

The Order 3701

Chapter: 3701

Ge Yuhan followed Hou Zhen and resisted desperately. They wanted to rescue Chen Ping, but they couldn't free up their hands at all!

Slowly, more and more people died. The defense that could have formed a circle and relied on each other now had many gaps, and everyone became in danger!

Chen Ping looked from mid-air to the ground, looking at those people who died tragically, with a cold light in his eyes!

"Beast, suffer death..."

Chen Ping held the dragon-slaying sword and roared angrily. The trembling golden dragon immediately returned to Chen Ping's side after letting out a dragon roar!

Chen Ping must kill the Flame Tiger as soon as possible to have a chance to save everyone!

Facing the golden dragon wandering behind Chen Ping, the Fiery Tiger's eyes were full of fear, and he turned around and ran to the depths of the Monster Mountain Range!

Chen Ping jumped up hard and chased after him. At this time, Chen Ping only saw the flaming tiger.

Unknowingly, Chen Ping chased the Flame Tiger into the hinterland of the Monster Mountain Range!

At this moment, Jin Yuan was facing these flying monsters alone, and suddenly became a little panicked.

After such a long battle, Jin Yuan has very little spiritual power left in his body, and now he can only struggle to hold on!

At this time, a flying monster beast with a mouth full of fangs came directly towards Jin Yuan, opening its bloody mouth, ready to swallow Jin Yuan in one bite!

Seeing this, Jin Yuan could only curse continuously in his heart, but there was nothing he could do, and then he closed his eyes in despair!

However, when Jin Yuan waited, he did not feel like being swallowed by a monster. When he opened his eyes, he found that his father Jin Lifu was standing in front of him, and the flying monster in front of him had already turned into a puddle of flesh. !

“Dad...” Seeing his father, Jin Yuan’s eyes were filled with surprise: “You...why are you here?”

“If I hadn’t come, you would have become the monster’s meal by now!”

Jin Lifu snorted coldly, and then rushed directly towards the flying monsters.

On the ground, Ge Cangsheng, Lu Buwei and others had already led people to the secret realm of monsters. Facing the tide of monsters, these people rushed up to kill them instantly.

The sudden addition of hundreds of people directly tilted the balance of victory to the side of humans. The monster beasts that were attacked by the beast tide were beaten back steadily, and there were fewer and fewer of them!

In the end, all the monster beasts turned around and ran away, but they didn’t pursue them!

Because no monsters have been hunted in this Monster Mountain Range for so many years, there must be many high-level monsters in the depths of this Monster Mountain Range. If they really meet the master of the entire Monster Mountain Range, I’m afraid it’s people like them No one can leave!

Besides, they are only rescuing people. As long as they drive away the monsters, that’s fine. There is no need to kill all the monsters!

Looking at the corpses of monsters lying on the ground, many people began to take the beast pills one after another. Ge Cangsheng found Ge Yuhan and Hou Zhen and said, "Have you seen Mr. Chen?"

"Dad, Mr. Chen just went after the flaming tiger, and now he can't be seen!"

Chapter: 3702

Ge Yuhan said.

"Go after the Flame Tiger?" Ge Cangsheng frowned!

You must know that the Flame Tiger's ability is simply beyond Chen Ping's strength.

"Yes, Mr. Chen wants to kill the Flame Tiger and stop this beast tide!"

At this time, Hou Zhen also nodded and said.

At this moment, Ge Cangsheng panicked. In this vast monster mountain range, if you were to find someone, it would be harder than finding a needle in a haystack!

But even in trouble, Ge Cangsheng will continue to search, because the relationship between Chen Ping and the Ge family is extraordinary!

"All Ge family members listened to the order and immediately went to find Mr. Chen and rescued Mr. Chen..."

Ge Cangsheng shouted angrily at the Ge family members!

"Yes!" The Ge family members all gave up on getting the beast elixir, and then formed their formations to find Chen Ping!

“Lao Ge, don’t be impulsive. No one has entered this Monster Mountain Range for many years. I don’t know how dangerous it is!”

“It will be very dangerous for you to lead people deep into the mountains to look for Mr. Chen like this!”

Jiang Wuya stopped Ge Cangsheng and said.

“I have to look for danger. I can never leave Mr. Chen alone in this secret realm of monsters!”

Ge Cangsheng said firmly!

“Lao Ge, the Monster Mountain Range is so huge. Where are you going to look for it? If no one can find it, you Ge family members will all die in it!”

Jiang Wuya firmly stopped Ge Cangsheng and refused to let him search at all!

In fact, Ge Cangsheng himself also knew that with such a large monster mountain range, how could he find Chen Ping with just a few people like him!

And the degree of danger deep in this mountain range is definitely beyond what he can handle!

But if he didn’t look for it, as a member of Tianlong Palace, Ge Cangsheng would not be able to forgive himself!

“Dad, how about I take some people and wait for Mr. Chen at the foot of the Monster Mountain? Maybe Mr. Chen will come out soon!”

Ge Yuhan said to Ge Cangsheng!

When Ge Cangsheng heard this, he could only do this. After letting Ge Yuhan and his people stay at the foot of the Monster Mountain Range, everyone else left the Monster Secret Realm!

At this time, Chen Ping didn't even know that he only had eyes for the Blazing Tiger, which was constantly chasing after him!

Chapter: 3703

At this time, he was aroused by the flaming tiger. He must catch this guy and kill him!

The strength of the flaming tiger was obviously superior to Chen Ping's, but when Chen Ping pursued the flaming tiger like this, the flaming tiger only focused on escaping and did not stop to fight with Chen Ping at all!

Gradually, Chen Ping had been chasing for who knows how long. When Chen Ping reacted, he found that he had already penetrated deep into the Monster Mountain Range.

Chen Ping was startled and hurriedly stopped. His consciousness instantly dispersed, and he felt that there were countless powerful auras all around. Although these auras did not bring danger, Chen Ping knew that if these monsters with powerful auras looked at If you find yourself, you will attack without hesitation!

By that time, Chen Ping might not even have the ability to struggle. Looking at the escaping Flame Tiger, Chen Ping no longer pursued him, but planned to turn around and go back!

But just when Chen Ping was about to turn around and leave, not chasing the flaming tiger, who knew that the flaming tiger stopped and roared in front of Chen Ping!

It opened its bloody mouth as if it didn't want Chen Ping to leave. As long as Chen Ping moved, it would attack!

Chen Ping was a little confused. The flaming tiger ran away when it saw him, but he stopped chasing him, but it turned around and stopped him?

In an instant, Chen Ping frowned. He seemed to understand the intention of the flaming tiger. This beast must have done this on purpose to lure him to pursue him and bring him to this place!

At this time, Chen Ping began to become nervous. He did not expect that a monster beast could have such wisdom!

However, Chen Ping would not be stopped by the flaming tiger. The dragon-slaying sword in his hand flashed with light, dragon roars rang out, and a golden dragon appeared!

After seeing the transformed golden dragon, the Blazing Tiger clearly had fear in his eyes, and his body kept retreating! Remember URL

Seeing this, Chen Ping kept stepping forward. He just had to force the Flame Tiger back. If they started fighting now, they might attract other monsters. By then, Chen Ping knew that he would never be able to escape!

“Roar.....”

Following the roar of the Blazing Tiger, responses came from all directions.

Chen Ping felt that several terrifying auras were coming towards this side quickly!

Chen Ping became anxious, and the dragon-slaying sword in his hand was instantly slashed out, and a sword light roared out, heading straight for the flaming tiger!

The Blazing Tiger jumped up and dodged directly, and Chen Ping took the opportunity to rush forward instantly. He had to leave here as soon as possible!

But just as Chen Ping's body rushed forward, several monsters suddenly appeared and directly blocked Chen Ping's way!

Each of these monster beasts has a powerful aura, and they follow the flaming tiger closely!

Several monster beasts stared at Chen Ping, and their huge aura forced Chen Ping to stop!

Looking at these terrifying monsters in front of him, Chen Ping knew that he had no ability to deal with them!

So he held the dragon-slaying sword and began to retreat slowly!

Several monster beasts were not in a hurry to attack Chen Ping, but kept approaching Chen Ping step by step!

Chapter: 3704

When Chen Ping retreats, those monsters move forward!

Chen Ping's brows knit together tightly. He found that these monsters didn't seem to want to attack him, but were deliberately approaching him in one place!

Chen Ping was very surprised. He didn't understand where these monsters were forcing him.

Soon, Chen Ping was forced to a cliff, and following the path beside the cliff, it seemed that he could lead to the highest point of the Monster Mountain Range!

Looking at the bottomless cliff, Chen Ping planned to jump off. With his current ability, it wouldn't be a big deal if he jumped!

But just when Chen Ping was thinking this, with a few cries, several huge flying monsters had already blocked the road to the cliff!

Now Chen Ping has only one way to go, and that is the path leading to the highest point of the Monster Mountain Range!

It was obvious that these monsters pushed Chen Ping towards the highest point of the mountain range.

Upon seeing this, Chen Ping knew the intentions of these monsters, so he took the initiative to head towards the highest point of the mountain range without being forced by these monsters!

Seeing this, those monster beasts followed Chen Ping quietly, but not a single monster attacked Chen Ping!

Although Chen Ping was very curious in his heart, these monsters couldn't speak, so there was no way he could ask!

Now he can only go to the highest point of the Monster Mountain to see what these monsters are going to do!

Soon, Chen Ping reached the highest point of the mountain range. Unexpectedly, Chen Ping found a house here!

The houses are made of stones and are beautifully decorated!

Obviously, such a house cannot be built by monsters.

"Does anyone live here?"

Chen Ping was ecstatic in his heart. He did not expect that there would be people living at the highest point of the Monster Mountain Range!

Suddenly, Chen Ping had an idea. He wondered if the monsters in the Monster Mountain Range were raised by people?

Otherwise, why would houses and signs of human activity suddenly appear here?

Chen Ping walked slowly towards the house, then gently opened the door, and soon a burst of fragrance hit his nostrils!

Chen Ping looked around the house and found that there was no one inside, but there were a lot of daily necessities inside!

And there is a dressing table with a mirror on it!

“Is there a woman living here?”

Chen Ping was a little surprised. Looking at the layout of the room, it was obvious that a woman was living there!

Chapter: 3705

After Chen Ping entered the room, all the monsters were wandering outside, and no monsters dared to approach the room!

After looking around the room, Chen Ping found no one, so he walked out!

But as soon as I walked out of the room, I heard a cry, and then the sky suddenly turned dark!

I saw a colorful phoenix hovering in the sky, and when those monsters saw it, they knelt down and worshiped!

Each monster beast roared from its mouth, and its eyes were full of respect!

Chen Ping looked at the phoenix and was also very surprised. He held the dragon-slaying sword tightly in his hand, ready to deal with the attack of the monster at any time!

The colorful phoenix fell from the sky after seeing Chen Ping!

But at the moment it fell, a golden light flashed, and the phoenix turned into a young girl.

The girl has snow-white skin, a charming face, and long black hair hanging down her shoulders.

The girl's private parts were covered by many phoenix feathers!

Even so, Chen Ping's blood still surged after seeing this girl. After all, Chen Ping is also a normal man!

But when he thought that this girl was the phoenix, Chen Ping's impulse was suppressed a lot!

The girl glanced at Chen Ping, then looked at the monsters behind her, and then gently stroked the top of the Flame Tiger's head with one hand.

The flaming tiger made low sounds, seeming to be communicating with the girl!

Soon, the girl looked at Chen Ping in surprise, with disbelief in her eyes!

"Who are you? Why do you want to break into the Monster Mountain Range?"

The girl spoke and asked Chen Ping!

Chen Ping didn't know how to answer, so he could only tell the truth truthfully!

When the girl heard this, her face suddenly became very gloomy and she said: "In order to improve your strength, you come to our territory to hunt. Do you know that we are also constantly improving our strength in order to survive?"

"You...who are you? How can you transform from a phoenix into a human form?"

Chen Ping asked the girl with some fear.

"I am a fire phoenix. When we reach a certain level of cultivation, of course we can transform into human form."

The girl followed Chen Ping and explained.

Chen Ping took a deep breath to calm down, and then asked Huofeng: "Did you instigate these monsters to lead me here?"

Chapter: 3706

Huofeng nodded without hesitation: "Yes, I asked the Flame Tiger to lure you here."

"What did you bring me here to do?"

Chen Ping became nervous again!

Not to mention the strength of the fire phoenix, Chen Ping can't even deal with those monster beasts. If the fire phoenix is added, Chen Ping will have no room for resistance at all!

"Of course I'll kill you!" After Huo Feng said, his body suddenly felt murderous, and then a phoenix burning with blazing flames appeared behind him!

The aura of terror enveloped Chen Ping, which made Chen Ping a little overwhelmed!

Since this fire phoenix wanted to kill him, why did he lead him to this place?

Even if these monster beasts take action, Chen Ping has no chance of surviving. How can he use the fire phoenix to take action?

However, even though he knew he was outmatched, Chen Ping would not just surrender.

Seeing that the fire phoenix in front of him was about to kill him, Chen Ping could only hold the dragon-slaying sword tightly, and the power of the dragon exploded. Along with a dragon roar, a golden dragon circled behind him!

The golden dragon versus the fire phoenix, the entire Monster Mountain Range was shrouded in a terrifying aura at this moment!

Huofeng looked at the golden dragon behind Chen Ping. There was no fear in his eyes, and he actually showed excitement!

Immediately afterwards, Huofeng put away his murderous aura and ran towards Chen Ping with excitement on his face!

Chen Ping's face was full of surprise, and he looked at Huofeng blankly!

"It's true. You are the real Son of the Dragon. I'm so happy to meet you..."

Huofeng actually ran over and hugged Chen Ping tightly, regardless of the fact that she was a girl!

This time, Chen Ping was immediately confused!

Putting away his breath, Chen Ping stood blankly and let Huofeng hug him!

Feeling the warmth of Huo Feng and the girl's body fragrance, Chen Ping's heart began to throb. The most primitive and impulsive male instincts were constantly impacting Chen Ping's brain!

Chen Ping's breathing became heavy and he wanted to carry the fire phoenix in front of him directly into the room. He needed to vent the impulse in his heart!

But Chen Ping knew that he couldn't do this.

Chen Ping recited the Qingxin Mantra, and a stream of clear energy flashed through Chen Ping's mind instantly, calming down Chen Ping's impulsive mood just now!

"Girl, please respect yourself. Don't let men and women kiss each other..."

Chen Ping pushed Huofeng away and said calmly!

Chapter: 3707

Huofeng glanced at his body, then his face turned red and said: "I'm really sorry, because I was too excited..."

After Huofeng finished speaking, he turned to look at the monster beasts, waved his hands and said, "You all go down!"

After hearing this, those monster beasts turned around and left!

Chen Ping was stunned for a moment. He didn't expect these monsters to understand human speech!

"Let's go to the room to talk!" Huofeng said to Chen Ping very politely!

Chen Ping nodded and then walked into the room!

After entering the room, Chen Ping couldn't help but ask: "Who are you? Even if you transform into a human through phoenix cultivation, you should have an identity, right?"

Huofeng did not speak, but poured tea and water for Chen Ping, then sat down and said: "My body is indeed a phoenix, but I don't belong here..."

"You don't belong here?" Chen Ping was stunned: "Then where are you from?"

"I was originally a fire phoenix in the world of gods. Just because I stole a sacred fruit, my ancestor tore apart time and space and threw me here..."

Huofeng said with a somewhat sad expression.

But when Chen Ping heard the words “Celestial Realm”, his expression became extremely excited. He really wanted to know about the Celestial Realm, but he didn’t want to meet the fire phoenix from the Celestial Realm here!

In this way, he would be able to learn some things about the world of heaven and humans from Huo Feng’s mouth.

“You are from the Heaven and Human Realm, so can you tell me about the Heaven and Human Realm?”

Chen Ping asked excitedly.

But who knows, Huofeng shook his head and said: “I can’t say, because everything in the heaven and human world is a secret of heaven. If I leak it to you, I’m afraid I will be punished by heaven.”

Seeing that Huofeng couldn’t speak, Chen Ping suddenly felt like a deflated rubber ball, and the excitement on his face disappeared instantly!

“Then what exactly did you want to do by bringing me here?”

Chen Ping asked.

“Although I can now transform into a human form after eating the Holy Fruit, I can only transform into a human form for three hours every day. The rest of the time I will still transform into a phoenix!”

“The ancestor who threw me here said that as long as I can drink a drop of dragon blood, I can have sex with a dragon and a phoenix, and I will be transformed into a human form forever!”

Huofeng explained!

Huofeng’s words made Chen Ping instantly understand why she had lured him here!

“You want to suck my blood?” Chen Ping frowned: “But I’m not a dragon. My golden dragon is just transformed with the power of a divine dragon, because there is a dragon crystal in my body!”

Chapter: 3708

Chen Ping followed Huofeng and explained that he probably misunderstood Huofeng and thought he was a real dragon!

“No, you are the son of the dragon, you are the real dragon, and you...”

Huofeng seemed to want to say something more, but before he could finish his words, suddenly there was a thunderbolt from the clear sky. Huofeng’s whole body trembled, and his face instantly turned extremely pale!

“What am I? Keep talking? Do you know my life experience?”

Chen Ping has long heard many people say that he is the son of a dragon, and that he is the true form of a golden dragon!

So Chen Ping was very curious at this time, who is his father?

“I know nothing, nothing...”

Huofeng seemed to be greatly frightened. He waved his hands and his eyes were full of panic!

When Chen Ping saw this, he was very surprised. Why did these spiritual consciousnesses become so frightened when they talked about him?

The same was true for that blood demon back then. When it came to his father, he immediately shut up!

Seeing that Huofeng was like this, Chen Ping stopped asking and bit his finger directly, and a drop of blood floated in the air!

“If my blood is useful to you, then take it!”

Chen Ping said to Huofeng!

Seeing this, Huo Feng showed gratitude. He opened his mouth and swallowed the drop of Chen Ping’s blood!

When Chen Ping’s blood entered Huofeng’s body, Huofeng’s body instantly became crystal clear!

At this time, Huofeng seemed to be soaking in a hot spring, with his eyes slightly closed, looking like he was enjoying it!

But she didn’t notice that Feng Yu, who originally covered the private parts of her body, began to slowly disappear!

At this time, Huofeng turned into a real woman!

When Chen Ping saw Huo Feng’s snow-white skin, naked and exposed in front of him, his nosebleed instantly spurted out!

Chen Ping turned around quickly and chanted the Heart-Cleaning Mantra desperately!

But even so, Chen Ping’s heart was still turbulent and he couldn’t calm down for a long time!

He felt like he was falling into a gentle land at this moment!

Chen Ping didn’t know that a drop of his blood entering Huofeng’s body was equivalent to two people having sex with each other!

What he feels now is his true feeling!

Chapter: 3709

I don't know how long it took, but Huofeng hummed and slowly opened his eyes!

When he saw that he was naked, Huofeng's face turned red and he hurriedly ran into the room!

When Huofeng came out, he had already put on clothes!

"Sorry, I didn't see anything just now..."

When Chen Ping saw Huofeng coming out, he quickly explained!

Huofeng smiled slightly and said softly: "I am already yours, don't tell me that you have seen it, you can do whatever you want to me..."

When Chen Ping heard this, he was stunned for a moment and hurriedly waved his hand: "Miss Huofeng, please don't misunderstand me. I really didn't do anything. I just glanced at it accidentally, but I turned around immediately!"

Chen Ping felt that he had done nothing and was being relied upon. That was not okay...

"I just drank your blood and became yours. You will be my master from now on. Didn't you feel it just now?"

Huofeng asked Chen Ping.

"I....."

Chen Ping was speechless for a moment, but he felt very comfortable just now, as if he was in a gentle land!

But this is too outrageous. Just suck a drop of your own blood and become your own, and...

“Miss Huofeng, it’s really hard for me to accept it at the moment. I have to go back quickly, otherwise you will have to worry about me!”

Chen Ping was ready to leave as soon as possible, otherwise he wouldn’t be able to explain it clearly!

“Master, if you want to leave, I won’t stop you, but before you leave, let me give you a gift!”

After Huofeng finished speaking, he waved his arm lightly.

The entire monster mountain range suddenly began to shake, and countless monster beasts roared!

Just listening to these roars, you can feel the excitement of these monsters!

Everyone seemed to be cheering for the fire phoenix!

And the monster beasts that had just forced Chen Ping here all arrived at this moment.

Facing the fire phoenix, those monster beasts were as docile as domestic dogs!

“From today on, this is your master, and you must obey his orders at any time...”

Huofeng said to those monsters!

Chapter: 3710

Those monsters glanced at Chen Ping, and then they all roared in response, and kept nodding!

“Master, these monsters have acquired spiritual intelligence. Although they cannot speak human words or take human form, their IQs are not weak!”

“You pick one and it will be your mount. It will also help you withstand danger!”

Huofeng said to Chen Ping.

When Chen Ping saw this, he couldn't help but get excited. If he could have such a mount, it would be so majestic!

Chen Ping looked at the several monsters in front of him, and for a moment he didn't know which one to choose!

Just when Chen Ping was having a hard time making a choice, the flaming tiger that launched the beast wave at the beginning let out a low roar, then walked to Chen Ping's feet and kept rubbing against Chen Ping, as if he was recommending himself!

When Chen Ping saw this, he directly touched the flaming tiger's head with his hand, and then said to the fire phoenix: “Then I will choose this flaming tiger...”

“Okay master, if you encounter any difficulties, you can come here to see me at any time!”

Huofeng said.

“good!”

Chen Ping nodded.

Although Chen Ping didn't feel that he needed Huofeng's help at this time, in the near future, when Chen Ping attacked the eight secret realms, Huofeng and her Monster Mountain Range would make great contributions.

Chen Ping jumped onto the flaming tiger!

The Fiery Tiger roared and then ran down the mountain!

On both sides of the mountain road, countless monsters lined up to see off Chen Ping. At this time, Chen Ping was like a general, reviewing his soldiers!

At this time, Ge Yuhan, who was waiting for Chen Ping at the foot of the mountain, could not help but look very ugly when he heard the roars coming from the Monster Mountain Range!

“Ms. Ge, I guess Mr. Chen is in serious danger. I think we should go back...”

Hou Zhen said to Ge Yuhan!

No one has been able to enter the Demonic Beast Mountain Range for so long, and no one has been able to penetrate into the deepest part of the Demonic Beast Mountain Range!

“It’s better to wait...”

Ge Yuhan is a little sad. Her feelings for Chen Ping are special, because without Chen Ping, Ge Yuhan would not be able to recover!

“Miss, miss, it’s not good, it’s not good.....”

At this time, a member of the Ge family hurried over!
