

The Order 3711

Chapter: 3711

“What’s wrong?” Ge Yuhan asked.

“The flaming tiger, the flaming tiger is coming towards us, and there are also a large number of monsters. I’m afraid there will be another wave of beasts.”

The Ge family member said with a face full of horror!

When Ge Yuhan heard that the Flame Tiger had arrived, bringing with it a large number of monsters, Ge Yuhan’s heart instantly sank!

Since the Flame Tiger is fine, it proves that something happened to Chen Ping.

Now the Flame Tiger should be here to take revenge and launch another wave of beasts. Ge Yuhan knew that relying on them, they would be submerged under the wave of beasts in an instant!

“Miss Ge, let’s run away quickly. If we don’t run away, it will be too late...”

Hou Zhen urged Ge Yuhan!

“You go, I want to kill this flaming tiger and avenge Mr. Chen...”

Ge Yuhan plans to let Hou Zhen and others leave, she wants to avenge Chen Ping!

When Hou Zhen heard this, he thought Ge Yuhan was crazy.

“Miss Ge, how can you be the opponent of the blazing tiger? Besides, there are many other monsters. Don’t make unnecessary sacrifices!”

Hou Zhen persuaded Ge Yuhan!

But Ge Yuhan remained unmoved, his eyes filled with firm killing intent!

The ground began to tremble, and the roar of the monster became closer and closer!

Although the faces of many members of the Ge family were ugly, they did not leave. Instead, they grabbed their weapons and stood behind Ge Yuhan!

When Hou Zhen saw this, he could only grit his teeth and take out the weapon!

Soon, the figure of the Blazing Tiger appeared, getting closer and closer!

Ge Yuhan held a long sword, and the aura on his body exploded. Looking at the flaming tiger in front of him, he was about to slash out with his sword!

“Miss Ge, wait a moment...”

Hou Zhen hurriedly stopped Ge Yuhan, and then said: “Look, is there someone on the back of the blazing tiger?”

Ge Yuhan took a closer look and saw a person sitting on the back of Lieyanhu!

When the Flame Tiger came to the scene, everyone realized that the person above turned out to be Chen Ping!

“Mr. Chen.....”

Chapter: 3712

Seeing Chen Ping, Ge Yuhan shouted in surprise!

Chen Ping saw that Ge Yuhan and the others were still here, so he jumped down and said, "Why are you still here? Didn't you leave?"

"What about the rest?"

Chen Ping found that Lu Chang and Jin Yuan were missing. Could it be that they were all eaten by monsters?

Hou Zhen quickly explained: "Everyone else has been rescued. We are waiting for Mr. Chen here!"

Hou Zhen told what happened after Chen Ping chased the Flame Tiger and Ge Cangsheng and Jiang Wuya brought people to rescue him!

When he heard that Ge Yuhan and the others were waiting for him and were worried about his own safety, Chen Ping was deeply moved!

"Mr. Chen, this...this flaming tiger..."

Ge Yuhan looked at the flaming tiger and asked at a loss.

"Oh, now this flame tiger is my mount, I have tamed him..."

Chen Ping gently patted the Flame Tiger's head and said!

As for the fire phoenix, Chen Ping didn't plan to tell anyone, otherwise when the secret realms knew about it, they would probably go crazy and rush into the monster secret realm!

"Tame?" Hou Zhen's eyes widened with disbelief on his face: "Mr. Chen was able to tame this flaming tiger?"

“I’ve never heard of someone taming a monster. It’s incredible!”

Hou Zhen looked at the flaming tiger lying on the ground, looking well-behaved, and was very shocked!

Ge Yuhan also looked shocked and said: “Mr. Chen, this...is this true? Have you really tamed this flaming tiger?”

“Of course, if you don’t believe it, you can come over and touch it. It’s fine even if you ride it for a while. It’s very obedient...”

Chen Ping smiled slightly at Ge Yuhan and said!

When Ge Yuhan heard this, he couldn’t help but stepped forward, slowly stretched out his hand, and then gently stroked the flame tiger’s head!

Not only did the flaming tiger not get angry, it even stuck out its tongue and licked Ge Yuhan’s hand. This made Ge Yuhan extremely excited!

“Okay, let’s go back first, otherwise the Ge clan will always be worried!”

Chen Ping rode on the flaming tiger and invited Ge Yuhan to ride on the tiger’s back, and then used the teleportation array to return to the Fire Gate Secret Realm!

When Chen Ping rode the flaming tiger back to the Ge family, the entire Ge family was in a sensation, and everyone came to see the flaming tiger!

No one thought that Chen Ping could surrender the Flame Tiger and make it his mount!

Chapter: 3713

You must know that this has no precedent in the Eight Great Secret Realms, and no one can subdue a monster to become a mount!

Even low-level monsters cannot be subdued!

“Mr. Chen, how did you subdue this flaming tiger? You must know that the strength of this flaming tiger is no longer inferior to yours!”

Jiang Wuya asked Chen Ping very curiously!

“I’m not very sure. Anyway, the flaming tiger ran away when it saw me, as if it was afraid of me.”

Chen Ping would not tell the truth, so he could only simply fool him.

However, Ge Cangsheng seemed to know something, so he said to Jiang Wuya: “Old Jiang, maybe this flaming tiger is destined to follow Mr. Chen, so he is so obedient. Don’t think about others.”

“Mr. Chen must be exhausted from going to the Secret Realm of Monster Beasts. I think it’s better to let him rest more!”

Ge Cangsheng issued an expulsion order and dispersed everyone so that Chen Ping could rest!

Otherwise, with so many people guarding him, Chen Ping wouldn’t be able to rest well!

Chen Ping guarded the Flame Tiger and stayed in the Ge family for a few days. In these few days, the Flame Tiger and Chen Ping had a great understanding!

“Mr. Chen, my father said that today is the time for the Secret Realm Conference to start. I wonder how your physical condition is going?”

Ge Yuhan found Chen Ping and asked.

“I’m fine!”

Chen Ping smiled slightly.

“Then let’s set off, father and the others are waiting for you!”

After Ge Yuhan finished speaking, he took Chen Ping out of the Ge family.

At this time, many people had gathered outside, and people from Zhanyue Pavilion had also arrived, including Jin Yuan!

There are a total of ten competition places, three of which are occupied by the Ge family, three by Tianluo Tower, and four by Zhanyue Pavilion. After all, Zhanyue Pavilion is the strongest in this Fire Sect Secret Realm!

When Jin Yuan saw Chen Ping riding out on a flaming tiger, he was stunned and his eyes almost bulged out. It looked so ridiculous!

Even Jin Lifu, who was well-informed, looked at Chen Ping with shock on his face.

“Ge Cangsheng, this...what is going on?”

Jin Lifu pointed at Chen Ping and asked Ge Cangsheng.

“What’s the matter? This flaming tiger is just the mount that Mr. Chen went to the secret realm of monsters to surrender a few days ago!”

Chapter: 3714

“Do you still look down on Mr. Chen now? If Mr. Chen rides the flaming tiger into the ring, do you think he can’t win three games?”

Ge Cangsheng looked at Jin Lifu with disdain and said!

Jin Lifu said nothing, but looked at Chen Ping with a cold look in his eyes.

Chen Ping felt the coldness on Jin Lifu's body. He didn't understand that he didn't seem to have any trouble following Jin Lifu. This guy seemed to have a problem with him from the first moment he saw him!

But Chen Ping didn't care, and followed Ge Cangsheng and others towards the teleportation array!

"Mr. Chen, is there any way you can hide this flaming tiger so that it can be used as a killer weapon? If you ride it arrogantly like this, others will be wary of you."

"And if you can subdue the monster, many people will definitely be jealous. Maybe someone will try to take advantage of you and cause you unnecessary trouble!"

Ge Cangsheng said to Chen Ping on the way to the teleportation array!

Chen Ping was right at first glance, but the flaming tiger was so big that his storage ring couldn't fit it in!

"I also know that this is a bit ostentatious, but the Flame Tiger is so huge that my storage ring can't fit in it, and there's no way to hide it!"

Chen Ping said helplessly.

But just after Chen Ping finished speaking, Lieyan Tiger understood Chen Ping's words and let out a low roar. Then his body emitted bursts of light. Under the eyes of everyone, his body became smaller and smaller!

In the end, the huge flame tiger turned into the size of a puppy and looked very cute!

Chen Ping and Ge Cangsheng were stunned when they saw the suddenly smaller Flame Tiger!

“Wow, this flame tiger has become smaller and so cute...”

Seeing this, Ge Yuhan hurriedly knelt down, picked up the flaming tiger, and gently stroked it with his hands!

However, the Fiery Tiger broke away from Ge Yuhan’s arms and jumped directly into Chen Ping’s arms!

Upon seeing this, Chen Ping put the Flame Tiger directly into the storage ring, so that no one would know about the existence of the Flame Tiger!

When they came to the teleportation array, everyone teleported out!

A burst of white light flashed, and a huge change took place in front of Chen Ping’s eyes!

The originally endless desert has now turned into a green grassland. The air is fresh and the environment is very beautiful. However, such a beautiful environment is indeed very lacking in aura!

This is also the reason why no one from the major secret realms comes to occupy this place. It’s just that the environment is beautiful. Without spiritual energy, people in the secret realms can’t practice. If they can’t practice, no matter how good the environment is, they won’t come!

Not far from the teleportation array, a castle made of stones appeared. The castle covered a large area and stood tall!

“Mr. Chen, that’s where the Secret Realm Conference is held.”

Chapter: 3715

“But I haven’t been here for so many years. I wonder if the inside is already dilapidated!”

Ge Cangsheng pointed at the castle and followed Chen Ping and said!

“Isn’t this too luxurious?”

Chen Ping looked at the castle and lamented that these eight secret realms were really a big deal. It only took a few days a year to build such a big castle just to hold a secret realm conference and compete in the ring!

“Mr. Chen misunderstood. This castle was not built by us. It was already there when we discovered this secret realm. However, there was no one in the secret realm and the spiritual energy was very thin, so we set it up as a secret realm conference. Where it is held.”

Ge Cangsheng quickly explained!

Otherwise, Chen Ping really thought that the Eight Secret Realms were extremely luxurious and built such a luxurious castle just to hold the Secret Realm Conference!

When Chen Ping came to the castle, he realized that the majesty of the castle was far beyond what he had seen and heard!

In front of the castle is an extremely large square, with eight arenas placed on top of the square. There are already many people in the square at this time, and it is obvious that other people from the secret realm have already arrived!

In the center of the square, there is a high platform with many stone benches placed on it. This place should be a resting place for the masters and pavilion masters of the various secret realms. From this high platform, you can view the eight arenas below. Unobstructed view!

At this time, seeing Ge Cangsheng coming, many people came over to say hello, and some people chatted with Ge Cangsheng very enthusiastically!

Seeing Ge Cangsheng busy greeting people, Chen Ping asked Ge Yuhan and Hou Zhen to take him around casually to familiarize himself with the environment first!

While Chen Ping and the others were walking around casually, they heard many people talking about the tide of beasts in the secret realm of monsters a few days ago!

“I heard that the beast tide is very scary. If the best fire gate secret realm and thunder gate secret realm don’t send people, I’m afraid those people who go in will become the monster’s meal!”

“I heard that there was a boy who was not very strong, but he went after the flaming tiger. He didn’t come out in the end. He was probably eaten!”

“And Lu Chang from the Waning Moon Castle in the Thunder Gate Secret Realm. I was so scared when I heard about it.”

“Yes, I heard about it too, as well as Jin Yuan from the Zhanyue Pavilion in the Fire Sect Secret Realm. These young masters wanted to go to the Demonic Beast Secret Realm to experience it, but they didn’t want to encounter a tide of beasts!”

A group of people gathered together to discuss.

“You don’t know anything, why are you shouting?”

At this time, Jin Yuan also heard everyone’s discussion, and walked over with an angry face and shouted!

When everyone saw Jin Yuan coming, they all walked away. It seemed that they were still a little afraid of this Jin Yuan!

Jin Yuan glanced at Chen Ping and the others, and then walked away angrily. In his opinion, the news that spread must have been caused by the Ge family or Tianluo Tower!

“This Jin Yuan always looks awesome. He’s never even been on the Billboard Hot 100, so he’s so awesome!”

Hou Zhen looked at Jin Yuan like that and couldn’t help but snorted coldly!

Chapter: 3716

“Ignore him, let’s go for a walk...”

After Chen Ping finished speaking, he continued walking towards the depths of the castle.

Soon, Chen Ping felt as if bells were ringing in his ears. The bells were melodious and shocking to the soul!

“Monkey, did you hear the bell?” Chen Ping asked Hou Zhen.

Hou Zhen shook his head: “No, where are the bells?”

Hou Zhen then asked Ge Yuhan: “Miss Ge, did you hear it?”

“I didn’t hear it either. How can there be any bells here?”

“Is Mr. Chen hallucinating?”

Ge Yuhan said!

“Maybe!” Chen Ping shook his head, but the bell was still ringing.

Chen Ping followed the voice and slowly walked to a bronze door with many strange patterns carved on it.

But just when Chen Ping wanted to push open the bronze door, he was hurriedly stopped by Hou Zhen!

“Mr. Chen, you can’t go in here. This is the bell tower. It will only be opened when the Secret Realm Conference officially starts and the bell is ringing!”

Hou Zhen stopped Chen Ping and said.

“Is there a clock in here?” Chen Ping asked.

“Yes, there is a dragon-patterned bell on the bell tower. I don’t know how many years it has been there. Every time the conference starts, the bell will be rung by the person who topped the previous list.”

“But over the years, the number one spot on the list has been occupied by Yao Shenghui, so he rings the bell every time.”

Hou Zhen said!

When Chen Ping heard that there was still such a rule, he stepped back without pushing the bronze door open!

But at this moment, someone suddenly called Chen Ping from behind!

“Chen Ping...Chen Ping...”

A surprised female voice came!

Chen Ping was stunned. He didn’t understand that he was in the Eight Secret Realms. Apart from people like the Ge family, he didn’t seem to know anyone else. How could anyone here call out his name?

Chen Ping turned his head, and when he saw the person calling him, he was stunned for an instant!

Chapter: 3717

“Han...Han...”

For a moment, Chen Ping forgot the name of the girl in front of him!

“My name is Han Qing’er...”

The girl ran up to Chen Ping and was not angry because Chen Ping couldn’t call her name. On the contrary, she looked extremely excited!

Chen Ping looked slightly embarrassed and said: “Miss Han, I’m sorry...”

“It doesn’t matter.” Han Qing’er shook her head, and then asked very strangely: “How did you come here? Are you also from the eight secret realms? I remember that you are from the secular world?”

“I...” Chen Ping didn’t know how to explain to Han Qing’er.

“Mr. Chen, who is this lady?”

At this time, Ge Yuhan stood up and asked.

“Oh, this is...”

When Chen Ping was about to introduce him, Han Qing’er said, “I am Han Qing’er from the Thunder Gate Secret Realm.”

“Hello, I am Ge Yuhan from the Fire Sect Secret Realm. Mr. Chen is here to attend the Secret Realm Conference on behalf of our Ge family.”

Ge Yuhan followed Han Qing’er and explained!

“I really didn’t expect to see Chen Ping here. After we said goodbye last time, we were afraid...”

“Qing’er, the conference is about to start, why did you come here!”

Before Han Qing’er could finish speaking, Lu Chang ran over in a hurry!

When Lu Chang saw Chen Ping, he was stunned. In his opinion, Chen Ping chased the flaming tiger into the depths of the Demonic Beast Mountains, and he must have died, but he didn’t expect that he was still alive!

“Chen Ping, are you still alive?” Lu Chang asked with surprise on his face.

“Mr. Lu, why are you talking? Mr. Chen is not nice, why are you asking like this?”

Hou Zhen said on the side!

Lu Chang didn’t even look at Hou Zhen. He stared at Chen Ping with his eyes, his face full of disbelief: “You chased the flaming tiger and entered the depths of the Monster Mountain. Didn’t you encounter danger? Then? Where’s the Flame Tiger?”

Lu Chang is very curious now. Chen Ping entered the depths of the Monster Mountain Range. What happened? How did he come out safely?

With Chen Ping’s strength, it is almost impossible to break out from the depths of the Monster Mountain Range!

But now the facts are in front of him, Chen Ping is standing in front of him, that’s why Lu Chang is so surprised and curious!

Chapter: 3718

“Lü Chang, do you know Chen Ping?” Han Qing’er asked in surprise.

“Well, I’ve met a few times, and we’ve met in the secular world!”

Lu Chang nodded and said!

“Mr. Lu, I just chased him for a short distance. I didn’t go too deep. I came out quickly, so I wasn’t injured!”

Chen Ping explained with a faint smile!

As for conquering the Flame Tiger, there was no way he could tell it now!

The Blazing Tiger is now Chen Ping’s killer, and can only be exposed when it matters most!

“No wonder, almost no one who enters the depths of the Monster Mountain Range comes out alive. Even if they do survive, they are seriously injured!”

Lu Chang heard that Chen Ping had not gone deep into the Monster Mountain Range, and then he understood why Chen Ping was still alive!

After finishing speaking, Lu Chang took Han Qing’er’s hand and said: “Qing’er, let’s leave quickly, Uncle Han and the others are waiting...”

Lu Chang directly pulled Han Qing’er away, but Han Qing’er glanced at Chen Ping, her face became a little embarrassed and ugly, and she struggled to break away from Lu Chang’s hand!

Lu Chang was stunned for a moment and looked at Han Qing’er with confusion on his face.

You must know that the two of them are childhood sweethearts, and the two families have been preparing for their marriage for a long time!

Lu Chang didn’t understand what happened to Han Qing’er today, why she suddenly stopped letting him hold hands!

“There are so many people here, don’t be ridiculous...”

After Han Qing’er finished speaking, she walked straight towards the square!

Lu Chang, who looked confused, could only follow behind!

“Let’s go too...” Chen Ping said, leading Ge Yuhan and Hou Zhen to the square!

At this time, the square was already full of people, and on the high platform in the middle, more than a dozen people were sitting on it. At first glance, they were the powerful people in the major secret realms!

Behind these people, there were five people standing in front of them. Among these five young people, there was a woman covered in a white veil!

“Mr. Chen, these five young people standing are the five on the list of celebrities, and the veiled one is the only woman named Yu Jiameng, the eldest lady of the Yu family in the Tianmen Secret Realm.”

“The old man in front of Yu Jiameng is her father Yu Qian. The head of the Yu family should be considered the most powerful person in the eight secret realms. The right to speak in this secret realm conference is also in the hands of Yu Qian!”

“And the young man next to Yu Jiameng is Yao Shenghui, who is number one on the most popular list, and is the top disciple of the Purple Thunder Sect in the secret realm of Earth Gate...”

“.....”

Chapter: 3719

Hou Zhen introduced Chen Ping one by one. It can be seen that Hou Zhen does know a lot about the eight secret realms!

This also gave Chen Ping a preliminary understanding of the eight secret realms.

But when Hou Zhen introduced Han Fusheng to the Zixiao Mansion in the Thunder Gate Secret Realm, Chen Ping narrowed his eyes and murderous intent rose up in his body!

Hou Zhen felt the change in Chen Ping's aura and asked quickly: "Mr. Chen, what's wrong with you?"

When Chen Ping heard this, he quickly put away his breath and said with a faint smile: "It's okay, just keep talking..."

But Chen Ping didn't listen at all to what Hou Zhen was introducing later. His eyes were fixed on Han Fusheng. His mother should be in Zixiao Mansion at this moment!

Soon, something suddenly occurred to Chen Ping's mind, and he hurriedly asked Hou Zhen: "Monkey, how many people named Han are there in the Thunder Gate Secret Realm? Doesn't it matter if Han Qing'er follows Han Fusheng just now?"

Hou Zhen shook his head: "I'm not very clear about this, but Han Fusheng does have a daughter. Maybe Han Qing'er is Han Fusheng's daughter. After all, there are not many people named Han in the Leimen Secret Realm."

Chen Ping frowned. He had never thought that Han Qing'er was actually from Zixiao Mansion. If so, then Han Qing'er would become his enemy!

At this moment, Chen Ping's eyes suddenly lit up. He seemed to have thought of a way to rescue his mother. If he relied on his current strength, it would be harder to break into Zixiao Mansion and rescue his mother than to reach the sky!

But since Han Qing'er belongs to Zixiao Mansion and is Han Fusheng's daughter, then he can use his relationship with Han Qing'er to enter Zixiao Mansion and find a way to rescue his mother!

Thinking of this, Chen Ping hurriedly turned to look at everyone, trying to find Han Qing'er!

He must now establish a good relationship with Han Qing'er. If they can become boyfriend and girlfriend, it will be more beneficial for Chen Ping to rescue his mother!

Soon, Chen Ping spotted Han Qing'er's figure. At this time, Han Qing'er was staring at Chen Ping closely!

When the two people's eyes met, Han Qing'er's face turned red and her eyes dodged!

Seeing this scene, Chen Ping instantly understood what Han Qing'er was thinking!

Chen Ping walked towards Han Qing'er. Hou Zhen and Ge Yuhan saw this and hurriedly followed!

When Han Qing'er saw Chen Ping walking towards her, she felt a little excited in her heart!

"Miss Han, are you coming here to participate in the competition?"

Chen Ping took the initiative to follow Han Qing'er and asked.

"Of course!" Han Qing'er nodded, then took a look at Chen Ping and said, "Is the jade I gave you still there?"

Chen Ping was stunned for a moment, then hurriedly said: "Yes, of course I am..."

After Chen Ping finished speaking, he took out the jade that Han Qing'er had given him from the storage ring!

At that time, Chen Ping didn't feel there was anything special about the jade, so he threw it into the storage ring!

Chapter: 3720

"Did you feel that the stone I gave you was very ordinary, so you didn't wear it and just threw it into the storage ring?"

Han Qing'er asked after seeing this.

“Oh, no, I’m just afraid of losing it, so I don’t want to wear it!”

Chen Ping explained!

“This jade may seem ordinary, but it is a life-saving rune stone. You can use it to turn disaster into good luck.”

“Hurry up and bring it with you. Maybe you can use it in today’s competition!”

Han Qinger said to Chen Ping!

“Okay!” Chen Ping quickly put the jade on his body!

At this time, Lu Chang on the side saw this and frowned: “Qing’er, this is the life-saving rune stone that Uncle Han made for you. You have worn it since you were a child. Why did you give it to him?”

Lu Chang didn’t know that Han Qing’er had been saved by Chen Ping, and he didn’t even know that Han Qing’er had been thinking about Chen Ping from that day on!

“This is my thing, it’s up to you to take care of it!”

Han Qing’er rolled her eyes at Lu Chang and said!

At this time, Lu Chang was very embarrassed. When Chen Ping saw this, he followed Lu Chang and said: “Mr. Lu, this jade was given to me by Miss Han when I saved Miss Han.”

“Have you saved Qing’er’s life?” Lu Chang was stunned, a little unbelievable!

Chen Ping nodded and told what happened about Han Qing'er. Only then did Lu Chang remember that Han Qing'er had indeed sneaked out of the secret realm and was attacked by someone, but he didn't expect that it was Chen Ping who saved Han Qing'er!

Since Han Qing'er gave the life-saving rune stone to Chen Ping to repay Chen Ping's life-saving grace, Lu Chang couldn't say anything!

He could only watch Han Qing'er chatting passionately with Chen Ping. Seeing Han Qing'er's happy look, Lu Chang felt jealous in his heart!

Now Lu Chang just hopes that the Secret Realm Conference will start soon so that Chen Ping and Han Qing'er can end their chat!

"Everyone, please be quiet..."

At this time, Yu Qian, who was sitting at the top of the high platform, stood up and said loudly!

For a moment, everyone shut their mouths and then looked towards the high platform!

Seeing that it became quiet, Yu Qian continued: "This time the Secret Realm Conference is restarted, I like that you should still have an attitude of learning from each other, and never hurt others intentionally. As the saying goes, friendship comes first, competition comes second!"

"Now let's invite Yao Shenghui from the Billboard to ring the dragon bell. This is when our conference officially begins!"

"However, there are some small changes this year. This is the dragon pattern bell. Anyone can ring it, but whether they can ring it depends on their ability."
