiger’s aura was terrifying and its strength was certainly not worth it, but there were so many of them, shouldn’t Hou Zhen be afraid like this?

“Monkey, why are you so scared? Is this Flame Tiger very powerful?”

Chen Ping asked puzzledly.

“Mr. Chen doesn’t know something. This flaming tiger is the king of beasts. This monster mountain range should be the territory of this flaming tiger.”

“A flaming tiger is not that scary. We can deal with it with so many people, but he can summon hundreds of monsters. If there is a beast tide, we may not even have any bones left. !”

Hou Zhen followed Chen Ping and explained.

When Chen Ping heard this, he realized that what Hou Zhen was afraid of was not the flaming tiger, but the other monsters called by the flaming tiger!

At this moment, when Jin Yuan and Lu Chang saw the Fiery Tiger, the expressions on their faces were also extremely panicked!

The two people looked at each other, and then shouted loudly: "Let's take action together and kill this flame tiger as quickly as possible. We must not let him summon other monsters!"

After saying that, Jin Yuan and Lu Chang took action against the Flame Tiger at the same time!

And the people they brought with them also rushed forward one after another. If they couldn't kill the flaming tiger immediately, they would have no chance when the flaming tiger summoned other monsters!

Faced with everyone's attacks, the Fiery Tiger roared loudly, opened its bloody mouth suddenly, and spurted out a stream of flames with a terrifying aura. The flames instantly swallowed up the two Waning Moon Castle disciples, directly burning them into ashes. !

Lu Chang didn't have time to check on his men, and the long sword in his hand stabbed the Flame Tiger's neck hard!

Jin Yuan also took action at the same time, sending several shining flying knives straight towards the Flame Tiger!

The Flame Tiger seemed to sense the danger. It whipped its long and thick tail hard and hit Na Lu Chang hard, sending Lu Chang flying away!

And all of Jin Yuan's flying knives hit the flaming tiger. After making crisp sounds and bursting into flames, all those flying knives were bounced away!

Although the Flame Tiger was not hurt, it still caused the Flame Tiger to suffer pain and roar, and then a tail was like a steel whip, constantly beating those who were close to him!

Chapter: 3693

The huge tiger claws are simply invincible and can smash a person's head with just one slap!

In just the blink of an eye, several people from Zhanyue Pavilion died under the flaming tiger!

"Chen Ping, do you just want to watch a show?"

Jin Yuanyuan, Chen Ping and the others didn't even take action, and immediately shouted angrily!

When Lu Chang saw Chen Ping and the others taking action, he was a little angry and said, "If we all die, you won't be able to escape under this flaming tiger."

Having said this, Chen Ping stretched out his hand, and the Dragon-Slaying Sword appeared in Chen Ping's hand!

Immediately after the dragon crystal flashed, countless divine dragon powers began to gather, and Chen Ping's dragon-slaying sword exuded a dazzling light.

A transformed golden dragon began to slowly appear behind Chen Ping!

The Blazing Tiger, which was originally manic and extremely ferocious, suddenly froze when it saw the golden dragon behind Chen Ping, and then there was a bit of panic in its eyes!

"Roar....."

After a roar, the Fiery Tiger turned and ran away!

“We must not let it run away...” Jin Yuan said and was about to chase him, but was stopped by Lu Changlan.

“Stop chasing this monster. We can’t catch it. We’d better leave here as soon as possible, otherwise no one will be able to leave!”

Lu Chang followed Jin Yuan and said.

Seeing this, Jin Yuan knew that if he led people to chase him, he would not be able to defeat the Flame Tiger even if he caught up with it, so he could only listen to Lu Chang and leave here as soon as possible!

“Mr. Chen, let’s leave quickly, otherwise I’m afraid the Flame Tiger will summon a wave of beasts soon!”

Hou Zhen urged Chen Ping!

Chen Ping nodded, and then everyone began to retreat, planning to leave the Monster Mountain Range!

But just when everyone had walked not far, they felt the ground tremble, as if some terrible force was approaching!

Chen Ping’s face instantly became extremely ugly, and there was a bit of panic on his face!

“The beast tide, the flaming tiger summoned the beast tide...”

Lu Chang felt the shaking of the earth, and his expression changed drastically!

“Run quickly, quickly...”

Jin Yuan was also scared at this time and ran away shouting!

Chapter: 3694

“It’s too late. We have to form a defensive wall as soon as possible, otherwise we won’t be able to survive the impact of this wave of beasts!”

Chen Ping felt the ferocious beast tide, stopped Na Jin Yuan and said!

“With us people, how can we form a strong defense? We should run away quickly. If we can escape, one by one...”

How could Jin Yuan listen to Chen Ping?

However, Nalu Chang soared into the air, and when he saw a hazy area not far away, with swarms of fallen trees sweeping in like huge waves, his expression changed drastically!

“It’s too late, the beast tide is coming soon...”

Lu Chang said with a pale face!

At this moment, everyone can also feel that the tremors of the earth are getting more and more serious, and the terrifying aura is constantly emanating!

“Now that I can’t escape, what should I do?”

Jin Yuan panicked. He began to regret coming here and going so deep into the Monster Mountain Range!

Lu Chang set his sights on Chen Ping. Although Chen Ping was not the strongest, at this critical moment of life and death, they could only see what solution Chen Ping had!

“Everyone is gathered together and must not disperse!”

After Chen Ping finished speaking, he began to draw some special symbols on the ground with tree branches!

“Array? I didn’t expect this guy to be an array master?”

Jin Yuan looked a little surprised when he saw the symbols drawn by Chen Ping!

Soon, the special symbols drawn by Chen Ping began to shine.

Chen Ping did not stop, but continued to carve the formation. One after another formation patterns were carved on the surrounding trees, and soon they were all connected!

A whole ray of light enveloped Chen Ping and the others, which also gave many people some psychological comfort, and they were no longer so nervous!

But Chen Ping looked at the magic circle he had set up, but he was not too happy, because he knew that this magic circle would not last long!

The only thing the magic circle can do is to block the first wave of the beast tide, because the first wave of these beast tides is the most powerful!

“Mr. Chen, I didn’t expect that you are also a profound master of formations. What is the name of the formation you set up? Will it be able to block those monsters?”

Hou Zhen asked Chen Ping excitedly.

“My formation can only block the first wave of attacks from the beast tide. The rest depends on your own abilities.”

Chen Ping said truthfully!

Chapter: 3695

Hearing what Chen Ping said, everyone's originally relaxed mood became tense again!

"As long as you can block the first wave of attacks, after all, the first wave of attacks from the beast wave is the most terrifying."

"I believe this beast tide will not last long, and the strength of these monster beasts will not be very strong. After all, they were only summoned by the flaming tiger, and they should all be low-level monsters!"

"As long as we unite as one and don't scatter, we should be able to withstand the attack of this beast wave."

Lu Chang spoke at this time.

At this time of life and death, we must unite as one...

Jin Yuan also took out his weapon at this time and said with a stern look: "It seems that we have to fight hard. Whether we can survive depends on fate..."

Now that things have come to this, they have no choice but to fight tooth and nail!

Everyone was standing ready, their eyes fixed on the front, while the ground was shaking more and more violently, and everyone could feel the breath of death coming towards their faces!

"Roar....."

Along with the roar of the monster beasts, all the monster beasts roared, and the roar shook the sky.

Fortunately, these people are very strong. If their strength were lower, this roar would probably kill them all!

Chen Ping slowly raised his hands, and rays of light rose into the sky around everyone, and then waves of aura fell from the sky and swept away in all directions!

Everyone felt the powerful aura of the formation, and it was surrounded by a copper wall and an iron wall, and they were shocked in their hearts!

“The power of this magic circle, I’m afraid it will take a long time for me to break it...”

Lu Chang looked at the magic circle where the spiritual light was flowing, and said with emotion!

Lu Chang sighed that Chen Ping’s strength has improved a lot. When he was on Penglai Island, Chen Ping’s strength was still very weak, but now he is so strong!

“Although this magic circle is powerful, it can only block one attack from the beast tide. It doesn’t seem to be very powerful!”

Jin Yuan snorted coldly!

Jin Yuan’s words made many people roll their eyes. He was obviously relying on other people’s magic circle to save his life, but he was saying sarcastic words!

“Jin Yuan, this magic circle is not powerful. Don’t stay in here. You should go out. Let me see how you, Mr. Jin, can slaughter all the beasts!”

Ge Yuhan said to Jin Yuan very unhappy.

Ge Yuhan’s words made Jin Yuan’s face turn red and white, feeling extremely embarrassed!

At this time, Chen Ping stood up and said with a serious face: “Everyone, now that the beast tide has arrived, we must unite as one to have any hope of survival, so I don’t want anyone to shrink back in order to preserve their strength during the battle. Not forward.”

Chapter: 3696

Chen Ping's words were meant for Jin Yuan. If Jin Yuan doesn't try his best to preserve his strength, then they will be in danger!

"Don't worry, at this time of life and death, who dares not to try his best? Isn't that asking for death?"

Lu Chang said to Chen Ping!

"Okay, then let's be ready..."

After Chen Ping finished speaking, the dragon-slaying sword in his hand buzzed, exuding endless fighting spirit!

Everyone was infected by Chen Ping, and they all gritted their teeth, looked fierce, and prepared to fight to the death!

Just as everyone was waiting, the trees in front of them began to fall down in large pieces, and countless monsters had already rushed over!

These monsters are huge in size, and each one opens its fangs and claws, revealing its long fangs!

When these monsters were exposed in front of everyone, some people still became nervous unconsciously, and their bodies were trembling slightly!

Because there were too many monsters, tens of thousands, and they were so dark that if there were no magic circle to block them, this wave of impact would have crushed all of them to death!

boom.....

The monster beast that rushed in front finally hit the formation, then stopped abruptly and was directly bounced away!

The monster beasts from behind followed closely behind and kept hitting the formation!

Boom boom boom.....

Loud noises continued, and everyone watched nervously as those monsters couldn't stop, and they all crashed into the formation!

Many monsters were knocked down and then trampled to death by other monsters!

The monster in front wanted to stop, but the monster behind was still rushing forward, so it kept hitting the formation!

Soon there were dozens of dead monsters around the formation, but a steady stream of monsters were still charging forward!

Everyone was holding their breath and holding weapons in their hands, staring closely at the monster that was so close!

The brilliance of the formation is getting dimmer, and everyone knows that it will only be a matter of a moment before the formation collapses!

boom.....

There was another loud noise, and the brilliance of the formation suddenly turned into dots of starlight, scattering all over the ground. The formation set up by Chen Ping was completely broken!

“kill.....”

When Chen Ping saw this, he held the dragon-slaying sword and rushed out with a roar!

Chapter: 3697

Upon seeing this, Ge Yuhan followed closely behind Chen Ping because she wanted to protect Chen Ping's safety!

"kill....."

Jin Yuan and Lu Chang also cheered!

They rushed forward with their respective men. At this time, no one dared to hide their secrets. As long as they didn't try their best, they would become the monster's meal!

Chen Ping's figure was like a bolt of lightning, constantly shuttling among the monsters, and his Dragon-Slaying Sword kept harvesting the lives of the monsters!

Jin Yuan and Lu Chang also led people to fight with the monsters. Because everyone formed a circle and relied on each other to attack, there was no loophole. The numerous monsters were unable to break through the defensive circle for a while. !

"Roar....."

With a loud roar, the continuously attacking monsters seemed to have heard the order and retreated collectively!

And Chen Ping and the others were all covered in blood, and many of them were injured!

Although the injuries were not serious, the huge consumption of spiritual energy made them all panting. Taking advantage of this unexpected time, they took big breaths and wanted to take a rest!

The lost spiritual power cannot be recovered in a short time. If these monsters launch an attack, they probably won't be able to hold on for long!

"If this continues, even if we don't get eaten by monsters, we will probably die of exhaustion..."

Lu Chang frowned and said!

Everyone was silent because they knew that if this continued, they would really die of exhaustion!

“Everyone collect the beast elixirs and take advantage of this period to take some as soon as possible. Maybe you can also replenish some spiritual power!”

Chen Ping asked everyone to hurry up and get the beast elixir!

After all, they were surrounded by dead monsters, and now the only resource that could quickly restore their spiritual power was the Beast Pill!

“In such a short period of time, even if you eat the beast pill, you won’t have time to refine it...”

Jin Yuan sighed.

“You can refine as much as you can, now we have no choice...”

After Chen Ping finished speaking, he waved the dragon-slaying sword in his hand, and the contents of several monster beasts were thrown into the air. Chen Ping took a sudden breath and sucked them all into his belly!

The Heart Condensation Technique is running rapidly and begins to refine the swallowed beast elixir!

At this time, Chen Ping was observing the retreating monsters. These monsters retreated a hundred meters away, seeming to be waiting for the next attack!

On a raised boulder, the Flame Tiger held its head high and stared at Chen Ping and the others!

Chapter: 3698

“It seems that the only way to capture the thief is to capture the king first...”

Chen Ping looked at the flaming tiger and knew that as long as he killed the flaming tiger, all these monster beasts could be dispersed!

But it's not easy to kill the flaming tiger. The ground is full of hordes of monsters. The only way is to attack the flaming tiger from the air!

“Roar.....”

The Blazing Tiger seemed to see Chen Ping's thoughts, and roared to the sky, and hundreds of monsters started to move again!

“You block these monster beasts, and I will kill the flaming tiger. Only by killing the flaming tiger can the beast tide disperse!”

Chen Ping said to Jin Yuan and Lu Chang!

After all, it is almost impossible to kill all these monster beasts, and the spiritual power in their bodies cannot support them to kill them all!

Therefore, we can only take the wrong approach and capture the thief first before capturing the king!

“Chen Ping, with your strength, you can possibly kill the Flame Tiger. I think I'd better give it a try!”

Jin Yuan wants to kill the flaming tiger!

Jin Yuan did this not because he was afraid of Chen Ping's danger, but because he had selfish motives. If he killed the Flame Tiger, he could get the Beast Pill of the Flame Tiger!

If you want to know the beast elixir of the Blazing Tiger, it is a priceless treasure.

Jin Yuan didn't wait for Chen Ping to answer, jumped into the air, and then headed straight for the flaming tiger!

Everyone was following the monsters to fight, and no one cared about Jin Yuan!

But just when Jin Yuan jumped up and reached the mid-air, he suddenly roared and saw more than a dozen eagles rushing out of the mid-air. These eagles were also huge and rushed towards Jin Yuan!

Jin Yuan was caught off guard and was surrounded by more than a dozen eagles. Then he was scratched by the sharp claws and there were scars everywhere!

It seems that the flaming tiger has been prepared for a long time. He knew that someone would attack him from the air, so he set up an ambush!

If it weren't for Jin Yuan and Chen Ping rushing to get in, Chen Ping would probably be the one who was ambushed!

"I didn't expect this beast to be so thoughtful and know how to observe the situation and set up an ambush..."

Chen Ping couldn't help but become very curious about this flaming tiger!

You must know that after cultivating to a certain level, monsters can also develop spiritual intelligence and think about problems like humans!

Some monsters can even transform into human forms if they continue to practice, and eventually become immortals!

There are countless ways to become an immortal. As long as you persist to the end, you will achieve success!

Chapter: 3699

After Jin Yuan was injured in a sneak attack, he recovered after a brief adjustment. He instantly took out a flying knife and threw it directly at the eagles!

Several flying knives flashed through the air like lightning, exuding a terrifying edge. Several eagles were instantly penetrated by the flying knives and fell down one after another!

It can be seen that Jin Yuan's strength is not weak. He was just too eager to kill the Flame Tiger, so he was ambushed and injured!

“Roar.....”

The Blazing Tiger roared, and soon a variety of flying monsters densely packed in the air rushed towards this side!

The sky was filled with darkness, like a black cloud coming from above!

Jin Yuan was stunned when he saw this scene. Even if these monsters didn't move, if he were allowed to kill them casually, they would probably be exhausted to death!

Seeing this, Chen Ping jumped up, and then his fingertips flashed with light, and streaks of golden light shot out from his fingertips, like bullets, instantly heading towards the group of monsters!

A large number of flying monsters fell from the mid-air, screaming, but because there were too many, even though Chen Ping continued to shoot out rays of light, he still could not stop the monsters' attack!

“What the hell are you doing standing still?”

Chen Ping saw that Jin Yuan was still stunned, so he shouted angrily!

Jin Yuan reacted at this time, and then spread out his arms, countless flying knives formed a pair of wings, allowing Jin Yuan to float in mid-air!

Jin Yuan shook his arms, and countless flying knives flew out instantly. The flying monsters suffered heavy casualties and fell one after another!

But Chen Ping knew that if they continued like this, they wouldn't be able to hold on for long. They had to find a way to kill the flaming tiger!

Chen Ping raised the Dragon-Slaying Sword. The power of the dragon continued to surround the Dragon-Slaying Sword, and a golden dragon slowly emerged!

When the golden dragon emerged, the Fiery Tiger's eyes were obviously a little frightened!

Chen Ping slashed his dragon-slaying sword smoothly, and a sword light shot out instantly. The golden dragon also let out a roar and rushed towards the flying monsters!

The addition of the golden dragon caused chaos among the flying monsters, and Chen Ping took the opportunity to head straight for the flaming tiger!

Upon seeing this, the Blazing Tiger jumped up and actually dodged Chen Ping's attack. It just dodged and didn't want to follow Chen Ping's attack!

And while Chen Ping and others were fighting bloody battles with the monsters, Ge Cangsheng in the Fire Sect Secret Realm was furious at this moment!

"It's nonsense, it's just nonsense. How can you take Mr. Chen to the secret realm of monsters?"

"We actually encountered a horde of beasts inside. If Mr. Chen has any shortcomings, I will never spare you!"

Ge Cangsheng summoned all the tribesmen, scolded loudly, and prepared to rescue Chen Ping and others!

“Lao Ge, don’t be too anxious. There are other people in the secret realm of monsters who can withstand the beast tide for a while.”

Chapter: 3700

“Let’s go to the rescue quickly. There should be no problem.”

Jiang Wuya persuaded Ge Cangsheng.

“It’s all your fault. It must have been your apprentice who brought Mr. Chen in.”

Ge Cang glared at Jiang Wuya angrily!

“It’s now time. There’s no point in blaming anyone. Let’s leave quickly!”

Jiang Wuya did not argue with Ge Cangsheng!

But just when Ge Cangsheng and Jiang Wuya were leading people to go to the Secret Realm of Monster Beasts to rescue Chen Ping and the others, Jin Lifu and his people arrived anxiously!

Jin Yuan also went to the secret realm of monsters and encountered a tide of monsters, which made him very worried!

Seeing Ge Cangsheng and Jiang Wuya leading people to leave, Jin Lifu immediately asked, “What are you doing?”

“Go and rescue people. There is a wave of monsters in the secret realm of monsters. Some of us are trapped inside!”

Jiang Wuya said.

“Just in time, we are together, and my son is also inside...”

When Jin Lifu heard this, he hurriedly said.

At this time, no matter what conflicts the two parties have, they must put them aside first. It is important to save people!

Soon, hundreds of people were dispatched from the Fire Gate Secret Realm and hurried towards the Monster Secret Realm!

At the same time, Lu Buwei from the Thunder Gate Secret Realm also led the people from Waning Moon Castle towards the Monster Secret Realm, because Lu Chang was also trapped inside at this time!

At this time, in the secret realm of monsters, the battle has entered a fierce stage!

The speed of the flaming tiger has exceeded Chen Ping’s imagination. Chen Ping can’t hurt the flaming tiger at all!

Jin Yuan, on the other hand, was troubled by many flying monsters. The golden dragon transformed from the power of the dragon used its own advantages to bite those flying monsters!

On the ground, many people have died in the mouth of the monster. The impact of this density makes many people unable to hold on!

A disciple of Waning Moon Castle, facing the monster beast that was charging towards him, slashed down with a single blow, directly cutting off the monster’s head!

But before he could retract his sword, another monster rushed up, and its terrifying aura came straight to the door!

Then there was a roar, and the head of the Waning Moon Castle disciple was bitten off by the monster!

This kind of scene keeps happening because there are so many monsters!
