

The Order 3721

Chapter: 3721

“When the time comes, don’t be unable to ring the dragon-patterned bell, but you are backlashed and seriously injured, then the gain outweighs the loss!”

After Yu Qian finished speaking, he looked at Yao Shenghui and said, “Mr. Yao, please...”

Yao Shenghui nodded, and then with a tap of his toes, he flew to the bell tower in an instant, then pushed open the bronze door and walked in!

The moment the copper door was pushed open, a terrifying aura rushed towards his face!

The bell tower is only over fifty meters high, but it took Yao Shenghui half an hour from walking through the bronze door to climbing up the bell tower to reveal himself!

“good.....”

When Yao Shenghui’s figure appeared from the top of the bell tower, many people cheered and cheered!

“It seems that Yao Shenghui’s strength has improved a lot, and he climbed to the top of the bell tower in half an hour!”

Hou Zhen couldn’t help but sigh.

“Is half an hour a short time? Isn’t the clock tower only fifty meters high?”

Chen Ping asked with some confusion.

“Mr. Chen, you don’t know something. Although the bell tower is not high, the way up to the bell tower is covered with magic circles. You need to break through the magic circles.”

“And even if you break through the magic circle and reach the top, you may not be able to ring the dragon pattern bell. This dragon pattern bell has nine dragon-shaped patterns carved on it!”

“Every time he rings, a golden dragon will circle around the bell tower. Yao Shenghui can only ring once!”

“Even the most powerful Yu Qian has tried it before. He rang the bell five times at most. At that time, five golden dragons were flying around. The scene was not to mention how spectacular it was!”

Hou Zhen explained to Chen Ping, his eyes full of expectation and outwardness. It seemed that the scene of five golden dragons flying around at that time shocked him very much!

“It turns out that there are so many details about ringing this dragon-patterned bell. I will try it later...”

Chen Ping couldn't help but become interested in the dragon pattern clock!

“Chen Ping, with your strength, you still want to ring the dragon bell? I'm afraid you won't even be able to climb the bell tower.”

“If you get backlashed by that magic circle, you might lose your life. Do you think you can just try it just because you're a human?”

Lu Chang on the side said to Chen Ping!

Chen Ping's lively chat with Han Qing'er just now has already made Lu Chang feel dissatisfied with Chen Ping!

“Whether it works or not, we still have to give it a try. If we are so scared that we don't even have the courage to try, what will happen no matter how high our cultivation level is?”

Chen Ping smiled slightly and said!

Chapter: 3722

“Chen Ping, you are from the secular world, so you don’t know the horror of this dragon pattern bell. Once you see it, you probably won’t say that!”

Lu Chang smiled coldly and said nothing!

“Chen Ping, don’t try to show off. You can’t knock this dragon-patterned bell. Let’s see if other people on the list dare to try it later!”

Han Qinger warned Chen Ping!

Chen Ping did not speak, but his determination to ring the dragon-marked bell could not be changed, and he seemed to be able to feel that the dragon-marked bell seemed to be calling him!

At this time, on top of the bell tower, Yao Shenghui waved to everyone, then looked at the golden bell and hammer lying aside, then he became angry and let out a loud shout, and the spiritual power in his body burst out instantly!

I saw Yao Shenghui struggling to pick up the hammer. Chen Ping was very puzzled when he saw Yao Shenghui struggling to pick up the hammer!

“Isn’t there a formation on this bell hammer?”

Chen Ping asked Hou Zhen.

However, Hou Zhen didn’t speak, but Lu Chang on the side said: “There is no formation on this bell hammer, but this bell hammer doesn’t look big. I heard it was made of flying stones from the sky and weighs tens of thousands of kilograms. I guess you can’t even I don’t even have the qualifications to pick it up.”

When Chen Ping heard this, he couldn’t help but be surprised. Such a small copper hammer actually weighed tens of thousands of kilograms. If it was used as a weapon, it would definitely be a good weapon!

Chen Ping didn't say anything, but looked at Yao Shenghui on the bell tower attentively.

I saw Yao Shenghui's whole body's aura rising, and with all his strength, he hit the dragon-patterned clock hard with the hammer in his hand!

Buzz.....

The bell trembled slightly, followed by a heart-stirring bell that enveloped the entire square!

Everyone seemed to be intoxicated by the melodious bells!

As the bell rang, a dragon pattern on the dragon pattern clock flashed with golden light.

A dragon roar sounded, and then a golden dragon soared directly from the dragon pattern bell, and then continued to fly around the bell tower!

Everyone looked at the golden dragon soaring in the air, and everyone was very excited!

"I haven't seen the golden dragon take off in many years..."

"No, since the secret realm conference was closed, no one has rang the dragon bell."

"Yao Shenghui's strength is still as strong as ever..."

Everyone was talking about it.

And in the midst of everyone's discussion, Yao Shenghui was seen struggling to lift the hammer again. Such an action made everyone shut up in an instant and looked at Yao Shenghui in surprise!

Chapter: 3723

In the eyes of everyone's surprise, Yao Shenghui swung the hammer again and rang the dragon-patterned bell!

With a melodious bell ringing, another golden dragon rose into the sky!

Two golden dragons kept flying around the bell tower, the scene was very spectacular!

At this time, Yao Shenghui could no longer hold on and put the bell hammer back in his hand. However, he was able to ring the dragon pattern bell twice. This was considered the highest strength among the younger generation of monks in the Eight Great Secret Realms!

"Oh my God, I didn't expect Yao Shenghui's strength to be able to ring the dragon bell twice. It's so awesome..."

Someone sighed!

After the two golden dragons hovered in the air for a moment, they finally turned into a golden light and returned to the dragon pattern clock.

At this moment, Yao Shenghui jumped down from the bell tower with the joy of a winner on his face!

As soon as Yao Shenghui landed, many people rushed forward and greeted Yao Shenghui one after another, wanting to curry favor with this proud man of the eight secret realms!

"Isn't it just two knocks? Why do these people act like they have never seen the world? It seems that there is no difference between the eight secret realms and the secular world!"

Seeing everyone fawning over Yao Shenghui, Chen Ping sneered and said!

However, this sentence was overheard by Yao Shenghui who happened to be passing by!

Yao Shenghui was stunned for a moment, then stopped and looked at Chen Ping!

“Who are you? Which secret realm are you from?”

Yao Shenghui asked Chen Ping.

“Master Yao, this is our Fire Sect secret realm, a member of the Ge family!”

Ge Yuhan didn't wait for Chen Ping to speak and quickly introduced!

“The Ge family in the Fire Gate Secret Realm?” Yao Shenghui frowned slightly: “I haven't heard of any geniuses coming out of the Ge family. Why do you speak so loudly?”

“Just now I heard about the secular world. When will the secular world become worthy of being compared with our secret realm?”

“Master Yao, this man's name is Chen Ping. He comes from the secular world and has never seen the world.”

Seeing that Chen Ping was noticed by Yao Shenghui, Lu Chang stepped forward to assist.

“People from the secular world?” Yao Shenghui's eyes narrowed: “When did our Secret Realm Conference allow people from the secular world to join?”

“Mr. Yao, now Mr. Chen is from our Ge family and is here to participate in the Secret Realm Conference on behalf of our Ge family.”

Ge Yuhan hurriedly explained!

Chapter: 3724

“Letting a boy from the secular world represent your Ge family would be such an embarrassment to our Fire Sect Secret Realm!”

At this time, Jin Yuan came over, then saluted Yao Shenghui and said, “Master Yao, my name is Jin Yuan, from the Zhanyue Pavilion in the Fire Sect Secret Realm.”

“It turns out to be Brother Jin, whom I have admired for a long time!” Yao Shenghui clasped his fists, and then asked: “What’s going on with this guy named Chen Ping? Is he really from the secular world?”

“Yes, he is from the secular world. I don’t know what it has to do with following the Ge family, so the Ge family gave him a quota to participate in the Secret Realm Conference.”

Jin Yuan said truthfully!

“It’s really like that...” Yao Shenghui’s eyes fell on Chen Ping again!

“Master Yao, actually...”

Ge Yuhan wanted to explain, but was interrupted by Yao Shenghui with a wave of his hand, and then said: “I have to report this matter truthfully. It is a blatant violation of the regulations to allow people from the secular world to participate in the Secret Realm Conference.”

After saying that, Yao Shenghui paused, rose into the air, and landed on the high platform in an instant!

“Shenghui, what happened just now?”

Yao Qisheng, the leader of the Purple Thunder Sect, asked.

What just happened below can be seen clearly from the high platform!

“Master, my disciple just discovered that people from the secular world appeared in the Secret Realm Conference.”

Yao Shenghui said.

“What, there are people from the secular world? What’s going on?” Yu Qian frowned and said!

As the person who controls the discourse in the secret conference, if someone blatantly violates the rules, then that’s okay!

“Master Yu, I was down there just now and heard someone say that someone from the secular world entered the secret realm conference.”

“The man’s name is Chen Ping. He was brought in by the Ge family of the Fire Sect Secret Realm.”

Yao Shenghui said it truthfully!

After Yu Qian heard this, he immediately turned his attention to Ge Cangsheng who was sitting on one side!

“Ge Cangsheng, what on earth is going on?” Yu Qian asked.

Everyone else also turned their attention to Ge Cangsheng, wondering why Ge Cangsheng would bring a person from the secular world here!

You must know that the places to participate in this secret realm conference are very precious, but Ge Cangsheng is willing to give a place to a person from the secular world!

“Master Yu, Mr. Chen is indeed a member of the secular world, but he is also a member of my Ge family, so it is completely in compliance with the regulations to represent our Ge family in this secret realm conference!”

Chapter: 3725

“I believe that many families have their own representative families in the secular world, and some families even send people to the secular world. There is nothing surprising about this. Could it be that those people who return from the secular world cannot represent the family in the Secret Realm Conference? ?”

Ge Cangsheng had actually already thought of his words.

“Mr. Chen?” Yu Qian looked at Ge Cangsheng with confusion on his face: “Is this man a warrior or a monk? You actually address him with such respect. It seems that he has an unusual relationship with your Ge family?”

“Mr. Chen is a monk and is kind to our Ge family, so everything in our Ge family should now belong to Mr. Chen.”

Ge Cangsheng said!

As soon as Ge Cangsheng’s words came out, everyone was shocked. Only the expression on Jiang Wuya’s face did not change!

“That being said, I really want to meet this person!”

Yu Qian became deeply curious about Chen Ping!

Even others are curious about who Chen Ping is, and he can actually make Ge Cangsheng say this!

“Shenghui, the head of the Yu family is curious, go and bring this guy named Chen Ping!”

Yao Qisheng said to Yao Shenghui.

“Yes!” Yao Shenghui nodded, then jumped up and landed in front of Chen Ping!

“Boy, the head of the Yu family on the high platform wants to see you, come with me!”

Yao Shenghui said to Chen Ping!

When Chen Ping heard this, he just wanted to go to the high platform and meet the talkers in these eight secret realms!

Following Yao Shenghui, Chen Ping jumped lightly and reached the high platform!

When Chen Ping stood in front of everyone, many people were surprised. They did not expect that Chen Ping was so young!

“Mr. Chen...”

Seeing Chen Ping, Ge Cangsheng stood up and actually gave up his seat to Chen Ping!

As a member of the Tianlong Palace, Ge Cangsheng must be respectful in front of Chen Ping, the master of the palace!

Moreover, the reason why Ge Cangsheng did this in public was to let everyone see it, so that when these people are interested in Chen Ping, they should consider the Ge family!

“Old Ge clan, there’s no need to be like this, just sit down!”

Chen Ping waved his hand, asked Ge Cangsheng to sit down, and then swept his eyes in front of everyone!

Facing the major talkers in the eight secret realms, Chen Ping didn’t even show the slightest hint of timidity!

Chapter: 3726

“Are you Chen Ping?” Yu Qian looked at Chen Ping and asked.

“yes!”

Chen Ping nodded!

“Are you from the secular world?” Yu Qian asked again.

“Yes!” Chen Ping replied expressionlessly!

Yu Qian kept looking at Chen Ping, and then said with slight surprise: “I didn’t expect that in the secular world, you can actually cultivate to the strength of the three realms of distraction. It seems that although the recovery of spiritual energy failed, the suppression of the laws of heaven and earth has been reduced. A lot!”

Yu Qian also thought that Chen Ping was able to cultivate to the realm of distraction in the secular world because the repressive power of the laws of heaven and earth was reduced!

“Master Yu, don’t worry about him for now. I think we should continue. I guess there are many people gearing up and waiting to ring the dragon bell!”

Yao Qisheng said to Yu Qian!

“Okay!” Yu Qian nodded, then looked at the young people standing behind him and said, “Who among you wants to try?”

“Dad, let me do it!”

Yu Jiameng, wearing a gauze scarf, stood up!

“Yes!” Yu Qian nodded: “You have to be careful and don’t show off...”

“Got it!” After Yu Jiameng said, he jumped up and then landed in front of the bell tower!

Pushing open the bronze door, Yu Jiameng walked in!

But this time, Yu Jiameng took longer, more than forty minutes, to get to the bell tower!

Seeing that his daughter reached the top of the bell tower safely, Yu Qian was obviously relieved!

The reason why the bell-ringing rules of the secret realm conference were changed this time was because Yu Qian wanted his daughter to ring the dragon-patterned bell!

Although ringing the dragon-marked bell requires a lot of spiritual energy and is dangerous, every time you ring the dragon-marked bell, it is an exercise for yourself!

Yu Jiameng went up to the bell tower, took a deep breath, picked up the hammer, and then struck the dragon bell hard!

As the bell hammer hit the dragon pattern bell heavily, a melodious bell sounded, and then a golden dragon appeared.

Everyone couldn't help but start cheering. They didn't expect that a girl named Yu Jiameng could ring the dragon pattern bell!

Yu Jiameng looked extremely confident at this time, holding on to the hammer of the bell, wanting to ring it again!

But this time, as the bell hammer hit the dragon-patterned bell, there was no bell sound, but a huge counter-shock force, causing the bell hammer to fall to the ground, and Yu Jiameng's body flew directly out of the bell tower. , spitting out a mouthful of blood in mid-air!

Chapter: 3727

“Meng'er.....”

Seeing this, Yu Qian jumped up quickly and stepped forward to catch Yu Jiameng.

“Dad, I’m fine...”

Yu Jiameng wiped the blood from the corner of his mouth and said!

“I’m not telling you not to be brave. You must know that the anti-seismic power of this dragon pattern clock can kill people at any time.”

Yu Qian said to Yu Jiameng angry and distressed.

Yu Jiameng lowered her head and said nothing. She had tried hard to express herself just now, but she ended up being a little too pushy!

If her father hadn’t taken action in time, she would have been injured!

Yu Qian brought Yu Jiameng to the high platform, and then said to everyone: “The Dragon Pattern Bell is not something you can ring casually. It is life-threatening. If you feel that you are not strong enough, don’t show off. In order to ring the bell, Zhong, is it worth risking your own life?”

Yu Qian’s words made many people who were eager to give it a try retreat. It was indeed not worth risking their lives just to ring the bell!

Even if they are injured, it is not worth it. After all, they are here to compete. If they are injured, how can they compete!

“Are any of you willing to give it a try?”

Yu Qian looked at the remaining three people on the list behind him and asked!

The three people looked at each other and then shook their heads. If they bothered to ring the dragon-marked bell, the subsequent competition would definitely be affected.

“Master Yu, the Secret Realm Conference has not been held for so many years. We would like to see Master Yu ring the dragon bell and see the spectacular scene of three dragons taking off!”

At this time, Yao Shenghui said to Yu Qian!

Yu Qian was stunned for a moment, then waved his hand and said, “I can’t do it anymore. I’m old. I’m afraid I won’t be able to knock anymore.”

“Master Yu, since that’s the case, I still want to give it a try and see if I can create a scene of three dragons taking off.”

Yao Shenghui actually wanted to ring the dragon bell again!

Yao Shenghui’s words stunned everyone. Even his master Yao Qisheng frowned and said, “Shenghui, what are you talking about? Being able to ring the dragon pattern bell twice is already pretty good.”

“Furthermore, you have just rang the dragon-marked bell, and your spiritual power has not responded yet. If you rang it again, wouldn’t you be courting death?”

Yao Qisheng reprimanded Yao Shenghui loudly. Since the Secret Realm Conference was held, no one has ever made such a request!

Everyone else also started talking about Yao Shenghui!

“Yao Shenghui is the number one on the list, and it seems he is very dissatisfied with ringing the Dragon Bell twice!”

Chapter: 3728

“It’s so crazy. You actually want to knock it again. Even the head of the Yu family doesn’t dare to say that he can knock it again, right?”

“What’s wrong with Yao Shenghui today? Is he a little abnormal?”

Everyone was talking about it, but Yao Shenghui didn’t take it seriously!

He didn’t care about his master’s reprimand, and still said to Yu Qian: “Master Yu, I’m a little dissatisfied with my results just now. If I were allowed to knock once, I would definitely be able to knock out three dragons taking off.”

Yao Shenghui looked confident, but Yu Qian looked at him quietly, and then said: “Do you want to knock out the Three Dragons Soaring, so that everyone can see that your strength can equal mine?”

Yu Qian knew that the reason why Yao Shenghui insisted on knocking once and three times was simply to show his strength in front of everyone and let everyone see that Yao Shenghui was no worse than him!

Yao Shenghui’s ambition is very great, even surpassing that of his master Yao Qisheng!

“Master Yu, as the saying goes, the waves behind the Yangtze River push the waves ahead, and the young are better than the blue. You don’t want us young people to live under your wings forever, right?”

Yao Shenghui smiled lightly.

“Shenghui, why are you talking to the head of the Yu family? Please apologize to the head of the Yu family...”

When Yao Qisheng saw this, he immediately scolded Yao Shenghui!

But Yu Qian waved his hand, without the slightest displeasure on his face, and said with a smile: “Master Yao, it is understandable that you are young and energetic, and all things in the secret realm will need to be taken over by young people. After all, we are all old!”

Then Yu Qian looked at Yao Shenghui and said, “You want to ring the dragon pattern bell again, I can promise you, but before you strike, I also want to stretch my muscles and bones, otherwise they will rust!”

After Yu Qian finished speaking, no one saw any movement of Yu Qian, but they saw that his body had already floated down from the high platform and landed outside the bell tower!

Immediately afterwards, the breath in Yu Qian’s body began to rise, and the breath exploded violently, shooting straight into the sky. Everyone felt this breath, and their bodies all trembled slightly!

I saw Yu Qian pushing open the bronze door of the bell tower with one hand and walking in. Everyone was silent, watching and waiting quietly, waiting for how long it would take for Yu Qian to pass the road leading to the top of the bell tower!

Yao Shenghui stood behind his master, staring in the direction of the bell tower!

“Shenghui, you are so impatient. I know you have the Spirit-Enhancing Pill in your hand. As long as you take the Spirit-Enhancing Pill, you will definitely be able to make three dragons take off.”

“But have you ever thought about it, in the public eye, if you take the Spirit-enhancing Pill, others won’t be able to tell?”

“If these people track it down, the origin of this spiritual enhancement pill will not be clear.”

Yao Qisheng sat on the stone bench and scolded Yao Shenghui using the sound transmission technique.

Yao Shenghui lowered his head slightly and said nothing!

At this moment, everyone suddenly burst into exclamation, and saw Yu Qian’s figure appearing at the top of the bell tower!

“This... the strength of the head of the family is too strong. How long did it take to reach the top?”

Chapter: 3729

“Ten minutes? It should be less than ten minutes, right?”

“Let’s not talk about how many times Patriarch Yu can ring. With the speed at which he reaches the top, I’m afraid Yao Shenghui won’t be able to catch up.”

“That’s not true. A small person who is number one on the celebrity list doesn’t know what his last name is, and he still competes with the head of the Yu family!”

While everyone was shocked, they also began to mock Yao Shenghui!

You must know that these people all flattered Yao Shenghui when Yao Shenghui rang the dragon bell twice.

But Yao Shenghui didn’t know what was wrong and actually followed Yu Qianbi. Now everyone turned to Yu Qian!

In any case, Yu Qian is the talker of the eight secret realms, who wouldn’t give him some face?

Yao Shenghui’s face was also full of embarrassment at this time, and his face turned red and white.

At this moment, I saw Yu Qian picking up the bell hammer, looking very relaxed, not as strenuous as others!

Immediately afterwards, the bell hammer passed through the air, and an afterimage appeared in an instant, and then hit the dragon pattern bell heavily!

Buzz.....

A melodious bell rang, followed by a huge breath that set off a gust of wind and waves, heading in all directions.

Everyone in the square felt their breathing stagnant and their minds trembling continuously!

The dragon pattern clock kept shaking, and a golden dragon instantly rose into the sky from the dragon pattern clock!

Before everyone could react from the huge aura, another melodious bell rang!

Another golden dragon soared into the sky, and two golden dragons hovered in the air, constantly soaring!

Buzz.....

Yu Qian waved the hammer in his hand again, and the third bell rang!

These three strokes were done almost in one go, and I can't see how hard it was to be modest!

"Three dragons soar..."

Everyone watched excitedly as three golden dragons soared in mid-air, circling around the bell tower!

At this time, Yu Qian was seen raising the bell high again!

"Master Yu, is this the fourth time?"

"Could we be able to see the scene of four golden dragons taking off?"

Chapter: 3730

Everyone looked at Yu Qian in shock, looking forward to Yu Qian's fourth hammer!

Buzz.....

Finally, the bell hammer in Yu Qian's hand fell again and hit the dragon pattern clock hard. A dragon pattern on the dragon pattern clock turned into a golden dragon, hovering in the air!

"It's four, it's really four..."

"Master Yu is really hiding his secrets, and Yao Shenghui doesn't know what to do and is competing with Master Yu!"

"I'm slapped in the face now, look how arrogant Yao Shenghui is!"

Everyone was talking a lot, and they were ridiculing Yao Shenghui!

At this moment, Yao Shenghui's face was worse than eating shit, and even Yao Qisheng's face was equally ugly!

"It seems that Patriarch Yu's strength is well hidden..."

Yao Qisheng sighed softly!

On the high platform, everyone looked attentively at the golden dragon soaring in the air, and they were all deeply shocked!

Only Chen Ping frowned, his expression seemed a little painful!

Because at this moment, Chen Ping felt that the power of the dragon in his body was being attracted again, especially seeing those golden dragons in mid-air, which made Chen Ping want to rush over desperately!

He wanted to unleash all the power of the dragon in his body. It was more like turning himself into a golden dragon and flying!

But he can't, he can't do this in public. If more of his secrets are exposed, he will be targeted by many people.

With his current strength, he is not enough to follow any of the eight secret realms to fight against him!

He was trying his best to suppress the restlessness in his body!

"Look, look, Master Yu has raised the hammer again..."

At this time, someone shouted loudly!

Everyone looked on in shock, seeing the aura on Yu Qian's body rising continuously, the expression on his face becoming solemn, and the hammer in his hand was raised high again!

He was about to ring the dragon-marked bell for the fifth time, but it was obvious that Yu Qian was not very relaxed this fifth time. The hammer raised high did not fall immediately!

If this blow fails to ring the Dragon Marked Bell, it is very likely that the Dragon Marked Bell will be injured by its counter-shock force!

After a while, Yu Qian gritted his teeth and swung the hammer down, hitting the dragon pattern clock hard!

Buzz.....
