

## The Order 371

Chapter: 371

“Chen Ping, I will take you to Mayor Ling’s home later, talk to Mayor Ling carefully, and apologize. I feel that Mayor Ling is a person who understands justice and will not embarrass you. !”

Su Wenzong followed Chen Ping and said.

Chen Ping wanted to refuse, but when he saw the dark circles in Su Wenzong’s eyes, it was obvious that he had been worrying about his own affairs yesterday, so Chen Ping nodded and agreed!

Su Yuqi originally wanted to follow, but Su Wenzong was afraid that if Su Yuqi had any conflicts after following, the gains would outweigh the losses, so he didn’t let her follow.

After getting ready, Su Wenzong drove Chen Ping to Mayor Ling’s home!

Mayor Ling’s name is Ling Zhenchuan. He has been the leader in Hongcheng for more than ten years. With his own efforts, Hongcheng, a small city, has slowly developed to the present. He is a very capable official.

Soon, the car stopped in an old community. A small western-style building with only two floors and an area of more than 200 square meters was Ling Zhenchuan’s current home!

It is very unusual for a city leader to live in such a place, but in front of this small foreign-style building, there is a million-dollar luxury car parked, which is very incompatible with this building!

“After you go in, say less and don’t be impulsive!”

Su Wenzong warned Chen Ping again!

Chen Ping could only nod.

After ringing the doorbell, the door was soon opened by a middle-aged woman wearing an apron. This person was Ling Zhenchuan’s wife Wang Hui!

“Mrs. Ling, we made an appointment with Mayor Ling!”

After Su Wenzong saw the middle-aged woman, he immediately said politely!

When Chen Ping heard that this person turned out to be the mayor’s wife, he couldn’t help but be surprised. The wife of the head of the city was so simple!

“Lao Su, come in quickly, Lao Ling told me...” Wang Hui opened the door and enthusiastically welcomed Su Wenzong and Chen Ping in: “You came just as you said you would, and you brought something with you. Lao Ling’s It’s not like you don’t know your temper!”

“Mrs. Ling, these are some milk and honey, the value is definitely not more than a thousand yuan!”

Su Wenzong hurriedly explained!

Ling Zhenchuan has a rule, that is, he cannot bring gifts when he comes to his home. Even if relatives and friends come to visit, the gift value cannot exceed one thousand, otherwise he will not accept it!

After hearing what Su Wenzong said, Wang Hui took the things over and said, “Lao Su, you two find a place to sit. Lao Ling is discussing things with some Hong Kong businessmen. He will be fine soon!”

“Mrs. Ling, don’t worry about it!”

Su Wenzong smiled slightly, and then followed Chen Ping and sat on the sofa on one side!

Chen Ping looked at the room. They all had some old furniture, which was not valuable. It didn’t look like a home at the top of the city. And Wang Hui, as the mayor’s wife, could still be so amiable, Chen Ping thought. I don’t understand how a mother like Wang Hui could teach someone like Ling Feng.

Su Wenzong and Chen Ping sat for a while, then the study door was opened, and four people filed out!

Chapter: 372

One of them is Ling Zhenchuan, a gentle and elegant middle-aged man in his forties who wears glasses. Although he is dressed very ordinary, he has the aura of a superior!

The other three people should be Hong Kong businessmen. One of them is thin, with a goatee and piercing eyes. Chen Ping actually felt a trace of aura fluctuations from this Hong Kong businessman!

“Is this guy also a cultivator?”

Chen Ping couldn't help but take a few more glances!

“Mayor Ling, I hope you can think about it carefully. Our investment will definitely strengthen the economic development of Hongcheng. As long as you divide the south of the city to us, we can rebuild a city within three years!”

The Hong Kong businessman with the goatee said.

“I'm sorry, I can't let my descendants poke my spine just for money, and I won't harm the interests of every citizen. If you want to achieve political achievements, you rely not only on money, but also on the support of the general public. Support, there is no need to discuss this matter, and I won't send you far away!”

Ling Zhenchuan said sternly with a cold face!

It was obvious that Ling Zhenchuan was not having a good time talking with several Hong Kong businessmen!

“Since Mayor Ling is so insistent, then we have nothing to talk about. Farewell!”

The goateed Hong Kong businessman stretched out his hand towards Ling Zhenchuan.

Although the conversation was unpleasant, the minimum etiquette was always there. Ling Zhenchuan shook hands with the Hong Kong businessman!

But the moment the two people's palms met, a faint black mist entered Ling Zhenchuan's body directly along the palms, but Ling Zhenchuan didn't notice it!

However, this scene was seen by Chen Ping. Chen Ping frowned and stared closely at the goateed Hong Kong businessman!

The Hong Kong businessman seemed to feel something. He turned his head and glanced at Chen Ping, but after just one glance, he turned his head back!

After the three Hong Kong businessmen left, Ling Zhenchuan sat on the sofa angrily, drinking the tea brought by Wang Hui, his face ugly!

“Lao Ling, Lao Su has been waiting for you for a while!”

Wang Hui reminded Ling Zhenchuan!

Ling Zhenchuan then remembered and hurriedly called to Su Wenzong: “Old Su, come and sit down quickly. I almost fainted just now, but I forgot about you all of a sudden!”

Ling Zhenchuan stood up and followed Su Wenzong with an apologetic expression.

“Mayor Ling, you’re welcome. You have worked day and night for Hongcheng. I’m sorry to bother you!”

Su Wenzong walked over, and Chen Ping followed behind!

“Lao Su, you have contributed a lot to Hongcheng developing to what it is now. Without your support, even if I have three heads and six arms, it would be useless!” Ling Zhenchuan chuckled: “The land to the west of your Sujia City, Xiaofeng told me that I have already sent people to start the process of approval. As long as it is legal and compliant, you can just come to me directly. There is no need to ask Xiaofeng to pass on the message!”

“In addition, Gu Gu called me and said that you were coming to apologize to me. What’s going on?”

Chapter: 373

Su Wenzong hurriedly explained: “Mayor Ling, yesterday at my house, Xiaofeng and Chen Ping had a small misunderstanding, and the two of them had a conflict. Chen Ping was impulsive and beat Xiaofeng, so I brought him here today. I’m here to apologize to Mayor Ling!”

Ling Zhenchuan glanced at Chen Ping and smiled faintly: “Young man, it’s normal to have a little temper. If you hit me, you’ll hit me. You used it so hard that it alarmed Gu Gu. I thought you had done something illegal. If that’s the case, it won’t be easy for anyone to call!”

“No, no...”

Su Wenzong shook his head quickly, and then said to Chen Ping: “Chen Ping, please apologize to Mayor Ling first!”

Chen Ping’s first impression of Ling Zhenchuan was very good. He could tell that Ling Zhenchuan was a fair and honest official who loved the people like a son. Looking at Ling Zhenchuan and Wang Hui, Chen Ping really couldn’t figure out whether Ling Feng was their biological son. !

“Mayor Ling, I made a heavy move yesterday and broke Mr. Ling’s wrist, but I can put it back and it won’t affect my future life.”

Chen Ping followed Ling Zhenchuan calmly.

Chen Ping had no attitude of apologizing because he didn’t think he should apologize. The reason why he followed Ling Zhenchuan so politely was because Ling Zhenchuan was a good official!

Upon hearing that Chen Ping had broken Ling Feng’s wrist, Ling Zhenchuan and Wang Hui were both stunned, and their brows also furrowed. 1

Seeing this, Su Wenzong hurriedly explained everything, including that Ling Feng touched Su Yuqi in public.

After listening to Su Wenzong’s narration, Ling Zhenchuan’s face suddenly turned red with anger, and he looked at Wang Hui and said, “Is that bastard back yet?”

“No, I didn’t come back yesterday!”

Wang Hui shook his head.

Ling Zhenchuan gritted his teeth: “When this bastard comes back, I will definitely break his legs.”

After saying that, Ling Zhenchuan took out his mobile phone and called his driver directly.

Soon, the driver arrived. As soon as he entered the door and saw Su Wenzong and Chen Ping there, the driver was slightly stunned.

“Mayor Ling, you...you are looking for me!”

The driver’s body was shaking slightly, he seemed to be scared!

“Xiao Sun, let me ask you, did that bastard use my car yesterday?”

Ling Zhenchuan asked sharply.

“no no.....”

The driver was stuttering and couldn’t say a word!

Bang.....

Ling Zhenchuan slammed the coffee table and shouted loudly: “Tell me the truth!”

Chapter: 374

The driver was so frightened that he trembled: “Master Ling is using the car!”

When Ling Zhenchuan heard this, he was so angry that he trembled all over: “Why did I tell you not to let him touch my car? Don’t you remember? The car belongs to the country, not to Ling Feng. He can use it if he wants.” Yes, let me see if you don’t want to do it anymore?”

The driver, Xiao Sun, was so frightened that he was trembling all over and almost crying!

Seeing this, Wang Hui hurriedly persuaded Ling Zhenchuan: “Old Ling, don’t be angry now. Once your anger hurts your body, I will just take care of him from now on. Now Xiaofeng’s wrist is broken and I don’t know where it is. Let’s look for him first!”

“What the hell, let him die outside!” Ling Zhenchuan’s chest kept rising and falling with anger: “Sooner or later, my wisdom will be destroyed in the hands of this bastard!”

Wang Hui kept patting Ling Zhenchuan on the back, then looked at the driver Xiao Sun and said: "Xiao Sun, do you know where Xiao Feng is?"

"Madam, Mr. Ling is in the hospital now. His wrist has been reattached, but he is contacting someone now, as if he wants to take revenge..."

Xiao Sun didn't dare to hide it from Ling Feng at this time and spoke truthfully.

"Little brat, he still dares to take revenge?" Ling Zhenchuan jumped up when he heard this: "Bring him back to me right now. If he doesn't come back, then never let him come back!"

Xiao Sun nodded at him and left in a hurry!

"Mayor Ling, Xiaofeng is still young after all, so don't be too angry!"

Seeing this, Su Wenzong also hurriedly persuaded.

"Hey..." Ling Zhenchuan sighed: "Old Su, I really made you laugh. It's unfortunate for our family that we gave birth to such a beast."

Ling Zhenchuan looked at Chen Ping and said with a face full of shame: "Young man, I made you laugh. My rebellious son deserves to die. I can't blame you. It's us parents who failed to discipline me!"

"Mayor Ling, no one is perfect. I believe that Mr. Ling will correct himself under the guidance of Mayor Ling and his wife!"

Chen Ping also admired Ling Zhenchuan's character!

The reason why Ling Feng became like this must be related to Ling Zhenchuan's selfless work. He was only focused on work and would definitely neglect the education of his children. This led to Ling Feng's arrogant and domineering character!

Soon, the driver Xiao Sun picked up Ling Feng. Ling Feng's arm was bandaged and had been bandaged!

After Ling Feng entered the door, he was not surprised to see Chen Ping and Su Wenzong. It seemed that the driver Xiao Sun had already told him!

“dad.....”

Ling Feng tremblingly followed Ling Zhenchuan and shouted!

“Little bastard, I’ll crush you to death...”

Ling Zhenchuan picked up the stool and was about to hit Ling Feng. Ling Feng was so scared that he hid in a corner. It seemed that he was very afraid of Ling Zhenchuan!

“Old Ling, what are you doing...”

Chapter: 375

Wang Hui hurriedly grabbed Ling Zhenchuan, winked desperately at Ling Feng, and made Ling Feng run upstairs!

“Mayor Ling, don’t be too angry!”

Su Wenzong also stepped forward to persuade.

But at this moment, Ling Zhenchuan, who was carrying a stool, suddenly blacked out and fell to the ground!

This sudden change shocked Wang Hui and Su Wenzong!

“Old Ling, Old Ling...” Wang Hui shouted anxiously, and then said to the driver Xiao Sun: “Send to the hospital quickly!”

“Wait a minute!” Chen Ping stepped forward and put his hand directly on Ling Zhenchuan’s forehead!

Wang Hui looked at Chen Ping with confusion, and then Su Wenzong remembered that Chen Ping was a miracle doctor!

“Mrs. Ling, Chen Ping knows medical skills, just let him take a look!”

Su Wenzong followed Wang Hui and explained!

Wang Hui nodded and looked at Chen Ping dubiously, with cold sweat breaking out on his forehead!

After Chen Ping examined Ling Zhenchuan, his face became very solemn and his brows were furrowed!

“Chen Ping, is Mayor Ling serious?”

Seeing Chen Ping like that, Su Wenzong panicked!

If something happened to Ling Zhenchuan, where would he find such a good leader?

“Mayor Ling just fainted out of anger, it’s nothing serious!”

Chen Ping shook his head, but at this time Chen Ping was worried about another thing!

Someone cast a spell on Ling Zhenchuan’s body, which confirmed Chen Ping’s suspicion. The goatee-bearded Hong Kong businessman cast a spell on Ling Zhenchuan’s body when he shook hands with him!

As for the effect of the seduction technique, it is self-evident. A person who is affected by the seduction spell will temporarily lose his soul and become a walking corpse, which can be driven by the person who performed the seduction technique!

The goatee Hong Kong businessman seduced Ling Zhenchuan for the purpose of developing the area south of the city. As long as Ling Zhenchuan was at their disposal, they could do whatever they wanted!

“Since there’s nothing serious, let’s wake up Mayor Ling!”

Su Wenzong saw Wang Hui's anxiety. In order to reassure Wang Hui, Su Wenzong urged Chen Ping to wake up Ling Zhenchuan first!

Chen Ping nodded and tapped Ling Zhenchuan's ejaculation point gently. Ling Zhenchuan slowly opened his eyes!

"Old Ling, you woke up, but you scared me to death!"

Chapter: 376

When Wang Hui saw that Ling Zhenchuan was awake, she let out a long breath!

Ling Zhenchuan opened his eyes, with a bit of confusion in his eyes: "What's wrong with me?"

"You fainted from anger. I told you not to be so angry a long time ago, but you just didn't listen. Fortunately, this young man is here today, otherwise we wouldn't know what to do!"

Wang Hui said and helped Ling Zhenchuan up!

Ling Zhenchuan couldn't help but look at Chen Ping twice, and said in surprise: "Young man, do you know your medical skills?"

"Understand a little!" Chen Ping nodded!

"Mayor Ling, Chen Ping knows more than just a little bit of medical skills. He knows a lot. He is the one who likes my disease!"

Su Wenzong followed Ling Zhenchuan proudly.

After all, Chen Ping will become his uncle in the future, which will bring honor to his Su family!

"Really? At such a young age, you really can't tell!"

Ling Zhenchuan obviously didn't pay much attention to Su Wenzong's words. If you want to learn medical skills well, how can it be something that happens overnight? Chen Ping is only in his early twenties, so he can still believe that he understands medicine. If he wants to say that his medical skills are superb, Ling Zhenchuan will definitely not believe it. But he didn't refute it!

"Lao Su, you can stay home for lunch, I'll do it now!"

Wang Hui followed Su Wenzong and said.

"Mrs. Ling, don't bother..."

Su Wenzong said hurriedly and politely.

"Old Su, what's the trouble? Sit down quickly and join me for two games and have two drinks with me at noon!"

Ling Zhenchuan waved his hand towards Su Wenzong!

When Su Wenzong saw this, he didn't refuse and set up the chessboard to play chess with Ling Zhenchuan!

Chen Ping watched from the side, hesitating again and again whether he should tell Ling Zhenchuan about the seduction spell in his body!

After thinking for a moment, Chen Ping decided to tell Ling Zhenchuan, otherwise Ling Zhenchuan would probably be taken advantage of by the so-called Hong Kong businessman!

"Mayor Ling, I have something I need to tell you!"

Chen Ping said!

"Young man, if you have anything to do, just tell me!"

Ling Zhenchuan said without raising his head.

Chapter: 377

"I just checked your body and found that someone has used a seduction spell on you. Someone wants to take advantage of you, and these people are most likely those Hong Kong businessmen!"

Chen Ping counted truthfully.

Just after Chen Ping finished speaking, Ling Zhenchuan suddenly looked up at Chen Ping, put the chess pieces in his hand aside, and said with a serious face: "Young man, what kind of society is this? You are still doing some seduction, pretending to be a ghost, Isn't that too ignorant?"

As the head of a city, Ling Zhenchuan would definitely not believe what Chen Ping said in today's society. All the rumors about ghosts and gods are just lies!

After hearing what Chen Ping said, Su Wenzong's face instantly became solemn. He had seen Chen Ping's strength with his own eyes at Leiming Temple. If he hadn't seen it with his own eyes, who would have believed it?

"Chen Ping, are you telling the truth? Is it accurate?"

Su Wenzong asked Chen Ping.

Chen Ping nodded.

When Su Wenzong saw Chen Ping nodding, he immediately looked at Ling Zhenchuan and said: "Mayor Ling, Chen Ping knows some magic techniques. He can really see some things that we ordinary people can't understand. You should let him..."

"Shut up!" Ling Zhenchuan frowned: "Old Su, you are so old, how come you can believe what a child says nonsense? What kind of seduction technique? Where is my soul?"

"Mayor Ling, listen to me, really..."

"Old Su, if you're talking about that, don't blame me for seeing off guests, it's all nonsense!"

Ling Zhenchuan's face was cold, and he was obviously disgusted with what Chen Ping said. After all, in his position, how could he believe in the theory of gods and ghosts!

Su Wenzong did not dare to say anything more, while Chen Ping shook his head slightly and did not speak!

A short while later, after Wang Hui finished cooking, she invited a few people to eat. However, the atmosphere at the dinner table was a bit awkward. Ling Zhenchuan's face never looked very good!

After eating, Su Wenzong and Chen Ping left without staying long!

On the way back, Su Wenzong said a little worriedly: "Chen Ping, what kind of seduction spell did Mayor Ling really fall into?"

"Really!" Chen Ping nodded!

"Then you have to find a way to save him. Mayor Ling is a rare good leader. Although he is a bit old-fashioned, he is honest and selfless!"

Su Wenzong looked at Chen Ping with pleading eyes!

"I will!"

In fact, even if Su Wenzong didn't say anything, Chen Ping would not let those so-called Hong Kong businessmen succeed. This is related to the interests of the entire Hongcheng people!

Seeing that Chen Ping agreed to save Ling Zhenchuan, Su Wenzong was relieved. He had seen Chen Ping's methods before, and they were the methods of an immortal!

Chen Ping got off the car halfway and did not go to Su's house. Instead, he called Lin Tianhu and asked him to prepare manpower!

Chapter: 378

Not long after, Lin Tianhu arrived with dozens of people in a car!

“Mr. Chen, did something happen?”

Lin Tianhu asked.

“Stop asking, just follow me!”

Chen Ping took Lin Tianhu and the others directly to guard outside Ling Zhenchuan’s small foreign building!

“This...isn’t this Mayor Ling’s home? Mr. Chen, you...what are you going to do?”

Lin Tianhu’s face looked a little unnatural!

Although everyone calls him the underground emperor of Hongcheng, what’s the use? He, the underground emperor, is so awesome, isn’t he just as afraid of Ling Zhenchuan, the underground emperor of Hongcheng!

“I told you not to ask!”

Chen Ping put down his seat impatiently, then closed his eyes slightly and rested!

.....

In a remote small hotel in Hongcheng!

The three Hong Kong businessmen lived here. The environment of this hotel was very poor, and the identities of the three Hong Kong businessmen did not match at all. No one knew why these three people chose to live here!

In a hotel room, the goateed Hong Kong businessman sat on the bed, while the other two people stood by with respectful expressions on their faces!

I saw the goateed Hong Kong businessman with his eyes slightly closed, sitting cross-legged, pinching his fingers, and mumbling something!

“The gods of the earth, the gods of the Five Mountains, the gods from all directions, the auspicious clouds, are coming quickly...”

A burst of black energy instantly rushed out from the fingers of the goatee Hong Kong businessman, and then disappeared in an instant!

“alright!”

The goateed Hong Kong businessman said with a cold smile!

“Hahaha, with Master Bai taking action, nothing will happen to us!”

A slightly fat Hong Kong businessman burst out laughing.

In fact, this goatee is not a Hong Kong businessman. Among the three people, only the fat one and the thin one are real Hong Kong businessmen, and the goatee’s identity is a warlock!

You must know that many people believe in these things in the Outer Harbor, so warlocks are also rampant there!

In Outer Harbor, whether it is choosing a company location, naming a child, or even when to treat guests to dinner to facilitate business negotiations, these warlocks will be consulted!

Chapter: 379

Although there are many people who are just pretending to be fake and don’t know anything at all, they just cheat to get some money, but there are still some warlocks who really have some real skills. These people know some magic spells, such as seducing souls, exorcising demons, and can catch medicine in the air. Treat some difficult and complicated diseases.

Therefore, these warlocks are becoming more and more famous in the Outer Harbor, and are treated as guests by many wealthy people!

And this Master Bai is the most famous warlock in outer Hong Kong. His magic skills are so unpredictable that these two Hong Kong businessmen spent a lot of money to hire him.

Two Hong Kong businessmen, a fat one and a thin one, were interested in Hongcheng. They wanted to set up some high-efficiency but heavily polluting enterprises here. However, they had long heard that the top leaders in Hongcheng were upright, and they were afraid that it would be difficult to negotiate, so they decided to directly invited Master Bai to come!

“Now that I have the contract ready, I’m just waiting for Ling Zhenchuan to come over and sign and seal it. When the contract is in hand, he won’t be able to deny it even if he wants to!”

The thin Hong Kong businessman took out the contract he had prepared a long time ago and said with a sinister smile!

They have used this method to solve many projects that were particularly difficult to negotiate, and they have proven successful every time!

“After everything is done, 50 million will be transferred to my account. I want Hong Kong dollars...”

Master Bai said calmly.

“sure.....”

The two Hong Kong businessmen nodded repeatedly with flattering expressions on their faces.

Ling Zhenchuan’s small foreign-style house!

Ling Zhenchuan, who had already taken a lunch break, suddenly opened his eyes!

There was no trace of light in his eyes, just looking straight at the ceiling!

Soon, Ling Zhenchuan stood up, put on his coat, and walked out mechanically!

Wang Hui, who was cleaning up the housework in the living room, saw Ling Zhenchuan suddenly getting up, and asked in confusion: “Old Ling, has something happened? You haven’t even taken a nap this time!”

Ling Zhenchuan didn't speak, but opened the door and walked out!

"This guy can't even speak!"

After Wang Hui muttered something, she ignored it and continued to clean up the housework!

Ling Zhenchuan walked out of the house, got in the car and drove away!

"Mr. Chen, come out, come out..."

After Lin Tianhu saw Ling Zhenchuan going out, he immediately pushed Chen Ping.

Chen Ping sat up and saw Ling Zhenchuan like that. He immediately understood what was going on and followed Lin Tianhu: "Follow me!"

Lin Tianhu drove and followed directly.

Chapter: 380

The car turned around in Hongcheng and finally stopped in front of a very remote hotel!

"What is Ling Zhenchuan doing here?"

Lin Tianhu asked very puzzledly.

Chen Ping looked at the dilapidated hotel and did not answer Lin Tianhu. Instead, he got out of the car and watched Ling Zhenchuan walk into the hotel!

"Tell your men to surround the hotel and not let anyone go!"

Chen Ping ordered to Lin Tianhu.

Lin Tianhu nodded, looked at the dozens of people he had brought, and said with a cold expression: "Mr. Chen has an order to surround the hotel and not let anyone in or out. If you let a fly go, I will kill you!" "

"Yes!" Dozens of people from the Juyi Hall immediately surrounded the hotel and were ready!

"Come on, come in with me!"

Chen Ping took Lin Tianhu into the hotel!

At this time, in a room on the second floor of the hotel, Ling Zhenchuan was standing there dully, with no light in his eyes!

Master Bai and the two Hong Kong businessmen looked at the arriving Ling Zhenchuan, and they all burst into laughter!

"Hahaha, the dignified leader of Hongcheng is still not obediently listening to our instructions!"

The slightly fat Hong Kong businessman laughed and patted Ling Zhenchuan on the face with his hand!

"Who would have thought that the top leader in Hongcheng would now become our puppet, and from now on the entire Hongcheng will be ours..."

The thin Hong Kong businessman also shouted happily!

"Hurry up and take out the contract and let him sign it!"

Master Bai urged!

As long as he signs the contract, he has paid the dues, and 50 million will be credited to his account!

Upon hearing this, the thin Hong Kong businessman hurriedly took out the contract that he had prepared long ago, handed Ling Zhenchuan a pen and said, "Sign the contract for me!"

Ling Zhenchuan took the pen and signed his name on the contract without hesitation.

He even took out the seal from his briefcase and stamped it hard on the contract!

“It’s done, hahahaha...”

Holding the contract, the two Hong Kong businessmen laughed crazily.
